News From the Officers

Spring is just around the corner for most of us and Regional Eliminations will be held shortly. It's time to get your dog tuned up and ready. Region presidents please watch your mail for regional trial packets. The National Officers have again voted to waive the \$135 sanction fee for the 2016 trial season. Also, make sure and e-mail Emily at eperkins@nstra.org the address and contact telephone name and number for your regional dog food deliveries.

We wish to give thanks to John Johnson of Des Moines, Iowa for taking the pictures of the Endurance Trial and awards that appeared in the last issue. He did an excellent job, especially rounding up all the people who took placements. Great pictures, John!

Please look in the **"In The Know"** section for the rules for the new Mentor Program. We are sure this program will help new members learn the ins and outs of our game and allow us to retain our newer members. This is a new program and we are open to feedback. Please contact the national officer in charge of your region with suggestions and feedback.

The deadline for the Trial of Champions is March 14, 2016. If your dog is a champion, please consider entering this trial. If your dog earns its championship between February 2 and March 31 2016, you can enter as a standby.

The office would like to remind all trial chairman that their trial reports are to be turned in within 10 days of the trial. Failure to do so results in errors in figuring championships and delays the magazine.

Have a happy and successful spring trialing season!

Sincerely,

National Officers

THANKS TO DIANE CAMPBELL

It is with sadness that we report that Diane Campbell will no longer be working for us. She has taken a position in the local school district as an aide. This is an opportunity for her to work with children which she loves to do. We wish her all the best but she will be sorely missed.

Dear BOOMER

TODAY'S QUESTION FOR BOOMER IS:

Dear Boomer,

I am a nine year old boy. I want to go hunting with my dad. Where do I start?

— Wondering

Dear Wondering,

I recommend you and your dad sign up for Hunter Safety and attend the course together.

As you probably know, I am a bird dog and I have taken many human hunters hunting for pheasants and quail. Most human hunters are not very good wingshots. I think it is because they weren't taken through the steps necessary to become a good shot.

I tell all my human friends to start their sons and daughters shooting with a BB gun. The old fashioned lever cocking BB gun is a good one to start with. Of course you're not going to become a shotgunner with a BB gun, but you can learn all the safety procedures.

Hunter Safety Season Begins

By Glenn Savage

This is an "in between" season for me. In between hunting, and good fishing. I took the opportunity, since rain was forecast, to take some implement tires to Taylor Tire in Litchfield for repair. While I was waiting, one of the tire techs emerged from the shop area and said, "Hey! You're the guy with Boomer from Hunter Safety. My nine year old still talks about that dog." Of course, he didn't ask my name, nor did I mention it. Before I left, he asked for Boomer's web address so he could read Boomer's articles.

His comments gave me a boost and renewed my enthusiasm for Hunter Safety. Over the years, I've made some good friends, met interesting people and

been privileged to present the Hunter Safety Course material to thousands of children and parents. The

hunter Safety Course is a requirement for everyone born after January 1, 1980 who wishes to hunt in Illinois. Over the years with the growth in deer and turkey hunting, parents have brought younger and younger children to Hunter Safety. According to the State of Illinois, no one can be turned away from the course because of non-discrimination law. However, it is difficult for children younger than nine years old to sit through two days of teaching and it is hard for them to pass the test even if it is read to them. On the other hand, some nine- year olds have no difficulty with the test. The worst part about Hunter Safety is telling some parents their children didn't pass.

Montgomery County Hunter Safety volunteers teach the course to all comers but we counsel them about what age (9) and maturity (moderate), children need to be successful.

Go to the following address, <http://dnr.state.il.us/safety/map.htm> to see the list of Hunter Safety Education courses for your part of the state.

If you were born before the date, January 1, 1980, you should still take the safety course. It is required if you go to another state or to some foreign countries to hunt. ■

IMPORTANT NEWS AND INFORMATION FOR MEMBERS

Mentor Program

In order to expand our outreach and assistance to new members coming in to our sport, a mentor program was initiated to allow seasoned trialers to help and instruct new members beginning their trialing career. This program allows a new member to have an experienced member to accompany them in the field to instruct them in handling their dog.

1. Mentor or mentors must be determined and trial chairman notified prior to the start of the trial. More than one may need to be determined in case one of the mentors falls into a back to back situation.
2. Mentor may not be used if the requested mentor has the following brace on the same field.
3. Requesting member is allowed the use of a mentor a total of 8 times. This must be tracked at the Region Level.
4. Mentor program is to be limited to weekend level trials only, no Region Eliminations or National Trials allowed.
5. Mentor may also be the designated gunner.
6. In no case will there be more than 6 people in the field during any brace.

If you have any questions, please contact the National Officer in charge of your region.

Handler Changes

An application to rule 8.10 was added:

Application: The handler drawn to run the dog must be the handler to actually run the dog if they are present at the trial. Substitutions can only be made in the case of illness or emergency subject to approval of the field marshal.

Section 20 Amateur Field Trial

Section 20, Amateur Field Trial Format has changed as follows (in bold):

- 20.01 All Amateur Trials shall be run under National Shoot-To-Retrieve Association rules. Each region may hold no more than four (4) Amateur trials per year (two during the spring trial season and two during the fall trial season). All trials must be scheduled through Region Presidents. There is no sanctioning fee required to be paid to NSTRA for Amateur trials.
- 20.02 All scheduled Amateur field trials will be officially sanctioned trials by NSTRA.

Tips from  **PURINA**

Condition Your Bird Dog to Help Prevent Soft-Tissue Injuries

Lameness in bird dogs is nothing to ignore due to the risk of a minor injury turning into a chronic problem. Not only could an injury be painful for a dog, it also could mean sidelining a promising season in rehab.

There are many things that can contribute to injuries in canine athletes. It is important to understand why an injury occurs to prevent future problems. Poor flexibility, inadequate warm-up and lack of conditioning are examples. Fatigue, overtraining and insufficient rest can be factors, as can force-

ful contractions, overstretching tendons, repetitive stress and strength imbalances.

"Dogs need a 10- to 15-minute warm-up before they exercise," says Jennell Appel, DVM, CCRT, a certified canine rehabilitation therapist and founder of the SportVet Canine Rehabilitation and Sports Medicine Mobile Clinic. "A fast-paced walk helps to improve flexibility and heat the muscles, which reduce susceptibility to a strain injury and facilitate oxygen utilization due to an increase in hemoglobin release."

Conditioning Exercises for Bird Dogs

These exercises build on the five conditioning components to deliver maximum benefits and help prevent soft-tissue injuries.

Exercise	Examples	Benefit
Strength Training (Resistance Training)	Running uphill (straight or angled), weight/cart pulling, hindlimb resistance bands, trotting over obstacles (Cavaletti exercises), stand/down/sit, crawling	Increases muscle girth and decreases stress on joints by building muscles to support joints
Endurance Training	Slow, steady trot for at least 20 minutes, steady swim for at least 15 minutes	Decreases heart rate, increases lactate threshold in muscles (exercise intensity at which lactic acid begins to accumulate), and increases maximal oxygen consumption (point during exercise when oxygen consumption remains at a steady state despite increase in work)
Balance	Figure 8 walking on an air mattress, three-leg and two-leg standing on a balance ball or disc	Increases core strength
Body Awareness (Proprioceptive Training)	Ladder/obstacle/plank walking, mattress walking	Increases the ability to sense spatial orientation of the body and adjust movements accordingly; proprioceptors located in the muscle send signals to the brain, allowing for coordinated movement; nerves can be trained, and the connection between neurons can be strengthened
Flexibility	Stretching program twice weekly	Increases extensibility of tissues and range of motion; decreases chance of tearing muscle/tendon fibers

A conditioned dog has greater stamina and longevity, with less stress on the body. “If you do core work with puppies, you will reap the benefits later,” says Appel. “The five components of conditioning are strength training, endurance, balance, body awareness, and flexibility.”

A dog also should be gradually cooled down 10 to 15 minutes after work. “A slow walk on a leash helps to dissipate waste products in the body,” she says. “This gradual decrease in cardiac output helps prevent the blood from pooling in the muscles and reduce soreness.”

Stretching should be part of a training regimen, but should only be done after the muscles are warm, such as following field work or after a 10-minute walk. Exercises to help stretch the shoulders (biceps and supraspinatus), iliopsoas and hamstring are beneficial. Although stretching before a field trial does not reduce the risk of injury, it does help decrease the force of muscle contractions. Regular active stretching is best.

“I usually encourage stretching at the end of training or a trial,” Appel says. “Stretch dogs at the end of the day before being put in the truck for travel. A stretching protocol should consist of stretching two to three times a week, not every day, and always on competition days.”

Nutrition also is a critical component to conditioning your hardworking bird dog. Diet can change a dog’s athleticism. Canine athletes must be fed a high-fat, high-protein performance food to maximize their performance. These dogs have a

high oxygen metabolism, or VO_2 max, which gives them increased aerobic energy and endurance. The *Purina Pro Plan SPORT* portfolio is designed to provide optimal nutrition for your hardworking bird dog. To learn more about the formulas, visit proplan.com/dogs/platforms/sport.

Note that it takes several months to get a dog in tiptop shape. Adopting and implementing a conditioning program now will pay dividends by the time hunting season rolls around. ■

2015 DOG OF THE YEAR

It was a typical October week in Amo, IN this year; we were met with cold windy days, and even some major rain forcing us to bring out the laminated scorecards and wax pencils! The dogs participating have placed in their Regional Eliminations held each spring, or were the High Point dog for their region. This year we have 25 regions represented, including Central Canada and newcomers Southern California, with a total of 192 dogs. The Conservation Bird Dog Club held the pre-trial on Monday and Tuesday, rotating between the three fields allowing for the additional field as practice. On Wednesday morning John Davis, our trial chairman from the Kentucky region, met with the trial officials to explain the boundaries and the safety zones. Officials for this week were; Shelley Dunn - Kentucky, Bodie Ray - Georgia, Donny Parker - Arkansas, Stan Perdue - Georgia, John Holder - Wisconsin, Cory Perdue - Georgia, Ron Becker - Illinois, Ron Huels - Illinois, Martin Ueltschey - Gulf Coast Texas, Bo Marcum - Midwest, Casey Perdue - Georgia. Because it's October in Indiana, we did not get the trial started until around 7:30 am. After John Davis gave the invocation, and the national anthem was played, 2015 Dog of the Year got started.

We would like to give our sincere thanks to Emily Perkins (Indiana/Office) for coordinating this trial and Dorothy Jaspering (MidSouth), Olivia & Emma Coke (Indiana), and Julia Herwehe (NSTRA Office) for your volunteer support; you did a great job ladies!

Judging A-field on Wednesday are Stan and Cory Perdue, with Ron Becker marshalling. Stan has judged over 236 trials, including 5 Regionals and 11 Nationals, while Cory has judged 104 trials, including 5 Regionals and 9 Nationals.

Following Wednesday's braces, everyone joined in the clubhouse for the welcome dinner provided by the Conservation Bird Dog Club; the BBQ, macaroni & cheese, green beans, salad and dessert were enjoyed by so many people that we had to set up additional tables in the backroom! Once dinner was winding down, we began the Scholarship Auction; Shaun Rydl (MW) & Emily work very hard every year to put on a good display of items, and took it to the next step this year by selling raffle tickets for a "First Draw, First Pick" line of baskets; John Rawdin (IL) joined us as our volunteer auctioneer this year and did an amazing job "for the kids!" We were able to raise just over \$5800 for the scholarship fund. Thank you to everyone who participated.

Judging A-field on Thursday are John Holder & Bodie Ray, with Ron Huels marshalling.

Every year we spend Thursday evening enjoying the Fried Chicken, Catfish, Mashed Potatoes, Corn, and Biscuits & Apple Butter that we have become accustomed to from Jug's Catering. This year was definitely no different, except for the fact that so many of us were able to relax and enjoy our dinner before starting our Annual Awards Presentation. Chad Collison (MW) began the presentation with a moment of silence for Ted Dewey who had passed away just before DOY this year. Adam Fellers (MK) and John Davis (KY) were also on hand to present all of the awards for the year, including the Qualification Round Awards and 2015 Scholarship Awards; congratulations to Korbin Sesker (MW), TJ Craven (MI), and Morgan Wood (KY) on receiving scholarships to assist in your higher education. We also presented 2015 Hall of Fame awards to Glover's Nikki (Mark Kohlberg & Jack Glover) and Moniteaus Jessie James (Lonnie & Kelsey Jones); 2015 Distinguished Members to Allen Greeling (IL) and Jim Mahoney (OH); and the 2014 DOY ring and portrait to Greg Wood & Jim Kirkman for Tomoka's Smokin Gun (KY).

Judging A-field on Friday were Shelley Dunn & Donny Parker, with Martin Ueltschey marshalling.

At the end of a very hard-fought three braces, it was determined that Sam and Watson would be going head to head against Etienne and Caffrey. Judging the Final hour were Stan & Cory Perdue with Ron Becker and Ron Huels marshalling.

5th Runner-up went to 6xCH Glover's Reco, a 9 year-old English Setter male owned and handled by Chuck Ludolph of the MidNorth Region. Chuck has been working for many years to get Reco to the Top 6 of a National Trial, and to watch Sandy as she paced the backroom in hopeful anxiety made everyone start to root for this duo. Reco took his first placement in 2008, and made 1xCH in 2009; he is out of 15xCH Angie's Dogwood Skipper and 10xCH Glover's Nikki.

4th Runner-up is no stranger to the table; 7xCH Crosswind Micro Chip, a 6 year-old German Shorthair male owned and handled by Scott Townsend of the Michigan Region. Scott has tried multiple times to get that big trophy in Amo, but keeps falling just short. We wish him nothing but luck in the coming years! Chip took his first placement in 2012, and made 1xCH just a few months later. Chip has also been MI Regional Champion twice (2012 and 2013), 2013 Quail Invitational Champion, 1st Runner-up at 2014 UKC Performance Classic, and 1st Runner-up at 2014 Dog of the Year. He is out of 16xCH Crosswind Truckin Fritz and Ricadea Reba's Mack.

3rd Runner-up is another newbie to the Top 6; 1xCH Jazzmanian Devil Dot, a 3 year-old Brittany female owned and handled by Todd Hendrix of the MidWest Region. The look of pure excitement on Todd's face when he realized he had made it, and then where they had placed was nothing short of contagious. Jazz took her first placement in 2013, and made 1xCH in 2015; she is out of Champi-Dot and Diamond Tequila Gold. Todd received a WetMutt shirt and hat, Garmin gift certificate, Red Haw buckle strap, Gun Dog Supply gift certificate, NSTRA belt buckle and trophy, and a Purina jacket with 3 bags of Pro-Plan.

2nd Runner-up is the one of the hardest dogs to beat in Amo; 12xCH Ragin Cajun Zeus, a 6 year-old German Shorthair male owned and handled by Wayne Fishburn of the Indiana Region. It is widely known that Wayne is Zeus' best friend, and when he's not around, Zeus acts like the entire world is ending. The bond between these two has created an unstoppable team; Zeus was the 2nd Runner-up at the Indiana Regional twice (2013 and 2015) and was 2014 IN Regional Champion, and was also 2nd Runner-up at the 2015 Purina Endurance Classic. Zeus took his first placement in 2010 and made 1xCH in 2011; he is out of 23xCH Ruck's Brockway Mad Dash and 12xCH Last Dance Lily. Wayne received a WetMutt shirt and hat, Garmin gift certificate, Red Haw buckle strap, Gun Dog Supply gift certificate, NSTRA belt buckle and trophy, and a Purina jacket with 3 bags of Pro-Plan.

During the hour rest, Sam took the opportunity to sit back while Etienne absorbed as much advice as he could. Once the gates between A and B field were open, it was time to get this show on the road!

FINAL HOUR

Brace	Dog	Region		Owner/Co-Owner	Handler
1	TJ'S MICRO-TEQUILA WATSON	FL	BR/M	SHARRON WATSON/CLAYTON ASHMORE	SAM ASHMORE 1086.5
1	SMITH'S SHADOW OAK CAFFREY	CC	ES/M	ETIENNE LAVOIE	ETIENNE LAVOIE 861.8

Heading into the first part of the hour, it was looking like it was going to be a split field final; Watson and Caffrey were running nose to nose through the A-field and it was hard to tell who was going to find those coveted birds first. However, once Watson cut up the gate to the B-field, it was over. Having done this just a few times, it came down to the dog with the most Final Hour experience, and at the end of the day Watson would be crowned champion with 6-6, while Caffrey became our 1st runner-up with 4-4-B.

1xCH Smith's Shadow Oak Caffrey, an English Setter male owned and handled by Etienne Lavoie of the Central Canada Region. Caffrey and Etienne have been on the warpath this year; having teamed up with Roger Parient to learn as much about National Finals as he could, and relying on his previous trial experience, they definitely gave Watson a run for his money. It was also published on Facebook after the trial ended, that Caffrey was enjoying a much earned rest on his bed in front of the fireplace in the motor home! Caffrey took his first place in April of 2015, and his 1xCH in December of 2015! He is out of Shadow Oak Bo and Bohannon's Elizabeth. Etienne received a WetMutt shirt and hat, Garmin gift certificate, Red Haw buckle strap, Gun Dog Supply gift certificate, NSTRA belt buckle and trophy, and a Purina jacket with 6 bags of Pro-Plan.

2015 DOY Champion goes to a 'little turd' who definitely knows what he is doing in the field! 5xCH TJ's Micro-Tequila Watson, a 4 year old Brittany male owned by Clayton Ashmore & Sharron Watson, and handled by Sam Ashmore of the Florida Region. There's no denying that Watson loves to run and hunt, but is happiest when riding around in Clayton's truck. The entire Ashmore family and Sharron love this dog to pieces, and everyone in NSTRA knows he is going to do great things in the coming years! Watson earned his first placement in 2012 and his 1xCH in 2013; he also holds the following titles - 2014 Trial of Champions Champion, 3rd Runner-up at 2014 Dog of the Year, and 2015 FL Regional Champion. He is out of Shale Valleys Microteq Bullet and Mel's Ginger. Sam received a WetMutt shirt, hat and cooler, Garmin collar, Red Haw buckle strap, Gun Dog Supply gift certificate, NSTRA belt buckle, trophy and ring, Bob Bertram portrait, and a Purina jacket with 12 bags of Pro-Plan.

A huge shout out to all of our sponsors for helping to make this such an amazing trial! We missed seeing Eddie from WetMutt this year, but would like to extend our deepest thanks for sending not only prizes for the Top 6 finishers, but for also providing so many kennel mats for the scholarship auction. We also missed seeing Dean Reinke and Warner Smith, but Mike Witt did a great job of filling in and representing both Purina and Garmin; Purina provides not only our dog food for each participant, but also donates a large bag of Pro-Plan for each of the Top 4, while Garmin always provides the latest and greatest of collars for the winner. It was great to have Sara Chisnell of UKC on hand to help in getting even more NSTRA dogs registered. This year we were visited by a new clothing distributor, Sara Moore of Moore, Etc, and she did a fantastic job of selling the 2016 DOY shirts, and even working to make custom shirts for everyone on the grounds! Roosterwear was back for the first time in a few years, and it was great to see everyone around the trailer looking for the newest in hunting apparel.

We would especially like to thank the Conservation Bird Dog Club, and all of its members, for hosting this trial and doing such an amazing job throughout the week!

The Year of Firsts

The pre-trial saw the first brace of all women! Cheryl Higham (SCR) with Annie ran against Emily Perkins (IN) with K-os, while being judged by Bev McAdams (IN) and Mychalie Moore (IN). It was great to see the Experience assist the New; Cheryl has been handling since 2006 and Emily was running her 5th brace ever! Bev has been with NSTRA since 1994 and has judged 120 trials, while Mychalie received her judging license in July of 2015 and was judging her 9th trial!

This year we had more female handlers than ever before! We were joined by Cheryl Higham (SCR - 2006), Carolyn Oakes (DX - 2011), Tina Bass (VA - 2014), Mary Kay Kunza (IL - 1996), Lisa Burnett (WTX - 2007), Maggie Parsley (GCT - 1998), Deborah Meline (AR - 2011), and Sandra Lansdell (MI - 2011). These women took the trial by storm, with six of them advancing to Friday's draws. Congratulations to all eight handlers and their dogs!

Most importantly this year was the Final Hour; we have been visited by Central Canada many times in the past, but Etienne and Caffrey hold the title of being the first ones to make it to the final! As DOY entry is based solely on where you place in your Regional Elimination, this trial can be tough for them to attend. Due to weather and seasonal changes, Canada has a very short trialing season across their country. They are making great strides in holding more trials, and being able to qualify their Regional as a Championship, and we wish them the best of luck in the future.

Until next time.....Good Luck and Happy Trialing!

NORTHERN CALIF/NEVADA

The NCN Regional Championship for Northern California/Nevada was won by the team of Topper / John Hervey. Everyone who knows John knows just how hard he works at this game. He's a very accomplished trainer that knows there aren't any shortcuts, when it comes to developing a bird dog. John represented our region at DOY and upon his return he got right back to work. Just as the Hervey dogs really started to come on this season, John got hit with terrible allergies. They were so bad that John was forced to be a spectator while Cindy picked up the handling responsibilities. No one knew for sure if John would even be able to participate in the Regional, but when game day came, John and Topper were ready. They worked their way through a series of tough battles, besting some really good teams, and ended up winning the Regional Championship. Way to go John! You did it the old fashioned way – you earned it!

John didn't get on top without battling off some really good dogs along the way. The final four came down to 1st runner up Ike/Deric Fletcher, 2nd runner up Trooper/ Bruce Lyon and 3rd runner up going to Bit/Frank Rowe. Great job and congratulations to the final four!

NCN would like to extend a special thanks to Doug Cartwright and Mike Stotts for coming down from their respective regions to judge our Championship. Thanks guys!

Special Tribute to Cindy Hervey

NCN would like to acknowledge Cindy Hervey for all of her hard work she has given us through the years. Joe Langlois called the National NSTRA office and asked if they had a record of number of trials that Cindy has judged over the years. This is what he found out. Cindy Hervey judged her first trial on February 17, 1991. Since that time she has judged 174 trials. That puts her in the top 5 for most trials judged in the Nation. Thank you for your dedication to our region and our sport. You may well be the rock that has kept this region together in the worst of times. Thank You! Thank You!
