## News From the Officers

### *Happy Spring-almost Summer!*

2017 has brought forth many challenges to this organization in ways no one anticipated – and yet, the membership continues to step up and meet those challenges with persistence and grace. Thank you!

#### NSTRA Operating System Update

Six months into launching and live testing of the electronic draw, the website, and the database we finally have a sense that certain components are working quite well. And, it is no secret that other things are not performing as expected. The focus to “fix” problems in the electronic draw has been the priority set by the Officers. Kodello has performed admirably in addressing member needs in this area. For the most part, the electronic draw is working well with our existing trial formats. The Board of Directors set a target date of September for implementation of the newest format (Open/Combined Trial). However, it is critical that our immediate priority be the completion of the database and website. Thank you for your patience and please continue to provide feedback to your region Presidents and National Officers.

#### National Trial Bids

The National Officers are now accepting applications from regions to host the UKC Performance Trial 2018 & 2019, and the Purina Endurance Classic Trial 2019 & 2020. Hosting a national trial is a great way to showcase different regions’ judges, bird planters, local culture, different hunting terrain, and meet like-minded folks who love shoot-to-retrieve. Moving trials around to different regions allows members from those regions to participate in national trials at a higher rate than they may otherwise be able to do. Criteria and specific application material is available by calling or emailing the national office. All applications must be received in the National Office no later than September 30, 2016. Successful applicant regions will be notified no later than October 30, 2017. Please note that the UKC trial is held in June, so the successful applicant will have to perform under an accelerated timeline.

#### NSTRA Trust, Inc.

As approved by the Officers and Board of Directors in 2016, this non-profit public benefit corporation is open for business! Although awaiting the final nod from the IRS that completes the federal 501(c)(3) tax exempt status, we may currently accept donations and begin distributions. This allows us to continue providing scholarships to youth and consider other charitable activities of a broader scale. Please consider donating to this entity. Reminder: all scholarship applications are due in the NSTRA office by June 30, 2017.

#### Region Updates

It is not too early to start collecting information and compiling a region update that reflects the 2016-2017 season. Region Presidents should put these together with the help of local members with an eye toward communicating to the National Officers what has happened throughout the season and things that members are looking at in the near future. Please send something to your National Officer representative, as well as to the national office, no later than August 30, 2017. We will plan to discuss and share your concerns at the next Board of Directors meeting in October 2017.

#### Rule Changes

Members voted to adopt as changes to our rules, the addition of the Verin Deutsch Drahthaar (VDD) registry (8.04, 11.11, and 21.01), and the addition of a new trial format known as Open/Combined (Section 22).

The National Officers and the Board of Directors voted to offer for consideration to the membership a new version of rule 8.09 that clarifies language referencing handlers and dogs in “subsequent braces.” This is the infamous “back to back” rule that has been interpreted and applied such that otherwise conforming entries are unable to be drawn successfully in conforming trial formats. Please vote. There will be a ballot in the next issue.

As the spring trials and regional championships draw to a close, thank you for participating!

Thank you,

*Adam Fellers, Mikeal Mulberry, Marilyn Cunningham, Nance Ceccarelli and John Davis.*

# Dog Trainer left legacy with 'Mahoney Setters'

It's not uncommon when I'm hunting, working or walking my dog to have an onlooker say, "Is that a Mahoney setter?"

The term is used in this region to describe handsome, birdy English setters that run like the wind, skid to stone-still, tail-high points on birds, and come home to add welcome grace to the family room.

Spokane-area setter breeder and trainer Gene Mahoney died on April 25 at the age of 78, but not before he spread the happiness of fine bird dogs to hunters and families far and wide.

He will be interred on Thursday at 11:15 a.m. in an military ceremony at the Veterans Cemetery at Medical Lake.

When he came to work in the recreation program at Fairchild Air Force Base in 1975, Mahoney bought a German short-haired pointer for a hunting partner, says Peggy Mahoney, his wife of 52 years.

"He went out to a dog trail near Four Lakes and got hooked," she said. "We bred our shorthair a couple times, then Gene started training to support the habit. Pretty soon, I was grooming dogs for clients. It was a family deal."

Mahoney always liked hunting dogs, but he never fell in love with one until he trained an English setter named Lady.

"We were able to buy her from the owner down the road, and Gene took her all the way to runner-up in the national Shoot to Retrieve Championships," she said.

Next he trained and campaigned one of her pups, Whiskey Lady Delight who quickly stood out in the crowd and marched on to win the nationals.

Gene wasn't one and done. The next Mahoney setter to win the national championship was I'm Dick Too, a radar-like bird finder with panda-black eye patches immortalized in the National Shoot to Retrieve Association Hall of Fame.

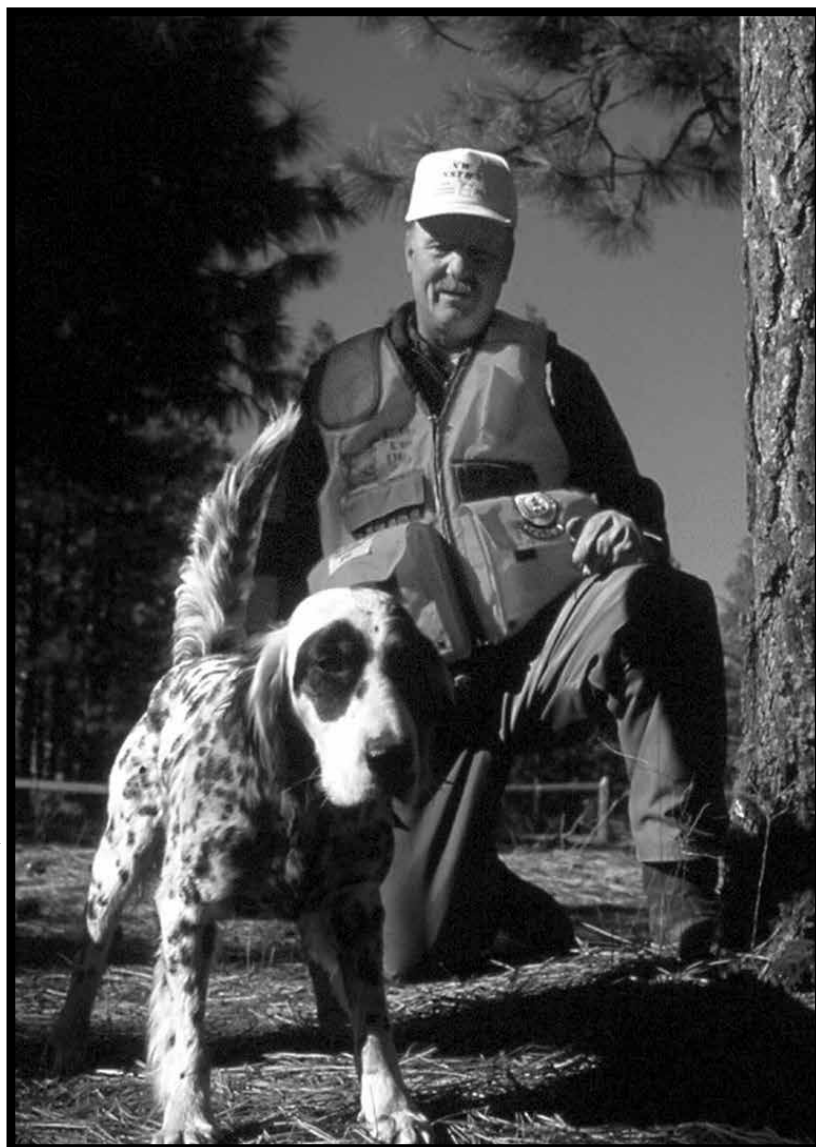

Dickie, as Mahoney called him, sired many litters of pups.

"We never bred willy-nilly or without a list of people who wanted the puppies," Peggy said.

The Landers family was on one of those lists and Dickie is the father of our tri-color setter, Dickens. I've told everyone who would listen for 13 years that he's the best hunting dog-family dog I've partnered up with for the field.

"We've heard that a lot," Peggy said.

"Gene became very competitive in Shoot to Retrieve," she said. "The first time he went to nationals was with one of his German shorthairs. He drove east in a little station wagon with Gailen Carothers and they both tied for last place.

*Gene Mahoney of Medical Lake with his English setter, I'm Dick Too. The dog was inducted into the National Shoot to Retrieve Association Hall of Fame in 2002. (Rich Landers / The Spokesman-Review)*

"The West didn't get much respect from the Eastern dog handlers, and Gene and Gailen didn't change any minds that year. But Gene told them, 'I'll be back.' And he did, in a big way."

# **AVOIDING INJURIES IN BIRD DOGS**

*to Attain a Winning Edge*

The unwavering courage and desire bird dogs demonstrate while hunting or running in NSTRA trials are nothing short of amazing. Because sporting dogs have no quit in doing what they love, the respect and care you have for your dog is important in minimizing his or her risk of injury.

The dynamics involved in understanding the stress trials put on a dog and how to safely train are key to achieving an optimal field performance. What's more, bird dogs are among the canine athletes that are benefitting from advances in sports medicine and rehabilitation. Trainers who partner with sports medicine veterinarians reap knowledge about little things that can make a big difference in a bird dog's performance.

Pro retriever trainer Mike Lardy of Handjem Kennels in Montello, Wisconsin, teamed up with sports medicine veterinarians at the Purina Canine Sports Medicine Symposium this past fall at Purina Farms in Gray Summit, Missouri, to discuss the little things that can make a big difference in a dog's performance.

"We look for little things and take notes on our dogs' progress every day," says Lardy, whose training program centers on respect and care for the dogs. "Some trainers think the more training, the better, but that's not the case."

Follow Lardy's tips, which are helpful across the board for all sporting dogs, on proper training, conditioning and care to help keep your dog healthy and prevent injuries in the field.

- **DO Take It Slowly** In training, it's a long haul to get from a puppy to a finished gundog. Do not progress to advanced training until your dog masters the basics. Injuries can be the consequence of doing too much too soon. Don't forget to also take time to warm up your dog before every training session.

- **DON'T Forget Your ABCs** During training, stress the ABCs, or Attitude, Balance and Control. A dog should be obedient, independent and focused when performing a given task. As a trainer, you should find the right combination of positive reinforcement and correction with success and failure. Maintaining these principles are crucial to your dog's field success.
- **DO Take Notes** During each training session with your dog, take notes on his or her progress on every skill. Your notes can help you detect slight changes in your dog's performance and help identify a potential injury sooner.
- **DON'T Downplay Downtime** Downtime is important. Your dog needs a vacation from the field just as you need one from the real world. For example, every year, Lardy gives his dogs six weeks off, plus a weekend to rest after every two trials. You can apply Lardy's strategy to your bird dog.
- **DO Supplement with Conditioning** Exercises such as roading, water sprints and kayak conditioning increase a dog's aerobic base and decrease his or her risk of injury. Simply put, a well-conditioned dog has a better physical performance.
- **DON'T Ignore the Little Things** Your dog's physical and mental soundness matters. Be sensitive to his or her abilities and attitude. If your dog seems off, there's a reason. Should you notice anything awry in your dog's field performance, stop physical activity and get your dog to the veterinarian.
- **DO Establish a Feeding Schedule** The frequency and timing of feeding makes a difference in your dog's field performance. Bird dogs should work on an empty stomach, so it's best to feed once a day in the evening after your dog has had ample time to cool down from the day's activities. ■

## FEEDING YOUR HARDWORKING BIRD DOG

**A**long with proper training, conditioning and care, hard-working bird dogs should receive top-notch nutrition for optimal field performance. Performance dog foods, such as *Purina Pro Plan SPORT Performance 30/20 Chicken & Rice* and *Purina Pro Plan SPORT Performance 30/20 Salmon & Rice* formulas, contain 30 percent protein and 20 percent fat. These high levels of protein and fat help

increase a dog's capacity to metabolize fat and allow him or her to gain a higher oxygen capacity.

Increased fat metabolism and higher oxygen capacity help raise metabolic capacity and generate energy, which results in better performance and endurance in the field. Feeding your bird dog a nutrient-dense food high in protein and fat also means you do not have to feed an excessive amount to

maintain weight. With less volume in his or her stomach, a dog is more comfortable in the kennel, in the field, and when traveling to hunts and NSTRA trials.

For more information about optimal nutrition for sporting dogs, please visit [www.proplansport.com](http://www.proplansport.com).

# REGIONAL TRIALING

**PURINA**  
**PRO PLAN**  
NUTRITION THAT PERFORMS®

*The National Shoot To Retrieve Association (NSTRA) was founded by a group of dedicated bird hunters looking for a way to extend the fun they enjoyed with their bird dogs after their season ended. Field Trials, under hunting conditions, were the answer. Field Trials provide an extended the season, a sportsmanlike environment and competition with others who enjoy bird dogs.*

*Send all Regional Trial information, highlights and photos to NSTRA to be placed in the next publication. Deadline for August/September issue is July 3rd.*

## ARKANSAS REGION

Trialing isn't always fun. These are the before and after pictures of the headquarters of the North Arkansas Quail Club at Melbourne, Arkansas after a tornado or straight line wind went through on February 28. The camp is located at their trial grounds.

This is Deb Meline with Francis and Rachel Daniels with Gonzo. Not too often we get to see two women braced against each other let alone one being a youth. Both of these dogs were trained by Deb and Rachel. That weekend Deb put a championship on Francis and Rachel put 4 points on Gonzo's mother Ruby.

Bandy is a 3rd generation Llewellyn Setter owned by Angela and Steve Autry of Henderson, Tennessee of the Dixie Region. He is grandson of Autry's Rowdy Cash, son of Autry's Rowdy Waco and all 3 are NSTRA champions.

#### Three Rivers Bird Dog Club double-double

Web site: <http://www.nw-nstra.org/> or on Facebook: NW-NSTRA  
Once again, the Three Rivers Bird Dog Club hosted the Kennewick trial that kicks off the NW NSTRA spring season. Many thanks to the club for finding new grounds—which were really nice, easy to get to, and interesting topography but very walkable. Thanks to Larry Thurman for stepping up to chair the trial, and everyone in the club for keeping things running smoothly. Thanks to all of our judges, but a special big thanks to Nance Ceccarelli and Ray Ellis who judged both Saturday and Sunday—a lot of hard work that the region really appreciates!

Trial results:

<b>Saturday, Field A:</b> Judges: Nance Ceccarelli and Ray Ellis

1<sup>st</sup> number = finds; 2<sup>nd</sup> number = retrieves

#### Highest scores:

Finds: English Pointers Rule with a three way tie at 90. Bo (twice, Michael Washington), Dash (Byron Davis), Mimi (Justin Tweedy)  
Retrieves: Two English Pointers at 88. Bandit (Todd Synoground) & Bo (Michael Washington) Obedience: 68.5, Pearl (ES, Mike Smith)  
Ground coverage: 86.5, Tigg (EP, Matt Huston) Back: 70, Nikki (GSP, Sam Hartwick)

This was a first placement for Bo and Michael Washington, with several very nice scores. Congratulations! We hope to see Bo and Michael at many more trials!

<b>Saturday, Field B:</b> Judges: Jeremy Lessmann and Mike Ouchida				
1 <sup>st</sup>	Call name	Registered name	Breed	Owner/Handler
1 <sup>st</sup> 1112.2	Drake	Bead's Little Drake Nitro	GSP	Sam Hartwick

3 <sup>rd</sup> 809.5	Jack	Palouse Prairie Jack Flash	GSP	Jerry Youmans
3-3				
4 <sup>th</sup> 740.5	Pearl	Pearl Mountain Sunrise	ES	Mike Smith
3-3 + back				

#### Highest scores:

Finds: 95, George (EP, Mike Smith)  
Retrieves: 95, George (EP, Mike Smith)  
Obedience: Three way tie at 70 for George (EP, Mike Smith), Jack (GSP, Jerry Youmans) and Pearl (ES, Mike Smith)  
Ground coverage: 94, George (EP, Mike Smith)  
Back: 70, Pearl (ES, Mike Smith)

What a fantastic debut for Drake. This young GSP bird finder, in his first NSTRA brace, took a 1st place in his first placement. It wasn't just about the number of birds; almost all of Drake's scores were in the high good to excellent range. Keep up the good work, Drake and Sam!

Obviously Mike Smith's George had a fantastic run, 2-2 + back (597), in which he received high scores in four of five categories (and his back wasn't shabby at 66). We should always be pleased with good dog work, even if the bird count doesn't lead to a placement. Atta boy, George!

The next highest find and retrieve scores were 93 and 92, respectively for Doc, Steve Witz's young Red Setter, in training with and handled by Mike Smith. I am sensing a trend. But wait a minute. Bryon Davis is also a pretty good trainer because his young pointer Dash, in his first showing, scored a 92 find (not to mention the 92 and 90 scores on finds by Bryon's Crazy). There are some pretty hot young dogs joining the competition in NW NSTRA!

#### **Sunday, Field A:**

Judges: Nance Ceccarelli and Gary Chapman

	Call name	Registered name	Breed	Owner/Handler
1 <sup>st</sup> 1095.5 6-6 + back	Laser	Star Trooper Laser Fire	ES	Mike Ouchida
2 <sup>nd</sup> 896.5 5-3 + back	Lucy	Stotts Arrow's Lucy	ES	Maurice Davis (SoCal)
3 <sup>rd</sup> 844 4-4	Zeke	Wazzu Zeke of Arbigorn	GSP	Ed Johnson
4 <sup>th</sup> 819.8 4-4	Poacher	O'H Aodhas Hardwired Led Head	GWP	Rick Hughes (Big Sky)

#### **Highest scores:**

Finds: 93, Wilson (ES, Mike Ouchida) Retrieves: 96, Wilson (ES, Mike Ouchida) Obedience: 70, Tigg (EP, Matt Huston)  
Ground coverage: 91.5, Rook (EP, Matt Huston) Back: 60, Coco (GWP, Rick Hughes)

2016 was a great year for Zeke, and with this placement in the first trial of 2017, he is getting ever closer to his first championship. Zeke has enough of those elusive 1st-place points; he just needs three more points. Keep up the great work, Ed and Zeke!

It was great to have the company of Maurice Davis at this trial, all the way from the Southern CA region, with Lucy, a pretty setter formerly of the Stotts clan. Lucy is also in pursuit of her first championship—she just needs a couple more points. Our best

wishes to Team Lucy to complete this goal in the 2017 season!

#### **Sunday, Field B:**

Judges: Ray Ellis and Mike Smith

	Call name	Registered name	Breed	Owner/Handler
1 <sup>st</sup> 952 5-5	Tigg	M H McGee's Invogue	EP	Matt Huston
2 <sup>nd</sup> 841 4-3 + back	Cici	Stotts Silly Cici	ES	Mike & Edie Stotts Handler: Jerry Youmans
3 <sup>rd</sup> 715 4-3	Sandy	Jim's Horse Heaven Sandy	ES	Jim Fuller
4 <sup>th</sup> 672 3-3	Dash	Dash	EP	Bryon Davis

#### **Highest scores:**

Finds: 95, Cici (ES, owned by Mike & Edie Stotts, handled by Jerry Youmans) Retrieves: 95 by Wilson (ES, Mike Ouchida) and Bandit (EP, Todd Synoground) Obedience: 71, Dash (EP, Bryon Davis)

Ground coverage: 95, Dash (EP, Bryon Davis)

Back: 73, Cici (ES, owned by Mike & Edie Stotts, handled by Jerry Youmans)

Obviously, Bryon Davis is choosing better names for his English Pointers. Crazy on a few occasions, by Bryon's description, has had to fight the urge to live up to his name. However, Dash is clearly having no such concerns with a 95 ground coverage! It is noteworthy that the highest ground coverage scores for the four trials this weekend went to English pointers.

This weekend also saw Jerry Youmans handling and placing with an English Setter—Cici, Mike and Edie Stotts national champion. One might wonder if Jerry is trying to get in some practice before running his own young ES Red. Rumor has it that Cici has filed for a change in custody, rather liking life with Jerry and his boys. I just hope she doesn't decide to go too far and get her tail docked! Another dog trying to finish a championship this season is Jim Fuller's English Setter Sandy. They earned a point this trial, but not the one 1st place point that Sandy still needs. Hang in there, Team Sandy—you'll get it done!!

## ***“Athlete of the Week” and NSTRA member***

# ***Brandy Ashmore***

Most everyone in NSTRA has heard the Ashmore name; Sam, Clayton and Nancy and, of course, the dogs they run and the amazing things they’ve accomplished. Outside of the Florida Region, and those friends who know them well, few have heard of the youngest, Brandy Ashmore. She has grown up in the fields with Clayton, trains and runs with Sam, and has become one hell of a gunner; Brandy has another love, one that takes her to a different type of field, where she chases softballs instead of quail. Through the years, she has grown into a lovely young woman with a heart of gold, one that NSTRA is proud to call their own. Recently, Brandy was featured as the “Athlete of the Week” for the Plant City Times & Observer in Plant City, FL. Below is a copy of the article, written by Justin Kline, Sports/Associate Editor:

*Strawberry Crest’s softball team is young, but isn’t lacking senior leadership. One of the team’s three seniors, Brandy Ashmore, is looking to teach the lessons she learned as an underclassman to her young teammates and, should all go well, help get the Lady Chargers back into the playoffs. On Wednesday, Feb. 1, Ashmore signed with Pasco-Hernando State College, where she will play softball after graduating from high school.*

### ***What are you looking forward to about this season?***

*Just being with the girls for my final year, more than anything.*

### ***What’s the most fun part about playing for this team?***

*Definitely the family bond that we have together. We’re all very, very close, and we kid together, which is fun.*

### ***What’s the most fun you have with this team?***

*We mess with each other quite a bit. We play games like “Pepper,” especially. It’s a game where you bunt, and you have to try to dive and catch it. It’s pretty fun.*

### ***What’s the funniest thing that’s happened since you’ve been on this team?***

*Definitely Stephanie Dwyer laying out for balls at second base whenever I was playing right field last year. We were kind of a team, a mini-team, inside of a team.*

### ***What’s your proudest moment as a Lady Charger?***

*It’s hard to pick. Probably just being on the team, just being with the girls. I didn’t really expect to play college ball whenever I came here, so having that on top of what I have here is just awesome.*

### ***What do you want to major in?***

*I want to be a physical therapist and stay in sports medicine.*

### ***Pasco-Hernando is a two-year school, so I’m sure you have plans for after that.***

*Yeah, I’m hoping to transfer to St. Leo, hopefully, and continue softball there. If not, I’ll figure it out as I go.*

### ***What’s your favorite position to play?***

*Outfield.*

### ***What’s the coolest thing you’ve done on a softball field?***

*Going to states, for sure, with my high school team.*

### ***Who’s your favorite athlete? Is there anyone you look up to, or try to model your game after?***

*Samantha Tyler.*

### ***Crest alum. What made you look up to her?***

*Coming into my freshman year, she kind of took me under her wing. Especially with the dominating team of seven seniors, me coming as a freshman, I was scared to death. It’s her drive for the game, how serious she takes it just really inspired me.*

### ***What’s the best advice you’ve gotten from a coach or teammate?***

*It’s a team sport. You can’t do it by yourself. Do your job, and your teammates will do their job.*

### ***Do you play any other sports?***

*Just softball. I played basketball in middle school but, other than that, no. My family, we run bird dogs, so outside of softball, I go from the field to the bird dog field.*

### ***Is there any sport you’ve never tried, but always wanted to?***

*Tennis.*

### ***If you could meet any famous person, who would it be and what would you want to do?***

*Kevin Kiermaier, and we can go on a date.*

### ***How far can this team go, this year?***

*I think we can go all the way again if we have enough heart, honestly.*

# IMPORTANT THINGS TO REMEMBER!

## **Purina Endurance Classic:**

Entry into this trial will be based on all open points earned from June 1 through May 31. Points earned from placements in the final "Top 4" of National Championship trial or **Regional** Championship trial do not count; however, points from qualifying rounds do count.

## **TOP PERFORMANCE:**

Dogs must have at least 20 open points from June 1 through May 31 of the applicable year to be eligible. Points will be from weekend trials only. From there, the award will be based on national trials and regional eliminations. The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1st in order to keep the number of nationals the same each year. The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. For national trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1st – 800, 2nd – 775, 3rd – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1st – 600, 2nd – 575, 3rd – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for the third and 25 for fourth. The placement for the

regional eliminations and national trials is determined by the score of the last round in which the dog ran.

## **HALL OF FAME NOMINATIONS:**

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

## **TRIAL SCHEDULES:**

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

## **SCHEDULING FEES:**

Trial scheduling fees are due in the NSTRA office 4 weeks prior to your trial date.

## **TRIAL REPORTS:**

Trial reports are due in the NSTRA office 10 days after the trial date.

## **QUAIL INVITATIONAL:**

This trial is always held the last week in February that includes a Saturday. The qualification period for this trial is Nov. 1 through Oct. 31. This includes all points earned during the time frame, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count). Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO INVITATIONS WILL BE SENT. Any dog with

a placement during specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

## **TRIAL OF CHAMPIONS:**

The criteria for entry into this trial is that the dog has earned an open championship and is at least a 1X open champion by February 1 of the current year OR the dog can be a paid standby for this trial by achieving their open championship between February 2 and March 31 of the current year.

## **UKC PERFORMANCE CLASSIC:**

The qualification for this trial is points earned from April 1 to March 31. Weekend trials only. No points from qualification or final rounds of national championship or regional championship trials will be counted.

## **DOG OF THE YEAR:**

This trial will begin on Wednesday of the last full week of October. This trial is based on region elimination placement and/or high point status. All entries must be postmarked 45 days prior to the first day of the Dog of the Year trial. (NO INVITATIONS WILL BE SENT.)

## **HOME REGION:**

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1st and January 1st. \*Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at anytime to request a change in their Home Region.

## ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be a least one regular paid membership in the household to qualify. Associate members have the same rights as regular members EXCEPT they are unable to vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

## RULE CHANGES:

Proposed new rule changes or additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

## CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions or the Dog of the Year trial.

## REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

## OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

## FIRST TIME PLACEMENTS:

The National Office now requires a copy of the dog's registration certificate for first time placements. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org) or a photocopy by regular mail.

## NSTRA Distinguished Members:

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations are to be submitted by August 31. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included if available. Contact the NSTRA office for a list of criteria.

The committee will review all nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected.

The committee will make their decision by September 30. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

## *In Memory of:* **Charlie Henry, Monticello, Arkansas**

Charlie Henry, age 91 of Monticello, Arkansas passed away February 2, 2017. He was retired from the Soil Conservation Service. A United States Navy veteran of WWII he served on the submarine USS Chub. He loved to tell stories of close calls with Japanese aircraft as a lookout on the submarine when on the surface.

He is survived by his wife of sixty-four years, Betty Hildebrand Henry, one son, Patrick Henry; a daughter, Kris Morgan; five grandchildren and one great grandchild.

Charlie was known as an expert dog trainer. His specialty was force breaking. It is not a stretch to say he was among the elite in the world when it came to teaching a pointing dog to retrieve. The dogs he broke had his mark of quickness and a soft mouth. His pupils numbered in the hundreds.

He trained and campaigned two of the top dogs to ever run in the Arkansas/Louisiana Region, 6x Champion Bill Who and 7x Champion The Thunder Boomer. These two dogs were as good as they come, anytime – anywhere. His dogs won the Arkansas/Louisiana Region Elimination Championship five times including the inaugural running in 1982 with Henry's Mack Truck. When he hit the field with a dog there was never any doubt he came to win. If you drew a brace with him you usually were taught a lesson or two before the conclusion

of the brace. He was the ultimate competitor. Even in his mid to late seventies and early eighties he was still a formidable opponent. In his mid-eighties, Charlie still campaigned dogs from a four wheeler running a Britney, 1x Champion Home Run Casey.

A founding member of the Arkansas/Louisiana Region and the Razorback Field Trial Club, he worked tirelessly at tasks needed to make the club house and grounds a gathering place for trialers. During the heyday of the club, Charlie and his beloved wife, Betty loved to gather with friends at camp after a Saturday trial for steak dinner with Charlie having a bit of libation to boot.

The field trial world has lost an original in Charlie. Trialers today are not made out of the same mold. Tough and determined with the capability to get into a dog's mind and know what they are thinking, he dearly loved the sport and genuinely looked forward to each trial. Tenacious in the field and free with his knowledge to those who would listen, there is no replacement waiting to pick up his mantle.

It is hoped that Charlie now has the wind at his back and a dog to the front surrounded by friends who have preceded him into paradise. ■

# 2017 Quail Invitational Championship

On Saturday, February 25, 2017, Tomoka's Smokin Gun "Jake" soared to his 3rd NSTRA National Championship winning the 2017 Quail Invitational held at the Central Florida Field Trial grounds at Lake Wales, Florida. No stranger to the winner's circle, Jake placed against 1st runner-up Sterndog Norton L.J.'s Salty Czech Czech". Jake is owned by Jimmy Kirkman and Greg Wood, Kentucky Region, with Greg handling. George IV and Lisa Sterner, Florida Region, are owners of Czech and George handles.

The Central Florida Field Trialer Club and Florida Region were hosts to this 3 day event with a pre-trial held on Saturday through Monday prior to the start of the Championship running. Tina and George Sterner along with Sharron Watson were instrumental in setting up the 4 field pre-trial. This is no easy task as handlers from throughout the United States and Canada are here to practice on the fields on which they will run their championship run. Tina and Sharron set up the fields on the computer draw program which gave handlers their heart's desire for draws. Will and Irene Heddon were in charge of breakfast while Paul and Kim Thompson catered the noon meal. Everyone enjoyed the meals and we heard many compliments to the chefs.

On Wednesday evening, the annual Oyster-Shrimp welcome party was held at the clubhouse. The Ashmore and Sterner families donate the oysters and shrimp with appetizers and desserts provided with Florida Region members and many wives of participants. Auctioneer, John Rawdin, was on hand to sell several items up for auction. Miss Betty's jelly samplers were the highlight of the evening bringing in \$330. Many thanks for all who donated and John for another great auction.

Thursday morning dawned cloudy, but not rainy and field officials met with Chairman, John Davis, and Co-Chairman, George Sterner III, prior to the start of the trial. Boundaries and safety zones were explained to the 8 judges, 4 marshals and 2 bird handlers. Judges were Ron Becker and Ron Huels - Illinois; Stan Perdue and Bodie Ray - Georgia; Steve Jaspering - Kentucky; Donny Parker - Arkansas; John Holder - Wisconsin; Suvoyee Rudd - Ohio. Field marshals were Dorothy Jaspering - Kentucky; Stacey Holder - Wisconsin; Al Anderson - Illinois; and Sandy Ludolph - Mid-North. Bird handlers were Casey Perdue - Georgia and Curt Beckley - Mo-Kan. As is usually the case, these officials did an exceptional job; they are chosen by the trial chairman for their knowledge and dedication to our sports. Many thanks to all for your time and expertise. The Flag was raised with the National Anthem playing in the background and invocation for the trial given by John Davis prior to the first brace. The format of the QI calls for cutting 1/2 of each field daily; top 16 returning for Friday's trial. The running for A-D follows:

A field- Judging - Ron Huels and Ron Becker - Stacey - marshalling, Casey bird handing.

Immediately after the trial, the clubhouse was open for the CFFT banquet. Sam Ashmore had prepared sliced Boston Butt Roast served with baked potatoes, green beans and salad along with Miss Betty Harrell's homemade cakes. Although Ralph and Betty were not in attendance due to sickness, we were reminded of them each time another cake was cut. Thanks to the Harrels for all their help throughout the years. Sam's sliced pork was prepared to perfection, as always. Silent auction winners were announced and most called it an early evening due to Friday's running of 2 qualification rounds. Judging teams rotated for Fridays braces and follow:

On Saturday morning we moved to the A & B fields for Rounds 4 through 7, each time splitting the fields in half. Judges rotated during the day with the final hour judges being Donny and Steve with Al and Dorothy marshalling. Casey would plant his first National Hour brace and did a remarkable job. Lunch was once again served in the clubhouse during the break by Paul and Kim Thompson. They did a phenomenal job keeping everyone fed during the week with delicious breakfast and lunch meals. Our thanks to each of them.

Each of the Top Four received a supply of Purina Pro Plan along with the Purina Winners Jacket, presented by Dean Reinke – Purina Representative for NSTRA, Electric Collar for the winner from Garmin with Garmin Gift Certificates to 1st-3rd runner-up, Shotgun Shells for the winner from Kent Cartridge, and to all four winners a gift certificate from Alan Davison with Dogs Unlimited, Belt Buckle and Hat from NSTRA, gift certificates from Gun Dog Supply, Wet Mutt Mats from Eddie Dunford with WetMutt and Purina, and T-Shirts from J B's Restaurant. The winner also received a beautiful quail bronze donated by Cheryl Higham and artists Jocelyn Russell/Michael Dubail (WildlifeBronzes.com).

Second and third runner-up placements were determined by Round 6 scores with Kickapoo Sioux Too placing 2nd runner-up and Twin River Tessa as 3rd runner-up. This was a first time

“winner's circle” experience for both dogs, each not yet 3 years old.

Twin River Tessa is owned by Phil and Beth Chandler from the Illinois Region. She was handled by Rick Bertinetti. This tiny, petite English Pointer female is from Peaches River Dan (6x NSTRA Champion and NSTRA National Champion) and Double R Streak (12x NSTRA Champion and NSTRA National Champion). Tessa is a 1x NSTRA Champion (earning her 1st x championship this week) with 20 total points consisting of 13 first place points and 7 other points. Phil and Beth are relatively new to the NSTRA family, having joined the Illinois Region in 2013. Phil now judges, Beth is a field marshal and also maintains the Illinois Region website. They have one son, 9 month old Lucas, who rounds out a perfect family. Tessa started her trialing career on 1/30/16 at the Illinois Op/Nov trial with a 3rd place. On 4/2/16 she placed 1st during a trial at Rooster Heaven following in August with another 1st on 8/6/16 at Glenns Valley. Her next 1st place was on 12/4/16 at Rooster Heaven. In between placements brought her total to 21 points. Congratulations to the Chandlers, Rick Bertinetti and Tessa for a whirlwind week in Florida and knowing that more will come from this fine young pointer.

Second runner-up, Kickapoo Sioux Too is an English Setter female, owned by Roger and Michelle Parient, handled by

Roger. Sioux is also a tiny, quick young dog – as someone said during the week “she flies”. Sioux is from 5x NSTRA Champion Kickapoo’s Jackpot and Kickapoo’s Little Sis. Roger’s dogs all carry the Kickapoo name as does his Kennel. Sioux is just one of 6 dogs Roger has had in the Top Four Circle; Molly, Jack, Cassie, Ranger, Scout and Sioux. Jack is sire to Ranger, Scout, and Sioux; Cassie and Jack are litter mates. Quite an impressive record. Sioux has 56 total points of which 37 are first place points with 19 other points making Sioux a 2x NSTRA Champion. Her first placement came on 9/19/15 at a CBDC trial placing 2nd in A field and also winning 1st on the B field the same day. Sioux other 1st placements occur often – 1/31/16 CFFT; 2 on 2/14/16 A field and B field at CFFT, 3/13/16 Van Ingalsbe Memorial Trial, 9/7/16 – 2016 Purina Endurance Qualification B/F, 1/1/17 New Year’s Blast A/F and B/F. Our best wishes and congratulations to the Parents and Sioux for a special win and great future.

The final hour was a show-stopper with 2 superior dogs and 2 handlers able to handle their dogs from find to find. The gallery was sure about one thing – each dog had the same amount of finds – 5 each. But it was unsure if Sterndog Norton L.J.’s Salty Czech had procured a back, while we knew that Tomoka’s Smokin Gun had indeed backed. When the final stopwatch rang, both handlers were met by family hugs and tears flowing; when Dorothy added the scores, the winner was Tomoka’s Smoking Gun with Greg Wood. After a brief rest, all gathered at the clubhouse for the trophy presentation.

First runner-up was Sterndog Norton L.J.’s Salty Czech “Czech”, owned by George and Lisa Sterner, Florida Region. Czech is a 3 ½ year old German Wirehair whose sire was 3x NSTRA Champion Fancy Feather Saltyfoote and Nortons Okk Maggie. She has 15 total points of which 8 are first place points. Her first placement was at a CFFT trial on 11/22/15 followed by a 2nd place on 1/16/16. From there Czech placed 1st on 1/31/16, 3rd on 2/6/16, 3rd at an Endurance Pre-Trial, 2nd during the New Year’s Blast on 12/30/16 and 3rd during the New Years Blast on 1/1/17. George and Lisa reside in St. Cloud, Florida with their three boys, Georgie, James and Jed. Hats off to this fine, young Wirehair and the entire Sterner family. We might say that the Nortons from North Dakota and the Sterners from Florida put the Wirehair breed on the NSTRA map. Funny, furry faces – we love em.

**THE WINNER:** The newest NSTRA National Champion is Tomoka’s Smokin Gun “Jake”, a 9 year old English Setter male owned by Greg Wood and Jimmy Kirkman, handled by Greg. Jake is from Tomoka’s Smokin J.R. and Barr’s Smokin Mackezie. Jake is an 11 time NSTRA Champion with 200 points of which 135 are first place points and 65 others. Jake’s first Championship came on 5/16/2010 and first placement was on 12/7/2008 at the Pike Co. Bird Hunter’s Club. He won the Kentucky Regional Final on 4/19/09 and on 5/16/10 placed 3rd at the Kentucky Regional Trial. At the 2012 QI Jake was 2nd runner-up following in 2013 as the 1st runner-up. Jake won the 2014 Dog of the Year Championship and the 2015 Trial of Champions. He was 1st runner-up in 2016

at the QI Championship and placed 4th during the 2016 Kentucky Regional Championship. Jimmy and Greg are truly a competitive team with highly competitive dogs. Greg’s dogs have been to the National Final Four Circle 29 times and won 9 National Championships. Of course, we should mention that Grandpa, Logan Arnsparger, was instrumental in Greg’s training and a dog trainer in his own rights. Greg has been a member of NSTRA since 1981 – 36 years. Here to celebrate Jake’s win was Greg’s Mother, Dottie and 2 daughters – Meghan and Madison (Morgan was away at school). Also on hand was Jimmy’s wife, Melissa. It was a fun win for the Wood and Kirkman connection with the great Tomoka’s Smokin Gun “Jake”.

**HIGHLIGHTS:** Two special guests during the trial; 1) Tate Button, NSTRA programmer was on hand to answer any questions members may have about the new online program. It was good having Tate on site to help with issues in the new National Draw Program. 2) Also on hand was CFFT member, Dot Heddon, 98 year old NSTRA member. As always she’s spry and handles those steps like she was 30 years old. A wonderful surprise to all.

Kim Thompson, ½ of the Catering Couple is the daughter of CFFT member, Bruce Van Vliet. Son-in-law, Paul was the other ½. Great job. Thanks from NSTRA.

Prayers and get well wishes for Stan Perdue’s wife and Cory and Casey’s Mom, Beverly who will undergo surgery immediately after trial.

It’s always great to have Dean Reinke- Purina and Todd Kellam – UKC with us. It’s always a special time spent with sponsor representatives. Our sponsors are truly awesome and we thank them every day for all they do for NSTRA. Word has it that Dean and Todd really enjoyed Cherry Pocket Restaurant along with 2/3 of trial participants.

And finally, thanks to all who attended and those who helped make the trial a success. Special thanks to Greg, David and John for unloading dog food and putting up table and chairs under tent. Also, thanks to all who helped with food for the pre-party and those who brought auction items. It is appreciated.

So until the TOC in April, happy Spring trialing.

— As reported by Trial Coordinator and National 2nd VP,  
Marilyn F Cunningham

# NSTRA Youth Scholarship Fund

**A. NATURE OF AWARD:** National Shoot to Retrieve is offering a one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

**B. CRITERIA FOR SELECTION:**

- 1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter or grandchild of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information MUST be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic

achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

**C. STIPULATIONS:** The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

**D. PRESENTATION OF AWARD:** The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.

## UTTS RAMBLIN DOLLY

With sadness, I am writing to let everyone know that Dolly died on January 5, 2017, at the age of 14 years and 3 months. She was born on 9/11/02, one year after the attack on the twin towers, an easy date for a fireman to remember. I fed her that Thursday morning before I went to work at the fire station and found her dead the next day after I got home. I was going to write this sooner, but just couldn't. I took her down to my property in Guernsey County and buried her next to Dakota.

She was a 6x NSTRA champion, Ohio regional winner and placed in the top 4 of two National Trials. Probably the most amazing thing is that at the age of 11, she took 3rd place at the Ohio Regional and then the next year took 6th place at the Ohio Region at the age of 12. She found her share of wild birds too, but was always at her best running trials. She will be missed, just like Dakota before her.
