# News From the Officers

Here's hoping you have all survived not only the holidays but the cool/cold/freezing temperatures that most of us are experiencing lately. Spring has to be just around the corner!

### National Trial Bid:

It is time to submit bids for the UKC Performance Trial. This trial is held starting the Wednesday after Memorial Day and runs through Saturday. Please contact the office for the requirements and application to submit a bid. Bids should be received in the office no later than Monday, April 20.

### Online Draw Program:

We have increased the speed at which trials draw. Most trials will complete a draw cycle within one to one and a half hours. If your trial does not draw the first time, try again. If you are still unsuccessful after 3 tries, contact the office. They will assist you.

The first stage of the online reporting is finished. You can submit your trial scores online. We are finishing up the report form and the ability to substitute dogs. If you have a dog substitution, email the office with the information and they will get it changed for you.

### Trial Reports:

We cannot emphasize the need for trial chairmen to get their trial reports to the office in a timely manner. 10 days is the maximum! Delays in trial reporting causes delay on down the system including championship reporting and magazine completion.

### Voting:

This year we will be voting for the positions of President, 1st Vice-President and Treasurer. If you are interested in running for one of these offices or know someone who is, please contact a member of the nominating committee. Information regarding the nominating committee members will be posted on our website by February 15.

### Sponsors:

Adam and his sponsorship committee were able to work with Wetmutt and secure their sponsorship for NSTRA and as a sponsor of our coveted Dog of the Year trial. This same group has now secured Anheuser-Busch as a NSTRA sponsor and accordingly they will be sponsoring the upcoming Quail Invitational in Florida!! This is an incredible feat for our organization!! However, it is now falls on each one of us to fully support ALL of our sponsors, so they can realize just how valuable they truly are to our sport!!

### Emails:

The national office is communicating with its members in mass email blasts. This allows us to better inform as things occur, rather than wait until the national officers have a meeting or for information to trickle thru the rumor hotline. There are still quite a few members who have not given us an email address yet. There is no need to fear, our system is secure and not available to the public. Please get your email addresses submitted to the office, so we can keep you in the information loop.

Regional elimination trial are coming up very soon! Good luck to you all and have a great spring trialing season.

As we were going to press, we received the sad news that Arnie Sullivan, the Northwest Region President had passed away suddenly of a heart attack. He was a great region leader and a good friend to all. We will sorely miss him. Our condolences go out to his wife Joni and family.

Sincerely,

CC

## In Memory of William John Spaar *December 15, 1935 - October 20, 2014*

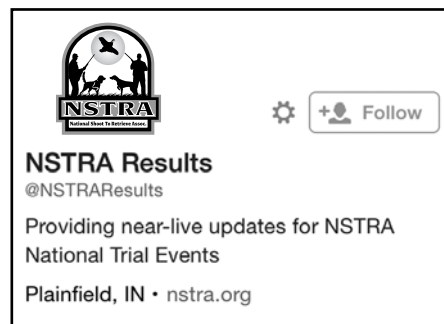

Just before the Dog  
of the Year trial, the  
Gulf Coast Texas  
Region, and NSTRA  
as a whole, lost a  
beloved member. Bill  
Spaar joined NSTRA  
in 1998, and was a  
constant source of help  
to anyone who needed  
him. In 2012, Bill  
took the GCT Regional  
Championship with his  
3xCH English Pointer,  
Grappe's Ralph.

An avid hunter and  
dead shot, Bill raised pointers and competed in the National Bird  
Dog Championships all over the country. In 1998 he won the San  
Antonio National Pheasant Championship with his dog Hawk. In 2000 he  
won the Open Shooting Dog National Hunting Dog Association National  
Championship with his dog Babe. He was a regular guide at the Big  
Country Celebrity Quail Hunt in Abilene, TX.

A person that defined integrity, a loyal friend, a true man of action, Bill  
influenced many lives and will be sorely missed.

# THE KNOW!

News that we feel is  
important to everyone.

## The following are questions asked of the rules' committee and their responses:

Q. Is a person allowed to carry a concealed weapon in the field in addition to their shotgun? If not, are there any extenuating circumstances where this would be allowed?

A. It is not in the rule book they can't but it also doesn't say you can't bring a Barbeque pit out in the field. "Why would you?" There is never a need for a hand gun to be in the field. No need for concealed carry. If you see a snake you have a shotgun. No legitimate reason that the shotgun could not suffice. The field marshal should handle this.

And another question:

Q. If a trial starts and the bird planter is not there and a substitute bird planter is used, does the trial have to continue with the sub or can the original bird planter take over when they get there?

A. We have seen trials start with a "substitute" and finish with the other. There is NO INTENT to cheat or deceive anyone. Ideally, there should only be one bird planter but that can't always be the case. An individual participating in the trial cannot be the sub and later run their dog on the same field. Again, the field marshal should handle this.

## RULE CHANGES:

The results of the rule changes that were published in December 2014/January 2015 magazine were as follows:

\*\*\*National Trials: 111- Yes 65- No

4.01 Safety: 125-Yes 48-No

8.05 Minimum Age: 93-Yes 81-No

We received a total of 190 ballots. All ballots were verified for current voting membership. Of those received, 10 were associate members who are not eligible to vote, 1 was an expired member, 2 had no signature and 1 had an unreadable signature and no member number to verify. That left a total of 176 ballots. Not all ballots had votes for all 3 items so that is why Safety and Minimum Age don't have a count total of 176.

Per the constitution a proposed amendment shall pass if approved by two-thirds (2/3) majority vote of the ballots cast and counted. For the national trials amendment to pass, we would have had to have received 117 yes votes of the 176 received. The amendment does not pass.

Both of the rule changes passed by a simple majority vote so please change your rule books as follows:

## Section 4 SAFETY (page 22)

4.01 All participants shall wear a hat or vest of blaze orange or safety green, where allowable by law, while in the field. This includes judges.

## Section 8 - Rules for Recognized Field Trials (page 27)

8.05 The minimum age to be in the field shall be ten years of age, and to gun for self must be 16 years of age and hold a current Hunter's Safety Course Card. The minimum age to plant birds must be 16 years of age. The minimum age to be a field marshal shall be 18 years of age.

## New Placements:

There seems to be some confusion regarding the new requirement requesting dog's registration papers. A copy of the dog's registration papers needs to be submitted only upon their first time placement. This allows the office to get the correct information into the database. This can be faxed, emailed, or mailed to the office by the owner, handler or trial chairman. We will send a letter requesting this to any first time placement if we don't receive it with the trial report. Pedigrees are not allowable as they don't have the owner's information on them. If a dog isn't in the system when you start your online draw process, then in all probability, we don't have the information or it is very recent.

This is where serious trainers  
come to escape frills.

The Garmin® PRO Series with proven Tri-Tronics® technology offers the same feel and ease-of-use that professional and serious trainers rely on, but with a little more versatility. The PRO 550 now allows easy access to 21 levels of momentary and continuous stimulation, tone and vibration, and the ability to quickly switch between 3 dogs\* from up to a mile away. We even added a little more affordability, which is neither a bell nor a whistle. Tried and true just got trieder and truer.

# Maximizing Performance with Periodization

**D**uring training, it takes four to eight weeks for a dog to adapt to a work stimulus. In order to continue making progress, trainers must introduce a new stimulus every four to eight weeks so a sporting dog's performance doesn't plateau. Your goal as a trainer should be to continue an upward cycle.

Periodization training in elite human athletes sparked the idea of applying periodization principles to sprint sled dog racers. As with humans, periodization had phenomenal

success in canine athletes, boosting their performance and keeping the intense racers free of injuries throughout training and competition. A potential game-changer, periodization also can be used to train hardworking sporting dogs.

"Periodization is a concept we developed over the past 12 years that focuses on performance goals and how to optimize and restructure muscle systems using nutrition and conditioning periodization," explains Purina Senior Research Nutritionist Arleigh Reynolds, DVM, PhD, DACVN. "You manipu-

late training variables to maximize capacity and performance. During the season and before an event, you do things differently.”

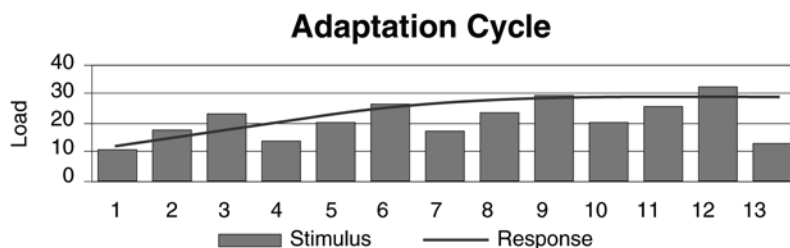

Reynolds was one of four experts who presented talks on ways to enhance canine performance at the 2014 Purina Sporting Dog Summit held last July. The two-and-a-half day program, titled “Achieving a Performance Edge,” was held at the Purina Event Center in Gray Summit, Missouri. Some of the country’s top dog handlers and trainers, as well as sporting dog journalists, attended the Summit.

Reynolds’ concept of periodization is based on the following conditioning principles:

- **Set goals** — A trainer must have an end goal in mind. Decide which events you want your canine athletes to win each season.
- **Incorporate available training options** — It’s important to be able to adjust to weather conditions, varying terrain and other environmental elements.
- **Evaluation** — As a trainer, it’s crucial to be objective. Evaluate your training program after every season to determine what worked and what didn’t. Adjust accordingly.
- **Adaptation cycle** — To avoid overtraining, maximize rest. This is how you can help your sporting dogs get in better shape.

Based in Salcha, Alaska, Reynolds, a board-certified veterinary nutritionist and avid sprint dog competitor, evaluates the impact of nutrition on the performance of sled dogs, tremendous athletes that provide a good model for sporting dogs.

Prior to using periodized conditioning, Reynolds realized his sled dogs failed to develop the aerobic base they needed for sprint racing competition. Gradually, as he introduced periodization, adding diverse and varied training stimuli, Reynolds began to notice performance changes in his dogs.

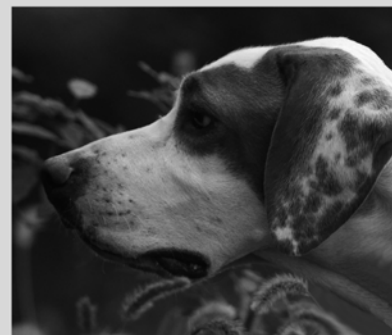

Developing a sporting dog’s muscle system involves starting easy and gradually increasing the workload. It takes four to eight weeks for a dog’s body to adapt to a stimulus that creates an overload. Once the body adjusts and becomes stronger, it is time to change the stimulus again.

“You have to look at what a dog is capable of and then slowly increase or alter the conditioning stimulus over time, giving adequate periods of rest for recovery between sessions,” he says. “This builds muscle and red blood cells, and ultimately increases cardiac output.”

Developing muscle systems that provide optimal strength, speed and endurance involves starting easy and gradually increasing the workload. It takes four to eight weeks for a dog’s body to adapt to a stimulus that creates an overload. Once the body adjusts and becomes stronger, supercompensating for the overload, it is time to change the stimulus again.

“As with Olympic athletes, you don’t want to push it to the limit every time they go out,” Reynolds says. “The idea is to focus on different things and build on them.” ■

## Using Periodization to Peak for Performance

An avid sprint racing sled dog competitor, Purina Senior Research Nutritionist Arleigh Reynolds uses the concept of periodization to train his dogs. This method of training, which emphasizes large-volume training combined with short-distance, low intensity exercises, helps canine athletes perform better.

In developing a training timeline, first determine when you want your dogs to peak in performance. Then, count backward to determine the timing for different stages of the conditioning program, adjusting as needed for an individual dog, the dogs’ response to training, and environmental conditions. By using the following periods in your training program, you can boost performance in your sporting dogs.

- **Foundation** — 16 to 20 weeks building an aerobic foundation to support the training platform. Large-volume/low-intensity work, such as long-slow-distance

(LSD) training, with small amounts of high-intensity work after four to eight weeks for fun.

- **Preparation** — 12 to 16 weeks devoted to moderate-volume/higher-intensity work, such as short-intense sprint races. Most sessions are at or just below the anaerobic threshold. Refresh with LSD training every 10 to 14 days to maintain an aerobic base. This is the most difficult period to stay focused.
- **Specialization** — Four to seven weeks of high-speed, intense racing competition. Sharp decrease in volume of work during recovery, focusing on short-pace runs and lots of rest. Reynolds advises to think of this period as peeling off the layers of a tremendous athlete using short-intense exercise paired with ample rest.
- **Recovery** — Four to eight weeks of nonspecific activities that dogs enjoy, such as free play, walks and hikes. Mental and physical recovery is the goal.

# IMPORTANT THINGS TO REMEMBER!

## **ENDURANCE CLASSIC:**

Entry into this trial will be based on all open points earned from June 1 through May 31. Points earned from placements in the final "Top 4" of National Championship trial or Regional Championship trial do not count; however, points from qualifying rounds do count.; however, points from qualifying rounds do count.

## **TOP PERFORMANCE:**

Dogs must have at least 20 open points from June 1 through May 31 of the applicable year to be eligible. Points will be from weekend trials only. From there, the award will be based on national trials and regional eliminations. The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1st in order to keep the number of nationals the same each year. The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. For national trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1st – 800, 2nd - 775, 3rd – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1st – 600, 2nd – 575, 3rd – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for the third

and 25 for fourth. The placement for the regional eliminations and national trials is determined by the score of the last round in which the dog ran.

## **HALL OF FAME NOMINATIONS:**

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

## **TRIAL SCHEDULES:**

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

## **SCHEDULING FEES:**

Trial scheduling fees are due in the NSTRA office 4 weeks prior to your trial date.

## **TRIAL REPORTS:**

Trial reports are due in the NSTRA office 10 days after the trial date.

## **QUAIL INVITATIONAL:**

This trial is always held the last week in February that includes a Saturday. The qualification period for this trial is Nov. 1 through Oct. 31. This includes all points earned during the time frame, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count). Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO

INVITATIONS WILL BE SENT. Any dog with a placement during specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

## **TRIAL OF CHAMPIONS:**

The criteria for entry into this trial is that the dog has earned an open championship and is at least a 1X open champion by February 1 of the current year OR the dog can be a paid standby for this trial by achieving their open championship between February 2 and March 31 of the current year. All entries for this trial must be postmarked by March 10. No invitations will be sent.

## **UKC PERFORMANCE CLASSIC:**

The qualification for this trial is points earned from April 1 to March 31. Weekend trials only. No points from qualification or final rounds of national championship or regional championship trials will be counted.

## **DOG OF THE YEAR:**

This trial will begin on Wednesday of the last full week of October. This trial is based on region elimination placement and/or high point status. All entries must be postmarked 45 days prior to the first day of the Dog of the Year trial. (NO INVITATIONS WILL BE SENT.)

## **CHANGE OF HOME REGION:**

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1st and January 1st. \*Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at anytime to request a change in their Home Region.

*continued on next page*

## **ASSOCIATE MEMBERSHIPS:**

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members EXCEPT they are unable to vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

## **RULE CHANGES:**

Proposed new rule changes or additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

## **CONSTITUTION/BY-LAW CHANGES:**

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions or the Dog of the Year trial.

## **REGION HIGH POINT:**

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

## **OWNERSHIP CHANGE:**

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

## **FIRST TIME PLACEMENTS:**

The National Office now requires a copy of the dog's registration certificate for first time placements. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (nstrfta@ameritech.net) or a photocopy by regular mail.

## **NSTRA Distinguished Members:**

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations are to be submitted by August 31. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included if available. Contact the NSTRA office for a list of criteria.

**The individual must meet a minimum of 5 of these criteria and number 7 must be one of them.**

1. Involved in the early stages of development of NSTRA (prior to 1985) and remained involved throughout. Must have been a member in good standing for at least 25 years.
2. Must have the acknowledgement and respect of fellow members as a person who has offered policy recommendations to the national officers and to the board of directors during his/her involvement in NSTRA, and who is clearly recognized as a founding member or an early years leader.
3. During his/her time in the organization the individual must have been a national officer, a region president or a regional board member.
4. Must have served as a judge in local, regional or national trials or have been involved in policy recommendations regarding rules and by-laws, or in judging seminars or other educational events related to the improvement of NSTRA.
5. Must have been instrumental in establishing relationships with sponsors that have helped NSTRA to reach its current status among dog field trial organizations.
6. Must have served as a mentor or role model to new members.
7. Must be of sound moral character and never have been the subject of any disciplinary action by any NSTRA board or committee.
8. Remains committed to the goals, objectives and ideals of NSTRA and continues to be willing to offer advice to the national officers when asked to do so.

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. We are deeply thankful for their dedication to the sport of field trialing.

This award will be presented annually at the Dog of the Year banquet. The first year 11 individuals were inducted. Thereafter up to 2 individuals per year will be selected. The selection panel will be made up of 3 current NSTRA members (not to include National Elected Officers) selected by the National President.

**Nominations are to be submitted by August 31.** A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included if available.

The committee will review all nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected.

The committee will make their decision by September 30. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

Take the field in style!

Millstone STR Washington, GA October 4-5, 2014

It was a fine time to meet at the Thornton's home for another Millstone Shoot to Retrieve trail. The weather cooperated and the cover was perfect on the three fields. Those that run these fields routinely really like the fields. They are as different as night and day. "A" field is 100 to 300 yards wide and a half mile long. It is because of this famous field that some trialers teach their dogs to turn and come around after a hundred yards or so. The dogs that head to the back will invariably find a bird five feet from the back line while his handler takes 10 minutes to walk back to him, giving the opposing dog that much time to pick up a few birds. B Field is a long rectangle

with arms that go off in to the woods...OH, and a large out of bounds area right off the start line. C Field is closest to what we know as a standard field but is very rough.

The weather cooperated and we had some great action with dogs from South Carolina and Florida, as well as Georgia. Normally, the grass on the long "A" field is short, but this day it was knee high fescue. The smaller dogs would occasionally disappear, but the judges did a fine job of keeping all the dogs in sight. Jimmy Johnson and Bodie Ray judged off horseback on B Field and it was nice to not hear an ATV pattering along all day long.

Ricky Gunnyon did an incredible job, again, coordinating all the fields and dogs and strange requests we always manage to make.

### Millstone STR Washington, GA October 4-5, 2014

This trial really should be called the Ricky Gunnyon Trial! Three-field trials are not that common and the administrative tasks involved are incredible. Thank you, Ricky for making it happen. Thanks to the Thornton Family for letting us invade year after year! And a special thanks to Purina, Owens and Garmin for their sponsorship!

### Donald Roberts Double Trial November 1-2, 2014 Pendergrass, GA

Fall arrived with a vengeance on Saturday! A huge cold front hit the East Coast that day and snow came down as far as Augusta. We managed to avoid the white stuff, but the temp dropped and the winds stayed at 20+ mph with gusts to 30+mph all day.

Donald has one field that requires a handler to make a decision immediately off the line- go left or right. Actually, the dogs usually make the decision, but it's tough to rack up finds on this field. The other field was HUGE! Donald alternated mowed strips and grass throughout and the hilly field held birds right up to the end. We saw some standout action from Jeff Keck and Trim and also Ken Buck and Chance. Jeff, fresh off a third place finish at the Dog of the Year Trial in Amo, IN, didn't let up on us at all. Trim just put a whuppin' on us and is the dog to watch for High Point down here.

Sunday dawned cold and still and was a perfect trial day. The handlers still had to contend the huge A Field and the Y-shaped B Field, but the skies were clear and sunny. Donald Roberts' clubhouse was comfortable, warm and a perfect place to hold a field trial. Jared Roberts is arguable the best bird planter in NSTRA and he had some fun both days. We never had any idea where the birds were. Sometimes we found them in the mowed part of A field. Once, a handler just did not believe his dog was pointing a bird- it was right out in a bare area! But, sure enough, a quail jumped out from under a few pieces of straw and took off, while the handler struggled to get his gun up and drop it for the dog!

We had a great time and Donald and his family showed us some great southern hospitality and even allowed us to play with his grand-baby!

A special thanks to Donald Roberts and his family, Purina, Owens and Garmin for their sponsorship, and all the judges and officials that made this great trial possible.

# 2014 Dog of the Year

As unpredictable as the Indiana fall weather is, this year's Dog of the Year championship trial was held with some of the most beautiful weather we've had. The dogs participating have placed in their Regional Eliminations held each spring, or were the High Point dog for their region. This year we have 26 regions represented, including a visit from our friends in Central Canada, and a total of 192 dogs. The Conservation Bird Dog Club held the pre-trial on Monday and Tuesday, rotating between the three fields allowing for the additional field as practice. On Wednesday morning John Davis, our trial chairman from the Kentucky region, met with the trial officials to explain the boundaries and the safety zones. Officials for this week were; Ashley McCandless - Kentucky, John Holder - Wisconsin, Donnie Parker - Arkansas/Louisiana, Bodie Ray - Georgia, Stan Purdue - Georgia, and Cory Purdue - Georgia. The field marshals for this event were Ron Huels - Illinois, Nancy Ashmore - Florida region, and JW Collins - Kentucky. Bird handlers are Ron Becker - Illinois region and Casey Purdue - Georgia. Because it's October in Indiana, we did not get the trial started until around 7:45 am. After John Davis gave the invocation, and the national anthem was played, 2014 Dog of the Year got started.

We would like to give our sincere thanks to Stacy Holder (Wisconsin) for coordinating the trial; Sharron Watson (Florida) for her volunteer support; and Vicki Rossman (Wisconsin) for announcing the braces. You did a great job ladies!

Judging A-field on Wednesday are John Holder and Ashley McCandless with JW Collins marshaling.

At the conclusion of Wednesday's braces, everyone headed to the clubhouse for a Low Country Boil provided by Sharon Van Arsdale and the Conservation Bird Dog Club. Our southern members were excited to have a little taste of home for dinner, and the northerners got to try something new! Once dinner was over, the Board of Directors retired to the backroom to hold their bi-annual meeting.

Thursday morning brought us another nice day, although the temperature dropped a few degrees. Ron Becker and Casey Perdue quickly got the first birds planted, and we were on our way to another great day of trialing. At the end of Thursday's braces, the top 16 dogs from each field Wednesday and Thursday would be moving on to Round 2.

Judging A-field on Thursday are Stan Perdue and Cory Perdue with Ron Huels marshaling.

# 2014 Hall of Fame Inductees

The NSTRA Hall of Fame award was conceived to acknowledge those dogs that performed exceptionally well in NSTRA competitions and are representative of the high caliber of hunting dogs that NSTRA promotes. In 2013, the criteria was amended. To qualify for the Hall of Fame a dog must accumulate 13 points through any combination of the following:

National Trial Win - 8 points  
National Final Four (2-4) - 5 points  
Top Performance Win - 6 points  
Regional Championship - 2 points  
Each 5 NSTRA Championships - 1 point

*Beeline Bullet's Proof*

Beeline Bullet's Proof (Bull) owned by Nolan Huffman of the South Carolina Region. A Brittany Male out of Nolan's Last Bullet (NSTRA HOF) and Sage Baez Patron whelped on May 28, 2002. He had accumulated 187 points, 131 of which were first place points, to earn 10 NSTRA championships. His HOF point accumulation was as follows:

2006 - Grand National Winner	8 points
2007 - Quail Forever - 1st Runner-Up	5 points
2007 - Quail Invitational - 1st Runner-Up	5 points
2007 - Trial of Champions - 3rd Runner-Up	5 points
2008 - South Carolina Regional Winner	2 points
2008 - Endurance Final - 3rd Runner-Up	5 points
2011 - South Carolina Regional Winner	2 points
2011 - Performance Classic - 2nd Runner-Up	5 points
10 X NSTRA Champion	2 points
<b>Total</b>	<b>39 points</b>

One of NSTRA's main objectives is to promote pure bred dogs with controlled breeding to improve the hunting dog breeds. No better example of this is with 2 of the dogs that received the Hall of Fame induction this year. Both Bull and Brave were sired by 32x NSTRA Champion Nolan's Last Bullet. In addition to the list of accomplishments above, Bull was proving his worth in an accelerated way; 3 placements in National Trials in a 3 month period; 4 NSTRA championships in one year. In addition, Bull has sired several NSTRA champion dogs such as 8x CH Bull's Copper Tip, 3x Champion Vande Hei's Ritz's Bouncin Back and 2xCH Clark's Copper Bullet. No one can ask more of their dog than to not only prove his worth as a competitor, but to also have the genetics and ability to pass that worth down through several generations.

*Beeline Bullet's Bravado*

Beeline Bullet's Bravado (Brave) owned by Nolan Huffman of the South Carolina Region. A Brittany Male out of Nolan's Last Bullet (NSTRA HOF) and Keith's Renegade Ginger Whelped on March 20, 1999. He had accumulated 271 points, 157 of which were first place points, to earn 15 NSTRA championships. His HOF point accumulation was as follows:

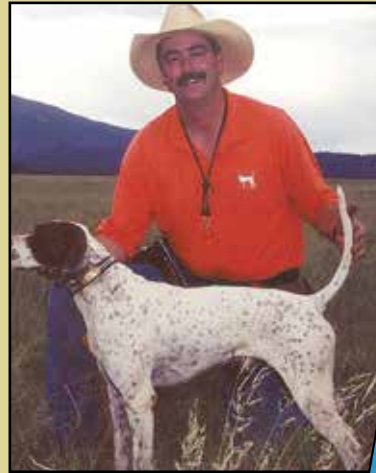

2001 - Dog of the Year - 1st Runner-Up	5 points
2002 - Grand National - Winner	8 points
2003 - Dog of the Year - Winner	8 points
2005 - South Carolina Regional Elimination Winner	2 points
2006 - South Carolina Regional Elimination Winner	2 points
15 X NSTR Champion	3 points
<b>Total</b>	<b>28 points</b>

Proving that owning a champion caliber dog is no fluke, Brave continued on in his sire's footsteps. In fact, he gave Nolan his very first and only Dog of the Year win in 2003! His first championship was earned a mere 4 months from his starting trial. The next 4 championships came in 2001, with 2 more in 2002, and 3 in 2003. That's some pretty intense trialing for a young dog, confirming again that good breeding plays an important part of NSTRA trial wins and championships. Several of Brave's offspring have gone on to earn NSTRA championships. Generation after generation, these NSTRA Brittany's demonstrate their worth and justify the objectives of NSTRA's founders.

# 2014 Hall of Fame Inductees

*Grappe's Ramblin Rip*

*Grappes Ramblin Rip with Ray and on the cover of the 2002 NSTRA Cover.*

Grappe's Ramblin Rip (Rip) owned by Mary Lu Grappe of the West Texas Region. An English Pointer, Male sired by Crow's Little Joe (NSTRA HOF) and his dam was Grappe's Sunrise Sue. He was whelped on August 8, 1995 and died on February 8, 2011. He had accumulated 182 points, 118 of which were first place points, to earn 10 NSTRA championships. His HOF point accumulation was as follows:

1998 - West Texas Regional Elimination Winner	2 points
1999 - Quail Invitational Finals - 2nd Runner-Up	5 points
2001 - Endurance Final - Winner	8 points
2002 - Endurance Final - Winner	8 points
2003 - West Texas Regional Elimination Winner	2 points
10 X NSTRA Champion	2 points
<b>Total</b>	<b>27 points</b>

Grappe's Ramblin Rip, son of Crow's Little Joe and Grappe's Sunrise Sue. Everyone should know Joe, but my Sue dog was out of Ozark Rebel Rex and Queen's Dixie Roll; two very good bird dogs that had a total of 15 NSTRA championships between them. Great dogs can come from the pound, but proven champions really increase your odds. Because of the dedication and determination of the owners of these dogs, I was blessed to have Rip's litter, born August 8, 1995. From a very early age it was evident that he had something above all the dogs I had ever worked with. Because of the people in the West Texas region, I was able to run this dog all those many weekends. I made friends that are, and who always will be, my friends. Yes, Rip was a great dog but it is the people who put on those trials that made this possible. Not only those in my region, but National trials as well. We made friends all over the nation, like the Pyrah's in Montana, Mike Ouchida and Davey Caven. So many memories and so much fun.

I have to thank two people in particular because without these men, Rip would not have gone as far as he did. Paul Horne and Wes Barr ran Rip when it was not possible for me to be there. It is friends like these that I will never be able to repay.

Yes, Rip was a great NSTRA dog but I believe he was a much better wild bird dog than trial dog. Being in West Texas, he was blessed to see hundreds of coveys of wild birds. He lived to be an old man of 15 years. He was smart and athletic with a tremendous nose, but his best trait was his heart. He had no quit in him. That is why he excelled at the endurance classics. I loved running him. I loved NSTRA. I just needed to stop running him and raise my three sons. I know I shorted Rip on his trialing but I hope I did not short my sons in their growing up.

I would fall very short of my thanks if I did not thank and realize from where all these blessings came from, my Lord and Savior, Jesus Christ.

Sincerely, Ray Grappe <><

Thursday night is always an exciting time at Dog of the Year. Participants get to feast on Jug's Catering, and their amazing fried chicken, catfish, mashed potatoes, corn, pasta salad and famous biscuits and apple butter. This night also brings us the annual awards ceremony and scholarship auction. This year we were blessed to have so many buyers and donations at the auction that we were able to raise over \$8,000 for the NSTRA scholarship. On top of this, we received a generous match donation of \$5,000 from Alan and Cheryl Higham, and their organization Weathered Stone Sporting Dogs. National president Chad Collison presented Sam Ashmore, FL, with the Winner's portrait and ring for taking last year's Dog of the Year with Moniteaus Ozark Rebel. We also presented the 2014 Top Performance awards to Adam Fellers, Brandon Ralston, Shaun Rydl, and Cheryl Higham. Congratulations to all of you for your hard work and dedication!

Friday morning brings the hardest, and some could say most stressful, portion of the Dog of the Year trial. At the end of the day's events, only the top 8 dogs will advance to Saturday leaving 72 handlers to begin improving for the next year. This year's weather brought us a few rain showers early in the morning, but left us with a rainbow over the grounds to bless the participants and add a little more hope for a great day of trialing.

Judging A-field on Friday are Donnie Parker and Bodie Ray with Nancy Ashmore marshaling.

In the past, Friday night has always been a night where everyone just did their own thing. This year John Davis and Eddie Dunford, from WetMutt, LLC, decided to treat the officials and participants for Saturday to a nice dinner at the clubhouse. Once again, Jug's Catering did an amazing job by serving steak, potatoes, salad and dessert. The owners and handlers that advance to Saturday's round have worked so hard, and overcome so many odds, that it was nice to be able to show them just how much the organization and our sponsors appreciate their hard work and dedication.

Saturday brought us another beautiful morning for trialing. Everyone is nervous and full of anticipation to get the final day started. This year's trial was definitely one of the best, and we couldn't have done it without the help of the officials, volunteers, and CBDC. Once everyone was in place, and birds were planted, we were off and going for the final braces of the day.

Judging A-field on Saturday are John Holder and Ashley McCandless with JW Collins marshaling.

The final hour came down to two dogs and two handlers that are no strangers to the competition. After a short rest while club members opened the fence between A-field and B-field, Greg Wood and Jake met Scott Townsend and Chip in the blind. John Holder and Ashley McCandless were on hand to judge this final competition, and JW Collins was there to marshal. After a hard competition, congratulations were in order for Greg and Jake as they walked off the field as the champions of the 2014 Dog of the Year trial.

Fifth runner-up was Kickapoo Jack's Ranger, owned and handled by Roger Parient, Jr out of Lizton, Indiana. Ranger is a 2xCH English Setter, and Roger's shadow. Ranger follows Roger everywhere he goes, whether he's riding on the ATV at his preserve in Attica, IN or on the jet ski at the lake. Roger says that Ranger is a chip off the block of his old man, 5xCH Kickapoo's Jackpot. No stranger to the competition, Ranger was a finalist in the 2013 Indiana Regional Elimination and the 2014 Quail Invitational. For the placement, Roger received a 34" Kennel Mat, an Orange Hat, and a T-shirt - all from our sponsor WetMutt, LLC.

Fourth runner-up went to Reynolds Doc Holliday, owned and handled by Tim Reynolds of Alhambra, Illinois. Doc is a 4xCH German Shorthair, very intelligent, and easy to train. He is not just a field trial dog; he represents the true meaning of a versatile hunting dog. He is part of the family and is happy whether he is laying by you watching a movie, hunting, swimming or playing fetch. No toys around....No problem... before you know it, he will have brought you the nearest empty can, stick or even a rock and will taunt you until you throw it for him. This was Tim's first time making it to the Top 6 of a National trial, and he took home a 34" Kennel Mat, an Orange Hat, and a T-shirt from WetMutt, LLC.

Third runner-up is no stranger to the final rounds of a National trial. TJ's Micro-Tequila Watson, owned by Sharron Watson and handled by Sam Ashmore of the Florida Region. Watson is a 2xCH Brittany, and the 2014 Trial of Champions winner. Everyone in NSTRA knows that no matter what his registration papers say, Watson is truly Clayton Ashmore's dog. No matter how disappointed Clayton was when Miss Sharron told him they were getting a Brittany, and not a Pointer, these two are now inseparable. Known affectionately by Team Florida as "the punk", Watson has now assumed a spot in the front seat of Clayton's truck. Sam did a wonderful job of handling Watson this week, as Clayton could not make it to Indiana because of his college schedule, and as much as Clayton hates to see anyone else handle his "little punk" dog he made sure to check in every chance he could to see how they were doing. From WetMutt, Sam received a jacket, a 34" Kennel Mat, an Orange Hat, Tumblers, and a T-shirt. They also receive 112.5 pounds of dog food and a jacket from Purina, gift certificates from Garmin, Foster & Smith, Dogs Unlimited, and Gun Dog Supply. NSTRA provides a belt buckle from Montana Silversmith and a trophy.

Second runner-up is a new dog to the game, Quail Valley Britt owned and handled by Jeff Keck of Jackson, Georgia. Britt is a 3 year old English Setter who is loved by all, but no more than by Jeff's dad, James Keck. Jeff has been working hard over the last year to get Britt her first NSTRA champion, and is well on the way with 13 total Open points, 10 of which are firsts. Just after the Dog of the Year trial, Jeff came down with serious back problems and is now resting up to get back on his feet and out in the field. We wish him the best of luck, and a speedy recovery! Jeff took home a 34" Kennel Mat, an Orange Hat, Tumblers, and a T-shirt from WetMutt, 112.5 pounds of dog food and a jacket from Purina, which Jeff decided to give to his dad, and we're all sure he will wear with pride. Gift certificates were provided by Garmin, Foster & Smith, Dogs Unlimited, and Gun Dog Supply, and NSTRA provides a belt buckle from Montana Silversmith and a trophy.

Everyone in NSTRA has heard of our first runner-up, Crosswind Micro Chip, owned and handled by Scott Townsend of Maybee, Michigan. Chip is a 6xCH German Shorthair, and has twice been named the Michigan Region Champion (2012 and 2013). Chip was also the winner of the 2013 Quail Invitational, and a finalist of the 2014 UKC Performance Classic. Chip has not competed in a National trial since then, due to having run that trial with a fractured elbow followed by surgery as soon as Scott got him home. He came back in full force this week, securing his second place finish with 5/5 for a score of 979. This trial was very close, and the only difference between winning and second place was a good clean back....Scott says not to worry, he'll have Chip backing again in short order! Scott received a jacket, 34" Kennel Mat, 28" Kennel Mat, an Orange Hat, Tumblers, and a T-shirt from WetMutt, 225 pounds of dog food and a jack from Purina, and gift certificates from Garmin, Foster & Smith, Dogs Unlimited, and Gun Dog Supply. NSTRA provides a belt buck from Montana Silversmith and a trophy.

**THE WINNER:** Tomoka's Smokin Gun, owned by Greg Wood of Shelbyville, KY and Jim Kirkman of Angier, NC, is a 7xCH English Setter. Jake was the 2009 Kentucky Region Champion, and a finalist in the 2010 Kentucky Regional Elimination. He was also a finalist in the 2012 and 2013 Quail Invitational, a heartbreaking loss that Jim still describes with a tear in his voice. However, now that Jim has won a National trial, Julia says that he can no longer call the office everyday wondering how far up the bye list he is!! As stated before, this trial was won by just a few points, with Greg and Jake scoring 5/5 for a total of 994.75. Greg and Jim split a cooler, jacket, 34" Kennel Mat, 28" Kennel Mat, Tumblers and a T-shirt from WetMutt. They also received a Green WetMutt hat,

which will be donated for the winner of every National Trial. Purina provided 450 pounds of dog food and a jacket, and Garmin donated an electronic collar. Gift certificates were awarded from Foster & Smith, Dogs Unlimited, Gun Dog Supply, and Red Haw Supply along with a t-shirt. They also received a dog box from Owens Products, a custom gun belt with Jake's picture hand painted on it from Dying Breeds, shotgun shells from Kent Cartridge, and a knife from Yukon River Knives. NSTRA provided a belt buck from Montana Silversmith and the coveted "Big Dog" trophy. Congratulations to Greg, Jim, and Jake!

As always, we could not hold a trial of this caliber without the support and dedication of our sponsors. This year, Eddie Dunford of WetMutt, LLC was on hand as the newest sponsor, and main title holder, of the Dog of the Year. Eddie and the office worked hard over the summer to come up with products that our finalists would receive, and Eddie was gracious enough to donate a multitude of items to our scholarship auction. Eddie has also teamed up with Adam Fellers to restructure our sponsor program, and hopefully bring on bigger names to the game!

Also in attendance was Bob Sass of Garmin. Bob was a constant sight in the clubhouse and always on hand to answer any questions our participants had, and to lend a helping hand with whatever was going on. We missed our usual Purina rep, Dean Reinke, but were happy to welcome Mike Witt in his place. Mike provided an abundance of nutritional information to our participants, and was nice enough to donate a few boxes of performance bars to the scholarship auction. Cheryl Crisler of Stacks and Points was on hand to provide traditional gun dog clothing. Your official NSTRA clothing was provided by Dion Bliss with Red Haw Supply, and as always the designs were amazing! Thank you again to all of our sponsors and vendors; we truly appreciate all that you do for our organization!!

This year, John Davis decided to organize the coordinator's position different than has been done in the past. Stacy Holder is a true professional when it comes to coordinating from the trial grounds, and she worked closely with the office in order to train them in how to coordinate from an offsite location. Everyone is so used to seeing Julia at the grounds, but this year she worked late into the evening at the office to make sure that the website was up to date with scores and new draws. Emily was available on site to learn from Stacy in how to coordinate from the grounds and to keep the communication from there to the office running smooth. For anyone who hadn't heard, yes Emily passed all of her exams on Thursday! We would like to take a minute to tell Stacy how much we appreciate all of her hard work, and of course we know that NSTRA couldn't run as well as it does without the wonderful ladies in the office. Sharron Watson is always a constant blessing in the backroom, and is always ready and willing to volunteer her help to the coordinators. New to the backroom this year was Vicki Rossman, who volunteered to announce the braces, and did an excellent job. The coordinators also received assistance from wonderful ladies such as Dorothy Jaspering, Emma & Olivia Coke, and Karen Bowyer - they just stepped right in and helped in any way they could. Ladies, you all do amazing work, and we are truly blessed to have you running these trials!!

**HIGHLIGHTS:** This year we were able to host Etienne Lavoie and his wife from Central Canada. It was a great experience to have our international friends down, and although Etienne wasn't able to make it past the qualification rounds, we enjoyed having his company through the end of the week. As the Central Canada region takes steps to increase their membership and number of trials held each season, we hope to see more of them down for National trials!

Friday A-field brought us one of the highest retrieve scores we've ever seen. Jim Mahoney's English Pointer, Snake's King Cobra, executed a beautiful blind water retrieve for a score of 98! Water retrieves are difficult to begin with, but King did an amazing job and never faltered in performing this task. Congratulations Jim, you've done a wonderful job with this dog.

Thank you again to all of our participants, officials, sponsors, and volunteers for a great trial. We couldn't have asked for better weather, or a better group of people to spend the week with!

## Brandy's Big Adventure

March 15, 2014: that day and the next nine weeks proved to be a lesson on how not to give up. Especially when our lovable, four-legged, friend "Brandy" - our red setter - had not. Brandy was competing in a Field Trial on the Empire Ranch in Sonoita, Arizona. That day the wind picked up, as it often does in this area of the state. When your dog has the absolute desire to find the bird - what does he do? During his turn at the trial, Brandy goes out nose-to-the-ground searching for the bird's scent. He is so focused that he ignores the whistle calling him back to his handler, my husband - Ray. Keep in mind that the ranch is big - over 10,000 acres. To make matters worse, the trial grounds are not fenced off and Brandy was not allowed to wear a tracking collar.

The attempts of Ray and many others to find Brandy go unrewarded that day and for many days and weeks that follow.

Keep in mind that Brandy is not just a field trial dog, he is a dream come true. Ray had always wanted a red setter. Years ago he decided to fulfill that dream when he brought Brandy home. When we picked him up as a puppy at nine weeks old, we quickly discovered that Brandy was very alert, cautious, with an immense drive to find birds. And, boy could he run! Little did we know then that those traits would one day save his life.

Our continued search for Brandy took place over 9 weeks. And, on several occasions we came close to finding him. In fact, the very next day, March 16, Brandy jumps into the back of a pickup truck thinking that the truck was Ray's. Imagine our disappointment when we found out that he had jumped right back out when he discovered it was not Ray driving the truck.

Over the many weeks that followed, Brandy was spotted again but at a distance. Because it was reported to us that there were also mountain lions and coyotes in the area we became even more concerned for his safety.

During this time, many trips were made from our home in northern Arizona to the southern part of the state. We spent many hours driving back and forth to Sonoita as well as hiking the area where Brandy had been sighted. You can only imagine our relief when a photograph was sent to us by a fellow searcher confirming Brandy was still alive and well.

Nine weeks after he disappeared, we returned to the location the motion-detector camera had been placed; a small pond. On this trip we had brought along a no-kill trap and his food hoping that Brandy could be caught unharmed. That Sunday morning we arrived at the site early to check the trap and move it closer to the pond. Who do we find? Brandy!! He was first spotted by one of our new friends, Susan, who never gave up hope that Brandy would be found alive. Many a tear of joy was shed when Brandy recognized our scent, hears me softly calling his name, and with a dance of joy hops into the back of the truck as if nothing had ever happened.

Despite nine weeks surviving in the wild avoiding mountain lions and coyotes, Brandy was given a relatively clean bill of health by the vet in Sonoita. Whether Brandy will ever "trial" again remains to be seen. But, one thing we all know for sure, his return is proof that our determination to find him along with the generosity of friends and strangers brought our "boy" home to us again. And, for that, we are very thankful! ■

## Chukar Hunting: Essentials Educational Series

By Drew Wahlin, President

### Items you need to become chukar hunting successfully:

1. An annual gym membership that you actually use at least 3-4 times a week.
2. Dog 1 qt. water bottle.
3. Wrist sweat bands, if you're not sweating then you're not getting into chukars.
4. X-Shells, in this case .410ga., 2 1/2" #6.
5. 1 Gallon+ of water.
6. eCollar system.
7. X-batteries for all of your technology, digital camera, GPS, radio, eCollars, etc.
8. Highly functional light-weight fanny pack or backpack.
9. Light-weight and very quick shotgun. In this case a 1948 LeFever SxS .410ga.
10. And Oh yes, chukars.
11. Finally, always plan on a 5-6+ hour hike because you never know where or when you'll get into dog points.
12. Most Important: spending a great day in chukar country with your gun dog.
13. "Always" have a Contingency Plan in case you have to spend the night in the field in the event that something happens to you or your gun dog. Always let someone know where you are going (stick with that Plan) and at approximately what time they should hear from you on your return home.

## 2014 DISTINGUISHED MEMBERS

In 2012, NSTRA's leadership instituted the Distinguished Members' Award. This award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc.

The inaugural class of 11 members included several members who had served as national officers, had been instrumental in starting NSTRA and had worked and traveled tirelessly to start chapters in other regions. This list included the following: Don Abner, Tom Burks, Bob Cunningham, Ted Dewey, Will Heddon, Lyle Jordan, Terry Prenosil, Ed Rader, Wilbur Shortridge, Jr., Leon Swift and Bob West. In 2013 2 new members were added along with the 2 members who had previously been awarded the Tom Love Lifetime Achievement Award. The new members were Jeanne Rader and Frank Downs along with Tom Love and Ron Robertson.

The 2014 recipients are Donny Wright of the Indiana Region and Art Baumgartel of the Mid West Region.

### ★ DONNY WRIGHT ★

Donny was one of the gentlemen involved in the beginning of the Shoot to Retrieve days. He was a member of the Conservation Bird Dog Club at Amo and integral to helping NSTRA become what it is today. Donny was a very competitive member and traveled to many trials promoting NSTRA along the way. As a former teacher, coach and a successful real estate salesman, along with his passion for wild bird hunting, he was the ideal person to spread the word of shoot to retrieve. Donny also served as the NSTRA National Secretary for several years.

### ★ ART BAUMGARTEL ★

Art was a founding member of the Midwest Region. As agricultural manager for the nine Amana Colonies, Art often used his influence and connections to secure grounds on which to run trials. Later, he worked with the Iowa DNR to designate the public land at Palo, Iowa as trial grounds for NSTRA and the Iowa horseback clubs. Bob West provided funding for a shelter house on these grounds. Art organized and supervised the shelter's construction, along with clearing and grooming the grounds.

Art campaigned Norilious Timberwolf (Cindy) to the Midwest dog of the year title in 1983.

In 1988, then NSTRA president, Ron Robertson, presented Art with the first complimentary lifetime Membership card #C001 along with the President's Award proclaiming him NSTRA Senior Citizen of the year.

Art was 65 years of age when he started in NSTRA. He passed away in 1990, at the age of 83. During those 17 intervening years, he served as a mentor and role model for many of us new to the game. He was a very quiet, but forceful and effective behind the scenes advocate for NSTRA.

Sincerely, Ted Dewey

## Ask Boomer!

*Boomer, a German Wirehair Pointer, lives on a farm in Central Illinois! Today's question is on:*

## Advice for humans

*Dear Boomer,*

*Do you have any advice for humans?*

*Signed, Inquiring Mind*

*Dear Inquiring,*

*Yes, I do have some advice for humans.*

*Humans should follow their dogs' example:*

*Love your family.*

*Take regular baths.*

*Live in the moment.*

*Stop to smell the road kill.*

*Keep your shots up to date.*

*Let your dog sleep in the bed with you.*

*Take more baths.*

*Go for long walks with family members.*

*When you have spare time, lick yourself.*

*Signed, Boomer*

## The American Brittany

The American Brittany Club is a member club of the American Kennel Club and the recognized breed sponsor by the American Field. The Club is comprised of many regional Brittany Clubs located from coast to coast. Most of the Clubs hold field trials, conformation shows and hunt test events. The clubs also hold meetings, fun trials, training sessions and other events of interest to the Brittany owner. Membership in the American Brittany Club entitles you to a monthly issue of the American Brittany Magazine. This publication which began in 1949 keeps you abreast of what is happening in the Brittany world. The magazine contains reports of field trials, shows, hunt test and agility/obedience events, club activities and articles on the care and training of the Brittany. The magazine also has articles on hunting and general interest as well as listings of kennels, stud dogs and trainers.

# THE NSTRA SCHOLARSHIP PROGRAM

*Fritz's Rhythm N Blues Buck*

It looks like he adapted well to his SoCal lifestyle! The recipients may have a wide variety of interests and live all across the United States but they have a common link with NSTRA. This year, we asked them to tell us a little about what they are doing and the influence the scholarship had on them.

The NSTRA Scholarship program was established in 2002 and in the 13 years that it has been in effect, we have awarded over \$65,000 to 30 applicants. This year, we raised the highest amount ever during our Dog of the Year auction with sales and donations totaling over \$15,000. We receive donated items from our sponsors, regions and individual members to help fund this program. In the past, some regions have held trials specifically to raise money for the scholarship program. The first two recipients of this award co-chaired a trial to give back to the program. That says much about the quality of the recipients.

The benefits of the scholarship program don't always tie in to the recipient. In 2009 Gary Walters of the Indiana region donated a German Shorthair puppy to sell at the scholarship auction. Ty Mitchel of the Southern California region took that puppy home and in November of 2013, Fritz's Rhythm N Blues (Buck) earned his first championship.

## 2007 - EMMA HOLDER

After receiving the NSTRA Scholarship in 2007, I attended Bradley University (Peoria, Illinois) where I earned a B.A. in Graphic Design with a minor in Marketing. Shortly after graduating, I moved to New York City to pursue a career in graphic design. In the space of two years, I moved through two internships (one with an art gallery, one in advertising) and a full-time position at an architecture firm. Finally I landed at a small agency called Charming Robot, where I've been happily designing digital products (websites, mobile apps, etc.) for the past year and a half.

## 2008 - MICHAEL AKEY

I graduated from The University of Akron with an associate's degree in criminal justice technology. The scholarship money helped me out a lot because it paid for almost a whole semester at The University of Akron. I would like to thank those who contributed and those who continue to contribute to the scholarship

fund because it really lifts the weight off of your shoulders (in my case) not having to worry about paying for the first semester.

I've grown up around dogs and have been to NSTRA trials since before I can even remember. I do remember my first run though, which was a trial at our house. My dad was judging the A field and I was supposed to run his dog "Storm", which was a black and white Brittney in the B field. I was only 9 years old so I was far too young to be my own gunner. Scott Townsend was my gunner for that brace, and he did a great job. We walked off the field with 5 birds on the card and also to win the trial. As I got older, I began to run dogs and handle birds in NSTRA trials. My first dog was named "Rusty," "Mike's Buckeye Tornado" who was an orange and white Brittney. Rusty was the dog who taught me a lot about field trialing. My dad and I would take turns running him from weekend to weekend. I remember running double doubles every weekend for a while. Dad had three dogs (he just let me run

Rusty a lot) and we ran literally every weekend. I would either handle birds or run, that's just how it went. I didn't mind handling birds because I didn't even have a license and I was making \$200 a weekend! I'm not sure exactly how many, but I've planted tons of weekend trials, regions, and nationals. Members from every NSTRA region I've been to have always been welcoming and helpful.

I currently own a lawn care business in Ohio called Arrowhead Outdoor Services. I mow grass, trim shrubs, mulch, weed eat, edge, leaf removal, plow snow and salt, bale hay and cut/sell firewood. I am still active in NSTRA trials, running an English Pointer in the Ohio region. His name is "Kobe" Killbuck Elhew Kobe" out of my dad's English Pointer "Kansas" "Killbuck Elhew Kansas." He was the last black and white male out of Kansas, and Kansas started to get sick. I wanted Kobe because he looked so much like Kansas.

I now have a 1 year old daughter who is healthy and happy. Hopefully, someday she will be involved in NSTRA. Thank you!

## 2011 - JOSHUA MARTIN

Howdy! I was fortunate to be one of the recipients of the NSTRA Scholarship award and wanted to let you know what I've been up to since receiving the award. I first want to thank you for choosing me as a recipient and appreciate what the organization does to help students. I am currently a senior at Texas A&M University and I am majoring in Plant & Environmental Soil Science. I plan on working with the Natural Resources Conservation Service upon graduation.

It is through this organization that I found what kind of job I want to do for the rest of my life. Fred Reyna, a member of the Gulf Coast Region got me interested in the NRCS and helped me get an internship with the agency. I am currently a member of the Gulf Coast Region and attend as many trials as a can. I feel I will be a part of this organization for a long time as bird dogs are one of my passions and I also love the competition and comradery with friends at trials.

## 2011 - KARLI SCHWIMLEY

I want to thank NSTRA so much for the scholarship funding I received. I was able to attend two years of college, one year at the University of Missouri and one year at Lindenwood University. I am still undecided on what my career goals are and have taken time off from college to figure this out. The funding that NSTRA provided to me was a big help in offsetting expenses.

## 2012 - HANNA JEPSEN

I am currently a junior attending Valley City State University in Valley City, North Dakota. I am studying Business Administration and concentrating in Accounting, Finance, and Agriculture Business. I will be one of the first students to graduate from VCSU with an agriculture business concentration. I am a nanny for a family in Valley City and I also am a resident assistant for the university's dorms. When I am not working or studying I enjoy spending time with my friends and family.

In NSTRA, I still try to attend a few trials in my home region, Big Sky, or the region where I got to school, Mid North, and support my dad. My parents chair the Big Sky/Mid North Challenge Trail every spring. Each year I come home and help plant birds and help with anything else I can. This trial is a family tradition and a good way to stay in contact with some of the NSTRA members I have grown up with. I am forever grateful for my NSTRA family.

I was highly encouraged to apply for the NSTRA scholarship by some of my fellow chapter members. I am thankful I did because it paid off; I have used the scholarship to help pay for my tuition and course books. Throughout my three years I have maintained above average grades.

## 2012 - BERLIN MERLYN

I received the scholarship in the 2012-2013 school year, and it helped me tremendously with covering my school tuition. I have attended Northwest Missouri State University for the last 2 1/2 years, and I will be graduating in May 2015 with a Bachelor's of Arts degree in Political Science. I was able to further my education at the collegiate level because of the scholarship I received, and I am very grateful for it. I recently got married in December 2014, and upon graduation, we plan on moving somewhere for me to attend graduate school for International Relations or African Studies.

## 2013 - EMILY TASH

My name is Emily Tash and I was the 2013 NSTRA youth scholarship recipient. I am currently attending Troy University where I am working towards a degree in the college of Biomedical Sciences. Upon graduating, I hope to attend both dental and medical school, which will allow me to obtain a degree and become a practicing Oral and Maxillofacial surgeon. This scholarship has been a tremendous blessing to my family and me. It has helped pay for all of my first semester's books and it also helped with my tuition

expenses. I am so grateful to have received this award; it has helped me in more ways than I could have ever imagined. I would like to thank everyone who helps to fund the scholarship. It was truly an honor to receive it, and I am sure that the recipients in years to come will feel the same way.

## 2013 - SHELBY ALBERT

Last year I received one of the scholarships awarded. I still want to express my greatest gratitude to all of you. If it wasn't for all of the people I have met throughout NSTRA, I really wouldn't be the person I am today. This fall semester my books cost around \$500-\$600 and I used part of my scholarship money on those.

I am currently enrolled as a full-time student at a community college called Lewis and Clark studying my generals to get an associate's degree. From there, I hope to transfer to a 4-year university and graduate with the ability to work with animals; preferably dogs and horses! I just wanted to give and update on how the scholarship money, that you all work hard to raise, was being put to use! Again, thank you very much for the opportunity to receive such a great thing. You all mean so much and have influenced me in a great way!

## 2014 - COURTNEY WILLIAMS

Thank you for giving me the honor of receiving this scholarship. Let me tell you a little bit about myself. I am currently in my first year of school at UW- Fond du Lac (a 2 year campus of the University of Wisconsin system) where I play volleyball and basketball. I work at CVS Pharmacy as a Technician which is helping me learn about the field of Pharmacy. In my spare time I love to go hunting and fishing and spend time with my family and friends.

I plan to use this scholarship to finish paying for my first year of college at UW- Fond du Lac. After completing my undergraduate requirements I hope to pursue my doctorate degree in Pharmacy at Concordia University in Mequon, Wisconsin. With many years of college in front of me, this scholarship certainly helps lighten the financial burden.

This particular scholarship was especially meaningful to me because NSTRA has been a part of my life for the last nine years. Going with my dad to the field trials, I learned the importance of patience, hard work and dedication to training. I love watching the special bond that my dad has developed with our dogs.

Thank you again for this huge honor and good luck to everyone competing this weekend. Maybe someday you will even see me competing on the trial field!

From Courtney's Parents, Clark and Christa Williams:

We are personally honored and grateful we are as parents that you selected our daughter for this scholarship recognition. Thank you to all the members who make this scholarship possible, to the selection committee, and all those who do the work behind the scenes for the scholarship process.

We sincerely appreciate all the work that goes into the NSTRA Scholarship Program. We are looking forward to rewarding a record amount to the 2015 scholarship applicants if possible so make sure the eligible youth in your region apply.

Remember, the 2015 Dog of the Year trial hosts the scholarship auction so if you are interested in making a donation, contact the office.

## Members,

The goal of the Scholarship Committee this year was to make the auction at the Dog of the Year trial the biggest and best it has ever been. Through the donations of many people and regions, and our wonderful bidders at the auction, we were able to do just that! We had over 50 items donated from 14 Regions and 3 Sponsors. Mikeal Mulberry (KY Region) did an amazing job as our auctioneer, and Chad Collison (NSTRA President), Shaun Rydl (MW Region), and Emily Perkins (NSTRA Office) and Diane Campbell (NSTRA Office) kept everything running smooth by acting as our “ring men”, clerking the sale, and presenting items. Over the course of the evening, we were able to raise \$8,250 for the scholarship fund plus a generous matching donation of \$5,000 from Alan & Cheryl Higham (RM Region)! Our sponsor, Eddie Dunford of WetMutt LLC, donated quite a few items to the auction itself, but also provided cases of Kong Kennel Mats to be given away with a donation to the fund, which brought in another \$1400. The Gulf Coast Region recently lost a wonderful member, Bill Spaar, and the family requested donations be made to the scholarship fund in his name in lieu of flowers; our generous donors brought in another \$500. This year was the most productive for our fund in bringing in over \$15,000!!

Going forward, we ask for the continued support of this auction but also a growth in participation of members who have children or grandchildren that qualify for this award. We have the money, now we need the applicants to give it to! We encourage every member to please talk to your children about preparing now for applying for this award.

We would like to take the opportunity to thank all of our donors and buyers for your generous support. The NSTRA Scholarship allows for our organization to provide for the education of our youth, and the continued growth of our beloved sport.

Thank you,

*Adam Fellers*

2nd Vice President  
Chairman, Scholarship Committee

**★ YOUTH SCHOLARSHIP FUND APPLICATION ★

# NSTRA Youth Scholarship Fund

**A. NATURE OF AWARD:** National Shoot to Retrieve is offering a one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

**B. CRITERIA FOR SELECTION:**

- 1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information **MUST** be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

**C. STIPULATIONS:** The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

**D. PRESENTATION OF AWARD:** The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.
