News From the Officers

With the closing of another competitive year for the NSTRA Performance award and the UKC Performance classic starting off a new year of trialing, we and our faithful companions look forward to a much needed break to relax and regroup. As we look back on the year, we reflect on a few of the items facing our membership today:

- Bird flu – we actually had a northern region who were forced to immediately cancel an already started trial by the Department of Fish and Wildlife because of the bird flu epidemic.
- Extremely harsh winter caused many trials to be conducted in snow, wind, and subarctic temperatures. Not very often are we trying to flush birds out of a snow bank, but we sure did a lot this past year.
- The addition of new sponsors; WetMutt, Anheuser-Busch, Kent Cartridge, Yukon Knives, Boyt Harness, Stacks and Points, and more to follow soon.
- The partnership with Anheuser-Busch is so very pivotal for all of us regardless if we are involved with NSTRA or not. A-B donated nearly \$9M last year to conservation practices nationwide. This is a huge testament to not only our sport, but for all of our hunting, fishing, hiking, and outdoor enthusiasts. It's very important we all watch these things carefully and take an active part in our local areas. With personal efforts from each and every one of us, combined with companies such as A-B, we can clearly make a difference and forge a path preserving the beauties God has so graciously given us!!
- It's been spoken about for many years, but we are finally nearly finished with having a judging instructor package to be used nationwide to help our judging become more consistent from one end of the country to the next. It has been a long, daunting task, but we hope to begin rolling it out shortly and have final approval at DOY.
- We had high hopes to have a completed online draw and database overhaul, however, none of us could predict the litany of issues we would face. As we began to work on resolving some of the unforeseen problems, we inevitably created new ones, and so the snowball began. In the end, having fully heard the arduous cries from our membership, we officers chose to take a step back, allow trial chairs to use either online draw or a chip draw, and really reassess the situation and take a different approach. We put together a committee that can teach a computer programmer how to chip draw a trial in any possible situation, then we took a hard look at our database only to find out its code was written in a prehistoric language we can't simply roll over. Thus, we chose to hire a consultant, have the consultant listen to exactly what our needs are from members, officers, chip draw committee, and office personnel, and then locate a company capable of putting all of this together along with an updated website. We want one clean, turnkey package that is not segmented and rushed at the last minute; as of today we have the consultant and a proposed programming company. Our next step is to clearly identify the scope of work and allow the programmers to give us a hands on presentation to review and present the BOD at DOY. I truly apologize for the difficulties you all have faced, however, we did learn a lot and will be able to utilize those hard-learned lessons as we continue to move forward.
- This year is an election year. President, treasurer, and 1st vice president are all up for election. Look for the ballots to be coming out later this summer.....please become engaged and share your votes.
- After the TOC, we came up missing some items the NSTRA office sends to the officers for each national trial. We use these items for general displays and picture taking. We are thinking they got mixed in with a box of other goodies and grabbed by mistake. For all of those in attendance at the TOC, please go thru your things and see if anyone has those extra items. Please contact the ladies in the office if so.
- Our UKC database has grown considerably over 1yr. Last year just prior to the TOC trial, we had just over 100 entrants; the same time this year we had nearly 350 entrants. This is an incredible increase and certainly one we would like to continue the momentum for. The partnership between UKC and NSTRA continues to strengthen itself and will prove to be something very special as we continue to progress!!

In closing, please take a moment to ponder the items facing us today, and share any thoughts and/or concerns with your national representative. Having your feedback is the only way we can measure progress. In the meantime, we officers wish all of you a very safe and enjoyable summer!!

Sincerely, CC

2013-14 CHUKAR

Season Goals for Seeing More Coveys

Healthy Lifestyle Tips Series:

Steps for Making Your Chukar Season the Best Ever!

“Great chukar hunting starts with great fitness!”

Drew Wahlin, Professional Chukar Hunter

How, by creating new fitness habits!

Maybe you plan to ring in 2012-13 Chukar Season with a new resolve to lose weight, quit smoking, exercise more, or not sweat the small stuff. And maybe these resolutions sound familiar – just like the ones you made a year ago! So how can you ensure that your determination to have a better upland bird hunting season in 2012?

By focusing on new habits that will take time, energy and commitment. A new behavior won't become automatic overnight and you have 110+ days before the opening of the upland bird season, but you may enjoy some of its benefits fairly quickly. So, keep nudging yourself in the direction you will need to eventually go---UP & FAR. And try the following seven tips to help you create a long-lasting chukar hunting fanatic's fitness pledge.

1. Dream Seeing Lots of Birds. Audacious goals are compelling. Want to climb those mountains and see all that wildlife? Lose 50 pounds or just enough to fit into clothes you once loved? With perseverance, encouragement, and support, you can do it. An ambitious aim often inspires others around you. Many will cheer you on. Some will be happy to help in practical ways such as by working out with you or taking on tasks you normally handle in order to free up your time.
2. Break big dreams into small-enough steps just like climb those steep hills. Think tiny (like Drew's head). Small steps move you forward to your ultimate goal. Look for surefire bets. Just making the small fitness commitment can build your confidence to tackle and succeed at tasks that are more difficult.
3. Understand why you shouldn't make a change. That's right. Until you grasp why you're sticking like a burr to old habits and routines, it may be hard to muster enough energy and will to take a hard left toward change.

Unhealthy behaviors like overeating, drinking and smoking have immediate, pleasurable payoffs as well as costs. So when you're considering a change, take time to think it through. You boost your chance of success when the balance of pluses and minuses tips enough to make adopting a new behavior more attractive than standing in place.

4. Commit yourself to a Great Chukar Hunting Season. Make yourself accountable through a written or verbal promise to other chukar hunters. That will encourage you to slog through tough spots.
5. Give yourself a Chukar Hunter's Medal. Don't wait to call yourself a winner until you've pounded through the last mile of your big dream training or lost every unwanted ounce. Health changes are often incremental. Encourage yourself to keep at it by pausing to acknowledge success as you tick off small and big steps en route to a goal.
6. Learn from the past. Any time you fail to make a change, consider it a step toward your goal. Why? Because each sincere attempt represents a lesson learned. When you hit a snag, take a moment to think about what did and didn't work. Maybe you took on too big a challenge? If so, scale back to a less ambitious challenge, or break the big one into tinier steps.
7. Give thanks for what you do. Forget perfection. Set your sights on having the best chukar season ever! With exercise – and so many other goals we set – you'll benefit even when doing less than you'd like to do. Any activity is always better than none and your gun dog is going to love the new you.

Hike Far & High, shoot less!

Make your good dog better.

Trial Draws:

The National Officers voted to again allow hand drawing of trials.
Both the old and new online draw systems are open to use if you
desire. Neither of the online programs currently work well with
Open/Novice (integrated braces) or with double trials with several
3+ dog handlers. No prior permission is needed to hand draw.

Championship Trial Formats:

2015 UKC Performance Classic: First Round Qualification will be
the Top half, remaining rounds will be beat your brace mate.

2015 Purina Endurance Classic: No changes

2015 Dog of the Year: First Round Qualification will be the Top
16 dogs from each field, Friday's fields will be the Top 12.

2016 Anheuser Busch/Quail Invitational: No Changes

2016 Trial of Champions: Based on number of entries

1X Championship Certificates:

Due to a glitch in our computer system, we have not been able
to print out 1X CH certificates for 3 years. This summer, we are
going to compile the information and create them manually and
mail them out.

Price Changes:

In order to cover the increasing costs of credit card processing, the
board of directors voted to add approximately 3% to all credit card
transactions whether done online or by telephone. The costs for
some common charges will be as follows:

Associate Membership (\$20.00)	\$21.00
Full Membership (\$50.00)	51.50
Field Trial 1 field (\$102.50)	105.50
Field Trial 2 fields (\$205.00)	211.50
Field Trial 4 fields (410.00)	422.50
National Trial Entry (\$150.00)	154.50

This price change will go into effect July 1, 2015. There is no
additional charge for transactions by cash or check.

Tips from  **PURINA**

Proper Hydration Is Key to Avoid the Dangers of Overheating

For today's competitive canine athletes, heat and the potential to overheat can result not only in decreased performance, but also in serious health conditions. When your sporting dog competes in the field, rising temperatures can lead to a number of health problems.

"The most common risk to a working dog is an increase in body temperature," says Purina Senior Research Nutritionist Arleigh Reynolds, DVM, PhD, DACVN. "The level of danger from overheating can range from simply making a dog uncomfortable to a life-threatening situation."

Like humans, exercise and other forms of physical activity can increase the body temperatures of dogs, which normally is between 101 to 103 degrees Fahrenheit. Unlike humans, dogs cannot regulate their body temperature by sweating. Where people have sweat glands throughout their bodies, the only place where dogs sweat is around the pads of their paws.

"As a dog's body temperature rises, the dog compensates by panting," Reynolds explains. "Dogs have a very complex type of circulation. The act of panting causes the dog to salivate and as the fluid evaporates, it cools the blood going into the brain,

which helps maintain central nervous system (CNS) functioning. While panting is an effective short-term solution to help maintain CNS function, it is an inefficient method of lowering body temperature in the long run because the act of panting itself uses energy and that generates additional heat."

Another way a dog regulates its temperature in extreme conditions is by the body redirecting the flow of blood. Warm blood from the body core is directed to vessels under the skin where it is cooled by air or water flowing over the skin.

Most dogs are very good at controlling their body temperatures, except when they are put in stressful situations, Reynolds says. "When a dog's body temperature goes past a critical level, it can be dangerous. Even after the dog's temperature is lowered back into the safe range and it recovers from the crisis, a dog will never again be able to regulate its body temperature as well as it did before the crisis.

"Take your dog's temperature at the first sign of distress or after exercise," Reynolds says. "If it is above 105.5 degrees, start cooling down your dog right away. If the temperature drops down below 104 degrees in 3 to 5 minutes, the thermoregulatory mechanisms are working. If it remains above that temperature, the dog is suffering from heat stress. That dog will regain some regulatory ability but may never be able to work well again in even mildly warm conditions."

Proper Hydration

Proper hydration is very important. Water losses occur when a dog performs exercise of increasing intensity or duration and in very warm or cold environments. For competition, your sporting dog should be well-hydrated with plenty of water but not carrying excess water in the stomach or bladder. Maintaining hydration is critical to prolonged endurance and thermoregulation.

"Hydration is important for two reasons," says Purina Nutrition Scientist Brian Zanghi, PhD. "Exercise is a heat-producing activity, and water is required to help dissipate heat. About 60 percent of heat dissipated by dogs during exercise is through water evaporation in the respiratory tract."

During rest, water loss is largest through urine, but during exercise, through respiration. Panting is an inefficient way of cooling a dog, but it increases blood flow to the vessels in the back of the throat, helping to cool blood as it travels to the brain.

"Water also is needed to remove the byproducts of energy metabolism. This may be the most important determinant of endurance and performance. Though dogs may be distracted by the environment or their work, they should be encouraged to drink water during extended periods of exercise," Zanghi says.

The risks of dehydration include: increased cardiac workload, impaired delivery of nutrients and removal of water from the muscles, and impaired thermoregulation, or ability to maintain normal body temperature. Immediately after hard work in the field, a sporting dog's temperature may be as high as 107 degrees.

Hydration Tips

Proper hydration is essential. Follow these tips to keep your hardworking sporting dog hydrated during exercise.

- Offer your dog water every 15 to 20 minutes when working
- Never give ice-cold water
- Try baiting water with low-sodium chicken broth to encourage drinking
- Monitor a working dog for signs of heat stress and dehydration

However, within 5 minutes the temperature should decline to below 104 degrees.

Dogs usually seek water or show signs of thirst when they lose about 1 percent of their body water. A mildly dehydrated dog (1 to 5 percent body water loss) will likely show signs of water seeking behavior, excessive panting and fatigue. In a warm, humid climate above 75 degrees, dehydration risk begins to grow and rises with increasing temperature. Heat stress and dehydration can rapidly occur in warm temperatures. Dogs seeking shade and showing loss of motivation for training should be cooled and rehydrated, as they are expressing signs of heat stress.

Trainers concerned about overheating in their sporting dogs should carry a rectal thermometer that can be used during training. An overheated dog, one whose temperature stays at 106 degrees or higher, can be cooled down using a mixture of cool water and alcohol under their front legs and in their groin area. Having the dog ingest cool water immediately is beneficial because it rinses the saliva from the back of the dog's throat to improve cooling when panting, cools core body temperature within the intestinal tract, and begins to replenish hydration. Ice water should not be used as it may cool the dog too quickly and lead to other health problems.

"The most important thing is to watch your dog, anticipate problems before they occur and, when in doubt, take its temperature," Reynolds says. ■

Signs of Heat Stress

A dog with heat stress will not self-hydrate. Always check for these signs of heat stress in your dog. A dog that appears in distress should promptly be examined by a veterinarian.

- Shade seeking
- Lethargy
- Heavy panting
- Lack of coordination

TOP PERFORMANCE:

Dogs must have at least 20 open points from June 1 through May 31 of the applicable year to be eligible. Points will be from weekend trials only. From there, the award will be based on national trials and regional eliminations. The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1st in order to keep the number of nationals the same each year. The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. For national trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1st – 800, 2nd - 775, 3rd – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1st – 600, 2nd – 575, 3rd – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for the third

and 25 for fourth. The placement for the regional eliminations and national trials is determined by the score of the last round in which the dog ran.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

TRIAL SCHEDULES:

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SCHEDULING FEES:

Trial scheduling fees are due in the NSTRA office 4 weeks prior to your trial date.

TRIAL REPORTS:

Trial reports are due in the NSTRA office 10 days after the trial date.

QUAIL INVITATIONAL:

This trial is always held the last week in February that includes a Saturday. The qualification period for this trial is Nov. 1 through Oct. 31. This includes all points earned during the time frame, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count). Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO

INVITATIONS WILL BE SENT. Any dog with a placement during specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

TRIAL OF CHAMPIONS:

The criteria for entry into this trial is that the dog has earned an open championship and is at least a 1X open champion by February 1 of the current year OR the dog can be a paid standby for this trial by achieving their open championship between February 2 and March 31 of the current year. All entries for this trial must be postmarked by March 10. No invitations will be sent.

UKC PERFORMANCE CLASSIC:

The qualification for this trial is points earned from April 1 to March 31. Weekend trials only. No points from qualification or final rounds of national championship or regional championship trials will be counted.

DOG OF THE YEAR:

This trial will begin on Wednesday of the last full week of October. This trial is based on region elimination placement and/or high point status. All entries must be postmarked 45 days prior to the first day of the Dog of the Year trial. (NO INVITATIONS WILL BE SENT.)

CHANGE OF HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1st and January 1st. *Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at anytime to request a change in their Home Region.

ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members EXCEPT they are unable to vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

RULE CHANGES:

Proposed new rule changes or additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions or the Dog of the Year trial.

REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

FIRST TIME PLACEMENTS:

The National Office now requires a copy of the dog's registration certificate for first time placements. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (nstrfta@ameritech.net) or a photocopy by regular mail.

NSTRA Distinguished Members:

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations are to be submitted by August 31. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included if available. Contact the NSTRA office for a list of criteria.

Nominations are to be submitted by August 31. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included if available.

The committee will review all nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected.

The committee will make their decision by September 30. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

GLOVER'S NIKKI NSTRA CH 10 – NSTRA NATIONAL CHAMPION 12/9/98 – 1/08/15

Nikki was out of one of the great litters produced by Barb's Tekoa Trouble and Sue Maggie Sue. She was raised and trained by

Jack Glover in Shelbyville, Missouri. Jack competed with her and put 5 NSTRA Championships on her as well as a First Runner-Up in the 2002 Missouri Regional, a Regional Championship in 2003 and a First Runner-Up in 2004 Grand National.

In 2004 Jack sold Nikki to Mark Kohlberg. Mark competed with her and put another 5 NSTRA Championships on her as well as Missouri Show Me Regional Championships in 2006 and 2007 and another Regional First Runner-up in 2009. She was 2007 Champion in the Dog of Year Trial.

In three litters she produced Champions: Nikki's Smokin Mike, Skipper's Bandit, Glover's Reco, Nikki's Skippin Newt, Nikki's Skippin Rox, Treasure State Tiger Woods, Glover's Chopper and Nikki Sue Nikki.

In 2009 Mark re-registered Nikki in both Jack's name and his. She was the best bird dog and trial dog they have ever owned. Nikki was one of those dogs that would just catch your eyes as she effortlessly covered a field and "Slammed" points. She will be deeply missed.

"Our Family"

As I sit here before my laptop trying to get through the first sentence of this article; I am remembering this past season of trialing. It has been some wonderful memories to say the least. Our fall season was hot and we struggled to make sure we had 3 point trials and we made it through! However, we wouldn't have made it without the help of our region family members. Yep, we are like a family... we seem to be there when we are needed and by the Grace of God we will be there for years to come.

One of my fondest memories of this past season was our January triple. We had a full trial all three days when the draw was done and by the second night we had a lot of withdraws, because of various reasons. As I looked at the bracing sheet with all the crossed off lines, I thought "where the heck are we going to come up with all these bye dogs". To make a long story short, that's when the family pulled together And not only our Florida family.... but our entire family -- Georgia, South Carolina, Ohio, Illinois and others too. We all put our heads together and decided to redraw the trial that night and make it a double. With the help of Ricky Gunnyon, Cheryl and Allan Highum, Marilyn Cunningham (via phone) the Ashmore's, Sterner's, VanVliet's and many others in the clubhouse we pulled it together and got it done. This, my friends, is what NSTRA

is all about!!! We aren't just regions with borders of states between us, we are a family and are always there when we are needed or help in some way.

One of my "unfondest" memories was the 5" rattler shot in the D field during the pretrial for the QI (I hate snakes) and of course, the QI Flu - Whoa did that hit like a ton of bricks. The QI is a lot of work, but in spite of all the flu, etc. everyone seems to have a great time and before the last person had left we were already talking about how to improve it for the next time. I personally want to thank our entire region for their hard work, donations and helping where ever and whenever they could.

I also want to thank the three gals in the NSTRA office Julia, Emily and Diana for their help when I called looking for help on a draw, phone numbers, address or dogs information. The three of you are priceless!

With our last trial coming up and Regional just around the corner we have new folks coming out to see what we are all about more and more and our family is growing little by little. That is what it's all about; enjoying the outdoors, our dogs and the fellowship of our friends and friends yet to be made throughout the country.

Happy trialing!

Life-long trialing friends, Addison Moore & Olivia Coke

Our Canadian friends, Etienne & Manon Lavoie

Van Ingalsbe and his best buddy, Scout

On April 11 & 12, the Indiana Region held its first trial at Kickapoo Kennel & Reserve in Attica, IN. The trial was hosted by Roger & Michelle Parient and Van & Pat Ingalsbe. The weekend was full of fun, good food, and great runs. Michelle & Pat put on a wonderful breakfast and lunch spread, and Van did a great job of keeping the bird planter stocked with quail. Thank you to our gracious hosts, and Congratulations to all placements!

UTAH

As the final braces came in that would conclude the weekend trial that we in the Utah Region call the Roosevelt Rumble on 3-22-15. The score board showed that this day would end a very long road for Mat Blockavich and his Weimaraner, Boomer. With a win in B field Boomer would finally have enough points to Earn his NSTRA Championship, and become the very first of his breed to do so.

A road that had started on May 15,2010 when a promising young dog papered as "Westend's Boomerang Fury" won a field in his very first NSTRA trial, and Mat set a goal to champion this gray ghost even against the odds. For the next five years Mat and Boomer would battle the odds trying to find enough points. They are always competitive and had some success even finishing runner up in the Regional elimination trial in 2011. For a number of reasons the path slowed and points became tough to come by. This was partially because of Mat's willingness to step up and judge in a small

region that often has a shortage of judges. There was also a string of bad luck that left Mat wondering if the final points would ever come. They did come however and everyone in the Utah Region was excited when the final points came for Boomer. The first Weimaraner to champion in The National Shoot To Retrieve Association is "Westend's Boomerang Fury" Owned by Mat Blockavich.

Congratulations Mat and Boomer!

The American Brittany

The American Brittany Club is a member club of the American Kennel Club and the recognized breed sponsor by the American Field. The Club is comprised of many regional Brittany Clubs located from coast to coast. Most of the Clubs hold field trials, conformation shows and hunt test events. The clubs also hold meetings, fun trials, training sessions and other events of interest to the Brittany owner. Membership in the American Brittany Club entitles you to a monthly issue of the American Brittany Magazine. This publication which began in 1949 keeps you abreast of what is happening in the Brittany world. The magazine contains reports of field trials, shows, hunt test and agility/obedience events, club activities and articles on the care and training of the Brittany. The magazine also has articles on hunting and general interest as well as listings of kennels, stud dogs and trainers.

YEARLY MEMBERSHIP IS \$30.

2015 TRIAL OF CHAMPIONS

Every Champion was once a contender that refused to give up.

Handler's arrived in Amo, IN for the 2015 Trial of Champions and were welcomed with beautiful sunshine, warm breezy days, good food and great dogs. This year we had 154 entries representing 21 regions; qualifications for entry were the dogs had to be at least a 1xCH by February 1, 2015 and any dog that received its 1xCH between February 2 and March 31 could be entered as a paid standby. The Conservation Bird Dog Club ran practice fields on Monday and Tuesday, and boundaries/safety zones were explained to the officials Wednesday morning by Trial Chairman, Scott Townsend. Officials for this week were: Stan Perdue - Georgia, Cory Perdue - Georgia, Nancy Ashmore - Florida, Martin Ueltschey - Gulf Coast Texas, Brian English - Gulf Coast Texas, Dorothy Jaspering - Mid South, Jack Glover - Missouri Show-Me, Mark Kohlberg - Illinois, and JW Collins - Kentucky. Bird Planters were Casey Perdue - Georgia and Curt Beckley - Mo-Kan; coordinating was Emily Perkins - NSTRA Office. Entrants were served a home-style breakfast every morning, and the trial began each day at 8 am. After Scott Townsend gave the invocation, and the national anthem was played, 2015 Trial of Champions was on its way.

Different this year was the issue of bye spots. We began the trial with 7 open spots, and based on a decision made at the October BOD meeting, handlers were allowed to put any dog entered in the trial into a drawing for a paid bye spot and would be eligible for placement on the field, but not for advancement to Friday. Paid bye dogs are marked with *** after the registered name.

The format for the 2015 Trial of Champions was as follows: Wednesday - 2 Fields/16 Braces/Top 15 Dogs, Thursday - 3 Fields/15 Braces/Top 14 Dogs, Friday - 3 Fields/12 Braces/Top 8 Dogs, Saturday - 3 Fields/4 Braces/Top 4 Dogs, 3 Fields/2 Braces/Top 2 Dogs, 1 Field/3 Braces/Top 2 Dogs, Final Hour

Judging A-field on Wednesday were Stan Perdue and Bodie Ray (Georgia) with Nancy marshaling.

Due to having poison oak in his eye, Casey was unable to plant birds this day; big brother Cory stepped right to the plate and did a wonderful job! Thank you to Bodie for coming and judging for the day; we greatly appreciate your service.

At the conclusion of the 16th brace, everyone headed to the clubhouse for the Welcome dinner. Wayne Fishburn and Butch Jackson had spent the day smoking ribs and brisket, making pulled pork BBQ; CBDC served up green beans, scallop potatoes, baked beans, rolls, and dessert. Participants were excited to get in line to see what had been making the grounds smell so delicious all day. Following dinner, the BOD headed in for their bi-annual meeting. Exciting decisions were discussed and made; please contact your Region President for more information!

Thursday morning brought us another beautiful day, with temperatures in the 70's throughout the day and plenty of sunshine. Casey Perdue was back with us to begin the day bird planting with Curt Beckley; unfortunately in the 2nd brace, with a shoulder injury he was put out for the rest of the weekend. Curt took on the challenge of planting 3 fields, and did an excellent job! Thank you to Curt for accepting the responsibility and we hope Casey is feeling better.

Judging A-field on Thursday were Jack and Mark with JW marshaling.

Thursday night's events included a banquet meal served by Jug's Catering; this year, the menu was changed up to include fried chicken, ham, mashed potatoes and gravy, corn, salad, and biscuits with Jug's famous apple butter. NSTRA President, Chad Collison, then began the awards presentation for the winners of Wednesday and Thursday's fields. He also presented the Ross Young painting to Clayton Ashmore and Sharron Watson for TJ's Micro-Tequila Watson, the 2014 Trial of Champions winner.

Friday morning was a bit chillier than the rest of the week, but it quickly warmed up when the sun came out. We started the day with 72 dogs competing for the 24 spots that would advance to Saturday morning.

Judging A-field on Friday were Martin and Brian with Dorothy marshaling.

Once the braces were finished, everyone waited anxiously in the clubhouse for the draws to be posted. Once the draws were posted and seen, everyone retired for the evening.

Saturday morning brought us a chance of rain, and boy oh boy did it rain! For a few hours, we thought we would be running a Final Hour like in Florida at the QI - in mud to our ankles and the rain just coming down. Luckily, the rain began to let up around lunch, and it turned out to be nice cool afternoon for running dogs.

Judging A-field were Stan and Cory with Nancy marshaling.

It had poured down rain for most of the last round, so handlers brought their dogs into the clubhouse to be warmed up. Thank you Emily for providing the small space heater for these hard workers. While the dogs were resting, and handlers were getting a snack, the gate was moved to open A and B field and prepare for the final hour. Once the rain had let up, Adam & Nose met Greg & Jake in the blind to wait for the final 10 birds to be planted.

Judging the Final Hour were Martin and Brian with Dorothy handling.

FINAL HOUR:

An interesting Final Hour, Adam and Greg had found 8 birds within the first 10 minutes of the brace but at the end of the day Congratulations were in order for Jake and Greg Wood.

5th Runner-up was Pepperpoint Casper, owned by Junior and Mark Shouse, Kentucky Region. Casper is a 5 year old English Setter out of Long Hollow's Luke and Long Hollow Suzie. Casper received his first placement in October 2011, and quickly became a 1xCH in September 2012. Junior and Mark received the NSTRA trophy for their placement.

4th Runner-up was Beeline Bullet's Oxidation, owned by Nolan Huffman, South Carolina Region. Rusty is a 9 year old 8xCH Brittany out of Nolan's Last Bullet and Lazy K Little Bit. Rusty received his first placement in December 2007, and his 1xCH in March 2008. Rusty was the 1st RU in the 2008 SCR Regional Elimination, 2013 SCR Regional Champion, and the 2010 Grand National Champion. Nolan received the NSTRA trophy.

3rd Runner-up was CC's Bayou Kate, owned by Bert Scali and handled by Tytuss Rudd, Ohio Region. Kate is a 7 year old English Pointer out of Moonshines Bayou Ponce and Big Country Snap. Kate received her first placement in April 2011, and her 1xCH in December 2012. Bert received the NSTRA Trophy and Buckle, gift certificates from Garmin, Dogs Unlimited, and Gun Dog Supply. Purina gave 3 bags of dog food and the Purina jacket.

2nd Runner-up was Ragin Cajun Athena, owned by Angie Fishburn and handled by Wayne Fishburn, Indiana Region. Athena is a 7 year old 2xCH German Shorthair out of Ragin Cajun Zeus and Wild Thing O'Riley. Athena received her first placement in March 2013, and her 1xCH in September 2014. Athena has become a quick riser in NSTRA. Wayne received 3 bags of dog food and a jacket from Purina; also the NSTRA trophy and buckle, and gift certificates from Garmin, Dogs Unlimited, and Gun Dog Supply.

1st Runner-up is a name that everyone knows; Quail Valley's Nose Knows, owned by Adam Feller, Mo-Kan Region, is a 6 year old 17xCH German Shorthair out of Premier's Fancy Trail Blazer and Pointing Home Major League. Nose received her first placement in March 2011, and her 1xCH in March 2012. Nose was the 1st RU of the 2012 UKC Performance Classic, and the Champion in 2013. She's also been a Top 4 finisher for the 2013 Trial of Champions and 2014 Quail Invitational, and has received the Top Performance award in both 2013 and 2014. Adam received 6 bags of dog food and a jacket from Purina, gift certificates from Garmin, Dogs Unlimited, and Gun Dog Supply. He will also receive the NSTRA trophy and buckle.

Taking the Championship in Amo again is Tomoka's Smokin Gun, owned by Jim Kirkman (EC) and Greg Wood, and handled by Greg, Kentucky Region. Jake is a 5 year old 7xCH English Setter out of Tomoka's Smokin J.R. and Barr's Smokin Mackenzie. Jake took his first placement in December 2008, and his 1xCH in May 2010. Jake was the 2009 Kentucky Regional Champion, and a Top 4 Finisher at the 2010 Regional Elimination. He also took 1st RU at the 2013 Quail Invitational, and the Championship just 6 months ago at the 2014 Dog of the Year. Greg received 12 bags of dog food and a jacket from Purina; the dog box from Owens Products; shotgun shells from Kent Cartridge; a custom shell belt from Dying Breeds, and of course the painting from Ross Young. He also received gift certificates from RedHaw Supply, Gun Dog Supply, and Dog Unlimited. Once again Greg is taking home the coveted "Big Dog" trophy from NSTRA and a buckle. Congratulations again to Jake, Greg and Jim!

Thank you again to all of our sponsors and volunteers for helping us make this such a great trial! We greatly missed Eddie Dunford of WetMutt Products and look forward to seeing him in the future. We were also missing Dean Reinke from Purina, but it was such a pleasure to get to see Bob West. Sara Chisnell and Todd Kellam of UKC joined us again this year, and it's always great to see Sara's dogs Sue and Carli - especially when Carli starts to doing all of her tricks to get treats. Thank you to all of our officials; we couldn't put the trial on without you. Thank you to Sharron Watson, Olivia and Emma Coke for helping in the backroom, and to CBDC for the great food and hospitality. This was Emily's first year coordinating a National Trial by herself; you did a great job! Thank you to each of the National Officers for being on hand to answer everyone's questions and to show your support for the members of this organization.

Highlights: Wednesday night and Thursday morning we had an outbreak of cows in C-field. Luckily Eli Coke was on hand to wrangle them back into their own field and we were able to start the trial on time.

We had the issue of Casey Perdue and having poison oak in his eye, and then having an injured shoulder, leaving him unable to bird plant the weekend. Of course, everyone took the opportunity to pick on him, but we all hope he's doing well now.

It is with great sadness that we announce the passing of Donny Wright, one of the founding fathers of NSTRA. Donny received the Distinguished Members award in 2014.

It was also a trying time for Greg Wood as Meghan, his daughter, had recently lost her boyfriend, Keaton McMurray, to cancer on April 19th. Keaton had been battling Osteosarcoma, a form of bone cancer, since 2013. A true country man, Keaton loved animals and all things outdoors. Our deepest sympathies and love are with Meghan, her family, and Keaton's family.

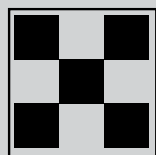

Thank you again to everyone who attended the 2015 Trial of Champions. It was great to see you all, and until next time, Happy Trialing! ■

THE Pointing Dog® JOURNAL

It seems so easy. NSTRA competitors know it's anything but. To compete and win takes training, dedication, and skill. And for 16 years, that's what we've been all about.

And now, we're a multimedia event:

- 6 great issues a year
- Special e-mail articles of our *Traveling Wingshooter* gamebird forecasts, right before the season
- Access to our subscribers-only website content that includes a bulletin board; exclusive articles; and video shooting tips, wingshooting adventures, and dog-training lessons.

Visit our website at www.pointingdogjournal.com to see samples of our on-line content and to order a current, no-obligation examination issue of *The Pointing Dog Journal* — the Sporting Dog Authority.

In memory of Donald Lee Wright

71, Danville, passed away on April 13, 2015. Born August 24, 1943 in Danville, he was the son of Chalmers and Verna Emmert Wright. He married Karen Walker on December 6, 1975. Donnie earned a bachelor's degree in education and spent most of his lifetime as a real estate broker. He was a member of the Conservation Bird Dog Club.

Donny was one of the gentlemen involved in the beginning of the Shoot to Retrieve days. He was a member of the Conservation Bird Dog Club at Amo and integral to helping NSTRA become what it is today. Donny was a very competitive member and traveled to many trials promoting NSTRA along the way. As a former teacher, coach and a successful real estate salesman, along with his passion for wild bird hunting, he was the ideal person to spread the word of shoot to

retrieve. Donny also served as the NSTRA National Secretary for several years. He was elected to receive the Distinguished Member's Award in 2014.

Survivors include his wife, Karen Wright of Danville; son, Timothy Lee (Mary Rose) Wright of Danville; daughter, Tamara Michelle (Chris) Lewis of Crown Point; brother, Carl Wright of Avon; sisters, Eva Jean Richardson of Maryland, Ellen Neal of Avon; grandchildren, Morgan and Tanner. His parents and siblings, Junior, G. Thomas Wright, Ann Harpool, preceded him in death. Contributions may be made to Alzheimer's Association 50 E 91st St #100 Indianapolis, IN 46240. Online condolences may be made at: www.bakerfuneralservice.com

The “Good Old Days”

“Hey Dad,” said Milo, as he stuffed the pheasant into his gamevest, “Was pheasant hunting this good when you were a kid?”

“Well Sprout, that is an interesting question since it is 2109 and I was a kid back in 2009. Oh to be 63 years old again! The Great Gene Therapy Breakthrough didn’t happen until 2018, the Wireless Cyber-Human Blending didn’t occur until 2017, and Age-Genome Manipulation wasn’t perfected until 2020. I never expected to be able to hunt over a bird dog when I was 160 years young. On the other hand, I never expected that the number of descendants I would have would be determined by government regulations based on the amount of Descendant Credits that my foundation could afford. I also never imagined that my life span would be determined by the number of Age Credits my foundation could afford. I digress from your question, but that is a side effect of WCHB and my ability to sort through 160 years of memories fast enough

to answer any question. Fortunately, my unconscious reflexes are unaffected except for the Automatic Mental Safety Link that releases the lock on my shotgun trigger when my sight picture, compared to the software computer program in the hardware implant in my brain, shows that I have a safe field of fire.”

“When hunting was good in the old days it was as good as anything we have now. But now, the hunting is equally good every day since we are hunting under a 120 square mile dome located in what use to be the Alaskan National Wildlife Refuge. As you know, the Great Climate Change completely changed the distribution of

arable land across the globe. Many of the great metropolises have disappeared, but most of them went under climate controlled domes. Lucky for us, recreation, including hunting, is much more important with such huge amounts of leisure time afforded us by our foundations. Our dome, Caribou # 11, has a population of one million, produces a significant amount of the world’s Kiwi Fruit, and is self sufficient in the production of energy for government, manufacturing, and citizen use. Because of Aldo Leopold and his pioneering of scientific game management, we can enjoy a pheasant hunt in great habitat for a population of wild pheasants just like the good old days. Hey, is Fur De Lance getting birdy over there?”

Fur De Lance, the 100 year old cloned bird dog, the culmination of genetic manipulation over generations, was indeed birdy and getting birdier by the second. Ferdie as he was called, glanced over his shoulder to see if his humans were keeping up. They were not! Ferdie knew that if his human was to stand a chance of bagging a pheasant, Ferdie would

have to slow up his pursuit of the running bird’s scent so his hunting companions could catch up. But Ferdie knew from his own cyber implant which included GPS, that the boundaries of the hunting preserve were near and that the boundary would allow neither human nor dog to cross because of the danger of being attacked by nano farmer automatons in the Kiwi groves.

Ferdie calculated a circling maneuver to head off the escaping pheasant and simultaneously activated a program to notify his hunting party that, “Ferdie was indeed tracking scent, it was a pheasant, the boundary was close, and Ferdie was circling, so be careful when you shoot.” All this was delivered to the hunters accompanied by a mild, attention getting, electrical shock.

Milo and his dad, Edward, jumped a little and then read the “heads up” display in their field of vision that carried Ferdie’s messages. Both hunters saw Ferdie circle wide

and begin to come toward them in an attempt to turn the running bird. Ferdie froze with his tail pointing toward the roof a mile overhead, his head up, and his nostrils flared. Both hunters waited for the expected flush which did not come. Instead, the Indian Grass between them rustled with the passing of the running bird and Ferdie.

Edward said, “He ran right between us. Wow, how good does it get? The last time that happened was 2025, the third hunt of the season on the second to last bird we hunted according to my cyber-enhanced memory records. We never did catch up with that bird as we had to stop hunting because of a scheduled rain period. That’s why

it is called “going hunting” instead of “going shopping” you never know what might happen. What do you say we call Ferdie off and head for the transportation belt home?

Milo replied, “Yeah, I’ve had enough exercise according to my hour meter for the day, and besides, I have to prepare for a meeting with my Personal Investment Management Foundation to decide on investment strategies. The Mars investment market has been great this year with enough growth in credits to extend my life by another two years. If this keeps up, I’ll never have to go into “suspension”. Edward said, “The only thing I’m worried about is changes in government policy by the Republicrats that could result in Primates, Cetaceans, and Psittacenes being accorded full citizenship and investment rights. Oh well, I really don’t care as long as you and I can get together and go hunting a few times a year.”

“You said it Dad. My daughter, Cassie is scheduled to visit from IO. Cassie is bringing Austin, her son, and Matthew, Austin’s son and she’s already asked if we all can go hunting.” ■

NSTRA Youth Scholarship Fund

A. NATURE OF AWARD: National Shoot to Retrieve is offering a one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

B. CRITERIA FOR SELECTION:

- 1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information **MUST** be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

C. STIPULATIONS: The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

D. PRESENTATION OF AWARD: The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.

"A working dog's worst enemy is dehydration.

If my dogs are dehydrated, they can't go to work. And we're on the road 70,000 miles each year. I worked out a plan with my veterinarian. Now I keep my dogs on FortiFlora® until we're back home."

— George Hickox

Bird dog trainer and guide George Hickox has a passion for upland hunting. He has trained and campaigned National High Point Champions, Field Champions, and has garnered over 100 field trial placements.
