News From the Officers

Spring trialing is upon us! We hope you all had a Merry Christmas and a Happy New Year! As we get ready for 2013 we are excited about our recent changes and the new ones to come.

By now you have had the opportunity to see our new website. We have had a lot of comments on it (mostly positive) and it is certainly a major factor in increasing new membership. It is still a work in progress and there are pages we are continuing to develop so be patient with us. If there is anything you see that is incorrect or suggestions you wish to make, please contact the NSTRA office.

UKC has mailed the new registrations to all the NSTRA registered dog owners. You should start using your UKC number instead of the NSTRA numbers (N0000___). This will ensure that your championships will be reported correctly to UKC and added to your pedigree. This applies to anyone whose dog has a UKC registration. In addition, NSTRA has been working to encourage you to register your dogs with UKC. Starting with the February trials, we are including coupons in the trial packages to be presented to the top 3 placements. These coupons are good for \$5 off a UKC registration. You may save these up and combine them in any amount up to \$25. 5 coupons = \$25 = free registration. The only requirement is that the registered owner(s) must be current NSTRA members. It's as simple as that.

As we are getting ready for the regional eliminations, please double check your dog's registration. If you recently (or not so recently) purchased a dog, we no longer accept signed transfer forms for a change in ownership. You must provide the office with a completed registration showing the dog in the correct owner's name(s).

In closing, it's very important we as members do more to get involved. In our recent by-law change, we had 11 votes sent in....out of nearly 2000 members. Our sport has contributed to a lot of our successes throughout its short life. There have been great dog trainers, kennels, breeding programs, friendships, memories, and the like, that have been created, and upheld, by NSTRA over the years. It's imperative we all do our part, get involved, and make a positive impact now, so our kids and grandkids can enjoy the same bond that is unique to each of us.

Good luck to each of you in 2013.

Sincerely,
Chad Collison

United Kennel Club and the National Shoot-To-Retrieve Association fitting perfectly together

OK....so I don't get to write the most exciting column in this publication. I'm well aware of the fact that you are going to read everything else first and then while waiting for two months for your next magazine to arrive you will eventually resort to reading something about registering dogs. I can live with that. I'm actually very excited about being able to cover some information that sooner or later, you will want to know. I'm hoping that you find this information helpful and that it opens the lines of communication between NSTRA members and United Kennel Club.

I'm guessing that most of you are aware by now that back in April of this past year United Kennel Club and National Shoot To Retrieve entered into an agreement for UKC to take over the registration end of things for NSTRA. Basically that entails maintaining the registration records of those dogs previously registered with NSTRA, recognizing NSTRA titles on United Kennel Club records and also issuing Championship Degrees to all dogs that are UKC registered. And going forward we will hopefully be doing the same for those of you that were not previously registered with NSTRA. While attending a couple of the NSTRA national events last year I was glad to learn that quite a few of the people I talked to were already familiar with United Kennel Club. For those of you that are not, I am confident that you will find that UKC is a very professional, very approachable and very pro-gun / pro-hunting organization to deal with.

Since April, the UKC registration department staff has been working closely with the NSTRA office staff to transfer information into the UKC data base. Trust me this is no small task and has not been without its share of minor hurdles. I'm happy to report that it looks like all the bugs have been worked out and things are progressing on schedule. A special thanks to NSTRA's Julia Herwehe and UKC's Angie Smith for all the effort they have put into this transition.

It is my understanding that the new UKC papers will start being mailed out by mid December. These new

papers will be going to out to those of you who had previously registered your dogs with NSTRA. There is no charge for this and means those dogs will now be in UKC's data base. If any of those dogs earn a Championship in the future, those owners will automatically be sent a Championship certificate free of charge. And those Championships will be preserved forever on the official pedigrees of United Kennel Club.

United Kennel Club and the National Shoot-To-Retrieve Association fit perfectly together. In both organizations the goals are to breed better dogs, to give those dogs an opportunity to get out and do what their breed was originally bred to do and to recognize the accomplishments of outstanding individual dogs. Make no mistake, it is about the dogs first and foremost. And based on my experience, two of the most well organized and professional dog groups in the country are NSTRA and HRC (Hunting Retriever Club) So to have

both organizations affiliated with United Kennel Club sends a strong message to sporting dog owners about the future of field trialing / hunt tests in this country.

In the coming issues we will go into more detail regarding United Kennel Club and the actual registration process for NSTRA members. I anticipate covering such topics as introductions of the UKC staff, the single registration process, the importance of litter registration, dual registration, the history of UKC, championship degrees, the performance pedigree, etc. In addition to breeding, training, dog health, etc., this is information that we need to know if we are going to keep our purebred dogs moving forward. And there are short term benefits as well when you consider the fact that UKC is offering special rates for a limited time to NSTRA members. And, along these lines, I think I can hint towards the possibility that NSTRA has some special offers for their members that they will be announcing in the near future. In the mean time, you can go to NSTRA's website at nstra.org to learn more about registering your dogs with United Kennel Club. I would also encourage you to contact UKC directly if you have any questions. Our website is ukcdogs.com. ■

In the coming issues we
will go into more detail
regarding United Kennel
Club and the actual
registration process
for NSTRA members.

Fondly remembering Richard Neal Moore

On Monday November 26, 2012, NSTRA and Volunteer Gun Dog Club lost a true sportsman, bird hunter and 1986 Dog of the Year Winner with the passing of Richard Neal Moore.

Richard was a World War II Navy Veteran serving in the South Pacific. He later worked with the Tennessee Game and Fish Commission. He was appointed Deputy Marshall and advanced to U.S. Marshall for West Tennessee. Richard was fortunate enough to retire in 1977 at the age of 51.

Upon retirement, Mr. Moore returned home to Selmer, TN. Richard assisted in coaching little league baseball for many years. He served on the McNairy County

Commission. He was an avid hunter, golfer, fisherman, bowler, and traveler.

Richard Neal Moore helped to organize what is now called the Mid-South Region in 1981, serving as its president for 10 years.

He and a friend trained bird dogs until his health began to fail. Richard continued to support local trials with his attendance when he was no longer competing. He would also attend NSTRA Dog of the Year and Champion of Champions Trials. He was a lifetime member of NSTRA.

The Mid-South Region along with the Volunteer Birdclub Club will host a Richard Neal Moore Memorial Trial annually in recognition of Richard and his accomplishments.

The world lost a true hero and sportsman with the passing of Richard Neal Moore. Even in his final days he never met a stranger and was always ready to swap hunting stories. ■

IN THE KNOW...

Spotlight Member:

We would like to feature some of our long time NSTRA members in the magazine. We would like for you to submit nominations for this. Like the longest running member in your region? The member who was key in starting or maintaining the region throughout the years. The member who is always helping out with the trials. Tell us what makes that person special.

Minimum Requirements for NSTRA Hall of Fame Nominations

1. A dog must be a 10 time champion and have won a regional elimination trial.
2. A dog must be at least a 5 time champion and placed in the final four during a NSTRA championship trial.

Important!

All entries to Championship trials will only be taken by telephone, email, fax and regular mail.

Important!

Only those persons qualified as a field marshal are to marshal trials. Also, all trials should have a qualified marshal at the field the entire length of the trial. Many trial reports are coming to the office with people listed as field marshals who in fact are only members.

DISCIPLINARY POLICY

“Effective September 1, 2007 all decisions of the NSTRA Board of Directors which result in any form of disciplinary action affecting any NSTRA member are required to be contained in the magazine next published after the disciplinary decision is rendered by the NSTRA Board of Directors. The information so published will be the name, membership number and region of the NSTRA member affected, along with the disciplinary action so levied by the NSTRA Board of Directors, and the time period governed by the NSTRA Board of Directors decision.”

Procedure for Change of Ownership

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

Hall of Fame Nomination

In an effort to recognize and honor those deceased dogs which have contributed significantly to the ideals and goals as established under the original constitution and by-laws of NSTRA, we have devised the following plan. We feel this plan will take the politics out of our hall of fame endeavor and the most worthy dogs will be inducted each year.

Each dog will be rated according to his win history. Categories will include National Championship Wins, 1st, 2nd, and 3rd Runner-up National Championship placements, Number of NSTRA championships, Top Performance award, and Regional Wins.

The period for submitting a nomination will open on November 1 of each calendar year and close on March 31 of the following year. The nominations will then be given to the Hall of Fame committee and the win history on each nomination will be thoroughly checked and scored according to the following system with the 2 inductees being announced at the Dog of the Year trial in October.

The Hall of Fame committee will score the nominated dogs in the following manner; one point will be given for each win under each of the above categories in paragraph 2. For example, if a dog has won the dog of the year trial twice, he will be given 2 points under national championship wins.

If he was also a regional winner one time he will be given one point under regional wins. Understand, the preceding two categories, plus top performance award must be first place wins. Under 1st, 2nd, and 3rd runner-up National Championship placements one point will given for 1st 2nd or 3rd placements. If a dog is a 12 time NSTRA champion, he will be given 12 points under number of NSTRA championships. When all the dogs have been scored in this manner on the worksheet, we will come back to each category giving the highest scoring dog under each category one point, the 2nd highest scoring dog 2 points and so on. In this manner, the dog with the lowest amount of points will be the first inducted dog with the 2nd lowest scoring dog being the 2nd inducted dog.

When appropriate, due to unusual circumstances, an additional dog may be inducted into the Hall of Fame by becoming the “board of directors pick.” This may be a dog who has not won under many of the above categories, but may have made significant contributions to NSTRA by other means, i.e. having sired an unusual amount of NSTRA Champions, winning numerous Regional Championships only to mention a few areas that the board of directors might deem Hall of Fame material.

In case of a 2-way tie for first, both dogs will automatically be inducted. If there should happen to be a tie for 2nd, the dog with the most 4th place wins will be the inductee.

Nominations of dogs to the NSTRA Hall of Fame are not “carried over” to following years should the dog not be elected in the year nominated. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

★ Hall of Fame

1. A dog must be a 10 time champion and have won a regional elimination trial.

2. A dog must be at least a 5 time champion and placed in the final four during a NSTRA championship trial.

Boomer's X Rated (Johnny)
owned by Scott Boomershine, IN Region

by Steven Cunningham

Boomers X Rated (Johnny) was owned and handled by Scott Boomershine of the Indiana region. Johnny was an 11xCH NSTRA champion and 4 time national champion. Johnny was born on March 16, 2004. He was out of Boomers Super X and Rock Point Trixie. His first championship came less than two years later on March 12, 2006. I had the pleasure of being around and knowing Johnny as much

as anybody. Not only was he an outstanding bird dog, he was also a great dog off the field. If you were to see him in the house you would never think he was any count as a field trial dog. If he wasn't sitting in Scott's lap he was he was finding something to scratch his chin on or sleeping on his couch. On the field there was no mistaking that he was all bird dog.

His list of achievements are: 11xCH NSTRA champion. Winner of the 2007 Trial of Champions where the next week he took 3rd at the Indiana region, he also placed 3rd in 2007 Purina top performance standings. In 2008 he was 2nd runner up at the Quail Forever championship; a month later he won the 2008 Quail Invitational championship then in April he was 3rd runner up at the 2008 Indiana region. In 2009 he won the Quail Forever championship in January and then in February he placed 1st runner up in the quail Invitational championship, in April he won the trial of champions again. In 2010 he was 2nd runner up at the Indiana region.

A pretty impressive record for any dog but especially for a dog that only ran for four and a half years. Everyone has their opinion about Johnny but there's one thing for sure, you didn't want to draw against him at a national trial because more times than not you were going to be a stepping stone to another final four. On February 6th 2011 Johnny passed away cutting short the life of a great bird dog and equally great companion. ■

Premier's Fancy Trail Blazer (Blazer)
owned by Adam Fellers, MW Region

by Shaun Rydl

Premier's Fancy Trail blazer was whelped on March 24, 2002 and purchased by Dale Taylor. Dale campaigned him in the AKC tests where Blazer achieved his Master Hunter title. His early years in NSTRA were spent with Dale or David Healan running him. Adam had owned a female littermate of Blazer's and was good friends with David and acquired Blazer from Dale in April of 2008.

When Adam got Blazer he had a mere 7 points acquired during a sparse campaign over 4 years. During the next three years,

almost to the day Adam and Blazer scored 242 points and 13 championships! A feat totally unheard of before this! He won the 2009 Purina High Performance Award while breaking his leg in January of that year and being sidelined for 6 weeks! Winning Purina High Performance awards in 2009 and 2010 and in line to win arguably his third before his sudden death was also a feat not done in recent history before he blasted into the NSTRA scene. At local trials the trial was never over until blazer ran. He had an amazing ability to dig up that extra bird to put him into the winners circle, and birds when other dogs could not.

Field trials are one thing, but any of us in the dog business know that a true bird dog is measured in the field wild bird hunting. Blazer knew he was a good wild bird dog, and it was a please to wild bird hunt around him! I can personally tell you that he was a better wild bird dog than field trial dog.

Blazer sired NSTRA Champions Premier's Outstanding Otis and Quail Valley's Nose Knows, with puppies on the ground ready to run and frozen semen in storage for the future.

All of these statistics are nice and very impressive to most, but the most impressive thing Blazer contributed to the sport is that he brought two more generations to the sport. Adam, Nikki, Nolan and Evan Fellers are fixtures at almost all weekend and national trials. With Adam still under the age of thirty and the boys 5 and 3 we have not one, but two generations that have acquired a love of the sport.

Congratulations Adam and the rest of the Fellers family on the Induction of Premier's Fancy Trail Blazer into the NSTRA Hall of Fame. ■

Wilma's Pebbles (Pebbles)
owned by Fred Mitchell, KY Region

by Shaun Rydl

During the early 1990's Fred and CL Mitchell wild bird hunted in Northeast Kansas with their English pointers. A chance meeting at a hotel in Seneca, KS with Jim Miller and Bob Smith from Iowa and their trailer load of bird finding English setters spawned the NSTRA Hall of Fame career of Wilma's Pebbles. Fred fell in love with the setters, Boomer's Boy Jr. (CJ) and Wilma Flinstone (Wilma) both owned by Jim and Bob, respectively. Fred and CL were invited to

come to Iowa and watch a NSTRA trial at the IGDA grounds at Osceola, IA to see what this "shoot to retrieve" stuff was all about. When Wilma was bred to CJ, CL decided he was going to take a pup out of the litter. When it was time to ship the her to Kentucky it was too cold, a short time later Bob called CL to let him know the pup got ran over and the only one he had left was the runt female of the litter. CL told Fred that he didn't want her so Fred decided to take her and CL then bought Pete's Second Chance (also in the NSTRA HOF).

Fred fell in love with his little black and white setter, Wilma's Pebbles. She spent many hours riding in Fred's tractor cutting and baling hay, running his hay fields and pointing birds, Fred would stop the tractor and get off to flush birds for her, and then back on the tractor they would go. Ironically enough Pebble's is buried on a knoll in one of Fred's hay fields at his family's thoroughbred farm in Lexington, KY.

Pebbles was a ball of fire on the trial field, fast, classy and a nose for birds. Always a tough draw at any trial she was entered in. She recorded placements from Alabama to Nebraska and everywhere in between.

Wilma's Pebbles was a 13X champion. She was the Kentucky Regional Elimination champion in 1999. Her national trial accomplishments were 1998 DOY 3rd runner up, 1999 DOY champion and 2001 Trial of Champions champion. She finished her career with 236 points.

Congratulations Fred Mitchell on Pebble's induction to the NSTRA Hall of Fame. ■

WOUNDED WARRIOR

PROJECT: PHEASANT HUNT

On December 8th, 2012, the Northeastern California Chapter of Pheasants Forever in conjunction with the Wounded Warrior Project held a Pheasant hunt. The Hunt took place in the Honey Lake Valley on the Five Dot Hunting Club and was a tremendous success. The Wounded Warriors traveled from across the nation to attend the 1st annual event.

The Reno Air National Guard was the tremendous supporter and brought two helicopters over for a static display. Additionally, the Reno Air National guard picked up and transported many of the warriors to the event. Sargent James Hamilton from the Guard Unit was inspirational in getting donations and a co-coordinator for the event.

We started off the hunters with lots of hot coffee, a little trap warm up, then moved right to hunting. There were twelve Wounded Warriors that were doing all of the "spot on" sharp shooting! One hundred pheasants were planted and they were able to bring down well over 70 of them. Of course this would not have been possible without a few well trained bird dogs.

We asked Deric Fletcher and Brit Forester from the NSTR organization to come out and run their pointers for the Wounded Warriors. They were

accompanied by Trent Bauer a local dog handler and Pheasants Forever committee member.

Over the course of the day we ran the twelve hunters out multiple times in small groups to help ensure a high quality event. The dogs showed up to work and the hunters were nothing but smiles by the end of the day with a huge pile of pheasants to show for their efforts. To pull off an event this large there were many sponsors and donors, too many to list, but we would like to thank everyone who helped out with the event. ■

FLORIDA

The Women of the South Rise Again!

The Florida Region it isn't just the "good ole' boys club anymore" and two of our gal handlers showed what it was all about at the October 6 and 7th trial. Lisa Sterner and Dana Walker broke through the barriers and you can hear Scarlett O'Hara, jumping up and down cheering them on!

Lisa Sterner placed first with her EP "Female" - Meg on Saturday and Dana Walker with her EP "Female" – Sissy placed 2nd on Saturday and then turned around and placed third on Sunday. So this was a true female win!

The interesting thing is that there are three more gals just waiting to get up on the podium with them; Tina Sterner, who just finished her NRA 10 day course in New Mexico and instead of asking for a "Tiffany's" box for her birthday" asked for one with the word "Benelli" on it; Sandy Trezona who is just waiting for her pup to get ready to run and the latest one to cross that starting line threshold would be Brandy Ashmore. Way to go gals! Won't be long and I bet Mom "Nancy" Ashmore is out there too. These "Southern Belles" are real competitors.

Now we do have to give the guys (husbands) some credit they have helped them in the field all summer and sometime the gals have done well in spite of them.... LOL. Let me explain a little on that... for example: Female handler and gunner husband are in the field practicing at a training

Dana orange Lisa Blue

trial and you wouldn't believe all the grunts and groans and comments a guy can make when they think the gals are going the wrong way, etc., etc. Then, when the gal has had enough and after the dog points and she finally gets the retrieve they do have a way of saying knock it off... when the dead bird just accidentally hits the gunner on the side of the face.... Ooops! And, then there is the handler look around telling the gunner to keep quiet... you know the look don't you guys.

Gals, we are all so very proud of you, keep'em coming.

SPOTLIGHT MEMBER

Gene Mahoney, my good friend and mentor, was born in Seminole, Oklahoma. He served twenty years in the Air Force, spending time in Texas, Colorado, Iceland, Alaska, Turkey and Washington State. He

Gene Mahoney

retired from Fairchild Air force base in Washington in 1979 where he made his home.

Gene met the girl of his life while getting a strawberry milk shake at a Dairy Queen in San Antonio. He and Peggy secretly married six weeks later, but at her parent's urging they were married at a Catholic church in Seguin, Texas in 1965.

Gene was always active in sports and shortly after arriving at Fairchild AFB he bought a Shorthair. He entered a few

trials, made some wonderful friends and got hooked with trialing. The more he got involved, the more money he spent, so he started training dogs to pay for his new hobby. Gene had owned nearly every popular pointing breed, everything from Brits to Wirehairs. He trained a Setter named Lady for Bob Webb, they liked her so much they bought her from Bob and a legacy was in the making. Lady placed second at the 1985 DOY trial. Gene bred Lady to Bob Cunningham's Aces King. The breeding produced Mahoney's Rose, a dog Gene used as a brood bitch and Bridgette, owned by Bill Greenwood also of Spokane.

Out of these two dogs and subsequent breeding with CH Tricky Dick, CH Tricky Dick Jim and later to Dickie a dynasty was born. Rose was bred to Tricky Dick Jim, owned by Bill Moore. Out of this breeding I'm Dick Too was produced.

Champion, I'm Dick Too, (a.k.a. Dickie), was Gene's most successful dog, winning numerous championships and Regional Hi Point awards, culminating in winning the 1994 Dog of the Year Championship trial, and induction into NSTRA's Hall of Fame. With Gene's success came regional and national interest in his breeding program as his Setter Pups were in great demand. A quick but incomplete count of NSTRA champion dogs in the NW region lists no less than twenty Setters with Mahoney breeding. Mahoney's Tricky Keno out of Dickie/Tricky Bridgette breeding, owned by Mike Ouchida won the Kasco Endurance trial at Three Forks, Mt. in 1999 and placed 4th at NSTRA's Kasco Endurance trial held in Lewistown, Montana in 2002.

At a time when German Shorthairs and Pointers were the fancy, Gene's success with his English Setters converted many dog owners, including me. His contributions to the NW Region are many. He sponsored the first Judging seminar in our region with NSTRA President, Wilbur Shortridge and Dave Duffy, from Gun Dog magazine as guests. The many years of sponsoring trials, judging and attending trials and winning has taken its toll on his body. Gene is retired now, but with help from his wife Peggy and family still board dogs and produce a litter now and then.

I cannot thank Gene and Peggy enough for their friendship, guidance and their contributions to me, the NW Region and Shoot to Retrieve. ■

2012 NSTRA DOG OF THE YEAR NATIONAL CHAMPIONSHIP

The autumn season always brings regional winners and high point dogs to Amo, Indiana for the annual NSTRA National Dog of the Year Championship Trial. This year was the 43rd running of the event. Actually, the accumulation of each year's trialing revolves around this final championship event for the year. Only those dogs who have participated in their respective regional eliminations, or have been high point dog for their region are invited to attend and participate. The Indiana country side was dressed in beautiful fall colors as trialers came from 21 NSTRA regions in hopes of being crowned the winner of this prestigious National Championship. The Conservation Birddog Club was the host for the week and the three fields were groomed and ready for action. Our thanks to the Club for the meals and use of the clubhouse and grounds for the trial. A pre-trial was held on Monday and Tuesday and was chaired by Wayne Fishburn giving handlers a feel for the field they would be participating in later during the week. Thanks to Wayne and his crew of judges and birdhandlers for their time.

Trial Chairman, Frank Llano and co-chairman, J.R.Coke held a short meeting of the trial officials on Wednesday morning assigning fields and explaining boundaries. Judges for the trial were not lacking in experience; Donny Parker (Ar-LA) having judged 234 trials, Jimmy Johnson (GA) 320, Ron Huels (IL) 130, Stan Perdue (GA) 136, Suvoyee Rudd (OH) 84, and Lonnie Jones (MSM) 37 trials. Judging is often not an easy job, nor is a judge always the most popular person at a trial, but these men do an outstanding job of being fair, yet stern in their judgment. We thank each one for an excellent job. The field marshals were Mary Kay Kunza (MSM), Stacy Holder (WI) and J.B.Kunza (MSM). The marshals are the people that keep the trial moving along while trying to do an amazing amount of other jobs, i.e. adding and posting scores, listening to complaints, watching the fields for fly-overs or walk-ins, need I go on. They do an extraordinary amount of work and we appreciate the efforts of these three people for a job well done. Of course, our bird handlers could be termed the backbone of the trial. Without the birds in the fields, there is no trial. Ron Becker (IL) and Bo Marcum (MO-KAN) were the bird handlers for this occasion and are two of the best of the best. They must have speed, while making sure the birds stay down. They can't be put down too hard, not too close to the edge, not too close together; all of the aforementioned, while in full view of a gallery of spectators. Talk about responsibility. We can never thank these trial officials enough for the job they do so others can participate in the sport we love so well. The next time you leave a trial, please remember to thank the trial officials for their time and effort.

Wednesday morning was chilly, but warmed to the high 70's and low 80's by mid-afternoon. Our officials for A field were Donny, Jimmy, Mary Kay and Bo. The braces follow with an asterisk by the 16 dogs which would advance to the second qualification run on Friday.

Immediately after the trial, field cleaners descended on the three fields to keep the playing field as fair as possible. Thanks to all those who helped in any way cleaning fields throughout the week. The computer draw was held for Friday's braces and posted while Jug's Catering Service prepared for the banquet. Everyone looks forward to the Thursday night banquet held in October and April with Jug's preparing the meal. Fried chicken, catfish, fried biscuits and homemade apple butter are just a sample of their super menu. If anyone leaves hungry, it's their own fault as food cannot get any better than this. Office manager, Julie Herwehe, was in charge of the desserts and as always she out did herself once more. We retired to the main room of the clubhouse for the awards presentation and Joe Jackson welcomed all those in attendance. He also thanked the Conservation Birdclub Club, trial officials, office personnel and sponsors. Past National Officers in attendance were Ed Rader, Jim Mahoney, Bob Cunningham and Wes Barr. Bob West from Purina was in attendance along with the newly elected National President, Chad Collison who thanked everyone for voting during the election. Joe presented Scott Bruer with the 2011 Dog of the Year Ring which he won last year with Clown's Icing on the Cake. He also presented Scotty with the Bob Bertram 2011 Dog of the Year Portrait. The Top Performance winners were presented with belt buckles; 1st with 91 points – Beckley's Elhew Panic Button – Harold Smith; 2nd – Ruck's Brockway Mad Dash with 52 points owned/handled by Tom Rotundo; 3rd Blaze's Black Magic – 52 points owned/handled by Chad Calicott; and 4th with 48 points – Quail Valley's Nose Knows – owned/handled by Adam Fellers.

Wilma's Pebbles – English Setter Female – owned/handled by Fred Mitchell was the first dog inducted into the NSTRA Hall of Fame during the evening. She was a 2 time NSTRA National Champion and 13 time NSTRA Champion. Pebbles was from Boomer's Boy Jr. and Wilma Flintstone. She accumulated 236 lifetime points. Although Fred wasn't in attendance, Shaun Rydl accepted the award in Fred's absence and took us on a short trip down memory lane with Pebbles and Fred. Shaun gave a memorable tribute to this great dog.

It was again Shaun's honor to present the second dog inducted into the Hall of Fame, Premier's Fancy Trail Blazer – owned/handled by Shaun's good friend Adam Fellers. Blazer was from Fancy's White Ice and Cedar Hill Kate. She was a 13x NSTRA Champion and had won the Top Performance Award twice. Blazer had acquired 249 lifetime points. Shaun mentioned the many times he had trialed with Blazer and Adam, his comeback after a serious leg injury and the outstanding career of this fine German Shorthair.

The 3rd dog inducted in the Hall of Fame was Boomer's X Rated – "Johnny" owned/handled by Scott Boomershine. As Scott was unable to attend, his good friend Steven Cunningham accepted in his honor. Marilyn Cunningham gave tribute to this fine young English Setter whose life was cut short way too early. Johnny was from Boomer's Super X and Rockpoint Trixie. Scott raised Johnny from a puppy and handled him into 4 National Championship wins. He was an 11 time NSTRA champion with 203 lifetime points. Congratulations to the newest Hall of Fame members and their owners.

John Holder announced the scholarship winners; Berlin Merlyn, daughter of Wade Hanson, Mid West Region; Joel Cartwright, son of Doug Cartwright, Big-sky Region; Hannah Jepsen, daughter of Michael Jepsen, Big Sky Region; and Cody Becker, son of Ron Becker, Illinois Region. We were able to present \$5,000 in scholarship awards this year and hope to do so again next year.

The newest award "NSTRA's Distinguished Members Award" was presented by Joe to the following members of NSTRA; Don Abner, Tom Burks, Bob Cunningham, Ted Dewey, Will Heddon, Lyle Jordan, Terry Prenosil, Ed Rader, Wilbur Shortridge, Leon Swift and Bob West. This award will be presented each year to those members whose contributions have helped to develop or improve our association. A permanent plaque will be located at the NSTRA office with a small plaque awarded to the individual or their family if deceased.

At this time, Frank introduced the trial personnel and presented trophies to the Wednesday and Thursday winners. Ron Huels reported that the Shriener's Trial generated \$16,000 this year which will be presented to the Crippled Children's Hospital later this fall. He presented Steven Cunningham with the highpoint belt buckle for his dog, Mohawk's Crude Dude, which won the high point award. It was ironic in that Steven had won the same award with Dude's Daddy, Mohawk's Tuff Stuff several years ago. The Illinois Region hosts this trial yearly and has donated well over \$300,000 since the trial began. Congratulations to Steven, the Illinois Region, and Ron Huels for all his hard work in chairing this worthwhile event.

Rain was in the forecast for Friday and Saturday, so rain gear was acquired and everyone made ready for a wet, cold Friday. Temperatures dropped during the nite and Friday lived up to the weatherman's prediction. Rain started falling during the night and early morning hours. The wind was cold and Friday proved to be a nasty, damp day. However, the trial began at 8 a.m. with judges rotating once again. Stan, Ron, Stacy waited at the line as Ron deposited the birds in A and B fields for Friday's running. The Top 8 dogs from each field would advance to Saturday's running of 4 braces on each field.

Trophies were awarded after the final brace and the computer draw was held with brace sheets being posted for Saturday's braces. Trial officials would once again rotate and field cleaners were procured for Saturday morning. As no official meeting or meal was planned for Friday evening, everyone was on their own for dinner and an early evening. Many enjoy the Clayton Café's fish dinner on Friday and often there are several orange shirts and hats to be seen there. Others make it a steak night at the Coachman, while many enjoy the Staybridge Inn's free meal served to guests.

By Saturday morning many campers were seen pulling out of the parking lot starting their journey home. Donald and Karen Bowyer had reports of sleet and ice between Indiana and their home in Virginia and started home, not knowing what they would find. Hurricane Sandy was making its way to the Eastern Shore and our thoughts were with those heading back that way. It was a chilly Saturday morning as the officials prepared for their four braces. The Top 2 from these four braces would advance to A field with 3-1/2 hours braces determining our 2nd through 5th runner-up positions. The Top 2 scores would advance to the final hour championship run.

Our 4th and 5th winners were honored with a trophy and a 37# bag of Purina Performance Dog Food during the break. Fifth runner-up, Dash owned/handled by Tom Rotundo, Northern Illinois Region, scored 469.5 points. Dash is a 6 year-old German Shorthair, a 16 time NSTRA Champion and has also won a Regional Championship. He has 290 lifetime points. Congratulations to Tom and Dash.

Fourth runner-up, Moniteau's Ozark Rebel "Boo", is 3 year old English Pointer owned/handled by Sam Ashmore, Florida Region. Boo's first placement came at the tender age of 1 ½ years old and has accumulated 7 lifetime points. An interesting fact, his sire, Ozark Rebel Rex, won the Dog of Year trial in 1991. Congratulations to Sam and Boo.

We now had our final hour contestants waiting in the wings; all four settled down for a much deserved rest. Both participants expressed their need for the entire hour rest before the final brace during which lunch was served in the clubhouse. The winner of the CBDC gun raffle was Mark Gillespie of the Mo-Kan Region which was drawn during the lunch break. Congratulations to Mark. Gates were opened between A and B fields allowing 80 acres with 10 birds spread throughout. Bo handled the birds for the final hour with Jimmy, Donny and Mary Kay officiating. At 2 p.m. both handlers and dogs were called to the blind for final instructions. The day was turning somewhat warmer, but with a cool breeze; the dogs were released into A field for the start of the hour. Noone would have known that Ivy was 10 years old as she covered the entire field and ended the brace with 10 birds scoring 1745.75 points. Her points were 82,82,80,80,74,82,78,78,78,73,73 with retrieves 8,83,82,81,82,83,82,A,A,82, obedience 60 and 83 ground coverage. Sadie tired early in the brace and although she did not find birds during the hour, she had been consistent though out the week as a tough contender. The gallery met both handlers at the finish line extending their congratulations and the crowd made its way to the clubhouse for a gallery shot of the Top 5 dogs (Tom Rotundo having already left).

As everyone gathered in the clubhouse, Mike Witt from Purina along with Frank Llano, Trial Chairman made the trophy presentations. Each winner received the Purina Jacket from Purina, Foster & Smith Gift Certificates, Dogs Unlimited Gift Certificates, Gift Certificate and T-Shirt from Red Haw Supply, Belt Buckles, Trophies and DOY Tote Bag from NSTRA, Rooster Wear T-Shirts, a beautiful Championship Picture Frame designed and donated by Mike Kibby, and Gift Certificates from Tri-Tronics "Garmin".

The third runner-up was Sports Magic Kate, a 9 year old English Pointer Female, owned by Russ and Charlene Taylor from the Illinois Region. Kate is from Jake's Keota Sport and Shawnee Hills Sally. She is a 2x NSTRA Cham-

pion with 39 lifetime points. Her first placement came at the Double A Kennel Trial in Bunker Hill, IL in 2005. She earned his first NSTRA Championship on 3/20/10. Russ and Charlene are super people and the Illinois Region is proud to have this wonderful family and dogs in their midst. Russ received 112# Purina Pro Plan from Purina in addition to the Winner's Jacket presented by Mike Witt. Although Bob West had been with us earlier in the week, he was unable to stay for the awards and Mike graciously joined us for the presentations. Congratulations to the Taylors and Kate for a sensational week and final four placement.

The second runner-up was Goose Creek Ace, 7 year old orange and white English Pointer Male, owned by Ed Ford a member of the Dixie Region. Ace is from Sir Lancelot and Kiestler's Doll. He has 34 lifetime points and is a 1 time NSTRA Champion. His first placement came at the Longview Hunt Club on 12/8/07 and his championship followed on 1/22/12. Ace had also won 3rd place at a qualification run during the DOY trial earlier in the week. Ed also received 112# Purina Pro Plan and the Winner's Jacket from Purina along with the other gifts mentioned above. Congratulations to Ed, Carolyn and Ace for a great week and advancement to the Final Four.

The first runner-up, Johnson's Sadie, is owned by Scott Johnson – Arkansas-Louisiana Region. Sadie is a 2x NSTRA Champion and a Regional Champion. She is from Highest Palladine and Hytest Stars Chaser. Sadie is a 5 year old English Setter Female. Her first placement came at a Pinewood Bird Hunter trial on 1/31/10. She earned her 1st championship on 12/4/11 and finished her 2nd championship during the DOY week. Sadie also placed during a qualification round earlier in the week. She has 37 lifetime points of which 24 are first place points. Scotty received 225# of Purina Pro Plan dog food along with the jacket and above mentioned gifts. In addition, Scotty received a pair of birdshooter hunting boots donated by the W.C.Russell Moccasin Company. It was great to meet Scotty's wife, Evelyn and our congratulations go out to Sadie and the Johnsons.

THE WINNER: Hats off to our newest NSTRA National Champion, Moonshines Poison Ivy, owned by Mike Rost – Mid-West Region. Ivy is a 10 time NSTRA Champion whose sire is Moonshines Biotech Sun and dam – Crystal Dew. She has 191 lifetime points of which 119 are first place points. Ivy's trialing days started when she was 2 years old when she placed 1st during a Rock Creek FTA trial. In 2006 she placed 3rd during the Mid-West Region Finals. In 2007 Ivy was 3rd runner-up at the Dog of the Year trial in Indiana and placed 3rd again during the Mid-West Region Finals in 2009. In 2010 she won the Mid-West Regional Championship becoming a Regional Champion and followed in 2011 with a 3rd runner-up win at the NSTRA Performance Classic Championship. She placed 3rd during a qualification run at the DOY trial earlier in the week. Ivy is no stranger to the winner's circle whether it

be on the regional or national level. Along with the Purina presentation of 450 # of Performance Dog Food and winner's jacket from Purina, Mike Witt also presented Mike with the Pro 500 collar from Tri-Tronics "Garmin". He also received a winner's jacket from Kenny Fields, President of Roosterwear Sports Wear. Mike also won a portrait of Ivy commissioned by Bob Bertram and a 2 hole dog box donated by Owens Products. A big round of applause go to Mike and Ivy for a great week and incredible win.

Each entrant was also the recipient of Purina Pro Plan dog food and Purina biscuits, a Trial Hat and Hat Pin, a Dashboard phone holder, Purina koozy can holder, and EMT Products from Trophy Animal Health Care.

The winners of each field during the week were presented Purina Pro Plan food and Orange Vests from Purina. In addition, the Top 24 were presented a Purina Towel, Purina biscuits, a Purina cooler, and an Orange Purina Hat all donated by Purina. Several ladies were recipients of pink Purina hats also furnished by Purina. As we've said many times, our Sponsors are a huge part of the lifeline of our association and we humbly thank them for their generosity. Purina, Tri-Tronics, Roosterwear Sports Gear, Red Haw Supply, Dogs Unlimited, Foster & Smith, W.C. Russell Moccasin Co., Trophy Animal Health Care, Bob Bertram, Owens Dog Boxes, and Mike Kibby – these are the people who give endlessly to NSTRA. Please use their products whenever possible.

HIGHLIGHTS: If you haven't already, please check out NSTRA's new website, created by Mike and Dan Kibby. These guys have done a phenomenal job on the website and the newest addition is the ability by our members to watch the scores from the championship trials as they happen. We've received many compliments on this new addition to our association and hope everyone will track our championship events with this new link.

Also, when you see Shaun Rydl, please ask him about his brace from "H". It wasn't funny, except to hear Shaun tell the story and we appreciate his being able to laugh instead of crying. What a great sport.

We also would like to mention how thrilled we are that the 2012 Scholarship Auction netted \$3,835.00! Thanks to all that donated items for this wonderful event!

Many, many thanks to Cookie Anderson for all her help during the week and also to Dan Kibby and Karen Bowyer. The four of us were able to keep the scores updated and for a preliminary run, it went fairly well. We'll continue to get better and maybe quicker as time goes on. Just have patience with us.

See ya'll in Florida for the Quail Invitational.
