News From the Officers

To All,

"Coming together is a beginning. Keeping together is progress. Working together is success."
-Henry Ford

We have begun; now we are working at making progress. We want to thank all the members who have given us feedback on the projects we have in the works. We know this hasn't been easy and often times has been a bit confusing. The following is a summary of our progress to date:

New Online Draw Program

The two brace rest draw procedure was debuted just prior to the October Board of Directors' meeting. Since that time, it appears that trials that have been drawn using that procedure come out well. This addition gives the trial chairman a choice for minimum brace rests, one or two. Not all trials can be drawn using this new format due to limited braces and number of multiple dog handlers but, for those that can, it is a great improvement. We have eliminated the back to back runs by a single dog. We are still working on the co-owned dogs and that problem is almost fixed. We are currently working on shortening the time it takes to run through a complete draw process and increasing the speed and size of the web site for faster use. The online reporting should be up and running in the next 2-3 weeks with the integrated braces/novice draw coming about 2-3 weeks after that.

Standardized Deductions

The National Officers have selected a committee to move forward with our judging program. This committee will not only review the current documentation but move forward with developing the criteria and video to allow us to standardize judges' training across the country. We have asked them to present the foundation for their work at the next meeting of the Board of Directors in April.

National Trial Bids

We received 1 bid to hold the Endurance Trial from the Iowa Gun Dog Club in Osceola, Iowa. We voted to move the trial to Osceola for 2015 & 2016.

Quail Invitational

The National Officers voted to allow dogs with amateur points (earned between 11-01-13 through 10-31-14) to enter the Quail Invitational. These dogs will be entered after dogs that qualified with open points up to 128 entries. Any remaining will be used as bye dogs.

First Time Placements

We are now requiring a copy of the dog's registration form for all new 1st time placements. This will ensure that the correct information will be entered into our database and eliminate errors. You can fax, e-mail or mail a copy to the National office.

Trial Reports

You may notice that several trials are missing from the scorecard and information may be missing regarding your dog's first time placement or number of times champion. At the time this issue of the magazine went to press (mid November), 22 trials from October had not been submitted or had missing information (i.e. expired judges) that had not been corrected. The office has contacted all the chairman regarding their missing reports. To all trial chairman: **YOU HAVE 10 DAYS FROM THE DATE OF A TRIAL TO SUBMIT A CORRECT REPORT TO THE OFFICE!!!!** This is not new information. It has always been this way. There is no excuse for not getting it done. If you can't do it, get someone to help you.

Voting

There is a ballot inserted in this issue of the magazine. Please make sure and look at the 3 items on the ballot and mail your ballot so it is received by January 15 in the office.

Next year, the office of President, 1st vice president, and treasurer come up for election. Please be thinking about whether you would like to run for any of these offices or if there is someone in your region that might be interested. We will be selecting the nominating committee in February.

Happy Holidays from all of us at NSTRA!

Sincerely,
CC

THE KNOW!

News that we feel is
important to everyone.

Regarding carrying your gun:

There have been several questions regarding whether there are rules that require a person on foot to carry their gun open and unloaded. There is no NSTRA rule to this effect.

The following guidelines are for members who ride an ATV with a speed governor:

1. Guns, whether it is a single barrel, single shot, double barrel, over and under, side by side, or semiautomatic will be unloaded at all times while on the ATV. This means absolutely no ammunition in any of the chambers at any time. Handlers must load their guns for each find and fully unload them prior to getting back on the ATV.
2. If a judge observes a gun being carried on an ATV not fully unloaded, handler will be asked to pick up his/her dog.
3. Guns will be carried in an approved gun rack attached to the ATV, not on the handler's hands or lap. In states where state regulations require that guns carried on an ATV be contained in a gun case, state regulations shall be observed, and will prevail. It is the responsibility of the handlers to be informed of the regulations of the state in which they are competing. It is recommended that regional officers be knowledgeable of their state's regulations and make their members and other competitors aware.

Rule changes:

The rule changes that were published in the last magazine were passed by the following number of votes (211 ballots received):

6.04 Gunner: 195-Yes 16-No
6.06 Harassment: 192-Yes 19-No
7.02 Rule Changes: 191-Yes 20-No

We apologize for the problems incurred with our printer regarding the ballots. We have taken measures to ensure this does not happen with future ballots.

2015 Trial of Champions

The National Officers have voted to make the entry into the 2015 Trial of Champions free to any qualified champion dog that is registered with UKC prior to March 1, 2015.

Please go to:

www.nstra.org/ukc-registration.htm to access a registration form.

New Placements

All new dogs (not currently listed in the NSTRA database) placing in a field trial must have a copy of their registration papers sent to the national office upon completion of their first placement. This is to ensure that the office records the correct information for your dog and their owners. A copy can be mailed, e-mailed or faxed by either the owner or the trial chairman.

2015 Quail Invitational Trial

The National Officers have voted to allow dogs with amateur points entry into the 2015 Quail Invitational trial if there are less than 128 qualified dogs entered with open points. The amateur points must be earned during the same time frame as the open points (Nov. 1, 2013 through October 31, 2014). If entered by the trial deadline of January 5, 2015, these dogs will be eligible prior to any late entry dogs.

Ballots

Please look on page ____ for information on 2 rule changes and 1 by-law change to be voted on in this magazine. Your ballots are inserted on a tear off. 2 ballots are included in case you have more than one member living in your household.

2015 & 2016 Purina Endurance Trial

The 2015 & 2016 Purina Endurance Trial will be held at the Iowa Gun Dog Club in Osceola, IA.

Online Draw

The following are instruction to draw an Open dbl/dbl trial. You can modify them to draw any kind of trial. If you are drawing an Open/Amateur or Open/Novice, you will add the additional field (amateur or novice) in the Manage Fields section.

If you encounter a problem at any time, please contact the office (317-839-4059) for assistance.

Before you start the following are some tips to make the drawing process easier:

1. **DO NOT** use Internet Explorer as your web browser! The system doesn't work well with it. Google Chrome and Firefox work just fine.
2. You don't have to **SAVE** anything. The system automatically saves the information for you.
3. Make absolutely sure that your **HANDLERS** are correct! This program is handler driven and if you don't change the handler on a dog to the correct person, the computer has no way of knowing and you will get a draw that doesn't work.
4. Give yourself **ENOUGH TIME!** We can't fix a bad trial draw on Friday afternoon. Or even Thursday afternoon sometimes. Start working with your trial no later than the weekend before. Even if you don't have all your entries yet, you can start putting your trial in and getting everything right. Sometimes the draws take 3 hours to complete (yes, we know you can hand draw in an hour) and it may take a couple of tries to get a good draw. The good news is that you can start the draw, go to dinner, and come back later. You don't have to sit at your computer or even have the program up for the draw to continue to work.
5. Enter all your fields and entries **BEFORE** you click the Do Draw button. All trials are separated by date and each day draws independent of the other days but you **MUST** draw all the trials in a single day at the same time. Doubles, Triples, Open/Amateur, Open/Novice.
6. Single trials (even Open/Amateur or Open/Novice) draw really quickly. No matter how many multiple handlers you have, if there isn't another field to have to work with, the draw is fast.
7. The more 3+ dog handlers you have, the slower it works. And sometimes, it won't draw at all depending on the number of braces you have. If in doubt, or you have run the draw 2-3 times and it won't complete, call the office. We can look at it and let you know if there are any problems or if you have too many multiples. The more draws you do, the more familiar you will become with what will and won't work. 2 dog handlers are never a problem in the draw so don't worry about those.
8. If the office gives you the permission to hand draw a trial, we will send you an email confirmation of the permission. We check all trials for online draws. If you don't have this e-mail, you don't have permission to hand draw. We can give you hand draw permissions for one day of a two day draw, or for one section of an Open/Amateur or Open/Novice. Don't assume permission to hand draw is for your entire trial unless it is specified. Sometimes just a change in one handler makes the difference between being able to draw online or not.
9. We are continuing to develop and correct the draw program so if you see something that is different than the instructions and you aren't sure what to do, call the office. We make changes faster than we can get the instructions out!
10. The draw automatically looks for Endurance qualifications and will draw as such if, and only if, both fields are identical and no one handles more than 2 dogs. If you have split dogs or even 1 3-dog handler, Endurance rules don't apply.
11. You can draw a field as small as 4 dogs (2 braces). It is programmed to do this so that you can draw both parts of an Open/Amateur or Open/Novice.
12. Any field, less than 10 dogs (5 braces) will not be subject to the "no back to back criteria". Many of the amateur portions will have multi-dog handlers and it would be impossible to draw this within the small number of available braces.
13. Make sure and delete dogs out of your pool that are deceased or retired. It makes it much easier to work with the smaller pool of dogs. If you are a region that hosts multi-regional trials or pre-trials before a National event, you can delete those out of region dogs also. It doesn't permanently delete the dog and you can always add them back in later.
14. When adding a new dog to your pool, don't worry about putting in the registration number or registered name. Just use the call name for now. We will get the information off of your trial report or from the owner if the registration is pending.

How to Draw an Open Double/Double Trial:

Modified 11/06/14

1. Go to Online Draw (New) from our website
2. Click on Create Draws
3. Select your region and type in your password. (If you need your password, call the office)
4. Click Login
5. Select Manage Trial
6. Click on Add New Trial
7. Enter the trial name
 - a. If you are just doing a test draw use "Test" or "Practice Trial. Add a start and end date that is a date in the past such as 2012-03-15 or 1996-01-01. This will prevent your test trials from showing up online to everyone in the region. The only people who can see this are the people that have the password to create and draw trials.
8. Click Submit - Your trial will now show up in the list of trials.
9. Select Manage Fields
10. Under Select Trial, click on the down arrow to select your trial
11. Click on the green plus button that says Add Field
12. Type in the first day of your trial

13. Select A Field
14. Select Type of Field: Open, Amateur, or Novice
15. Click Create Field
16. A message will pop up that says your field was created.
17. Repeat steps 12 – 15 using B Field
18. Repeat steps 12 -15 using the second day of your trial for both A & B fields.
19. You should have 4 fields showing at this time. If anything is incorrect you can delete a field by clicking the delete at the end of the row.
20. Go to Manage Entries
21. Select your first field.
 - a. The first few times you do this, you will see a huge list of dogs. This is where you will start to manage your region's pool of entries. If a dog is deceased, no longer running or has been moved from your region, click the red minus button that says Remove from Pool. This will take that dog out of any future trial pool. Don't worry if you delete the wrong dog. You can go back in to Add to Pool and add it back in.
 - b. The number of entries you have selected will show up at the bottom of the page. This will help you keep track of your entries. If your entries don't match the number of dogs in your list, you may have a "ghost" dog. This happens when a dog is entered twice by mistake but only one shows on the list. Uncheck all the dogs until the bottom of your screen shows a "0" (zero). Then recheck the dogs in your field.
 - c. You cannot draw with an uneven number of dogs in a field. If you have an uneven number, you will need to add a bye dog. See step #22 c, iii.
22. Select the dogs from the pool that will be running in the first field on the first day by clicking on the box next to their name.
 - a. If the handler is not the owner, click on the down arrow by the handler's name. This will give you the names of the handlers in your region to select from.
 - b. If the replacement handler is not in your region, click on the green plus button and wait while the system populates with all the NSTRA members to choose from. They will be in alphabetical order by last name. Choose the correct handler.
 - c. If you need to add a dog that is not in your region, click on the green plus button that says Add to pool at the top of the page. You can now choose from any NSTRA member. Once you click on a name, you have 2 options:
 - i. Select a dog from a drop down box that will show all the dogs owned by that member
 - ii. Add a new dog to the field by putting in the call name.
 - iii. If you have an uneven number of dogs and need to enter a bye dog, select OLD DATA from the list of members and select the dog named BYE.
 - iv. If you have a brand new member that isn't in the system, select Member as a last name. We have programmed the system with 2 entries called Member #1 New and Member #2 New. This will allow those people that pay at your trial or have recently paid at the office to participate before they get their member numbers.
23. Select your remaining fields.
 - a. If all your entries are the same, or close to it, select the box that says "Copy Entries from" and select the field. You can then delete the dogs that aren't the same by unchecking the boxes and adding the new dogs by checking the boxes.
24. You can review your entries at any time by clicking on the blue **"REVIEW ENTRIES"** above the list of dogs. This will show you the entries, by handler, and which fields you have selected them to run in. Make sure this is correct. This is where you can easily find handler errors.
25. Once you have all your fields completed and double checked that your entries are correct, select do draw (doesn't matter which field you are currently looking at). Another box will come up that says Do Draw. Select OK.
26. You will be taken to a page that shows your trials listed by Date and Category. For example if you have an Open/Novice Double, you will see 2 boxes. One will have the date and both open fields and the other will have the date and both novice fields.
27. After each listing, you will see in blue **(DRAW 1 BR) (DRAW 2 BR)**. As the trial chairman, you have the option to draw your trial with a minimum 1 brace rest or 2 brace rest between runs. Click on one of the selections. You will be taken to a blank page that says Click Here to return to previous page. Click on the red "Here" and it will take you back to the page where you can again choose to draw the other part of the trial. Please note that you do not have to wait until one section is finished to draw the other. You will see that the Status will change from Not Drawn to Processing. Set a timer for 3 hours, exit and come back later. The draw can take less than 3 hours and you can check it periodically.
28. After the draw process is complete, the status will either say Draw Complete or Failed. If it failed, you can restart the process at #27. You can do this as many times as you want but please note, if you are getting multiple fails doing a Draw 2 BR, you will probably want to change to a Draw 1 BR. The fails are usually due to the number of 3+ dog handlers in your trial and the total number of braces available.
29. Once the draw is complete, you can view the draw.
30. Printing Draw – Currently you will need to copy and paste the draw into a word document or right click on the draw to print it.

Common Problems:

The most common problem is not taking care to double check your entries and entering either the wrong dog or not changing the handler. Make sure you have everything right before you click on the do draw button.

If you make a mistake, you will need to contact the office to delete your draw. This can take up to 24 hours to complete.

Another problem we have encountered is changes not showing up on the field you are working in. This seems to be a browser (internet) issue. If you are sure you made the correction/addition and it isn't showing up, click on the refresh button (curved arrow at top of page) and allow your page to reset. Do not enter it again unless you have refreshed first.

Tips from  PURINA

Achieving a Performance Edge

It's no question that sporting dogs are different. Little things can make a big difference in a training program. Whether it's a slight tweak to the feeding, training, conditioning or evaluation of your hardworking dogs, these little things are sure to add up to success.

The 2014 Purina Sporting Dog Summit provided

top trainers and handlers of high-performance sporting dogs the tools and knowledge to help them on the road to performance success with their canine athletes. Appropriately titled "Achieving a Performance Edge," the two-and-a-half day program was held in July at the Purina Event Center in Gray Summit, Missouri.

It's important to include a proper warm-up, cool-down and recovery in your training program. Just 10 to 15 minutes pre- and post-exercise, plus mental and physical rest between activities, will help keep your hardworking dog healthy.

“Sporting dogs are different. The types of injuries, methods of prevention, diagnosis, treatment, rehabilitation, goals and expectations are different for these world-class canine athletes than for other dogs,” said presenter Dr. James L. Cook, Director of the Comparative Orthopaedic Laboratory at the University of Missouri. “Regardless, three key take-home points are to always warm up a dog before exercise, allow time for recovery between high-intensity activities, and cool down a dog after exercise.”

A concept applied to canine athletes by Purina Senior Research Scientist Dr. Arleigh Reynolds, periodization focuses on performance goals and how to optimize and restructure

muscle systems using a targeted approach to nutrition and conditioning. By manipulating training variables, you can maximize a dog’s capacity and performance. Begin with a timeline counting backward from when you want your dog to peak in performance, both mentally and physically, and gradually work up to that level of performance.

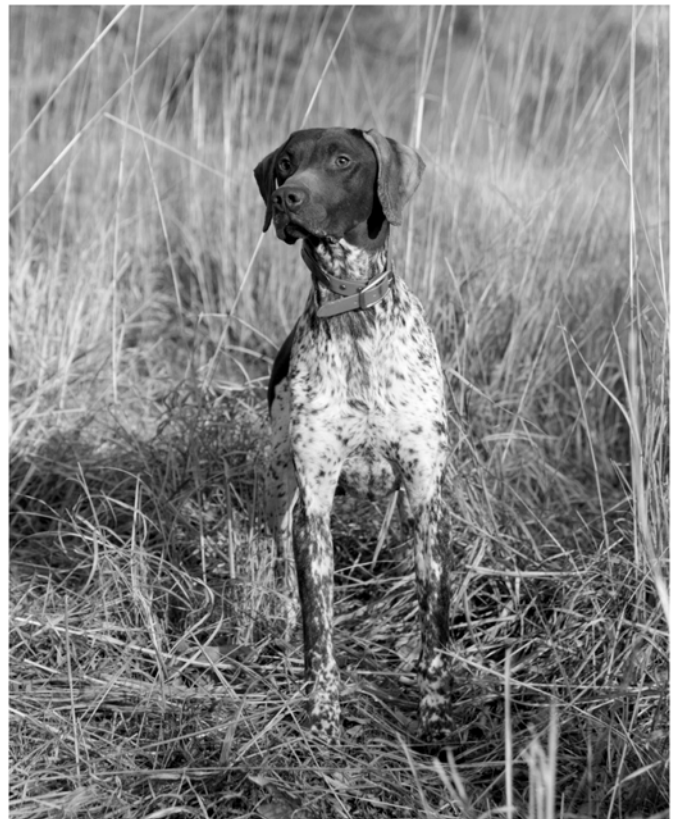

Purina Research Scientist Dr. Brian Zanghi and Dr. Jennell Appel, a certified

canine rehabilitation therapist who specializes in treating canine athletes, rounded out the Summit’s speaker panel. Zanghi and Appel delivered talks on nutritional priming and the recognition and treatment of soft-tissue injuries, respectively. ■

Tips from the Experts

Here are some of the key takeaways from the Purina Sporting Dog Summit:

- Warm-up, cool-down and recovery will help keep your sporting dog healthy. Allow 10 to 15 minutes pre- and post-exercise for your dog to gradually speed up and slow down during warm-up and cool-down, respectively. Giving your hardworking dog plenty of physical and mental rest will help him recover from exercise.
- Proper hydration is necessary for sporting dogs because exercise and environment increase water loss. For example, dogs become dehydrated twice as fast when exercising in warm, humid temperatures. Keep in mind that 50 to 70 percent of your dog’s body weight is water, so giving small amounts of cool water every 15 minutes during exercise is ideal. If your dog is not drinking enough water, try baiting the water with a touch of chicken broth, a few kibbles or wet food.
- Keep exercise balanced. Moderate exercise increases your dog’s immune function, while extreme exercise decreases his immunity. Excessive exercise also increases the risk of injuries due to fatigue and could cause mental and physical burnout.
- A complete and balanced diet is important for your hardworking dog. Dogs should be fed the same performance food year-round. A high-protein/high-fat performance food is optimal for sporting dogs because it metabolically primes them to use these fuels for exercise. Sporting dogs should be fed a performance food that provides from 28 to 30 percent protein and from 18 to 20 percent fat. Monitor your dog’s body condition to determine if you should increase or reduce the portion fed at different times of the year depending on activity level.
- Prevention of injuries is better than treatment. In order to catch a potential injury early, pay close attention to

Trainers should use cross-training exercises to help build strength and endurance. This also helps avoid injuries and mental and physical fatigue.

your dog’s gait. Perform an exam with the dog in a standing position, looking for asymmetry in your dog’s tail, paw placement and head position. Also observe the dog in a sitting position, checking for weight shifts and uneasy transitions from standing to sitting and vice versa. Should your dog display any signs of an injury, consult your veterinarian right away.

IMPORTANT THINGS TO REMEMBER!

ENDURANCE CLASSIC:

Entry into this trial will be based on all open points earned from June 1 through May 31. Points earned from placements in the final "Top 4" of National Championship trial or Regional Championship trial do not count; however, points from qualifying rounds do count.; however, points from qualifying rounds do count.

TOP PERFORMANCE:

Dogs must have at least 20 open points from June 1 through May 31 of the applicable year to be eligible. Points will be from weekend trials only. From there, the award will be based on national trials and regional eliminations. The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1st in order to keep the number of nationals the same each year. The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. For national trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1st – 800, 2nd - 775, 3rd – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1st – 600, 2nd – 575, 3rd – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for the third

and 25 for fourth. The placement for the regional eliminations and national trials is determined by the score of the last round in which the dog ran.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

TRIAL SCHEDULES:

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SCHEDULING FEES:

Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO

INVITATIONS WILL BE SENT. Any dog with a placement during specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

TRIAL OF CHAMPIONS:

The criteria for entry into this trial is that the dog has earned an open championship and is at least a 1X open champion by February 1 of the current year OR the dog can be a paid standby for this trial by achieving their open championship between February 2 and March 31 of the current year. 2014 Shriner's Crippled Children's Trial

***Trial Participants
L to R - Travis Starr;
The Barkers (VA),
The Taylors (IL),
The Clouds (AR)***

As summer turns to fall each year, field trailers from throughout the United States travel to Sparta, IL for the annual Shriner's Crippled Children's Trial held on the grounds of the World Shooting Complex. This was the 16th running of the event with handlers from 11 NSTRA Regions joining together as one voice; to see that all children are helped by our contributions to these men who make it possible – the Shriners.

October 3rd was the Illinois Region Benefit. The proceeds for this trial help defer expenses for region insurance and the regional elimination held each Spring. All trial personnel are with us at their own expense for the Benefit Trial and the Shriner's Trial held which was held October 4 and 5. Each judge, marshal and bird handler donate their time to make this a fun filled weekend – with Saturday and Sunday being “FOR THE KIDS”.

Judges on Friday were Donny Parker, Carroll Evans, Louis Kirkendall with Robert Franks as field marshal - all venturing from Arkansas. Illinois trial personnel were Austin Leslie and Kurt Klaustermeier as bird handlers. From the Mid-South region – judges were Steve Jaspering and Mike Grisson with Dorothy Jaspering as field marshal. J.B. and Mary Kay Kunza, MSM Region, and John Griffiths – Michigan Region – also served as judges. Brats were served at lunch prepared by Tim Reynolds and Chicken Wings were prepared by Jay Wade and Mr. & Mrs. Bud Carpenter after the trial. There were various type wings – hot and spicy, bbq, parmesan – you name it, and they cooked it. Hats off to the chefs.

Judging on Saturday A Field were Donny Parker and George Simpson – George driving from Louisiana to participate. Robert Franks again marshaled while Steven Cunningham handled birds for A & B field. On B Field Louis Kirkendall and Steve Autry – Mid-South Region were judges. C field judges were Dean Reynolds – IL and Mike Barker – all the way from Virginia with Bob Cunningham and Shelby Albert marshaling and Rob

Brockmeier (IL) handling birds. D field judges were Mark Kohlberg and Herb Ralston – IL Region.

The annual banquet was held Saturday evening at the Shooting Complex Clubhouse. Tim Reynolds is instrumental in arranging the auction and this year we were happy to have John Rawdin and Mikeal Mulberry as our auctioneers. John Blondell, Shriner from the Aniad Shriner's Temple was on hand to thank NSTRA for their continued support and speak about the various hospitals. We also celebrated Russ Taylor's birthday with a cake to be shared by all. Rick Bertinetti, Illinois President, thanked Ron Huels and Ron Becker for all their work in chairing the trial each year. The auction brought in an additional \$8,000 to be donated to the Hospital. Thanks to all those who brought items and also the bidders.

Sunday judges were Donny Parker and Jim Kroeschel (IL) A field with Bob and Shelby marshalling A and B. Rick Bertinetti and Ed Dooley presided over B field while Gordon Galloway handled birds for both fields. C and D field bird handler was Brad Herbert, with Ed Dooley and Rick Bertinetti judging C and Henry Hurst and Bruce Zoller judging D field. Michelle Reynolds was marshal for both fields. Our thanks to all the trial officials – the time and effort they put in is the main reason we are able to do what we do for the Shriner's and their Hospitals. We were able to once again donate \$22,000.00 which should put our total well over \$350,000.00 in the years we have held the trial. Shawnee Hills Gypsy, owned and handled by Chad Collison won the high point belt buckle donated by Rick Bertinetti. Congratulations Chad and Gypsy. Also, our thanks to our sponsors PURINA for providing Pro Plan for our auction and winners, and also to Garmin for providing us with a Pro 550 to be auctioned. These sponsors are an important part of NSTRA and we appreciate their help at all our trials. Until next year, happy trialing.

Shriner's Group - Our chefs for the weekend.

Having fun at the dinner.

Cheryl & Tim Reynolds

2014 PURINA ENDURANCE CLASSIC

For the 5th and final year trialers from throughout the United States ventured to Lewistown, Montana for the 2014 Purina Endurance Classic held at the Beeline Brittany Ranch just north of Lewistown. A view of the Little Belt Mountain Range to the south, the Judith Mountains to the north along with the Snowy Mountains southeast of the trial site offer a spectacular view. Our hosts, the Big Sky Region, along with land owners Gary Ramsey and Nolan Huffman welcomed trialers well in advance of the Championship event. These last five years at the grounds have given us the opportunity to visit and trial with some very special people and to also meet many new friends. It was somewhat melancholy leaving the area on Saturday evening, but perhaps we will be invited back in the years to come. Doug Cartwright, Leroy Rathburn and many others too numerous to mention were the backbone of the pretrial and championship event. They also received help from their Hutterite neighbors in preparing boundaries and water barrels. Trial Chairman, Adam Fellers and Co-Chairman Doug Cartwright, met with trial officials on Wednesday morning after a breakfast burrito and all the trimmings served by Jitter's Coffee Shop owned by two great gals – Jackie and Robin. Boundaries and safety areas were discussed and after the National Anthem, trial officials and handlers headed to their respective fields.

Judging A field were Stan and Cory Perdue, father/son duo (GA) with Nance Cecceralli (NW) as field marshal. Stan has officiated at 206 trials while Cory has judged 86. They are some of the “best of the best” in the NSTRA national judging arena – consistent and fair. Nance has been a member of NSTRA since 2002 and has judged 47 trials along with marshalling numerous trials. The bird handler for the trial was Curt Beckley (MSM). As the bird handler is one of the main characters in a trial, Curt did an amazing job placing the birds and keeping the trial moving along. The A field running follows with asterisk *** indicating brace winners advancing to Friday's elimination round. Also advancing would be the top 2 scoring dogs from A field that were not brace winners.

The Big Sky Region hosted a tailgate party Wednesday as a welcome to Montana. Now, we here in the east, call this a banquet with a menu of fried walleye – furnished by Elden Miller and prepared by Bobby Clark and Elden, peanut butter pheasant – compliments of Brent Underdahl, corn on the cob, numerous salads, appetizers, and scrumptuous desserts. The weather made for a lovely evening overlooking the gorgeous landscape of mountain ranges and valleys. Our thanks to all who were involved in the more than pleasant ending to the first day's trialing.

Thursday morning began at 7:30 a.m. with cool morning temperatures, just right for field trialing. Trial officials would not change fields and the competition follows with brace winners and 3 top scoring non winners advancing to Friday.

Thursday evenings festivities were held at the barn just north of the trial grounds. The spotless cleanliness of the barn was under the supervision of David Deaton and his gutter gang. They did a great job and Darlene Donovan and helpers set up the auction items after the barn cleaning. There is always a wide variety of auction items and this year was no different. A handmade quilt was created with t-shirts of the 5 Endurance Trials which had been held on the grounds. It was a beautiful creation and such a great souvenir of the trials held in Lewistown. A steak dinner was served with good ole Montana steaks, baked potatoes, salad along with homemade desserts from the ladies of the Big Sky Region.

Adam presented the trophies for Wednesday and Thursday's running and posted the draw for Friday's braces. A Calcutta was held with \$872 going to the NSTRA Scholarship Fund. The auction was then held with Tom Dafnis auctioneering the items and doing a wonderful job. He's also such a singer, especially about his poor, old girlfriend. Thanks Tom, it was entertaining.

Friday dawned as another beautiful Montana day with trial personnel switching fields. Donny, Bodie and Jean prepared for the first brace as Curt placed the birds. The format from Friday throughout the final one hour run would be brace winner's advancing noted with asterisk.

Immediately after the trial we made our way to the barn for another great meal. This evening the main attraction, BBQ Pig, was prepared and served by the Hutterite family and as always is a special treat. Thanks to Nolan Huffman and Dean Reinke for sponsoring this meal which everyone looks forward to each year. Adam presented trophies for Friday's trial and introduced several sponsors who were with us for the evening; Ted Gartner, Garmin Rep., Sam Adams and Eddie Dunford with Wet Mutt, Dean Reinke with Purina and Adam Fellers with Bayer Animal Health. Our thanks to these guys for their sponsorship and attendance at the dinner. Saturday morning's braces were presented and many of those running early braces turned in for the evening. Of course, many of those with early braces DID NOT turn in and headaches in abundance were on hand Saturday morning.

Thirty-eight degrees was the temperature Saturday at our 6:30 a.m. start time. It was a chilly morning, but Stan and Donny made coffee until Jackie and Robin arrived. However, some officials stayed in the car with the heater running until the last possible minute before they had to get out. The day started chilly, but quickly warmed for another great day of trialing. Stan, Cory and Nance called the handlers to the blind immediately after the plant and we were off and running by 6:40.

We were narrowing the dogs down with each qualification round and the next round would prove to be the round determining our final four contestants. We were good with daylight, but didn't intend to waste any time from one qualification round to another. We were scheduled to begin the championship round between 6 and 6:15 and everything looked good as far as daylight was concerned to meet our timeline.

There was little rest between rounds as is typical in an Endurance Trial format. Endurance is the name of the game and the dogs from Saturday's rounds were truly enduring some tough draws and little time between. The final two braces (6th round) produced the two dogs who would run the one-hour final along with the two dogs who would run another ½ hour brace to determine 2nd and 3rd runner-up. Donny and Bodie called Kurt with Jett and Tracy with Cheeto to the blind at approximately 5:30. When the brace ended Cheeto had bested Jett to win the 2nd runner-up position with Jett accepting 3rd runner-up.

As the ½ hour brace ended, Stan and Cory made ready for the one hour final while the fence between the two fields was removed and taken from the field. It was done in record time and at approximately 6:15 p.m. the hour brace was called to the line. We cannot say enough about the job Jean and Nance did as field marshals. They were on top of each piece of work during the week and kept things rolling in record time. As Country Lane Hank with Elden Miller and Stott's Silly Cici with Mike Stotts came to the line on A field, friends and well wishers met them to wish them luck and cheer them on. It seemed that Hank tired early as well as Elden and Mike. Only Cici seemed to turn on as time went on and at the end of the hour, Cici had managed to put 8 birds on the card to Hank's 1. As these two special people and hard running, consistent dogs came back to the gallery, everyone was on hand for congratulations, hugs and tears. It was a gallery different than most; everyone was cheering for both handlers and both dogs. Proving that these are two really extraordinary individuals and 2 great dogs.

Hank had scored on 1 find, 1 retrieve and a back for a total score of 353.5 points. Cici scored on 8 finds – 70, 87, 88, 73, 86, 79, 89, 84; retrieves – 78,80, 80, A, 77, A, 78,A; and back totaling 1502.3 points. A jubilant ending to a great brace and great week of trialing.

Saturday's stats were: Highest Find – 95 points – Cici – Edie/Mike Stotts

Retrieve – 93 points – Nose/Adam Fellers

Obedience – 68.5 – Nose/Adam Fellers

Ground Coverage – 89 points – Jack/Jerry Youmans

Back – 73 points – Lucy/Mike Stotts

With darkness soon to come, we headed to the barn the final time for trophy presentation. Adam with Nose was 4th runner-up and was presented a bag of Pro Plan from Purina and Cotton owned by Jim Fallon and handled by Nolan was the 5th runner-up and also received a bag of Pro Plan.

As Kurt Lang with Godfathers Pepper Guns Jett, made his way to the front, a round of applause went up for this hard hunting Brittany Male. Kurt and Jett make their home in Parker, Colorado and Kurt is a member of the Rocky Mountain Region. Jett is from BB's Lucky Strike (3 x NSTRA Ch) and Cast A Britt Annie. He is five years old and has 20 lifetime points of which 8 are first place points. Jett's first placement came on 2/25/12 at the Steel Fork Pheasant trial placing 3rd. He followed in May, 2012 with a 3rd at the RM Regional qualification round. In May 2013, Jett also placed 4th during the RM Regional Finals. The highlight of Jett's career (until the Endurance win) was winning the RM Regional Championship in May of 2014. Kurt received the Purina Winner's Jacket while Jett received 112.5 # of Purina Pro Plan all compliments of Purina. Congratulations to Kurt and Jett for a fabulous week.

Second runner-up was a new comer to the National Trial scene, Randlett Cheeto Dust owned and handled by Tracy Neilson (UT). Cheeto is a five year old, orange and white English Pointer female and a 1 time NSTRA Champion. Cheeto is from the infamous Stephens Bright Copper and Young's Issabella Gold. Who can forget Copper as a 25 time NSTRA Champion with 3 regional wins and 2 National Championships to his credit? Cheeto has 24 lifetime points of which 10 are first place points. She earned her 1st NSTRA Championship at the 2014 Endurance Trial. Her first win was on 2/19/12 at a Utah Region Trial. In addition to Tracy and Cheeto, also attending were Tracy's brothers Lance and Shane who also had dogs from Cheeto's litter – Randlett's Artwo Turbo and Zippin Blue Rock Benelli. Tracy and Cheeto received the Purina Winners Jacket and 112.5 # of Purina Pro Plan compliments of Purina. It was such a pleasure to observe 2 new comers to the Top 4 circle; the excitement and enjoyment displayed by Tracy and Kurt was truly a special feeling for all. Congratulations to Cheeto and Tracy for an awe-inspiring week.

Although Elden Miller is no new comer to the National scene, his dog, Country Lane Hank, is. This 3 year old male English Setter is a dog to be reckoned with, a young tough competitor from the MN Region. Hank is from Second Chance Scooby (8x NSTRA Champion, 2x Regional Champion) and Milrun Gabby. He has 27 lifetime points of which 21 are first place points – seems Hank doesn't mess much with 2nd and 3rd's only 1st place points. His first placement came on 4/7/13 at a MidNorth Region Trial. On 5/25/13 he also placed 1st runner-up at the MN Regional Finals. In May, 2014 Hank earned 1st during the MN Regional Qualification Round and placed 3rd runner-up during the MN Final Championship. No doubt we will be hearing more about this fine, young setter in time to come. Elden was presented with the Championship Jacket from Purina along with 250# of Pro Plan. He also received a pair of bird shooter boots from W.C.Russell Moccasin Company from Berlin, Wi. Elden's wife, Carol, was along for the trip

and was able to enjoy Elden and Hank's championship win. Congratulation to the Miller family and Hank for a super week.

THE WINNER: All smiles was the order of the evening for our winner, Mike Stotts with Stott's Silly Cici, 7 year old English Setter female. Cici is owned by Mike's wife, Edie, who was unable to attend the trial and was missed by all. Cici is from Angie's Dogwood Cash (12 x NSTRA Champion) and Wilson's Miss Abbey. Cici was consistent throughout the week and many times consistency is the name of the game. Cici has 36 lifetime points of which 15 are first place and 21 other points. She earned her 1st NSTRA Championship on 8/24/13. Her first placement came on 5/15/11 at the Spokane BDC. She followed on 5/18/13 with a 2nd place during a NW Regional Qualification round and earned a 3rd place win at the 2013 Purina Endurance Qualification. In 2014 Mike traveled to Waverly, Nebraska and placed Cici during a qualification round of the UKC Performance Championship. On Friday of the Endurance Trial, Cici finished with a 2nd place win. Adam presented Mike with the Purina Winner's Jacket and 450# of Purina Pro Plan donated by our One and Only dog food sponsor, Purina Pet Products. Mike also received the Pro 550 from Garmin, with Adam making the presentation. He received 4 boxes of Shotgun Shells donated by Kent Cartridge from Keameysville, WV. A beautiful handmade knife from Yukon River Knives – Ron Stepp – was presented to Mike and will be presented to each winner of a Championship Trial in the future thanks to Ron. A special congratulations to Mike, Edie and Cici – a perfect example of another extraordinary family whom we are so proud to have in our NSTRA Association.

In addition, each of the Top Four winners received the following gifts: a gift certificate from Garmin, Shotgun Shells from Kent Cartridge gift certificates from Foster & Smith, Dogs Unlimited and Red Haw Supply. A winner's trophy and coveted Belt Buckle was presented by Adam to each winner along with a dog mat from Wet Mutt Inc. and K-9 Advantix donated by Bayer Animal Health. Each goody bag included a water bag and Pro Plan from Purina, Dog Mat from Wet Mutt Inc., hat from NSTRA, and K-9 Advantix from Bayer Animal Health.

It has been said often times that we could not do what we do, if not for our sponsors. This is especially true at the Championship level. It's always great to have Dean Reinke with Purina attend our trials. Dean is always willing to talk pet products and has many suggestions to pet owners. Our electronic collar sponsor, Garmin, is always on hand for the championship events along with our regional eliminations and a sponsor of the Shriner's Crippled Children's Trial held in Illinois each fall. This year our Garmin Representative was Ted Gartner and his attendance was also appreciated. Of course the certificates from Foster & Smith, Dogs Unlimited with Alan Davison, and Red Hall Supply/Dion Bliss add to our championship events along with our new sponsors – Kent Cartridge, Yukon River Knives, Wet Mutt, Inc. with Eddie Dunford and Sam Adams, and Bayer Animal Health Company. Again, a big thank you to each of these sponsors and please avail yourself of these products whenever possible.

So it's with sadness we bid the Beeline Brittany Ranch, the Ramseys and BSR adieu and hopefully we'll be back in the area real soon. It's been a pleasure to be involved with all those who have made this trial a truly special event.

HIGHLIGHTS: It was good to visit with Leroy and Marlys Rathburn and Beth Cartwright as they sold their BSR shirts and aprons under the tent each day. Several mornings we were happy to wear our hoodies from the BSR Region.

Thanks to all those who cleaned fields and ran much needed bye dog spots, also to Jitter's Coffee for some really fine food. As always, the trial personnel did a great job and we appreciate these men and women who spend time away from home and their regular jobs to help make our championship events memorable.

Thanks to Sharon Ramsey for naming the Gutter Gang (of which Gary is a member). They are strange creatures but are always helpful in doing whatever needs done. Thanks again Guys.

Again, it was such a pleasure to visit with the Neilson Brothers from Utah. If they told me once, they told me 10

times that they WOULD BE BACK. That's what we need to hear; they had fun and as we sometimes forget – that is why we are here and do what we do.

Robin and Bill Kinder joined us Friday evening and brought along Bullet's Texas Sage(Bear) one of the last remaining sons of Nolan's Last Bullet. Bear is 14 years old but still travels well and points a quail on occasion. Bill is broadcasting on several stations in regards to the Purina Classic; check the website for times and stations.

It was an added bonus to have Eddie Dunforth and Sam Adams attend the trial along with also donating dog mats for each handler. We already have entries for our DOY Trial asking if we are having those mats again – yes we are.

**Until next time,
Happy Fall Trialing and
Wild Bird Hunting.**

PURINA® REGIONAL TRIALING

ARKANSAS/LOUISIANA

10-18-14 West Ark FTC A Field - L-R

1st, Power's Gun Slinger - John Branch; 2nd, Moser's Bad River Nell - L.D. Moser; 3rd, Lightning Bar's Quail Hammering Ace-Rob Daniels (1st time placement with his Wirehaired Pointing Griffon)

Oct. 10 Open Winners: LD Moser/Nell, Chantal Johnson/Amos, Deb Meline/Lippy

Finally! The season has started! And North Ark. Quail Club was rearing to go! October for NAQC turned out to be quite eventful with new members and memorable runs.

Our first trial of the season was October 11 & 12. It was cool and it rained most of the trial. But new members and first time trialers, Allison Blankenship, Chantal Johnson and Tad Hickerson brightened our weekend. Chantal placed 2nd in the Open on Saturday with Amos and Tad placed first in the Amateur on Sunday with Rose. Allison is the new bride of Heath Blankenship...and a smiling face at all our trials. Congratulations Heath and Allison!

Our 2nd trial in October was held October 25 & 26. Very hot!! Allison, Tad and Chantal came back for more. Tad won the Amateur on Saturday. The trial was full and we were pleased to have our friends from Louisiana and southern Arkansas join us.

However, the highlight of the trial was an "8-8" show put on by Kelly Batterton and Jeb (Jeb's Little Trade Mark)! "Jeb" is a 4 year old Brittany and an Amateur Champion. Jeb's dam is Mel's Ginger (Little Girl), the same dam as TJ's Micro-Tequila Watson, NSTRA 2014 Winner of the Trial of Champions and 3rd runner-up in the 2014 Dog of the Year, both bred by Otter Creek Brittans, also members of North Ark. Quail Club.

It was very warm that weekend and Kelly and Jeb gave it all they had. Jeb hit the water barrel and Kelly headed for a shady lawn chair. It was a great run! Congratulations! An "8-8" bird find is the highest recorded since the North Ark. Quail Club was formed in 2011.

It's beautiful in the Ozarks this time of year and I am reminded of how blessed we are to do what we love in this beautiful, peaceful country.

SUPERMAN

Look out trailers, the Florida Region has its own "Superwoman" – a/k/a Sandy Trezona. It was very HOT and humid but regardless Sandy, at our first trial (and first Open/Novice trial) of the fall season beat up on the rest of the competitors pretty handily. Sandy placed first in both fields with her, now retired, EPF- Sandy's Pretty Girl. What a way to go out! Sandy did a great job, and from a first-hand report from her gunner Rick Trezona, he said "I looked over run and Sandy had her boots off and was standing in the pool of water for the dogs trying to cool her feet off in the middle of the brace". Where's the camera when you need it! LOL

Now Sandy wasn't the only Trezona that placed; her hubby Rick placed in the Novice group with Sandy's EP-M Sandy's Rambling Bud. What a great day between the two of them. Sandy "Superwoman" Trezona won the Open High Point Award and Rick placement put him at the top of the novice and he won the Novice High Point Award. Way to go Trezona's.

We did have another Novice dog place and that was Dan Myers EPF – Dan's White Powder Doll who was handled by Butch Butler. Dan who is away at college called to check up on things and he is having WAAAY TOO MUCH FUN at college but, happier than heck about Doll's placement. What we all want to know Dan is what that picture of you is in the bright orange dress in the boutique all about?"

The remainder of the field was:

Field A:

- 1st Place: Sandy Trezona and Pretty
- 2nd Place: Dan Myers/Butch Butler and Doll
- 3rd Place: Sandy Trezona/Rick Trezona and Bud
- 4th Place: Clayton Ashmore and Rowdy

Come on Fall and cooler temperatures!

Field B:

- 1st Place: Sandy Trezona and Pretty
- 2nd Place: Sam Ashmore and Cooper
- 3rd Place: Butch Butler and Hudson
- 4th Place: Donny Layton and Trouble

Special thanks to Bruce VanVliet for chairing and judging the trial along with judges James Carver, Will Heddon and Tim Faas.

It was a very long hot day but we made it through.

Come on Fall and cooler temperatures!

REGIONAL PRELIMINARY ELIMINATION TRIAL

What a great performance we had from two handlers and two dogs for our Regional Championship! Anyone who stuck around saw a Championship run to be remembered.

The Northern Illinois Regional Preliminary Elimination Trial run was the pre-cursor of some great dog work. All of our qualifying dogs had a great opportunity to finish in the top six, and while many of the scores were close, only six were able to carry on into the Regional Run-Off

The top six included Rich Resuli's Vega, Bob Webber's Lilly, Tom Rotundo's Dash, Jim Kisner's Ace, Brian Camper's Smitty, and Mike Roach's Vader. While everyone performed well, the two dogs that qualified were outstanding. They certainly made it known that they were serious contenders for the Northern Illinois Regional Championship.

The fence was opened between A Field and B Field, when Bobby Rezzardi, our bird handler for the day, began placing birds in the field for the Brace. And when Brian Camper and Mike Roach cast off their dogs, we knew we were in for a treat. While it was the first time for Roach, Camper had many experiences of running in the Regional Championship and Roach gave him every reason to draw on that experience.

Smitty and Camper took an early lead and seemed in control of the run. And as quick as that crossed the mind of the spectators, Roach and Vader matched Camper and Smitty bird for bird. As Roach tied Camper, it certainly became either dog's Championship. When one would take the lead the other would reach back and find that bird to tie things up again. It was 4-3, then 4-4, then 5-4, then 5-5. When all was done, it was Brian Camper and Smitty that claimed the Championship. Based on what we saw from our two handlers, we are sure that they will be back in the hunt for another Championship run next year.

The Northern Illinois region wants to thank J.B. and Mary Kay Kunza for judging and Bobby Rezzardi for handling the birds. You did a great job!

Congratulations to Brian Camper, Mike Roach and the two dogs that gave it their all and never quit, for giving us a most exciting and memorable Championship Trial!

BALLOT INFORMATION - WE NEED YOUR VOTE!

An amendment to the constitution and several rule changes were voted on by the NSTRA Board of Directors at their semi-annual meeting on October 22, 2014. The following were approved to send to the membership for their vote. Please find your ballot as an insert in this issue of the magazine. Cast your vote on one ballot for all 3 changes, sign and return to the NSTRA office by January 15, 2015. Two ballots are included in case you have multiple members in your household. Changes are in ***Bold/Italic***.

1. National Trials

Due to survey feedback we have received regarding National Championship Trials the following change was requested:

National Shoot to Retrieve Field Trial Association, Inc. Constitution
Article II, Section I, F (page 60)

Currently reads:

F. Schedule and conduct annual “Dog of the Year” and/or National Championship field trials, said Dog of the Year and *the National Championship Trial* to be held at the Conservation Bird Dog Club at Amo, Indiana.

Amend to read as follows:

F. Schedule and conduct annual “Dog of the Year” and/or national championship field trials. Said “Dog of the Year” trial to be held at the Conservation Bird Dog Club at Amo, Indiana.

2. Section 4 SAFETY:

There have been several near misses recently and safety should be a top priority to our sport. Clothing should not be faded and all participants should be included in this rule including bird handlers.

Currently reads (page 22):

4.01 All participants shall wear a hat or vest of blaze orange while in the field. This includes judges

Amend to read as follows:

4.01 All participants shall wear a hat or vest of blaze orange or, ***safety green where allowable by law***, while in the field. This includes judges.

Minimum Age Rule Change 8.05

There has never been minimum ages put on bird planters or field marshals. Bird planters are responsible for not only a critical portion of the field trial but must have the ability to handle an ATV quickly and under pressure. In addition, regulations in different states and insurance liability requirements are such that a minimum age of 16 is required.

Field marshals are as critical to a trial as the judges themselves. NSTRA established a minimum age for judges, and field marshals should be held to the same standards. Not only do they need to be capable of watching the field and instructing the participants but they also need the maturity to maintain composure and consistency in decisions.

Current Rule (page 27):

8.05 The minimum age to be in the field shall be ten years of age, and to gun for self must be 16 years of age and hold a current Hunter's Safety Course Card.

Amend to read as follows:

8.05 The minimum age to be in the field shall be ten years of age, and to gun for self must be 16 years of age and hold a current Hunter's Safety Course Card. ***The minimum age to plant birds must be 16 years of age. The minimum age to be a field marshal shall be 18 years of age.***

FIRST TIME PLACEMENTS

The National Office now requires a copy of the dog's registration certificate for first time placements. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (nstrfta@ameritech.net) or a photocopy by regular mail.

NSTRA Youth Scholarship Fund

A. NATURE OF AWARD: National Shoot to Retrieve is offering a one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

B. CRITERIA FOR SELECTION:

- 1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information **MUST** be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

C. STIPULATIONS: The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

D. PRESENTATION OF AWARD: The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.

"A working dog's worst enemy is dehydration.

If my dogs are dehydrated, they can't go to work. And we're on the road 70,000 miles each year. I worked out a plan with my veterinarian. Now I keep my dogs on FortiFlora® until we're back home."

— George Hickox

Bird dog trainer and guide George Hickox has a passion for upland hunting. He has trained and campaigned National High Point Champions, Field Champions, and has garnered over 100 field trial placements.
