News From the Officers

I'd like to thank all of the participants who came to the UKC Performance Classic in Waverly this year. I would like to give a special thanks to all of the staff who made the event a success!! Without all your hard work and dedication, we could never have made it as enjoyable as it was. And to all of our sponsors, we are humbly grateful for all your support for our organization! UKC, Purina, and Roosterwear all had a presence at our trial and we certainly appreciate all they do for us!

We continue to make progress throughout NSTRA: Membership continues to increase with the changes we have made to the website, social media, and ease of payment, the database reconfiguration is continuing to take shape, and we are gaining some ground on future sponsorships. Hopefully all of these combined together will start taking some shape throughout our clubs and regions later this fall and next spring. We all hate the wait, but progress is good!!

As we enter the fall trial season, please remember, as an organization, we are only as strong as our weakest link. The clubs and regions are the life line for our sport. Be supportive, encourage, stay positive, be leaders, and most of all, HAVE FUN!! Too many times we get caught up in the competition and lose sight of what's really important....our dogs!

Best of luck,
Chad Collison

"The dog is the most faithful of animals and would be much esteemed were it not so common. Our Lord God has made His greatest gifts the commonest."

Identifying Injuries

— in Your Canine Athlete —

Active sporting dogs, even well-conditioned ones, are at risk for injuries and orthopedic problems. Owners who look for signs of problems by checking their dogs over after a day in the field can help prevent pain and aid recovery.

Here is a review of the most common injuries and orthopedic problems seen by veterinarians: cranial cruciate ligament disorders, elbow dysplasia, shoulder instability and foot injuries.

If you observe any of these symptoms or suspect one of these injuries, consult your veterinarian immediately.

CCL Disease

When a sporting dog starts limping in a hind leg, it may be due to a problem with the cranial cruciate ligament (CCL). One of the main supportive structures of the stifle (knee) joint in a dog's hind limbs, the CCL plays a key role in stabilizing the femur (thighbone) to the tibia (shinbone).

Comparable to the anterior cruciate ligament (ACL) in humans, the CCL functions like a rope, preventing the stifle bones from shifting during activity. Without the normal CCL stabilization, a dog's movement is compromised and painful osteoarthritis develops.

Reluctance to bear weight on the leg, decreased performance and/or signs of pain in the stifle are often the first things an owner notices in a dog with a CCL problem. Swelling of the joint, clicking

Purina Partners with Canine Sports Medicine Experts

A three-year partnership between Purina and the American College of Veterinary Sports Medicine and Rehabilitation promises to benefit sporting dog enthusiasts as well as the college. Created as a new college affiliated with the American Veterinary Medical Association in 2010, ACVSMR is made up of board-certified veterinary specialists studying a wide range of injuries in canine and equine athletes. This partnership with Purina will help the college implement education and research programs that will benefit working dogs. To learn more, visit vsmr.org.

American College of
Veterinary Sports Medicine
and Rehabilitation

when walking, stiffness after exercise, sitting with the leg extended to the side, and holding the leg up also are common.

"While these signs may be noticed acutely after an incident or injury, they almost always are the result of a slow breakdown of the CCL and thus some degree of arthritis is invariably already present in the joint," explains James L. Cook, D.V.M., Ph.D., DACVS, DACVSMR, director of the Comparative Orthopedic Laboratory at the University of Missouri

Dr. Robert Reynolds checks the eyes of a German Shorthaired Pointer in the examination room at his South Mill Veterinary Clinic in Boardman, Ohio.

Tailgate Checks Can Prevent Problems

After a day in the field, it is a good practice to look your dog over, from head to toe, for signs of injuries. Start by putting your dog on a tailgate or table to examine him. Take this opportunity to observe the dog's respiratory and heart rates as well. Be sure to check the following:

- Head, while face to face, look into the nostrils and inside the mouth for cuts.
- Eyes, pull eyelids up or down to make sure eyes are free of irritation, injury and debris. Flush with saline to clear debris if necessary.
- Ears, especially if the dog has been in the water. Feel for burs, cuts or grass awns and look into the ear cavity.
- Body, slide hands up under the collar, down the chest, around the torso and under the belly to check for cuts and tears.
- Legs, feel down each leg and pick up each foot to look in between toes and on footpads for abrasions.
- Coat, run hands through, especially longer coats to feel for debris or grass awns.

Checking your dog over each time you return from an outing allows you to identify and care for minor injuries that if left unattended could result in serious problems. A tailgate inspection is also a great time to gently massage your dog's tired muscles after a hard day at work and reinforce the special bond you have.

Robert West, Director Sporting Dog Programs at Nestlé Purina PetCare, performs a tailgate check.

College of Veterinary Medicine. "Owners who recognize these signs should take their dog to the veterinarian for a complete diagnostic evaluation."

Elbow Dysplasia

Elbow dysplasia, which describes a group of disorders, is a common cause of lameness in a dog's front legs. Large breeds and working and performance dogs are particularly susceptible to elbow dysplasia.

The disorder is caused by abnormal formation of one or more of the three bones that make up the elbow joint, causing cartilage and bone on the joint surfaces to develop improperly. This leads to fragmentation, detachment, fissuring, and/or wearing away of the cartilage and bone.

Sporting dogs may encounter situations in the field with the potential to cause serious health problems, so knowing the signs to watch for is key to keeping them in top condition.

Early detection during puppyhood provides the best chance for successful treatment, though this can be difficult as the signs often are not apparent until a dog is older. Orthopedic examinations performed by specialists and radiographic screening through the Orthopedic Foundation for Animals are considered the best methods for early diagnosis.

"Elbow dysplasia is caused, in part, by genetics but can be exacerbated by athletic activities," Cook explains.

Owners of dogs with elbow dysplasia report noticing changes in the dog's gait and decreased performance and endurance in the field. Limping on a front leg or swinging the front leg(s) while walking is common.

Shoulder Instability

An unstable shoulder can hinder a dog's ability to work in the field.

"Dogs that run hard uphill and downhill are particularly prone to shoulder instability," says Robert Gillette, D.V.M., DACVSMR, director of Veterinary Sports Medicine & Rehabilitation at the Veterinary Specialty Center in Buffalo Grove, Ill. "These injuries typically are the end result of a traumatic event and usually are seen in a dog's lead shoulder. A dog may exhibit forelimb lameness or collapse at the end of a jump."

Shoulder instability may start with subtle signs, such as a "head bob" when walking or trotting, decreased endurance or level of performance, or refusing to do certain activities such as jumping or working in heavy cover.

Veterinarians diagnose the condition by conducting a complete orthopedic examination, which includes ruling out other problems, such as elbow dysplasia and elbow and foot injuries that can cause similar signs.

Foot Injuries

Foot injuries occur frequently in dogs that work on rugged terrain. Among common foot injuries are fractures, ligament strain, synovitis, tendon inflammation, lacerations, bruises, and puncture wounds.

"Dogs' feet can withstand a lot of wear and tear because of the keratin epithelium that covers the pads," Gillette says. "The thick layer of skin provides protection for the foot's tendons and ligaments, acts as a shock absorber and provides traction. However, the pads are not impenetrable."

To help avoid foot injuries, owners should keep their dogs' nails short. A longer nail gets caught on things resulting in toe fractures, dislocations and nail injuries.

It also is important to clean the dog's paws and pads following a day in the field. A good examination of the pads includes digital pressure applied to the bottom and sides of each pad, inspecting the webbing and closely observing the surface of the pads. ■

A Hairy Home Companion

Dear Boomer,
Is it true that hunting dogs should not be treated as pets?

— Garrison K.

Dear Garrison,

Mark Twain summed it up when he wrote, "Heaven goes by favor. If it went by merit, you would stay out and your dog would go in."

Letting your hunting dog be in the house with you will not hurt his desire to hunt. In fact the bond between the two of you might be strengthened.

Hunting dogs should be treated with great respect! Hunting dogs go to work in the night, day, rain, snow, heat, and the dirt. Some chase boars, cougars, foxes and coyotes. Hunting dogs are fearless, strong, persistent, and loyal. What do humans give them in return? At best, dogs get a tight box with lots of straw, plenty of food, fresh water, regular work and a few "attaboys".

You should not treat dogs as humans in fur coats. Such treatment leads to confusion on the part of the dog which often leads to behavior problems. Dogs need regular work to do. It doesn't matter what the work is as long as we get out with a human every day for an hour or so. Just a walk is enough to keep up a dog's health as well as a human's. Training, whether for the field, for the home or for amusement also counts as work.

Goodbye to you, Garrison, from Litchfield, where all the humans are above average and all the bird dogs can point, back, and retrieve.

— Boomer

Upland Bird Hunting Series Ptarmigan Hunting in Alaska

By: Drew Wahlin

Few people realize the abundance of ptarmigan and grouse in Alaska, and even fewer are familiar with the lives of these fascinating upland birds. I spent the summers of 2010 & 2011 in prime ptarmigan rangelands of Alaska's Interior-Fairbanks. The ptarmigan hunting season starts on the same date as caribou season each year on August 10th. One planning a trip to hunt Alaska's ptarmigan must also plan on doing some fantastic grayling fly-fishing within tundra country. Ptarmigan are an excellent eating bird much like sweet flavor of the darker meat of the Hungarian partridge, and "fresh" deep fried grayling is also a delegacy.

There are three general types of ptarmigan found in Alaska: willow ptarmigan, rock ptarmigan and white-tailed ptarmigan (unique to North America). All of Alaska's ptarmigan can be found commingled within any habitat region. The Alaska F&G Office in Fairbanks is an excellent source of information as well as the Alaska Department's F&G Website (wildlife.alaska.gov).

Ptarmigan country is also moose and grizzly bear country, so be prepared to encounter a lot of wildlife on your upland bird odyssey. High-tech outdoor clothing is a must and several knowledgeable Alaska outfitting stores can be found in Fairbanks. Weather is also a major factor when doing any outdoor adventure in Alaska's wilderness, plan for the unexpected (i.e. snow in August). Fitness is a key element for ptarmigan hunting in the tundra (like walking on a mattress for miles), so any planned trip must take into account a 4 month training program-hiking in tundra country will be much more difficult than you had planned.

Alaska, like Idaho, is facing increasing pressure by hunters, winter recreational activities, fire suppression, logging/mining, livestock grazing, and agriculture all affecting the living conditions for wildlife. The future is uncertain if Alaska/Idaho can maintain healthy ptarmigan and chukar populations as part of their natural legacy and depends on their foresight, recognition of wildlife's values, and their ability to execute well planned, long-term wildlife management programs. Climate change/global warming adds another whole new dimension to the discussion on long-term strategic planning for their upland bird populations.

Questions: please feel free to contact Idaho Chukar Foundation at idahochukarfoundation@hotmail.com for additional information on ptarmigan hunting or grayling fly-fishing in Alaska's Interior.

RULE CHANGE:

The following rule change was voted on by the membership and approved. Changes to current rule are in bold. Please make note of this is your current rule books.

3.01 A back is defined as when the dog “sees” the other dog pointing, he stops and remains stationary until released by the judge and/or handler or if the pointing dog breaks into a hunting mode. 7/13 Back must be called by handler before judge can score a creditable back.

* In the event a handler is unable to see a dog backing, the judge will begin judging the back and advise the handler that his dog is backing.

The judge may hold the backing dog at his discretion. **If the judge believes that the second dog did see the pointing dog and did not stop until after he smelled the bird, then a zero back score is awarded. 7/13**

Interpretation: Same as find: if the judge is aware the dog is backing, do not disallow the back if handler fails to call back. 4/93

TOP PERFORMANCE:

The NSTRA Board of Directors voted to change the criteria of the Top Performance Award starting June 1, 2013. After much discussion and many suggestions, a revision was sent to the board to amend the original criteria. The following is the final criteria as approved by the NSTRA Board of Directors effective retroactively to June 1, 2013.

Top Performance Award Criteria

Revised July 2013

Dogs must have at least 20 open points from June 1 through May 31 for the applicable year to be eligible. Weekend trials only. From there, the award will be based on national trials and regional eliminations.

The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1st in order to keep the number of nationals the same each year.

The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year.

For National trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1st – 800, 2nd – 775, 3rd – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for the second place dog, 50 for third and 24 for fourth. *

Each Regional Elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1st – 600, 2nd – 575, 3rd – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for third and 25 for fourth. **

The placement for Regional Eliminations and National Trials is determined by the score of the last round in which the dog ran.

**This change makes each National Trial count the same amount as per the regions' request. It also allows points to be given to each dog in the Saturday morning cut as per the original suggested format. It will weigh the two trials that take 32 to Saturday with a greater percent for mid-range dogs but those are the trials that a dog must make an extra cut on Saturday so it is relevant. It also weighs the final fours more.*

*** This change makes each regional count the same so larger regions will not receive an advantage.*

NSTRA Youth Scholarship Fund

A. NATURE OF AWARD: National Shoot to Retrieve is offering a one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

B. CRITERIA FOR SELECTION:

- 1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information **MUST** be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

C. STIPULATIONS: The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

D. PRESENTATION OF AWARD: The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.

ARKANSAS/LOUISIANA

North Arkansas Quail Club had a great season in 2012/13! Several members qualified and advanced at the Regionals in Stuttgart, AR and one of our members, Deion Sanders with Judy, won Regionals and is headed for Amo this fall!!! NAQC is extremely proud of Deion and Judy!

North Arkansas Quail Club strives to have the best fields for NSTRA Trials in the 2013/14 season. A “work day” held on 18 May was enjoyed by several of our members, planting new grasses and ridding the fields of unwanted weeds and thistles. Our fields will be maintained and fertilized throughout the summer/fall located at Feathers & Gunpowder Preserve in Newburg, AR. Planned improvements were discussed and everyone agreed to make NAQC the best NSTRA Trial host possible.

Our members can barely contain their excitement over last season’s success and can hardly wait for next season! Our first NSTRA Trial will be held 12 & 13 October 2013 and we anticipate a full trial both days. You can find more information on NAQC NSTRA Trials at our website: <http://northarkquailclub.com>.

Volunteers for our “work day”: L.D. Moser, Heath Blankenship, Kelly Batterton, Kevin Scribner, Lewis Burson, Max Blankenship and Deb Meline.

I was at one of the national trials talking about how to encourage more bird hunters to try our sport. There is a lot of push back on Novice trials because of having to run all open dogs in the morning and all novice dogs in the afternoon (Although there is a request to change this novice format). This causes open and novice dogs to only have a 1 or 2 brace rest. Also some of the open handlers can't stand the thought of a novice dog beating them.

Chad Collison suggested an Amateur Only format. I immediately pushed back and said that the handlers are only interested in OPEN points. Chad said Amateur Only trials are awarded OPEN points. It's just that first place is not considered first place points. I was skeptical but I looked into it and I was true. This was a perfect way to get new handlers interested in NSTRA. These OPEN points qualify the dogs that place for the regional and national trials that are based on regional points.

I counted up all the amateur dogs I could think of and determined if we could have an 18 dog/2 point trial it would be worth the effort. That would allow up to 4 new dogs qualify for the regional. The trial date was set 2 weeks before the regional. The entry fee was only \$25 per dog where this only covers the cost of birds and the trial grounds. I ask LST handlers that normally run dogs to donate ATVs, there time for

judging, marshaling and bird planting. Jim Selby, David Blanchard, Josh Martin, and Zak Deits were our judges. Debi Heaton as the marshal and first time bird planter yours truly Dale Heaton. Jim, Dale and B J Thompson donated their ATV's. Diann Bracken volunteered and prepared a gourmet class lunch for all of us.

We were struggling to make an 18 dog field but within the last two weeks before the trial we had many first time NSTRA members enter dogs. To advertise the trial we used Texas Independent Bird hunters' Association newsletter and Texas Hunters Forum web site. We tried to be careful not to advertise outside of hunting oriented groups.

After sending out the draws, I attempted to call all the first time NSTRA members to insure they will be at the trial grounds on time. Also I had a mock trial the week before the trial and some instructional mock braces the day before the trial.

Lone Star Texas (LST) region members couldn't have been more pleased with the results of the trial. We had 30 dogs in two fields signed up for the trial. We only had one no-show. Out of the top 3 placements per field (a total of 6 placements) we had 4 new members place. Two of the new members signed up for the regional that was only scheduled 2 weeks away.

Getting 2 the Point's Clio on point. Thanks and have a great weekend.

It comes with a little story I like to share with you. It is a two and one half hour ride from home to the Dark Acres Hunt Club in Fort Atkinson, Wisconsin. My dogs are kennel dogs and typically ride in the back of my truck. After an 30 minutes on the road I decided to put my little Shorthair female, Clio, in the front seat of the truck. It was her first front seat ride and she just lay next to me with her head on my arm. It wasn't until I arrived at Dark Acres that I realized that it was June 1 and it was Clio's birthday. The front seat ride couldn't have paid off any more and you can see the results in the photo attached. Clio took 1st place with 4/4/B. To top that Clio celebrated her third birthday with her third 1st placement and these along with two seconds now has 13 points and is well on her way toward her championship. That night she slept in the front of the truck and not in a kennel.

The American Brittany

The American Brittany Club is a member club of the American Kennel Club and the recognized breed sponsor by the American Field. The Club is comprised of many regional Brittany Clubs located from coast to coast. Most of the Clubs hold field trials, conformation shows and hunt test events. The clubs also hold meetings, fun trials, training sessions and other events of interest to the Brittany owner. Membership in the American Brittany Club entitles you to a monthly issue of the American Brittany Magazine. This publication which began in 1949 keeps you abreast of what is happening in the Brittany world. The magazine contains reports of field trials, shows, hunt test and agility/obedience events, club activities and articles on the care and training of the Brittany. The magazine also has articles on hunting and general interest as well as listings of kennels, stud dogs and trainers.

YEARLY MEMBERSHIP IS \$30.

Bullet's Ivan the Terrible

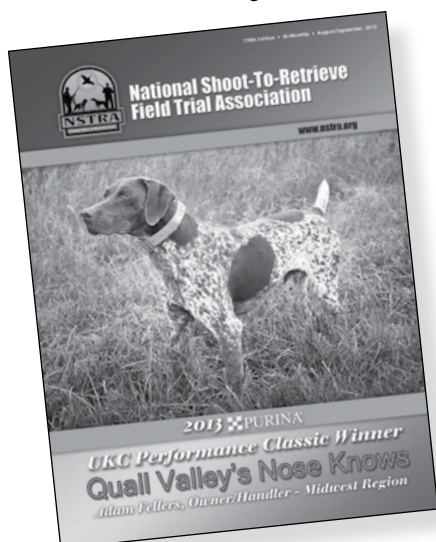

9/20/99-5/11/13

It all started one day in 1999 because I wanted a house dog. When Jim got Bullet's Lady Brenna (Brenna), she stayed in the house until she was crate trained, house broken and spoiled rotten by me. Once he started training her, it was out to the kennels she was sent and I was lonesome. I asked Jim if a Brittany would make a good house dog. Jim called Nolan Huffman to see if he had any pups and I was in luck. It wasn't long until Jim arrived at the house with the furry butterball I promptly named Bullet's Ivan

the Terrible. He started out in the house but on a whim one day, I decided he might make a good trial dog. After all his daddy was Buddy, Nolan's Last Bullet and his mama came from a long line of horseback trial dogs. Long story short, Nolan trained him, Jim ran him often vowing to never take him on the field again when the horseback genes kicked in, and I started attending the NSTRA trials. At a Dixie Region trial in September, 2002, I decided to run Ivan myself. Jim Gilbertson was my gunner and I was so proud of Ivan as he ran (not hunted) every corner of the field. He found two birds, scored well, and was scored on BIG TIME by Mark Jones's setter. It didn't matter to me. I was hooked and started running him myself. In 2006 four points shy of his first championship, I retired him due to hip dysplasia and he became that house dog I had originally wanted. Because of "the little brown dog" as Jerry Daniels used to call him, I have met some wonderful people and am proud to be part of the NSTRA family. It's your turn now my sweet boy to romp and hunt pain free. Get Dennis Brooks or Jim Gilbertson to take you hunting and know that Jim and I miss you. I'll cherish the 13 1/2 years we had together. ■

IMPORTANT THINGS TO REMEMBER!

ENDURANCE CLASSIC:

The qualifications for the Endurance Trial have been changed as follows:

Entry into this trial is based on all open points earned from June 1 through May 31, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count) plus any NSTRA open champion dog. Champion dogs will be accepted first in the case of a tie-breaker in regards to entries. No invitations will be sent. (Change voted on by the Board of Directors April 24, 2013)

TOP PERFORMANCE REPORTING:

This award is presented to the dog accumulating the most points from June 1 through May 31. During this time frame all points will count except those points earned during qualifying and final rounds of National Championship and Regional Championship Trials.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

TRIAL SCHEDULES:

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SCHEDULING FEES:

Trial scheduling fees are due in the NSTRA office 4 weeks prior to your trial date.

TRIAL REPORTS:

Trial reports are due in the NSTRA office 10 days after the trial date.

QUAIL INVITATIONAL:

This trial is always held the last week in February that includes a Saturday.

The qualification period for this trial is Nov. 1 through Oct. 31. This includes all points earned during the time frame, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count). Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO INVITATIONS WILL BE SENT. Any dog with a placement during specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

TRIAL OF CHAMPIONS:

The criteria for entry into this trial is that the dog has earned an open championship and is at least a 1X open champion by February 1 of the current year OR the dog can be a paid standby for this trial by achieving their open championship between February 2 and March 31 of the current year. All entries for this trial must be postmarked by March 11. No invitations will be sent.

UKC PERFORMANCE CLASSIC:

This year only, the qualification will be points earned from March 1, 2012 through March 31, 2013. Weekend trials only, no qualification or final rounds of National Championship or Regional Championship trials.

DOG OF THE YEAR:

This trial will begin on Wednesday of the last full week of October. This trial is based on region elimination placement and/or high point status. All entries must be postmarked 45 days prior to the first day of the Dog of the Year trial. (NO INVITATIONS WILL BE SENT.)

CHANGE OF HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1st and January 1st. *Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at anytime to request a change in their Home Region.

RULE CHANGES:

Proposed new rule changes or additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions or the Dog of the Year trial.

REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be a least one regular paid membership in the household to qualify. Associate members have the same rights as regular members EXCEPT they are unable to vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

Honoring those extraordinary men and women

DISTINGUISHED MEMBERS

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. We are deeply thankful for their dedication to the sport of field trialing.

This award will be presented annually at the Dog of the Year banquet. The first year 11 individuals were inducted. Thereafter up to 2 individuals per year will be selected. The selection panel will be made up of 3 current NSTRA members (not to include National Elected Officers) selected by the National President.

Nominations are to be submitted by August 31. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included if available.

The committee will review all nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected.

The committee will make their decision by September 30. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

Criteria:

Individual must meet a minimum of 5 of these criteria and number 7 must be one of them.

1. Involved in the early stages of development of NSTRA (prior to 1985) and remained involved throughout. Must have been a member in good standing for at least 25 years.
2. Must have the acknowledgement and respect of fellow members as a person who has offered policy recommendations to the national officers and to the board of directors during his/her involvement in NSTRA, and who is clearly recognized as a founding member or an early years leader.

2013 UKC PERFORMANCE CLASSIC

The second running of the United Kennel Club/National Shoot to Retrieve Performance Classic was held from May 28 thru June 1, 2013 at the Rock Creek Field Trial Association grounds near Waverly, Nebraska. UKC now serves as NSTRA's registry of record and the marriage between UKC and NSTRA is proving to be highly beneficial as time passes. One hundred twenty-six dogs would be showcased during the week with brace winners advancing on Wednesday and Thursday while the Top 8 from 2 fields on Friday would advance to Saturday's running. Saturday would then revert to brace winner's advancing once again.

The Rock Creek Club had worked diligently to provide the best manicured fields, camping areas, and meals making all in attendance feel welcomed to be visiting Nebraska. A four day pre-trial was held from Saturday thru Tuesday before the championship event with Mike Rost as chairman for Saturday and Sunday and Adam Fellers serving as chairman for Monday and Tuesday. Strong storms and an abundance of rain made for lots of water and plenty of mud for the week with severe storms forecasted daily. A Calcutta was held on Tuesday evening totaling \$6100.00 of which 60% would pay back to the top four winners on Saturday and 40% being divided between the club and the NSTRA Scholarship Program. The proceeds going to the Scholarship Fund was \$900. Lance MacLennan did a tremendous job as auctioneer and our thanks to him for his part in making the Calcutta a huge success.

The Two T's, Ted Dewey and Tom Tambke, were on hand Wednesday morning for the breakfast patrol and after a hearty breakfast, trial officials met with Trial Chairman, Chad Collison, for some last minute instructions and introductions. Our veteran Championship judge was Donny Parker (AR Region); also judging were Jeff Keck (GA), Cory Perdue (GA), and Chad Calicott (MSM). Bo Marcum (MK) was once again on hand to place birds in the respective fields and Nina Harmon (KY) and Dawn Dewey (MW) served as field marshals. The officials spent 4 wet, muddy days "in the saddle" and are to be commended for their unwavering dedication to our sport in some of the worse conditions possible.

After the playing of our National Anthem, Chad and Jeff were at the line for Wednesday's running and Dawn would marshal. Bo handled birds for both fields and the running follows with ***marked for brace winners:

The Rock Creek Club held a banquet at the Waverly Community Center with Happy Hour beginning at 6:30 and dinner at 7. The evening meal was prepared by David Paitz and family which was delicious. After the meal, Chad presented the winners and thanked the trial officials for their time and effort. Kenny Fields, Rooster Wear sponsor, was introduced. Kenny was at the trial each day and we appreciate his attendance. Silent auction winners were also announced and the raffle winners were drawn for the \$100 gift certificate from Cabela's, an I-Pad, and a 54" flatscreen TV. The TV was won by Chad Collison who donated it back for another draw. The second name was Tomina Brainard. We saw some familiar faces at the banquet – "old timers" - Bob Incontro, Craig Bolger, Frank Downs, Rod Phipps, and Bob Cunningham – who had lots of "old times" to talk over. These men had trialed together 25-30 years ago and once again enjoyed being together to share stories and "tell lies". During the evening a bad thunderstorm had blown in and once again we were under water at the trial grounds. It was an early night for many handlers as we knew that come morning they would once again be wading some big-time mud and water.

Thursday morning dawned with thunder clouds and threats of storms in the forecast. The handlers were called to the line at 7:30 and although there was rain and thunder during some morning braces, we were able to keep the trial running throughout the day. By afternoon, the parking lot was actually starting to look like a parking area once again as the sun came shining through and temperatures climbed. Donny, Cory and Nina were the A field officials for Thursday and the 15 braces with brace winners follow:

Immediately after the trial, Chad presented trophies to the winners and announced that the trial had been drawn in the clubhouse and the braces were posted. Todd Hendrix had purchased rib-eye steaks for anyone wanting to stay at the clubhouse for dinner. Todd, Ted and several other club members were at the grill with the steaks while Dawn prepared baked potatoes and salad. It was a great meal and our thanks to those who helped take care of the preparations on short notice. The skies looked menacing as we were dining on the deck of the clubhouse and those watching the weather forecast notified everyone that we were in for a bad storm. As we were just finishing dinner, the skies opened with rain, hail and wind; once again making a pond out of the parking lot. You've never heard a hail storm until you're under a tin roof; the sound was deafening. Unable to get to the campers or vehicles, we were in the clubhouse until the hail and rain abated and the rainbows appeared. Not one, but a double rainbow. Such a beautiful sight indeed. The rain meant another day of messy fields and more mud, but we were not to be deterred.

Round 2 dawned Friday morning with only a slight chance of rain but cooler temperatures; temperatures just right for field trialing. We would feature 15 braces on A field. Trial officials were Cory, Donny and Nina.

Immediately after the trial Chad presented trophies to the winners and the brace sheets for Saturday's trial was posted in the clubhouse. Beat your brace mate would once again be the order of the day for Saturday's running with 4 braces scheduled for each field. As nothing special was planned for Friday evening, several went to Parker's BBQ for a phenomenal dinner. Others cooked at their campers, while some went to their respective motels for an early evening. The rain had dissipated for the day Friday and nothing was forecast for Saturday; therefore, we were in hopes that the final championship day would see an improvement in the weather.

There's always a certain amount of excitement on the final day of a championship event and this trial was no different. You could feel the tension in the air as the first brace from each field came to the line.

Jack and Nose had earned a well deserved rest and we had a one hour lunch break after which the fences between the fields would be opened for easy access from one field to the other for the final brace. Chad and Jeff would judge the final hour while both Nina and Dawn would keep a watchful eye on each field. Bo would distribute the 10 birds for the hour throughout both fields.

Roger, Jack, Nose and Adam were called to the line at approximately 3 p.m. and chose A field as their field of choice as the one hour brace began. It wasn't long before the gallery knew that 4 year old old Nose would best 8 ½ year old Jack to 7 birds compared to Jack's 2. But giving Jack his due having already ran 2 hours, he did all he could for Roger and had finished with a very respectable 1st runner-up placement. Nose had scored on 7 finds – 97,80,90,92,87,91-90; retrieves – 85,85,40,83,86,86,80; obedience – 65; ground coverage - 87; total 1314 points. Jack scored on 2 finds – 67,63; retrieves 70,A/70; obedience – 60.5; ground coverage – 76.5; and back – 40 totaling 447 points.

Everyone gathered at the front of the clubhouse to welcome both handlers and dogs back to the front for a gallery picture with the four winners of the Championship. Sponsors who were on hand for the final day's running were Sara Chisnell-Voight from UKC, Kenny Fields - Rooster Wear, and Dean Reinke – Purina. Todd Kellam – UKC had joined us for the first 2 days of the trial and as always it's great to have these special people with us throughout the event. After the gallery picture, all proceeded to the clubhouse for the trophy presentations and our final tribute to the winners.

Awards presented to each of the Top Four were gift certificates from Dogs Unlimited, Foster & Smith, and Tri-Tronics; the winners Trophies and Belt Buckles from NSTRA; t-shirts from Rooster Wear; EMT Gel from Trophy Animal Health Care – PBI/Gordon Corporation; Travel Bags and Gun Cases from Boyt Harness; and Cablea's Gift Certificates from United Kennel Club.

Third runner-up was Honky Tonk Cash "Doc", owned and handled by Chad Collison from the Mid-West Region. Doc is a 6 year old English Pointer Male from Honky Tonk Attitude and Run 'N' Gun Blu Jazz. He is a 1 time NSTRA Champion with 33 lifetime points of which 25 are 1st place points. Doc's first placement came on 3/1/09 at the Greater Utah Pointing Dog Club; he earned his 1st championship on 4/17/11. Dean Reinke presented Chad with 112# of Purina Pro Plan and the Winner's Jacket along with his other awards presented by Aaron Hunt, Frank Downs and Mike Rost. Although this is Chad and Doc's first time in the "Place in the Sun", we're sure this won't be the last. Congratulations to Chad, Doc and Tate "Chuck Norris" for a great week.

Second runner-up was also a Mid-West Region member, Shaun Rydl with Skipper's Bandit, a 7 year old tri-colored English Setter Male. Bandit is from Angie's Dogwood Skipper and Glover's Nikki. He has posted 118 lifetime points of which 72 are first place points. He is a 6 time NSTRA Champion earning his first championship on 10/2/2010. Bandit's first placement was during an Amateur Trial at the 4 Star Plantation on 11/29/2008. From that first placement Bandit never looked back. In April, 2011 he placed 3rd during a qualification run at the Trial of Champions in Amo, Indiana. In May, 2011 Bandit won the Mid-West Regional Championship and in April 2012 placed 2nd during a qualification run at the Trial of Champions. In May 2012 during a qualification run at the UKC Performance

Classic Championship he earned a first place berth and again at the 2013 Mid-West Regional Championship was 3rd runner-up. Shaun also received the Winner's Jacket and 112# of Pro Plan from Dean along with the presentation of other awards from Ted Dewey, Kenny Fields, and Sara Chisnell-Voight. Congratulations to a great team and special friend.

Kickapoo's Jackpot, an 8 ½ year old English Setter Male, was the first runner-up. Jack is owned and handled by Roger Parient from the Indiana Region. Jack is from Kickapoo's Smokin Max and Kickapoo's Flaming Roxy. He is a 4 time NSTRA Champion and is credited with 87 points of which 39 are first place points. Jack's first placement came in February 2007 at the Conservation Birddog Club in Amo, Indiana. He earned his first NSTRA Championship on 2/17/2008. Jack's other accomplishments were placements in the following qualification rounds of National Trials; 2008 - placement at the Quail Forever, TOC and Grand National; 2009 – Quail Forever and TOC; 2010 – 4th during the Indiana Regional Final and qualification run at the Dog of Year Trial; 2012 – TOC Qualification Round; and 2013 a placement during the Quail Invitational qualification. Having been close several times, this was Jack's first time in the Top Four and deservedly so. In addition to 225# of Purina Pro Plan and the Winner's Jacket presented by Dean and other awards previously listed, Roger was also the recipient of a pair of W. C Russell Bird Shooter Boots. These boots are hand crafted to fit and a welcomed gift to our list of awards. Congratulations to Roger and Jack for an awesome show of consistent bird work throughout the week. Who says "If you can't keep up with the young dogs, stay on the porch". Jack kept up just fine and had an incredible day.

WINNER: Quail Valley's Nose Knows was the winner of the 2013 UKC/NSTRA Championship Classic, owned and handled by Adam Fellers – Mid-West Region member. Nose is from 13 time NSTRA Champion Premier's Fancy Trail Blazer and Pointing Home Major League. She is a 4 year old German Shorthair Female and an 11 time NSTRA Champion. Quite an impressive list of championships behind this infamous female. Nose has 202 lifetime points of which 126 are first place points. Her first placement came on 3/12/2011 and her first championship on 3/24/12; only one year from her first placement. Adam and Nose have traveled extensively, trialing in many regions throughout her career and she is always a force to be reckoned with. In 2012 at the UKC Performance Classic Nose earned a 1st place during a qualification round only to go on to win the 1st runner-up berth the following day. In 2013 she placed during a qualification run at the Trial of Champions in Amo, Indiana only to go on to place 2nd runner-up at the Championship Finals the next day. And here we go again – placing 2nd during a qualification round of the 2013 UKC Championship Classic and continuing on the winning the National Trial on the following day. Seems she's making a habit of this. In addition to the above mentioned awards, Dean presented Adam and Nose with 450# of Purina Pro Plan and the Winner's Jacket, after which Chad made the Tri-Tronics presentation – the Pro 500 G2 Collar. Kenny presented Adam a Winner's Jacket from Rooster Wear and Adam also received a \$400 Cabela's gift certificate donated

by the Rock Creek Birddog Club and 2-hole dog box from Owens Products, Inc. Nose is also the recipient of the 2013 Top Performance Award which will be presented at the Dog of the Year Trial in October. Congratulations to this fine German Shorthair and also a special NSTRA family, Adam, Nikki, Nolan and Evan "Obie". We've heard it said more than once "that's one of the hardest running German Shorthairs we've ever seen". Nose covers the ground in a special way that makes you want to watch and see what she does next. And she continues to amaze judges and galleries alike. Best Wishes from the NSTRA Family to Adam and Nose.

SIDELIGHTS: It was such an incredible trial that we cannot say enough good things about the group of people who were responsible for helping to make the trial one for the history books. A great breakfast and lunch were served each day. The menu consisted of the Two T's Breakfast on Wednesday with Tangeman Taco's for lunch which were fabulous. Thursday was the Hanson Family's Italian lunch with garlic bread. Bob Incontro and Dave Lathrop did blueberry pancakes on Friday morning – no charge – compliments of Dave. Friday lunch was the Hendrix Family Chicken Fried Steak, mashed potatoes, gravy, and green beans with the best cookies ever. And to top off an incredible week, Lupey Hickey and sister served homemade cinnamon rolls and breakfast burritos for breakfast with an enchilada dinner for lunch including rice, cheese and fried beans. **INCREDIBLE**

Thanks to Ron Huels for a quick trip to Nebraska – while there he was able to solicit judges and entries for the Shriner's Trial to be held October 11-13, 2013 in Illinois. Also, thanks to Bob Cunningham for his gift of 25# of peanuts. They sure make a mess, but people love them.

Each entrant received a goody bag with the UKC Performance Classic hat from NSTRA and a \$20 gift certificate from Cabela's compliments of UKC, Purina Pro

Plan and Biscuits from Purina and EMT Gel from Trophy Animal Health Care – PBI/Gordon Corporation.

We're sure the only one enjoying the mud and water was Bo Marcum. He must have enjoyed it - he was covered with it all day, every day.

The ladies made a showing on Monday and Tuesday of the Pre-Trial with Cheryl Higham and Tina Sterner both winning 1st place positions with their German Shorthair Females. Cheryl, Tina and Maggie Parsley each beat their brace mate advancing to Friday's running also. The Women of NSTRA are making a showing – move over guys.

And last but not least – let me tell you about Paul Phipps' dog Boogie's retrieve. I don't often see too much of what goes on at the trials, but I happened to be standing on the deck waiting for score cards when I saw Paul's dog pointed at the front of B field. The bird was flushed and flew across the road with the dog right on his tail. As the bird flew to the top of the berm, Boogie jumped in the air to catch the bird, but fell out of sight. We all knew that at the bottom of that berm was a flooded creek and the water was rushing at break-neck speed. Chad was judging and immediately rode to the top of the hill to see what had happened. He saw Boogie jump in the water after the bird and was being carried down the stream. Having gone quite some distance in the water, he was finally able to get to shore, climb back up the steep creek bank and take the bird to Paul. Now this was worth 99 points but when he didn't even shake the water from his back Chad's mind was made up – 100 points and quite deservedly. A story for the ages to be told many, many times.

Again, thanks to the people at Rock Creek for a great week, thanks to the trial officials and chairman and co-chairman, Mike Rost, and of course to our sponsors who make this all possible. Also, thanks to the owners and handlers for their unending devotion to our sport. ■

Who Is UKC And What Makes Us Different?

A lot of folks don't realize it but United Kennel Club was established in 1898 and currently registers over 300 breeds of dogs. UKC was founded and still resides in Kalamazoo, Michigan. UKC is the second oldest and second largest all breed dog registry in the United States. It's interesting to note that in over 100 years UKC has only had four Presidents lead the company. For that reason it has stayed remarkably true to its founding principles. One of the things that makes United Kennel Club different than other all-breed registries in this country is the fact that the vast majority of dogs registered with UKC are involved in performance events of one type or another. UKC is the farthest thing from being primarily a pet registry.

UKC was immediately embraced by the coonhound world dating back to the early 1900's. It has for many, many years been the registry of choice for coonhound enthusiasts in this country. The UKC coonhound program is a large, large program. Did you know that the Purina Coonhound Of The Year Program tops all other Purina Dog Of The Year Programs with an entry 17,000 dogs strong? I've not been too surprised while attending the NSTRA events the last couple years to learn that a high percentage of the pointing dog folks have heard of United Kennel Club either from a neighbor that is involved in the sport of coonhunting or because they themselves were involved in the coonhound sport at one time. Don't worry....I won't disclose which of you have come forward and confessed that you were previously coonhunters so as to not ruin your lofty reputation as bird doggers!

But over the years UKC has established itself with a wide variety of working dog groups. Events recognized by United Kennel Club are basically split into two different areas which are Hunting Programs and Dog Events. The Hunting Programs Department administers programs for coonhounds, retrievers, beagles, pointing dogs and squirrel dogs. The Dog Events Department administers a wide variety of events which are open to all breeds of dogs registered at UKC including obedience and agility trials, dock jumping, terrier racing, lure coursing, weight pulls, etc. The two sister events departments at UKC are comprised of 12 of 50 total employees.

So the Registration Department is the largest department at United Kennel Club for obvious reasons. It is primarily what we do. We keep registration, pedigree and championship points records for dogs. The events departments create interest in breeding dogs but the Registration Department drives UKC. It is the Registration Department that NSTRA members will have the most contact with. That is because NSTRA has it's own very talented office staff which oversees all of the functions that UKC's event departments do for our events.

The Registration Department is broken down into two sections; data entry and customer service. When your paperwork is received at UKC it goes straight to data entry where thousands of pieces of work are processed daily and fly right through the system slick as can be. You will actually never have an opportunity to talk to a customer service representative until you do something wrong! Actually that is not true. There will be instances where you may find it helpful to call in and speak to a

NSTRA members are welcome to stop by the UKC headquarters in Kalamazoo, Michigan, and we will give you a tour of our facility."

customer service rep if you ever have questions about how to correctly fill out your paper work. If you ever find it necessary to call UKC for help, I want you to remember one thing; earlier is better! Our phone lines open at 9:00 a.m. and typically those lines are far less busy earlier in the day. As the West coast wakes up and those calls join an already very busy call rate, it will require you to be slightly more patient with our scrambling customer service staff.

There are a few things that make United Kennel Club unique that I am most proud of and that you will find very comforting as you become more involved as NSTRA members. UKC is large enough to be professional, innovative and technologically advanced, yet we are not a bureaucracy. We do enough volume that we are able to offer a high quality product at the most competitive of prices. Yet we are small enough that you will get to know us on a first name basis and are able to pick up your phone and talk to any one of us most of the time. (Three days a week during bird season not included. For me anyway.) We are a pro-hunting, pro-gun organization made up of primarily working dogs and performance programs. We are primarily an owner / handler based organization as far as all of our events are concerned. We are about the dogs first and foremost and doing what's right for them and advancing their health, ability, and well-being. As simple as that sounds, not all registries can make those statements.

Does any of that sound familiar? Does it sound like some of the very philosophy upon which NSTRA was founded? It is no coincidence that UKC and NSTRA would eventually become partners. I realize that I may be a bit biased but I am positive UKC is the future of sporting dog programs in this country. I think you are already seeing that trend if you have your eye on the big picture. And I'm not just talking about pointing dogs either. I think NSTRA members have a great opportunity right now to get on board while this affiliation is still in its infancy. United Kennel Club is offering you a single registration discount for a limited time and your own Association is offering you significant incentives. Take advantage of this down time due to the summer heat and get your paperwork caught up. What else could you do as productive in regards to your hobby while sitting in the air conditioning? ■

Tribute to Paul Major

The Members of Central Canada Region are heartbroken to announce the passing of one of our longest serving members, Paul Major.

Paul as he was affectionately called by his friends was a gifted veterinarian, who started practicing in 1971 in Hudson Quebec. Over the years Paulo cared for many of the members bird dogs. Many of us had the pleasure of hunting and fly fishing with him in hundred of locations, all over the world. He was a gentleman and one of the kindest and most generous people

you will ever meet. Paul's wife Carole Jutras shared his love of the outdoors. They have two wonderful children and two grand children. Max, Paul's son-in-law summed it up when he said "Paul was the person everyone wanted to be".

We think the text from the birthday card Paulo wrote when Donald J. Thom turned 50 gives us an insight into his love of the sporting life (and we quote):

*What we really wish you
Points and flushes
Hits and misses
Backs and retrieves
Rises and takes
Runs and break-offs
Riffles and pools
Duns and midges
The smell of gunpowder
The prairie sky
Sage and buck brush
The blur of wings
Feathers in the wind
Sweat and muddy boots
A wee dram by the moonlight
The song of the river near
Tomorrow another day of fishing
A brand new cover
Forever*

Our dear Paulo won't be alone in the happy hunting grounds as some of his beloved bird dogs will be there to greet him.

We will all miss him. There is no one who can ever replace him, but in the end we will all be together again. ■

The difference between a good dog
and a gun dog isn't all DNA.

My dog has been pointing since she was 8 weeks. I like to think the rest of her abilities I installed myself. With a little help from my Delta Upland™ from Garmin with Tri-Tronics® technology, of course. Delta Upland lets me train with momentary and continuous stim, tone and pulse and adds a powerful upland beeper that tells me where my dog is and if she's on point, all controllable with the handheld. And with an integrated BarkLimiter™, I can even take credit for a calmer quieter kennel at home.

"A working dog's worst enemy is dehydration.

If my dogs are dehydrated, they can't go to work. And we're on the road 70,000 miles each year. I worked out a plan with my veterinarian. Now I keep my dogs on FortiFlora® until we're back home."

— *George Hickox*

Bird dog trainer and guide George Hickox has a passion for upland hunting. He has trained and campaigned National High Point Champions, Field Champions, and has garnered over 100 field trial placements.
