News From the Officers

We have been really busy here at NSTRA lately. For all of you that had NSTRA registered dogs, you will now see your dog's information posted under their new UKC number. Please start using your UKC numbers when you enter your dogs into trials so that their championships will be reported correctly to UKC and be able to put them on their pedigrees. We are also including \$5 off UKC registrations coupons in all our trial packets to be awarded to the top 3 in each field. You can combine them up to \$25 per registration. This year, UKC will again be sponsoring our Performance Classic trial in Waverly, Nebraska. UKC has been very helpful to NSTRA and we are working towards getting lots of new registrations. Please make sure to support our sponsors.

We have finally started to get our organization updated to the 21st century. As many of you know, we introduced our new website just before the "Dog of the Year" trial in 2012. It has blown us away!!!! We have taken more new memberships in the last 5 months than we had in the previous 2 years! And it just keeps growing. This was more than we had originally expected. Our thanks go to Dan & Mike Kibby for pointing us in the right direction and doing all the work. We are also going to have the ability to take your new memberships, renewals and sanction fee payments online through a secure site. This will expedite things in the office and will allow you to pay when you think about it, not just when the office is open. If the payment site isn't up by the printing of this book, keep watching for it on the website because it will be up shortly.

The office has had many calls lately about insurance for your field trial. Please be aware that NSTRA DOES NOT carry insurance for your weekend or regional field trials!! Your region, your club or the individual land owner must provide coverage.

You will see a couple of changes in this magazine. The "Dates to Remember" section has been revised to "Important Things to Remember". This section will include brief description of the most commonly asked questions such as National Trial Qualifications and deadline dates. The "In the Know" section will include new information such as rule interpretations and information that we feel is important to everyone.

We are in the midst of Spring trialing and Regional Eliminations.
Good luck to all!

Sincerely,

Your NSTRA National Officers

Purina Endurance Classic Trial
Lewistown, MT

NSTRA's 2011 & 2012 Endurance trials

It was mid-July 2011, and I was on vacation with my family. I couldn't believe the email that I was reading. Dogs were needed for the NSTRA National Endurance trial, and an email was sent far and wide to NSTRA members in the North West region—okay, that email I could believe. It was the following email from Mike Ouchida (NW region secretary); he was encouraging me to enter Spartacus (aka Sparty—my GSP with a green collar and a fondness for my alma mater Michigan State University). Sparty had just turned two in April and had only one NSTRA season (and one placement) under his collar. Surely he was not ready for a national trial! I called Kay Westbrook, who was keeping our dogs while we were on vacation. Between Kay, Sparty's Uncle Ed (better known as Ed Westbrook) and Mike Ouchida, I was convinced to enter Sparty. It didn't seem right to not send Sparty if the trial was desperate for dogs. After all, what could go wrong? I woke up every morning for the next two months imagining what could go wrong... I put my Ph.D. in worrying to good use!

Nothing catastrophic went wrong, though we had many adventures. Mostly, we had fun, and made new friends and great memories. That is the point of this essay—why you should go to a national NSTRA trial. Your dog may be qualified for a national trial; for the Endurance trial, they've been opening it up to pretty much any dog that has a placement that trial year. But why go to all the work and effort? I can imagine many reasons why you might be reluctant to go—remember, I have a Ph.D. in worrying! It is may be a long distance to travel, and fuel is not cheap; it is a week or more off work; it's a new experience and you're not sure what to expect; the competition is tough (not that dogs in the NW region are slackers by any stretch of the imagination). The bottom line is that it can be a fun, exciting, rewarding adventure that will take your enthusiasm for our NSTRA game to a new level. I say "can" because if your big truck has a melt-down, it might not be so rewarding! Let's just say September 2011 wasn't a great month for NW NSTRA Ford owners. Now, I have to warn you—if you are all about winning, and don't care about fun, camaraderie and realizing personal growth, then don't bother reading further.

Back from vacation, it was time to get Sparty ready for the Endurance trial in Montana—which really meant getting myself convinced that we could do this and not make fools of ourselves. In mid-August, Sparty and I were at Ed and Kay Westbrook's for a George Hickox training seminar. I had attended the previous year when Sparty was in training with his Uncle Ed. This year my role was assistant cook, and in between meals, I took Sparty for long runs in the fields to get him in shape for trialing in warm weather. On the last day, we were talking about the up-coming Endurance trial. Somehow, it came up that I wasn't confident in Team Spartacus. George asked Ed what was the weak link in the team, and Ed replied without hesitation, "The handler." I couldn't argue with that.

George replied, "Well, we can't do anything about that... What's Sparty's biggest weakness?" Again without hesitation, Ed replied, "Obedience." Right again! George gave me some advice, and for the next two weeks, I held Sparty to a strict regimen of discipline, working on duration of commands. I especially focused on George's suggestion that I should make Sparty stand on whoa while I sat on the porch drinking a glass of wine—the whole glass. We never got quite that far because I would get bored and give Sparty some other command. Nonetheless, the gladiator thrived on the routine and learning new commands to trick me into giving him a treat (or so he thought), plus we were having fun as partners.

Soon it was Thursday, September 1st—time to hit the road. For my Ph.D. in worrying, I had a minor in list making. I had lists and Excel spreadsheets to track everything that I needed to purchase, prepare, pre-pack and pack. I borrowed my colleague's travel trailer for the trip. Jeremy (my husband) and I had borrowed the trailer twice before for NW NSTRA trials, but this was my first solo trip. Oh please, I hope I don't get into a situation where I have to back up the trailer! After work, Team Spartacus was on the road by early evening. Normally, Sparty would ride in his kennel in the trailer, but I didn't want to drive all alone, so my gladiator rode in the back seat of the truck. He's a good travel companion—never complains about the music selection!

The first adventure came when we got to Coeur d'Alene, looking for the turn onto I-90. I've traveled this route a few times, but usually with a co-pilot navigator who can read road signs. That's not one of Sparty's strengths. I made a wrong turn; by the time I figured it out, I was at the Coeur d'Alene Resort. I was desperate not to make another mistake that would get me into a situation that I would have to back out of. I pulled into a parking lot, and called Jeremy for directions. No answer. I was missing Jeremy, or more accurately, missing the map function on Jeremy's iPhone. After 5+ years, maybe I needed a new phone! I was frustrated and lost, but Sparty just looked out the window and thought this place looked interesting with strange birds hanging around the water.

Okay, if the gladiator is not worried, I'm not going to worry; I'll back-track and figure it out from there. Shortly, we were back on route, headed east on I-90. My worries about my F150 not having enough power to pull the trailer through the passes were put to rest. We weren't breaking any land speed records, but I was beginning to believe that I could handle this drive!

First stop, the Missoula Wal-Mart to spend the night. I noticed that a tire on the trailer was a little soft, but decided not to worry; I would just put some air in it in the morning. By morning, it was obvious that I needed to get the tire fixed. No problem—I am at a Wal-Mart Super Store with a tire shop.

First problem—the trailer wouldn't fit into the bays so I'll have to take the tire off myself. How hard can that be? I had never changed a tire since I've only had a flat once before and there were five men around who insisted on taking care of it (not that I complained). Let me say, the jack that Ford puts in the F150 is pretty pathetic. Second problem—they couldn't fix the damage to the tire because it was too close to a previous repair. Third problem—they didn't have a replacement tire of the correct size. Three hours later, the spare tire was on the trailer and Team Spartacus was back on the road. I survived that personal growth experience, but I really wanted to talk to someone who would respond more than just cocking his head and looking happy. My phone had no service, even in downtown Missoula; I really needed a new phone.

We made it to Great Falls at the start of rush hour. I had printed out maps, so I was navigating okay. Then, on the busy highway thru town, it hit me—I do not have a spare tire, and this is the last major town on my trip. I looked for tire stores—why were they all on the left side of the road? No choice, I made a left turn in heavy traffic, snuck down a narrow alley and pulled into an empty lot behind the tire store. Half an hour later, with a new spare tire in hand, I realized another moment of personal growth. I can back up a trailer if I take my time and no one but Sparty is watching! A couple of hours later, I was at the trial site. I had had enough personal growth for two days, so I gratefully accepted the generous help of Ed Westbrook, George Clark and Mike Ouchida in getting the trailer backed into place and leveled. Upon hearing my tales of woe, Mike gave me a valuable piece of advice—buy a hydraulic jack. Unfortunately, I didn't do so until I got home, but it was excellent advice. There is now a hydraulic jack tucked under the back seat of my truck, and it is the best anti-flat-tire insurance I have ever had.

The fields looked fantastic. Both fields had tall, luscious alfalfa with strips cut in it. Or so I thought until I tried to flush a running quail out of the thick, gnarly, green morass. The A field on the left, where most of our braces were, had a nice pond in the back corner. Or so I thought until I lost track of Sparty during a brace, only to find him taking a long swim. In the gladiator's defense, the weather was sunny and in the 90's most of the week. Nonetheless, these were great trial grounds, with interesting cover and terrain. There were also many new people to meet. I already knew a few people from the hosting Big Sky region, but then I started to meet the diversity of NSTRA members from across the country. I had been very impressed with the welcoming and friendly nature of the NW NSTRA people when Jeremy and I started trialing with Titus three years earlier. I was equally impressed with the generosity and camaraderie of everyone I met at the Endurance trial. Very quickly, I didn't feel like a stranger in a strange land. It does help to have a dog that makes an impression, though I still haven't figured out whether or not Sparty made a good first impression. I would take Sparty out on his check cord for his "constitutionals" and as always, he helped out by carrying the check cord in his mouth. I would hear comments and laughs as we walked through the trial grounds. At first, I was

embarrassed, but then I realized we are Team Spartacus and this is what we do—I can't help it if most other dogs aren't as helpful as Sparty!

Oh, and did I mention the meals? Everything tastes better in the middle of wide-open fields in central Montana! The NW region members were parked together and combined grilling forces for some dinners, with Jim Fuller providing some very nice wine. There were also group dinners, like the tail-gate potluck on Tuesday night before the official trial. Pot stickers (which I brought) were mentioned in the national magazine, but they were nothing compared to the pheasant, antelope and venison dishes and stuffed jalapenos (WOW—I can still remember the heat from those delicious treats)! The NW region members also hosted a dinner, highlighted by an assortment of delicious smoked meats from Mike and George. Kay put me in charge of dessert, which is not my strong suit. I guess I did okay if the trial chairman wanted seconds and thirds of my German chocolate cake brownies. The major event was the rib-eye steak dinner and auction. Mike Stotts demonstrated his excellent skills at the grill that night! After dinners, people sat around the campsite, swapped stories of trials and hunting while admiring the stars in a big clear sky. It was the best vacation ever, with my young gladiator by my side.

The pre-trial was Saturday and Sunday, with most dogs running one brace each day, so handlers had an opportunity to run in both fields. In our second brace, Team Spartacus had our best performance to that point, fourth place, missing third by 30 points (to clarify, Sparty's placement that year was with Uncle Ed handling). I was beginning to feel some confidence.

Our first run in the Endurance trial was Wednesday. Our brace mate was John Trout, a nice gentleman from Arizona, and his young English Pointer Emma, who also had only one placement—maybe we had a chance. Mike Ouchida suggested that I have Uncle Ed gun for Team Spartacus so we had one less thing to worry about—seemed like sage advice to me. We came out of the field with a 3-2 (I'll just say that the missing retrieve wasn't Sparty's fault—and I'm glad he didn't try to go through the stout barb wire fence to chase that quail down!). I felt confident until I asked Mr. Trout how he'd done. 4-4 (which took first place). I obviously needed to develop better skills at keeping track of my brace mate! Still, we had a good brace, made a new friend, and Sparty was 14th. Since the top 16 dogs advanced, we would play again on Friday. The best part was that Sparty had the highest obedience score in the field that day! It was very kind of the scorekeeper, Stacy Holder, to point this out to me. Our training regimen had paid off, and Sparty got an extra biscuit that evening—but he had to work for it.

The second round was beat-your-brace-mate, and Team Spartacus was against Ricky Gunyon's English Setter, Sky. In the blind, Ed asked Ricky about Sky, and he casually replied that Sky was working on his 5th championship. Ed could tell that my tension was on a steep upward trajectory, so he leaned over and reminded me, "He [Sky] is just a dog." Maybe Ed

was a bit nervous too, because he (uncharacteristically) blew up Sparty's first bird. The gladiator retrieved the mangled mess, brought it half way back and then spit it out to go look for more aesthetic quail. I called him back, but Sparty had "forgotten" where he left the bird. In my vest, I had the lucky pink shotgun shells that Nance Ceccarelli had given me, so I tossed them toward the bird, and eventually Sparty completed the retrieve. Despite the rough start, Team Spartacus advanced again!

The third round, I was gunning for myself, and we were against Wes Barr and Tomoka's Smokin J.R., a charismatic English Setter who was the 2011 Top Performance winner and had just won the North West Texas regional. Sparty didn't know any better, but I was intimidated, except that Wes was so relaxed and casual in the blind. Seconds off the line, both dogs were on point, but the seasoned J.R. had a bird, and Sparty had old scent. Sparty started moving, saw J.R. on point, contemplated backing, returned to tracking the old scent and finally made the worst back of his career—20 was a generous score. I put that out of my mind, and we went off to find our first bird. We were still in the running until late in the brace, when J.R. found his second bird. It was fun to run against such an accomplished dog, and despite his name, J.R. didn't smoke us. But I always have to worry about something, so on the drive home, I kept mulling over that horrible back. Was Sparty broken? Had he become another Titus (my elder GSP, notorious for his lack of backing skills)? Fortunately, I only had to wait a couple of weeks until the September Kennewick trial to find out. Sparty again had the opportunity to back hot off the line, and he screeched to a halt with intensity for a score of 75. What a relief!!

The return trip had its own adventures. It was a wise decision to get a new spare tire. A few miles west of Great Falls, the trailer started to shake and in the rear view mirror, I saw black stuff flying down the road behind me. What in the world?! I stopped and walked around the trailer to find that the tread had blown off the original spare tire. It was hot, so instead of leaving Sparty in the truck, I staked him out while I set about changing a tire for the second time. He had been so patient in Missoula, but this time, he expressed great dissatisfaction with my slow progress. I think he was saying "Why didn't you take Mike's advice and buy a hydraulic jack already?!" Again, I wish I could have called someone for help or moral support, but no cell signal—I needed a new phone. Back on the road, we stopped at the next major town to get another spare tire, but the tire store was closed on Saturday. At least the liquor store across the street was open, so I made sure that I would have refreshments if I blew another tire between there and Missoula. Fortunately, the only other excitement on the drive home was the four big horn sheep standing right next to the highway as we came into Bonner, just east of Missoula.

Fast-forward a year. Again, there was a wide call for entries for the Endurance trial. Again Sparty was qualified, barely, with one placement. Again, I was not confident that Team

Spartacus would be competitive but I was talked into entering him anyway. This year, it took less convincing because I knew that we would have fun no matter how the trial turned out. Plus, this year, we had our own trailer (with most things already packed from my various lists and spread sheets), there were new tires on the trailer and I had a new iPhone. Why worry, what could go wrong?

What a silly question! A week before we were to leave, Sparty's front leg swelled up after a run. With kennel rest, Rimadyl, benadryl and Epsom salt soaks, the gladiator recovered quickly. We set out on our adventure, and the trip was smooth. I had driven through Coeur d'Alene the week before for a work-related trip to the Coeur d'Alene Resort and made the opposite wrong turn that I made last year. Now I was well-practiced at (mis-) navigation so Team Spartacus didn't get lost, plus no flat tires—the drive was almost boring, except for the amazing scenery, and singing along to our favorite tunes and conversing with my best travel companion.

The pre-trial was a fun disaster. The Saturday brace, Team Spartacus zipped and Jon Edwards and Buddy zagged and more birds were on the zag side this time, not the zig side. The Sunday brace was one of those rare "all-women" braces with Mel Edwards and her Brittany Callie. Even though Sparty went birdless, it was one of the most fun braces that Team Spartacus has run—with much laughter, good spirits and camaraderie. Yes, I do admit to yanking my whistle off its lanyard in annoyance, because I once again proved Ed right—the handler was the weak link. Sparty was working an area, finding nothing, so I whistled him to move on to another part of the field. Then I watched Callie and Mel come in and find a bird where I had just been. Was the gladiator now too obedient? I started to long for the first-season Spartacus that would blow me off if he thought he had a better idea—because sometimes he clearly did have the better idea! To top it off, Sparty's leg swelled up again. I was beginning to suspect that Sparty was plotting ways to make me use my Ph.D. in worrying. However, Rimadyl and Epsom salts are our friend, and it is very useful to teach your dog to stand on whoa for several minutes—with his leg in a pitcher of warm, salty water. Sparty was ready and eager to run by Thursday.

In the first round, we were against Nolan Huffman, one of the most winning handlers in NSTRA, who was running Paige Lee's English Pointer Bull. This was going to be a challenge for Team Spartacus. But did I mention that NSTRA people across the country are very friendly and supportive? Lots of people gave me advice, sometimes contradictory. In the end, I held on to two pieces of advice—Nolan has an uncanny ability to see birds in the field, so keep your eye on him, and the mantra of Sparty's Uncle Ed, "Just go hunt with your dog and have fun." The first piece of advice paid off on a marked bird moved by Bull. The judge told me where the bird was, but I didn't have a clear picture until I crested the hill and saw Nolan standing still and calling repeatedly for Bull—who thought he had a better idea. For a femto-second, I thought

that this felt like cheating, taking advantage of Nolan marking the bird for me. Then I remembered Tom Medley's comment at regionals—be more aggressive, this is competition. I whistled for Sparty, who came in and quickly found the bird. I was again happy (for a few minutes) that he was my obedient gladiator. Soon he found another bird, and I didn't hit it solidly. Never fear, Sparty will cover for my blunder. I couldn't see everything, but I knew he had the bird and was bringing it back, but then he turned. What is he doing? I whistled, and my obedient partner brought me the bird. What I couldn't see was that he had turned and was about to back Bull. Did I mention that the handler was the weak link? I should have broken my whistle, not just yanked it off the lanyard! The brace ended with Bull having 3-3 and a back and Sparty, 3-3. This year, there were fourteen braces and the winners of each brace advanced, plus the next two highest scores. The score sheet said we'd missed advancing by 0.5 points, a difference of less than 0.1%. Disappointing, but I was satisfied that Team Spartacus had been competitive against a much wiser handler and more experienced dog. Ironically, the GSP that advanced by 0.5 points then lost to Mr. Trout and Emma. Maybe pointers do rule! Then again, there hasn't been an EP in the final four at the Endurance in my two years, but there have been four GSP's. Sorry, I can't resist throwing fuel on the Gloss/Lessmann family feud over pointing breeds. Don't tell Jeremy or Trace, but I am eagerly looking forward to them having a successful run at the Endurance!

Even though Team Spartacus was eliminated, we still had fun things to do. We cheered on our friends, new and old—especially True and Paul McCawley who made it to Round 3 and Samson and Jack Richardson who made it to Round 5 (of seven). Way to go, Sam and Jack!!! On Friday, Nance and I went hunting on the vast public-access lands available in the area. It was beautiful country and plenty of space to explore. Sparty met a new game bird species, sharp-tail grouse. He wasn't too sure what to think when he scented the first one, but his second point was confident! Again this year, the weather was warm, and after an hour or so, Sparty was slowing quickly—until he found a place to cool off—the black, thick muck of a nearly dried up creek bed. His ground coverage was reinvigorated, but his undercarriage looked like it was coated in tar. When we got back to the trail grounds, I again admired the nice pond in the back of A field and appreciated Sparty's willingness to take a cleansing swim! The Endurance trials were also a great way to evaluate GSP lines from across the country. I have a few ideas about the parentage of my next gladiator pup. I think I'll call him Crixus.

I hope my story has convinced you that there are many opportunities for fun, camaraderie and enjoyment of our NSTRA game by going to a national NSTRA trial—or any trial outside of the NW region. I believe next year's Endurance trial will again be in Lewistown, MT. If you have a qualified dog, a sound truck, a trailer with good tires and a good phone, you should go—what is there to worry about?!

THE KNOW!

News that we feel is important to everyone.

The rules committee has handed down the following rules interpretation regarding backing:

3.01 Back must be called by handler before judge can score a creditable back.

* In the event a handler is unable to see a dog backing, the judge will begin judging the back and advise the handler that his dog is backing. The judge may hold the backing dog at his discretion.

Interpretation: *If, in a judge's opinion, the backing dog leaves the back because the judge has intimidated him while trying to hold him, the back is not scored but, give the dog another opportunity on a separate piece of work. 11/12*

Interpretation: Same as find: if the judge is aware the dog is backing, do not disallow the back if handler fails to call back. 4/93

Why Own a Bird Dog?

Author Unknown

Why own a bird dog? There's a danger you know, You can't own just one, for the craving will grow. There's no doubt they're addictive, wherein lies the danger. While living with lots, you'll grow poorer and stranger.

One bird dog is no trouble, and two are so funny. The third one is easy, the fourth one's a honey. The fifth one delightful, the sixth one's a breeze, You find you can live with a houseful with ease.

So how 'bout another? Would you really dare? They're actually quite easy and you could use a spare! With one on the sofa and two on the bed, and crates in the kitchen, it's no bother you've said. They're really no trouble, their manners are great. What's one more bird dog and just one more crate?

The sofa is hairy, the windows are crusty, The floor is all footprints, the furniture dusty. The housekeeping suffers, but what do you care? Who minds the chew marks on the dining room chair?

So let's get a puppy, we can always find room, And a little more time for yard-training in June. We'll build one more kennel in the corner out back, and put off till next year fixing up this old shack.

Each one is so special, so useful, so funny. The vet and the food bill grows larger, and you have less money. Your folks never visit, few friends come to stay, just other dog folks, who all live the same way. our lawn has now died, and your shrubs are dead too, But your weekends are busy, you're off with your crew. There's dog food and hunt trips, training and shots. Licenses, collars, and trailers that cost lots. Is it worth it, you wonder? Are you caught in a trap? Then, that cute bird dog climbs up in your lap. Her look says you're special and you know that you will, keep all of the dogs, in spite of the bill.

The dogs and the hunting, the travel, the thrills, The work and the worry, the pressure, the bills. The whole thing seems worth it, the dogs are your life. They're charming and funny and offset the strife. Your life-style has changed. Things won't be the same. Yes, bird dogs are addictive and so is the game!!

INDIANA CONSERVATION BIRD DOG CLUB

Submitted by Zack Norman

The Indiana Region and the Conservation Bird Dog Club hosted a 3 day benefit trial on Thanksgiving weekend. We had a great turn out again this year and would like to thank all of those who came from out of region and participated. We had handlers from all over the midwest area, Indiana, Kentucky, Illinois, Northern Illinois, Ohio, Michigan and Midwest regions. We would especially like to thank all those people who judged, bird planted, cooked, field marshalled, and did anything else behind the scenes. Thanks to all those who donated items for the raffle which included a Tritronics backing dog and .20 gauge shotgun

and to those who participated in the raffle. The trial made over \$3000 to help the Indiana Region and the CBDC Club. A special thanks to Junior Coke for chairing the trial. Congratulations to Joe "Butch" Jackson and Rex who earned their 1st championship & Thomas Terhune with Lucky on their 1st-time placement. We look forward to holding this trial again next Thanksgiving.

MID NORTH 2013 Pheasant Fest

MidNorth Region members traveled to Minneapolis, Minnesota, on February 15th through February 17th to set up and man a booth representing all regions of the NSTRA. Our booth was located next to the Purina booth and near where the dog training seminars were being held giving us excellent exposure.

Traffic at the booth was steady as 28,000 people attended the Pheasant Fest this year.

We had the pleasure of meeting and talking with interested parties from all over the United States. We handed out brochures, magazines, sample score cards and scoring criteria. On display

were pictures, posters and our region banner along with banners from NSTRA sponsors. We spent time with individuals explaining the NSTRA trial format to anyone that would listen to us. We were successful in enlisting several new members for our region as well as spending time with possible new members of other surrounding regions.

We appreciate all the support we received from the National office in making this a successful weekend and certainly recommend having a booth at future events.

We have started a new sport in the VA Region for anyone interested called, Duck Wrangling. Jody Bass was chairing a trial but forgot to put up his ducks which swim in the pond in front of the field. After a close call with one of the younger dogs thinking if I can retrieve quail, why not ducks, Jody decided to pen them up. Several of the guys tried to scare them out from one side but they just wouldn't come on land. Hence, Duck Wrangling. It was rather chilly but Jody stripped off his sweatshirt and in he went. It ended with 1/1. He caught one duck but the other stayed in the pond. Always an entertaining time at Jody's!

Managing Canine Stress with Purina Veterinary Diets FortiFlora

Owners of hardworking dogs know that stress is a natural part of competition. Stressful situations, such as travel, working in unfamiliar field environments and change in routine, can trigger gastrointestinal (GI) upset and diarrhea, ultimately impacting a dog's performance.

Professional trainer Tom Dokken of Northfield, Minn., relies on a canine nutritional supplement, *Purina Veterinary Diets FortiFlora*, to help dogs handle stress.

"I wouldn't go anywhere without it," Dokken says. "I travel a lot with my dogs doing seminars all over the country. As a preventative measure I give them FortiFlora."

Dokken has given seminars across the United States, as well as South America. He also has been featured on ESPN, TNN and other major outdoor TV channels.

Purina Veterinary Diets FortiFlora is available exclusively from veterinarians. Introduced in 2006, it provides dietary management of dogs with diarrhea. FortiFlora with *Enterococcus faecium* SF68, a live beneficial probiotic, or bacteria, offers a way to help maintain a normal intestinal balance by increasing the number of beneficial bacteria. FortiFlora also helps support a healthy immune system.

Dokken gives FortiFlora to dogs he works with at his Oak Ridge Kennels, the largest gun dog training kennel in the upper half of the United States.

"It's a lifesaver in my opinion when dogs have digestive problems or watery stools," he says. "It quickly clears up a loose stool."

Hardworking dogs that experience diarrhea lose focus in the field.

"When their digestive system is in turmoil, they just can't perform the way they should. From a concentration standpoint, you can just tell they are off," Dokken says.

"We can't afford to not be on our A game."

Probiotics Promote GI Health

Diarrhea is a common physical response to stress or anxiety. In dogs with diarrhea, the normal balance of bacteria in the intestine is upset. Probiotics provide a safe, effective and natural way to help nutritionally promote and maintain a balanced intestinal microflora.

FortiFlora can be used proactively, when a stressful situation or field trial is coming up, to help promote a dog's digestive tract. This nutritional supplement may be helpful in managing dogs experiencing:

- Stressful situations due to travel and work in unfamiliar field environments
- Diet change or consumption of inappropriate foods
- Soft stools in puppies
- Antibiotic therapy

Hardworking dogs may experience stress that could lead to gastrointestinal upset and diarrhea. *Purina Veterinary Diets FortiFlora* brand canine nutritional supplement contains a beneficial probiotic that helps provide dietary management of dogs with diarrhea. FortiFlora is available exclusively from veterinarians.

PHOTO PROVIDED BY PURINA

In developing FortiFlora, nutritional scientists at Purina studied the effects of a probiotic, or live beneficial bacteria, to determine its usefulness in the diets of dogs. A research team, made up of microbiologists, nutritionists, immunologists, veterinary surgeons, food scientists and stability specialists, spent more than eight years evaluating the specific probiotic, *Enterococcus faecium* SF68, used in FortiFlora.

Few studies had evaluated probiotic value for dogs until Purina conducted three studies: Two assessed the benefits for puppies and one looked at benefits for adult dogs. The research indicated that supplementing canine diets with FortiFlora promotes intestinal health and balance in growing puppies and adult dogs.

FortiFlora also contains antioxidant vitamins A, E and C to help promote a healthy immune system. The GI tract's role as a body's natural defense system is often overlooked. In fact, about 70 percent of the body's immune cells are located in the GI tract.

QUAIL INVITATIONAL CHAMPIONSHIP

As winter storms plummeted the northern states, NSTRA members and families made their way to Lake Wales, Florida for the annual Quail Invitational Championship. One hundred twenty-eight dogs were showcased this year with 16 regions being represented.

The Florida Region Officers held a 3 day-4 field pretrial at the Central Florida Field Trial making sure that each dog had a least one run on the field they would eventually compete on during the championship. This in itself is no easy task, but was accomplished by a very competent "Lady in Charge" Dana Walker. Practice days were Tuesday and Wednesday before the championship began on Thursday morning.

The Florida Region outdid themselves for the Wednesday evening complimentary party. Gigantic shrimp, oysters and numerous other appetizers were the order of the evening and talk about mouthwatering. It was phenomenal. The shrimp and oysters were donated by Milligan's Reef of Port Canaveral, Florida and we can never thank them enough for this generous donation. If nothing else, word of mouth about this terrific meal will bring more people to Florida next February. At 7 o'clock, everyone gathered under the tent for a Calcutta of the 128 dogs in the trial. Mikeal Mulberry was the auctioneer for the evening with Bob Cunningham and Jim Mahoney catching bids. Seventy percent of the Calcutta would pay back to the 4 winners from Saturday's final with 30% going to the scholarship fund. When all was said and done, the scholarship fund generated \$1850 from the Calcutta and four very happy people would split \$4325. It was a fun time and our thanks especially to Mikeal for an extraordinary job.

Chairman for the Championship was Marilyn Cunningham while Sam Ashmore served as co-chairman. Judges were Donny Parker (AR), Frank Llano (IL), Ron Huels (IL), Ron Becker (IL), Ricky Gunnyon (GA), Eddie Green (SCR), Cory Perdue (GA), and Stan Perdue (GA). Marshals were Dana Walker (FL), Nancy Ashmore (FL), Cookie Anderson (IL), and Mary Kay Kunza (MSM). Birdhandlers were Bo Marcum (MK), and Gene Pritchett (GA). We were told numerous times during the trial as to the high quality work these people were doing and there's not enough thanks in the world to let them know how much they are appreciated. With a crew like this, the chairman's job is a "walk in the park"; our thanks and appreciation goes out to each one.

Breakfast is the "men's meal" at the CFFT clubhouse and George Sterner, Sam Ashmore, and their crew were at the grill by 6:00 a.m. preparing breakfast for the trial officials and handlers. Other club members were busy taking care of any left-over birds in the fields while a meeting was held in the clubhouse with the trial officials for field assignments, boundaries and introductions. At 7:15 everyone gathered at the flag pole. Don Bowyer prayed a blessing over the trial immediately followed by the raising of the flag. We were fortunate this year to have T.J. Craven in person to sing our National Anthem. T.J. is the son of Todd Craven of the Michigan Region and is a super entertainer. It was a special moment for those of us who have seen T.J. grow into a fine young man with a God-given talent.

Handlers were called to the blind at 7:30 and the runnings for the 4 fields follow with the Top 16 dogs advancing to Friday's elimination round. A field judges were Ricky and Eddie with Dana marshalling and Bo handling the birds.

The drawing was held after the trial and posted before the evening meal; the meal consisting of Roast Pork Loin and all the trimmings for a delicious meal. Bruce Van Vliet had spent the afternoon grilling the loins and they were grilled to perfection. Rick Trezona gave the invocation before the meal. Our thanks to Bruce and his kitchen personnel for the great food served each day. Several of the Ladies of NSTRA, under the direction of Tina Sterner and Sharron Watson had organized a silent auction and items were on sale until 6:30 Thursday evening at which time money and items changed hands. Thanks to those who participated.

We were graced with fog on Friday morning, so were late in starting the trial. However, by 8:15 all fields were underway. The temperatures warmed into the low 80's each day; typical Florida weather with shorts and tank tops being the order of the day. The morning braces follow:

Dillon is a 7 year old Brittany Male from Windswept's Clay Bullet and Beeline Cinnamon. He is a 1 time NSTRA champion with 35 lifetime points. Congratulations to Dillon, the Ramseys and Nolan.

Beeline Bullet's Oxidation "Rusty" was 5th runner-up and is owned/handled by Nolan Huffman of the South Carolina Region. Rusty is a 7 year old Brittany male from the infamous Nolan's Last Bullet and Lazy K Little Bit. He is a 7 time NSTRA champion and 1 time National Champion winning the 2010 Grand National Championship. He has 143 total lifetime points.

Mohawk's Mudslinger was the 4th runner-up, 7x NSTRA champion and is an 8 year old English Setter owned by Bob Cunningham/handled by Steven Cunningham, both from the Illinois Region. Slinger is from Smokin Mohawk's Chester and Night Trip. He has 128 total lifetime points and has 3 other Top Four wins – 2008 – 1st runner-up at the Quail Invitational; 2nd runner-up – 2008 Trial of Champions; and 3rd runner-up during the 2010 Trial of Champions. Congratulations to the Cunninghams and Slinger

At this time we now had our Top 4 winners, but would still run 2 - ½ braces on A field to determine our 2nd and 3rd place runner-up positions in addition to determining our 2 final hour participants. Lunch was served in the clubhouse at this time, giving each of these four handlers and dogs a much needed rest. At approximately 1:30 the handlers were called to the line with Ricky and Eddie judging.

ROUND 6

- 1 MOHAWK'S CRUDE DUDE – STEVEN CUNNINGHAM – 469 ***
TOMOKA'S SMOKIN GUN – GREG WOOD/JIM KIRKMAN/GREG WOOD – 487.5
- 2 CROSSWIND MICRO CHIP – SCOTT TOWNSEND – 649 ***
TINA'S TREAD TRACKER – TINA/GEOFF STERNER – 454

At the end of the 2 braces we now knew that Scott and Chip would be braced against Greg and Jake for the one hour final brace. Our 2nd runner-up was Dude with Steven and 3rd was Geoff with Tread. While the fields were once again swept, the final hour participants rested in the shade in anticipation of the last brace of the day. Stan and Cory were the final hour judges and called the handlers to the blind at approximately 3:00 p.m.

It was in the mid-80's by 3 o'clock and scenting conditions were tough. We were not sure of the running until the final hour was completed and at that time we knew that Crosswind Micro Chip had bested Tomoka's Smokin Gun by one bird. Since Chip had not had a backing score during the trial, a backing situation had to be set up to determine Chip's national championship. Upon their return from the field, the judges assured the marshals that Chip had backed and scored him and scored him 58 backing points. Thus, we had our newest National Champion.

Jake's scored on 4 finds – 80, 84, 87, 82; retrieves – 80, 82, 80, A; obedience – 67.5; ground coverage – 82.5 totaling 805.66 points. Chip's scores were 5 finds – 84, 88, 88, 86, 81; retrieves – A/81, 84, slash, 86, 73; obedience – 67; ground coverage 81.5; back – 58 totaling 957.5 points. It was a close final with 2 fine young dogs and handlers.

We headed to the clubhouse at 4:30 for the awards ceremony which would be held under the tent in front of the clubhouse. On hand to help with the presentation were Dot and Will Heddon, Ray Cacchio, and Sam Ashmore and Kenny Fields.

The 3rd runner-up was Tina's Tread Tracker, a 4 year old Brittany male owned by Tina Sterner, handled by Geoff Sterner. Tread is from last year's QI National Champion – Buddy's Mini-Cooper and Earley's BB. Tina and Geoff Sterner are members of the Florida Region. He is a 6 year old tri-colored English Setter male and a 7 time NSTRA champion. He has 133 points of which 78 are 1st place points. His first championship came on 11/29/08 and he was 2nd runner-up during the 2010 QI Championship. Our congratulations to the Cunningham Family and Dude for a super week.

The first runner-up was Tomoka's Smokin Gun, owned by Greg Wood and Jim Kirkman handled by Greg. Greg is a member of the Kentucky Region while Jim hails from South Carolina. Jake is a 5 year old English Setter Male and 6 time NSTRA Champion. He is from Tomoka's Smokin J.R. and Barr's Smokin Mackenzie and has 113 lifetime points of which 69 are first place points. Jake's first trial was on 12/7/08 at the Pike County Birdhunters Trial. In April, 2009 Jake won the Kentucky Regional Trial and followed with a 2nd runner-up win at the 2010 Kentucky Regional Trial. In closing, we can only say that we had a fun time with special people and fantastic weather at the Central Florida Field Trial grounds. Our thanks to all the participants, families, trial personnel, CFFT, and Florida Region. Everyone involved makes this an astonishing time for all of us to gather and watch some special animals and handlers compete for these coveted titles. And a special thank you to our sponsors and office personnel for their time and donations.

HIGHLIGHTS; Although we inadvertently did not get a picture of the kitchen crew, we certainly want to give them a special thank you for taking care of us during the week. Also, to Mr. Camper Man, Bruce Van Vliet, for finding camping spots for everyone, to Garry May for finding kennels for the dogs, we thank you. My thanks to Karen Bowyer for her help in posting scores on the national website so all of you there at home came keep up with the trial. She is a delightful lady and fun to have by your side. It was good to see Will Heddon with his trusty broom sweeping out the sand that we tracked in during the day. Will mentioned that the clubhouse is 26 years old and the bowling alley flooring has held up nicely. Will was instrumental in starting the Florida Region and the Birddog Club many years ago and his presence is a constant reminder of the hard work that is involved in starting a new Region.

We missed Ralph and Betty Harrell and hope that Betty is feeling better. Not to let us down, she baked cakes and sent them to the trial. Now that's devotion. To Lonnie Jones, who got into a fight with a garage door opener, we're hoping you're on the mend. It was good to see Neal Willis at the trial and doing better after his accident. And as always, it's fun to see the Woods girls and how they've changed in a year. Madison and Brandy Ashmore made great card runners as long as we could keep them in a vehicle. And as always, Clayton Ashmore is always on hand to see what "Miss Marilyn" needs. Thanks to Clayton for helping sweep the fields and running errands when needed. Dion Bliss was missed this year as he was having shoulder problems and our thanks to Charlie Standish for his help in acquiring the seafood for the Wednesday night meal. Thanks to Greg Wood for his help with the Calcutta and again to Mikeal Mulberry for his auctioneering abilities.

CH. AUTRY'S ROWDY CASH

2000 – 2013
Steve Autry
Mid-South Region

On March 5, 2013, my wife and I were forced to make the very difficult decision to have Cash euthanized due to his failing health.

The memories of Cash will be with us always as he was the beginning of Autry Setters Kennels, trialing, traveling, making new friends, and the love of a dog that was beyond compare.

Our wonderful life's journey with Cash began the weekend of Labor Day 2000. Angela, our son Steven and I drove to Eastern Kentucky to pick up Cash at 6 weeks old. He got his name "Cash" from Angela and Steven discussing between them how much cash I was spending buying a puppy and the trip to Eastern Kentucky to pick him up.

Cash was my first trial dog and we both had a lot to learn. But with the help of my friend, Chester Kiestler, we got him ready and I started running him in some trials in the Mid-South Region. It took some time, sweat and patience, but Cash got his first placement on September 28, 2002 at the Volunteer Gun Dog Club at Stantonville, Tennessee. On March 8, 2003 he got his first 1st placement.

I ran Cash in several different regions and he could always hold his own with the very best. One of my favorite memories is a trial I ran Cash in Danville, Alabama. He split the field with a National Champion. I think Cash gained a lot of respect that day.

Cash earned his first NSTRA Championship on November 7, 2004. He placed 2nd in the 2003 and 2004 Mid-South Regional finals. He got his last placement March 17, 2007 with a first place at the Razorback Club at Monticello, Arkansas. In Cash's trialing career he earned a total of 40 points and I am VERY proud of each one. Each point was earned with hard work, training, fairness, honesty and Cash's love of birds, the hunt and his love and respect for me. We retired Cash in 2007 due to a leg injury and let him become a first class yard dog which he had so rightfully deserved.

Most people that saw Cash run did not believe him to be a Llewellyn Setter due to the way he could run like the wind and could take the heat. He wasn't a "typical" Llewellyn Setter.....he was the "exceptional" Llewellyn Setter. I fondly remember one time at a Llewellyn trial in Kentucky, he was referred to by a Llewellyn handler as "wild and out of control".... That very afternoon Cash took home first place. He had a gear in him that I had never seen in a Llewellyn Setter, nor have I seen it in one since.

Cash and I learned a lot about trialing (both good and bad). Hopefully I can pass on some of the good before my time is up.

Honoring those extraordinary men and women

DISTINGUISHED MEMBERS

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. We are deeply thankful for their dedication to the sport of field trialing.

This award will be presented annually at the Dog of the Year banquet. The first year 11 individuals were inducted. Thereafter up to 2 individuals per year will be selected. The selection panel will be made up of 3 current NSTRA members (not to include National Elected Officers) selected by the National President.

Nominations are to be submitted by August 31. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included if available.

The committee will review all nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected.

The committee will make their decision by September 30. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

Meet The UKC Staff

United Kennel Club employs approximately fifty full time employees that work out of the UKC headquarters located in Kalamazoo, Michigan. We loosely fit into three main departments: Registration, Events, and Publications. I think we have the greatest staff in the industry and though I would like to introduce them all, time and space simply do not permit me to do so. As each of you experience more dealings with UKC over the coming years, you too will learn that our staff is friendly, knowledgeable, and dedicated to the sport of purebred dogs. But there are three of us you will be more likely to see wandering around your NSTRA events and I will tell you a little bit about ourselves so that we don't seem like some strangers from an office in a far away city with a funny name.

I guess I hold the dubious honor of being UKC's longest tenured employee at this time. I was hired in May of 1988 which at times seems like just yesterday and at other times feels like I was sitting next to Chauncey Bennett when he founded the place in 1898. I was actually hired to assist with the coonhound event particulars and also to help start up a hunting beagle program. As the years rolled on, I eventually became the Vice President of Events which grew to include coonhounds, beagles, hunting retrievers, a squirrel dog program and the pointing dog programs along with our all breed events.

During the last 25 years, my personal dog runs at times held a few different coonhounds and beagles but they always housed a pointing dog as well. Eventually the coonhounds and beagles were phased out and for the last ten years it's been strictly pointing dogs. I love all the hunting dog sports but nothing compares to shooting wild birds over a pointing dog for me. I've had a Brittany or two, Shorthairs, English Pointers and Setters, and then had a long run with German Wirehaired Pointers. I'm currently running a young Setter female named Belle every chance I get on Michigan's woodcock and grouse.

UKC's current President Wayne Cavanaugh took the reins a little more than ten years ago and brought UKC to a new level. Dedicated to UKC's Total Dog philosophy, he has encouraged an expansion of events of all types and registrations have followed suit. He is definitely a "hands on" leader and in addition to fulfilling his Presidential responsibilities you will also see him doing everything from accompanying the staff to events to helping paint an office in the UKC headquarters.

Wayne grew up in a gundog family in New Jersey that raised Beagles, English Setters and English Pointers. It was the English Pointers however that remained with him throughout his adult life. Over the years he worked closely with his personal friend Bob Wehle (Elhew Kennels) on such projects as the inheritance of color in the English Pointer breed. If you pin him down he will admit his own kennel looks like a geriatric ward for English Pointers and I can tell by the look in his eye as he watches a young Pointer run a field at a NSTRA event that he would be an easy mark for one of you needing to move a puppy!

Sarah and Ozzy

Todd and Tess

Wayne and Minnie

Sara Chisnell-Voigt started at UKC six years ago in the Registration Department. A licensed attorney, Sara currently holds the title of Legal Counsel. Sara is becoming a key player on the UKC travel staff due to her general dog knowledge and extensive UKC event experience. And although she still oversees and assists with a wide range of UKC Registration Department activities, she is a valuable asset to the hunting dog community for her legislative work on hunting and dog owner's rights.

Sara shares her house with two German Shorthairs, a Weimaraner, a Border Collie and an Australian Cattle Dog. I believe Sara's personal dogs hold a total of 12 different UKC titles (not all are Champion titles) between them, ranging from conformation show degrees through hunting retriever and pointing dog titles. Sara did not grow up in a hunting household but started completely on her own a few years ago with the addition of a young GSP male named Ozzy. I think it's safe to say she's hooked now and our sport will benefit from her involvement.

I hope that the NSTRA membership will take a moment to introduce yourself to the UKC staff when you see us at your National events in the coming years. We would love to meet you and listen to your thoughts and suggestions on how we can better serve the NSTRA and purebred dogs in general.

REGISTER YOUR DOGS WITH UKC AT NSTRA NATIONAL TRIALS!

UKC Staff members will be in attendance at the upcoming **Trial of Champions in Amo, Indiana**, and the **UKC Performance Classic in Waverly, Nebraska**. We can make it very easy for you to register your dogs with United Kennel Club at these events if you remember to bring the following:

- 1) Your NAVHDA, AKC, FDSB or CKC Registration Certificate – This certificate serves two purposes. First, it is proof that the dog is purebred. Second, it indicates that the person applying for UKC Single Registration of the dog is the actual owner of the dog. However, in the case of puppies or recently purchased dogs that have not been registered into your name with one of the above-mentioned registries, we do accept registration certificates filled out for transfer into your name.
- 2) A Three-Generation Pedigree For Each Dog – This may be an official pedigree that was purchased from one of the above-mentioned registries, or it may be a handwritten pedigree. It is not necessary to purchase a pedigree from the above-mentioned registries to Single Register your dog with United Kennel Club. Care should be taken in the accuracy of information and spelling in the case of handwritten pedigrees.
- 3) NSTRA-Issued \$5 Off Vouchers – If you have recently received any \$5 off UKC registration vouchers for placing at a NSTRA event, bring those with you. Remember, you may use multiple \$5 off vouchers in conjunction with one UKC Single Registration Application.

Tips For Making The Single Registration Process As Simple As Can Be:

- To save time at the event, have a UKC Single Registration Application filled out before you arrive at the event. Single Registration Applications may be downloaded from the NSTRA website by following the link to UKC Registration in the left-hand margin of the home page. Remember, it is not necessary to fill out the pedigree portion of the single registration application if you are bringing a separate copy of your dog's pedigree.
- The UKC staff will have a scanner at the events we attend so that it will not be necessary for you to make photo copies of your registration certificate or pedigrees.

**Now is the time for all NSTRA members to take advantage of a
\$10 discount on the UKC Single Registration fee!**

"THE ANIMAL SLAYER"**

Driving home from a college baseball game with my great nephew, Cole Lawson and guess what I hit with the ole town and country van? You can see for yourself. Bob estimates she is probably about a 150# hog. Luckily, it didn't hurt the van, nor us, but sure made a racket! Killed her deader than three o'clock. Just after Christmas I had hit a deer in Illinois and did \$22,000 damage to my enclave. Glad the van held up under the pressure.

"A working dog's worst enemy is dehydration.

If my dogs are dehydrated, they can't go to work. And we're on the road 70,000 miles each year. I worked out a plan with my veterinarian. Now I keep my dogs on FortiFlora® until we're back home."

— *George Hickox*

Bird dog trainer and guide George Hickox has a passion for upland hunting. He has trained and campaigned National High Point Champions, Field Champions, and has garnered over 100 field trial placements.
