News From the Officers

Members,

Well, all of us new officers made it thru our first set of meetings, and I feel with good success. I feel we have a strong, organized group with an extreme focus for bettering NSTRA, increasing membership, and leaving a strong, continued foundation for those who follow us. We had quite the agenda and discussed many topics:

- Restructuring database and online draw
- Strong sponsorship possibilities
- Performance award criteria
- UKC
- Judging consistency thru video footage
- Monetary support of our regions
- Endurance criteria

As usual, all of this information was sent to the region presidents. Please reach out to them to find out more detail. If you have any further questions, please ask the national officer in charge of your regional area.

As the spring season comes to a close, I want to congratulate all of the regional winners. I would also like to thank all of our committee members who volunteer their time to help the national office make educated decisions. Without their help and support, we couldn't function as efficiently as we do.

Please remember we have two offices open for our upcoming election: secretary and 2nd vice president. Steve Jaspering chairs the nomination committee. We are looking for strong leaders to help our organization prosper. If you, or anyone you know has an interest and is willing to put forth the effort, please contact Steve. If we want to continue progressing, it requires all of us to make a difference.

In closing, please always remember, be part of the solution, not the problem.

Sincerely,
Chad Collison

Kansas retiree honored for work getting kids outdoors on the prairies

EMPORIA, Kan. — When Phil Taunton follows a bird dog through a field or casts a line into his favorite fishing lake, it always brings back fond memories of time spent with his dad.

Thanks to his father, Taunton grew up with a deep appreciation for the outdoors. Whether it was walking in his dad's footsteps hunting quail where Milford Reservoir now sits or setting cane poles for catfish on creeks, father and son were immersed in nature.

And his father's death in 1995 left a void for more people than just Phil.

"My dad was an inspiration," said Taunton, 65, who lives in Emporia, Kan. "And not just to me. There wasn't a kid in the neighborhood who didn't look at my dad as their dad."

"He loved the outdoors, and he loved to get kids involved in things he had a passion for."

Taunton is continuing that family tradition. A tireless worker for getting children involved in the outdoors, he recently was recognized for his achievements when he was named the national Volunteer of the Year by the National Wildlife Federation.

"I have a picture down at my lake home that shows a ghostly figure of an adult hunter with his bird dog and then a boy with a younger dog on a leash, going through a field," Taunton said. "To me, that picture has always been special."

"It reminds me that we have to pass down our love of the outdoors to the younger generation."

Taunton has been busy doing that for years. After his father died, he wanted to do something that would honor him. So he became a hunter-education instructor, a volunteer position he still holds. From there, his efforts just mushroomed.

Now retired from the Burlington Northern Santa Fe Railroad, Taunton has a hectic schedule that would leave others exhausted. When it comes to recruiting kids into the outdoors, there aren't enough hours in the day for Taunton.

He started by helping organize Take a Kid Hunting programs and National Hunting and Fishing Day celebrations

in the Emporia area. From there, he became involved with environmental education programs such as Green Schools, ECO-Meets, No Child Left Inside and local Environthon competitions

He played a major part in developing an Emporia State booklet titled "Last Child on the Prairie: A Directory for Parents and Teachers for Returning Children to the Outdoors." And he shows youngsters the excitement of working with bird dogs when he puts on The World of Sporting Dogs presentations.

When Beau Arndt, a local youth who was an avid outdoorsman, was killed in a hunting accident, Taunton worked with the Arndt family to create 4 Beau Arndt, Love of the Outdoors Appreciation Days and establish a scholarship at Emporia State in Arndt's name.

He also has been active in programs for everything from the Kansas Wildlife Federation to 4-H, and he enthusiastically touts young outdoors enthusiasts as "our future." He gets the word out on a weekly radio show,

heard from 8:15 to 8:55 a.m. Fridays on KVOE, 1400 AM.

"It's the dedication and commitment of people like Phil Taunton that helps ensure a wildlife heritage for our children," said Larry Schweiger, president and CEO of the National Wildlife Federation.

Troy Schroeder, president of the federation, added, "Phil is a true inspiration. His love of the outdoors and youth is abundant and never-ending. His energy to assist outdoor groups knows no limits."

But to Taunton, the only reward he needs for his hours of volunteer work is seeing children becoming involved in the outdoors.

"At one of our bird-dog demonstrations, a dad and his son were there when one of my dogs went on a solid point right in front of them," Taunton said. "I could tell the father hadn't hunted very much, but he was just amazed."

"He turned to his son and said 'Everyone should see this at least once in their lifetime.' And the boy said, 'Dad, we

Phil and Lil Mern

have to do this.'

Letter to a first grader on hunting..."Flat Stanley" presentation:

Laura, My name is Phil Taunton and I do want to thank you for your interest in becoming a hunter. I have been involved with hunting and developed an appreciation of wildlife and our natural world when I was about your age---60 years ago!

We all know the end result of hunting means a critter of some type will be harvested. Since your teacher introduced me to your "Flat Laura" I have been working on just how I can let you know what hunting and wildlife appreciation means to me. And did you know in order to live, the early settlers of America would have never survived if they didn't know how to hunt and live off the land? Very few stores existed on the Kansas prairie and the Pioneers had to travel very long distances for food and supplies.

Hunters play an important role in conservation and wildlife management. A lot of people don't realize that.

All hunters need to learn respect. They respect their family and the friends they hunt with. Landowners, who trust hunters on their land and the animals hunters seek need to be respected, also.

Most of all, hunters must respect themselves. They also need to learn about the safe handling of firearms and how to store all guns safely in the home, locked up and away from little kids. Developing a good code of ethics will play a big part in becoming the hunter you want to be. You will learn you need to obey all hunting regulations and understand you can not be on someone's land without their permission. That is called trespassing and trespassing is against the law. It is also illegal to be on railroad tracks and even be on the railroad right of way where you don't have permission; even in town. You will also learn about survival in the wild and to respect the weather. Another thing you will learn is to plan ahead and be responsible for your actions.

When you are 11, you will be able to take a Kansas Hunter Education course. I hope I will be your instructor. You can legally hunt until you are 16 years of age under the direct supervision of someone 18 years of age or older without taking the course, but the course has a lot of really useful information for people of all ages and is definitely worth your time.

During our short time together this week, I have introduced "Flat Laura" to the animals and birds I enjoy seeing in the wild. Wildlife can also be enjoyed in the City. Their beauty and watching their antics will develop the appreciation of wildlife I hope you gain as you grow older. Reading books about birds and animals is also very rewarding. Just remember, your activity in the Outdoors, whether it is hunting, fishing, exploring or just enjoying Nature will last a lifetime!

Flat Laura was a guest on my radio show last week-- KVOE's What's in Outdoors.

We had fun talking to her in the field with the prairie chickens and I could just see you on the bison hunt with those Old Timers! Hopefully, you will join me on the show when you get older and let all of Emporia know of your outdoor activities and achievements.

One thing I ask of you now is to be sure to eat a lot of ice cream, have fun, catch fireflies, feel the soft brush of a butterfly's wing on your nose and enjoy the Great Outdoors. ■

NSTRA AND NSTRA CLUBS ARE NOT RESPONSIBLE FOR ACCIDENTS DURING TRIALS!

THE KNOW!

News that we feel is important to everyone.

Endurance Trial – The qualifications for the Endurance Trial have been changed as follows:

Entry into this trial is based on all open points earned from June 1 through May 31, except points earned from placements in the final “Top 4” of a National Championship trial or Regional Championship trial (qualifying rounds do count) plus any NSTRA open champion dog. Champion dogs will be accepted first in the case of a tie-breaker in regards to entries. No invitations will be sent.

Renew Your Membership:

You can now renew your memberships (or start a new one) online on our website. Just click the “Join Now” button in the upper right hand corner and follow the steps. This is much faster than calling the office and you can renew at any time of the day. Soon, you will be able to pay your trial sanction fees the same way!

Computer System Upgrade:

The Board of Directors recently voted to approve the bid for upgrading our computer system. This will include significant changes and improvements to the online trial drawing utility and the NSTRA database and integration with our new website. These changes should be well on their way to completion by the end of the year.

Hall of Fame:

The Board of Directors voted to change the criteria for Hall of Fame nominated dogs. In order to be nominated to the Hall of Fame a dog must accumulate at least 13 points through any combination of the following: 8 points for a National Trial win, 5 points for a National Final Four placement (2nd, 3rd, and 4th places), 6 points for a Top Performance win, 2 points for a Regional Championship and 1 point for every 5 NSTRA championships (for example a 12xCH = 2 points). The new method allows members to qualify using various combinations of accomplishments. Nominations will still be accepted November 1 through March 31 and will not be “carried over” from year to year.

Addition to ATV Guidelines 9:

All rules of safety apply for a handler with an ATV variance as if he/she was a walking handler even though their guns are unloaded.

25X Champion Stephens Bright Copper

Lee Stephens texted, Copper died today! The news stung me and I texted back $13 \frac{3}{4} \times 7 = 96.25$ in dog years which equals a million great memories and many lessons learned. So many good men train, trade and spend and never own a dog like Lee and Lindsay Stephens were blessed with early in their lives.

Copper was born in my barn on June 27, 1999 at Flat Branch Kennels (Texas). Copper was one of five males and two females. His sire was 25 time Champion, Crow's Little Joe and dam 4 time Champion, Total Package Sadie. Sadie is the greatest producing female in NSTRA history. Sadie was near passing Nell's Rambling On and Wine List to become the greatest in American Field records when NSTRA & American Field parted ways. Six of the seven pups in Coppers litter won various NSTRA trials. Two of Coppers litter mates were multiple champions. Sadie produced winners in all five of her litters by three sires.

Copper was first trained by Rick Bertinetti. I cannot thank him enough for his efforts and for selling Copper to me. I hunted that winter with Copper in Kansas, and Texas. In the spring of that year I decided to concentrate on just one dog (Ranger) and so I sold Copper to Ed Orms after a fun trial run of 6-6 and back. Ed would later sell Copper to Lee Stephens due (if my memory is correct) to Ed's blood pressure.

Together, Lee and Copper were off. Lee learned fast and could get to Copper fast. Copper was head strong, had the nose and stamina seldom seen in a dog. Scott Boomershine, once said after running Copper, that he had never run a dog that hated birds as much as Copper. Copper could be read. You could see his intensity as he waited for you to kill the bird. Copper was always thinking about next bird. Copper had the dedication, and conviction that all men should seek. He seldom came back for direction, he just needed a gunner.

Lee and Copper racked up the points and many miles together. During one year Copper had enough points in three different regions to be the high point dog. Copper & Lee's accomplishments were the result of dedication, perseverance and burning desire to compete.

Lee later got sidetracked by a pretty girl, soon married and started a family. As Lee's focus changed it gave me the opportunity to have Copper back into my barn for the third time. Seeing this opportunity I convinced Lee into letting me take over Copper's handle. It was an honor to have him back with me again. After two and a half years of running, Lee, Lindsay and Trey came to Texas to run Copper his last brace. Our goal of 25 Championships, and passing his sires (Crow's Little Joe) point total (451) was completed. Copper was retired. I loved Copper. He rode up front with me and I told everyone around me, "This is Copper's truck I just drive."

The uniqueness of Copper is that he was as intense on his last bird as he was on his first. He went all out every time on

every run. He was exciting to watch and honor to run. Copper loved everyone but he had a little extra love for those bearing arms! Copper was a true friend and a gentle spirit. In all of my years I never saw him fight.

In Copper's latter years he would sneak down to the soccer fields to see the kids play. Lee would always have to go retrieve him. Lee said, "I had the best tracking dog in the country and now he can't find his way home."

I will attempt to list his accomplishments and express appreciation to all who placed Copper in trials. If there is anyone I have missed, please except my apologies. Without everyone's help, Copper passing Joe's point's record could not have been possible. I sent an email to Lee on entry fees after we passed Joe's record. I remember his response, "\$75 entry fee-owning the winningest pointer ever PRICELESS!"

Glory to GOD, for all gifts undeserved handlers.

NSTRA Youth Scholarship Fund

A. NATURE OF AWARD: National Shoot to Retrieve is offering an one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

B. CRITERIA FOR SELECTION:

- 1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information **MUST** be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

C. STIPULATIONS: The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

D. PRESENTATION OF AWARD: The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.

Regional Trialing

ARKANSAS/LOUISIANA

On March 2, 2013 the North Arkansas Quail Club held a NSTRA All-Amateur Trial at Feathers & Gunpowder Preserve in Newburg, Arkansas. 28 dogs and handlers competed in the last of three NSTRA Trials of the season held by NAQC.

Competition was intense as all Placements would qualify for Regionals. NAQC members, Larry Cook & Lacey and Deb Meline & Lippy, both first-time placements, secured their positions to go to Stuttgart, Arkansas for the Ark/La Regional Trial.

It was extremely cold and windy but judges Robert Tipton and Kevin Scribner dressed for the weather and never missed a lick. Larry Cook & Lacey put on quite a show and warmed up the gallery. Brad Beetch & Kylee's Secret Element finished 2nd with Deb Meline & Lippy finishing 3rd.

Once again, great job by L.D. Moser and the North Arkansas Quail Club for putting on a quality trial.

SAVAGE CONDITIONS during a weekend trial in Savage, Mt !!!! The Jepsen family put on another great trial regardless of the conditions. As trial chairman Michael runs a great trial with support from his wife Sandy as food coordinator, Hanna as bird planter, and Claire as marshal assistant/scorekeeper. This shot is of Jason Norton and "Eli" (from the Mid-North region) & Gary Bauer and "Piper" (from the Big Sky Region), going to the start line. Piper got on the track and scored a five bird run for first place.

NCN Family Affair 2012 - Corning, CA 12/09/12

The December trial was a true family event. The weekend was wet and dry, cold and warm, windy and calm; just normal for all trailers. The old adages “Three’s a charm” or “All for one and one for all” or even “Blood is thicker than water” applied. Maybe even “The Three Stooges win the day.”

The placements were controlled by three brothers from the same litter (Crosswind Truckin Chopper X Histep Screamin Eagle Addie 01/08/09) First place was scooped-up by Gus handled by John Hervey, second place was grabbed by Spot handled by Larry DeWebber, and third was captured by Topper also handled by John Hervey.

The boys all look quite different on the outside, but on the inside; the brains and noses are the same. The Histep/Crosswind family rules!

Gun Dog Series

Gun Dog Training: Live Birds are the Key

Written by:

Drew Wahlin, President

IDAHO CHUKAR FOUNDATION INC

Submitted courtesy of Robin Tomasi,
American Brittany Club Facebook Chair

(There never can be a substitute to seeking the professional advice/experience of a professional NAVHDA/VHDF Certified Trainer.)

It's no secret that giving your gun dog lots of experience with live birds in the off-season will make them a better hunter when the Fall Chukar Season comes around. NAVHDA Judge/Trainer Breeder Bob Farris (Cedarwood Gun Dogs) showed the use of live birds at the ICFI Gun Dog Training for Chukar Hunting in Meridian, ID in early May 2012.

But what types of birds are best? The short answer is, "Any you can get!" But if you have a choice, you'll want to give some thought to your budget and what type of training you're doing.

Professional Trainers use all types of birds in their upland bird training programs, both for their own dogs and clients' dogs. Remember, before you acquire any birds, be sure to check your local/state laws regarding possession, transportation and training with live birds. These laws vary widely from state to state, so make sure you know them before you start.

Perhaps the most common and economical training birds are pigeons (Idaho has a lot of dairy farms that may allow free trapping of pigeons). Pigeons are strong flyers that are easy to keep and care for over extended periods, pigeons are the staple of most training programs. The most valuable aspect is that they can be used over and over because when released they return to their roost. They also give off lots of scent, a nice advantage when introducing a young dog to birds and their return to home when working on breaking point training.

The downside to pigeons is that they are hard to plant with predictability. Many training exercises fall apart when a pigeon takes wing while the dog is still 50 yards away resulting in breaking point. Experiment with different methods of dizzying birds so they stay put most of the time and, unless you're using electronic release traps (cost can reach into the thousands), just accept the fact that you're going to lose a bird now and then.

Also, if you start your dog on pigeons, it can be a bit of a challenge to transfer them over to upland birds, which give off "less" scent. Keep in mind that Bob Farris educated us at his ICFI Gun Dog Training Clinic for Chukar Hunting is that most of an upland bird's scent comes from its breath. Most professional gun dog trainers find pigeons to be a great value.

Quail tend to cost more than pigeons, but they are still fairly economical for most trainers. Healthy, pen-raised quail closely simulate wild birds. However, unlike pigeons,

quail can be difficult to keep healthy and maintain. Unless you have a large chunk of land where you can set up a recall pen and tend to the birds regularly, you might be better off purchasing quail as needed.

Insist on quality when you purchase quail. There's nothing worse than flushing a quail in front of a young dog's point, then having the bird flutter several feet and land again while your dog rushes in and tries to catch it. This may be great fun for your young dog, but if that happens too many times

you'll find yourself doing a lot of retroactive training to keep him from breaking point.

Chukars and pheasants have it all. They give off plenty of scent, and they're hard to beat for training gun dogs to handle runners. Yes, they're expensive. But if you plan on hunting chukars/pheasants, you'll be way ahead by purchasing these larger birds in the off-season and letting your pointing gun dog get used to the boisterous flush and extra size and weight during retrieves.

Last, a wonderful resource are the upland bird hunting reserves (pay to hunt on private land with stocked birds), Idaho has a multitude of options that will put gun dogs on live birds that can be pointed, downed and retrieved. Also the use of these upland bird hunting reserves can start your season early and extend it late because of their operating dates usually from early August through late March.

Hike High & Far, enjoy the wildlife/wilderness and shoot less!

Remember, before you
acquire any birds, be sure
to check your local/state
laws regarding possession,
transportation and training
with live birds

IMPORTANT THINGS TO REMEMBER!

ENDURANCE CLASSIC:

The qualifications for the Endurance Trial have been changed as follows:

Entry into this trial is based on all open points earned from June 1 through May 31, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count) plus any NSTRA open champion dog.

Champion dogs will be accepted first in the case of a tie-breaker in regards to entries. No invitations will be sent. (Change voted on by the Board of Directors April 24, 2013)

TOP PERFORMANCE REPORTING:

This award is presented to the dog accumulating the most points from June 1 through May 31. During this time frame all points will count except those points earned during qualifying and final rounds of National Championship and Regional Championship Trials.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

TRIAL SCHEDULES:

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SCHEDULING FEES:

Trial scheduling fees are due in the NSTRA office 4 weeks prior to your trial date.

TRIAL REPORTS:

Trial reports are due in the NSTRA office 10 days after the trial date.

QUAIL INVITATIONAL:

This trial is always held the last week in February that includes a Saturday.

The qualification period for this trial is Nov. 1 through Oct. 31. This includes all points earned during the time frame, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count). Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO INVITATIONS WILL BE SENT. Any dog with a placement during specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

TRIAL OF CHAMPIONS:

The criteria for entry into this trial is that the dog has earned an open championship and is at least a 1X open champion by February 1 of the current year OR the dog can be a paid standby for this trial by achieving their open championship between February 2 and March 31 of the current year. All entries for this trial must be postmarked by March 11. No invitations will be sent.

UKC PERFORMANCE CLASSIC:

This year only, the qualification will be points earned from March 1, 2012 through March 31, 2013. Weekend trials only, no qualification or final rounds of National Championship or Regional Championship trials.

DOG OF THE YEAR:

This trial will begin on Wednesday of the last full week of October. This trial is based on region elimination placement and/or high point status. All entries must be postmarked 45 days prior to the first day of the Dog of the Year trial. (NO INVITATIONS WILL BE SENT.)

CHANGE OF HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1st and January 1st. *Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at anytime to request a change in their Home Region.

RULE CHANGES:

Proposed new rule changes or additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions or the Dog of the Year trial.

REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be a least one regular paid membership in the household to qualify. Associate members have the same rights as regular members EXCEPT they are unable to vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

2013 NSTRA TRIAL OF CHAMPIONS CHAMPIONSHIP

As the handlers and Champion dogs make their way to Amo Indiana, the question on many of their minds "Is it going to rain? As we travel to Indiana we notice many of the rivers out of their banks, and think "They have had a lot of rain, surely it is done raining". No it was not! Weather does not deter the handler who has worked all year to make their dog a Champion and thus giving them the privilege to run in the 2013 NSTRA TRIAL OF CHAMPIONS. A dog must qualify as a champion in order to participate in this trial. Handlers must make their dog a champion by February 1st of the same year in order to be drawn in this trial.

The Conservation Bird Club will again be hosting this trial. As the host of this trial, they have opened up their club house, prepared the fields and furnished the meals.

Marilyn Cunningham is the chairman for this year's trial with John Holder and JR Coke as the co-chairs. As the handlers checked in and grabbed their goody bags, each person was given a raffle ticket. These tickets were drawn periodically thought the day on Wednesday and Thursday. This was something that was done a few years ago, and Marilyn decided to try it again. Handlers would win anything from knives, pens, candy, candles, hats and even a shower head. All of the items were donated by various members. I know Cookie Anderson, Ted Cook and Marilyn all brought in a bunch of items. It was well received and we are considering doing it again.

Trial officials were: Judges- Scott Beckley from MSM region, Frank Llano from IL region, Lonnie Jones from MSM region and Jim Kroeschel from IL region. Marshals were: Ron Huels from IL region and Rick Hubbard from NI region. The infamous Ron Becker from Illinois was our bird handler. Stacy Holder was the trial coordinator and is from the Wisconsin Region. As the handlers prepared to run their dogs in the rain, the Star Spangled Banner was played, and the Trial of Champions was under way. There were 96 dogs entered in this trial with the top 16 from each field, each day, going on to round 2 on Friday. Friday has one the hardest cuts, with the top 8 qualifying to advance on to round 3 on Saturday. Saturday starts out with 8 dogs on each field with the top 3 advancing on to A field for the the finals.

* DENOTES THOSE ADVANCING

As the trial finished up, people were ready to get the meeting of the Board of Directors underway. This year's President, Chad Callison started the meeting and a meal of sub-sandwiches, potato salad, chips and Oreo's was served courtesy of NSTRA.

Thursday the judges and field marshals changed fields and the trial got off to a start.

Judging A were Lonnie and Jim with Ron marshaling

With only 12 braces today we were able to get the Banquet started while Jug's Catering prepared the evening meal. As always the food was delicious and plentiful. It consisted of fried fish and chicken, green beans, potatoes, macaroni salad and the wonderful fried biscuits with apple butter. Julia Herwehe from the office provided cupcakes for dessert. Marilyn got the award ceremony started by thanking the Amo Conservation Club for holding this year's trial. Scott Townsend introduced the sponsors; Todd Kellam-VP UKC events, Sara Chisnell-Voight the UKC legal counsel, Dion Bliss from Red Haw Supply. The past Presidents were introduced and trophies were presented. John Holder presented the 2012 Trial of Champions portrait to David Deaton accepting for Ted Cook from the Kentucky region, owner of Peaches River Dan. Two nice items were auctioned off to help offset the cost of the trial. A Neon Purina sign donated by Purina and a heating floor system donated by Chad Collison.

As we started rounds 3 and 4 this morning, the sky was clear and sunny, but sometimes this can be deceiving. Off in the distance the clouds were rolling, and everyone talked of the incoming rain. So as we finished the morning braces, we were thoughtful in trying to get this trial done without another day of rain.

The fifth runner up winner was Ryan's Elhew Toby, a 3 time champion English Pointer male out of Sadie's Elhew Jake and Jo Jo's Magic Maci. Toby is owned by Russ Taylor. Along with the fifth place trophy, Russ got to take home a 37lb bag of Purina Pro Plan Performance dog food. Congrats Russ and Toby.

The fourth runner up of this year's 2013 Trial of Champions was Peaches River Dan. Dan is a 5 1/2 year old English Pointer male owned by Ted Cook and was the winner of last year's Trial of Champions. Dan is the offspring of: Elhew Sidewinder and Yellow River Peaches and was handled at this trial by David Deaton. Ted, David and Dan are all from the Kentucky Region. Along with the trophy, David also gets the 37lb bag of Purina dog food. Just a side note on this dog, as trial coordinator we use these index cards to write the scores from each brace, and I will say this dog had one of the most consistent scores throughout this trial, 678,673,677,545 pretty darn close.

John Holder would make the presentations for the Final Four beginning with the 3rd runner-up, Windswept Ridge's Gunsmoke, a Brittany male owned by Gary Ramsey and handled by Nolan Huffman from the South Carolina region. Dillon is out of Windswept's Clay Bullet and Beeline Cinnamon, and is a 1 time Champion. Dillon was the 6th place runner-up this year at the Quail Invitational in Lake Wales, Florida. Get ready to see more color photos of this dog. Gary receives a Purina Winner's jacket and 112# of Purina Pro Plan dog food. He will also get the 3rd runner-up trophy and belt buckle from NSTRA and gift card from Wal-Mart. The gift certificates awarded were from Tri-Tronics, Foster & Smith, Dogs Unlimited and Red Haw Supply.

Second runner-up was Quail Valley's Nose Knows, a 4 year old German Shorthair Female, from Premier's Fancy Blazer and dam - Pointing Home Major League. Nose, an 8 time Champion is owned and handled by Adam Fellers from the Midwest Region. Blazer was the winner of the Purina Top Performance Award in 2008-2009, and 2009-2010. From the way things are looking Nose is going to be following right behind her daddy's footsteps. She earned her first placement on 3-12-2011 at Elkhorn Kennel Trial and won her first NSTRA Championship on 3-24-2012 at the Rock Creek Field Club Trial. Her second NSTRA Championship came on 5-19-2012 followed by her third Championship during the Championship Trial week. John presented Adam with the winner's jacket and 112# Purina Pro Plan dog food. Adam was also presented with the NSTRA trophy and belt buckle and a gift card from Wal-Mart. The gift certificated awards were from Tri-Tronics, Foster and Smith, Dog Unlimited and Red Haw Supply. Congratulations to Adam and Nose. We will be seeing a lot of her in the upcoming years.

Receiving the award for the 1st runner-up was Charley Parrett from the Indiana region. This year's runner-up dog is Boomer's Little Flash. Flash is from 11 time NSTRA Champion Boomer's Super X and Pike Co. Girl. He is a 9 year old Tri-colored English Setter and a 5 time NSTRA Champion. He earned his first

Championship 12-10-2006. His first placement came on 12-5-2004 at Glen's Valley Trial. Flash has placed in the qualification rounds of the 2007 Trial of Champions, 2008 Trial of Champions, 2010 Dog of the Year and 2011 Trial of Champions. Charley's wife Donna can always be seen with them, and heard that she might be a contender for bird planter. Flash and Charley will receive 225 pounds of Purina Pro Plan dog food along with a winners jacket. NSTRA provided the 1st runner-up with a trophy and the ever popular belt buckle. The gift certificates awarded were from Tri-Tronics, Foster & Smith, Dogs Unlimited and Red Haw Supply. At the next trial, Charley or Donna will be sitting on a new Purina folding chair, also donated by Purina. Charley will also be getting a pair of Bird Shooter Boots from W.C. Russell Moccasin Company. Congratulations Charley, Donna and Flash.

THE WINNER: The 2013 NSTRA Trial of Champion winner is Blaze's Black Magic, an 8 year old English Pointer male from the MSM region. Jo is handled and owned by Chad Calicott. He is a 20 time champion from Black Magic Blaze and Cullifer Reno. Jo and Chad have been busy to accumulate this many points and placements. His first placement came on 3-5-2006, a first place at the Shoe Me BDC trial. In April, 2008 he places 3rd during the MSM Regional Finals. On 5-31-08 Jo was 1st runner-up during the Grand National Championship Finals and became the MSM regional Championship Winner on 3-8-2010. On April 2, 2011 Joe won the MSM Championship Regional Finals. He was also 2nd in the Top Performance Award in 2008-2009, 2nd during 2009-2010, and 3rd in 2010-2011. Then in 2012 Jo won the UKC Performance Classic out in Nebraska. WOW what a whirl wind for the last 5 years. John Holder was happy to present the Winners jacket and the 450 pounds of Purina Pro Plan dog food to Chad. He will also be taking home with him a Tri-Tronics Pro-500 collar. Chad was also presented with the NSTRA winner's trophy and belt buckle. The winner of the Trial of Champions will receive a 2 hole dog box from Owens Products, which was brought in by Eli Coke just for pictures. Thank you Eli. Chad and Jo have a new Purina chair also donated by Purina. The gift certificates Chad will be receiving are from: Dogs Unlimited, Foster and Smith, Red Haw Supply. Last but not even least Chad will be receiving a Portrait of Jo created by Ross B Young out of Springfield MO. Congratulations to Chad and Jo.

This year, in each of the entrant's goody bags was a Championship hat created by Dion Bliss, and if anyone wanted one, they could take a National Champion hat pin. They also received a crying towel and some EMT products. This year at TOC, Todd and Sara from UKC had a table set up, so handlers could register their dogs. Great idea! This year at TOC, we had two male field marshals, a little weird, but I think it quite well and as with any trial, it helps when you have good people helping run it. There is a lot of work involved and any member who has put on a trial can agree with that. So that being said, to all the officers, officials, and members that helped out with this and any other trial, we truly appreciate the hours put in.

REGISTER YOUR DOGS WITH UKC AT NSTRA NATIONAL TRIALS!

UKC Staff members will be in attendance at the upcoming **Trial of Champions in Amo, Indiana**, and the **UKC Performance Classic in Waverly, Nebraska**. We can make it very easy for you to register your dogs with United Kennel Club at these events if you remember to bring the following:

- 1) Your NAVHDA, AKC, FDSB or CKC Registration Certificate – This certificate serves two purposes. First, it is proof that the dog is purebred. Second, it indicates that the person applying for UKC Single Registration of the dog is the actual owner of the dog. However, in the case of puppies or recently purchased dogs that have not been registered into your name with one of the above-mentioned registries, we do accept registration certificates filled out for transfer into your name.
- 2) A Three-Generation Pedigree For Each Dog – This may be an official pedigree that was purchased from one of the above-mentioned registries, or it may be a handwritten pedigree. It is not necessary to purchase a pedigree from the above-mentioned registries to Single Register your dog with United Kennel Club. Care should be taken in the accuracy of information and spelling in the case of handwritten pedigrees.
- 3) NSTRA-Issued \$5 Off Vouchers – If you have recently received any \$5 off UKC registration vouchers for placing at a NSTRA event, bring those with you. Remember, you may use multiple \$5 off vouchers in conjunction with one UKC Single Registration Application.

Tips For Making The Single Registration Process As Simple As Can Be:

- To save time at the event, have a UKC Single Registration Application filled out before you arrive at the event. Single Registration Applications may be downloaded from the NSTRA website by following the link to UKC Registration in the left-hand margin of the home page. Remember, it is not necessary to fill out the pedigree portion of the single registration application if you are bringing a separate copy of your dog's pedigree.
- The UKC staff will have a scanner at the events we attend so that it will not be necessary for you to make photo copies of your registration certificate or pedigrees.

**Now is the time for all NSTRA members to take advantage of a
\$10 discount on the UKC Single Registration fee!**

Feeding a Performance Dog Food

— Can Help Maximize Endurance —

Getting a top performance from your bird dog when it matters most involves proper training and conditioning as well as feeding a high-quality performance dog food. Hardworking dogs should be fed a high-fat, high-protein performance formula to help maximize their training and conditioning and to help boost their metabolism and endurance.

“There’s no doubt about it, diet alone can help change a dog’s athleticism,” says Purina Nutrition Scientist Brian Zanghi, Ph.D. “By feeding the right food, based on an individual dog’s activity level, an owner can improve a dog’s athleticism.”

Purina Pro Plan brand dog food realizes the importance of providing canine athletes with proper nutrition. Pro Plan offers three Sport Formulas with varying protein-to-fat ratios to give active dogs an optimal energy balance. “Each formula is suited for a particular activity level,” explains Pro Plan Brand Manager Robert Tochtermann.

The Pro Plan Sport Formulas are formulated for all life stages, meaning they provide complete and balanced nutrition for puppies through senior dogs. The Sport Formulas are:

- Pro Plan Sport Performance 30/20 Formula, which contains 30 percent protein and 20 percent fat to help optimize a dog’s V_{O_2} max, or rate of oxygen use, for increased endurance. This energy-dense food, previously known as Pro Plan Performance Formula, helps fuel a dog’s metabolic needs and maintain lean muscle. It also has

Athletic dogs need more calories from an energy-dense food than sedentary dogs to help maintain optimal body weight and support their active lifestyle.

Feeding your dog high-fat, high-protein food will help maximize his metabolism and endurance in the field.

eicosapentaenoic acid, an omega-3 fatty acid, and glucosamine to help support joint health and mobility.

- *Pro Plan Sport Advanced 28/18 Formula*, which contains 28 percent protein and 18 percent fat to help optimize exercise metabolism. This performance dog food helps nourish muscles, particularly in the crucial time immediately after exercise.
- *Pro Plan Sport Active 26/16 Formula*, which contains 26 percent protein and 16 percent fat to help sustain the energy needed by dogs

that exercise every day. This performance dog food is highly digestible and promotes total body health.

“Active dogs benefit from an increasing proportion of protein and fat in their daily diet to fulfill their increasing need for calories and the increased protein metabolism that occurs naturally with exercise,” Zanghi says. “Importantly, dogs that regularly consume higher protein and fat food will metabolically prime their muscles and metabolism, which will allow them to better adapt to exercise and have improved exercise endurance.”

Athletic dogs achieve maximum efficiency from a diet containing highly digestible fat. A diet that skimps on fat will significantly contribute to a reduction in endurance and overall fitness. Fat metabolism is the optimal energy-generating source for exercising dogs. Unlike humans, a dog’s main energy source comes from fat, not carbohydrates.

The energy density of dietary fat helps boost the energy density of dog food and thus primes a dog’s active metabolism. Active dogs need more calories from an energy-dense food to provide the greater energy required to maintain a stable body weight and support their active lifestyle. Dogs fed a high-fat food have more capacity to burn fatty acids and a greater capacity to perform at an optimal level.

Exercise is a natural stress that challenges the immune system and accelerates the body’s protein metabolism and muscle breakdown. This is why it is important to feed an athletic dog a food that provides optimal protein and fat. Suboptimal nutrition can impair a dog’s performance.

Canine athletes have a higher $V_{O_2 \max}$ than untrained dogs. This means that these dogs efficiently consume more oxygen when exercising at maximum capacity, giving them increased aerobic energy and endurance. Endurance for dogs is based on how well their body can use fat energy, and thus not primarily rely on and/or deplete the limited sugar energy stored in muscles and liver as glycogen. Fat oxidation provides most of the dog’s energy at low rates of energy expenditure.

Athletic dogs require more protein than sedentary ones because their muscles undergo a natural process of building and breaking down muscle protein, called protein turnover. This is why active dogs should be fed a food containing high-quality, highly digestible protein. During and after exercise, protein turnover increases to meet the metabolism needs of working dogs. Elevated dietary protein complements the benefits of fat metabolism, since amino acids, the building blocks of protein, promote muscle growth, while fat helps fuel aerobic exercise.

The *Purina Pro Plan Sport Formulas* are specially formulated to provide optimal nutrition for hardworking dogs. It’s no coincidence that many of the elite canine athletes in the major U.S. sporting dog segments are fed *Pro Plan* dog food. ■

Purina Pro Plan Sport Formulas provide canine athletes with proper nutrition for all life stages from puppies through senior dogs.

Dog Advises Shooter

Wild V's Trap

Boomer is a registered German Wirehaired Pointer owned by Glenn Savage of Litchfield, IL. Boomer takes the Savage family hunting and advises them on all subjects related to dogs, hunting and hunting safety. In 2007 Boomer began writing in order to share a dog's view point on the world. Since his induction into authorship, Boomer has been published in Adventure, Sports, and Outdoors and in the locally published Journal News. Boomer's favorite quote is by Mark Twain who wrote "Heaven goes by favor. If it went by merit, you would stay out and your dog would go in". Boomer loves to have young people as part of his audience.

Dear Boomer,

When Dad and I go hunting, he almost always gets a quail on the flush and I almost always miss. I'm a good shot at the trap range and at sporting clays. I break more than 80% at trap and around 70% at sporting clays. I beat my Dad all the time. When we flush quail, I miss about 75% of the time. Why can't I shoot birds like Dad?

Signed,

It Just Isn't Fair

Dear It,

Congratulations on getting to hunt with your Dad and getting to go trap shooting and to the sporting clays field. I wish I could hunt with my Dad and my Mom but that isn't going to happen since they are both in different states.

I've observed many hunters of all sizes and breeds and I think I can help you with your question. First and most important, relax and enjoy your time hunting with your Dad. Use the time together to get to know him better. I bet you tell your Dad what is going on at school and about the sports you are in and about your friends and what they are doing. Now is a good time to ask your Dad about his work, friends and what he is interested in. I know this doesn't sound like it is about quail hunting, but trust me, it is.

So, the first tip is to relax, talk, enjoy, and take the pressure of making the shot off of your self. Look at how you're carrying your firearm. If you're using any carry other than "two-handed ready", you're handicapping yourself. Good bass fishermen are always ready to set the hook. They never rest the rod on their shoulder or put it under their arm.

So now you're relaxed and carrying the firearm and are ready. Quail and clay birds have different flight characteristics. The moment a clay bird leaves the thrower, it slows down and it starts to fall. A quail or a pheasant accelerates for the first 10 to fifteen yards, attains a steady speed and continues gaining altitude. In trap and sporting clays you often have a sight picture with the target on top of your front sight. In wild bird hunting the front sight should "cover" a rising bird or be very close under the bird with the muzzle still rising. On the rise, make sure you direct your central vision to the head of the bird.

Covey rises are meant to disrupt predator's reaction by overloading the predator's senses with noise, fluttering, and surprise. All those distractions work on humans. Train yourself to track one bird to shoot. Never shoot into a covey rise hoping to get a bird by luck.

Ask your Dad to help you practice by taking a walk with you carrying the shotgun. Your Dad carries the hand clay bird thrower and a few clay birds. Have him stay close at your side so he's inside the arc of your muzzle and let him throw the bird when he feels like it. You will then have to "sort out your feet" (which you never have to do at the trap range), shoulder your shotgun, acquire the sight picture, and fire.

You won't make up for your Dad's years of experience over night, but you will see a difference next time you hunt wild birds. More important, while you and your Dad have some time together, learn to know him better. That is what hunting is all about.

Signed,
Boomer

**“With our training format,
there’s no room for dehydration.**

Dogs come to us with all sorts of challenges. The last thing they need is the added trouble of diarrhea. Our veterinarians suggested FortiFlora® to support intestinal health, and we like what we see. Because when the dog feels good, it makes us look good.”

Ronnie Smith

The Smith family has raised and trained quality bird dogs for over 50 years. Ronnie Smith and his cousin Rick continue in the tradition of Rick's father Delmar—a Field Trial Hall of Fame inductee.
