News From the Officers

Summer Break! A good time to rest and start planning for the fall trialing season. I know some of you just got new pups and are in the process of socializing them; some are training young dogs for the start of the season or tweaking your experienced dogs; or, if you are one of the lucky ones, you are enjoying your seasoned "couch potato"!

We have been planning for the fall season too. We are getting ready for the Endurance Trial to be held in Osceola, Iowa for the first time. We are all looking forward to trialing there and experiencing their hospitality. The Iowa Gun Dog Club has good people to work with and I am sure it will be a great trial. If you aren't attending the trial, don't forget to watch the progress online at our website www.nstra.org.

The judging committee has been working feverishly on the new judging seminar material to be presented to the board of directors in October. This group is scrutinizing every aspect of our current seminar materials and is leaving no stone unturned when it comes to improvements and changes.

Watch your mail for election ballots coming out shortly. The office of President, First Vice-President and Treasurer are up for this year. Mail the ballot in the return envelope only and not to the office. Associate members don't have voting privileges and will not receive a ballot. Please participate in this process. Your input is critical to the success of our organization.

The computer firm has been selected to do the system overhaul and has started interviewing key people about the changes and problems we are currently facing. There have been some lengthy discussions regarding the draw programs and we are just getting started. Face to face meetings are scheduled for late summer to get some further input. Thanks again for your patience with us as we continue to move forward with this project.

See you in the fall!

Sincerely,

CC

Hunter's Golden Rules of Healthy Habits That Will Help You Gain Altitude & Distance

You don't need to eat yogurt, chant or live on a mountaintop, but you do need to stay mentally and physically fit.

One of the biggest factors that determines how well you chukar hunt is not your genes but how well you live. Of course, getting to age 100 is enormously more likely if you are a passionate chukar hunter, but why shortcut your potential? So go ahead and shoot for those triple digits by following these chukar hunter's golden rule healthy habits.

Don't Ever Retire, Just Climb More Chukar Hills:

"Evidence shows that in societies where people stop working abruptly, the incidence of obesity and chronic disease skyrockets after retirement," says Luigi Ferrucci, director of the Baltimore Longitudinal Study of Aging. If you do retire, stay active, perhaps by volunteering.

Floss every day: No, Not the Chukars

Although we want those Chukars to have bad breath for our gun dogs' noses, we want to help keep our hearts healthy by flossing. A 2008 New York University study showed that daily flossing reduced the amount of gum-disease-causing bacteria in the mouth. These bacteria are thought to enter the bloodstream and trigger inflammation in the arteries, a major risk factor for heart disease.

Move like a Chukar: Move Around Through The Day

"Exercise is the only real fountain of chukar hunting longevity that exists," says Drew Wahlin, a Professional Chukar Hunter who lives in Idaho. Studies show exercise improves your mood, mental acuity, balance, muscle mass, and bones.

Start your day like a Chukar:

Eat a fiber-rich cereal for breakfast

Getting a serving of whole grains, especially in the morning, appears to help older folks maintain stable blood sugar levels throughout the day. "Those who do this have a lower incidence of diabetes, a known accelerator of aging," he says.

Sleep like a Chukar:

Get at least six hours of shut-eye

Professional chukar hunters make sleep a top priority. "Sleep is one of the most important functions that our body uses to regulate and heal cells," says Ferrucci. "We've calculated that the minimum amount of sleep that older people need to get those healing REM phases is about six hours."

Eat Like a Chukar:

Consume whole foods, not supplements

Research suggests that people who have high blood levels of certain nutrients—selenium, beta-carotene, vitamins C and E—

age much better and have a slower rate of cognitive decline. Unfortunately, there's no evidence that taking pills with these nutrients provides those anti-aging benefits. Avoid nutrient-lacking white foods and embrace colorful fruits and vegetables, and dark whole-grain breads and cereals.

Be happy like a Chukar: Be less neurotic.

Professional chukar hunters don't tend to dwell on problems or internalize things. Find better ways to manage your stress. Yoga, exercise, meditation, tai chi, or just deep breathing for a few moments are all good. Ruminating, eating chips in front of the TV, binge drinking? Bad, very bad.

Live like a Seventh Day Adventist & Hunt Like a Professional Chukar Hunter

Seventh Day Adventist have an average life expectancy of 89, about a decade longer than the average American. One of the basic tenets of the religion is that it's important to cherish the body that's on loan from God, which means no smoking, alcohol abuse, or overindulging in sweets. Followers typically get plenty of exercise, are vegetarian, and make family and community a focus.

Be a creature of habit like a Chukar:

Professional chukar hunters tend to live by strict routines, eating the same kind of diet and doing the same kinds of activities their whole lives. Going to bed and waking up at the same time each day is another good habit to keep your body in the steady equilibrium that can be easily disrupted as you get on in years. When that equilibrium is thrown off, your immunity can weaken, leaving you more susceptible to circulating flu viruses or bacterial infections.

Stay connected like a Chukar:

Having regular social contacts with friends and loved ones is key to avoiding depression, which can lead to premature death. Having a daily connection with a close friend or family member gives older folks the added benefit of having someone watch their back. "They'll tell you if they think your memory is going or if you seem more withdrawn," says Perls, "and they might push you to see a doctor before you recognize that you need to see one yourself."

Be conscientious like those darn Chukar:

The strongest personality predictor of a long healthy life is conscientiousness—that is, being prudent, persistent, and well-organized, according to The Longevity Project, coauthored by Howard Friedman and Leslie Martin. That's likely because conscientious types are more inclined to follow doctors' orders, take the right medicines at the right doses, and undergo routine checkups

Resting Easy On the Road

Contrary to popular belief, travel is not rest, especially for dogs that require a high level of athleticism for optimal performance. These important considerations, though small, can add up to a significant total effect when traveling to a sporting event with your team of high-performance canine athletes.

Practice Makes Perfect

The more accustomed a dog is to traveling, the better. Thus, you should train your dogs to travel well and how to handle the stress of travel. Introduce puppies to travel by

taking them on short rides in your truck one to two times a week, such as when you run errands. You should teach

young dogs things they will encounter at a sporting event by getting them used to being around other dogs and new places, acquainting them with the procedure. Practice feeding them in the box on the truck or on a tie-out chain. This training helps you identify dogs that don't travel well and devise strategies for them to cope.

Check Your Dog From Head to Toe

After a day in the field, conduct a tailgate exam, which involves putting a dog on your truck's tailgate to examine him or her from head to toe. This thorough check helps to identify potential injuries before they become problems. Start at the head and neck, turning the dog's head from side to side to look for muscle or disk problems. Check for back pain by running your hands along the dog's spine. Lift the front legs, flexing them back and rotating them out to check range of motion in the shoulders. Look for cuts, bumps and scars, particularly on the elbows and hocks. Check the eyes and nose for seeds, grass or other field debris. Closely

Tips to Remember

- Rest is just as important as training
- Travel is not rest
- The immune system must be fed
- Travel and competition can compromise immune function
- Training and nutrition can help improve immune function in stressful situations

examine the feet, looking at the paws, pads, nail bed, and webbing for tears, cuts or signs of pain and swelling.

Take Time Out for a Tie-Out

After six to eight hours of travel, a dog needs to recover from bouncing in a vehicle. Remember, traveling in a truck is not rest. Dogs also need to air out. If you use a tie-out for this purpose, make sure the stake is secure and has a swivel on top to reduce the risk of the chain twisting. The chain should be 3 to 4 feet long to allow a dog to stand comfortably, air out and move to the other side. A tie-out chain should be used temporarily from minutes to an hour. It should not touch the vehicle or nearby dogs. In the summer, be sure the tie-out is in a cool, shady location. Never put a tie-out on the main access road. Instead, find a quiet place to help reduce stress.

Get a Good Night's Rest

Find a quiet place to rest your dogs for the night. If your dogs will sleep in dog boxes in your truck, you should park in an area free of distractions. Try to park away from other trucks where it is not busy. Find a spot that will maximize rest and minimize stress. Make sure your dogs have soft, dry bedding so they rest comfortably.

Keep Dogs Hydrated

Dehydration can occur after multiple days of travel combined with competition. In extreme heat, cold and humidity, water turnover increases several times. Some dogs will have problems consuming enough water, so you should monitor their hydration. Before traveling, consider supplementing dogs with a 1 percent glycerol solution to help pull water stores into the muscles.

On the road, you can encourage dogs to drink by soaking their food with water, creating a light soup, giving ice cubes after exercise, and baiting water with low-sodium chicken broth. During an event, offer water from a squirt bottle. Giving frequent small amounts of water throughout an event are better than a large volume. Dogs that do not have the opportunity to drink while they are working should be given water after they run, but it is important to monitor their consumption to ensure they do not consume a large volume until their panting slows down. Never give ice cold water, as it could cause vascular constriction.

Most Important Meal of the Day

Healthy performance dogs, not at risk for bloat, should be fed once a day. Eating creates an insulin spike that inhibits its ability to use fat, the most important energy fuel. Hardworking dogs should not be fed before exercise, as complete digestion takes from 20 to 24 hours and doing so could result in the retention of fecal matter in the colon that could compromise performance by adding extra weight. Exercise alters the gastrointestinal transit time and can change nutrient digestion and absorption resulting in a decrease of blood flow, and therefore oxygen, to the gut.

Performance dogs should be fed a minimum of 10 to 12 hours before exercise, such as the night before a trial. When a dog is fed six hours or sooner before exercise, the body's

How To Improve Immune Function in Sporting Dogs

- Feed a complete and balanced high-performance dog food, such as *Purina Pro Plan SPORT Performance 30/20 Formula*, to sustain a dog's energy needs. Visit proplan.com/dogs/platforms/sport to learn more about the *Purina Pro Plan SPORT* nutritional platform and how quality nutrition is vital to the success of hardworking sporting dogs. Share how *Purina Pro Plan* brand dog food has been vital to your own dog's success by writing a review at proplan.com/reviews.
- Properly vaccinate dogs, starting when they are puppies. Check with your veterinarian to learn the appropriate vaccination schedule.
- Make sure your dog recovers from hard work and is well-rested. Warm, soft, dry bedding is crucial, as well as comfortable, not cramped, quarters, when traveling.

fat-burning metabolism is not optimized, which contributes to reduced endurance and energy generation. If a trial is a multiple-day event, dogs should be fed as soon as possible after exercise, allowing adequate time for cooling down, so they have the maximum time to digest the meal before the next day's competition.

Fighting Bugs with Healthy Immunity

Field trials and sporting events often bring together dogs from around the country that carry bacteria and viruses, thus creating a "petri dish" of bugs. Dogs may return home sick after being exposed to these bugs. To help promote a healthy immune system, dogs can be given *Purina Pro Plan Veterinary Diets FortiFlora* canine nutritional supplement.

Containing a special strain of probiotic that has been proven to promote intestinal health and balance, *Enterococcus faecium* SF68, *FortiFlora* may help nutritionally manage diarrhea from stressful situations such as traveling and unfamiliar environments. ■

The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. For national trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1st – 800, 2nd - 775, 3rd – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1st – 600, 2nd – 575, 3rd – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for the third

and 25 for fourth. The placement for the regional eliminations and national trials is determined by the score of the last round in which the dog ran.

AUTRY'S ROWDY WACO

**June 20, 2006
- June 3, 2015**

January of 2009, my wife Angela talked me into letting her run a young Llewellyn setter male that I had been working. I had run him in a couple of trials and really didn't like what

I was seeing in the dog. I reluctantly agreed for her to run him in an Amateur being held at the Longview Hunt Club, Unionville, TN. Waco won a first and a second that day. It was like watching a totally different dog out on the field with Angela handling him.

Angela ran Waco the next four seasons earning two NSTRA Championships, one NLGD Championship, and two placements in Regional Elimination trials, one of which was Runner-Up champion in 2013. It was a pure joy for me to watch the two of them out on the field; Waco hunting his guts out for Angela and Angela giving her all for Waco.

A routine trip to the veterinarian April of 2013 revealed that Waco was suffering with two different diseases. We had him treated with the best veterinarians we could find but had to make the decision to retire him from trialing due to the toll the sickness and treatments took on him. Waco became the best yard dog you could ask for.

June of 2015 the sickness finally got Waco. We would like to thank Dr. Bob Sumerall and the Henderson Animal Clinic, Dr. Heather Jacobs and staff at Chester County Animal Hospital and all the folks at Mississippi State College of Veterinary, Starkville, MS for all the fine work they did on Waco.

I learned a couple valuable things from Angela and Waco. First, don't be too quick to pass judgment on a young prospect. Most of all I learned to believe in your dog and enjoy every run you have with them. It's not all about how many placements or points you earn.

**BARILLÀ KENNELS NSTRA TRIAL
JUNE 13-14, 2015**

Who let the dogs out again? Barillà Kennels, Metcalfe, Ontario, hosted another NSTRA Trial on June 13-14, 2015. The weather turned out beautiful considering all the rain we are having in Ottawa, Ontario this year.

NSTRA members from Quebec and Ontario came out with their dogs to give them some off-season hunting action and to showcase their hunting abilities and display who would be the top notch dogs for this trial. Although every dog is top notch, some dogs just want to shine a bit more. But remember, no matter whether you receive a trophy or not, everyone is a winner just by going out in the field and showing how well their dog can perform and show their true hunting and retrieving abilities.

A new addition to the NSTRA family (Simar Yoos) wanted to show that these trials aren't just for English Pointers, English Setters and other breeds of dogs and showed what a Pudlepointer (Amber) was really capable of achieving by receiving a 3rd placement on June 14... and who says Pudlepointers don't have what it takes?

Another NSTRA member, Chehade (Charlie) Absi wanted to sell his English Setter, Gert, who belonged to his daughter but his daughter animatedly told her father that "No way Dad, are you going to sell my dog"! So, Charlie decided to come out on June 13 and show his daughter what kind of dog she really had and to his amazement, ended up placing 3rd, so now Charlie, with your daughter's dog on its way to becoming a champion, there is no way your daughter will ever let that dog go.

And to top it all off, a new and upcoming English Pointer (Showman), 3 years old, owned by Santo Barillà decided it was time he showed off his showman abilities and ended up placing 1st on June 14. Santo thought he was the showman his girlfriend always wanted but guess the dog won that one over. After receiving his trophy, as if that wasn't enough, Showman decided to jump on the table and pose for a picture, nothing like being a proud dog and to prove what his name is all about.

And, of course, who can forget Etienne Lavoie with his English Setters (Caffrey, Stella and Moretti). Caffrey is an up and coming dog who just wants to get out there and win and boys, did he show his winning capabilities by placing 1st on June 13 and to top it all off, pulled off the High Point score for June 13 & 14. Then, of course, there's Stella, another English Setter with only a few points left to receiving champion as well. She thought she could beat Moretti but there was no way Moretti was going to let her roommate obtain champion status before her. Stella ended up placing 2nd on June 13 by whipping Moretti's butt and showed Moretti that she has what it takes to be a champion. Moretti, who is the daughter of Resa Trouble Mace became a 1 x Champion when she received 2nd place on June 14. Was Moretti ever proud that day which she exhibited when she strutted her slim hairy body on the way to receiving her trophy. She is the only dog to have the NSTRA, CKC Kennel Club and Quebec champion titles. Moretti also won 1st place at the 2014 Central Canada Regional Elimination. So, Etienne, what is it like to have a champion sleep in your bed at night?

Then, there's good ole' Graziano from Montreal with his English Setter (Patch). Patch became a 1 x champion in 2013.

After receiving 2nd placement last year at the Central Canada Regional Elimination, Patch decided he wanted to be generous and let someone else have a chance at winning to become a champion as well so he thought he would have a relaxing day hunting at the trial so he left lots of birds for other dogs to find and still ended up winning 4th place on June 13. Then, there's Duke, a German Wirehaired dog, who couldn't let his buddy Patch be the only winner in the family and ended up placing 4th on June 14 showing Patch that he has the capability of becoming a champion as well.

Congratulations goes out to the following gundogs and their owners for their achievements at the trial:

June 13

1st Place – Smith's Shadow Oak Cash (Caffrey) (English Setter) (owner Etienne Lavoie),

2nd Place – Barillà's Resa Stella (Stella) (English Setter) (owner Etienne Lavoie),

3rd Place – Gert Gone (Gert) (English Setter) (owner Chehade (Charlie) Absi), and

4th Place – Tekoa Trouble Patch (Patch) (English Setter) (owner Graziano Lorenzon).

June 14

1st Place - Barillà's The River Boy (Showman) (English Pointer) (owner Santo Barillà),

2nd Place - Barillà's Resa Moretti (Moretti) (English Setter) (owner Etienne Lavoie),

3rd Place – Pine Ridge's Amber (Amber) (PoodlePointer) (owner Simar Yoos), and

4th Place – Graziano Doc of Montreal (Duke) (German Wirehaired) (owner Graziano Lorenzon).

June 13-14

High Point – Smith's Shadow Oak Cash (Caffrey) (English Setter) (owner Etienne Lavoie).

I would like to thank everyone who attended the competition as a competitor or spectator and look forward to seeing you all again at future trials. Also, thank you to NSTRA in Indiana, USA who has given us the opportunity to showcase our dogs at their trials in Central Canada Region and to Purina for sponsoring the trials.

I would also like to thank our judges Sandro Cicconi, who judged for the first time and Dominico D'Angelo who both did a fantastic job judging. A big thank you also goes out to our first time bird planter, Larry Trunzo, who came out in the rain to practice bird planting and ended up doing such a fabulous job that he is now a wanted man at the trials for bird planting.

BARILLÀ KENNELS NSTRA TRIAL – MAY 23-24, 2015

Barillà Kennels, Metcalfe, Ontario, hosted a NSTRA Trial on May 23-24, 2015. The countryside sport gave the dogs and owners/handlers a weekend to resemble a shooting experience in the field. With the weather conditions being sunny and very windy, the field trial definitely tested the ability of Gundogs in competitive conditions and showed the ability and endurance of many breeds of pointer dogs such as the English Pointer, Setter Pointer, German Wirehaired Pointer, Brittany (Spaniel) Pointer, and Pudelpointer, by exercising their retrieving, pointing and game hunting abilities.

I would like to thank everyone who attended the competition as a competitor and/or spectator and look forward to seeing you all again at future trials. Congratulations goes out to the following Gundogs and their owners:

Day 1: 1st Place - Barillà's Resa Moretti (Moretti) (English Setter) (owner Etienne Lavoie),
2nd Place - Barillà's John Brown (Johnny) (English Pointer) (owner Carmelo Mezzacappa),
3rd Place - Eagle Zip de Plum Creek (Zip) (Brittany Pointer) (owner Jacques Carrier), and
4th Place - Barillà's New Castle (Castle) (English Pointer) (Etienne Lavoie).

Day 2: 1st Place - Barillà's Resa Stella (Stella) (English Setter) (owner Etienne Lavoie),
2nd Place - Barillà's John Brown (Johnny) (English Pointer) (owner Carmelo Mezzacappa),
3rd Place - Covey Rises Amazing (Hunter) (English Pointer) (owner Yaacoub Yaacoub), and
4th Place - Gaulois du Copper Spur (Bogey) (Brittany Spaniel Pointer) (Thomas Brown).

Day 1 & 2: High Point - Barillà's John Brown (Johnny) (English Pointer) (owner Carmelo Mezzacappa).

If you would like to enjoy a weekend of fun and further develop your dog's ability by having them gain plenty of exercise off the lead and keep their minds active by working in the field, Barillà Kennels would love to see you at their upcoming NSTRA Trials.

Several NSTRA members attending the opening of the new Shriner's Hospital for Crippled Children in St. Louis, Mo. on May 14, 2015. It was quite an experience. One of the examining rooms has a plaque on the outside with NSTRA's name on the name plate in honor of our donations throughout the years. It's hard to see our little short Shriner in the background, but that's Ron Huels. He works endlessly on this project and for his Shrine group who donate all their proceeds to the hospital. Those attending l to r were Bob Cunningham, Michelle Reynolds, Ron Becker, Marilyn Cunningham, Amanda Pierce, Cindy Bertinetti, Ron Huels, Rick Bertinetti, Chad Collison and Dean Reynolds.

"OLD GEEZER" TRIAL

"IS A HUGE SUCCESS!"

"Oldest Handler Award" Presented to:
Gordon Doeschot, Midwest Region and
Joe Stevenson, Missouri Show Me Region.
by
Ted Dewey, Trial Chairman

Saturday morning, May 9th, the sun came up over the Rock Creek Field Trial grounds, Waverly, Nebraska. It shone down on 20 handlers and their 32 dogs, representing 6 states and 3 different regions. Three handlers had come out of retirement. All were gathered to participate in the First NSTRA "Old Geezer's Trial".

By 7:30 A.M. all birth certificates had been checked and handler's given their one and only warning, "NO RUNNING IN THE FIELD". The field marshal, Dawn Dewey, had the Waverly Fire, Rescue and Emergency Unit on speed dial and shouted, "Let the fun begin!"

Todd Hendrix and Aaron Hunt, both from Rock Creek, started "A" field promptly at 7:30, followed closely by "B" field, judged by Kyle Kopfmann and Brad Goddard from the MoKan region. Birds were being planted by the very capable Jeff Jones from Rock Creek.

A huge thank you goes out to the judges, bird planter, marshal, and Jeff Ryan who voluntarily donated their time and talents to this trial.

Noon lunch was prepared by Jeff Ryan, Rock Creek member and Master Chef. He served great cheeseburgers and potato salad accompanied by vast quantities of fiber and prune juice. With our hunger satisfied, it was decided we should take a group picture and present the first Senior "Old Geezer" award. This award was presented to Gordon Doeschot, Midwest region and Joe Stevenson, Missouri Show Me region. The award will go annually to the oldest handler in the trial. Each of these amazing men is 82. They received individual plaques and their names will appear on a permanent plaque in the club house.

All participants were extremely enthusiastic about the trial and repeated over and over how much fun the trial had been. They were very appreciative and thanked the National Officers who supported this new concept for thinking outside the box and sanctioning a new venue which benefits the membership, clubs and NSTRA.

I would strongly encourage other regions to host an "Old Geezer" trial in their areas. It does work.

We started Saturday at 7:00 with good weather in store for the trial weekend. Dogs from each region were finding birds leaving few left over. Compared to past years the scenting conditions were great. Lunch was catered each day by a lady who lives outside of Corsicana and every region wishes she could cater their trials. At the end of the day everyone gathered at La Pradera Mexican Restaurant where we handed out the placements for the day and to see which region was in the lead. On Sunday we started early with rain in the forecast. With the Lone Star Region slowly pulling away from the rest of the field it was a battle for second place. FIELD TRIAL JUDGES

The summer break provides us with the opportunity to organize and review material that has been stored away for many years. In this process a booklet was found that, in all likelihood, was used in the development of NSTRA. It appears, from the following excerpt, little has changed in 65 years.

The judging of field trials is an inexact science. The men who perform this frequently arduous, and often thankless, task are not endowed with any special powers bordering on the supernatural. They are ordinary human beings, honestly endeavoring to bestow field trial honors where they justly belong. They are, of course, capable of making errors, and sometimes do, for they have no particular gift of infallibility.

This is not to say that any conscientious sportsman would make a good field trial judge, for there are certain attributes which every capable arbiter should possess.

He should, first, be honest, fearless and absolutely impartial; wholly without prejudice for or against any particular breed, dog, style or type of performance or individual. Secondly, he should have the mental ability to quickly analyze a situation and properly interpret it. Third, he should be calm and dispassionate in temperament; not easily ruffled and not willing to risk snap judgment. Fourth, he should be physically able to withstand long hours in the saddle without impairment to physical or mental alertness.

These are not mysteriously magical qualities. Most sportsmen possess some or all of them in some degree. But to find a man who possesses all in high degree is not as easy as it might seem. Things sometimes happen fast in field trials and the ability to quickly analyze and properly interpret a rapid-fire action is generally born of considerable experience. It is not necessary for a man to have years of experience in the judicial saddle before he becomes a capable judge; on the other hand, his knowledge of true bird dog performance values can best be obtained through caring for, hunting behind, handling, and better still, training his own bird dogs. When he has done this, he is better equipped to recognize and more fully appreciate quality in bird dog performance. Such experience makes it less difficult for him to understand the mental processes and reactions of a bird dog and makes obvious to him those little nuances in performance which are so often important but so frequently overlooked by the less experienced.

No person should accept an invitation to act as a judge unless he is willing and, in fact, determined to run each stake to its logical conclusion. Although he receives no remuneration for his work, he should recognize the fact that each contesting dog is exceedingly important to its owner or handler and merits his full attention regardless of the quality of its performance. No judging assignment, no matter how relatively unimportant it might be, should be taken lightly.

Field trial judges, though their task be a thankless one, should not become incensed at honest and sincere criticism, provided it does not impugn their integrity. Seldom is it that any one person can see everything that happens at a field trial. And seldom is it that two people see or interpret a single situation exactly alike. Field trial judges have a better opportunity to see more of what transpires than any member of the gallery. Before any spectator, owner or handler criticizes any decision he should first ask himself for an honest answer to the following questions: "Did I see all of the running of all the dogs? Did I see everything that transpired? How would I have evaluated certain work which was apparently penalized and the work which was apparently highly valued?" Such self-interrogation may put the decision in a different light.

Field trial judges do like to be treated as "untouchables." Club officials should, however, make every effort to ease their task through the provision of every possible comfort and convenience. Every spectator and contestant alike should accord them the full respect and courtesy which the dignity of their position and their unselfish devotion to the sport commands.

New and younger judging talent is sorely needed in field trials. Field trial committees should give serious consideration to the inviting of young and enthusiastic field trial devotees to act as judges, giving them the benefit of serving with older men of seasoned experience. Without field trial judges, there can be no field trials.

2015 UKC NSTRA NATIONAL CHAMPIONSHIP May 27– 30

As NSTRA trailers from throughout the United States gathered at the Rock Creek Birddog Club in Waverly, Nebraska they were greeted by cool temperatures and lots of rain. The trial is sponsored by the United Kennel Club and become a popular Spring Championship. Although the parking lot did not look like a lake (as was the case 2 years ago), the fields were soggy and damp most of the week. We cannot control the weather, so instead of complaining, handlers jumped right into the mess and enjoyed the mud and slush. The cool weather was accommodating to the dogs with scenting conditions changing as the day advanced. A 4-day pre-trial was held on Saturday thru Tuesday prior to the start of the championship event. Mike Rost and Todd Hendrix were responsible for the trial on Saturday and Sunday with Randy and Amanda Tangeman and family hosting on Monday and Tuesday. There is an immense amount of work involved in hosting a 4 day pre-trial and these folks are to be commended for their dedication to the sport and club. Many participants were welcomed to camp on the ground with water and septic pumping available. If you were lucky, you were invited to a meal prepared by the Chief Cook and Bottle Washer, Shaun Rydl. Shaun is a connoisseur when it comes to grilling and many campers enjoyed his treats.

Our judges for the week were Shaun Rydl (MW), Randy Tangemann (MW), Bodie Ray (GA), and Doug Cartwright (BSR). A little judging trivia follows: Shaun with 99 trials, 6 Regionals, 10 Championships; Randy judging 64 trials, 3 Regionals, 2 Championships; Bodie – 405 trials, 10 Regionals, 22 Championships; and Doug – 103 trials, 9 Regionals, 5 Championships. Quite an impressive record for the judging experience of this trial to say the least. Our field marshals were Dawn Dewey (M) and Joel Cartwright (BSR). Dawn is quite experienced as a marshal and being Joel's first championship assignment as marshal, combined they did an exceptional job. Cory Perdue (GA) was in charge of handling the birds for the trial, and as usual, does a bang-up job. Even if you're sure you know where he places a bird, often you're wrong. Cory just has a way about him (some say it's even a little sneaky). A special thanks to these people for taking time out of their busy lives, some coming from many miles away to make this a great trial for all. Trial coordinator was Marilyn Cunningham (IL) with helper, Shelby Albert (IL). Trial Chairman, Chad Collison, and Co-Chairman, Todd Hendrix met with trial officials on Wednesday morning to explain boundaries and safety areas. After a hearty breakfast prepared by the two T's, Ted Dewey and Tom Tambke, the National Anthem was played and the first brace called to the blind. A field officials were Bodie, Randy and Joel. The Top 16 dogs from each field would advance for Friday's trial and the running follows:

Immediately following the trial, everyone retired to the Community Center in Waverly for the banquet and silent auction. The invocation was given and a delicious meal was served consisting of pulled chicken, pulled pork, potato casserole, spaghetti corn, lettuce salad, and a NSTRA decorated cake. The meat was prepared by Dave Paitz and Aaron Hunt which was awesome. The women of the club prepared super delicious side dishes. No catering for this bunch of gals.

The Rock Creek Club presented trophies from the previous weekend and thanked everyone for their support of the trial, after which Chad introduced and thanked the Championship Trial Officials. He also mentioned our sponsors for which we are truly thankful; Todd Kellam and Sara Chisnell – UKC; Purina – Dean Reinke; Anheuser Busch – Double Eagle Distributors; Garmin; Boyt Harness; Stacks & Points with Cheryl and Ken Crisler; and Wett Mutt – Eddie Dunford. Past President, Ted Dewey, was recognized and Chad also asked for field cleaners for Thursday morning. The silent auction brought in excellent money for the club and their thanks to all who contributed.

At the end of Round 5, we knew who would be in the Top Four; however, we did not know in what order. Only short breaks were taken between rounds; just enough time to have the fields cleaned and start again. Judges remained in the same fields as Cory once again did an exceptional plant.

Field A

1	STOTT'S SILLY CICI	NW	ES/F	EDEN STOTTS/MIKE STOTTS, JR - 375
1	KICKAPOO JACK'S SCOUT	IN	ES/M	ROGER PARIENT JR – 440.5 ****

Field B

1	QUAIL VALLEY'S NOSE KNOWS	MK	GSH/F	ADAM FELLERS/JOHN RESA - 522
1	MOONSHINE'S SLATE CREEK JOE	MW	EP/M	MICHAEL ROST – 656***

At this point, we now knew that our 3rd runner-up was Stott's Silly Cici with Mike Stotts and 2nd runner-up was Quail Valley's Nose Knows handled by John Resa. By the time these two braces finished, we were looking at 6:00 p.m. Scout with Roger and Joe with Mike were allowed up to one hour's break, but decided to start after approximately 30 minutes. Handlers, officials and sponsors were called to the blind for pictures at 6:30 after which Cory placed the 10 birds throughout A & B fields. Doug and Shaun were called to judge the one hour final and brought handlers and dogs to the starting line at 6:45 p.m.

Upon completion of the one hour final, MOONSHINE'S SLATE CREEK JOE emerged the UKC Performance Trial National Champion scoring on 5 finds (89,78,86,82,85) 4 retrieves (82, 85, 84, 73) 61.5 obedience, 88 ground coverage, 50 back totaling 943.5 points. 1st runner-up KICKAPOO JACK'S SCOUT scored on 4 finds (56, 83, 85, 90), 4 retrieves (84, 82, 82, 80), 59 obedience and 81 ground coverage totaling 782 points. As both handlers came from the field, they greeted each other with congratulatory handshakes. A gallery picture was taken soon after the final brace as we were trying to beat the darkness. The trophy presentation was held in front of the clubhouse with Chad and various sponsors making the presentations.

Our 3rd runner-up was Stott's Silly Cici owned by Edie and handled by Mike Stotts. They are members of the North West Region. Cici is a 7 year old English Setter female from Angie's Dogwood Cash and Wilson's Miss Abbey. Mike mentioned that Cici was given to him by Ed Murdock when she was young and Mike has trialed her since that time. She is a 2 time NSTRA Champion and also a National Champion. Cici has 51 lifetime points of which 27 are first place points. Her first placement came on 5/15/11 at a Spokane BDC and she earned her first championship on 8/24/13. Mike has placed Cici in a qualification run of the 2013 Purina Endurance, 2014 UKC Championship, 2014 Purina Endurance, was the 2014 Purina Endurance National Champion and placed in a qualification run at the 2015 UKC Championship. Mike and Cici won 112.5# of Purina Pro Plan dogfood plus the winner's jacket which was presented by Dean Reinke, Purina Representative for NSTRA; Gift Bag and Cabela's gift card compliments of United Kennel Club presented by Todd Kellam and Sara Chisnell; Wett Mutt mat; Gift Certificates from Garmin, Dogs Unlimited, Red Haw Supply, Gun Dog Supply and Boyt Harness; Belt Buckle and Trophy from NSTRA. Congratulations to Mike, Edie and Cici for a great week.

Second runner-up hails from the MoKan Region, Quail Valley's Nose Knows, 6 year old German Shorthair Female, owned by Adam Fellers and handled by John Resa. Adam was unable to attend the trial as the Feller's Family was blessed with a new baby boy, Jameson, during the trial. This was a special day for Nose as this was her 7th time in the Top Four, made her an 18 time NSTRA Champion and happened on her 6th birthday. Quite a day indeed. Nose is from Premier's Fancy Trail Blazer and Pointing Home Major League. His sire was a 13 time NSTRA Champion and also a winner of the Purina Top Performance Award twice. Her first placement came on 3/12/11 at an Elkfork Kennel trial. Nose earned her first championship on 3/24/12. She has 326 lifetime points of which 213 are first place points. She has placed in the following qualification runs of Championship trials – 2012 UKC, 2013 TOC, 2013 UKC, 2013 DOY, 2014 QI, 2014 TOC, 2014 Purina Endurance, 2015 TOC, and 2015 UKC. Our congratulations to the Fellers' on the new addition to the family and Nose's newest championship placement.

The first runner-up was Kickapoo Jack's Scout, English Setter Male, owned by Roger Parient, Indiana Region. Scout is a 4 year old setter from Kickapoo's Jackpot and Kickapoo's Little Sis. Scout's first placement came at a CBDC trial on 8/17/13. He earned his first championship on 4/13/14 and is now a 2 time NSTRA Champion. In 2013 Scout earned 2 placements during the pre-trial of the DOY trial and also placed during a trial at the 2014 pre-trial in Amo, Indiana. Scout has 45 points of which 29 are first place points. Roger and Scout were presented with 250 # Purina Pro Plan plus the winner's jacket from Dean along with a pair of Bird Shooter Boots from W.C.Russell Moccassin Company. Their other awards included Gift Bag and Cabela's gift card compliments of United Kennel Club presented by Todd Kellam and Sara Chisnell; Wett Mutt mat; Gift Certificates from Garmin, Dogs Unlimited, Red Haw Supply, Gun Dog Supply and Boyt Harness; Belt Buckle and Trophy from NSTRA. NSTRA congratulations to Roger, Michelle and Scout for a job well done.

THE WINNER: Moonshine's Slate Creek Joe, English Pointer Male, became the 2015 UKC NSTRA National Champion owned and handled by Mike Rost, MidWest Region. Joe is from Moonshines Bayou Ponce and Big Country Snap. He is a 6 year old orange and white pointer earning his first placement on 3/13/11. He has 89 lifetime points of which 57 are 1st place points. Joe is a 4 time NSTRA Champion earned his first championship on 4/15/12. In 2011, 2012, and 2013 Joe placed in a MW Regional Qualification run and in a 2012 TOC qualification trial. He also placed during a 2013 and 2014 UKC Championship qualification run. In 2014 Joe placed during a qualification run at the DOY Championship. Congratulations to Mike and Joe; both top competitors in the NSTRA circle.

The Top Four also received shotgun shells from Kent Cartridge and an additional 38# of Purina Pro Plan. To these sponsors we again say "Thank You". We would not survive if you did not believe in this association and add to our Championship events. We urge our members to use these sponsors products faithfully day in and day out.

Each participant also received the NSTRA trial hat and a 2015 UKC Performance Trial Tervis Glass with lid,, 4 -2# bags of Pro Plan per dog from Purina, a \$25 gift card from Cabela's compliments of UKC, and hand sanitizer from Purina.

Again, our thanks to the Rock Creek Club for a great week, some fun times, and wonderful meals coordinated by Amanda Tangeman. Several women that provided salads and desserts were Michelle Hanson and Natalie Hendrix. The spaghetti corn made by Kim Lathrop was a huge success and several went home with the recipe. Kim and husband, Dave also provided the meat for the banquet.

Now, in regards to the 100 point retrieve received by Buster with John Blank there's a great story behind the score. As was told to me, the bird was pointed more than once during the brace, but handlers were unable to find the bird. Finally, John took Buster back into the area which was close to a pond. Unable to once again locate the bird, John sent Buster into the pond. Being deeper than he thought, Buster came up and again pointed with only his head and a small tip on his tail showing. When John flushed right at the edge of the pond, he was able to finally locate the bird, throw for a retrieve and receive the 100 points. No small fete for a dog and John didn't do bad himself. Great work.

Judge, Shaun Rydl, named Jeff Keck the sportsman of the week. Shaun has the story to tell, so I'll let him do so. But sportsmanship is still of huge part of the game. Congratulations Jeff.

My sincere thanks to Marie "Kit" Brown for all her help with the pictures for the magazine. The close up pictures of dogs on point, retrieve, whatever are from Marie and her "super" lens. Great job Marie. And thanks also to Shelby for pitching in when needed. Both these gals were a huge help.

Sam Ashmore took a big chance in coming from Florida to Nebraska with no absolute run, but relying on a paid bye spot which might come available. And to ole lucky Sam, it happened. He was able to run both dogs, placed Watson on one day and kept Cricket in for Saturday morning's running. Good job Sam.

Ask Boomer!

Boomer, a German Wirehair Pointer,
lives on a farm in Central Illinois!

Today's question is on:

Dear Boomer,

What can I do to get my bird dog, Fur De Lance, into
shape for hunting season?

Signed.

Looking Forward

Dear Looking,

I hope you and Furde have been walking regularly for forty-five minutes to an hour daily for the past year. If you and Furde have been walking regularly, I suggest you start adding some weight to yourself to simulate the extra load you'll be carrying while hunting in the field. Since the weather is still warm, don't dress up in your hunting outfit, including gloves, vest and insulated boots. It would be cooler to put on a weighted fanny pack and do your daily walk with Furde. Add about twelve extra pounds to begin and boost the load to twenty pounds until the season begins.

In consultation with Furde (P-mail) we decided that your additional weight should include a few essential items. Furde was very concerned for his human's well being and suggested you carry water for the two of you. In addition, Furde suggested you carry some thinly sliced ribeye steak, a hard boiled egg, and a piece of medium cooked bacon. Furde said, "You could bring a snack for yourself if you like, but it is not necessary".

Signed,

Boomer

NSTRA Youth Scholarship Fund

A. NATURE OF AWARD: National Shoot to Retrieve is offering a one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

B. CRITERIA FOR SELECTION:

- 1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information **MUST** be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

C. STIPULATIONS: The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

D. PRESENTATION OF AWARD: The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.

If my dogs are dehydrated, they can't go to work. And we're on the road 70,000 miles each year. I worked out a plan with my veterinarian. Now I keep my dogs on FortiFlora® until we're back home."
