## News From the Officers

The holidays are upon us and dreams of shotguns and training collars and even maybe a new puppy under the tree abound! We hope that you and your family have a safe and wonderful Christmas season!

There is a ballot included in this issue on page 57. Please make sure that your vote on this rule change. You can photocopy this page and mail it in if you don't want to tear it out of your magazine.

Speaking of voting, Elections for NSTRA president, first vice president and treasurer will be coming up in 2012. If you are interested in running for office, or know someone who is, watch for the announcement in the next issue of the nominating committee members and contact one of them. These are the people who will be making the decisions on how NSTRA proceeds in the next three years and it takes a commitment to this organization and a fair and impartial viewpoint as you serve our members. Look to the respected members in your region. Perhaps you are the one. These are the leaders we need in the next few years as we battle against unfavorable economic conditions, loss of trial grounds and decreased participation.

The annual financial report is published in this issue of the magazine. This year we had a decrease in membership and trial revenues resulting in a total revenue figure that is the lowest in the last 10 years. We are still keeping a tight control over our expenses and we managed to end the year with a positive balance and remain viable without having to use any of our reserves. That is an accomplishment in times where many non-profit organizations are struggling to stay alive and a testimony to the officers that oversee this operation on a daily basis.

The office would like to ask the trial chairmen to get their trial reports in on time. The last two months have seen an increase in the number of late trial reports. That causes a delay in getting out championships and magazine information and makes for a lot of telephone calls and e-mails. Note that the required deadline is 10 DAYS from the date of the trial!

This issue features the Endurance trial that was held in Lewistown, Montana in September. We would like to thank Stacy Holder, Melody Kaelin, Jim Wiitala and Tom Paullus for their pictures. We received so many beautiful pictures that it was hard to choose which ones to use. There is a reason it's called Big Sky country!

Merry Christmas and Happy New Year!

Deadline to accept Hall of Fame Nominations

# IN THE KNOW...

## Spotlight Member:

We would like to feature some of our long time NSTRA members in the magazine. We would like for you to submit nominations for this. Like the longest running member in your region? The member who was key in starting or maintaining the region throughout the years. The member who is always helping out with the trials. Tell us what makes that person special.

## Minimum Requirements for NSTRA Hall of Fame Nominations

1. A dog must be a 10 time champion and have won a regional elimination trial.
2. A dog must be at least a 5 time champion and placed in the final four during a NSTRA championship trial.

## Important!

All entries to Championship trials will only be taken by telephone, email, fax and regular mail.

## Important!

Only those persons qualified as a field marshal are to marshal trials. Also, all trials should have a qualified marshal at the field the entire length of the trial. Many trial reports are coming to the office with people listed as field marshals who in fact are only members.

## DISCIPLINARY POLICY

“Effective September 1, 2007 all decisions of the NSTRA Board of Directors which result in any form of disciplinary action affecting any NSTRA member are required to be contained in the magazine next published after the disciplinary decision is rendered by the NSTRA Board of Directors. The information so published will be the name, membership number and region of the NSTRA member affected, along with the disciplinary action so levied by the NSTRA Board of Directors, and the time period governed by the NSTRA Board of Directors decision.”

## Amateur Trials

The Amateur Trials are now listed on our website. If anyone had a placement which was listed as pending, please send the information to the office with the registration #, name, sire/dam, and whelp date to the office. Also, include the date of the trial and owner/handler.

## Procedure for Change of Ownership

The NSTRA national office needs a copy of the new registration with the new owner's name, OR a copy of the front and back of the current registration, showing previous owner, and the signature on the back confirming transfer of ownership, submitted with a \$5.00 change of ownership fee. This applies only to dogs that have placed and are already in the database.

The date of change will be the date the above completed information is received in the NSTRA office.

## Hall of Fame Nomination

In an effort to recognize and honor those deceased dogs which have contributed significantly to the ideals and goals as established under the original constitution and by-laws of NSTRA, we have devised the following plan. We feel this plan will take the politics out of our hall of fame endeavor and the most worthy dogs will be inducted each year.

Each dog will be rated according to his win history. Categories will include National Championship Wins, 1st, 2nd, and 3rd Runner-up National Championship placements, Number of NSTRA championships, Top Performance award, and Regional Wins.

The period for submitting a nomination will open on November 1 of each calendar year and close on April 1 of the following year. The nominations will then be given to the Hall of Fame committee and the win history on each nomination will be thoroughly checked and scored according to the following system with the 2 inductees being announced at the Dog of the Year trial in October.

The Hall of Fame committee will score the nominated dogs in the following manner; one point will be given for each win under each of the above categories in paragraph 2. For example, if a dog has won the dog of the year trial twice, he will be given 2 points under national championship wins.

If he was also a regional winner one time he will be given one point under regional wins. Understand, the preceding two categories, plus top performance award must be first place wins. Under 1st, 2nd, and 3rd runner-up National Championship placements one point will be given for 1st 2nd or 3rd placements. If a dog is a 12 time NSTRA champion, he will be given 12 points under number of NSTRA championships. When all the dogs have been scored in this manner on the worksheet, we will come back to each category giving the highest scoring dog under each category one point, the 2nd highest scoring dog 2 points and so on. In this manner, the dog with the lowest amount of points will be the first inducted dog with the 2nd lowest scoring dog being the 2nd inducted dog.

When appropriate, due to unusual circumstances, an additional dog may be inducted into the Hall of Fame by becoming the “board of directors pick.” This may be a dog who has not won under many of the above categories, but may have made significant contributions to NSTRA by other means, i.e. having sired an unusual amount of NSTRA Champions, winning numerous Regional Championships only to mention a few areas that the board of directors might deem Hall of Fame material.

In case of a 2-way tie for first, both dogs will automatically be inducted. If there should happen to be a tie for 2nd, the dog with the most 4<sup>th</sup> place wins will be the inductee.

Nominations of dogs to the NSTRA Hall of Fame are not “carried over” to following years should the dog not be elected in the year nominated. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

The first trial of the year at Charlie Nichols Field in Monticello was named the Charlie Henry Invitational in honor of eighty-five year old Charlie Henry. Charlie was presented with a jacket by Mike McGregor and Bo Nutt. He has trialed and trialed many great dogs including five Region Champions and seven Region High Point Dogs. Among the best were 2x CH Henry's Mack Truck, 6x CH Bill Who, 7x CH The Thunder Boomer, 2x CH My Main Max, and 4x CH Stupendous. Charlie has been with NSTRA since it's inception in Arkansas in the early 1980's. He is always willing to help with trials or with chores at the camp. A wealth of information, he is superb dog trainer specializing in force breaking. To top off his day, Charlie placed first in one field and second in the other with his current dog, Home Run Casey.

## FLORIDA | All and all, it has been quite a beginning to the Florida trial season.....come on fall!

We have had 4 trials so far and you have to give credit to all the participants and their dogs. The 10 & 11 of September trial was chaired by Bruce VanVliet and we had a good turnout even in the heat...trialers are trialers - you just "turn'm loose". At the end of the day on Saturday we had first place; Steve Tindale's and his EP "Bo" with a 5-5-B and 1075.25 pts; followed right behind in 2nd place Donny Layton, handling Bob Gammella's ES "Mia" and another 5-5 bird run and 1023.6 total points; in third place with a no slackers run we have Donny Layton handling NASCAR Anita Layton's EP "Pepper" with a very nice 4-4 run and 905.3 points and just off the points board in 4th place was Sam Ashmore renamed by Tim Faas, "R2D2" (note photo below) had a nice run with his EP "Whiskey" 4-4 and 861 points.

Then after a very nice gourmet Italian dinner and great conversation we all packed it in and prepped for Sunday's trial. At least we had a breeze, occasionally, on Sunday but not a whole lot. Sunday results were: First place was locked down by Donny Layton and his EP "Bo" who had a nice 5-5 and 1032.5 points; then out of nowhere showed up Ralph Harrell and his GSP "Nicki" who finished with a 5-5 run and 981.5 points to put her in 2nd place; (Don't know who was more excited, Ralph or Betty); winding up in 3rd place was Steve Tindale with his EP - "Laser" and 937 points and rounding out the trial report was Dana Walker "s EP - "Jax" who has a 738.5 to finish up in fourth place.

Giving ourselves a couple of weeks break and praying for a cold front to come through; David Demeza's trial stepped off without a hitch. We didn't get our cold front, but many of the folks on the way to the trial grounds, saw part of what they think was some of the space garbage come through the sky near Bartow....guess it was quite a site.

Sam Ashmore (minus the r2d2 collar) and BR "Cooper" finished in first place with a 5-5-B and 1118.5 points; this also gave Coop his 2X CH. Following right up behind him in second place was Donny Layton han-

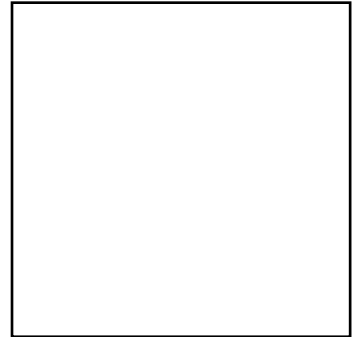

dling Bob Gammella's ES "Mia" with a 5-5 and 922.5 points; (man we're going to start calling her Mama Mia...she is a hot little setter); then once again, Donny Layton with Jack Booream's ES "Ellie" who had a 4-4 and 803.3 points and Donny's EP- "Bo" with 3-3-B and 703 points in third and fourth places respectively.

At the end of the trial we were all ready for some cold refreshments and AC! David Demeza and Shirley VanVliet out did themselves with a great pork chop home cooked complete meal, and that pork chop was so tender you didn't even have to use a knife... GOOD GRUB!

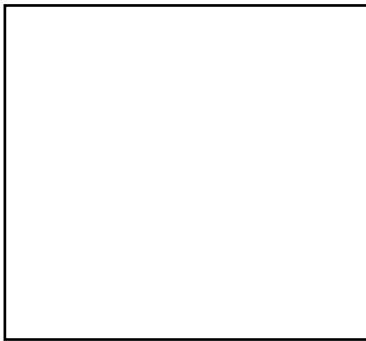

Sunday's results came in with Donny Layton handling Bob Gammella's ES "Mia" with 5-4 and 938 points; once again in 2nd place Donny Layton handling Dana Walker's EP "Porter" with 4-4-B and 911 points; in 3rd place was Steve Tindale and his EP "Laser" with 4-4 and 855 points and in 4th place was Donny - Jack Booream's ES - "Ellie" who had 4-3 and 834 points. Needless to say, Donny has had quite a September!

## MIDSOUTH I OCT. 1, 2011

Two second placements were brought home to the MidSouth Region by Autry's Rowdy "Waco", a Llewelin Setter male, and owner/handler Angela Autry, on Oct. 1st in both A and B Fields at the Razorback Club in Monticello Ark.

1st Mike McLaughlin with KC, 2nd Cliff Merkel with Duke, 3rd Mark Kohlberg with Susie (R to L)  
This was the first time that Mike McLaughlin handled a dog, way to go Mike!

1st John Resa with Nic, 2nd John Resa with Pete (Mike McLaughlin holding), 3rd Mark Kohlberg with Susie (R to L)  
Nic's 1st place made him a champion!

1st Mike McLaughlin with KC, 2nd Cliff Merkel with Duke, 3rd Mark Kohlberg with Susie (R to L) This was the first time that Mike McLaughlin handled a dog, way to go Mike!

D W Dancing Dixie who took 1st place Sun. in the B Field and 4th place in the B Field on Saturday. Dixie and Jedi are Littermates and its obvious they liked the B Field.

Skeddaddle Lucy who took 1st place in the A Field on Sat. and 2nd place in the B Field on Sat. also.

Histep Crosswind Manteca's August Von Wulff of Gus took 1st Place on Sun. in the A Field and the 2nd place in the B Field on Sun.

A special "thank you" to Birds Landing Hunting Preserve for hosting the grounds for this trial. If you have never been to Birds Landing, it is one of the premier hunting clubs in Northern California. Located right at the edge of the California Deltait hosts great views, and constant Delta Breeze, which made the trial a little hot.

Thanks also to our judges that had to sit in the saddle all day for a job well done; Ted Vlahos, Cindy Hervey, Richie Hight, Zachery Diets, and Dale Ikuta. The Field Marshalls that worked their tails off and did a great job, not to mention making my day stress free; Jessica Deweber and Samantha Hight, with some help from Sherry Rowe, and of course our Bird Handler Conner Hight.

New member, Mark Peasley, joined NSTRA and competed for the first time. I believe he is hooked and plans on running more in the near future. A few men that have been out away due to work, raising kids, and other things, John Johnson, Mike Rogers, Jim Capis, and Tom Barrett, are now back and plan on making up for lost time. These men all have really nice dogs and are going to make the competition even harder.

The results for Saturday A Field were: 1st Place went to Skeddaddle Lucy owned and handled by Frank Rowe. I asked Frank to enter his older dog Lucy in order to fill the trial which he graciously did and then went on to put a whippin on us with her. 2nd Place went to John and Cindy Hervey's up and coming start Megan. 3rd Place going to Jeff Lostak's youngster Bell.

Results for Saturday Field B were: 1st Place went to Jeff Lostak's other youngster K Nine Jedi. 2nd Place went to Frank Rowe's (I'll run if you need me to) Skeddaddle Lucy just to let Frank know she can still go. 3rd Place went to Katie, Dale Ikuta's little Setter.

Sunday's results for the A Field were: 2st Place went to Gus owned by Fred Wulff and handled by John Hervey. 2nd Place went to Frank Rowe's young girl Bit. 3rd Place went to Jim Capis with his young dog Crook.

Sunday's B Field: Well I just have to start by saying that I went out with my young Male Jedi and got 4X4 and a back in the first brace and thought I did good, but little did I know it would take 6X to even place in this Field today. 1st Place went to Jedi's litter mate sister Dixie who is owned and handled by Dave Winters. Dave just kept singing as he was constantly bagging 7 birds. 2nd Place went to Fred Wulff's young Shorthair that was handled quite masterfully by John Hervey to get 6 birds on the card. 3rd Place went to poor Zackery Diets and his young Pointer Joe, who had to sit there and watch his 6 and 6 keep getting bumped all the way to 3rd.

In all it was a great trial, we got a new member, 4 returning members, and not to mention about 6 young dogs just turning 2 years of age place for the first time. All great news for the Regional. Special thanks to Richie Hight for providing the trophies for this Trail. It all turned our awesome!

1st Lucy & Harold Smith, 2nd, Gus and Derek Plylar and 3rd Max owned&handled by Harold Smith, Lucy also took 2nd on 9/4 and Gus took a 1st on 9/4. Congratulations!!

George & Bill - Two of Ohio Region's Senior members ran each other at the Fin Feather & Fur Trial in Ashland Ohio on 9/4/11. They are Bill Powell and his dog Tex. Bill has been running NSTRA trials almost since the beginning of NSTRA and newcomer, George Roudebush and his dog Luke who just recently joined NSTRA. Good luck to both of you and may you run many more braces.

Isaac Walton - Results from the Isaac Walton in Penfield, Ohio on 8/23/28 found owner/breeder/handler, Dick Motz and his two young setters Sammie in 1st and Abby in 2nd place with Region President, Rex Mesnner taking a 3rd placement with his dog Dutch.

Isaac Walton - On August 28th, at the Issac Walton Trial in Penfield, Ohio, Todd Craven and his dog Maveric took 1st place and Larry Rouch and his shorthair Jaeger, took a 3rd placement. 2nd place dog Lucy and Harold Smith headed back to Indiana early!

Southern California held their first fall trial on October 1st and 2nd, 2011 @ Lockwood Valley. The weather was nice, and a little warm, with mild winds in the afternoons both days. We would like to thank our judges on Saturday, Mike Porter and Ron Knesal; and our judges on Sunday Mike Porter and Curtis Heintzman. We also would like to thank our bird planter, Micah Lawson. We ran a single trial each day rather than a double/double. Our winners on Saturday were: 1st place Tuscanola Bear (Bear) owned by Karla Weber and handled by Mike Eisen; 2nd place Smoky Joe Express (Smoky) owned and handled by Bill Burton; and 3rd place Jagermeister's Gunslinger Pete (Pete) owned and handled by Jim Wall. Our winners on Sunday were: Bronco Springs Baylee (Baylee) owned and handled by Bill James; 2nd place Marsden's Southern Belle (Belle) owned and handled by Glenn Marsden; and 3rd place Vetelytars Hisnameisearl To Go (Earl) owned by Marti Eisen and handled by Mike Eisen. This first place win of Tuscanola Bear gave him his very first NSTRA championship. Congratulations to all the dogs and their owners/handlers for a job well done! Happy Trialing!

Isaac Walton - Results from the Isaac Walton in Penfield, Ohio on 8/23/28 found owner/breeder/handler, Dick Motz and his two young setters Sammie in 1st and Abby in 2nd place with Region President, Rex Mesnner taking a 3rd placement with his dog Dutch.

Miller's Butch  
June 22, 2004 ~ August 27, 2011

Dad,

I just wanted to tell you that it is just like you said it would be up here....It is the most beautiful place you have ever seen with rolling green meadows, crystal clear ponds (loaded with frogs), more birds than you could ever imagine and yes, no fences or boundaries. You know I never forgot the location of a marked bird (sometimes before 3 minutes were up...sorry I couldn't help myself) anyway, I have marked a bunch of good spots, I'm saving them for the day when we can hunt together again.

Love, Butch

P.S. I have seen Bob, he has been working his dog's. He said he will be ready when you get here.

On August 27th Robert Miller had to put Butch to sleep as the result of an ongoing battle Butch had been fighting with an infection. Butch fought back from this infection once to win the 2011 OK Region Elimination title.

Miller's Butch was whelped June 22, 2004. His dam was Finishing Touch Kelly, he was sired by Trail's End Bad Boy. Butch's abilities (and sometimes antics) are well known and loved by both the Oklahoma region and others. During his NSTRA career Butch accumulated 83 open points and became a 4xCH. Butch's other accomplishments include 2nd runner-up at the 2007 Oklahoma Region Elimination Trial, 1st Runner-up at the 2010 Owens Midwest National Trial, and of course 2011 Oklahoma Region Elimination Winner. As a result of these impressive accomplishments Butch will be inducted in the OK Region Hall of Fame.

Those who knew Butch knew he was a threat to win the field every time he ran. We also knew he loved to give Robert headaches on occasion too, as he sometimes wanted to hunt beyond the boundaries of the field. However, Robert and Butch worked together to always be strong competitors. Robert buried Butch at Danny Lemons' trial grounds in Copan, OK where he placed so many times. He ironically chose to bury him in a part of the field considered out of bounds for most trials held there, but a place Butch knew all so well, was loaded with birds, and laid him to rest with his 2011 OK Region Elimination Championship belt buckle. Butch will be missed by all.

# 2011 NATIONAL SHOOT TO RETRIEVE PURINA ENDURANCE

As the sunrises over the mountain range, you can revel in God's creation known as Big Sky Country, and as you travel through Montana on your way to Lewistown MT, you understand why. The Beeline Brittany Ranch was again the site for the 2011 NSTRA Endurance Trial. The gracious Lewistown chamber of commerce put together a tourism folder for each of the trial participants. After browsing through the material, I learned couple of things about Montana; Central Montana is home to the Yogo Sapphire, named from the creek where the sapphires were first mined, and just south of Lewistown is the world's third largest fresh water spring. It produces 90 million gallons of 99.9% pure water every day. These are just a few things that make coming to Montana such an experience. This year the Big Sky Region hosted the pre-trial on the same grounds that the National trial was held. The National Championship trial began on Wed September 7th and ran until September 10th. The Tuesday before the trial started, the BSR hosted a tailgate party and those who attended were treated to fresh salmon , pheasant kabobs, smoked beef roast, stuffed jalapenos and pot stickers, just to name a few. All in all it was a great night.

John Holder, 2nd vice-president of NSTRA, was the trial chairman with Doug Cartwright, BSR President serving as co-chairman. As with any National NSTRA trial, there is a lot of work put in to it. John called a meeting for 7:00am Wednesday morning for all the trial personal.

The judges for this year's Endurance trial are Conrad Kradolfer, Jerry Youmans, Donny Parker and Bruce Lyon. Our field marshals are Martha Bauer and Cindy Lyon, with Bo Marcum as a bird handler. At 7:30am Cindy got the A field handlers in the blind and the judges, Conrad and Jerry were ready for the trial to start. Donny and Bruce are the judges on the B field, with Martha as the field marshal. With 106 entries this year, the first round took the top 16 scores; from Friday on out it was be beat your brace mate and those dogs advancing to Friday are marked by an asterisk.

Wednesday's evening meal was sponsored by the Big Sky region, and it was again a meal worth waiting for. On the menu was steak with all the fixings. On the grill was Mike Stotts, making sure everyone got a steak cooked the way they wanted. With a spread of potatoes, corn, salads and dessert, no one should have left hungry. The first day of the trial was sunny and warm and the expected forecast is the same throughout the week.

As the sun rose over the beautiful Montana landscape, the day was going to be as great as yesterday. Thursday's A field judges were Bruce Lyon and Donny Parker with Martha

as the field marshal.

After the fields were cleared and Friday's draw was complete, we all headed over to the shed for another great meal. Tonight's meal was sponsored by the North West region and was an assortment of BBQ'ed meat consisting of Ribs, Chicken and of course some great salads and desserts. As the meal ended, John Holder and Doug Cartwright handed out Wednesday's and Thursday's placements. Ed Murdock and Jerry Youmans volunteered to lead the auction. There were many wonderful items donated for the action, and I believe the BSR made some money for their region.

The weather for Friday promised to be another beautiful day, and just like Wednesday and Thursday, warm and dry. Friday's format is beat your brace mate and the handlers that will advance to Saturday are marked with an asterisk.

After cleaning the fields and drawing the trial for Saturday, we headed over to Jon Edwards house for roasted hog prepared by the Hutterites. Dean Reinke and Nolan Huffman sponsored Friday night's meal and drinks. Thanks to Jon and Melody for their hospitality and another great meal in Montana. John Holder handed out today's placements and everyone had a relaxing evening.

Saturday morning will start out with 8 braces on each field

Each of the final 16 was given a Purina hat and a bag of dog food and a bag of biscuits. We are now down to the top 16 dogs eliminated from 106 entries. Four braces would compete on each field narrowing down to 8 dogs for the next level. Today it is very important that the bird handler stay alert and ready to go, we have a lot of braces to get in, and of course Bo Marcum is ready for it-I think he has done this a few times.

Since daylight is always a concern at the Endurance, there is very little rest for the handlers and their dogs. Now that our final hour participants have been determined, we are left with the placements of 3rd and 4th and as you can tell, it is father and son. It was nice to see Johnny back in the game and then to make it to the final 4 with his dad making it extra special. According to the scores Johnny is awarded 4th which added a championship to Big Sky Bo, and Ed 3rd.

The final hour needed to be started by no later than 6:00p.m. so around 5:50p.m. We sent Bo out to do his job and Jon and Dale got in the blind. By the time the sun was setting our newest champion exited the field, Toebee Montana to Texas. Although it seemed clear who the champ was, Mrs. Heaton would not celebrate a victory until the scores were totaled and re-totaled. Toebee came off the field 6 finds 51,80,67,81,85,81; retrieves 43,64,57,54,54,52; obedience 56; ground coverage 82 points totaling 907 points. Dixie had been scored on 5 finds 88,86,84,86,87; and scored on 4 retrieves 72,84,76,77.3; obedience 62.5; ground coverage 76.5 for a total of 879.3.

With this being only the second National trial that Dale and Toebee have entered, to make it to the finals was extra sweet. Jon has advanced this far in a National trial before, but not with Dixie, and was delighted to see that she had, since she has been in the kennel having pups the last couple of months.

Now we head to the shed, where the trophies will be presented and to take pictures of our top 4 finalists.

The third runner-up winner was Big Sky Bo owned and handled by Johnny Murdock, SCR region. Bo is a 5 year old Tri colored English Setter Male from the sire Angie's Dogwood Cash and dam Wilson's Miss Abbey. Today made Bo a champion with 22 lifetime points. Last year Bo came in 2nd in the SCR regional and earlier this spring Bo placed 3rd in the 1st round of the NSTRA Performance Classic. John Holder presented the Purina awards consisting of a winner's jacket and 112.5 pounds of Purina High Pro dog food. John also presented Johnny with the trophy, metal plaque and the NSTRA belt buckle. He also received a Tri-Tronics gift certificate, \$25.00 gift certificate from Foster & Smith, \$50.00 gift certificate from Dogs Unlimited, \$50.00 gift certificate from Red Haw Supply, T-shirt and gift certificate from Uplanders Warehouse, and EMT Products from Trophy Animal Health Care. Our congratulations to Johnny on his placements and to Bo for his 1st time champion points.

Second runner-up was Angie's Dogwood Skipper a 9 year old male English setter that is very comfortable in the winner's circle. Skipper is owned and handled by Ed Murdock from the SCR region. Skipper's sire is Maddox's Rocky and the dam is River Ridge Freckles. Skipper is a 14 time champion with a total of 261 points and 150 of them are first place points. He got his first championship on September 4, 2004 and from my calculations this would be Ed's 4th National trial belt buckle. Skipper's first placement in a National trial comes on April 26, 2008 with the award of 3rd runner-up at the Trial of Champions. In 2009 he rose to the placement of 1st runner-up in the Quail Forever Trial. From that Skipper took a 3rd runner-up in the Quail Invitational held in Lake Wales, Florida. Doug Cartwright presented Ed with a Purina jacket and 112.5 # of Purina Pro Plan dog food. He also accepted the 2nd runner-up trophy, belt buckle, and metal plaque from Doug along with a Tri-Tronics certificate, \$50.00 gift certificate from Dogs Unlimited, \$25.00 gift certificate from Foster and Smith, \$50.00 gift certificate from Red Haw Supply, gift certificate and t-shirt from Uplanders Warehouse, and EMT Products from Trophy Animal Health Care.

First runner-up was Dixieland's Black Beauty a 4 year old German Shorthair female from the Big Sky Region. Dixie's sire is Crosswind Truckin Fritz and her dam is PPK Dixieland's Black Magic, and is owned and handled by Jon Edwards. Dixie came into this trial with

only 2 points and walked away with a total of 7 points and 5 of those are first place points. Dixie had just had pups, and you would think this a disadvantage, but obviously that is not true, so with that being said, and given her sire and dam, I wonder if Jon will have trouble selling those pups.. John Holder presented Jon with the Purina's winner jacket and 250 pounds of Purina Pro Plan dog food, the first runner-up trophy, belt buckle, and metal plaque. Jon will also get a pair of Bird Shooter Hunting Boots from Russell Moccasin Company, a Tri-Tronics certificate, \$50.00 gift certificate from Dogs Unlimited, \$50.00 from Fosters and Smith, \$50.00 from Red Haw Supply, and EMT products from Trophy Animal Health Care, a gift certificate from Uplanders Warehouse and T-shirt. Congratulations to Jon, Melody, and Dixie.

Our newest NSTRA National Champion is Toebee Montana To Texas, a German Shorthair from the Lone Star Region. Toby is owned and handled by Dale Heaton and his sire is Montana's Wildfire Grizzly, dam is Roustabout's Patriotic Abby. This National win made Toby a champion. Congratulations! Toby has a total of 34 open points, 12 of them are first place points. His first placement came on April 25th 2009 and just earlier this spring was awarded a first place win at the Don Ward memorial trial, held on April 30th 2011. Doug made the Purina awards on behalf of Dean Reinke. Dale will receive 450 pounds of Purina Pro Plan Performance and the Purina Jacket. Doug also presented Dale with the NSTRA Winner's trophy, belt buckle and metal plaque, along with the Pro 500 G2 collar from Tri-Tronics, \$100 gift certificate from Foster & Smith, \$50 from Dogs Unlimited, \$50 from Red Haw Supply, EMT products from Trophy Animal Health Care. Dale also received a t-shirt, gift certificate and hat from Uplanders Warehouse.

Sidelights: The Big Sky Region would like to thanks the all the members that helped in putting on this National trial and the pre-trial. We would also like to express our gratitude to Nolan Huffman for the use of his field for our trial.

The lunch wagon on site this year was provided by Tammy Pyrah with Poor Man's Café. It was really nice to have breakfast and lunch on the grounds, thanks again.

You know it's hard to remember all the people who had a hand in making this trial a success. Mrs. Donovan had t-shirts and sweat shirts made up and Marlys was in charge of selling those, and I think she sold every last one. Doug Cartwright's wife prepared and served food, both for lunch and dinner. Mike Stotts was helping with the tail-gate dinner. I know Mike Ouchida made some awesome BBQ. All the ladies from the Big Sky and Northwest Region out-did themselves with the salads and desserts for the dinners on Wed and Thurs. Nance Ceccarelli put forth a great effort and got a sponsorship from Uplanders Warehouse. Jared Tanner from Uplanders Warehouse used to run in the Lone Star Region when he lived in Dallas, so maybe Jared wants to get back into trialing---hum--- we'll see. In our Goody bags this year we had a huge folder of information from Lewistown Chamber of Commerce containing a 10% off card from Don's Store, a Montana map, list of Lewistown's restaurants and festivals, -just to name a few. In our bag we also had a coffee mug donated by Larry and Terri Cunningham from Central Montana Outfitters. Thanks again.

I don't want to forget to thank Doug Cartwright, for all the time and work he put into making this trial go smoothly. To the many people who helped in this trial, I want to say thank you! ■

Shoot-To-Retrieve  
Field Trial  
Association**

## **Member Information**

Dear fellow member:

During the past few weeks the National Officers have been engaged in discussions about how to provide the membership at large with opportunities to participate in national trials as officials in the capacity of judges, field marshals and bird planters.

This discussion is always tempered by our desire to maintain the highest quality standards possible as we seek to expand the pool of eligible individuals who can offer their expertise to the organization. To this end, we have established minimum criteria that will allow individual members to submit their names for the consideration of the National Officers to serve as trial officials.

### **CRITERIA FOR JUDGES**

\_\_\_\_ Must have a judges' license for a minimum of four years and have judged at least 25 trials. Should also have judged trials outside their own region and preferably judged at the regional level;

\_\_\_\_ Show evidence that the individual stays current with the rules by having participated in local judging seminars within the last year;

\_\_\_\_ Should be available to serve as a judge when called;

\_\_\_\_ Must show evidence of involvement in their local region by participating in trials handling dogs and judging;

\_\_\_\_ Must be endorsed by the local regional board.

### **CRITERIA FOR FIELD MARSHALS**

\_\_\_\_ Must have experience by having served in a minimum of 20 local trials as a field marshal and have the required field marshal certification as stated in the Rules;

\_\_\_\_ Regional board of directors must certify that the individual has attended local seminars and is knowledgeable in the rules.

### **CRITERIA FOR BIRD PLANTERS**

\_\_\_\_ Experience planting birds in local and regional trials as certified by the Regional board of directors;

\_\_\_\_ Support their local region in other activities besides bird planting, for example: judging trials, handling dogs or chairing trials.

It is the intention of the National Officers to select trial officials from within a geographic location of the country within reasonable proximity to the trial site, and as such provide more opportunities for members to participate as national officials, while at the same time attempting reduce the costs that may be incurred by bringing in trial officials who live far away from the national trial sites.

If you are interested in being selected to serve as a national trial official, we ask that you submit to our office a letter indicating your interest and delineating you experience and qualifications. This information should be accompanied by a letter of recommendation from your regional board supporting your application. We strongly believe that NSTRA belongs to all its members, and offering this opportunity to serve in this capacity is an excellent way to have more members become true stakeholders in our organization. As always, we remain committed to serving you, and ask that you contact the national officer assigned to your region if you should have any questions about this letter or any other issue of interest to you.

Sincerely yours,  
Your National Officers

Fun for all ages. . .Family involvement is NSTRA involvement...We guarantee you, more action per acre! These words caught my eye in the February/March issue of the NSTRA magazine. Whoever wrote these words, you couldn't be more right!

My family and I are relatively new members to NSTRA. Our NSTRA story began in the summer of 2010. My husband Wayne and I had trained, hunted and trialed Labs for over 15 years. When our kids came along (yes, we waited awhile to have them), our trialing with the labs came to a screeching halt. You see, we had been training dogs six out of seven days, easily amounting to 20-30 hours each week. This was just training two dogs for trials. Now, I don't know if this amount of time was truly needed or maybe we were just incredibly inefficient, could have been both. Either way, when our boys, Jared & Nick, entered the scene, there just wasn't enough time in the day to continue down that road. The trialing stopped. My husband continued to hunt, I did not. As a mom, I couldn't justify leaving my kids to go hunting on my days off. It just didn't feel right, so my hunting got shelved, for a while.

Fast forward a few years. The labs were getting older and we knew we had to get a new hunting dog. Heaven forbid you have to find and retrieve your own birds. No self-respecting hunter wants to play the role of the bird dog. Right? It's true that once you've hunted behind a good dog you just can't go back. My husband was concerned that he didn't have the time to train another dog, nor did I. Not like we trained the labs that is. Enter the pointing dog. I'm an E.R. nurse and work night shift. As fortune would have it, or maybe it was God, someone left a Pointing Dog Journal in the lounge one quiet night and I picked it up. On the cover was a picture of a beautiful, sleek, well muscled English Pointer on point. Gorgeous! I was intrigued and started reading. I found myself thinking that maybe we should look into these pointing dogs. About six months later, Buck, a one year old, started English Pointer came to his new home. We weren't sure what to expect. The few pointing dogs we had experienced had not left the best impression. Buck did. He was friendlier and with more personality than any lab we had ever had. He came to us named Fireman, but seeing that my husband couldn't stomach yelling "Fireman" in the field, he became Buck. To our amazement, the training of Buck took far less time than we had invested into the labs. It was a new world in hunting.

Fast forward again a few years. A friend asked

Wayne “how good is Buck?” “He’s just my huntin’ dog, good enough for me,” was Wayne’s reply. The suggestion was given to try Buck in NSTRA. Their first trial was in August, in Wiggins Colorado, hosted by A-Plus Game Birds. It was a double/double. Wayne and Buck walked into the fields that weekend without knowing any of the rules and walked out with second and third place finishes. Not bad for a newbie and “just my huntin’ dog.” Wayne was hooked. I wasn’t there. I was working. At the next trial, I was there, not yet convinced, but there. Right away the Regional President, at the time Mike Weis, got me involved with doing the boards. I think it was a conspiracy between Mike and Wayne. See Mike knew this was the best way for me to learn the rules, meet the people and get involved. Wayne knew I would love it. They were right, it worked. I was hooked, and within a year we had two new English Pointer pups. My pup is not yet ready for competition, but she will be! I’m not going to let Wayne have all the fun without me!

Enter the family part. Our boys had gone with their dad to the first trial. We had expected that they would be the only kids there, because at our retriever trials one rarely saw kids. They were not the only kids. They had fun and they made friends. What boy wouldn't love mixing dogs, the presence of guns, game birds and ATVs with an ample amount of dirt and new friends, or for that matter, what girl? Yes, at the end of the day they often look like poor, orphaned street children, complete with torn clothes and dirt, especially our youngest Nick, but they have spent the day filled with friends, dogs and fun, surrounded by families and people who care, in the outdoors. How can it get any better for a kid?

We have been warmly welcomed and included in the Rocky Mountain Region by so many people. They've been friendly, helpful and inviting to our family. We've gotten help and advice from more people than we can count. Yes, we go to compete with our dogs, but we also go looking forward to seeing friends, catching up and talking dogs. The region occasionally has cookouts, potlucks and campfires for the kids when the venue allows. I was excited to see men and women, pros and amateurs, families, couples and singles of all ages and abilities competing and judging. I'm also pleased and impressed that NSTRA allows a way for the physically challenged hunter to compete through the ATV variance.

This spring Wayne and Buck finished in the top 16 in Waverly at the Performance Classic, but Buck is “just a huntin’ dog.” This summer, our oldest son Jared handled

Buck in a trial for the first time and while they didn't place, now Jared is hooked. Do you see a theme here? This is getting more expensive all the time, but we're happily caught! He's learning the rules, learning the dogs, looking forward to getting his own dog and being old enough to be a bird planter (couldn't have anything to do with driving the ATVs). Our youngest son Nick loves to collect the gently used, "but still alive Mom" quail, takes them home and tries to nurse them back to health. He's been pretty good at it too. He reluctantly gives them up for training sessions with the promise that more will be coming. He calls himself "the bird man."

See, this is infectious. It gets under your skin, in your blood and grows. It gets the whole family involved and becomes more than recreation. In this day of bombardment from TVs, cell phones, iPods, video games and a myriad of things to pull families apart, how grateful we are to have found something that helps to pull our family together. How grateful we are to have a group of people to spend time with that welcomes our whole family, doing something we are passionate about. A place where our kids can grow and learn about dogs, hunting and the

responsibility of conservation, from more than just their parents. As life speeds up and gets more complicated, pulling families apart, activities that draw families together will become more important. NSTRA easily lends itself to being a family activity while at the same time being serious competition.

I see NSTRA as more than a place to compete, promote your dogs and extend the hunting season. That may be how it started and what it is to some, but I believe it's much more than that. If we want NSTRA and certainly hunting to survive, if we want to maintain our national hunting heritage, we have to continually infuse new life into the sport. We have to take care of it. We need to pull in not only individuals but families and we need to work at making them welcome.

My family looks forward to every trial. I'm happy to be able to say that we have found a way to do what we are passionate about and do it with our boys. I don't know what other regions are like, but I'm glad to say that the Rocky Mountain Region lives up to NSTRA's statement that family involvement is NSTRA involvement. Thank you Rocky Mountain Region! ■

# RULE CHANGE BALLOT

The Board of Directors voted to send the following rule change to the membership for vote. Your response must be received in the office by January 16, 2012 in order to be counted.

## Bird Banding

It will be at the trial chairman's discretion to tag birds with colored tags prior to each day's trial to clearly identify birds as coming from one field or another. The intention to band birds will be clearly articulated to all entrants prior to the trial. Only birds pointed with the proper color tag will be counted for the given field tagged with that color tag. Any bird pointed which is not identified with the proper color tag will not be scored. Identification of the bird as good or bad for the field is done by the judge when the retrieve is completed and the bird is given to the judge.

Application: For trial grounds where there are fields which share a fence line, it will help identify birds that cross from the adjacent field.

## Bird Banding Rule Change

# NSTRA Youth Scholarship Fund

**A. NATURE OF AWARD:** National Shoot to Retrieve is offering a one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

**B. CRITERIA FOR SELECTION:**

- 1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information **MUST** be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

**C. STIPULATIONS:** The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

**D. PRESENTATION OF AWARD:** The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.

# Great Day, Great Dogs and a Greater Man

On October 23, the Iowa Gun Dog Association (IGDA) had their last trial for the 2011 trial season. The weather was almost perfect considering what you can run into during the month of October in Iowa. Temperatures were in the 60's with partly sunny skies. San Diego had nothing on Osceola, Iowa. Dog handlers, judges, marshalls, the gallery and even the bird handler had a good time. It's hard not to keep smiling when the dogs are finding birds. One guy's dogs REALLY found the birds.

After the trial, the trial Chairman, Charlie Strawn asked if I would do a write-up regarding Rod Phipps' dogs and how Rod is always willing to help out. At first, I was a bit reluctant. People that know me know I have been waving the "Rod Phipps" banner for years. I guess it is more like decades now. At times I think I should keep it under wraps a bit just so people don't have to hear the praises all the time. I decided, however, I should give credit where credit is due.

Rod had two dogs entered in the trial. A setter with the call name of "Chilly" or Phipps Cold Storage. Chilly is an A.I. product from Rod's "Gent" dog. If most of you think back, you will remember what Gent accomplished. Chilly earned a first place on the "B" field which gave her the championship she deserves. On the "A" field, Chilly received a second place. Rod's young setter "Desi", which is just one first placement away from her championship, received a first place on the "A" field. If you have ever seen Desi, you can tell she is something special. Desi is top-shelf.

I first met Rod when I was a young punk. Girls, pick-up trucks and football were the only things on my mind. I stumbled across his kennels when he had some of the best Labradors (yes, I said Labradors) in the Mid-West along with an older Brittany, and a young setter pup named Chance. Rod walked me down to the pond and showed me what a trained dog could do. I was hooked. I couldn't wait to get back to his kennel and his dog trainer's paradise. I was living a Sports Afield dream. Dogs and birds....birds and dogs.

Rod has "donated" so much to me over the years. One of my most prized possessions is a simple, two inch "Old Timer" pocket knife that Rod gave me (along with a \$20 bill). This was payment I received after taking care of his

dogs while he went on a brief vacation about 27 years ago. I don't carry the knife often just because I don't want to lose it. Every time I see it sitting in the drawer, I think back of how proud I was. I wasn't proud because I just received a brand new knife. I was proud and more importantly inspired because Rod trusted me with his dogs. Rod has that kind of influence on a person.

*Rod and his young setter Desi*

Fast forward to today. I am truly embarrassed to say, as a grown man I am still living under his wing. Unfortunately, I still have a way to go. Rod graciously gives me advice on dog training, dog care, dog psychology, and how to hunt birds. There are no books or DVDs available that could teach a person more. I have

learned so much sitting in the truck with Rod while waiting for the legal shooting hours. I have had unforgettable conversations with Rod while eating a cracker or venison jerky during a break from the hunt. Dogs are his passion and it is just plain fun to be around and talking with a person that is enjoying their "calling". I learned a long time ago to listen and hang onto each of his words. If they don't help you today, they will help tomorrow. This man's words have a value.

Rod's generosity goes beyond what he has given to me. He trains with anyone, including new members of IGDA that are basically strangers. Most of them realize the great opportunity they just received. Rod will spend his days mowing the trial grounds or picking up trees and brush with his personal equipment. One spring after a terrible winter, our normal grounds were beat down due to the crazy amount of snow we received. We ended up having a remarkable trial at Rod's place. Bev, Rod's wife, is always there with her smile and loving support. Rod and Bev's house remains open for out-of-towners to bunk up for the night during a trial. Bev will have raspberry muffins waiting for you in the morning and you are foolish if you pass them up.

Within today's society, we spend so much time beating people down or getting a bit up tight. I realize these kind words are probably too many in number for one person. It could be a bit embarrassing or hard to live up to. Rod would be the first one to mention that he has much support from the people that belong to IGDA and NSTRA. He realizes he is not alone. Rod, the day belonged to you. You are most deserving of your successes and the praises you receive. ■
