IMPORTANT NEWS AND INFORMATION FOR MEMBERS

Mentor Program

In order to expand our outreach and assistance to new members coming in to our sport, a mentor program was initiated to allow seasoned trialers to help and instruct new members beginning their trialing career. This program allows a new member to have an experienced member to accompany them in the field to instruct them in handling their dog.

1. Mentor or mentors must be determined and trial chairman notified prior to the start of the trial. More than one may need to be determined in case one of the mentors falls into a back to back situation.
2. Mentor may not be used if the requested mentor has the following brace on the same field.
3. Requesting member is allowed the use of a mentor a total of 8 times. This must be tracked at the Region Level.
4. Mentor program is to be limited to weekend level trials only, no Region Eliminations or National Trials allowed.
5. Mentor may also be the designated gunner.
6. In no case will there be more than 6 people in the field during any brace.

If you have any questions, please contact the National Officer in charge of your region.

Handler Changes

Developing Puppies Into Stylish Bird Dogs

Spring is here, which means it's prime puppy acquisition time. As the weather warms up, you may be training a new pup to hunt in this fall's upland bird season or to compete in NSTRA trials. Proper socialization, training, conditioning, and nutrition will help shape your well-bred pup into a confident, well-mannered bird dog that's ready to give you his or her all in the field.

Start Slowly for Success

For hunters and field trial competitors, there are few things more thrilling than

developing a well-bred pup into a lean, bird-finding machine. Beginning with socialization, pups should be gradually introduced to the work they will be expected to perform.

"With puppies that are potential elite canine athletes, you should start with building a physical and mental foundation," says James L. Cook, DVM, PhD, DACVS, DACVSMR, director of the Comparative Orthopaedic Laboratory at the University of Missouri. "It starts with proper nutrition, building muscle, and 'concept training' to introduce the dog to the idea of hunts and trials. You don't want to do too much too soon because the musculoskeletal system is not

"Early training should focus on core-strengthening activities that promote muscle and nerve development and control."

James L. Cook, DVM, PhD, DACVS, DACVSMR,
director of the Comparative Orthopaedic
Laboratory, University of Missouri

For Beeline Brittany puppies, early training begins with proper socialization to the outdoors.

mature until dogs are 10 to 18 months old, depending on the breed. Early training should focus on core-strengthening activities that promote muscle and nerve development and control.”

Breeder-owner-handler Nolan Huffman of Beeline Brittany's in Lewistown, Montana, says early training begins with proper socialization. “The goal of socialization is to get your dog comfortable in as many situations as possible,” he says. “We play with our dogs, let family and friends handle them, introduce them to birds, go on walks around our farm, wade through shallow creeks, and take them on car rides. These techniques make for well-rounded pups.”

Basic obedience commands, such as “heel,” “here,” “recall,” and “whoa,” are the foundation of Beeline’s training regimen. Dogs must master these before moving on. Clapping and whistling helps to introduce the sounds dogs will later hear in the field. Grass is the preferred training surface because it provides a cushion to support dogs’ paws and pads, unlike hard surfaces, such as concrete, which could cause injuries.

When a pup matures into a young adult dog, with a fully developed musculoskeletal system, it is safe to begin a conditioning program. “You should determine your performance goal, the timeframe to accomplish it, then work backward,” Cook says. “The idea is to individualize training for that dog and to keep training fun.”

Individualized training should incorporate cross-training and core-stabilization exercises. These help to build the strength and endurance needed for NSTRA trials and to reduce mental and physical fatigue. Focused exercises, such as leg lifts, cavaletti movements and figure 8s on an incline, combined with cross-training, such as running, weight pulling and swimming, will help develop your dog toward a performance goal.

Complete and Balanced Nutrition

It’s important to provide your hard-working bird dog with complete and balanced nutrition, part of the foundation of optimal performance and recovery for days afield. The *Purina Pro Plan FOCUS Puppy* Formulas are designed to meet the nutrient requirements of growing puppies, while the *Purina Pro Plan SPORT All Life Stages* Formulas, suitable for puppies and adult dogs, will help sustain your dog’s energy needs and help keep him or her properly conditioned. For more information, please visit proplan.com/dogs.

“Most importantly, remember that to prevent injuries you should always warm up a dog before training and competition, allow time for recovery between high-intensity training and trials, and cool down a dog after exercise,” Cook says. “There is nothing worse than an injury that could be prevented.”

Nutrition Powers Performance

The role of nutrition in puppy development is important. Rapidly growing puppies tend to be eager eaters. Not surprising considering that until they are around 6 months of age, pups need two to three times the amount of most nutrients and calories per pound of body weight compared to an adult dog.

A growing pup’s food should provide complete and balanced nutrition and be formulated to meet their nutrient requirements. Supplementation is not recommended for pups, as a complete and balanced puppy food or an all life-stages food provides the appropriate amount of key nutrients, including vitamin A, essential for normal growth and maturation, and vitamin D, which impacts bone and calcium metabolism. In fact, oversupplementation of vitamins can be toxic.

“Feeding a quality dog food is a component of having a quality bird dog,” says Huffman. “My dogs, including pups, eat *Purina Pro Plan SPORT* Performance 30/20 Formula their entire lives because it gives them the high-performance nutrition they need. They have toned, lean muscle mass, solid stool quality, and enough stamina to power through two-hour trials during weeklong competitions.”

Monitoring dogs for ideal body condition, described as having an hourglass shape, also should begin with pups. Dogs should have a body condition score of four or five, defined as ribs palpable without excess fat covering, using the nine-point Purina Body Condition Score System. To learn more, visit purinaveterinarydiets.com/media/1209/body_condition_chart.pdf. ■

Top-Notch Training Tips

Pro trainer Nolan Huffman of Beeline Brittany's in Lewistown, Montana, shares his top training tips to help develop your pup into an enthusiastic, eager-to-please bird dog.

Build Trust “Make sure your dog knows you’re the pack leader. A dog that respects your dominance will trust you, which will help develop his or her natural ability.”

Keep Your Dog Happy “It’s important to keep training fun because a dog that enjoys training is more likely to succeed. A happy dog wants to please you.”

Customize Training “Realize that each dog has a distinct personality and responds differently to training. As a trainer, you have to treat them as individuals. Spending time with a particular dog will help you read and determine what works best for him or her.”

Praise Your Dog “When your dog performs well, reward him or her at the moment of accomplishment. Always praise your dog for a job well done and be sure to end each training session on a positive note.”

Breeder-owner-handler Nolan Huffman works individually with one of his Beeline Brittany's to customize the dog’s training and conditioning regimen.

How it works: for every dollar you spend at DOGS Unlimited, 5% of your purchase* goes back to NSTRA

For example, if you decided to purchase an E-collar, bird bag, check cord and a custom Dura-Lon collar your purchase would be estimated at \$300. Five percent of your \$300 purchase would go back to NSTRA! That is \$15 and every penny counts!

2016 QUAIL INVITATIONAL NSTRA NATIONAL CHAMPIONSHIP

Beautiful Florida weather greeted field trialers from throughout the United States, as they gathered at the Central Florida Field Trial grounds at Lake Wales, Florida for the pretrial and 2016 Quail Invitational National Championship. The pretrial began on February 20 and ran through February 22. Tuesday and Wednesday were practice days with the National Championship starting on February 25 through February 27. Record breaking rain had fallen in January and February creating great cover for the fields, but also problems for campers and trucks on the grounds. However, everyone was finally settled for the week long events. The weather held for the pretrial and one practice day, but on Wednesday torrential rains once again made practice virtually impossible. Thankfully, the rain stopped by late afternoon and at 6:30 the Florida Region once again hosted their welcome party for all in attendance. They advertised shrimp, oysters and hors d'oeuvres, but once again prepared a banquet, each year growing in abundance. And as always, the Sterner and Ashmore families donate the shrimp and oysters. Many thanks to all who were responsible for a great evening. Trophies were presented to those who had won placements in the pretrial. John Rawdin graciously agreed to auction items which had been donated for the Florida Region. John, as always, did a great job in getting top dollar for all items. The region is truly appreciative of his expertise. As the auction wound down, the karaoke and music for the evening began with everyone having a fun time.

Early Thursday morning, Nick Whitston Catering, served breakfast to trial officials and early brace handlers in the clubhouse. The officials had been briefed by Trial Chairman, Marilyn Cunningham, on Wednesday afternoon, thus all was ready for the day to begin after the Flag raising ceremony, the National Anthem and opening prayer. Judging on the A field was Cory and Stan Perdue with Casey Perdue handling birds for A and B alike. The Perdue boys hail from the Georgia Region and all have worked many, many Championship events. Thus, they are not new to the work needing to be done. Sharron Watson, Florida Region, served as field marshal and as always did a fine job. The braces follow with the Top 16 dogs advancing to Friday's running. *** denotes advancement.

B Field judges were Eric Griffiths (MI) and Bodie Ray (GA) with Nancy Ashmore marshalling. Bodie and Nancy had participated in many National events, but this was a first for Eric. However, you would never have known it was his first national as he handled the duties like a truly experienced National judge. Having judged several regional eliminations, Eric was a given for a National Trial.

The draw was held for Friday's braces and posted after the trial. Nick's served a great meal with BBQ Ribs, chicken and all the fixins; immediately following the trial a Calcutta was held. The total amount of the Calcutta was \$1495 with ½ going to the winners and ½ divided between the Florida Region and the Scholarship Fund. It was an early to bed for some and the Liars Lounge for others.

Friday morning brought cool temperatures again with A and B field judges going to the back and C and D judges coming to the front. Marshals and bird handlers also changed fields. We would run 8 braces on each of the 4 fields in the morning eliminating the bottom ½ of the field. Friday afternoon the Top 8 of each field would run 4 braces in each of the 4 fields. Round 2 follows:

As the handlers ventured to the clubhouse, the Saturday drawing was held and posted. Everyone was on their own for dinner and needless to say, Manny's Chophouse and J.B.'s were full of orange hats and shirts. Everyone looks forward to "going out" for dinner while in Florida as there are so many great places. Cherry Pocket is another favorite spot for trialers with oysters as a main attraction. The cool weather continued throughout the weekend with no rain in sight. Starting time for Saturday morning was once again 7:30 a.m.

All braces would be held on A and B field on Saturday morning with Ron and Ron on A field; Shaun and Donny would work B field. Cory and Stan would marshal with Bo handling birds. The braces and Top four from each of Round 4 are as follows:

After a well-deserved rest, both handlers and dogs were summoned to the blind at 3 o'clock. Judges, Shaun and Donny were ready and as Bo deposited birds in the field, marshals Stan and Cory gave the handlers instructions for out of bounds areas, boundaries and openings from one field to the other. A large crowd had gathered in the gallery to watch and wait to see who the next National Champion would be. The brace started in A field but quickly moved to B. After covering the field, both dogs ran back to the adjoining field and as Sam and Cricket passed back to A, it was a given that Cricket had won the field. At 4 o'clock the judges declared that time was up and both handlers made their way back to the group of well-wishers waiting with congratulations, hand-shakes and hugs. The celebration would continue in front of the clubhouse with each of the Top 4 receiving their awards after a gallery shot was taken.

Cricket finished with 6 finds – 84, 81, 83, 82, 82, 84; Retrieves – A81.3, 80, 90, A, A, 79; 54 - Obedience; - 80 Ground Coverage; 70 – back totaling 1187.9 points. Jake scored 82, 86, 84 – finds; A80, 80, 80- retrieves; 65.5 Obedience; 60.5 Ground Coverage; and 58 back totaling 676 points. Two competitive dogs with two competent, aggressive handlers; a super ending to a great week.

It's an honor to be included in the Top 4 of any championship trial, but to best 124 of some of the best dogs in NSTRA is an

even greater accomplishment. The 4 dogs and handlers in our winner's circle of the National Q1 Championship had bested the best and the gallery moved to the clubhouse to help celebrate their wins.

Each handler and dog received the Winner's jacket from Purina and 1ST-450# of ProPlan dog food, 2ND 225#, 3rd & 4th – 112.5# from Purina Rep Ray Cacchio. Garmin presented the winner with the Pro 500 Electric Collar, hats and gift certificates to the 1st through 3rd runner-up; each received a beautiful travel bag from Boyt Harness, shotgun shells from Kent Cartridge, gift certificates from Dogs Unlimited, the coveted Belt Buckle and trophy from NSTRA, gift certificates from Gun Dog Supply, a leather belt buckle holder from the Cunningham Family and Red Haw Supply, Fortiflora and Ink Pens from Bill Kindred, and Dog Mats from Eddie Dunford with Wet Mutt. JB's Restaurant also donated a t-shirt to each of the winners.

A welcomed addition for the winner was the Bronze Quail Statue donated by Jocelyn Russell, Wildlife Bronzes from Friday Harbor, WA. This is a gift to be coveted for many years to come. Sam was also presented with a leather shell belt from Dying Breeds from Evergreen, Colorado. We cannot thank these sponsors enough for making their gifts to the Top 4 an impressive, all rounded group of items. Gifts that all are proud to display, wear or use in working their dogs. Many thanks.

Our 3rd runner-up was Snake's King Cobra, an 8- year old English Pointer Male, owned and handled by Jim Mahoney, OH Region. King scored 86 – find, 84 – retrieve, 65, 84, and 60 totaling 375 points. He is a liver and white, hard running pointer, covering the entire field and not leaving much area uncovered. King was raised by Scott Townsend, Michigan member, and also trained by Scott. Jim purchased King in 2011 and has been included in the Mahoney kennels since that time. His first placement was on 9/18/2010 at the Cedar Creek Field Trial Grounds where he placed 2nd. King's first championship came on 12/11/2011 at the Three Rivers Field Trial. He is now a 3x NSTRA Champion with 85 lifetime points of which 34 are first place points. King's sire was Black Magic Snake (11 x CH) and dam - Gigolo's Southern Susie (2 x CH). King placed 2nd during the 2013 TOC in a qualifying round, 4th during the 2013 Ohio Regional Finals, and 3rd during the Ohio Regional Qualification rounds. To get to this point in the trial, each dog must qualify in 6 rounds. Consistency is the name of the game. King's scores for the 6 rounds follow: 548, 555, 749, 720.5, 481, 375 points. Congratulations to Jim and King and Jim's wife, Pat who is always there cheering for her guys.

In the 2nd runner-up spot was HHK Two Dollar Pistol, Kimber, a liver and white, 2 year-old German Shorthair Female, owned by Jim Harmon, Kentucky Region. Kimber was raised by Jim and Chris Sanders and both had a hand in her training. She's a spitfire on the field, leaving nothing to guess; always working the field with the expertise of an older dog. Chris owned Kimber's dam, BJ's Hardcore Heidi, and her sire was Clown's Last Laugh (3 x CH). Kimber's first placement was on 12/7/2014 at the Tri County Quail Club with a 2nd place win the following February. On 10/3/15 she earned another 2nd place as she did on 10/10/15. This followed with a 2nd place win on 2/6/16 at the Tri-County Quail Club. Kimber's qualifying scores for the week were: 569, 538, 633.5, 634, 628.5, 502 points. At this young age, Kimber will be a force to be reckoned with in Kentucky and throughout the many regions in which Jim participates. We know that Jim was happy to have wife, Carolyn along to celebrate his win and our hats off to a longtime NSTRA member and Kimber for a job well done.

The 1st runner-up is no stranger to the Top Four winner's circle. Tomoka's Smokin Gun "Jake", is an 8 year-old English Setter Male, owned and handled by Greg Wood, Kentucky Region. Jake is from Tomoka's Smokin JR and Barr's Smokin Mackenzie. He has 162 lifetime points of which 104 are first time points. Jake is a 9 time champion. Jake had broken his elbow in December while wild bird hunting in Oklahoma. About 30 minutes out of the truck, he had pointed a covey and fell off a cliff while running to retrieve a downed bird. He was taken to the vet and Greg was told he should do nothing for 8 weeks. The vet even wanted him kept in a dog box for the entire time. Of course the Wood girls had a different idea and brought him in the house to get some tender loving care and the best nursing ever. Jake did not run a trial until the QI, not even participating in the Pretrial. Greg did work him 4 days before the trial and each day until the trial, but nothing strenuous. As Greg said,

he was totally unprepared, but this had happened before. With a broken leg in January of 2015, the leg was set and he was rested until April of the same year. At that time, Greg took Jake, again totally unprepared, to the Trial of Champions, only to win the 2015 TOC. Talk about heart. Jake was purchased as a puppy and at that time, Greg had sold his trial dog and had nothing to run. He was forced to start over with a puppy; when Jake was 3 years old, Jimmy Kirkman became co-owner. He and Greg have co-owned Jake for the last 5 years. Jake's history is impressive as he placed in his first trial at 14 months old. He was the Kentucky Regional Championship in April, 2009 and placed 3rd runner-up during the 2010 Kentucky Championship. In 2012 Jake placed 2nd runner-up during the QI Championship Finals, and 1st runner-up during the 2013 QI finals. Jake also won the 2014 DOY Championship and the 2015 TOC. Jake's scores during the week were 599, 669.5, 674.5, 607, 647, 660, and 676 points. This is truly a dog with loads of drive and a huge, huge heart. Congratulations to the Jimmy and Melissa, and Greg, Morgan, Megan, and Madison for another Championship win with a Champion dog, Jake.

THE WINNER: In George's Honor, Cricket, was the winner of the 2016 QI National Championship. She is owned by Nancy and Sam Ashmore. Cricket is a 5 year-old black and white English Pointer with 83 lifetime time points of which 43 are first place points. She is a 4 time NSTRA Champion. Cricket is from Ace's The Man and George's Elhew Sadie. Sam and Nancy purchased Cricket from Keith Howard. She was trained by Chuck Tash from Alabama. Cricket was named in honor of Keith's father-in-law, George Jones, who ran NSTRA for many years and had many good dogs. When Keith was told about Cricket's win he shed some tears and said he'd visit the cemetery to let George know. George had passed away some years back and was known for his kind words and great dog training. We know that Cricket stays in the house, but doesn't seem to matter once she's turned loose on the field. She's a quick, snappy little girl that goes about her business each time she's put on the ground. Her first placement came on 11/19/11 at a Gold & Grass Trial and continued with placements earning her first championship on 10/5/13. Cricket won 3rd during the 2012 Georgia regional qualification, 2nd during the 2013 Florida regional qualification, 3 at the 2013 DOY qualification, 3rd during the 2014 DOY qualification and in 2015 placed 2nd runner-up during the Anheuser Busch QI Finals. In April 2015, Cricket placed 1st runner-up during the Florida Region Finals and also placed during the 2015 Endurance Pretrial. At a mere 5 years old, and the style and drive of this fine pointer, we look for more Championship wins in the future. Consistency and drive run parallel in the Championship arena and Cricket's scores attest to this fact; 612, 1046, 656.5, 538, 726, 631 and 1187 points. To the Ashmore's, Sam, Nancy, Clayton, Brandy and to Cricket, our heart- felt cheers and congratulations for an excellent week and special win.

Although we had 4 exceptional dogs in the Final 4, we also had exceptional handlers. A big part of the game is being able to handle a dog into a certain area of the field. Also, of the 4

handlers, 2 had ATV's variances which does not happen often. Although it may look like this makes it easier to cover the field, many times it's a hindrance. That said, congratulations to each of these fine gentlemen and superb handlers.

SIDELIGHTS: Many thanks to the CFFT Field Trial Club for being a gracious host and again thanks for the Wednesday evening Welcome Party. Always on hand is Ralph and Betty Harrell helping out where needed along with Bruce VanVliet parking campers and seeing that everyone has hook-ups. This wasn't an easy task with mud and water everywhere, but by Wednesday everyone was settled and ready for the fun to begin. Special thanks to Dale Heaton who trailered 4 ATV's from Texas to Florida for use during the trial, Mike Perry with Garmin who was with us for 2 days answering questions about the Garmin products, Eddie Dunford with Wet Mutt and Ray Cacchio, our Purina Representative. Thanks to George Sterner for serving as Co-Chairman and to all of those who donated ATV's for the event.

The Thursday evening BBQ Ribs and Chicken was a special treat served by Nick's Catering and a Calcutta auctioned by John Rawdin was well received. Thanks John for a job well done. Kevin and Jackie Schlarbaum, Mid-West Region brought a beautiful Pheasant Painting Portrait and penciled drawing for the Florida Region auction donated by Barbara Floyd Campbell, barbcampers5@aol.com

Edie Stotts also donated pies for the Wednesday evening party. The Stotts were presented an award for traveling the farthest, coming from Washington and a distance of over 3,000

miles. They were accompanied by their son, Michael.

As mentioned, our sponsors are the backbone of our association and this trial was no exception. Each of the 6 finishers received the 38# bag of Pro Plan while each dog running received 2# bags from Purina along with the summer hat from NSTRA. Speaking with Tony Caliguiri from Boyt Harness and Alan Davidson with Dogs Unlimited prior to the trial, each graciously agreed to send products for the Top 4, no questions asked. As did Dion Bliss with Red Haw Supply. Also, is Garmin, Wildlife Bronzes, Dying Breeds, Kent Cartridge, Gun Dog Supply, Wet Mutt and Big Billy Kinder Outdoor Sports.

On a sadder note, Jack Booream was surely missed, having passed away in early January. However, his beloved Brittany, Sheba, ran and was handled by James Carver. Jack's wife Nancy, was on hand to watch as was their son John. Jack was a great man, a true competitor and will be truly missed.

Many people mentioned that the officials at this trial did an exceptional job. So once again, thanks to our judges, Cory and Stan Perdue, Ron Huels, Ron Becker, Donny Parker, Bodie Ray, Shaun Rydl, and Eric Griffiths. To the marshals Nancy Ashmore, Sharron Watson, Steve and Dorothy Jaspering and bird handlers Bo Marcum and Casey Perdue; you all went above and beyond and our thanks to each and every one of you. These people make a trial chairman's job such a pleasure. Thanks to Shelby for helping with scores and running cards. You did great.

And so, until the TOC in April, happy Spring trialing and hopefully everyone will do well at the Regional Eliminations.

REGIONAL TRIALING

ALABAMA

Palm Glades Shooting Star
Owner Harold Hufstetler
Handler Janice Hufstetler
2nd Place - January 16, 2016 - Tuskegee, Alabama
East Alabama Bird Hunters Association
NSTRA Amateur Trial.

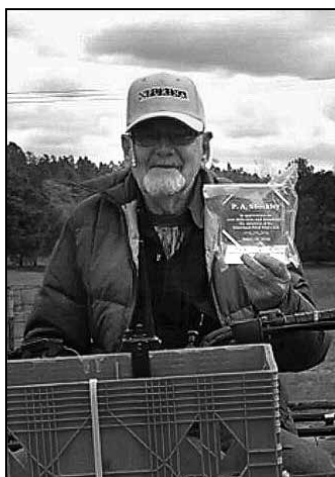

ARKANSAS-LOUISIANA

Sue, owned and handled by Jimmy Potter, placed second in B field on Sunday at the Razorback New Years trial.

How many times in NSTRA do you see a father - son place first and second on the same day? It happened at the Razorback New Years trial. Max Aston on left and Heath Blankenship on right.

P.A. Shockley has been active in NSTRA since it's inception in Arkansas. He judged his first trial in 1985. Throughout the years he has judged 149 trials, 8 Region Eliminations, and 1 National. In addition to the countless trials he has also ran as a participant. He is a founding member of the Razorback Field Trial Club located in Monticello, Arkansas.

Over the years P.A. can count all of the trialers he has encountered as friends. P.A. has never been known to say anything negative about a dog or a trialer, he is a friend to all and an asset to NSTRA. On March 19, 2016 he retired from judging and trialing, and was presented with an award from the Razorback Club in appreciation of his hard work and dedication to the sport.

Dear BOOMER

FROM BOOMER: The Shock Collar Game

Sell chances to play the Shock Collar Game.
\$20 a chance to enter.

Fifty-four people can enter.
(however many there are in a deck of cards).

The prize is worth \$500. Could be a Cabela's Card,
nice shotgun, or cash.

When all fifty tickets are sold,
all fifty persons come to the front.

Less people enter if someone buys
multiple chances.

You can buy as many chances as you like to get in.

When the collar beeps once,
you must pass it on.

If the collar beeps three times,
you are out and must sit down.

If you bought multiple chances you can stay in
until all your chances are gone.

Last one standing is the winner.

NSTRA Youth Scholarship Fund

A. NATURE OF AWARD: National Shoot to Retrieve is offering an one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

B. CRITERIA FOR SELECTION:

- 1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information MUST be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic

achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

C. STIPULATIONS: The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

D. PRESENTATION OF AWARD: The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.
