News From the Officers

All,

We are continuing to work on several projects to improve the NSTRA experience. A run down is as follows:

Elections:

The National Officers' elections are tabulated and your current officers were re-elected: Chad Collison, president; Scott Townsend, 1st Vice-President; and John Davis, Treasurer.

Judging:

Doug Embray presented the revised judging program and test to the Board of Directors at the October meeting. The region presidents had received a copy prior to the meeting and are now responsible for taking the presentation back to the regions. Any questions regarding anything on this program should be address to Adam Fellers. The final program will be completed by December 1 and will be posted on the website. A huge thanks goes out to Doug and his committee for their hard work!

Computer:

The National Officers had surveyed several companies to review our current database, website and online draw programs and make suggestions for improvement. They selected Kodello from Des Moines, Iowa to develop a prototype of a new system which was presented to the BOD at the October meeting. Grant Ruge gave the presentation and the Board discussed and approved the prototype. We will continue to work with Kodello to develop and implement the new system.

Amateur Programs:

There was a lengthy discussion about the Amateur programs in NSTRA during the BOD meeting. Everyone recognizes the impact our amateurs have in our sport but it was determined that no one single program works in every region. We have a committee working on some format changes and we have expanded one of the current programs. Please check the website and the In The Know section for specific information.

Handler Changes:

It has come to our attention that there have been some handler changes after the draw of a trial that may or may not be bona fide changes. In order to eliminate any concerns about draw manipulation, the following application will be added to rule 8.10: The handler drawn to run the dog must be the handler to run the dog if they are present at the trial. Substitutions can only be made in the case of illness or emergency subject to the approval of the field marshal.

Mentor Program:

The mentor program is in effect to allow seasoned handlers to walk with new member and assist them in learning how to field trial and handle their dog. A new member may have a mentor for up to 8 braces and the region is responsible for keeping track of the number of braces. This program is to encourage our new members and help retain them.

Merry Christmas!

Dear BOOMER

Shocking Revelations

Question:

Dear Boomer,

Do you think shock collars are inhumane?

Ameren Jones

Answer:

Dear Ameren,

Absolutely not, every human should be required to wear one
when in the field with their bird dog. I, Boomer, Birddog
Supreme, am bringing out a line of shock collars for humans.

"The Darwin" is my first invention. It features a spandex collar
that keeps it from slipping off the tiny heads of hunters who have
used a shock collar on their dog without reading the directions.
It is clearly marked, "Darwin Shock Collar, NOT A GARAGE
DOOR OPENER" for obvious reasons.

There will be a special line of collars for lawyers. Lawyer's
collars have built in timers and they charge automatically. They
also feature circuitry that prevent double charging and over
charging.

The "DO AS I SAY" model automatically shocks politicians
who pass laws for the public but ignore the laws for themselves.
The DAIS has a platinum case, a diamond studded collar, and a
retirement plan for itself.

*Sincerely,
Boomer*

Happy New Year

Buster and I...

He was whelped on May 10, 1993 and died three months after reaching the age of ten. I called him "Buster". He called me "Transportation." He would never have been thought of as a Bench Show candidate, but then he never wanted to be. Each of his ears had a very light brush stroke of liver. His white body looked as though it had a few sprinkles of brown sugar.

Even as a puppy he stood out with his full out approach to finding a bird. I purchased him when he was less than a year old for one hundred dollars and he wouldn't come to you if each of your hands held a steak. During the long and arduous training, I thought many times of giving up. But then I noticed that after each phase, when he finally accepted that phase, he stayed broke. The day he gave in to force breaking, and from that day forward, I never lost a bird.

Buster never met a person or a dog that he liked. I was tolerated because of food and a ride to the bird field. He always entered the field with his head and nose scenting for quail. His neck was stretched to the point of looking like a hairy periscope. And he always found a bird. He didn't win every trial nor did he place in every trial but you knew you had a chance of either one.

At age ten he won the last trial he ever ran. All of us have had dogs that couldn't point a covey in a phone booth. They are soon forgotten although sometimes not soon enough. But when that special dog comes along we savor every moment afield and even long after they have passed, the memories remain vivid. Even though he wasn't particularly handsome, the picture of him on point is still there and to think of it is akin to punching up a photo on an iPad.

As I move into the winter of my life, I can still see him standing on point and I go to him on legs that have seen eighty-six years. It takes longer to get to him than it used to but nothing moves except his eyes, as they roll toward me. I smile as I reach his side and maybe he does to. Suddenly we both fade from view into a past that will soon be forgotten. ■

PURINA
PRO PLAN
NUTRITION THAT PERFORMS®

2015 Distinguished Members Award

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. We are deeply thankful for their dedication to the sport of field trailing.

Who has well over 60 years of NSTRA membership, judged over 250 field trials, held both regional and national presidencies, have an affinity for pointers and setters and still running dogs today?

The 2015 Distinguished Members nominees, that's who!

Allen Greeling - Illinois Region

To get a sense of the influence Allen has over members in the Illinois region you have to know that he was nominated by three different people. We can quote statistics of how many trials he has judged and the number of dogs he's championed but what really matters is the kind of NSTRA member he represents.

If you wanted to describe the ideal NSTRA member, some words would come to mind like competitive, fair, helpful, objective, well-respected, and friendly. Allen embodies all of these and then some. All of the nominations emphasized his integrity

and sportsmanship. He is admired for his willingness to give advice and encouragement to anyone, from the newest member with everything to learn, or to a leader that needs a clear and objective opinion. Allen has graciously contributed his time to help out the Illinois region when they need it most. Proof of that is the innumerable times he has donated his services to judge the Shriner's trial over a 20 year span.

It is not unusual to enter a trial in the Illinois region and be braced against a dog that at some point or another has been trained by Allen. It is also not unusual for Allen to sell a dog to a young person at a very reasonable price so that he/she can remain involved in a competitive way. It is also not unusual to go to a trial and be braced against Allen for one of his many runs. To this day, at the age of 80 Allen still runs his dogs in trails every weekend with the only concession that his is willing to make to age is that he now rides a four wheeler when handling his dogs. No one wants to be braced against this octogenarian. He is no easy draw!!

We believe that NSTRA is a better organization because of Allen Greeling's participation over the years. We are fortunate to call him our friend and mentor.

Jim Mahoney - Ohio Region

At well over six feet tall, with a big booming voice and a hearty laugh, it would be hard to ignore Jim Mahoney. And Jim has been involved in almost every aspect of NSTRA membership. A lifetime NSTRA member, Jim has been influencing this organization for a long time. He is a past national president and Ohio region president, taking over that spot in the late 80's when the region was in need of stability. Jim's collaborative leadership style helped the region grow in a time when declining membership was becoming all too familiar across

our organization.

He participates in weekend trials throughout the country and has provided the ever popular Mahoney Farms ground for field trials in the Ohio region. Jim can be found at almost every national field trial and rarely fails to take home a placement with whatever dog he is currently running. Just this year, his young dog Jake brought home the runner-up placement in the Ohio Region Elimination. He also has a NSTRA Hall of Fame dog, Tomoka's Hot Spot. He is a consistent and competitive trialer who is more than willing to lend an ear and offer his advice to members from across the country. He is always willing to educate newer, less experienced members of NSTRA on judging, breeding or trialing of bird dogs.

Field trialer, trainer, breeder, mentor, judge, national and regional officer, trial chairman, Hall of Famer and now Distinguished Member, Jim has occupied and performed well in every part of NSTRA to date. We are looking forward to his next success in the NSTRA realm.

MENTOR PROGRAM

In order to expand our outreach and assistance to new members coming in to our sport, a mentor program was initiated to allow seasoned trialers to help and instruct new members beginning their trialing career. This program allows a new member to have an experienced member to accompany them in the field to instruct them in handling their dog. This is limited to a maximum of 8 braces to be monitored by the region. In no case will there be more than 6 people in the field during any brace.

HANDLER CHANGES

An application to rule 8.10 was added:

Application: The handler drawn to run the dog must be the handler to actually run the dog if they are present at the trial. Substitutions can only be made in the case of illness or emergency subject to approval of the field marshal.

SECTION 20 AMATEUR FIELD TRIAL

Section 20, Amateur Field Trial Format has changed as follows (in bold):

20.01 All Amateur Trials shall be run under National Shoot-To-Retrieve Association rules. Each region may hold no more than four (4) Amateur trials per year (two during the spring trial season and two during the fall trial season). All trials must be scheduled through Region Presidents. There is no sanctioning fee required to be paid to NSTRA for Amateur trials.

20.02 All scheduled Amateur field trials will be officially sanctioned trials by NSTRA.

20.03 Championship points shall be awarded as follows:

12-17 entries	One point for first place
18-23 entries	Two points for first place One point for second place
24-32 entries	Three points for first place Two points for second place One point for third place

Note: All points earned will be open points unless the trial chairman specifies that the trial will be run for amateur points at the time the trial is posted for entry.

20.04 No **points earned at an Amateur** trial shall count as first place points in qualifying as an **open** champion. **If the trial is designated an amateur points trial, said points earned will count as qualifying points for an Amateur championship.**

20.05 All Amateur points acquired in the time frame for qualifying for Regional Elimination trials shall count as qualification points for Regional Elimination trials **unless points are earned as Amateur points. In the case of Amateur points, 5 points are needed to qualify for the Regional Elimination same as in Open/Amateur trials (see 17.07).**

20.06 No Amateur points shall apply toward the Top Performance Award.

20.07 Entrants shall be responsible for assuring their dog does not have any placements before entering an Amateur trial.

20.08 Entry fees shall be limited to 30.00 per entry. Total number of entries per owner and/or handler shall comply with 8.08 under Rules for Recognized Field Trials.

20.09 Trial participants must be NSTRA members.

20.10 Awards: plaques, trophies, etc. shall be awarded to the top six placements of each Amateur trial.

20.11 Trial articles and photos of the placements of Amateur trials will be published in the NSTRA magazine if forwarded to the NSTRA Office.

Tips from  **PURINA**

Cold Weather Care for Bird Dogs

Cold weather can be harmful for hardworking bird dogs. It can affect their energy and immune systems, making them prone to disease and injury. Winterizing kennels helps to reduce disease and the risks of hypothermia, a dangerous drop in body temperature, and frostbite, the freezing of tissues caused by exposure to very low temperatures.

Both heated and unheated kennels should have adequate insulation. Kennel doors should be closed at night, particularly when it is cold and windy. Good ventilation, without excessive cross drafts, will help keep air fresh. Additionally, air should be exhausted from the ceiling to the floor to prevent warm air near

the ceiling from being pulled out. Vents should be opened whenever the outside temperature is warmer than the inside temperature.

Inside shelter may be necessary if temperatures become extremely cold. "A doghouse may not keep a dog warm when subzero temperatures prevail," says Purina Senior Manager of Sporting Dog Programs Karl Gunzer. "You also want to keep a dog's coat dry in this type of weather. A damp coat drains body heat."

Outdoor doghouses should be located where there is good drainage and raised a few inches off the ground to help keep out moisture. The elevated area should be shielded with boards to prevent wind from gusting under the doghouse. A canvas

A Winter Checklist for Kennels

Winter care for dogs in kennels involves taking practical steps to ensure their safety and comfort.

Follow these tips to get through the frosty winter months:

- Be sure kennels are dry and draft-free. Like people, dogs are susceptible to hypothermia, frostbite and illness if kept too long in the cold or a constant draft.
- Dogs should have a place to sleep that is comfortable and elevated off the ground. A fiberglass sleeping pallet with bedding material, such as fleece, thick carpet pads, blankets, and dog beds, provides comfort.
- Add door flaps to doghouses to help hold back wind and weather.
- Kennel runs should be kept free of snow and ice.
- Maintain your kennel at a constant temperature between 60 and 65 degrees Fahrenheit where possible.
- Be sure to stock extra dog food so you are ready for severe snowstorms.
- Beware of antifreeze. Dogs are attracted to the sweet taste of ethylene glycol in antifreeze, but it is toxic. If a hound licks antifreeze, prompt veterinary care is essential.
- Regularly check a dog's footpads. Constant exposure to moisture caused by rain, snow or mud can irritate a dog's footpads, causing skin damage and infection from bacteria or fungi. If a dog has cracked or bleeding paws, consult your veterinarian.
- Throughout winter, keep an eye out for cuts, abrasions, debris in eyes, and pad injuries.
- Make sure bird dogs' vaccinations are current. The stress of severe cold is even greater for dogs in poor health.

flap could be placed over the door of a doghouse, or an inside partition can be used to help keep direct wind off dogs.

Gunzer suggests a doghouse with an inside partition to a sleeping area to help keep dogs warm. "With a cover on the outside door, this type of doghouse goes a long way in keeping drafts off a dog," he says. "It also helps to conserve heat."

Adequate heat and proper sanitation are important, too. It's best to maintain a constant temperature around 60 to 65

degrees Fahrenheit. Good sanitation should be practiced year-round, but a hose may be impractical in winter due to freezing water lines. Instead, a scraper or shovel may be used to remove waste from concrete runs. Waste should be picked up daily.

The bottom line is to use common sense in caring for bird dogs in winter. Although you can't change the weather, you can be sure your dogs are healthy and comfortable. ■

Cold Weather Nutrition

Did you know that bird dogs need 7 percent more calories for every 10 degrees the temperature drops below the moderate temperatures of spring and fall? In fact, the caloric needs of an active dog in winter could double. Feeding a high-quality, complete and balanced canine diet year-round, such as *Purina Pro Plan SPORT Performance 30/20 Formula*, is recommended. Poor-quality dog food is not a per-calorie savings.

In winter, it helps to allow dogs to gain a small amount of weight for insulation and energy reserves; however, it still is important to maintain dogs in ideal body condition, defined as ribs palpable without excess fat covering. Dogs should have ample water in winter because of the metabolic changes that take place and to help process extra food. Be sure to keep dogs' water from freezing.

Visit proplan.com/dogs/platforms/sport to learn more about the *Purina Pro Plan SPORT* nutritional platform and how quality nutrition is vital to the success of hardworking bird dogs. Then, share how *Purina Pro Plan* brand dog food has been vital to your own dog's success by leaving a review at proplan.com/reviews.

IMPORTANT THINGS TO REMEMBER!

Purina Endurance Classic:

Entry into this trial will be based on all open points earned from June 1 through May 31. Points earned from placements in the final "Top 4" of National Championship trial or Regional Championship trial do not count; however, points from qualifying rounds do count.; however, points from qualifying rounds do count.

TOP PERFORMANCE:

Dogs must have at least 20 open points from June 1 through May 31 of the applicable year to be eligible. Points will be from weekend trials only. From there, the award will be based on national trials and regional eliminations. The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1st in order to keep the number of nationals the same each year. The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. For national trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1st – 800, 2nd – 775, 3rd – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1st – 600, 2nd – 575, 3rd – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for the third

and 25 for fourth. The placement for the regional eliminations and national trials is determined by the score of the last round in which the dog ran.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

TRIAL SCHEDULES:

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SCHEDULING FEES:

This includes all points earned during the time frame, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count). Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO

INVITATIONS WILL BE SENT. Any dog with a placement during specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

TRIAL OF CHAMPIONS:

The criteria for entry into this trial is that the dog has earned an open championship and is at least a 1X open champion by February 1 of the current year OR the dog can be a paid standby for this trial by achieving their open championship between February 2 and March 31 of the current year.

UKC PERFORMANCE CLASSIC:

The qualification for this trial is points earned from April 1 to March 31. Weekend trials only. No points from qualification or final rounds of national championship or regional championship trials will be counted.

CHANGE OF HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1st and January 1st. *Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at anytime to request a change in their Home Region.

OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

2015 PURINA ENDURANCE TRIAL

As summer turned to autumn, NSTRA trialers from throughout the United States ventured to Osceola, Iowa for the Purina Endurance Trial. Twenty regions were welcomed from members of the Iowa Gun Dog Club. And what an exceptional welcome it was. The people from the club and region made sure everyone was given special attention. Shaun Rydl was on hand to make sure each camper was parked in their respective spot with water and an abundance of shade. The trial officials had the club house as their residence for the 5 days and the large aluminum building was the trial headquarters (which had been dedicated to the late Kathy Phipps). The pre-trial was held from Friday through Tuesday with a 4th field used as a practice field. The chairman for the championship event was Adam Fellers with Terry Ward as co-chairman. Terry was on site each day making sure that everyone had everything they needed. His helper was Don Sievers whom we had not seen for several years. Terry Prenosil took care of the fields and grounds and of course there were the "old timers", Rod and Paul Phipps, Frank Downs, Charlie Strawn, Bill Sumpter, and Kevin Schlarbaum, helping out wherever they were needed. It was amazing to watch these men, each taking care of their respective jobs working without any supervision. Each morning we were treated to blueberry pancakes from breakfast chef Frank Downs with the Gun Dog Club women serving lunch. I'm sure we missed some names and we apologize, but we cannot thank you all enough for the amount of work that went into this trial from the Iowa Gun Dog Club. If anyone wants to see how a national trial should be ran in all aspects make sure you check your calendar for the 2016 Endurance Trial and come see for yourself!

Wednesday morning an officials meeting was held to go over boundaries and safety zones. A field judges for Wednesday were Donny Parker and Randy Jacobs with Brent Wheeler officiating as field marshal. Curt Beckley served as bird handler for both fields during the trial.

Temperatures were in the 90's for the pre-trial, but cooled down with rain before Wednesday morning's braces.

The Endurance trial format is set for brace winners to advance. However, A and B field on Wednesday would also take the highest scoring dog that did not advance to get our 16 dogs from each field to advance into Friday's running. One reason the beat-your-bracemate is so popular is that at the end of the brace a handler knows if they've advanced to the next qualification round. The running's follow with *** marking advancement.

Immediately following the trial, the crowd was treated to a pulled pork dinner which had been prepared by Charlie Strawn. Charlie cooked the pig for the entire day on an electric spit over the grill and was served with cheesy potatoes, carrot casserole, salad and dessert. The ladies of the club had prepared the sides and served the meal to approximately 70 people. Marlys Wells had organized the food and preparation with help from the following ladies: Pat Sievers, Mary Hill, Kim Roberts, Ruthie Brown, Bev Phipps, Jackie Schlarbaum, Meagan Dop, Claudine Prenosil, Chloe Wells, Peg Card and Audrey Strawn. Hail to these ladies of NSTRA – many were there for the entire day and evening each day. Talk about devotion to the sport. This club is devoted. An auction and raffle was held after the meal with Mikeal Mulberry serving as auctioneer. A significant amount of money was raised by the club and almost everyone went away with something. Devon Miller, Bill Sumpter's son, played his guitar and sang during and after the meal, and did a great job. Thanks Devon for taking the time to entertain us.

Thursday evening was BBQ chicken and all the fixins'. A calcutta was held for Friday's running and raised \$8,030. Thanks to auctioneers Mikeal Mulberry and Lance MacLennan and their "helpers" for a great Calcutta. One half would go to the Top 4 winners of Saturday's championship and the club and NSTRA scholarship would split the other ½. Thanks to all for their help in making the Calcutta a huge money maker. Jackie Schlarbaum and the kitchen crew gurus prepared the chicken which was done to perfection and again went above and beyond. Friday's running was drawn and posted prior to the Calcutta. Beat-your-bracemate would continue throughout the trial with 16 braces running on Friday A and B field.

Steaks and grilled chicken was prepared by Bill Sumpter on the grill Friday evening and talk about melt in your mouth. Both were delicious and we learned the secret to Bill's grilled chicken. Of course, the ladies had prepared the dishes to go with and they once again did a fantastic job. We can't say enough about the quality of the food at this trial.

Mike Botts, Garmin Representative, and Dean Reinke, Purina Rep, were present throughout the week and it's always a pleasure to have these guys with us. It was an early night for everyone as Saturday would be a 6:45 a.m. start beginning a full day of trialing.

Round 3 on A field Saturday featured Randy, Chad and Brent at the helm with Chad on the field at 6:45 sharp.

There is no rhyme nor reason as to which dog will advance. Many times it depends on which side of the field a handler or dog will choose to work first, the direction of the wind; many items enter in as to who will get that extra bird (birds), back or better ground coverage and obedience advancing to the next qualification round. The final 16 are listed below, with the final 8 advancing ***.

We were now down to the braces that would produce the final four contenders. By this time, both man and dog was showing signs of fatigue. However, an endurance trial is just that – endurance. And those that come to this trial know the endurance that is required to achieve these results and train accordingly. There were seven regions represented in the fifth round with one pointer, 3 shorthairs, 2 setters and 2 brittany's still in the running.

She has 41 lifetime points of which 18 are first place points. In May, 2014 Reba won the Michigan Regional Championship and on 9/9/15 won second in a qualification round of the Purina Endurance Trial. In addition to the 225# of Purina Pro Plan and winners jacket presented by Terry Ward, Todd also won a pair of Bird Shooter Boots from W.C.Russell Moccasin Company. Congratulations to this fine gentleman and a super competitive dog.

THE WINNER: Back in the winner's circle for the 2nd time and her 8th final four finish was Quail Valley's Nose Knows, a 6 year old, German Shorthair Female, owned and handled by Adam Fellers, MK Region member. Nose is from Premier's Fancy Trail Blazer and Point Home Major League. She is an 18 time NSTRA Champion winning her first championship on 3/24/12; she is also a 2x National Champion. Nose has 335 lifetime points of which 222 are first place points. Her first placement came on 3/12/11 at an Elk Fork Kennel Trial. From that point there was no stopping her. Other qualification round placements were; 1st on 5/30/12 UKC Performance Trial, 5/2/12 1st runner-up at the 2012 UKC Championship Trial, 4/25/13 - TOC qualification 3rd place, 4/27/13 - 2nd runner-up at the TOC Championship, 5/31/13 - 2nd UKC qualification, 6/1/13 - won the 2013 UKC National Championship, 10/25/13 -- 2nd DOY qualification round, 2/22/14 - 1st runner-up at QI National Championship, 4/23/14 - 2014 TOC qualification round won 2nd, 9/30/14 - 1st at Purina Endurance qualification, 4/24/15 1st during TOC qualification, 4/25/15 - 1st Runner-up at TOC Championship, 5/30/15 - 3rd at UKC qualification, 5/30/15 - 2nd runner-up at UKC Championship Trial, and 9/11/15 - 1st during qualification run of the 2015 Purina Endurance Trial. In addition, Nose has also won the Purina Top Performance Award in 2013 and 2014 and 2015 and placed 4th in 2012. Nose was presented with 450 # Pro Plan and Adam received the winner's jacket from Purina. In addition to her other prizes, Adam also received the Pro 500 Electric Collar from Garmin and Custom Belt from Dying Breeds from Evergreen Colorado.

Congratulations to the entire Fellers Family, Adam, Nikki, Nolan, Evan and Jameson for a great win and terrific dog. Adam said this finish truly was a total family effort and was extremely emotional at the end of the final hour when he found out Nose had won. Recently moving back to Iowa in June, a new baby, and a busy work ravel schedule didn't allow for much time for working dogs. Nose spent the 6 weeks prior to the Endurance trial with Adam's dad Steve in northern Iowa being ran on wild birds 3-4 days a week and rumor has it she pointed enough wild birds during that time to last some a lifetime. Most days she does her work without error and when not trialing, you will find her on the couch with Nolan and Evan. What a special dog with a special family and best wishes to the Fellers Family and Nose.

The goody-bag was another great feature of the Purina Endurance Trial thanks to Terry Ward and Tony Caligiuri from Boyt Harness. Tony was gracious enough to help Terry put together a goody bag we could only afford with Boyt's help. Each dog was given a Mud River dog food bag and bowls set, dog lead, and gun case. They also received 8# of Purina Pro Plan from Purina. Many thanks to Terry and Tony for putting together this ideal package.

Again, we can't thank Nestle Purina for the continued support of our organization and the Iowa Gun Dog Club e for their warm welcome and gracious hospitality. It was a fun week with fun people and NSTRA is looking forward to next year's Endurance Trial in Iowa. Happy trialing to all and safe bird hunting to those "ole" birdhunters. ■

Arizona Autumn" Double/Double trial held on October 24 & 25

The Arizona Region had a great summer season in the mountains near Flagstaff, AZ and held our last trial up in the mountains on October 24 & 25 at the Kendrick Park trial grounds.

John Trout had another good weekend with his Region high point leading dog Emma, getting another first place finish on Saturday while scoring a first place on Sunday as well with his other Pointer, Sid.

Marty Elliott ran his young GSP Tessa 4 times and scored a first place and two third place finishes with his really good looking, up-and-coming 2 year old Tessa.

Starting November 21st our trials move south to the Mearns quail country southeast of Tucson, AZ, near Sonoita. We have trials scheduled every month from November through February. If you have ever wanted to come hunt Mearns quail and maybe run a trial on the same trip, take a look at our website for the trial schedule at aznstra.com. Mearns quail season opens on December 4th and runs through February 7th and the Gambel and Scaled quail seasons opened already and both run till February 7th as well.

Chester, SC October 18 B Field

Armenia Winds Pointing Breeds Club had a beautiful weekend for a field trial!

The first brace in A field started off with one dog finding 5/5 and a back. Mike Barker from Ringgold, NC ran Chase Cogar's (from Beckley, West Virginia) pointer, Blaze's Lone Ranger and finished with a score of 1252. That score held all day, but Mike ran his own male pointer, Ringneck's Honky Tonk Pete in the 4th brace coming close with a 1010 score. Mike held on to 1st and 2nd until the 10th brace, when Berkley White from Myrtle Beach, SC scored a 1024 with his GSP female named Will and Wades Little Kate moving her into 2nd place. Then in the 12th Brace Joy Fleming from Chester, SC finished 4th with a 975.5 with her GSP female, Windchime's Joyken Baylee. All the dogs had great braces and performed like champions. It could have gone any way. The competition was that close.

The B Field also had close braces with Berkley White finishing the first brace with Kate's Big Shot scoring an 819. Shot held on to 1st until the 4th brace when Stacie Smith from Chester, handled her own dog Windchime's Rock Solid, "Stone", a GSP male, to a 907 score placing her in 1st place. In the 5th brace, RB Garrett handled his own dog, King's Court Hank, an English setter to a 729 score placing him in 3rd place until Ed Ford, handled Ted Cook's male pointer, Peaches River Dan to a 948.6 score pushing everybody back a placement. All of the B field's scores were very close and it was a nail-biting day until the very end.

Our judges for the A Field were Gene Frye and Bill Johnson and the B Field judges were Anthony Sluder and Ken McNabb. Lunch was also delicious with homemade Chicken Stew, cornbread, and cake served by Cathy McKay.

On Sunday, we had another nail-biter day with A Field having Berkley White and his "Kate" dog finishing with a 1091. Berkley's "Shot" dog finished the 8th brace with an 827 score. Berkley held on to 1st and 2nd place until Dan Miles from Cumming, GA, ran his 9 year old male Brittany, Bo's Beeline Renegade in the 9th brace and finishing with a 1075.2 score. Then in the 13th brace Dale Hand ran his GSP/male Hands Ramblin Willie to a 1051 score to finish him in 3rd place.

The B field was another close finish, with Jim Turner from Seneca, SC finishing his Pointer/male with a 739 score putting him in 1st place in the 5th brace. In the next brace, William Pickard from Bartow, Florida, finished his pointer/male, Hackberry's Fredo Ice with a 695 finish. Then in the 7th brace, Dan Miles handled DD's The Georgia Peach "Ty" his Brittany male to a 752 finish putting him in first place. But that wouldn't hold up either because RB Garrett, from Ballground, GA, finished the 13th brace with his setter male, TT's Fiddlin' Fibber, "Buddy" with a 1092.25 finish pushing everybody back a placement.

We had our same judges again Sunday and Cathy served another delicious meal.

All in all, we had a great weekend. The first trial hosted by AWPBC did not go without a few glitches here and there, but overall it was a great trial. We are all looking forward to the spring when we will definitely be hosting another double/double.

NSTRA Youth Scholarship Fund

A. NATURE OF AWARD: National Shoot to Retrieve is offering a one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

B. CRITERIA FOR SELECTION:

- 1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information **MUST** be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

C. STIPULATIONS: The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

D. PRESENTATION OF AWARD: The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.
