News From the Officers

Drumroll please.....!!!!

The new website and NSTRA computer operating system has been rolled out!! What an intense last few months it has been. It takes a tremendous amount of work to link all the processes that NSTRA uses on a day to day basis. By the time you read this, we should have most of the major bugs worked out. Of course there are always a few things that crop up but we want to thank everyone who helped us get this rolling. The people at Kodello who had to not only learn what we do but figure out how to work with some pretty old programs, Emily Perkins who spearheaded the draw testing, all the individuals who assisted in the later part of the testing and, of course, you members who have been patient while we get everything up and running and provided feedback. This new interactive site propels NSTRA into the technology based era and will streamline our operations as well as allow us to continue to update and develop new options the future deems necessary.

To clear up a few things: The website contains all of our records and resources. We combined a slew of individual components into one state of the art web based entity. Everything is written in the same language and updates and improvements will be much faster and more comprehensive. It also allows us faster access from more remote locations as well as a more secure way to back-up our records. The online draw was programmed with the chip-set to alleviate many of the problems that occurred with both of the previous draw programs. Real time updates aren't just a dream. Trial results won't take days (or weeks) to update. Members will be able to update their own information and not have to wait for the office to open. If you need to make a change to your profile at midnight on Wednesday, you can. No wait - no phone call. This is truly the backbone of NSTRA. As we continue to develop the system, more and more information will be available for the use of the national officers, the board of directors, your region and you as an individual member.

This issue features the results of the 2016 Purina Endurance Classic held in Osceola, Iowa. Just as they did last year, the members of the Iowa Gun Dog Club put on a top notch event. Everyone had a great time. The final hour of this trial was one not to be missed! With less than 17 points separating the two finalists, this was one of the closest finals in NSTRA history.

IGDA is going to take a break for a while and we are sorry they won't be hosting the trial next year. We have awarded the 2017 Purina Endurance Classic to the Rock Creek Field Trial Association in Waverly, Nebraska. This trial will be held on September 6 - 9, 2017.

The 2016 National Officer election results are as follows:

The 2016 National Officer election results are as follows:

<i>2nd Vice-President:</i>	Marilyn Cunningham	311 votes
	Todd Craven	298 votes
<i>Secretary</i>	Nance Ceccarelli	397 votes
	John Rawdin	213 votes

There is a ballot included in this issue for you to vote on a rule change and a format change for trials. There are 2 ballots included but if you need more for additional members of your family, you may make copies and send them in an envelope. Please remember that associate members do not have voting privileges and all ballots must be signed. The due date for these ballots is January 31, 2017.

A 501c3 has been established under the name of NSTRA Trust, Inc. as a non-profit, tax deductible entity. This will include the NSTRA Scholarship Fund as well as other programs established in the future and we will provide documentation of your donations to the fund.

Whew! With everything that we have accomplished, perhaps a nap over the holidays in order! Please remember to check out our Important Dates section to see when the National Office will be closed in observance of the holiday season.

Happy Holidays

PRO PLAN

WATCH OUT FOR THESE HIDDEN DANGERS

in the Field

The chilly air welcomes the familiarity of upland bird hunting season and NSTRA field trials for bird dog enthusiasts. However, as your dog works through the cover to find birds, there are dangers, both seen and unseen, that lurk in the field.

"The most common injuries in sporting dogs are traumatic or puncture wounds from running into obstacles such as tree brush, barbed wire, or fence posts that they didn't see because of tall grass, heavy cover, or some other reason," says Joe Spoo, DVM, DACVSMR, a hunting enthusiast. "Other common injuries and conditions are caused by overheating, a drop in blood sugar level, ticks, and migrating foreign bodies, such as plant awns, or 'mean seeds.'"

Dr. Spoo notes that it is important when traveling for a hunt or trial to know what local dangers may exist in a particular area. "Don't forget to also locate a veterinarian who can treat canine athletes near your destination. Keep their contact information handy so you're prepared in case of an emergency," he says.

Similarly, it's also a good idea to keep a canine first-aid kit with you while traveling. The kit should contain items such as absorbent gauze pads, elastic bandages, tape, tweezers, antiseptic, antibiotic ointment, antihistamine, saline solution, and medications prescribed by your veterinarian.

Regardless where you live, there are likely to be hidden dangers that can happen at any time. It's important to know what risks exist and what to do should an emergency arise.

MEAN SEEDS

Bacteria-carrying barbed grass seeds such as cheatgrass, Canada wild rye, Virginia wild rye, and foxtail barley pose a threat to bird dogs. Grass awn migration disease, a potentially life-threatening condition, occurs when harmful "mean seeds" enter a dog's nose or mouth or snag the coat and burrow through the skin. The seeds can migrate through the body's soft tissues, causing an infection.

Always thoroughly brush your dog's coat after a day's hunt or trial while awns are relatively easy to remove before they dig into the skin. Mean seed disease may be challenging to diagnose if a dog doesn't immediately show signs, such as decreased performance, lethargy and weight loss. If your bird dog seems "off" or has a fever between 103 and 104 degrees Fahrenheit, see your veterinarian right away.

TICK-BORNE DISEASES

A growing threat to dogs and people, tick-borne diseases can be transmitted as quickly as three to six hours after a tick bite. These bloodsucking parasites can transmit serious diseases such as Rocky Mountain spotted fever and Lyme disease.

To remove a tick, grasp it closely to the skin with tweezers and pull up firmly. Twisting could leave the head of the tick embedded in the skin, causing irritation.

Kill the tick immediately by placing it in a container with rubbing alcohol and apply a mild antiseptic to the dog's wound. Prompt removal of ticks can help prevent problems before they arise.

HYPERTHERMIA

Hyperthermia occurs when a dog's body temperature significantly exceeds the normal temperature range of 101 to 103 degrees Fahrenheit. It can be caused by lack of conditioning, lack of acclimatization, high humidity and temperatures, obesity, and previous heat stress episodes. Exertional hyperthermia, or when the dog's high activity level causes his or her body to overheat, can happen at any time regardless of the season.

Dr. Spoo advises, "It's important to condition your dog for the temperatures in which you hunt or compete as best you can. At minimum, be conscious of your dog's body temperature tolerance. Use common sense and don't run your dog in extreme weather conditions."

If you begin to notice signs such as weakness, vomiting, diarrhea, panting, or glassy eyes in your dog, take action immediately as time is of the essence. Get your dog out of the field to avoid further damage and take him or her to a veterinarian.

HYPOGLYCEMIA

"Hypoglycemia is a drop in blood sugar level in which a dog taps out his or her glucose stores, thus decreasing his or her ability to function," Dr. Spoo says. "It is a very dangerous, and sometimes even fatal, situation."

Early common signs of low blood sugar in sporting dogs is lethargy or fatigue, followed by loss of appetite, staggering gait, incoordination, and muscle twitching. Severe cases of hypoglycemia may result in seizures.

Once a dog begins to show clinical signs of staggering or incoordination, all physical activity should be stopped. Give your dog sugar water or an oral concentrated solution of glucose, such as corn syrup. If the clinical signs persist, you should seek veterinary care immediately.

Hypoglycemia goes hand in hand with nutrition. It's important to feed a quality high-protein/high-fat diet, such as *Purina Pro Plan SPORT Performance 30/20 Formula*, to help your dog power through a hunt or trial. For more information, please visit www.proplansport.com.

It is crucial to take steps to help ensure you and your dog have a safe and enjoyable hunting experience. Be sure to pack a first-aid kit, and most importantly, know your dog well and be able to readily recognize the signs of something wrong. ■

Rule Change #1

Section 22 OPEN/COMBINED TRIAL FORMAT:

22.01 Eligibility: Any dog that has 3 Open points or less, none of which can be first place points, is classified as an Amateur dog and is eligible for the Amateur division. An Open dog is one that has four (4) or more Open points or a dog that has earned first place points in the Open Division. Entrants are responsible for the proper classification of their dogs (Amateur or Open). In the OPEN/COMBINED trial format an Amateur dog competes in the Amateur and Open division in the same brace.

An Amateur dog can run in either the Amateur or Open Division at the owner's discretion (including moving back and forth between the two, except as noted in the last sentence) until such time as the dog achieves any one of the following:

- a) Amateur Championship status (18 points - 9 of which are first place Amateur points)
- b) Earns more than 4 points in Open Division
- c) Earns any First place point (s) in the Open Division
- d) If an Amateur dog earns 4 or more points in the Open Division or earns any First place points in the Open Division then the dog will receive their Amateur Championship.

22.02 Once any of the foregoing benchmarks are achieved, the dog can no longer compete in the Amateur Division, except as noted in the following sentence. The only exception would be that should a dog be drawn for the second day of a weekend trial and on the prior day it achieved any one of the aforementioned benchmarks the dog would be allowed to continue to compete for Amateur and Open points in the second day trial if originally drawn as an Amateur for that trial.

22.03 Trial Format: OPEN/COMBINED Trials are to be conducted and drawn the same as an OPEN Trial format, where all of the dogs are drawn as if they are Open dogs. Amateur dogs can be braced against Open dogs. Amateur dogs can place in both the Open division and Amateur division of the trial.

22.04 The Amateur portion of the trial shall consist of a minimum of 4 dogs. The combined total of Amateur and Open braces shall not exceed 16 nor can it be less than 6. Under the rules of a recognized field trial, the minimum is 12 dogs (6 braces) for an Open trial. 4 Amateur dogs are the minimum for Amateur placements. The trial shall be advertised in the schedule portion of the NSTRA magazine and website if it is an Open/Combined trial or Open. All rules pertaining to NSTRA Open trials apply. The entry fee shall be the same for both the Amateur and Open dogs.

22.05 Entries in the Open/Combined trial: Entries in both the Open and Amateur divisions of the trial shall be limited to five (5) dogs per owner and or handler per trial. Two shall be specified with the additional dogs to be added to the field seven (7) days prior to the trial only if the trial is not full per rules of a recognized field trial. Under the Open/Combined format 24 dogs (12 braces) is considered a full 3 point Open trial. Preference shall be given to entering 8 Amateur dogs in order to achieve a 3 point Amateur trial.

22.06 Regional Eligibility: An Amateur dog is eligible to compete in the Regional Elimination Trial once it has earned five (5) Amateur points or (1) Open point in a season.

22.07 Drawing the Trial: Drawing procedures should utilize the same format as an Open trial. (Note: The Open/Combined format can be used on one field and the Amateur/Open format on the other.)

22.08 Established NSTRA Sanction Fees shall apply. The Open/Combined shall be sanctioned under one fee for both divisions.

continued on next page

22.09 Points Earned: Points earned as an Amateur will only count toward an Amateur championship (which is defined as a total of 18 Amateur points, 9 of which must be First Place Amateur points) and eligibility in the dog's regional elimination trial upon earning 5 points during the region's specified time period. Amateur points will not count for any other titles, invitations to National trials, High Points Awards, Performance Awards, or other awards in the Open Division. The only exception would be if NSTRA chooses to have a National Amateur Champions Trial. These points are Amateur points only.

22.10 A Three Point Trial: 12 braces (24 dogs) are required for a three point Open/Combined trial.

22.11 Applicability: All rules of NSTRA regarding judging standards in effect for the Open Division shall apply to the Amateur Division.

22.12 All scheduled Open/Combined trials will be officially sanctioned trials by NSTRA.

22.13 If an Amateur dog has a score high enough relative to the open dogs, an Open placement will be awarded.
(Amateur dogs are eligible to place in both the Amateur and Open divisions of the trial.)

22.14 Awards for placements in the Open side will be the same as any Open trial. The awards for placements in the Amateur side will be NSTRA placement certificates. (The trial chairman may choose to give awards for Amateur placements, but this should not take away from the awards for Open placements).

22.15 Points: All Open/Combined trials shall be run under National Shoot-To-Retrieve Field Trial Association all age rules. Points shall be awarded as follows:

Amateur portion of a trial:

4 entries:	One point for first place
5-6 entries:	Two points for first place One point for second place
7 or more entries:	Three points for first place Two points for second place One point for third place

Open portion of a trial:

12-17 combined entries:	One point for first place
18-23 combined entries:	Two points for first place One point for second place
24-plus combined entries:	Three points for first place Two points for second place One point for third place

22.16 Bye Dogs: The procedure for handling bye dogs in the Open/Combined trial is the same as in the Open trial. If the trial is drawn and an Open or Amateur is pulled, it can be replaced with either an Open or an Amateur dog.

Rule Change #2

Proposed Rule Change NSTRA rule 8.04 a), July 16, 2016

The Deutsch Drahthaar is a pure bred pointing dog, this breed is over 100 years old and is the result of very strict breeding requirements. The DD is a versatile hunting breed that originated in Germany and is still registered there today. We are proposing a change to rule 8.04, our intentions are to have the DD and its registry recognized by NSTRA like all other pointing breeds and their registries.

Rule 8.04

a) currently allows pointing breeds registered in UKC, AKC, Field Dog Stud Book and CKC. This proposal would add the VDD to the list of allowed registry, the VDD is the breed club in which the Deutsch Drahthaar (DD) is registered. This rule change is required in order to allow the Deutsch Drahthaar as a breed and their handlers to participate in Shoot to retrieve association events while maintaining active status with the VDD. Some NSTRA regions have allowed the DD to participate in their trials, these dogs have not been allowed to collect points or run in Regional championships. This is a rule change that will grow our association's membership.

Rule 8.04 a) as it exists:

a) NSTRA recognizes the UKC, AKC (no PAL/ILP registered dogs), FDSB and CKC (Canadian Kennel Club) registries. However, regardless of which registry is used, the dog must be eligible to be registered in one of the above mentioned registries as a recognized pointing dog breed to be entered in any NSTRA trial.

Rule 8.04 a) as it is Proposed:

a) NSTRA recognizes the UKC, AKC (no PAL/ILP registered dogs), FDSB, VDD (Verin Deutsch Drahthaar) and CKC (Canadian Kennel Club) registries. However, regardless of which registry is used, the dog must be eligible to be registered in one of the above mentioned registries as a recognized pointing dog breed to be entered in any NSTRA trial.

The same change would be made to sections 8.04, 11.11 and 21.01.

2016 Illinois Region Benefit and Shriner's Trial

Wow! Another amazing Illinois Region Benefit Trial on October 14 and Shriner's for Crippled Children Trial was held October 15-16 at the World Shooting Sports and Recreation Complex in Sparta, Illinois. This event would not be successful without a large number of folks giving up not only their time to volunteer but are also beating the bushes to get donations for birds, food, auction items, raffle tickets sold, the trial drawn for four fields times two days, countless phone calls, and the list goes on. That's just to get us to the trial grounds on Friday morning to kick off the weekend.

After a full day of trialing on Saturday participants and their families enjoyed a Social Hour and Dinner at the Events Center at the Shooting Complex. Friday and Saturday's placement winners were presented with their trophies.

Friday's winners:

A Field: 1st – Ike/Steve Autry; 2nd – Pepper/Ron Becker (handler); 3rd – Jake/Rick Bertinetti

B Field: 1st – Jeb/Steve Jaspering; 2nd – Bandy/Angela Autry; 3rd – Lexy/Rolly Prior

C Field: 1st – Maggie/Tim Reynolds (handler); 2nd – Chip/Junior Shouse (handler); 3rd – Jake/James Carpenter

D Field: 1st – Olivia/Charles Hiland; 2nd – Freckles/David Hilderbrand; 3rd – Dani/Kevin Sprick (handler)

Saturday's winners:

C Field: 1st – Bandy/Steve Autry (handler); 2nd – Cindy/Raymond Jones; 3rd – Tut/Steven Cunningham

D Field: 1st – Shadow/Scotty Johnson (handler); 2nd – Jack/Dane Abney; 3rd Shorty/Matt Schlabach

After the formalities were completed we moved straight into the auction; Mikeal Mulberry, John Rawdin, Matt Bova, Ron Becker, Michelle Reynolds, and Mary Kay Kunza were all of part of the auction crew. Many thanks to the buyers for not hesitating to open up their wallets for the auction items and raffles. There were many items donated including a wall clock handcrafted by Matt Schlabach, NSTRA fire ring handcrafted by Merle Beachy, 2016 Shriner's Portrait donated by Kay Emert, Quilt by Evelyn Johnson, portraits, packaged bird hunts, and dog food to name a few. After the fun of the bidding wars and the auction sales were totaled and paid, \$12,200 was raised!

Saturday evening's excitement spilled over into Sunday for another full day of trialing.

Sunday's winners:

A Field: 1st – Chip/Ed Murdock; 2nd – King/Jim Mahoney; 3rd – Chub/Roger Drake

B Field: 1st – Ellie/Mark Kohlberg; 2nd – Max/David Hildebrand; 3rd – Diamond/Jim Kroeschel

C Field: 1st – Tilly/John Gillespie; 2nd – Blanco/Bobby Clark; 3rd – Tater/JB Kunza

D Field: 1st – Doc/Brandon Ralston (handler); 2nd – Lucy/Charles Hiland; 3rd – Grace/Herb Ralston (handler)

At the end of the weekend all of the scores were tallied to determine who would receive the High Point Buckle donated by Bobby Clark. Congratulations to Dani Sprick owned by Lori Sprick and handled by Kevin Sprick! They will be presented with the buckle at our June meeting. First Runner Up was Tut Cunningham owned by Steven Cunningham and handled by Bob Cunningham.

"Thank You" doesn't seem to be enough to our volunteer judges, bird planters, field marshals, auctioneers, anyone who donated their bikes, our cooks, cash donators, etc.:

2016 NATIONAL PURINA ENDURANCE CLASSIC

The 27th NSTRA Purina Endurance Championship was held in Osceola, IA on September 6 through September 11, 2016. The Iowa Gun Dog Club was hosting for the 2nd time in as many years and again did an extraordinary job. Warm weather was in store for the 4 day pre-trial with Shaun Rydl and Jim Wells serving as Chairmen. Campers pulling onto the grounds were greeted by the new IGDA sign welcoming everyone to "come on in". Shaun was on hand parking campers and making sure that everyone had electricity and water. The IGDA women served lunch and dinner each day and Frank Downs was in charge of breakfast. Paul Phipps and helpers dressed quail along with emptying trash and any other odd job that needed to be done. The members/wives of the club are proud of their grounds as they should be; well-manicured fields and exceptionally clean surroundings. On site was a double portable shower building which was a welcomed addition for handlers with temperatures in the high 80's and low 90's. It's not a problem to find someone from the club to meet your needs. There's always someone willing to do any job that's needed.

Adam Fellers, NSTRA National President, was trial Chairman with Terry Ward serving as Co-Chairman. Trial officials gathered Wednesday morning in the clubhouse after a Frank Downs pancakes and sausage breakfast. Adam had previously ridden with judges and bird handler explaining boundaries and safety areas; after a blessing over the trial was given, all officials reported to their fields and the first brace came to the line at 7:30 a.m. Officiating over A field were newcomers to the National Judging arena; Chuck Tash and Mike Barker. Chuck comes to us from the Mid-South Region judging 40 weekend trials – 3 regional trials included. Mike is a member of the Virginia Region having judged 32 trials which includes 2 regional eliminations. Mitch Hurst, long-time member of the Georgia Region served as field marshal with Ron Becker – Illinois – handling birds. Beat-Your-Bracemate is the format for the Endurance Classic from beginning to end. Upon completion of a brace, you soon know if you are here to run another day, or headed down the road towards home. Advancement is marked by ***.

The banquet and auction were scheduled for Wednesday evening and immediately following the trial, Charlie Strawn and helpers uncovered the "Pig" and set to carving for dinner. Tasters were in abundance and proved that we were in for a dinner. Wednesday had proven to be a wet, soggy day so handlers headed for showers and clean clothes cutting it short to be in time for dinner. John Rawdin gave the invocation for the evening meal. The IGDA women had prepared several welcomed additions to the pulled pork and dinner was served to approximately 60 people. Terry Ward called attention to those in attendance

who help make our trials and association successful; Sponsors on hand were Todd Kellam – UKC and Tony Caliguiri – President Boyt Harness Company. The IGDA and NSTRA especially want to thank Boyt Harness for putting together a special “Goody-bag” distributed to each handler. Donated by the Iowa Gun Dog Club with Tony’s help it was a bag filled with Boyt Harness products especially useful to field trailers. Several attendees at the trial visited the Boyt Harness Store in Osceola, and returned with less money in those billfolds, but smiling faces. Included in the goody-bag were bags of Pro Plan compliments of Purina. Terry then asked Frank Downs to present a check to the Scholarship Fund for \$1750; proceeds from the “Old Geezers” trial which had been initiated by Ted Dewey. Ron Huels, 2nd Vice-President, accepted the check with our thanks.

Prior to the auction, NSTRA President, Adam Fellers, thanked all trial officials, IGDA members and trial participants for their help in making this year’s Endurance trial a tremendous success. He also asked for any suggestions from members that could perhaps help to make NSTRA even better. He explained that the National Officers are open to any and all ideas and will take all under consideration.

John Rawdin was asked to the podium, handed a microphone, and the auction began. John has a way with that microphone – he persuades you to bid one way or another. And he always tries to see that everyone has something. In addition to the auction, a silent auction was held at which time you could bid with the highest bidder the winner. The gun raffle was a success with Mary Hill winning for the 2nd year in a row and donating it back to the club for resale at the Midwest Regional Elimination. It was a fun evening and complimented by Bill Sumpter’s son, Devon Miller entertaining with his special way with the guitar and songs. It was good to see Arlene Sumpter at the banquet this year. Looking good, Arlene.

Thursday evening proved to be as enjoyable as Wednesday with Terry and John providing entertainment while conducting the Calcutta. The ladies had prepared a pasta dinner (white sauce or marinara) with salad, garlic bread and dessert. These gals need to apply at Olive Garden. They make a mean Italian meal. The Calcutta was a success in the amount of \$660.00 going to the scholarship fund.

After the monsoon rains of Thursday, Friday proved to be a drizzly but far better than the previous day. Judges once again changed fields and points were again awarded for Friday's running which follows:

Friday evening was steak night prepared by Bill Sumpter. Bill is an exceptional steak chef and along with the side dishes prepared by the ladies, it was another exceptional meal. Trophies from the week were presented and pictures were taken of IGDA members, wives, and the initial members of the association. We cannot thank these people enough for a wonderful week of trialing, meals and just all round great times.

After each round, we would stop and redraw the braces for the next segment of the trial. Endurance means exactly that – the endurance of dogs and handlers to advance to that final hour. Round 4 would begin after a short break and field cleanings. Judges stayed in their respective fields during each qualification round Saturday with Ron doing his usual bird handling job of mixing them up and never placing 2 in the same spot. It takes great skill in placing the birds throughout the field; not something just everyone has the knack for. Thankfully, Ron Becker is one of those that has that knack.

ROUND 4 – A FIELD

By the 4th round, handlers are no longer thinking they've just been lucky. By now, they know their dogs are "on" and capable of going the entire distance. Several handlers had not been to this final 16 round and the tension was mounting and spirits high.

The dogs were dwindling down as is the Endurance Format, campers were pulling out and many were saying their goodbyes. However, the final 8 did not have leaving on their minds. All were ready for the long-haul and hoping to stay for the duration. Regions represented in the final 8 were; 2 from Illinois, 3 – MW, 1 Wi, and 2 from MK. From this point, the handlers knew they were in the Top Four, however, the following round would tell the tale. Who would run during the National Championship round? During a short break for lunch and field cleanings, both handlers and dogs enjoyed a much needed rest. As has been said many times, "when you get to the Top 4, they are all winners".

Round 7 – Final Round

Mike and Chuck headed to the line at approximately 6 p.m. while Ron deposited birds throughout the extended A field. While Bob and John were in the blind, Mitch gave final instructions while Bodie watched the plant. The crowd had gathered outside the clubhouse in lawn chairs and picnic tables having chips, salsa and dip. It was a celebration for a super trial and tired club members. Several trailers had stayed for the final hour and were on hand for the release of the final hour brace. John was on foot while Bob had the ATV variance with Shaun Rydl as his gunner. At the end of the hour, both dogs and handlers/gunner were tired and still unsure of the winner. John knew he had the numbers but was worried about one low find. However, when scores were added, John and Mazie were the newest National NSTRA Champion with Bob and Tut as 1st runner-up losing by 17.3 points. Darkness was coming upon us quickly so after a multitude of congratulations and best wishes, all journeyed to the clubhouse for pictures and awards.

Mike Botts – Garmin and Purina Rep – was on hand for the presentations and we appreciate Mike staying when he was actually suppose to head for home. Although some of the handlers had started home, the following were 4th through 7th runner-up; 4th – Kay – Ron Huels; 5th – Purty – Frank Downs; 6th – Katie – Nick Hachman; 7th – Ricochet – Chuck Vande Hei. Anytime a dog finishes in the Top 8 of a 112 dog trial, it's a celebration moment and we congratulate these four finishers also.

Third runner-up was Quail Valley's Nose Knows owned and handled by Adam Fellers – Mo-Kan Region. Nose is a 7 year-old German Short-hair Female from 13x NSTRA Champion Premier's Fancy Trail Blazer and Pointing Home Major League. She has 388 lifetime points of which 258 are first place points. Nose's first placement came on 3/12/11 at Elk Fork Kennels and became a champion at one-year old on 3/24/12. Among many other points, Nose National Championship wins include the 2013 UKC National Championship, 2015 Purina Endurance Classic, 2016 UKC National Championship. She also placed 1st runner-up at the 2012 UKC Championship, 1st runner-up in 2014 at the QI Classic Championship, and 1st runner-up during the 2015 TOC Championship. In 2013 Nose earned a 2nd runner-up win at the TOC Championship and 2nd runner-up during the 2015 UKC National Championship. The Purina Endurance 3rd place win makes a total of 11 National Final Four Placements trailing Nolan's Last Bullet by 2, Buddy being credited with 13, the most in the history of NSTRA. With Nose at only 7 years old, who knows? That record could be broken. Nose was also the Mo-Kan Regional Champion in 2014 and 2016. Adam was presented with the Purina Endurance Championship Trophy and Belt Buckle, Gift Certificates from Garmin, Dogs Unlimited and Red Haw Supply. He also received 112# Pro Plan from Purina presented by Mike. It's always good to see Nikki and the boys and amazing to see how the boys have grown. Another congratulation is in order to Nose (the only daughter in the family) and the entire Fellers crew.

Second runner-up, Phipp's Bird Magnet, 4 year old English Setter Female, owned and handled by Rod Phipps – Mid-West Region member. Maggie is from Brannigan's Last Straw and 4x NSTRA Champion Phipps Bird Desire who is also a Mid-West Regional Champion. Maggie

has 22 lifetime points of which 19 are first place points. She earned her first championship on 10/17/2015. Her first placement was at a IGDA trial placing 1st. In 2014 Maggie placed during a MW Regional Qualification and was 1st runner-up during the Regional Championship Final. In September, 2015 she also placed during a qualification round of the 2015 Purina Endurance Trial. Maggie was presented 112# Pro Plan from Purina while Rod received the Purina Endurance Championship Trophy and Belt Buckle, Gift Certificates from Garmin, Dogs Unlimited and Red Haw Supply. Even though you would see Rod collecting garbage or dead birds, he still found time to do a bang-up job with Maggie. Hats off to Rod, Bev and Maggie for a great week. Sorry Bev was unable to be with us, but those grandchildren do call.

The 2016 Purina Endurance Classic 1st Runner Up, Mohawk's King Tut, owned and handled by Bob Cunningham of the Illinois Region used the team's first national trial as a "coming out party". Bob has been a NSTRA member for 36 years and a NSTRA National President from 1997 –2000; has owned 4 National Championship and 11 final-four winning dogs; and once again proved trials are won on the field and not on paper. Coming into the week, Tut had only one placement to his resume, a 2nd place during the Red Haw Challenge Consolation trial at the 2016 Trial of Champions but would leave the week with a final-four to his resume on the cusp of his second birthday. Tut was born September 9, 2014. His sire is Mohawk's Crude Dude a 7X NSTRA Ch, 1X Regional Champion, 2X Final Fours and his dam is Boomer's Katie out of NSTRA HOF 11X NSTRA CH- 4X NC- Boomer's X Rated. From this list of his pedigree, he would appear to be destined to be great from conception. Whether or not Tut and the Cunningham Team puts his name into the list of great dogs mentioned or not, there is one thing he will be remembered for, after the week of trailing ended Tut was responsible for the huge amount of joy and happiness he put on Bob Cunningham's face and in his heart. On behalf of the entire NSTRA organization, congrats Tut and thank you for revitalizing one of the organization's most iconic member's NSTRA careers. Bob received a trophy and belt buckle from NSTRA along with 200 lbs. of dog food from Purina, a pair of custom Birdshooter boots from Russell Moccasin, and gift certificates from Garmin, Dogs Unlimited and Red Haw Supply.

THE WINNER: Resa's Mazie is the winner of the 2016 Purina Endurance Classic, owned and handled by John Resa – Mo-Kan Region member. Mazie is a 5 year old English Setter Female from Resa's Trouble Mace – 17x NSTRA Champion, 1x Regional Champion and 1x National Champion. The dam is Bum's Crystalized Carbon. Mazie is an 11x NSTRA Champion, 1x Regional Champion and now a 2x National Champion, having won the MSM Regional Championship on 4/7/13 and winning the 2014 UKC National Championship. She has 205 lifetime points of which 138 are 1st place points. Her first win was on 9/8/12 and championed on 3/9/13. Besides this impressive history, Mazie has also placed in 12 National Trial Qualification rounds – most being 1st place wins. John raised Mazie and takes care of his own training. John also trains for other people on a limited basis – approximately 4-5 extra dogs per year. Although Mazie was diagnosed with breast cancer earlier in the year, it did not phase her performance which consisted of 2 placements during the qualification runs earlier in the week. John also mentioned that he will try to breed Mazie again in January and will then have her spayed for health reasons. Mazie received 450# of Pro Plan pet food from Purina presented by Mike along with the 550 Garmin Pro Collar. Each of the winners also received the winner's jacket from Purina and Gift Certificates from Gun Dog Supply. John was presented with the Winner's Belt Buckle and

Championship Trophy along with Shotgun Shells from Kent Cartridge and the Custom Shell Belt from Dying Breeds – Evergreen, Colorado. He was presented with Gift Certificates from Dogs Unlimited and Red Haw Supply. Mazie and John are both fierce competitors and deserve a great big "Hats Off" from those of us at NSTRA.

Highlights: Once again, thanks to our sponsors for their undying devotion to our sport; Purina, Garmin, Kent Cartridge, W.C. Russell Moccasin, Dogs Unlimited, Boyt Harness and Dying Breeds. To the IGDA club, we cannot thank you enough. It's amazing how well these people work together and make the effort to see that everyone is having a great time. To our Chairman and Co-Chairman, trial officials, handlers and families – nothing is possible without all of you – doing everything you can to make our sport the best.

Thanks to Marie Brown and Sandy Ludolph for posting scores and offering to help in any way. And to Terry Ward for being the kind of Co-Chairman every trial needs, thanks a bunch.

Sometimes Beat-Your-Bracemate ends up being a "dog eat dog" environment. Each handler is there to win, but at the end of the day, we see many people exhibiting boundless sportsmanship. When you're beat by 2 or 3 points, or a back, or whatever the case, to see handlers come off the field shaking hands shows great respect for your fellow sportsman. We see this in many of our NSTRA trials, whether in our regions or at National Events. It's a good thing and will keep our association intact for years to come.

Also on hand was Rick Van Etten, Managing Editor of Gun Dog Magazine. Rick spent several hours speaking with members of NSTRA and we appreciate his attendance.

Two trips to the airport on Tuesday was a great way to visit with the trial officials. As a matter of fact, Bodie made 2 trips keeping Marilyn company. Thanks, Bodie. The Casino called to several people – some for food and some for gambling. I didn't hear of anyone winning the "big one", unless they're keeping it quiet.

Also of note, we had 24 regions represented and 26 Final Four dogs in the trial. Quite impressive. Once again, it was a fun trial for all. You can't go wrong with good trial officials, a great birddog club, good meals and everyone there for the same reason – to run our dogs among friends. Again, thanks to all.

A few quotes from several attending the trial:

Donny Parker – "I thought it was well organized and the people in Iowa really work hard. Everything is first class. I've been to a lot of trials and this was one of the best. I thanked them for having me."

Sharron Watson – "The Endurance Trial was once again a fun, friendly, excellent trial to attend. Folks are always there to help, the food is good and reasonably priced.....And Sam Ashmore goes every year, just for the bread and butter pickles. The Goody-bags the IGDA donated to the handlers were top notch. Kudos goes out to all."

Bob Cunningham – "Of course when you are a winner, you think the trial was wonderful. But that aside, the people from the IGDA club are some of the most helpful, friendliest people you could ever ask to hold a trial. Marilyn and I have been friends with some of these people for years, and they never change. Just "good ole downhome folks". I especially want to thank Adam and Shaun for gunning for me, and for Paul Phipps who sent me home with 4 packages of fresh quail nuggets."

John Resa – "About 30 years ago Bob Cunningham told me something I've always remembered. He said that most of the time we look

at the wrong end of the dog. It's what's between the ears first; nose, and tail next. It was the highlight of my week getting to run against Bob. He's an Icon in our NSTRA association – the oldest man and youngest dog running in the trial. It was a pleasure”.

Ron Huels – “Reflections:

Just looking out my window, watching it rain, thinking about where I was 30 days ago. Across the country, from all different directions, we headed towards Osceola, IA to the home of the Iowa Gun Dog Association. They were the host to our next national trial; The Purina Endurance Trial.

Wow, is about all I can say about such a trial. If any region in our country or Canada would ever like to host a U.S. National Trial, please call and meet these people. Mr. Terry Ward, president of Mid-West Region, and the members of the Iowa Gun Dog Association. These folks have the template of how a National Trial is to be ran. For two years in a row I have watched region members and IGDA members and their wives work tirelessly accommodating guests from all over the country. Fields were manicured perfectly, accommodations were deluxe, hospitality as I have never seen before. There was no bickering over who did what, or how much did I do compared to how much you did. Just absolute cohesiveness from all that were involved. Everyone working for one common goal. Excellent top notch food from top notch people. Whole hog barbecue and all the fixens that was a delight for all. And if anyone wants the recipe for the best refrigerator pickles ever, please contact Ruthie Brown and her address is 10938 County Road 113 N.W. , Pine Island, MN 55963. She will mail it to you just as she did me. And believe me, they are good. THANKS RUTHIE!!

NSTRA is truly blessed to have you as our members and more importantly as our friends. IGDA and Mid-West Region, you are both to be congratulated and thanked for a fantastic National Trial. ■

James Edward (Jim) Turner

July 21, 1936-Sept. 5, 2016

Jim Turner has passed after a prolonged and difficult hospitalization. In addition to his wife, Pat he is survived by his son Mark (Elaine); brothers: Richard, Bruce, and Lane; three grandsons: Ben (Alicia), Jacob, and Sam; and one great grandson: Benjamin.

Jim grew up the 6th of 10 siblings on an 85 acre tobacco, cotton and vegetable farm in Oconee County, SC. At age 14, having decided he was not going to spend his adult life following the south end of a north bound mule, he dropped out of school and moved 20 miles to Clemson. Jim worked with his oldest brother, Ervin, at his Gulf station pumping gas and checking oil, (for those under 40 that used to be a job).

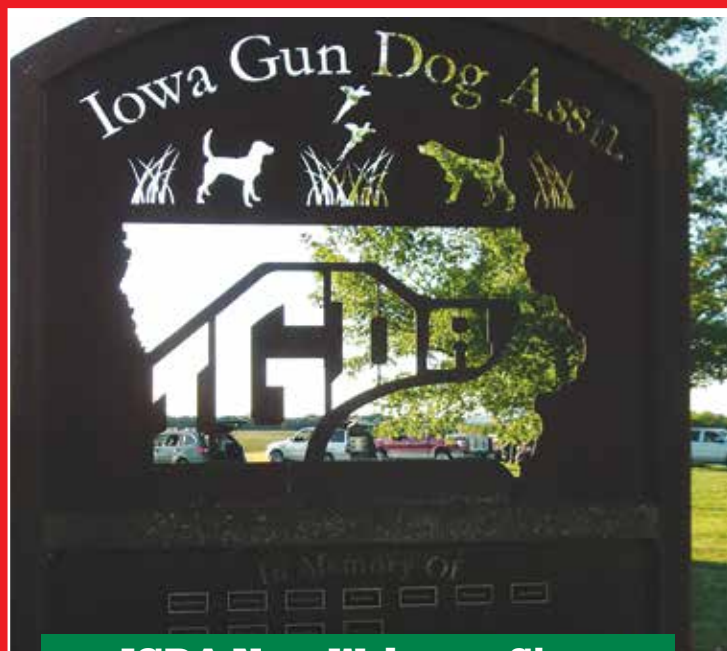

While in Clemson he lived behind the service station in a repurposed beauty shop and met his wife-to-be, Patricia Sanders. Pat and Jim were married in 1956 and he fulfilled a wedding promise to Pat to finish high school by commuting to Oakway HS in a car he borrowed from Bill McClellan, a customer who would later become CU Director of Athletics. Jim worked at several other jobs and after graduation in 1959 rather than take a promotion with Belk's that required him leaving Oconee County he began working at a local jewelry store. In 1960, Pat left her job with JP Stevens and joined Jim at the jewelry store. In 1963 they bought the jewelry store and Turner's Jewelers has since become one of upstate South Carolina's finest jewelers. In addition to belonging to many civic organizations Jim was a founding Director of Community First Bank, one of the largest local banks in the Tri-County area.

In the 60's Jim became a bird hunter. Using the family sedan (with dogs in the trunk) on Wednesday afternoons when the store was closed (a southern small town tradition) he hunted around Seneca. As the years passed his kennels, hunting rigs and destinations expanded. Jim enjoyed gathering a group of friends and making hunting trips to low-state South Carolina, South Georgia, Kansas, and beyond.

Jim (member # L60) joined NSTRA in 1981, before the South Carolina Region was organized. Throughout the following years he systematically donated his resources to developing top notch fields and facilities for hosting NSTRA trials. Jim was instrumental in getting our S.C. region started but more importantly he encouraged and recruited many members, both old bird hunters and young novices to come out and try NSTRA.

Jim loved his pointers especially when they did well or had placements. He carried to his grave the opinion that a find by a dog with a tail was worth at least 5 extra points but, if pressed, he might quietly concede that his best dog may have been a Brittany. Even though the placements didn't come as often in recent years, Jim still looked forward to seeing and hosting his NSTRA family and as the sun was setting he liked to raise a glass (aka a red cup) with friends to another day enjoyed with the dogs. ■

NSTRA Members and Board of Directors,

The following are the financial reports for National Shoot to Retrieve Field Trial Association, Inc. (NSTRA) for the fiscal year ending June 30, 2016.

You will notice that these are quite different from any previous reports you have seen. In previous years, the organization has spent quite a bit of money to our accounting firm to provide us with reports that, while accurate, did not give us the data in a format we could use to analyze and plan for the future. We started this change with the budgets that we presented to the board of directors in the last few years and are now able to compare those with our actual income and expenses as shown in our financial records.

Some significant points are as follows:

Our profit and loss statements are shown without the Scholarship Fund monies included. These funds are restricted for use only as scholarship awards and expenses related to the management of these funds. In the future these funds will be reported under our newly created NSTRA Trust a 501c3.

Our revenue is generated through membership fees, field trial sanction fees, and national trial revenue. These areas of revenue are compared against the budget that was prepared last year. There is also a comparison to last year's revenue.

The expenses of running our organization are also shown in comparison to the budget and to last year.

As National Officers we are committed to complete transparency in the handling of the Associations finances.

Sincerely,

John Davis, Sr.
Treasurer

A Tribute to Max

We lost Brian Rebello's Santan's Elhew Max. He was a 13 ½ year old, solid white with a right lemon ear, line-bred Elhew dog. He was always happy and he let you know it. He was a 3X NSTRA champion and the 2011 Arizona high-point champion. He was 2 ½ years old and untrained when Brian got him. Brian judged every trial back then, plus wild bird hunting, so he got off to a late start in NSTRA and was lightly campaigned.

He was bred just 4 times and excelled as a sire.

His 1st mating was to Trout's Rosemary (1X NSTRA champion and 2008 Arizona regional 1st runner-up). She produced 2 pups: Trout's Elhew Emma, 3X NSTRA champion and 2016 High Point and Arizona regional champion and Rebel's Ramblin Ruby, 4X champion and 2013 Arizona High Point champion and this year's 2016 Arizona regional championship's 1st runner-up.

Then he was bred to Mike Kitchen's Sage Creek Hanna. She whelped 2 pups also. 1 trialed, CS Bella Mia and placed several times.

The 3rd mating was to C.J. Hamilton's Cactus Patch Fancy Pants. She won horseback trials before running NSTRA trials. She was the 2012 regional championship's 1st runner-up. She whelped 2 pups that trialed. Santan's Little Guido (Wedo) 1X champion and Randy Caryl's Austin's Hannah. She has taken

several placements.

The third pup went to a wild bird hunter.

Max was last bred to Machine Gun Annie.

She whelped 6 pups, only 2 field trialed as the rest went to wild bird hunters. The dogs were Bob Henson's Cowboy (took a few placements) and Ginger Roger's Ginger's Mad Max. He won the Arizona 2015 High Point and was a 1X NSTRA champion before he was 2 years old! He was also the 5th runner-up in the 2016 UKC Performance Classic.

A total of 7 pups to trial in NSTRA! He produced 7 that placed, 4 made champions, 3 made high point, 2 multiple champions, 1 regional championship, 1 regional 1st runner-up, and 1 5th runner up in 2016 UKC Performance Classic.

This is not hear say! All documented in NSTRA. Max was undoubtedly the greatest NSTRA pointer sire of all time in Arizona based on the number of pups versus the percentage of winners.

I hope Wedo and Mad Max can carry on his bloodlines. He will be hard pressed to beat, even in death.

Happy hunting grounds, Max! ■

REGIONAL TRIALING

EASTERN CAROLINA REGION

EC Regional Champion Glen Preddy/Jena along with 1st Runner up Nathan Shipp/Maggie

We apologize for inadvertently omitting the write-up for the Eastern Carolina region in the previous magazine. We are reprinting the entire article as it should have looked.

On April 2nd and 3rd the ECR held its 2nd Regional Elimination Championship. We appreciate and want to thank Taylor Farms for hosting this event. Thanks also to Whitley Stephenson for chairing the trial and Eric Walker for planting the birds. A huge thanks to our Judges for the 2nd year, Mike Grissom (Mid South Region) and Steve Jaspering (Kentucky Region). Steve's wife Dorothy again did a great job of keeping us all straight by serving as our Field Marshall. The weather cooperated and we were off for Saturday's qualification round with 28 dogs. Sunday the weather held out for the final qualifying braces.

Congratulations go to our Regional Trial Champion Glen Preddy with Jena. 1st Runner up Nathan Shipp with Maggie. 2nd Runner up Nick Mitchell with Luke. 3rd Runner up Whitley Stephenson with Dottie owned by Janet Stephenson. 4th Runner up Ted Purdie with Nixon. 5th Runner up Shane Mitchell with Elly.

Our Awards Banquet was held Friday night at the Brass Lantern in Dunn, NC. Awards presented were as follows, Open High Point Dog went to Ted Purdie/Nixon, Amateur High Point Dog was Dean Watson/Luke, multi-divisional High Point Dog was Nick Mitchell/Luke. High Point Handler was Nick Mitchell, Horizon Award went to Jeff Best, and The Judging Award to Glenn Blackwell.

Thanks to all members in our Eastern Carolina Region who made this year possible! Looking forward to seeing what next season holds!

Regional Winners Left to Right: Glen Preddy/Jena, Nathan Shipp/Maggie, Nick Mitchell/Luke, Whitley Stephenson/Dottie, Ted Purdie/Nixon, Shane Mitchell/Elly

Regionals March 18-20, 2016

As normal, this year's South Carolina Regional brought together a lot of great dogs, owners, handlers, judges, field marshals', families and an awesome bird planter. A big crowd gathered at Jim Turner's farm "Tokeena Farms" just outside of Seneca, South Carolina for this wonderful event organized by Region President, Gary "Doc" Ramsey and his wonderful wife "Sharon". The Region would also like to thank Jim and Pat Turner, as they have graciously offered their farm, time, equipment and lots of work to the South Carolina Region throughout the years. Without ALL of these GREAT folks, this wonderful event would not be possible.

Friday was nothing but good ole' field trialing ALL day long. The fields were busy and the excitement was building for what was yet to come. We have come to learn that there is NEVER a dull moment in the South Carolina Region.

Later on that evening members gathered in Center, SC for our year-end banquet. The Region would also like to extend a big "THANKS" to Paige and Cheryl Lee, for graciously offering one of their lodges' (Mill Creek Lodge) for this annual event. The night was filled with outstanding food, LOTS of laughs and we even managed to handle some region business. Shawn Greenway was voted in as President for his first term. Gary "Doc" Ramsey voted in as Vice-President, Wanda Greenway as Secretary for her second term and Jeff Joyner voted in for another term as Treasurer. The Region also elected Joy Fleming as the Region's Official Photographer. She has blessed ALL of us with some of the most outstanding photos throughout the season.

With her camera in hand Joy was ready to snap a picture of our newest "Slash Award" winner Berkley White. We all believe Greg Vaughn was very proud to hand over the title and belt buckle award. The setting was perfect for this presentation as Berkley's wife (Kim) and two sons (Will and Wade) were there and could share this moment with him! Not sure how Berkley felt about the SLASH AWARD; however he accepted the award like a true champ.

There were two more people and their dogs that were recognized before the night came to an end. The following dogs were inducted into the South Carolina Bird Dog Hall of Fame: Holly, an English Setter female owned and handled by Jeff Joyner. Breeze, a Brittany female owned and handled by Gary "Doc" Ramsey. It was clear that these two dogs were truly amazing and excelled at simply being GREAT bird-dogs, hunters and companions.

L to R

Gene Pritchett (Bird Planter), Berkley White and Shot (1st Place), Bob McCandless (Judge), Paige Lee and Bart (2nd Place), Greg Vaughn and Wig (3rd Place), David Deaton (Judge), Gary "Doc" Ramsey and Willy (4th Place).

As dawn began to arise on a beautiful Saturday morning, we all anxiously awaited the running of all qualified dogs. The day proved to be nothing short of a "nail bitter"; however at the end of the day only the top sixteen would get the chance to compete on Sunday. As the day came to a close and ALL score sheets were verified, the Region was ready to announce the top sixteen dogs that would move on to compete the following day.

We all awoke to a much cooler Sunday morning. Perfect weather for a field trial. We all anxiously wondered who would be our Region Champion. As the excitement and nerves began to build it was time to "get the party started". Fields were flushed, our handlers entered the blind and the first brace of the finals was planted. Throughout the day, scenting conditions changed with the ever changing weather which made it impossible to even guess what could happen. Unfortunately, at the end of eight braces only the top six dogs could advance. South Carolina produced some very impressive runs throughout the weekend.

The top six dogs advancing to the finals were:

- "Bart" - Foothills Big Time Bart
An English Pointer handled and owned by Paige Lee
- "Bean" - Weathered Stone's Ms Bean
A German Short Hair owned by Cheryl Higham and handled by Alan Higham
- "Shot" - Kate's Big Shot
A German Short Hair handled and owned by Berkley White
- "Wig" - Hibritens Elenor Agnes Lee
A Brittany handled and owned by Greg Vaughn
- "Willie" - Hands Ramblin Willie
A German Shorthair handled and owned by Dale Hand
- "Willy" - Windswepts Cisco Willy
A Brittany handled and owned by Gary "Doc" Ramsey

After all was said and done, it was time to announce the "Final Hour" competitors ... Bart owned and handled by Paige Lee against Shot owned and handled by Berkley White; however claimed by Will White (Berkley's son). The "Final Hour" was an absolute head to head battle between an English Pointer "Bart" and a German Shorthair "Shot". As always this run was nothing short of AMAZING for the gallery! We ALL watched in excitement cheering on both competitors and dogs; however in the final minutes, it was apparent who the winner would be. Unfortunately, Bart did not have his best run so as we watched Shot point the last bird, Berkley flush and shoot the bird we knew who our Top Dog for 2016 was. The White family (wife Kim, sons Will and Wade) were watching as Shot retrieved that last bird as he has done a million times before; however it was different this time. This time it was the retrieval of a Champion! Not only was SHOT the Top Dog for 2016 but it was a perfect moment for NSTRA! A moment we as members should strive and hope for! It was truly an honor to be there as the White

family embraced in celebratory hugs and kisses! Berkley's oldest son "Will" who NEVER misses a field trial and actually stakes claim to Shot was overcome with emotion and excitement as he watched his dad and dog take the championship! To witness the interaction of love and emotions between a father and son was a true gut wrenching moment and the pinnacle goal of the meaning of NSTRA ... great dogs, competition, families and friends! This year, the South Carolina Region nailed it!

On behalf of the South Carolina Region, I would like to congratulate our top six dogs for 2016:

First Place - "Shot" - Kate's Big Shot handled and owned by Berkley White

Second Place - "Bart" - Foothills Big Time Bart handled and owned by Paige Lee

Third Place - "Wig" - Hibritens Elenor Agnes Lee handled and owned by Greg Vaughn

Fourth Place - "Willy" - Windswepts Cisco Willy handled and owned by Gary "Doc" Ramsey

Fifth Place - "Bean" - Weathered Stone's Ms Bean owned by Cheryl and handled by Alan Higham

Sixth Place - "Willie" - Hands Ramblin Willie handled and owned by Dale Hand

A very successful weekend for NSTRA South Carolina Region and many thanks to ALL who made this year possible!
