News From the Officers

Welcome to the New Year!

2012 is upon us and it's already beginning to look like a good year! The Quail Invitational in Florida is full of entries and we even had enough for a bye list. They are receiving some much needed rain in Texas and it's looking like the early year trials are filling better than last year.

As of December 31, our treasurer Garry Foster resigned his position. As you know, Garry came onboard in 2007 to fill a vacancy and served as Treasurer for over 5 years. Under his watch, the NSTRA coffers are looking better than ever and we would like to wish him well in his future ventures. Rumor has it that that a certain rumble of iron frequently calls his name!

In his place, the national officers have chosen a familiar face for the next 10 months. Frank Llano (previously National VP) of the Illinois region has graciously accepted to fill this position until a newly elected treasurer takes over in November.

Speaking of elections.....this year we will be electing the offices of President, First Vice President and Treasurer. The Nominating committee is as follows:

Chairman: John Griffiths (MI) 517-849-2503 johngmci@yahoo.com
Jack Glover (MSM) 573-338-0498 glover.jack3@gmail.com
or jack.glover@myfcsfinancial.com
Chuck Ludolph (MN) 507-220-4902 ludolph@frontier.com
Don Bowyer (VA) 540-874-4814
Gary Ramsey (SCR) 828-273-3616 ghramseydvm@yahoo.com

Some of the duties of the officers include attending the two meetings scheduled in the spring and fall during the trials at Amo, Indiana; chair one of the 5 National Trials; oversee the Regions assigned to them; and, carry out all duties as prescribed by the NSTRA constitution and by-laws. If you are interested in running for a National Office, please contact one of the above members prior to June 30 2012.

It has come to our attention that recently there has been an increasing amount of harassment directed toward our trial officials, particularly our judges. This is a situation that needs to stop immediately! Whether you agree with a judge's decision or not, there is never a valid reason to harass that person. There are avenues to pursue if you feel rules have been violated. Otherwise, accept the decision and hope that it works out better the next time. And to our officials, you do not have to "take" harassment. Obviously, trying to diffuse the situation is your best recourse; however, rule # 6.06 gives you an option if you feel you have exhausted all other means. Sometimes a warning is all that is needed.

Spring is just around the corner! Happy Trialing!

BALLOT

A rule change has been proposed to include the agreement with the United Kennel Club (UKC) to acquire the NSTRA dog registry. Currently the rule book reads as follows:

- 8.04 A dog must be eligible to be registered with a recognized registry to enter any NSTRA trial.
- a. NSTRA recognizes the NSTRA, AKC (no PAL/ILP registered dogs), FDSB, and CKC (Canadian Kennel Club) registries. However, regardless of which registry is used, the dog must be eligible to be registered in the NSTRA registry as a recognized pointing dog breed to be entered in any NSTRA trial.
 - b. Owners having dog registration pending will be responsible for completion of registration within (30) days of placement.
 - c. No placements will be recorded until the registration number is forwarded to the National Office (NSTRA, AKC [no PAL/ILP registered dogs], FDSB, CKC [Canadian Kennel Club]). After sixty (60) days, if no registration number has been received and/or verification that one exists, the placement will be void and all placements will be adjusted.
- 11.11 A dog must be eligible to be registered or be registered with a recognized registry to receive placement in any NSTRA trial and/or Region Elimination or National Championship Trial. NSTRA recognizes the NSTRA, AKC (**no PAL/ILP registered dogs**), FDSB, and CKC (Canadian Kennel Club) registries. However, regardless of which registry is used, the dog must be eligible to be registered in the NSTRA registry to be entered in any NSTRA trial. An owner having dog registration pending will be responsible for documenting all placements in accordance with the By-Laws and Rules. Without a recorded placement a dog will not be eligible to run in a Regional Elimination Trial.

21.01 REGISTRY:

A dog must be enrolled in a recognized breed or field dog registry, approved by the National Shoot-To-Retrieve Field Trial Association Inc, officers and Board of Directors to be awarded the certificate of champion. (NSTRA recognizes the NSTRA, AKC (**no PAL/ILP registered dogs**), FDSB and CKC (Canadian Kennel Club) registries. However, regardless of which registry is used, the dog must be eligible to be registered in the NSTRA registry as a recognized pointing dog breed to be entered in any NSTRA trial.)

The proposal is to change the above paragraphs (and any other references to the NSTRA registry) to read as follows:

- 8.04 A dog must be eligible to be registered with a recognized registry to enter any NSTRA trial.
- a. NSTRA recognizes the UKC, AKC (no PAL/ILP registered dogs), FDSB, and CKC (Canadian Kennel Club) registries. UKC and NSTRA

The United Kennel Club has proposed an affiliation with NSTRA to acquire the NSTRA registry. This will give NSTRA members the opportunity to have their dog's championship titles documented in the UKC registry. Any dog currently registered with NSTRA will be issued a UKC registration at no charge. Those dogs registered with UKC will have their NSTRA accomplishments recorded. This new agreement has been brought before the NSTRA Board of Directors and they have overwhelmingly accepted this proposal. In order to be able to launch this program in a timely fashion, NSTRA needs to be able to change its rule book to reflect the change in the registry. A ballot has been included in this magazine in order for the membership to vote on this change.

For more information on the United Kennel Club please visit their website at www.ukcdogs.com

If you have questions regarding this change, please contact your region president or national officer in charge of your region.

IN THE KNOW...

Spotlight Member:

We would like to feature some of our long time NSTRA members in the magazine. We would like for you to submit nominations for this. Like the longest running member in your region? The member who was key in starting or maintaining the region throughout the years. The member who is always helping out with the trials. Tell us what makes that person special.

Minimum Requirements for NSTRA Hall of Fame Nominations

1. A dog must be a 10 time champion and have won a regional elimination trial.
2. A dog must be at least a 5 time champion and placed in the final four during a NSTRA championship trial.

Important!

All entries to Championship trials will only be taken by telephone, email, fax and regular mail.

Important!

Only those persons qualified as a field marshal are to marshal trials. Also, all trials should have a qualified marshal at the field the entire length of the trial. Many trial reports are coming to the office with people listed as field marshals who in fact are only members.

DISCIPLINARY POLICY

“Effective September 1, 2007 all decisions of the NSTRA Board of Directors which result in any form of disciplinary action affecting any NSTRA member are required to be contained in the magazine next published after the disciplinary decision is rendered by the NSTRA Board of Directors. The information so published will be the name, membership number and region of the NSTRA member affected, along with the disciplinary action so levied by the NSTRA Board of Directors, and the time period governed by the NSTRA Board of Directors decision.”

Amateur Trials

The Amateur Trials are now listed on our website. If anyone had a placement which was listed as pending, please send the information to the office with the registration #, name, sire/dam, and whelp date to the office. Also, include the date of the trial and owner/handler.

Procedure for Change of Ownership

The NSTRA national office needs a copy of the new registration with the new owner's name, OR a copy of the front and back of the current registration, showing previous owner, and the signature on the back confirming transfer of ownership, submitted with a \$5.00 change of ownership fee. This applies only to dogs that have placed and are already in the database.

The date of change will be the date the above completed information is received in the NSTRA office.

Hall of Fame Nomination

In an effort to recognize and honor those deceased dogs which have contributed significantly to the ideals and goals as established under the original constitution and by-laws of NSTRA, we have devised the following plan. We feel this plan will take the politics out of our hall of fame endeavor and the most worthy dogs will be inducted each year.

Each dog will be rated according to his win history. Categories will include National Championship Wins, 1st, 2nd, and 3rd Runner-up National Championship placements, Number of NSTRA championships, Top Performance award, and Regional Wins.

The period for submitting a nomination will open on November 1 of each calendar year and close on April 1 of the following year. The nominations will then be given to the Hall of Fame committee and the win history on each nomination will be thoroughly checked and scored according to the following system with the 2 inductees being announced at the Dog of the Year trial in October.

The Hall of Fame committee will score the nominated dogs in the following manner; one point will be given for each win under each of the above categories in paragraph 2. For example, if a dog has won the dog of the year trial twice, he will be given 2 points under national championship wins.

If he was also a regional winner one time he will be given one point under regional wins. Understand, the preceding two categories, plus top performance award must be first place wins. Under 1st, 2nd, and 3rd runner-up National Championship placements one point will be given for 1st 2nd or 3rd placements. If a dog is a 12 time NSTRA champion, he will be given 12 points under number of NSTRA championships. When all the dogs have been scored in this manner on the worksheet, we will come back to each category giving the highest scoring dog under each category one point, the 2nd highest scoring dog 2 points and so on. In this manner, the dog with the lowest amount of points will be the first inducted dog with the 2nd lowest scoring dog being the 2nd inducted dog.

When appropriate, due to unusual circumstances, an additional dog may be inducted into the Hall of Fame by becoming the “board of directors pick.” This may be a dog who has not won under many of the above categories, but may have made significant contributions to NSTRA by other means, i.e. having sired an unusual amount of NSTRA Champions, winning numerous Regional Championships only to mention a few areas that the board of directors might deem Hall of Fame material.

In case of a 2-way tie for first, both dogs will automatically be inducted. If there should happen to be a tie for 2nd, the dog with the most 4th place wins will be the inductee.

Nominations of dogs to the NSTRA Hall of Fame are not “carried over” to following years should the dog not be elected in the year nominated. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

AR-LA I NORTH ARKANSAS QUAIL CLUB (NAQC)

1st, L. D. Moser, owner/handler with Sam; 2nd, Bo Nutt, handler with Cache; 3rd, Mike Newman, owner/handler with Shelby; 4th, Jerry Blankenship, owner/L. D. Moser, handler with Radar.

1st, Larry & Teresa Cook, Owners/Justin Crook, handler with Puddin Head; 2nd, Jerry Oswalt, owner/handler with Jake; 3rd, L. D. Moser, owner/handler with Maggie; 4th, Edward Boyd, owner/handler with Champ.

On December 17th, the North Arkansas Quail Club (NAQC) had their first NSTRA event. It was a frosty morning but everyone had a smile and an excited look in their eye. We were all anxious for our maiden voyage into NSTRA.

At 8:00am with dogs ready, birds planted and judges Donny Parker and Robert Tipton loaded in their rangers, Chairman L.D. Moser gave the go! The first brace of the day was underway. We were getting our first taste of hosting a NSTRA event.

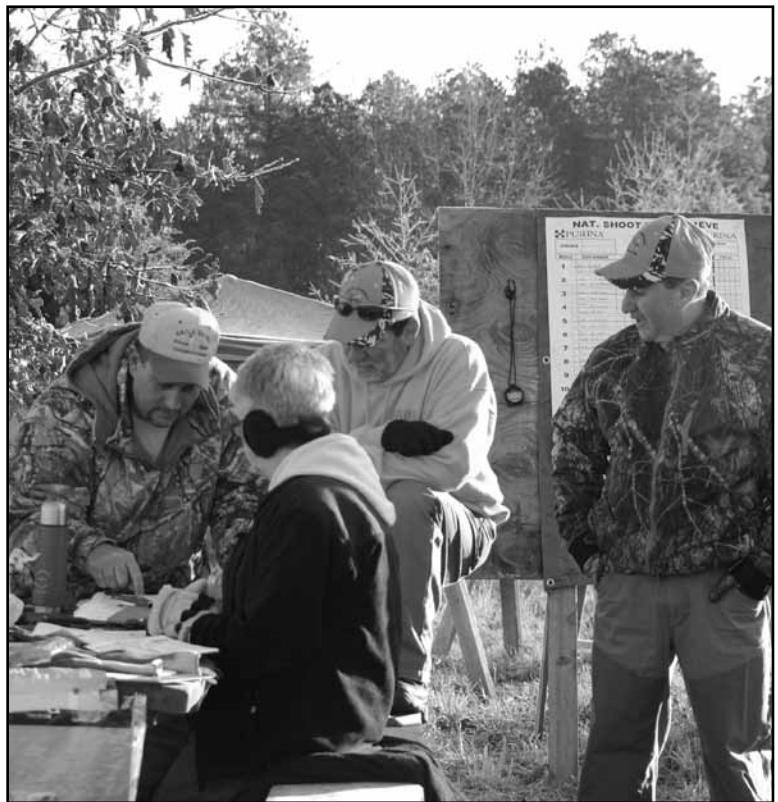

It was quite an honor to attract seasoned NSTRA competitors such as Robert Franks, Jerry Oswalt, Mike Newman, Justin Crook and others. They, along with the judges were very helpful and happy to answer many questions. Adding up points was a challenge, but Kevin Scribner stepped up to the plate with the help of Bo Nutt, our Ark-La Region President. Judges Donny Parker and Robert Tipton invited those of us new to the world of NSTRA to ride along with them and get some needed help with rules.

L.D. Moser, chairman of the event, had an organized crew and things ran very smoothly. Ann Moser covered the entry table while Annette Scribner delivered a great lunch from Franklin Store. Our president, Kelly Batterton was everywhere making sure all went off without a hitch.

It all paid off as we had a wonderful and successful day. Our next NSTRA event is in February and we are looking forward to it. Thank you to all who competed and to all who helped.

This is the first year for NAQC and we couldn't be more excited. Please visit our website: www.northarkquailclub.com for more information and trial dates.

Member Information

Dear fellow member:

During the past few weeks the National Officers have been engaged in discussions about how to provide the membership at large with opportunities to participate in national trials as officials in the capacity of judges, field marshals and bird planters.

This discussion is always tempered by our desire to maintain the highest quality standards possible as we seek to expand the pool of eligible individuals who can offer their expertise to the organization. To this end, we have established minimum criteria that will allow individual members to submit their names for the consideration of the National Officers to serve as trial officials.

CRITERIA FOR JUDGES

___ Must have a judges' license for a minimum of four years and have judged at least 25 trials. Should also have judged trials outside their own region and preferably judged at the regional level;

___ Show evidence that the individual stays current with the rules by having participated in local judging seminars within the last year;

___ Should be available to serve as a judge when called;

___ Must show evidence of involvement in their local region by participating in trials handling dogs and judging;

___ Must be endorsed by the local regional board.

CRITERIA FOR FIELD MARSHALS

___ Must have experience by having served in a minimum of 20 local trials as a field marshal and have the required field marshal certification as stated in the Rules;

___ Regional board of directors must certify that the individual has attended local seminars and is knowledgeable in the rules.

CRITERIA FOR BIRD PLANTERS

___ Experience planting birds in local and regional trials as certified by the Regional board of directors;

___ Support their local region in other activities besides bird planting, for example: judging trials, handling dogs or chairing trials.

It is the intention of the National Officers to select trial officials from within a geographic location of the country within reasonable proximity to the trial site, and as such provide more opportunities for members to participate as national officials, while at the same time attempting reduce the costs that may be incurred by bringing in trial officials who live far away from the national trial sites.

If you are interested in being selected to serve as a national trial official, we ask that you submit to our office a letter indicating your interest and delineating you experience and qualifications. This information should be accompanied by a letter of recommendation from your regional board supporting your application. We strongly believe that NSTRA belongs to all its members, and offering this opportunity to serve in this capacity is an excellent way to have more members become true stakeholders in our organization. As always, we remain committed to serving you, and ask that you contact the national officer assigned to your region if you should have any questions about this letter or any other issue of interest to you.

Sincerely yours,
Your National Officers

NSTRA REMEMBERS *Sharset's Ace's Duke*

8/1999 – 11/2011

How do you begin to say good bye or write about a beloved friend, buddy, confidant, traveling co-pilot, or your constant companion? That's what Duke was to me, especially after his "Dad" left us far too soon. I could talk, cry, get mad, laugh, and Duke would always be there to console me. He'd always welcomed me home and protected me and the house so I always felt safe; at night we'd share popcorn and watch a movie.

Unfortunately, the big "C" has taken yet another one of my loved ones from me. Duke broke his hip and during x-raying a mass was discovered in the hip where it broke so I had to put him to sleep. I held him until he had gone on his way to be with Bruce and the rest of our dog family who were waiting for him on the other side to welcome him and show him where all of the great hunting spots were.

Duke was 12+ years old sired by Mohawk's Spike and Sharset's Rowdy Reba. Duke had a full life, always a happy dog, loved to hunt (sometimes where Dad didn't want to hunt) but he was beautiful on point and a perfectly marked tri-color setter. Dana Walker always said he looked like he had his pajamas on. Duke was a 2X NSTRA champion, (needing

5 points for his 3X), a great a bird finder and oh boy, did he love to retrieve. After Bruce passed on, Ariel Alvarez handled Duke and finished out his 2X championship with placements from February 2009 – April 2010 adding 12 points on him and finishing runner up in the 2009 Florida Regional when he was almost 10+ years old. He was the AARP representative in the regional that year, figuring he would make one or maybe two cuts, and surprised the heck out of us. We kept him going with pink Gatorade and some of Betty Harrell's great cake between each run; he looked really cute with his pink lips. That was Duke's second regional placement.

In the past months he slowed down considerably but he still loved to go to the club. He ran his last trial when we needed a dog this past September and he even found a couple of birds before he decided that it was enough and he was done; he saw the breakaway point and headed for the car and his crate.

Duker's, I miss you every day, but have fun hunting those big ole quail and we'll be together again someday when I can scratch your ears and belly, and then cuddle up with you. ■

SPOTLIGHT MEMBER

Charles Leroy Nichols

August 4, 1936 - October 4, 2011

Charlie Nichols never met a man he didn't like or who didn't like him. He was a people person who had a personality that drew others to him. Always unassuming, he was a worker who would give the ultimate credit for a completed task to others.

A retired self-employed businessman, having owned Nichols Exxon for thirty years, he was a familiar face and friend to many in Monticello, Arkansas. He leaves behind a wife of fifty-three years, Charlsie Louine Nichols and three sons.

Charlie had a gift that many trialers do not have, the gift of keen sight and hearing. He could see and hear birds in the field that others would walk by. This helped Charlie have an edge in trials which would give his very good dogs a winning edge. Among his fine dogs two stand out, Nick's Willie Poe and Nick's T.C.

Nick's Willie Poe was a 3x Champion placing second in 1987 and fourth in 1989 in the Arkansas/Louisiana Region Elimination Championship. His greatest accomplishment was a second place finish in the 1989 Dog of the Year Trial in Amo getting beat in the finals by the great Tricky Dick, 1260 to 1069, in a brace that is still talked about.

Nick's T.C. was a very intelligent setter. He knew just where and when to find a bird for Charlie. He amassed 103 points in his career winning the Arkansas Louisiana Region Elimination Championship in 1995 and placing third in 1992 and fourth in 1996. He also won a qualifying round in the 1995 Dog of the Year trial and placed in a qualifying round in the 1995 Quail Invitational.

The field north of Monticello is named in his honor, for helping find this fine venue and for the many hours of work in getting the grounds ready for trials. Many people come and go in this would, but few have the respect and can do attitude of Charlie Nichols. He will be greatly missed by his family and friends.

2011 NATIONAL DOG OF YEAR CHAMPIONSHIP

As fall comes to Central Indiana each year so also do dogs and handlers from throughout the United States and Canada for the annual Dog of the Year National Championship. This was the 42nd running of the National Shoot to Retrieve "Cinderella" trial held in Amo, Indiana each year. "Cinderella" because chances are one placement in a weekend trial can bring you to this National Championship. And that has happened more than once. Entrants are accepted as to how they finished in their regional elimination or in some cases, how they placed in the high-point race within their region.

The Conservation Birddog Club northwest of Amo, was the site for the trial and as always, the fields were groomed to perfection and all was ready for the championship event. A 4-day pretrial was held on Saturday thru Tuesday with Wayne Fishburn serving as chairman of this phenomenal event. Three fields ran on Saturday and Sunday with 2 fields on Monday and Tuesday. Those participating were given braces on the field they would run during the week following, therefore it was a great way to earn a placement plus practice time for the National Trial.

The Chairman for the DOY trial was Garry Foster with J.R.Coke serving as Co-Chairman. The trial officials were selected from the National Judges/Field Marshal Roster and were as follows: Donny Parker, AR (208 trials judged); Frank Llano, IL (111 trials); Shelley Dunn, KY (500 trials); Jim Kroeschel, IL (160 trials); Ron Huels, IL: (116 trials) and Lonnie Jones, MSM (23 trials). Marshalling the event was Cookie Anderson, NI; Mary Kay Kunza, MSM; and Nina Harmon, KY. Bird handlers were Cody Harmon, KY and Ron Becker, IL. All trial officials did a great job and are to be commended for their time and effort. Many of these people use their vacation time from work to officiate at these championship events and we appreciate their dedication to our sport. Breakfast was served early Wednesday morning and Garry met with all trial officials to give final instructions as to safety areas and field assignments before the 7:30 starting time. Due to darkness, the trial did not start until approximately 8:15 each morning as time was needed to clean the fields. Thanks to all those who helped keep the playing field fair by cleaning the fields early each morning.

Judging A field was Donny and Frank with Mary Kay proceeding with field marshalling duties. Ron would handle the birds for A & B fields. When all was in place, Ron made his way into A field to place the 6 birds for the first brace throughout the field. The results were as follows with the top 16 scoring dogs being held over for another elimination round on Friday:

As always, we are served great meals prepared by members of the Conservation Birddog Club overseen by Sharon Vanarsdale and this year was no different. On Wednesday evening, the birddog club hosted a complimentary spaghetti dinner for handlers and families. Michelle Parient prepared the spaghetti and was aided by several other members. Conservation Birddog Club President, Jim McAdams and wife, Bev were also on hand helping with the meal. The spaghetti was delicious and is always a welcomed treat after the first day's trialing. Immediately following the dinner was the bi-yearly Board of Directors meeting which was held at the club. It is during this time that business is conducted by the National Board and region representatives from the regions represented. This year there were 23 directors in attendance.

Thursday dawned with a few sprinkles, but nothing of significance. Trial officials rotated with Lonnie, Ron and Nina on A field. The following dogs were scored:

This completed the first round of elimination with 96 dogs being held over for Friday's running. As the field cleaners made their way to various fields, the computer draw program was being updated for Friday's draw. Upon completion of the draw, the runs were posted and the invocation was given by Donald Bowyer for our banquet meal. And a fine meal it was. Catered by Jug's Catering Service, we were served fried chicken, catfish, fried rolls with apple butter and all the fixings to a wonderful meal. Desserts were prepared by our own Julia Herwehe and they were delicious. Where she finds time to do this with DOY week going on, one only knows, but they were fabulous and our thanks go out to Julia for her desserts and setting up the banquet. After the luscious meal, we made our way into the main room of the clubhouse for the awards ceremony and silent auction for the scholarship program.

President, Joe Jackson, welcomed all to the banquet and especially expressed our thanks to the Conservation Birddog Club for all their hard work and time spent. Club President, Jim McAdams was on hand each day making sure there was gas for the 4-wheelers, birds in the pen, you name it – Jim was there. Many thanks to him for his dedication to the club and the championship trials held in Amo. Joe introduced the National Officers and Office Personnel as well as Past Presidents – Tom Burks, Jim Mahoney, Bob Cunningham and Wes Barr.

The sponsors in attendance were Mike Witt – Purina; Bob Sass – Tri-Tronics; Dion Bliss – Red Haw Supply and Bob Bertram – Dog Portraits of Distinction. The 2010 Dog of the Year Ring was presented to Chris Mullins for his win at the 2010 DOY trial along with the Bob Bertram presentation – 2010 Portrait of the Dog of the Year Winner. Marilyn Cunningham presented Jeff Gamble a portrait of Quail Ridge Ranger – winner of the 2011 NSTRA Performance Classic. This portrait is a penciled drawing by Steve Kyles – Wildlife Artist from Odum, GA.

2011 Top Performance belt buckles were presented to: 1st – Wes Barr & Greg Wood – Tomoka's Smokin J.R. – 77 points 2nd – Adam Fellers – Premier's Fancy Trail Blazer – 69 points; 3rd – Tom Rotundo – Last Dance Lily; and 4th – Chad Calicott – Blaze's Black Magic – 64 points.

Two dogs were initiated into the NSTRA Hall of Fame – Burchel’s Dutchman – Scott Townsend & Roy Burchel and Crosswind Truckin Fritz – Scott Townsend. Scott was on hand to accept these awards.

Frank Llano presented the scholarship awards and are as follows: \$2,500 to Karli Schwimley, MSM Region; \$1,500 to Josh Martin – Lone Star Region; and \$1,000 to Chris Mullins – MS Region.

The trophies for Wednesday and Thursday’s running were read by Garry and presented by each field marshal for their respective fields. Thanks again to everyone who had a part in making the banquet a special event. A silent auction was held and another \$500 would be earmarked for the scholarship program.

Friday dawn with cool temperatures, a slight wind, but no rain. After the fields were cleaned, the trial officials once again changed fields and the running with the top 8 from each field follows:

Jim, Shelley, and Cookie were on A field with Cody handling the birds.

After the final brace of the day, the field marshals made their way to the clubhouse with their final scores. Upon deletion of the 72 dogs that did not advance, the Top 24 were left for Saturday’s draw. The trial was drawn, printed and handed out to the advancing handlers. Garry then announced that the winners of Friday’s trial would be presented. The field marshals from their respective fields presented the trophies to the top 3 from each field. As nothing was planned for the evening, everyone was on their own with many going to the Coachman in Plainfield, and the Clayton Café for catfish. We again asked our field cleaners to be on the field at daylight with the trial starting when all fields were cleaned.

Saturday A field with Frank, Donny and Mary Kay follows with the top 2 from each field advancing to three ½ hour braces in A field.

As field cleaners once again descended on A field, the draw was held for the three braces which would run after a short rest for all. The six handlers, trial officials, and sponsors who were in attendance were asked to come to the blind as Ron placed the birds throughout the field. Ron and Jim would judge these three braces and the running follows:

| | | | | |

The final brace gave us our final one hour participants – Jihad with Scotty Bruer and Bubba with Bobby Wheat. While the A and B fields were once again cleaned, both handlers and dogs had a well deserved rest. Lunch was being served in the clubhouse and the birdclub club also held its shot-

gun raffle; the winner of the shotgun was Jim Marks. The fence between the fields had been opened allowing handlers to go between A and B field with ease. After several "good luck" handshakes, all was ready for the Final One Hour Brace. Ron placed 10 birds in the field and Mary Kay called the handlers and Judges, Donny and Frank to the starting line at approximately 1:30 p.m. The weather was great although scenting conditions left a lot to be desired. However, at the end of the hour, we had a new National Champion – Clown's Icing on the Cake (Jihad), owned and handled by Scotty Bruer. Jihad scored on 3 finds – 82, 86, 83; 3 retrieves – 87, 87, 87; Obedience – 61.5; and Ground Coverage – 77.5 totaling 651 points. The first runner-up – Wheat Bubba Ringo scored 86 on the find, 82 – retrieve; ground coverage – 81.5; and back – 60 totaling 371.5 points.

Our heart-felt congratulations go out to Scotty and Jihad for a terrific job.

And again, as always, thanks to all our sponsors, trial officials, Conservation Birddog Club, Jim McAdams, Chairman and Co-Chairman, and office personnel for making this trial a fun time for all. It takes all of us to do a trial of this magnitude and without all the help available, it just wouldn't be possible. It was good to see Janet Love, who suffered a stroke early in the summer and Ron Robertson, who had knee surgery, up and around and able to visit with us. As always Ed Rader and Tom Burks were around and Wilbur Shortridge and Dwight Eaton also paid us a short visit. It's always great to see these people who all played such an important part in the evolution of NSTRA.

Speaking of the history of NSTRA, let's take a look at the listing of previous DOY winners:

Bringing back memories????

Of note, four of the guys that made it to the Saturday morning braces were from the same county (Coweta County) in Georgia. Bill Minton, Bill Millians, Terry Ransone, and Bobby Wheat all live within 30 to 40 miles of each other. Great job from the Alabama boys. Also, it was good to have Billy Richardson and his wife, Kathy, all the way from Goldendale, Washington. That WAS a long trip.

Take care, be safe and happy trialing until we meet again.

NSTRA Youth Scholarship Fund

A. NATURE OF AWARD: National Shoot to Retrieve is offering a one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

B. CRITERIA FOR SELECTION:

- 1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information MUST be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

C. STIPULATIONS: The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

D. PRESENTATION OF AWARD: The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.

"A working dog's worst enemy is dehydration.

If my dogs are dehydrated, they can't go to work. And we're on the road 70,000 miles each year. I worked out a plan with my veterinarian. Now I keep my dogs on FortiFlora® until we're back home."

— *George Hickox*

Bird dog trainer and guide George Hickox has a passion for upland hunting. He has trained and campaigned National High Point Champions, Field Champions, and has garnered over 100 field trial placements.
