News From the Officers

I would like to take the opportunity to thank everyone for allowing the new officers and board to serve its members. A very special thanks to Butch Jackson, Scott Townsend, and Frank Llano for the service they have done for the members the past few years and leaving behind a fiscally sound NSTRA.

Moving forward this group of officers feels there is an opportunity to promote NSTRA to a larger group of demographics thru marketing and sponsorships. With that being said we feel that we can recruit active membership and generate interest at the club level to help our sport thrive not just survive. Obviously this is going to take some hard work from each and every member and for all of us to function as a team to achieve a common goal.

One other point of interest, we all need to immediately work on supporting the UKC registry and work with the office on getting our dog's pedigree and history solidified in this registry. The relationship between NSTRA and UKC is going to be a pivotal element for our future growth.

Sincerely,

Chad Collison

From the Rules Committee

The NSTRA Rules Committee has reviewed the following issues and recommends the following:

A question was raised regarding the definition of "interference" due to the apparent conflicting definition between the Judging Guidelines and the Rule Book. Application of these two conflicting definitions has been inconsistent in field trials, both Regional and National, at best. This inconsistency is apparent in both intra-regional trials and inter-regional trials, along with different national trials.

Judging Guidelines, Who's Find Is it? Situation #3 says:

Dog A points. Dog B sees him, comes into the area and moves ahead of him and points. Dog A leaves the find (breaks point). Who's find is it?

Neither dog receives credit for the find. Take the bird out and credit no find. Dog B will also receive a zero (0) on back. The judge should give dog B a warning for interference and advise the handler that the dog will be picked up if it interferes one more time. If the interference is the second for dog B the brace should be stopped, dog B picked up and replaced by a standby dog.

Rule book 2011 Edition # 1.16 and #2.10 say:

* Note: Dog that continues flushing its brace mate's bird(s), disrupts brace mate's ability to compete or continually fights and/or takes birds out without scoring will be picked up at judge's discretion.

The Rules Committee feels that both Rule 1.16 and Rule 2.10 contain notes/verbage denoted by an asterisk that attempt to provide insight as to the definition of "interference". It is this definition that the majority of the rules committee feels is correct. Stealing a point, when the bird doesn't flush is not "interference".

Can a handler use an extra minute after brace time expires to remove a scored on bird that is marked dead for the brace? Members are confused about this issue because when the extra minute was put in the rules there was no such thing as a scored on bird marked dead for the brace. Dead birds for the brace was put in the rules in the late 80s or early 90s.

The Rules Committee feels that the judge to instruct the handler to take the bird out within the extra-minute. This assumes that the bird was pointed before the 30 minute brace had expired. All rules pertaining to the extra minute would apply.

A question was brought up whether a handler with an ATV variance could get off of their ATV and handle the dog into an area.

The rules committee referred the question to the document "Handling from an ATV during NSTRA Recognized Field Trials" which the member has to agree to and sign. Item # 11 states that a handler must stay on his ATV unless he is involved in a find, retrieve, back or relocation. Therefore, the answer is no, a handler may not get off the ATV and handle a dog into an area.

There were also two rule changes that were introduced to which the rules committee responded. These were brought before the National Officers and the Board of Directors and they voted that these rule changes should not be sent on to the membership for vote. However, the comments from the rules committee are included as follows for general information.

A proposed addition to the rule 8.26 (no cell phones) to state: There shall be no cell phones **or cameras** allowed in the field at any time by anyone including handlers, gunners or judges. Anyone violating this rule could be suspended from all recognized field trials for a calendar year following the violation. The reason for this was that a judge was taking pictures in the field of dogs and handlers and not paying attention to what was happening on the field.

The rules committee did not support this rule change because many regions allow someone to ride with the judge to take pictures. They felt that the rule was too restrictive. However, they did note that the judges and field marshals should commit 100% of their attention to the dogs and the trial.

A proposed new rule change stating that birds that are use in a trial may not be recycled or reused in any field trial. The reason for this proposal was that trial chairman weren't purchasing enough birds for the trial and they were collecting the live birds from the judges to reuse. Reusing injured birds with dog saliva on them did not ensure a fair trial to all entrants.

The rules committee did not support this new rule. It is undesirable to reuse birds however; it may be unavoidable in some cases due to illness, injury, or predators.

Spring Field Trial Schedule

Entry forms must contain all requested information or entry cannot be accepted. Trial chairman may not accept entries postmarked prior to **December 1st** for the Spring trial season (January 1 to June 30) or postmarked prior to June 1 for the Fall trial season (July 1 to **December 31**). Trials will be advertised in the NSTRA magazine, NSTRA web page, or regional presidents may be contacted.

IN THE KNOW...

Spotlight Member:

We would like to feature some of our long time NSTRA members in the magazine. We would like for you to submit nominations for this. Like the longest running member in your region? The member who was key in starting or maintaining the region throughout the years. The member who is always helping out with the trials. Tell us what makes that person special.

Minimum Requirements for NSTRA Hall of Fame Nominations

1. A dog must be a 10 time champion and have won a regional elimination trial.
2. A dog must be at least a 5 time champion and placed in the final four during a NSTRA championship trial.

Important!

All entries to Championship trials will only be taken by telephone, email, fax and regular mail.

Important!

Only those persons qualified as a field marshal are to marshal trials. Also, all trials should have a qualified marshal at the field the entire length of the trial. Many trial reports are coming to the office with people listed as field marshals who in fact are only members.

DISCIPLINARY POLICY

“Effective September 1, 2007 all decisions of the NSTRA Board of Directors which result in any form of disciplinary action affecting any NSTRA member are required to be contained in the magazine next published after the disciplinary decision is rendered by the NSTRA Board of Directors. The information so published will be the name, membership number and region of the NSTRA member affected, along with the disciplinary action so levied by the NSTRA Board of Directors, and the time period governed by the NSTRA Board of Directors decision.”

Procedure for Change of Ownership

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

Hall of Fame Nomination

In an effort to recognize and honor those deceased dogs which have contributed significantly to the ideals and goals as established under the original constitution and by-laws of NSTRA, we have devised the following plan. We feel this plan will take the politics out of our hall of fame endeavor and the most worthy dogs will be inducted each year.

Each dog will be rated according to his win history. Categories will include National Championship Wins, 1st, 2nd, and 3rd Runner-up National Championship placements, Number of NSTRA championships, Top Performance award, and Regional Wins.

The period for submitting a nomination will open on November 1 of each calendar year and close on March 31 of the following year. The nominations will then be given to the Hall of Fame committee and the win history on each nomination will be thoroughly checked and scored according to the following system with the 2 inductees being announced at the Dog of the Year trial in October.

The Hall of Fame committee will score the nominated dogs in the following manner; one point will be given for each win under each of the above categories in paragraph 2. For example, if a dog has won the dog of the year trial twice, he will be given 2 points under national championship wins.

If he was also a regional winner one time he will be given one point under regional wins. Understand, the preceding two categories, plus top performance award must be first place wins. Under 1st, 2nd, and 3rd runner-up National Championship placements one point will given for 1st 2nd or 3rd placements. If a dog is a 12 time NSTRA champion, he will be given 12 points under number of NSTRA championships. When all the dogs have been scored in this manner on the worksheet, we will come back to each category giving the highest scoring dog under each category one point, the 2nd highest scoring dog 2 points and so on. In this manner, the dog with the lowest amount of points will be the first inducted dog with the 2nd lowest scoring dog being the 2nd inducted dog.

When appropriate, due to unusual circumstances, an additional dog may be inducted into the Hall of Fame by becoming the “board of directors pick.” This may be a dog who has not won under many of the above categories, but may have made significant contributions to NSTRA by other means, i.e. having sired an unusual amount of NSTRA Champions, winning numerous Regional Championships only to mention a few areas that the board of directors might deem Hall of Fame material.

In case of a 2-way tie for first, both dogs will automatically be inducted. If there should happen to be a tie for 2nd, the dog with the most 4th place wins will be the inductee.

Nominations of dogs to the NSTRA Hall of Fame are not “carried over” to following years should the dog not be elected in the year nominated. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

ALABAMA

Our apologies to the Alabama regions for missing
Their regional elimination articles in the last issue.

March 10th marked the completion of the Alabama Regional Elimination. Danny White's Shooting Preserve in Heflin, Alabama hosted our event this year. We could not have asked for a better venue. The fields were large with excellent cover.

On Friday the 9th, 36 dogs competed to qualify for the elimination. Out of those 16 dogs, the top 6 dogs were: "Blaze"/Jeffery Waldrep, "Rocky"/Alan Holloman, "Hope"/Russell Swafford, "Patch"/Billy Waldrep, "Toby"/Terry Ransone, "Duke"/Alan Holloman.

Saturday afternoon a winner was announced. The Alabama Region Champion for 2011- 2012 was "Blaze"(s/m) handler-Jeffery Waldrep-owner Billy Waldrep. Our 1st runner-up was "Toby"(b/m) o/h by Terry Ransone. "Toby was last years champion. 2nd runner-up was "Rocky"(s/m) o/h by Alan Holloman, and 3rd runner-up was "Hope"(s/f) o/h by Russell Swafford.

Ricky Gunnyon and Corey Perdue did a great job judging despite the bad weather. Adam Downs took care of planting the birds, while Sharry Downs kept things running smoothly as Field Marshal.

High Point dog this year was "Hoss" (p/m) owned by Sharry Downs-

Jeffrey Waldrep Winner with Blaze

handled by Wesley Downs with 19 points.

Danny White's Shooting Preserve prepared a wonderful steak dinner for our banquet Friday night. Danny also donated a puppy from his next litter for us to auction off. (Wess Hallman won the bid.)

The following officers elected for the 2012 season will be: Wesley Downs President, Bill Millians Vice-president, and Dianne Minton Sec/Treas.

Several special awards were also given out. Judge of the year was given to Jeffrey Waldrep. Sportsman of the year was George Gordon. Rookie of the year was Mike Markham. "Hope" who placed 3rd runner-up, was voted "Most improved dog".

Rain, cold and windy weather did not dampen our spirit. Congratulations to all our winners. A special thanks to "Purina" Dog Food.

Respectfully, Dianne Minton

Wesley Downs and Hoss - Hi-point dog

Terry Ransone and Toby - 2nd place

Rocky & Allan Holloman - 3rd place

Russell and Hope - 4th place

All of Us!

Playing horseshoes

L to R:
1st Donald Roberts & Toby, 2nd Keith Koon Skeeter,
3rd Glenn Johnson & Bo

The annual Ironman competition resumed at the Johnson Farm in Sparta, GA. We gathered in the cool of the morning to draw the braces for the bird dog portion of the competition. 20 minutes and 10 birds per field with one point for each point, retrieve or back. After that, we went to the shooting range for the pistol at two distances and a rifle event, too.

Then a break for lunch and skeet shooting, fishing and a horseshoe toss to finish it. Amazingly, every year it seems to come down the horseshoe toss! The final toss had Donald Roberts down one point to 4-time Champion Keith Koon. They each tossed two shoes and on the last throw, Keith's shoe hit Donald's shoe and knocked it into Keith's other shoe, which fled the premises and came to rest for a point, along with his first shoe- for two points and the win! The Handmade Welker Original 2012 Trophy was presented to Donald Roberts and Toby, Second to Keith Koon and Skeeter and third to Glenn Johnson and Bo. Congratulations to all you Iron Men!!

Ladies making lunch.

MOKAN

Rick Manfredi, MOKAN Regional President

Our apologies to the Mokan Region for missing
Their regional elimination articles in the last issue.

The MOKAN Regional Elimination Trial was held on April 21st and 22nd 2012 near Sterling, Kansas. Thanks and well done is in order to our Salt Plains Field Trial Cub and Mark Gillespie and Kyle Kopfmann who set up the trial grounds. We wish also to thank Mr. Kenny Fields of Fields Outdoors for being at and donating products to our region.

A total of 32 dogs ran in qualification round field on Saturday. Winners of the qualification round were:

First place: Sawyers Flash Point and handler Bob Sawyers with a score of 918.

Second place: Chip's Southern Alibi and handler Mark Gillespie with 865.

Third Place: Ellie's Crazy Katie and handler Nick Hachman with 811.

Bob Sawyers and Mark Gillespie have been here before. This was Nick Hachman's first regional placement. Congratulations Nick.

Sunday morning the top sixteen dogs competed in eight braces. The top six dogs from this field then ran in three braces to determine the top four placements. The top six handlers and dogs were; Swift Rock Molly and Chad Griffith, Paint Creek Lilly and Don Wells, High Flying Fancy and Alan Shick, Chipp's Southern Alibi and Mark Gillespie, Rawhide Blazin Thunder and Rick Meyer, and Lucy's Ragtime Son and Stan Snyder. Fancy and Thunder were the top two dogs that advanced to the hour run.

Remembering Sweets and J.D.

By Suzanne Freehauf

To say it's been a bad year for Charlie Golden is a gross understatement. You may have seen the news about Charlie losing his house and all its contents in the High Park Fire in June on the NSTRA web site. That was a horrible loss, but at least all three of his setters, his constant companions, made it out unharmed.

Now, the unimaginable has happened. Two of his setters, Sweets and J.D. were shot by his neighbor on Sunday, October 21, 2012. It seems his neighbor has zero tolerance for other peoples' animals on his property and... no soul.

Sweets was ten and a half years old (2/14/02 – 10/21/12). She was slowing down, but still had no trouble finding birds. She had a total of 5 open NSTRA points and most notably, finished 2nd runner-up in the Rocky Mountain 2011 Regional Championship. Sweets got her name for being just that – sweet. J.D. was a five year old 1X NSTRA Champion who had a total of 21 open points

(2/4/07 – 10/21/12). He also finished 5th runner-up in the Rocky Mountain 2011 Regional Championship. J.D. was one of the region's favorites to watch, because of his elegant style. But when he was not on the field, he was just a lovable dog. Luckily, J.D. left something behind. He sired two litters about a year ago, and all seven of the offspring that I have seen work inherited J.D.'s good looks and bird-finding skills.

Everyone in the Rocky Mountain Region's heart goes out to Charlie. He and his dogs are a fixture at every trial. Some of you in the Mid-West and West Texas regions may have met Charlie when he attended the Performance Classic in Waverly, Nebraska in June, 2010 and most recently when he attended a trial in Amarillo, Texas. We will always miss and fondly remember Sweets and J.D. And we'll keep an eye out for those up-and-coming J.D. pups!

INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Directors of
National Shoot-to-Retrieve Field Trial Association, Inc.:

We have reviewed the accompanying statements of assets, liabilities, and net assets—modified cash basis of National Shoot-to-Retrieve Field Trial Association, Inc. (an Indiana not-for-profit corporation) as of June 30, 2012 and 2011, and the related statements of revenues, expenses, and changes in net assets—modified cash basis for the years then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with the modified cash basis of accounting, as described in Note 1.

NATIONAL SHOOT-TO-RETRIEVE FIELD TRIAL ASSOCIATION, INC.

Notes to Financial Statements

June 30, 2012 and 2011

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

National Shoot-to-Retrieve Field Trial Association, Inc. (the "Organization") is a not-for-profit corporation created to aid in educating the public and to improve training, breeding and good conservation practices of the field trial competition through the use of a well-trained hunting dog.

Basis of Presentation

The Organization prepares its financial statements on the modified cash basis which includes a provision for depreciation of capitalized assets. Under this basis, revenues are recognized when collected rather than when earned and expenses are recognized when paid rather than when incurred. The preparation of financial statements in conformity with this basis requires management to make estimates and assumptions that affect the reported amounts of accumulated depreciation at the date of the financial statements and the reported amount of depreciation expense during the reporting period. Actual results could differ from those estimates.

Cash

The Organization considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. There were no cash equivalents at June 30, 2012 and 2011.

Property and Equipment

Property and equipment consisting of office equipment, furniture, and property are recorded at cost. Depreciation is computed using the straight-line method over estimated useful lives of five to forty years.

Subsequent Events

Subsequent events have been evaluated by management through August 15, 2012, which is the date the financial statements were available to be issued.

2. TAX STATUS

The Organization is exempt from income taxes under Section 501(c)(7) of the Internal Revenue Code. However, certain unrelated business income is taxed by the federal and state governments. Tax reporting includes national headquarters and unincorporated regions. The accompanying financial statements are for headquarters operations only.

The Organization individually evaluates its activities to determine that they are in compliance with its exempt purpose. For those activities that the Organization determines to be unrelated business income, the Organization pays the resulting unrelated business income tax liability.

The Organization had unrelated business losses for the years ended June 30, 2012 and 2011. The loss carryforward, which begins to expire in 2028, was \$11,053 and \$8,168 at June 30, 2012 and 2011, respectively.

NATIONAL SHOOT-TO-RETRIEVE FIELD TRIAL ASSOCIATION, INC.

Notes to Financial Statements

June 30, 2012 and 2011

3. OPERATING LEASES

The Organization leases office equipment under various leases which total \$423 per month expiring at various dates through 2016. Total lease expense under these agreements was \$4,921 and \$4,868 for the years ended June 30, 2012 and 2011, respectively.

The Organization has entered into a lease agreement for the use of land for locally held field trials. Lease payments are \$500 per trial. Total lease expense for land use was \$1,000 for the years ended June 30, 2012 and 2011.

Future minimum lease commitments are as follows for the years ending June 30:

2013	\$	2,955
2014		897
2015		211
2016		158
		<hr/>
	\$	4,221

4. RETIREMENT PLAN

The Organization has a retirement plan covering all employees over 21 years of age with at least three years of service to the Organization. An employee can contribute up to 15% of pre-tax gross wages, subject to certain IRS limitations and the Organization will match 100% of the contributions up to 3% of the employee's total salary. No contributions were made to the plan by the Organization for the years ended June 30, 2012 and 2011.

5. NET ASSETS

The financial statements report the changes in and total of each of the net asset classes, based upon donor restrictions, as applicable. Net assets are to be classified as unrestricted, temporarily restricted and permanently restricted.

The following classes of net assets are maintained:

Unrestricted Net Assets

The unrestricted net asset class includes general assets and liabilities of the Organization. The unrestricted net assets of the Organization may be used at the discretion of management to support the Organization's purposes and operations. Unrestricted net assets consisted of \$310,843 and \$289,348 as of June 30, 2012 and 2011, respectively.

Temporarily Restricted Net Assets

The temporarily restricted net asset class includes assets related to donor imposed restrictions that have not been met as to a specified purpose or to later periods of time or after specified dates. Temporarily restricted net assets consisted of \$8,372 and \$15,059 as of June 30, 2012 and 2011, respectively. These funds are restricted for use in relation to youth scholarships.

NATIONAL SHOOT-TO-RETRIEVE FIELD TRIAL ASSOCIATION, INC.

Notes to Financial Statements

June 30, 2012 and 2011

5. NET ASSETS, CONTINUED

Permanently Restricted Net Assets

The permanently restricted net asset class includes assets for which the donor has stipulated that the contribution be maintained in perpetuity. Donor imposed restrictions limiting the use of the assets or its economic benefit neither expire with the passage of time nor can be removed by satisfying a specific purpose. The Organization had no permanently restricted net assets at June 30, 2012 and 2011.

2012 NATIONAL SHOOT TO RETRIEVE PURINA ENDURANCE

Welcome to Montana, also known as the Big Sky Country!! As you travel through Montana on your way to Lewistown, you will understand why. The beautiful Beeline Brittany Ranch was again the site for the 2012 NSTRA Endurance Trial and this is one of the few things that make coming to Montana such an experience. This year the Big Sky Region hosted the pre-trial on the same grounds. The National Championship trial began on Wed September 5th and ran until September 8th.

John Holder, 2nd vice-president of NSTRA, was the trial chairman with Doug Cartwright, BSR President serving as co-chairman. As with any National NSTRA trial, there is a lot of work that goes into it and the Big Sky Region never fails to put on an outstanding trial.

John called a meeting for 7:00am Wednesday morning for all the trial personnel. The judges for this year's Endurance trial are Ken Loveday, Mike Jepsen, John Attard, and Frank Rowe. Our field marshals are Martha Bauer and Cindy Lyons, with Mike Akey as our bird handler. At 7:30am Cindy got the A field handlers in the blind and the judges, John and Frank were ready for the trial to start. Mike and Ken are the judges on the B field, with Martha as the field marshal. With 112 entries this year, the trial will be run as beat your brace mate, with the added top two scores from each field to make up the 16 dogs that will move on to the next round. Those dogs advancing to Friday are marked by an asterisk.

Wednesday's evening meal was in tailgate fashion and sponsored by the area regions. Everyone bought something to share. The awesome food included fresh caught fish and master cooked lamb along with some wine that I am sure was great, but then you would have to know something about wine, which I do not. I don't think anyone went away hungry. The first day of the trial was sunny and warm and the expected forecast is the same throughout the week.

After the fields were cleaned and Friday's draw was complete, we all headed over to the shed for the much anticipated steak dinner. Tonight's meal was sponsored by the Big Sky Region and along with steak; there were an assortment of side dishes and desserts. As the meal ended, John Holder and Doug Cartwright handed out Wednesday's and Thursday's placements. Ed Murdock and Bob Cunningham volunteered to lead the auction. There were many wonderful items donated for the action, including a beautiful wood table that Joel Cartwright made, some baskets filled with candies and jam, various jackets and hunting items, and of course a PIE, which I believe is usually bought and sold, bought and sold, until there is a lucky winner. I believe the BSR made some money for their region and everyone had a relaxing evening.

The weather for Friday promised to be another beautiful day, and just like Wednesday and Thursday, warm and dry. Friday's format is beat your brace mate and the handlers that will advance to Saturday are marked with an asterisk.

Each of the final 16 was given a Purina hat and a bag of dog food, a bag of biscuits and some new Purina treats, which I have heard are really good, Doc Ramsey said that if you soak them in water, they are great over rice. No, no, don't try this, but they do smell good. We are now down to the top 16 dogs eliminated from 112 entries. Four braces would compete on each field narrowing down to 8 dogs for the next level. Today it is very important that the bird handler stay alert and ready to go as we have a lot of braces to get in, and of course Mike is ready for it.

2012 PURINA ENDURANCE CHAMPIONSHIP

FINAL

NIKKI'S SKIPPIN NEWT	LST	ES/M	ROBERT CLARK	DAVID DEATON-982 ****
GATOR'S FEATHER CHASER	MI	GSH/M	SHARON GATES	SCOTT TOWNSEND-694

The final hour needed to be started by no later than 6:00p.m. so around 5:50p.m we sent Mike out to do his job and Scott, Bobby and David got in the blind. By the time the sun was setting our newest champion exited the field, Nikki's Skippin Newt came off the field with 5 finds 78,84,75,79,87,;retrieves 79,78,79,75,84,;obedi-
ence 53.5;ground coverage 78.5 points and the back was a 60, totaling 982 points. Chase had been scored on 3 finds 78,85,84;and scored on 3 retrieves 82,81,80;obedience 62;ground coverage 82, and the back was 60 points for a total of 694.

It was time to head to the shed, where the trophies will be presented and to take pictures of our top 4 finalist.

The third runner-up winner was Morgan Albright XVI owned by Melvin Albright and handled by Scott Townsend, MI region. Morgan is a 6 year old German Shorthair female

from the sire Crosswind Truckin Fritz and dam-Crosswind Dee Dee. Morgan has 21 first place points and 32 total open points. Morgan also has 15 first place amateur points with a total of 24 amateur points. In 2010 Morgan came in 4th in the Michigan Regional and then went on to win the 2010 Endurance .As anyone can see, two of the 4 finalist have the Fritz and Dee Dee breeding, which says a lot. John Holder presented the Purina awards consisting of a winner's jacket and 112.5 pounds of Purina High Pro dog food. John also presented Scott with the trophy, and the NSTRA belt buckle. He also will received a Tri-Tronics gift certificate, \$25.00 gift certificate from Foster & Smith, \$50.00 gift certificate from Dogs Unlimited , \$50.00 gift certificate from Red Haw Supply, EMT Products from Trophy Animal Health Care. The Kibby brothers made and donated a beautiful wood carved photo frame, for all of the final four winners. Thanks go out to all the sponsors, organizations, and people who give to NSTRA. Our congratulations to Scott and Morgan.

Second runner-up was Pend Oreille's Piper a 7 year old female Gordon setter. Piper is owned and handled by Gary Bauer from the Big Sky region. Piper's sire is Stormy Thunder and the dam is Stormy Breeze. Piper is a 2 time champion with a total of 53 points and 29 of them are first place points. She got her first placement in March of 2008. In 2009 Piper ended up with a second place in the Big Sky Regional. Then in 2010 Piper won the BSR Regional. Piper also did very well in the 2011 Regional, by placing a second. Doug Cartwright presented Gary with a Purina jacket and 112.5 # of Purina Pro Plan dog food. Gary also accepted the 2nd runner-up trophy, belt buckle provided by NSTRA. Doug also presented Gary with a Tri-Tonics certificate, \$50.00 gift certificate from Dogs Unlimited, \$25.00 gift certificate from Foster and Smith, \$50.00 gift certificate from Red Haw Supply, and EMT Products from Trophy Animal Health Care and a carved wooden photo frame.

First runner-up was Gator's Feather Chaser a 6 year old German Shorthair male from the Michigan Region. Chase's sire is Crosswind Truckin Fritz and his dam is Crosswind Dee Dee, and is owned by Sharon Gates and handled by Scott Townsend. Chase came into this trial with 18 total open points, 9 of those are first place points. Chase also has 19 total amateur points with 11 of those for first place. With a pedigree like Chase's, it's no wonder that he took a fourth place in the 2009 Michigan Regional at the mere age of 3. John Holder presented Scott with the Purina's winner jacket and 250 pounds of Purina Pro Plan dog food, the first runner-up trophy, belt buckle. Scott will also get a pair of Bird Shooter Hunting Boots from Russell Moccasin Company, a Tri-tonics certificate, \$50.00 gift certificate from Dogs Unlimited, \$50.00 from Fosters and Smith, \$50.00 from Red Haw Supply, and EMT products from Trophy Animal Health Care, a wooden frame donated by the Kibby brothers. Congratulations to Sharon, Scott and Chase.

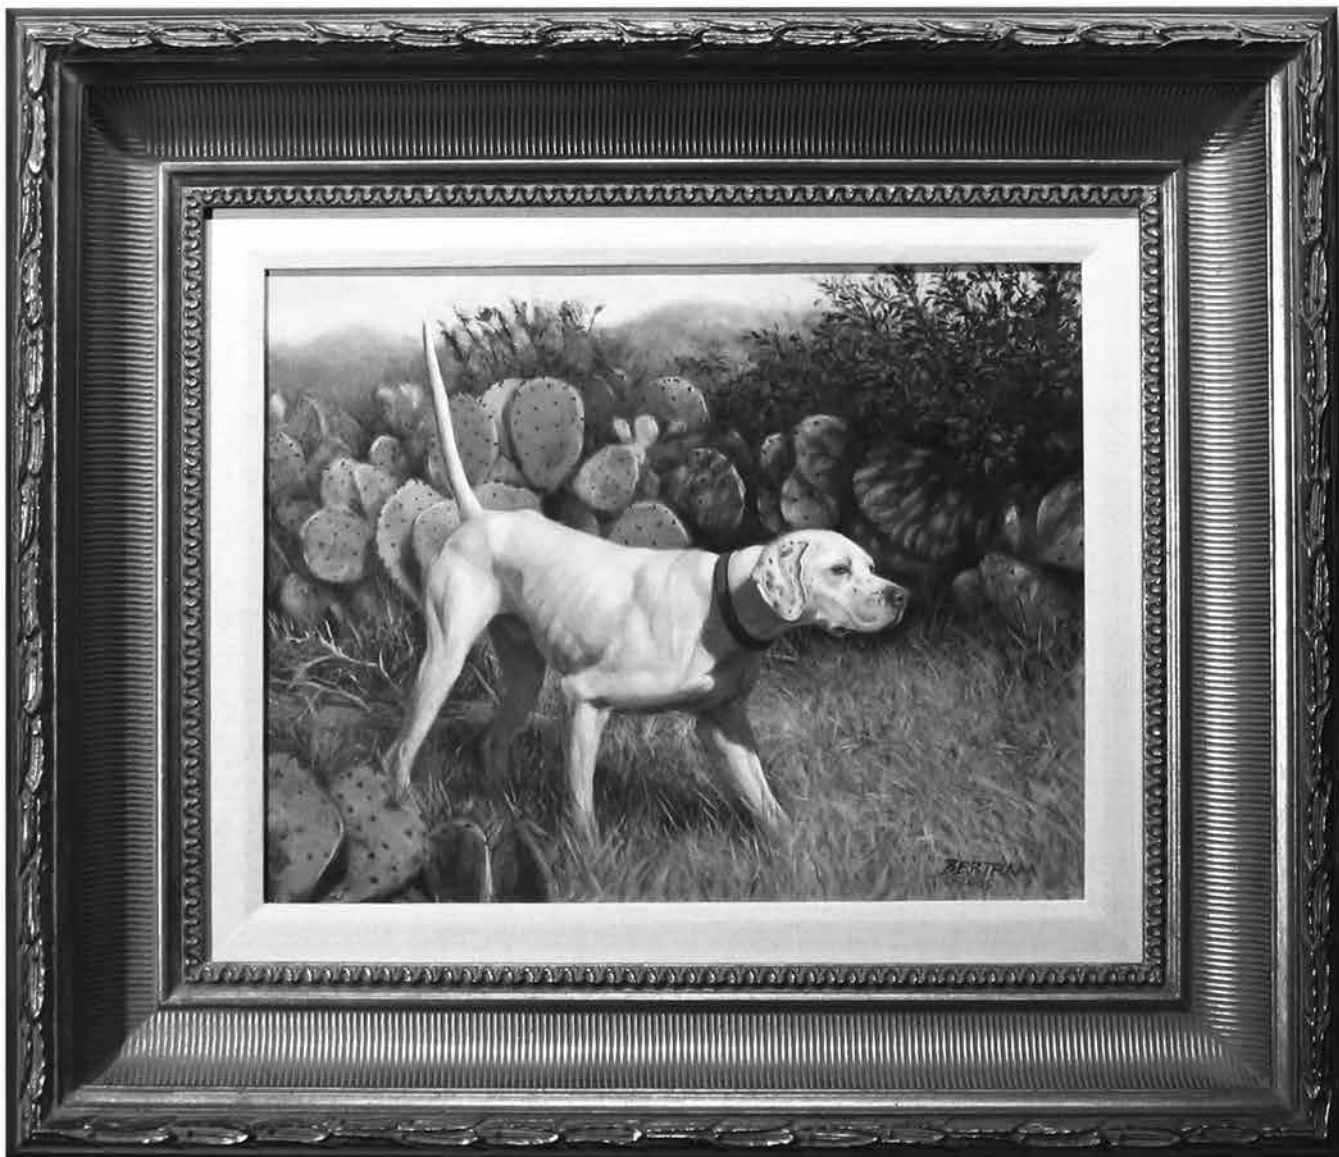

Our newest NSTRA National Champion is Nikki's Skipper Newt a 6 year old male English Setter that is owned and handled by Robert Clark. Newt is a 4 time champion from the Lone Star Region. Now before we get into the statistics on Newt and Bobby's NSTRA career, we have to address David Deaton. When Bobby got to Montana, he was recovering from neck surgery, and was having issues with his back. Of course he wanted to handle his dogs, but was unsure if his body was up to the task. The solution was to ask David Deaton to gun for him. David had his own dogs to run, but agreed to gun for Bobby. I wonder if he knew that on Saturday alone he would run 6 braces for Bobby and 1 for Ted Cook, not including the final hour. That is the true definition of Endurance. Needless to say, David was truly appreciated.

Newt has 79 total points, 38 of them are 1st place points. Newt's sire is Angie's Dogwood Skipper and his dam is

Glover's Nikki. Bobby and Newt had their first placement in March of 2008 at the Marian County Birddog Club. Then in 2011 they placed 2nd in the LST Regionals, and went on to be the 4th runner up in the 2011 National Endurance Trial in Lewistown MT. As 2012 arrived, Newt placed 3rd in the LST regionals and went on to win the 2012 Endurance. Newt comes from a long line of winning dogs. Skipper, a 15 time champion, has a total of 275 lifetime points, which 156 of them are from first place. Let's just say, that in that breeding there have been 11 times they have been in the final 4 of a National Trial. Now I couldn't really check this out, but I venture to say that Robert Clark is among the few handlers that are 70 years old or older, to win a National Trial. The first National Trial that Bobbi won was in 1992 at the Foster & Smith Quail Invitational in Arkansas. According to Bobby, 20 years is not that long to wait for a National win, or the time went by fast, Anyway you slice it, there are plenty of NSTRA dog handlers that would love to be in the winner's circle, once if not twice. Doug made the Purina awards presentation to Bobby with 450 # of Purina Pro Plan for Newt and the jacket for Bobby. Doug presented Bobby with the NSTRA winner's trophy and belt buckle; a large tote sling with the Pro 500 G2 collar from Tri-Tonics; \$100 gift certificate from Foster and Smith; \$50 gift Certificate from Dogs Unlimited; \$50 gift certificate from Red Haw Supply; and, EMT Products from Trophy Animal Care. A very nice and unexpected addition to our gifts for the winners, was a beautiful wood frames, made and donated by the Kibby brothers. Thanks guys.

John and Doug would like to thank all the people that helped to make this another successful National Trial. There are lots of people that work for months, behind the scenes, to make a National trial and unless you have been a part of one, you can't realize how much work there is. There are just a few people that need to be addressed. Tammy, who showed up every day with food. Now some people might not think this is a big deal, but when you have just a table, truck and generator, and can put out some pretty awesome meals, that is a great achievement. Thanks again Tammy for a job well done and much appreciated. BBQ is much better on a bun than on a shirt, and by the way, it did come out. I would like to say a big thank you to Leroy Rathbun. As I sat in the tent day after day, Leroy was there selling sweatshirts and t-shirts. It was nice to have someone to talk to, and I learned a lot about Leroy and his wife Marliiss. I must say thanks to Martha Bauer. If you didn't get a chance to see the women's outhouse, I am sorry. Martha decided that the women's out house needed to be a fully visible women's out house, without any hesitation as to who should go into it. So if the pictures don't make it in, the outhouse had a rock path leading to it and a Barbie taped to it. Thanks again to all the western regions that helped the 2012 Endurance. ■

NSTRA Youth Scholarship Fund

A. NATURE OF AWARD: National Shoot to Retrieve is offering a one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

B. CRITERIA FOR SELECTION:

- 1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information **MUST** be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

C. STIPULATIONS: The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

D. PRESENTATION OF AWARD: The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.
