## News From the Officers

Happy New Year! I thank each of you for your continued support of the organization as we gear up 2017 to be the most successful year in the organization's history.

Congratulations to the 2016 Dog of the Year Champion, Ruck's Brockway Mad Dash, and Tom Rotundo. What an incredible performance by this team and a capstone achievement to Dash's unbelievable career. I would also like to thank John Davis, the Conservation Bird Dog Club, the Indiana Region, as well as all of the trial officials, participants, and spectators for a great trial. The week's events were exactly how all of us should be able to experience the hobby we love as a unified organization and one I personally, will never forget.

As we look at this upcoming year and in order to achieve our goals for NSTRA, it is important that you are informed on some key items listed below.

### Chain of Communication

In order to guarantee accuracy, accountability, and success, it is important for you as a member to fully understand who to contact when you have a question, or need an interpretation, or want to register a complaint, or simply want to give general feedback. For a variety of reasons, many members are contacting the NSTRA Home Office with the expectation of the staff to interpret, answer, and rule on the subject. Please note that as a guiding principle, all initial communication and queries regarding rules/by-laws and other controversies should be directed to your region president. If the region president is unable to provide an answer or additional clarification is necessary, then the national officer representative for your region should be contacted.

### 2016 Dog of the Year Board of Directors Meeting

An email to all members (with active email addresses on file) was sent January 5th, 2017. Attached to the email is a copy of the Board of Directors Meeting Minutes, which may also be found on pages 10-17 of this magazine issue. General membership feedback suggests many members are unaware of the business and actions of the NSTRA leadership. The agenda containing this information is provided to region presidents ahead of the meeting dates. The intent of the email is to have complete transparency regarding what was discussed, how each item was voted on, and future planned initiatives. Please reach out to your region president if you wish to have input on these topics or have questions about the minutes.

### NSTRA Operating System Update

Our new website, draw system, and operating system launched November 7th, 2016. Currently, 477 members have "claimed" their account within the system. If you have not claimed your account, please do so quickly. Claiming your accounts provides you access to all the benefits currently available in the system and will smooth the way for other options planned in the future.

With anything new in the world of computers, getting used to the new system is always trying process. Therein lies the key – "try"! Please try it out and spend some time on the site. Explore some of the new options and get yourself comfortable with the new system. This venture is not simply a website or an electronic draw system, it is a key factor in guaranteeing NSTRA's long term success through management and retention of all data and records in the organization.

### Drawing of Trials

The Board of Directors voted at the meeting in October: effective February 1st, 2017, all trials must be drawn using the new system. Please understand the system was designed, built, and deployed following and applying all rules from the NSTRA rule book Section 8 Rules for Recognized Field Trials. If the trial you are attempting to draw follows ALL rules in Section 8 of the NSTRA rule book your trial will draw with the system 100% of the time. Thus far, the biggest obstacle in drawing trials occurs when small numbers of braces (e.g., 12 or 13) are filled with many multiple dog handlers. This is unmanageable and violates the back-to-back restriction - Rule 8.09.

### Section 8.09

If a person enters more than one dog, he will not be drawn to run subsequent braces, unless he is drawn for the last two braces of the trial. If he is drawn for a back to back brace, his second entry will be redrawn for a later brace.

Although the interpretation and application of this rule continues to be debated by members on which trial format this rule application is referencing, it is not within the National Officer's jurisdiction to determine the application other than how it reads today and apply to all current trial formats. In the event as a trial chairman and your trial will not draw please work with your participants to configure a trial which conforms to NSTRA rules. Please understand and be aware trials drawn and conducted not using the system will not be sanctioned and results will not be approved.

### National Trial Bid

The hosting of the 2018-2019 UKC Performance Trial is now available for bid. This trial is held starting the Wednesday after Memorial Day and runs through Saturday. Please contact the office for the requirements and application to submit a bid. Bids should be received in the office no later than Monday, April 24th.

Good luck to everyone in your spring trial seasons and see you in Florida at the Quail Invitational.

— Best, Adam Fellers

# MAINTAINING WELLNESS AND LONGEVITY

*in Senior Sporting Dogs*

As your hardworking bird dog ages, he or she may run a little slower, his or her joints may be a little achier, and his or her muzzle may appear a little grayer. Although the aging process cannot be stopped, using targeted nutritional and conditioning strategies that focus on maintaining wellness and longevity will help to support your senior sporting dog's physical performance and cognitive health.

"Dogs can still be physically active through their senior years," says Purina Senior Research Nutritionist Brian Zanghi, PhD. "However, it's important to match the physical lifestyle to the age of your dog. Mobility, mental acuity and overall health become more important than speed and intensity."

Age-appropriate exercise that focuses on maintaining a dog's skills while accommodating an older dog's physical limitations are critical. Shorter, less frequent bouts of exercise are best. Avoid extremely hot or cold weather, keep your dog hydrated and take rest breaks as needed.

Furthermore, studies such as the groundbreaking 14-year Purina Life Span Study have shown that properly feeding your dog to maintain ideal body condition, meaning the dog's ribs are palpable without excess fat covering, plays a major role in sustaining wellness and longevity.

Keep a close eye on your dog's body mass and do not allow him or her to become overweight, as extra weight puts unnecessary stress on joints. Low-impact exercise, such as swimming, is a great way to keep a dog lean. Daily exercise and walks also help support an ideal body condition.

## NUTRITION FOR RETIRED SENIOR SPORTING DOGS

When your dog begins to slow down, has "senior moments," or nears retirement status, it is a good time to consider switching from a high-protein/high-fat performance food to a senior formula to help maintain health and wellness.

"Senior dogs have special dietary needs," Dr. Zanghi explains. "As a dog enters the senior life stage, glucose metabolism in the brain begins to change, potentially affecting memory, learning, awareness, and decision-making. Many senior dogs benefit from high-protein diets to help retain lean body mass,

but that also are lower in fat to help maintain a healthy body condition."

Targeted nutrients that can make a difference in an older dog include omega-3 fatty acids from fish oil to help promote joint health and mobility and medium-chain triglycerides, which, when added to the daily diet of dogs ages 7 and older, help to promote alertness and mental sharpness.

Purina Pro Plan BRIGHT MIND Adult 7+ Formula is a breakthrough innovation with enhanced botanical oils shown to promote alertness and mental sharpness. Among the nutritional benefits to senior dogs, BRIGHT MIND Adult 7+:

- Is made with high-quality protein including chicken as the first ingredient
- Contains enhanced botanical oils shown to promote alertness and mental sharpness in dogs 7 and older within 30 days
- Contains a blend of brain-supporting nutrients for cognitive health, including arginine, DHA and EPA, antioxidants such as vitamins E and C, and B vitamins such as folic acid and pyridoxine
- Contains EPA, an omega-3 fatty acid, and glucosamine to help support health and mobility
- Includes vitamin A and linoleic acid, an omega-6 fatty acid, for healthy skin and coat
- Contains a natural prebiotic fiber from wheat bran that helps promote digestive health

## TIPS TO HELP KEEP YOUR OLDER BIRD DOG IN THE HUNT

**1 BRAWN + BRAINS** Your senior dog may have the heart, but not the brawn to continue hunting and running in NSTRA trials. Make sure your senior dog is physically and mentally fit for the hunt at hand by first having your veterinarian perform a thorough exam.

**2 SHAPE UP** All sporting dogs require preseason conditioning before the season begins, but because senior sporting dogs require more time, don't wait to rebuild his or her strength and stamina overnight. Begin a preseason conditioning regimen several weeks sooner than normal. Don't forget to allot five to 10 minutes of walking and jogging for warm ups and cool downs.

**3 LESS IS MORE** Be wise in how you train and hunt with your senior sporting dog. Shorter, less frequent bouts of exercise is best. Avoid extremely hot or cold weather, keep your dog hydrated and take rest breaks as needed.

**4 FIT FOR LIFE** Just because a dog has entered the senior life stage doesn't mean he or she can't still be a lean hunting machine. Monitor your dog's body mass and avoid letting him or her become overweight to avoid putting unnecessary stress on joints. Daily activity will help to maintain your dog's ideal body condition.

## TREASURY REPORT

### A. FINANCIAL REPORTS

John Davis gave the treasurer's report which follows: Checking Account - \$46,000 (Checking account increase shows that we have turned the slide around at once again we are on firm ground); Money Market - \$40,000 (money market difference reflects payment towards computer system and operations as explained at TOC-BOD meeting). CD - \$121,000 (cd plus interest for the year); Scholarship Fund \$22,000 (next year this amount will be shown under the NSTRA Trust Balance Sheet); Total Cash - \$229,000. The Total Asset increase of \$93,000 reflects the computer program commitment. The huge turnaround of +\$40,000 is reflected in the net income line where we went from a \$13,000 loss last year to a \$27,000 profit this year.

John mentioned that we want cash returned to accounts so we are once again ok with the 7 year plan John explained 2 years ago. There is one more payment to Kodello for the computer operational program to be made.

## **COMMITTEE REPORTS**

The Board will receive an update on the NSTRA Scholarship program as well as the judging seminar committee

### **SCHOLARSHIP COMMITTEE**

Adam announced that we had 5 scholarship applicants and gave money to 4 of the applicants. Adam asked for ideas in getting the scholarship program out to our membership so we can have more applicants. Suggestions were word of mouth, email blast for Scholarship/Applicant Qualification, and putting flyers in trial packets. Adam will also update the scholarship application material.

### **JUDGING COMMITTEE**

The board will receive an update on the judging seminar committee – Mikeal will be the National Liaison for this committee. One complaint was the fact that having to print out all the material for the seminar is an expense to the region. It would be more beneficial if the material came from the

office. Another idea would be for the region instructor email the material to those with email and they could print them out for their own use. Mikeal asked that anyone with anything in regards to rules, please call or email him and also anyone wanting to be on the seminar committee to do the same.

In addition:

1. The program is a continuous ongoing program and changes as rules and applications are proposed and changed.
2. Mikeal will re-engage the first committee to see if they have interest in remaining on the committee and will have new committee appointed by Feb 15, 2017
3. Proper judging seminar scheduling should remain at 30 days per guidelines and will be policy upheld going forward - Agreed to by all presidents

Judges lists will also be included in the trial packets going to each trial chairman along with the year issued. Seminars must be scheduled 30 days prior to said seminar.

## **NSTRA WEBSITE, DRAW SYSTEM UPDATE:**

Adam explained that the new system will go live on November 4, 2016. He presented a short tour of the new system and explained that all materials will available on the new site through "how to" guides.

Maggie Parsley mentioned that we need to make sure the membership understands that this is the backbone of NSTRA – it's not just a draw program; it is our operating system.

MOTION: Mark Gillespie (MK)

SECOND: Jimmy Meredith (MS)

IT HAS BEEN MOVED AND SECONDED: To enforce a mandatory date of February 1, 2017 for all regions to use the draw program of the system.

ALL THOSE IN FAVOR SAY AYE

## **REGION RECAP DISCUSSION**

A lengthy discussion was held in regards to the Region Re-Cap sent to Region Presidents in August with an October 1, 2016 return date.

We received 16 recaps from region presidents being; UT, VA, RM, NW, NCN, MK, MW, MS, MN, LST, IL, IN GA, EC, AR/LA and AZ. Adam thanked those regions that took the time to fill out the form and give us ideas as to where each region's problems, or successes lies.

Most presidents indicated that email is the best way for NSTRA officers and office to communicate with the regions.

## **GRIEVANCE PROCESS EVALUATION**

I am recommending the appointment of a committee of a minimum of three, but no more than five members to edit or create a new grievance processes and procedures to be presented to the Board of Directors at the 2017 Trial of Champions Board of Directors Meeting for a vote.

Gene Pritchett presented information/background about serving on the committee in 2016, suggesting that the entire process/definition needs to be reviewed, analyzed, and updated.

Rick made a motion for the National Officers to appoint committee to begin this process. Second from Ronnie Burnett. Motion passed.

MOTION: Rick Bertinetti (IL) - National Officers to appoint a committee to begin the process.

IT HAS BEEN MOVED AND SECONDED: To have the National Officers appoint a committee to begin the process of evaluating the Grievance Process

## **MEMBERSHIP COST STRUCTURE CHANGE**

I am recommending the board approval of annual membership fees be increased to \$75 per year Voting Membership, \$30 per year Associate Membership, and the elimination of Lifetime Memberships effective January 2, 2017.

Adam requested that the board approval review of material attached in regards to a membership cost structure increase, discuss with their membership and be ready to vote on the subject at the 2017 TOC BOD's meeting. Terry Ward suggesting raising the dues incrementally, \$10 every 2 years.

MOTION: Rick Bertinetti (IL)

SECOND: Dale Heaton (LST)

IT HAS BEEN MOVED AND SECONDED: To raise membership fees to \$60 per year

ALL THOSE IN FAVOR SAY AYE

MOTION CARRIED: Unanimous

After some discussion:

MOTION: Rick Bertinetti (IL)

SECOND: Dale Heaton (LST)

IT HAS BEEN MOVED AND SECONDED: To rescind the previous motion to raise membership fees to \$60 per year.

MOTION CARRIED: Unanimous

After further discussion, Adam indicated we would table the discussion until 2017 TOC, after which time region presidents would have time to speak with their membership.

## **DISBANDMENT OF THE MISSOURI-SHOW ME REGION**

I am recommending the board approve the disbandment of the Missouri-Show-Me Region due to no activity within the last two years.

MOTION: Dale Heaton (LST)  
SECOND: Mark Gillespie (MK)

IT HAS BEEN MOVED AND SECONDED: To disband the Missouri-Show-Me Region

## **NSTRA INSURANCE COVERAGE**

I am recommending the Board approve the proposal of Equisure, Inc. to offer annual club insurance policies on an opt-in basis.

Adam presented an insurance program for regions from Equisure, Inc. After discussion, Adam will further explore the additional insured within the policies and also coverage for those regions using horses for judging. He will report back to the regions.

1. The insurance is only available for an established club and will not be available through a region policy
2. NSTRA will not be an intermediary between the insuring company and the individual club(s)
3. The Georgia region would like to know if the land owner can be names as an additional insured

Discussion table until 2017 TOC

## **RULE CHANGES**

### **A. SECTION 22 OPEN-COMBINED TRIAL FORMAT**

22.01 Eligibility: Any dog that has 3 Open points or less, none of which can be first place points, is classified as an Amateur dog and is eligible for the Amateur division. An Open dog is one that has four (4) or more Open points or a dog that has earned first place points in the Open Division. Entrants are responsible for the proper classification of their dogs (Amateur or Open). In the OPEN/COMBINED trial format an Amateur dog competes in the Amateur and Open division in the same brace.

An Amateur dog can run in either the Amateur or Open Division at the owner's discretion (including moving back and forth between the two, except as noted in the last sentence) until such time as the dog achieves any one of the following:

- a) Amateur Championship status (18 points - 9 of which are first place Amateur points)
- b) Earns more than 4 points in Open Division
- c) Earns any First place point (s) in the Open Division
- d) If an Amateur dog earns 4 or more points in the Open Division or earns any First place points in the Open Division then the dog will receive their Amateur Championship.

- 22.02 Once any of the foregoing benchmarks are achieved, the dog can no longer compete in the Amateur Division, except as noted in the following sentence. The only exception would be that should a dog be drawn for the second day of a weekend trial and on the prior day it achieved any one of the aforementioned benchmarks the dog would be allowed to continue to compete for Amateur and Open points in the second day trial if originally drawn as an Amateur for that trial.
- 22.03 Trial Format: OPEN/COMBINED Trials are to be conducted and drawn the same as an OPEN Trial format, where all of the dogs are drawn as if they are Open dogs. Amateur dogs can be braced against Open dogs. Amateur dogs can place in both the Open division and Amateur division of the trial.
- 22.04 The Amateur portion of the trial shall consist of a minimum of 4 dogs. The combined total of Amateur and Open braces shall not exceed 16 nor can it be less than 6. Under the rules of a recognized field trial, the minimum is 12 dogs (6 braces) for an Open trial. 4 Amateur dogs are the minimum for Amateur placements. The trial shall be advertised in the schedule portion of the NSTRA magazine and website if it is an Open/Combined trial or Open. All rules pertaining to NSTRA Open trials apply. The entry fee shall be the same for both the Amateur and Open dogs.
- 22.05 Entries in the Open/Combined trial: Entries in both the Open and Amateur divisions of the trial shall be limited to five (5) dogs per owner and or handler per trial. Two shall be specified with the additional dogs to be added to the field seven (7) days prior to the trial only if the trial is not full per rules of a recognized field trial. Under the Open/Combined format 24 dogs (12 braces) is considered a full 3 point Open trial. Preference shall be given to entering 8 Amateur dogs in order to achieve a 3 point Amateur trial.
- 22.06 Regional Eligibility: An Amateur dog is eligible to compete in the Regional Elimination Trial once it has earned five (5) Amateur points or (1) Open point in a season.
- 22.07 Drawing the Trial: Drawing procedures should utilize the same format as an Open trial.
- (Note: The Open/Combined format can be used on one field and the Amateur/Open format on the other.)
- 22.08 Established NSTRA Sanction Fees shall apply. The Open/Combined shall be sanctioned under one fee for both divisions.
- 22.09 Points Earned: Points earned as an Amateur will only count toward an Amateur championship (which is defined as a total of 18 Amateur points, 9 of which must be First Place Amateur points) and eligibility in the dog's regional elimination trial upon earning 5 points during the region's specified time period. Amateur points will not count for any other titles, invitations to National trials, High Points Awards, Performance Awards, or other awards in the Open Division. The only exception would be if NSTRA chooses to have a National Amateur Champions Trial. These points are Amateur points only.
- 22.10 A Three Point Trial: 12 braces (24 dogs) are required for a three point Open/Combined trial.
- 22.11 Applicability: All rules of NSTRA regarding judging standards in effect for the Open Division shall apply to the Amateur Division.
- 22.12 All scheduled Open/Combined trials will be officially sanctioned trials by NSTRA.
- 22.13 If an Amateur dog has a score high enough relative to the open dogs, an Open placement will be awarded.
- (Amateur dogs are eligible to place in both the Amateur and Open divisions of the trial.)
- 22.14 Awards for placements in the Open side will be the same as any Open trial. The awards for placements in the Amateur side will be NSTRA placement certificates. (The trial chairman may choose to give awards for Amateur placements, but this should not take away from the awards for Open placements).

22.15 Points: All Open/Combined trials shall be run under National Shoot-To-Retrieve Field Trial Association all age rules. Points shall be awarded as follows:

Amateur portion of a trial:

- |                    |  |
|--------------------|--|
| 4 entries:         | One point for first place  |
| 5-6 entries:       | Two points for first place<br>One point for second place                                 |
| 7 or more entries: | Three points for first place<br>Two points for second place<br>One point for third place |

Open portion of a trial:

- |                           |  |
|---------------------------|--|
| 12-17 combined entries:   | One point for first place  |
| 18-23 combined entries:   | Two points for first place<br>One point for second place                                 |
| 24-plus combined entries: | Three points for first place<br>Two points for second place<br>One point for third place |

22.16 Bye Dogs: The procedure for handling bye dogs in the Open/Combined trial is the same as in the Open trial. If the trial is drawn and an Open or Amateur is pulled, it can be replaced with either an Open or an Amateur dog.

The National Officers recommend the board approved the proposed trial format. However, this format change must be put to the membership for a vote as it will constitute a change in how achieving an Amateur Champion is attained. There will also be additional programming expense involved.

## B. **RULE 8.04 REGISTRIES RECOGNIZED FOR PARTICIPATION**

July 16, 2016: The Deutsch Drahthaar is a pure bred pointing dog, this breed is over 100 years old and is the result of very strict breeding requirements. The DD is a versatile hunting breed that originated in Germany and is still registered there today. We are proposing a change to rule 8.04, are intentions are to have the DD and its registry recognized by NSTRA like all other pointing breeds and there registries.

Rule 8.04 a) currently allows pointing breeds registered in UKC, AKC, Field Dog Stud Book and CKC. This proposal would add the VDD to the list of allowed registries, the VDD is the breed club in which the Deutsch Drahthaar (DD) is registered. This rule change is required in order to allow the Deutsch Drahthaar as a breed and their handlers to participate in Shoot to retrieve association events while maintaining active status with the VDD. Some NSTRA regions have allowed the DD to participate in their trials, these dogs have not been allowed to collect points or run in Regional championships. This is a rule change that will grow our association's membership.

Rule 8.04 as it exists:

NSTRA recognizes the UKC, AKC (no PAL/ILP registered dogs), FDSB and CKC (Canadian Kennel Club) registries. However, regardless of which registers is used, the dog must be eligible to be registered in one of the above mentioned registries as a recognized pointing dog breed to be entered in any NSTRA trial.

Rule 8.04 as it is proposed:

NSTRA recognizes the UKC, AKC (no PAL/ILP registered dogs), FDSB, VDD (Verin Deutsch Drahthaar) and CKC (Canadian Kennel Club) registries. However, regardless of which registry is used, the dog must be eligible to be registered in one of the above mentioned registries as a recognized pointing dog breed to be entered in any NSTRA trial.

The National Officers recommend that the rule change 8.04 be sent to the membership for a vote

#### C. **RULE 8.01 APPOINTMENT OF CHAMPIONSHIP POINTS**

May 1, 2016: Regions through-out NSTRA are having trouble filling twenty-four dog trials with competitive dogs. Often young unproven dogs are run to fill up a trial and to make it a three point trial. Thus, the handler who draws this young dog has the upper hand in placing in the trial. The Arkansas/Louisiana Region has cancelled several trials this year due to not having twenty-four dogs. These trials could have been held with a twenty dog minimum. The Arkansas/Louisiana Region is not alone NSTRA as more and more regions and clubs struggle to fill trials. It is our contention that the NSTRA board and officers should be proactive in adopting this rule change. It will be easier to save regions and clubs who are struggling to find enough dogs, rather than being reactive and try to restart them once they have folded. This rule change would also benefit NSTRA by not losing revenue from cancelled trials and local clubs by allowing them to have smaller three point trials and collect the revenue from them.

Rule 8.01 as it exists:

Field trials will consist of a minimum of twelve (12) dogs and a maximum of thirty two (32) dogs. A breakdown of championship points awarded is as follows:

- |             |  |
|-------------|--|
| 12-17 dogs: | One First place point<br>Second or Third points not awarded  |
| 18-23 dogs: | Two First place points<br>One Second place point<br>Third place points not awarded                 |
| 24-32 dogs: | Three First place points<br>Two Second place points<br>One Third place point (Full points awarded) |

Rule 8.01 as it is proposed:

Field trials will consist of a minimum of twelve (12) dogs and a maximum of thirty two (32) dogs. A breakdown of championship points awarded is as follows:

- |             |  |
|-------------|--|
| 12-15 dogs: | One First place point<br>Second or Third points not awarded  |
| 16-19 dogs: | Two First place points<br>One Second place point<br>Third place points not awarded                 |
| 20-32 dogs: | Three First place points<br>Two Second place points<br>One Third place point (Full points awarded) |

The National Officers recommend this rule change not be sent for voting.

# Distinguished Members

*Ron Huels*

What does it take to be selected as a Distinguished Member? It takes something special; a spark, a commitment, a desire to make our organization better and the work ethic to see that it gets done. Ron Huels is the epitome of “something special”.

Ron is the ultimate volunteer. He judges and field marshals national, regional and weekend trials, often on back-to-back weekends. He donates his time and resources for many events. He was willing to jump into the temporary job of a National Officer for a few months to ensure that NSTRA kept running. He didn't sit back and bide his time watching from the sidelines. No, he asked questions and provided his advice right from the start. If you ask him to do something, he does it with gusto!

Since 2011 the Illinois Region, with Ron in the lead, has taken on the task of hosting a large charity trial where all money raised is donated to Shriners' Crippled Children's Hospital. Ron makes sure this event goes off every single year without a hitch. In addition to the managing entries, he has to round up volunteer officials and work to get items donated. No easy task, but with his friendly nature and hearty hand shake, he is successful year after year. Last year, after government funding issues closed his regular trial grounds, he secured a new location with little time to spare. Once again, he was determined to see a project through to successful completion. And, successful it was - this trial raised more than \$27,000! What a great accomplishment and what a great “face” of NSTRA to the general public.

Ron is appreciative and never fails to thank people for their assistance and hard work. He is the guy to go to if you are new. He welcomes you as if you were his oldest friend and will steer you in the right direction or to the people who can help you the best. NSTRA and the Illinois region have benefited from having Ron Huels as a member and thank him for his service.

*Tom McCandless*

To truly understand the contributions and benefits a member of any organization has made upon that organization you must look not only at that member's personal achievements and records, but more importantly what that member has done for the benefit of their fellow members and ultimately their organization. It is in that spirit that Tom has excelled to the point of being recognized as a distinguished member of NSTRA.

As a member, Tom has achieved much that we all desire: a National Championship, a dog elected to the Hall of Fame, and multiple champions through many years of trialing. These accomplishments were considered in his nomination and election as a NSTRA distinguished member, but what truly distinguishes his membership is his service commitment to the organization. Tom has volunteered the use of his farm for more than 20 years of Kentucky Region field trialing. Further, he invites any member to stop by and work their dogs with no need for advance notice.

Tom goes the extra mile for this organization and his fellow members in many different ways. He has served as a judge, trial chairman, region board member, judging instructor, and national officer. He is one of the longest tenured members in the Kentucky Region, having been a member for more than 30 years.

Perhaps Tom's greatest contribution to the sport is his willingness to provide guidance and encouragement to new NSTRA members. He helps any member get involved in the sport with training advice, rules advice, or simple encouragement to “stay at it”. The tremendous benefit that a member like Tom McCandless provides to this organization is immeasurable. Tom is undoubtedly a Distinguished Member.

*“I would like to express my sincere appreciation to those responsible for my selection as a 2016 NSTRA Distinguished Member. It was indeed an honor to be inducted alongside such greats as Jim Mahoney, Bob Cunningham, Tom Burks, Ron Robertson and Ron Huels. These gentlemen have been mentors to me for many years. My sincere thanks and I look forward to many more years of NSTRA participation.” — Tom McCandless*

# 2016 DOG OF THE YEAR

October 26-29, 2016

Amo, Indiana

October in Amo, Indiana brought us another beautiful week for the 2016 Dog of the Year trial. Considered the ultimate trial, not just for participation but also for the coveted "Big Dog" trophy, this year's DOY brought us 207 entrants from 23 Regions across the United States and Canada. Each dog had to run at least one brace in their Regional Elimination, and the higher they placed in that trial, the better their chances were to make it into one of 192 spots for this prestigious trial. John Davis, Sr (KY) has served as National Treasurer since 2012, and the DOY trial chairman since 2013; working diligently with the National Office, the Conservation Bird Dog Club, and members of the organization, Papa John has truly made this trial more successful than in the past. Trial officials included judges Shelley Dunn (KY), Ron Huels (IL), John Griffiths (MI), Bodie Ray (GA), Stan Perdue (GA) and Cory Perdue (GA); field marshals Dorothy Jaspering (KY), Ron Becker (IL) and Al Anderson (IL); bird planters Bo Marcum (MK) and Casey Perdue (GA) and trial coordinator Emily Perkins (NI).

Beginning Wednesday, October 26, each day started with first brace dogs in the blind at 7:30 and the braces starting at 7:45. Round 1 was held Wednesday and Thursday with 192 dogs in 6 fields of 16 braces; the Top 16 of each field advanced to Round 2 on Friday, with 96 dogs in 3 fields of 16 braces; the Top 12 of each field then advanced to Round 3 on the final day of Saturday, with 36 dogs in 3 fields of 6 braces; Top 6 of each field advanced to Round 4 of 18 dogs in 3 fields of 3 braces. The Top 2 dogs from each field advanced to the Semi-Final Round, and from those 3 braces, the Top 2 advanced to the Final Hour to be run utilizing both A/Field and B/Field with ten planted birds.

After four long and trying days of trialing, and events almost every evening, the 2016 Dog of the Year Champion was crowned after having run five braces and one exciting final hour.

## FINAL HOUR

After a long day for all, the Final Hour began with just enough daylight to finish out the trial. Following pictures, awards to the 2nd - 5th runner-ups, and nice rest Tom/Dash and Ed/Zax made their way to the blind at A/Field. Gates had been opened between A & B/Fields, boundaries were explained once again to the handlers, and both were congratulated and wished good luck. Bo Marcum headed out to plant the birds, and after the go-ahead field marshal Ron Becker called for the handlers to "Bring 'em out!" Once set where they wanted to begin, the nods were given to judges Ron Huels and

Shelley Dunn that both handlers were ready and the familiar words were heard - "Turn 'em loose!"

Within the first 10 minutes, five birds had been located; at 4:03 Dash with an 81 find/85 retrieve, 4:14 Dash with an 83 find/no retrieve, 5:13 Zax with an 83 find/81 retrieve, 5:20 Zax with an 85 find/82 retrieve, and 7:59 Dash with a 72 find/Safety. Both handlers quickly made their way through A/Field and headed towards B/Field; by the 30 minute mark, seven of the ten birds had been located and placed on the card. At 15:26 Zax with an 85 find/Safety, 20:41 Dash with an 80 find/no retrieve, and 27:20 Dash with an 82 find/Safety. Tom and Dash made their way to the front of A/Field, hot and exhausted, having placed 849 points on the card; unfortunately at this time, Ron Huels made his way to the gallery to advise John Davis that Zax had been out of bounds for over 10 minutes and would be disqualified from the brace. Finishing up the hour, congratulations were given to Tom while onlookers made their way back to B/Field to help Ed look for Zax.

**THIRD RU:** 3xCH Hard Hitting Winchester, owned by Chris Sanders & Jim Harmon and handled by Jim Harmon (KY). Chester is a 6yo German Shorthair Pointer out of BJ's Rock-in Ruger and BJ's Savage Sara, with 69 total points, 45 of which are first place points. Chester took his first placement in May 2012 at Central KY Birdclub in Berry, Kentucky. Chester holds the title of 2016 KY Regional 1st RU.

**SECOND RU:** 13xCH Last Dance Lily, owned and handled by Tom Rotundo (NI). Lily is a 9yo German Shorthair out of Harrison's Sun Blue Tungsten and Suiter's Lady Bella, with 250 total points, 121 of which are first place points. Lily has been a kennel mate, and partner, to Dash for the last seven years and came to Tom as an 8 month old discard from a good friend. A truly deceptive dog, with her short stocky build, many underestimate her sheer aggressiveness to attack a field; Lily will touch every nook and cranny of a field to dig out every bird she can. Lily started her NSTRA career by taking her first placement in July 2009, just past her first birthday, at Mil-Run Farms in Coldwater, Michigan. Over the next year, Lily started to come into her own, figuring things out and quickly pulling 72 points in 2011 and the taking 2nd RU in the 2011 Purina Top Performance Award. Lily's collar holds the titles of 2011 NI Regional 2nd RU, 2012 NI Regional 4th RU, and 2014 Trial of Champions 1st RU.

**FIRST RU:** 2xCH 1xRegional CH Ripshine Mohawks Zax, owned and handled by Ed Ford (DX). Zax is a 7yo English Setter out of Mohawk's Smokin Mike and Kentucky Meadow Libby, with 36 total points, 19 of which are first place points.

Zax took his first placement in 2010 at the Bird Dog Cigar Trial in Belvidere, Tennessee. Zax holds the titles of 2011 DX Regional 3rd RU and 2016 DX Regional Champion.

**WINNER:** 25xCH Ruck's Brockway Mad Dash, owned and handled by Tom Rotundo (NI). Dash is an 11yo German Shorthair out of 6xCH Brockway's Ruck Runner and 4xCH Shooting Starr's Sassy Sami, with 452 total points, 254 of which are first place points. Dash's outstanding NSTRA career began at just 8 months-old, when he took his first placement at Shoebilly Farms in Demotte, Indiana. By 18 months-old, Dash earned his 1xCH and just 6 months later had made himself a 3xCH; by 7yo Dash would wear his 20xCH collar with pride. Dash spent six years in the Purina Top Performance running, from 2008-2013, ending with his best finish as 1st RU in 2012. Dash also holds the title of 2009 NI Regional 1st RU, 2010 NI Regional Winner, 2011 NI Regional 2nd RU, 2012 NI Regional 2nd RU, 2013 NI Regional Winner, 2016 NI Regional 3rd RU and 2012 Dog of the Year 5th RU. There is no denying that Dash has made a name for himself in NSTRA; whether frustrating Tom in the field, amazing the gallery at his sharp nose and quick retrieves, or lounging under the tent with other Rotundo shorthairs, everyone knows of Dash, and those who have watched him throughout his career are ecstatic to see him and Tom finally finish where they deserve. Congratulations again to Tom and Dash!

## EVENING EVENTS

**WEDNESDAY:** Following the first day of trialing, the Welcome Dinner was sponsored by the Conservation Bird Dog Club; club President, Grady Howard was on site with Treasurer Sharon Van Arsdale and other club volunteers to serve up a delicious meal of spaghetti, garlic bread and salad. Most participants headed back to their hotels to rest up for the long three days ahead, but those who stayed on grounds for dinner were greeted with smiling faces and enjoyed a night of fellowship, stories and laughter.

**THURSDAY:** As tradition dictates, Thursday night's events are always sponsored by NSTRA and includes a buffet style dinner of fried chicken and catfish (provided by Jug's Catering), the annual NSTRA Awards Banquet and NSTRA Youth Scholarship Auction. Foregoing the auction this year, Emily Perkins (NI) and Adam Fellers (MK), NSTRA President and Scholarship Committee Chairman, collected donations for a bucket-raffle which raised over \$3,000 for the Scholarship Account. Adam and Emily would like to thank everyone who graciously donated so many items, and those who purchased raffle tickets. During the awards banquet,

scholarships were handed out to Melissa Merkel (daughter of Cliff Merkel - IL), Megan Arbor (granddaughter of Al & Cookie Anderson - IL), Kaitlyn Zeldenrust (daughter of Pete Zeldenrust - IN) and Paige Hendrix (daughter of Todd Hendrix - MW). Congratulations ladies, and we wish you the best of luck in your education!

Awards were also presented for the 2015 Dog of the Year Champion, TJ's Micro-Tequila Watson, owned by Clayton and Sam Ashmore (FL). Clayton, Nancy Ashmore and Sharon Watson were on-site to accept a beautiful painting, done by Bob Bertram and the Championship Ring, provided by NSTRA. Hall of Fame awards were presented to Moniteaus Ozark Rebel, owned by Sam Ashmore (FL) and accepted by Nancy and Clayton Ashmore and Lonnie Jones (MSM), breeder of Boo - and Kickapoo Molly's Revenge, owned by Roger Parient (IN), with wife Michelle Parient and breeders Bob and Liz Carver there for support. For the 4th year in a row, the 2016 Purina Top Performance Award was presented to Quail Valley's Nose Knows, owned by Adam Fellers (MK), with 3,550 points; 1st RU was Resa Mazie, owned by John Resa (MW), with 2,675 points, 2nd RU TJ's Micro-Tequila Watson, owned by Clayton and Sam Ashmore (FL), with 2,625 points and 3rd RU Ragin Cajun Zeus, owned by Wayne Fishburn, with 2,250 points. Mikeal Mulberry, NSTRA 1st Vice President, presented the 2016 Distinguished Members Award to Tom McCandless (KY) and Adam Fellers presented to Ron Huels (IL) for their years of service and dedication to the organization. Adam Fellers presented Scott Townsend and Ron Huels with Service Awards; Scott had served as NSTRA 1st Vice President since 2009 and Ron Huels served as interim 2nd Vice President during 2016.

This year's banquet included an award which was given for the first time in NSTRA history. John Davis, Mikeal Mulberry and Adam Fellers presented Shelley Dunn with the NSTRA Judging Award - Shelley has been a NSTRA member since 1991 and judge since 1993; having judged 563 trials in 10 different regions, his career includes 9 Regional Eliminations, 4 Regional Finals, 25 National Trials and 11 National Finals. Never one to enjoy the spotlight, it took everything Bob McCandless and David Deaton had to keep Shelley in the clubhouse after dinner - to the point that Shelley even threatened the boys if they did not let him leave! Surprised and overwhelmed, Shelley humbly accepted his award and everyone in NSTRA should be proud to have this man as a member and a judge.

**SUNDAY:** For the first time since 2008, Conservation Bird Dog Club held their CBDC Kid's Trial on the Sunday following the DOY trial. With donations from Purina and the NSTRA Office, and volunteer judges and bird planter, CBDC spent the morning mentoring 10 kids with their dogs on Safety and Strategy for field trialing. A great time for all, and the kids are definitely excited to start their own field trial careers!

## SPONSORS

As always, NSTRA would like to take a moment to thank our sponsors for without them, our organization would not be what it is today. Purina, the preferred dog food of NSTRA, has not only provided thousands of dollars over the years, but also provides Purina ProPlan for each entry in a National Trial, and the dog food of choice and jacket to each of the Top Four finalists. Garmin provides discount cards to 1st-3rd RU and an electronic collar to the Winner; this year, we were once again blessed to have Mike Botts on grounds as our combined Purina and Garmin rep. Bob Bertram was also in attendance for the week and not only does he graciously do the painting for the DOY winner, he provides some of the best stories you will ever hear. Kent Cartridge donates a case of shells for the winner, while Dogs Unlimited and Gun Dog Supply provide gift certificates to each of the Top Four; NSTRA provides a plaque to 1st RU-5th RU and the "Big Dog" trophy to the winner along with belt buckles for each of the Top Four, and the Championship Ring to the winner. Sara Moore of Moore, Etc. was on-site again this year doing custom t-shirts and sweatshirts for the participants, and Dion Bliss of Redhaw was here to provide NSTRA clothing along with any trial equipment a handler could ever need.

As always, a wonderful week goes down in the NSTRA history books. On the behalf of John Davis and NSTRA, we would like to thank everyone who travelled, attended and participated in the 2016 Dog of the Year trial and until next time.

## Happy Trialing!

# HALL OF FAME

## *Moniteau's Ozark Rebel "Boo"*

May 15, 2009 to March 2015

Dam – Moniteau's Calico Cali

Sire – Ozark's Rebel Rex – NSTRA Hall of Fame, 11x NSTRA Ch.

Originally owned and trained by Lonnie Jones of the Mo-Kan Region.

In February of 2012 at just over 2 years old, with 6 NSTRA points, Boo made his home in Florida with Sam Ashmore. Sam and Boo spent the first summer just getting to know each other.

The fall of 2012, Boo had placements in Florida and Georgia. In October of 2012 he was the 4th Runner up in the Dog of the Year Championship.

The spring of 2013 was a little slower with some placements again in Florida and Georgia but there was some head scratching going on about how to get into Boo's head for motivation. The problem was he was a classic, super stylish, never really needed any correction or training, just motivation! If you ran him back to back regular or practiced him, he would get bored which caused some frustrations.

Finally after some trial and error, the best practice for Boo was really very little. He wanted to be your buddy at home and the, "no practice, just take me to the trial every few weeks. I'll do my thing and find the birds," attitude!

The 2013 Dog of the Year Trial proved this theory correct. Boo took the championship that year which was 22 years to the date of his sire Ozark's Rebel Rex taking the title for 1991 Dog of the Year. ■

## *Kickapoo Molly's Revenge*

It's been a little over a year since "Kickapoo Molly's Revenge" passed on May 19th of 2015 and I am just sitting down to write her eulogy today. Not because I want to, maybe still being in disbelief that she's gone, but at the urging of NSTRA as she is being inducted into the Hall of Fame next week.

Sitting with friend and explaining my dilemma, I said to him, "These are generally about all the accomplishments in the field, the national, regional and field championships earned and circumstances of a dogs Field Trialing career. Molly was much more than that. She was the first pet for my young family, a fixture in my office, the front seat of my truck, at little league games, at the lake or wherever our family adventure was."

When she passed, the outpouring of support from the field trial community was overwhelming and appreciated, but it was the response of my family and friends outside of the bird dog world that took me off guard. As I looked at the pain in the faces of my wife and children, I realized that they did not care about the field accomplishments, they had lost a family member. To those friends that only knew her from my office, family vacations, little league games, summers at the lake, they had lost a friend that always greeted them with a friendly "WOO! WOO! WOO!"

Molly and I came together a year after my father passed and a few weeks after I buried his Aussie, Kickapoo Molly, who grieved herself to death over the loss of my father. When I decided our family needed a pet, and I wouldn't mind one that I could hunt, I was put in touch with a breeder (Bob and Liz Carver at RockPoint Kennel). I explained my situation, shed a few tears, I kept looking at this gangly little female German Shorthair pup with an umbilical hernia that nobody wanted, that happened to name Molly. I decided to take a nice looking English Setter pup, but before I could leave I said I would take Molly too. What I did not know at the time, was that we needed each other.

Molly needed someone to give her a chance and I needed a change in my life. Also, I knew absolutely nothing about bird dogs.

I was given the name of a trainer, Jim Carter, who specialized in setters and pointers. Jim was very hesitant to take her, but I think he really saw the potential in both of us. Our journey began with Jim literally training and mentoring the both of us.

Molly was an all or nothing kind of dog, she won big or she lost big, but always gave it her all. She gave me everything she had and I did the same for her. She helped me get through two back surgeries, and I helped her through her bout with cancer. These events created a bond between us that is and was unexplainable.

Although Molly was a Hall of Fame caliber companion and family pet, her field accomplishments rank her among the best;

NSTRA Hall of Fame inductee 2016, 2x National Champion, 1x Purina Top Performance Winner, 12x Field Champion, 3rd RU National Champion, 2x Regional Champion, 2nd RU Regional Champion, More Final 6's and 8's than I can remember. She graced the cover of 7 Magazines including the Pointing Dog Journal, Upland Almanac and NSTRA. ■

# I'm Gabbie

It is with heavy heart that we announce that our beloved setter "I'm Gabbie" has passed. Whelped in June of 1999, she had a super and extended life. She loved people, hunting, and competing in NSTRA. She took a 3rd placement at 9 months old and went on to become a 7X CH, win a regional elimination and become the MoKan Hall of Fame selection in 2004. She also contributed by having several litters that made many NSTRA chaampions for others to enjoy. However, there was more to this little setter than hunting and competition. She allowed my wife and I to meet many wonderful NSTRA members from all over the country, many of whom we maintain a close relationship with still today. NSTRA was the conduit that made her and myself the competitors that we were. Good people, good dogs, good times. Along with that, she was a great companion. I retired her early and she became my wife's super companion. My wife would read in the morning and Gabbie would lay at her feet and keep her company. The bond was very close, so when she passed, it was hard. But we have the memories and remember the "times".

NSTRA is a wonderful organization that allows families through the love of their dogs, to become part of a larger family. It's been rough going lately for NSTRA, but I hope the current management can turn it around. I am thankful that we had the opportunity to enjoy it.

Thanks,  
The Bruce Anderson Family

## NSTRA.ORG

The National Shoot To Retrieve Association (NSTRA) was founded by a group of dedicated bird hunters looking for a way to extend the fun they enjoyed with their bird dogs after their season ended. Field Trials, under hunting conditions, were the answer. Field Trials provide an extended the season, a sportsmanlike environment and competition with others who enjoy bird dogs.

The Association was incorporated in 1978. NSTRA is a non-profit association with service to the members and sportsmanship as its goals.

# IMPORTANT THINGS TO REMEMBER!

## **Purina Endurance Classic:**

Entry into this trial will be based on all open points earned from June 1 through May 31. Points earned from placements in the final "Top 4" of National Championship trial or **Regional** Championship trial do not count; however, points from qualifying rounds do count.; however, points from qualifying rounds do count.

## **TOP PERFORMANCE:**

Dogs must have at least 20 open points from June 1 through May 31 of the applicable year to be eligible. Points will be from weekend trials only. From there, the award will be based on national trials and regional eliminations. The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1st in order to keep the number of nationals the same each year. The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. For national trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1st – 800, 2nd - 775, 3rd – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1st – 600, 2nd – 575, 3rd – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for the third

and 25 for fourth. The placement for the regional eliminations and national trials is determined by the score of the last round in which the dog ran.

## **HALL OF FAME NOMINATIONS:**

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

## **TRIAL SCHEDULES:**

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

## **SCHEDULING FEES:**

Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO

INVITATIONS WILL BE SENT. Any dog with a placement during specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

# NSTRA Youth Scholarship Fund

**A. NATURE OF AWARD:** National Shoot to Retrieve is offering a one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

**B. CRITERIA FOR SELECTION:**

- 1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter or grandchild of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information MUST be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic

achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

**C. STIPULATIONS:** The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

**D. PRESENTATION OF AWARD:** The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.
