News From the Officers

Wow! The last two months have been busy! Of course, the Trial of Champions held in Amo in April was an exciting time. We had (mostly) beautiful weather and everyone had a great time. See the center section for results and pictures. Congratulations to Ted Cook (owner) and David Deaton (handler) of Peaches River Dan, winner of the 2012 Trial of Champions from the Kentucky Region!

*We would like to announce our new partnership with the **United Kennel Club (UKC)**. See page 91 for the press release and check out our website (nstra.org) for information and forms for registering your dogs. We will no longer be registering NSTRA dogs but the UKC registration will include your dog's NSTRA championship information. All dogs currently registered with NSTRA will be issued UKC registrations at no charge. In addition, UKC agreed to sponsor the Performance Classic in Waverly, NE this year. We will post more information on our website as this process develops.

*We had lots of positive feedback on our **real time national trial reporting** that was tested during the Dog of the Year trial in Amo in 2010. We have decided to go ahead with that process and do some work redesigning our website. Hopefully, all the changes will be in place and active by the Dog of the Year this year. Again, keep watching our website for news and changes.

*Some changes had been adopted in the **National Trial procedures** and they are as follows: Late entries of bye dogs for a National Championship Trial will be accepted in the office up until close of business (5:00 pm Eastern) on the Monday prior to the start date of the trial. No e-mails or telephone messages will be accepted. You must call the office and talk to someone. ALL late entries (after the initial entry deadline) will be charged \$25 extra per entry. Also, the new points earned deadline for the Performance Classic will be moved from February 28 to March 31. This means the qualification period for the 2013 trial will be 13 months (March 1, 2012 through March 31, 2013) instead of 12. In 2014 the period will return to 12 months (April 1, 2013 through March 31, 2014). This was changed to accommodate more spring trials where dogs have the opportunity to place and qualify.

*The policy for **dog ownership changes** has been revised. We will no longer be charging the \$5 fee for ownership change. We will no longer accept signed transfers as proof of ownership change. You must submit a copy of dog's papers in the new owner's name(s) to make the change. We will use the transfer date on the front of the papers as the date of ownership change. In the case of purchases immediately prior to a regional elimination, we will accept a copy of the signed transfer, **pending** receipt of the new papers showing the change of ownership.

*The **contract for clothing** bearing the NSTRA logo with Dion Bliss of Redhaw Supply is going to continue with some changes. Dion will furnish NSTRA logo apparel for the Dog of the Year and Trial of Champions. He has first right of refusal for all the other national trials. He will continue with the magazine orders and the hats for national trials. If he chooses not to go to a national trial, the region will have the first opportunity to sell NSTRA logo apparel. If the region chooses not to sell the apparel, then a private individual may have the opportunity with approval from the National Officers. Dion will work with Scott Townsend to develop a merchandising program to offer various items to the regions for purchase. These items will be offered at wholesale pricing plus 15%. This 15% is the fee that is given to NSTRA for the use of its logo. In lieu of buying the products from Dion, a region may choose to use its own clothing vendor. If a region chooses to use their own vendor, they will pay NSTRA \$100 for the use of the logo. Individuals will pay \$200. These fees are per event and

no commission will be owed to NSTRA. This will apply to sales not only at national trials but for regionally supplied clothing at an event as well, whether it be presented as awards or offered for sale to members. There is no fee involved if the clothing doesn't bear the NSTRA logo. All regions and individuals selling merchandise will be responsible for collecting and reporting all applicable sales tax.

We realize that the policing of the former policy was nearly impossible and that NSTRA was suffering because of it. We also realize that many regions have individuals and companies that they prefer to work with for apparel. This new procedure should work to make it fair for everyone involved.

*There was a noticeable improvement in the **language** used at the Trial of Champions. Even if people would slip up there were apologies given and promises to do better. That means that the word is getting out but this isn't a done deal. Everyone needs to recognize that this is a problem that they need to address personally. Keep working at it and we will keep reminding you.

*The Central Florida Field Trialers have again been awarded the **Quail Invitational** for the 2013 and 2014 trials.

*The ATV Guidelines have been revised to include the following statement, "Handler shall not stand on any part of the ATV, at any time, for any reason, while handling a dog." This is **effective immediately**.

Whew! Told you we've been busy!

UNITED KENNEL CLUB AND NATIONAL SHOOT-TO-RETRIEVE JOIN FORCES

*National Shoot-to-Retrieve
Association President Joe
"Butch" Jackson and United
Kennel Club, Inc. President
Wayne Cavanaugh*

*National Shoot-to-Retrieve
Association Vice President
Scott Townsend and United
Kennel Club, Inc. President
Wayne Cavanaugh*

Kalamazoo, Michigan – United Kennel Club, Inc. President Wayne Cavanaugh and National Shoot-to-Retrieve Association President Joe “Butch” Jackson signed an agreement this week to affiliate the two well respected organizations. As a result, UKC will now officially recognize NSTRA Champion titles on UKC Pedigrees and will issue Championship degrees to the owners of those dogs earning a title. Additionally, those dogs previously registered by NSTRA will now be officially registered with UKC. United Kennel Club’s V.P. of Hunting Programs, Todd Kellam, had this to say, “This is one of those situations where everyone wins. We are so happy to be working with such an established and well-respected pointing dog program as NSTRA”.

The National Shoot-to-Retrieve Association was founded in 1978 and has grown to include 30 NSTRA Regions and members in the lower 48 States and Canada. They were most currently not affiliated with a National Registry. “This is a huge step for us in recognizing both, the abilities of some very talented bird dogs, and, the efforts and dedication

of a great group of gun dog enthusiasts”, said NSTRA V.P. Scott Townsend.

The NSTRA format is a welcome addition to the growing pointing dog program at United Kennel Club. By aligning their organization with UKC, NSTRA joins the United Field Trialers Association (UFTA) and UKC’s own Continental Field Trial Format as programs whose titles are recognized by United Kennel Club. The future looks bright for those who enjoy running pointing dogs!

Established in 1898, the United Kennel Club is the largest all-breed performance-dog registry in the world, registering dogs from all 50 states and 25 foreign countries. More than 60 percent of its 15,000 annually licensed events are tests of hunting ability, training and instinct. United Kennel Club prides itself on its family-oriented, friendly, educational events. NSTRA AND NSTRA CLUBS ARE NOT RESPONSIBLE FOR ACCIDENTS DURING TRIALS!

IN THE KNOW...

Spotlight Member:

We would like to feature some of our long time NSTRA members in the magazine. We would like for you to submit nominations for this. Like the longest running member in your region? The member who was key in starting or maintaining the region throughout the years. The member who is always helping out with the trials. Tell us what makes that person special.

Minimum Requirements for NSTRA Hall of Fame Nominations

1. A dog must be a 10 time champion and have won a regional elimination trial.
2. A dog must be at least a 5 time champion and placed in the final four during a NSTRA championship trial.

Important!

All entries to Championship trials will only be taken by telephone, email, fax and regular mail.

Important!

Only those persons qualified as a field marshal are to marshal trials. Also, all trials should have a qualified marshal at the field the entire length of the trial. Many trial reports are coming to the office with people listed as field marshals who in fact are only members.

DISCIPLINARY POLICY

“Effective September 1, 2007 all decisions of the NSTRA Board of Directors which result in any form of disciplinary action affecting any NSTRA member are required to be contained in the magazine next published after the disciplinary decision is rendered by the NSTRA Board of Directors. The information so published will be the name, membership number and region of the NSTRA member affected, along with the disciplinary action so levied by the NSTRA Board of Directors, and the time period governed by the NSTRA Board of Directors decision.”

Amateur Trials

The Amateur Trials are now listed on our website. If anyone had a placement which was listed as pending, please send the information to the office with the registration #, name, sire/dam, and whelp date to the office. Also, include the date of the trial and owner/handler.

Procedure for Change of Ownership

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

Hall of Fame Nomination

In an effort to recognize and honor those deceased dogs which have contributed significantly to the ideals and goals as established under the original constitution and by-laws of NSTRA, we have devised the following plan. We feel this plan will take the politics out of our hall of fame endeavor and the most worthy dogs will be inducted each year.

Each dog will be rated according to his win history. Categories will include National Championship Wins, 1st, 2nd, and 3rd Runner-up National Championship placements, Number of NSTRA championships, Top Performance award, and Regional Wins.

The period for submitting a nomination will open on November 1 of each calendar year and close on March 31 of the following year. The nominations will then be given to the Hall of Fame committee and the win history on each nomination will be thoroughly checked and scored according to the following system with the 2 inductees being announced at the Dog of the Year trial in October.

The Hall of Fame committee will score the nominated dogs in the following manner; one point will be given for each win under each of the above categories in paragraph 2. For example, if a dog has won the dog of the year trial twice, he will be given 2 points under national championship wins.

If he was also a regional winner one time he will be given one point under regional wins. Understand, the preceding two categories, plus top performance award must be first place wins. Under 1st, 2nd, and 3rd runner-up National Championship placements one point will given for 1st 2nd or 3rd placements. If a dog is a 12 time NSTRA champion, he will be given 12 points under number of NSTRA championships. When all the dogs have been scored in this manner on the worksheet, we will come back to each category giving the highest scoring dog under each category one point, the 2nd highest scoring dog 2 points and so on. In this manner, the dog with the lowest amount of points will be the first inducted dog with the 2nd lowest scoring dog being the 2nd inducted dog.

When appropriate, due to unusual circumstances, an additional dog may be inducted into the Hall of Fame by becoming the “board of directors pick.” This may be a dog who has not won under many of the above categories, but may have made significant contributions to NSTRA by other means, i.e. having sired an unusual amount of NSTRA Champions, winning numerous Regional Championships only to mention a few areas that the board of directors might deem Hall of Fame material.

In case of a 2-way tie for first, both dogs will automatically be inducted. If there should happen to be a tie for 2nd, the dog with the most 4th place wins will be the inductee.

Nominations of dogs to the NSTRA Hall of Fame are not “carried over” to following years should the dog not be elected in the year nominated. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

MID-NORTH I

Hello all,

We just had our first trial of the year, a challenge with the Big Sky region. It was wonderful, full fields and great people. If you missed it, it will be hard to duplicate.

What I want to share though, are these pictures and a couple of thoughts of some friends we have made from NSTRA.

Craig Kirsch and his 2 girls. They came last year and Craig brought 1 daughter Klaire and this year he brought his youngest also Karsen. NSTRA is all about the dogs, but also friends and family.

These photos are what NSTRA should be all about. This is what will make our organization strong again.

Please remember these photos when you walk out of a field not happy about a judge's call, or something your dog or you did wrong.

I want to thank Mike Jepsen and his family. We have a great group of leaders in place let's support them and get NSTRA going again. It is up to us.

Three Rivers Bird Dog Club, in Fairborn, Ohio had a great trial on April 14th and 15th, 2012. The trial was chaired by one of our great members, Cephus Hogan. The trial started off a little soggy, with rain on Saturday, but we finished up with a warm, sunny day, on Sunday. The scent conditions on Saturday, with all the rain, threw some veteran dogs off, but there were some dogs who were able to find just enough birds to place. Below are the results from Saturday and Sunday:

GC, LS, OK, WT QUAD REGION CHALLENGE I

March 3rd and 4th the West Texas, Lone Star, Gulf Coast, and Oklahoma NSTRA Regions got together for the first ever Quad Region Challenge at the Lubbock Bird Dog Club in Shallowater, Texas. All my life I have heard Chicago referred to as the Windy City. I always wondered that if the person who nicknamed it would have ever traveled to the high plains of Texas that they would have given that name to Lubbock, Texas instead. Cold or hot, the wind and dirt is always blowing giving a definite advantage to the dogs that live and hunt in the extreme climate conditions. With that being said West Texas took the lead in the challenge on Saturday and increased it on Sunday, never to trail another region. Gulf Coast came in second, Lone Star third, and Oklahoma fourth.

We had a great turn out with the top 8 dogs entered from each region and each dog running two fields. We also had a third field for any dog and handler that was not qualified for the challenge to join in on the fun. This is a team event with each dog running against a dog outside their own region. With a lot of friendly banter and kidding going on you would find yourself rooting for one of your biggest rivals in your own region. But in the end it was a great time for bird dog lovers who normally do not get a chance to get together and renew old friendships and also make new ones.

At the end of the day Saturday everyone was watching their own totals for the day since we were giving a trophy buckle to the high point dog and plaques to the second, third, and fourth places. When the day was over we all met in Lubbock to eat dinner and give out the days awards. Sassy handled by Jamisen Hancock and owned by Jamisen and Wes Barr was in the lead (West Texas). Emma handled by Rob Martin owned by Tom Paulus was in second (Lone Star). Mallory handled by Kris Sparks owned by Scott Thomas was in third (Gulf Coast). Bitsy owned and handled by myself was in fourth (West Texas). By the end of trial Sassy had dominated the weekend with two first places and one second place, a great weekend at any trial much less one with dogs of this caliber. Jamisen took home the trophy buckle. Emma stayed in second place consistently having good runs continuing her great season. Charging back to take third place was Jagerin handled and owned by Orin Ozias (Gulf Coast). A dog we all know and dread to draw JR handled and owned by Wes Barr and Greg Wood came in fourth (West Texas).

Holding a trial of this magnitude is a large undertaking and I would like to thank any and everyone who had a hand in it. So until next year when the Quad Region Challenge will be hosted by the Lone Star Region, the West Texas boys will be hoping for a repeat. But most of all we will be looking forward to another great time and great fellowship.

Floyd Williams

Floyd Williams is one of the longest members of the Ohio region and Three Rivers Bird Dog Club. Floyd is from Huber Heights Ohio and has been a member for over 30 years. He has held many positions in the club from bird planter, to judge, field marshal, trial chairman and treasurer. He was treasurer for the Ohio region and Three Rivers close to 15 years.

Floyd retired from Chrysler Corporation, in Dayton Ohio. On many a day Floyd would work his day job and then come to the trial grounds to compete or to pick up his paperwork for the treasurer position.

Floyd has trained many dogs in those 30 years. Not only has he trained his dogs but many of the other members dogs as well. Floyd is one of the members people go to when they have a training problem or questions. If you have a dog not training as it should, there is a very good chance Floyd will know what to do.

If you get a chance to enter a trial in the Ohio region and especially Three Rivers Bird Dog Club, chances are you will meet Floyd. He will be the one in the clubhouse telling stories and welcoming everyone who comes in. ■

Member Information

Dear fellow member:

During the past few weeks the National Officers have been engaged in discussions about how to provide the membership at large with opportunities to participate in national trials as officials in the capacity of judges, field marshals and bird planters.

This discussion is always tempered by our desire to maintain the highest quality standards possible as we seek to expand the pool of eligible individuals who can offer their expertise to the organization. To this end, we have established minimum criteria that will allow individual members to submit their names for the consideration of the National Officers to serve as trial officials.

CRITERIA FOR JUDGES

___ Must have a judges' license for a minimum of four years and have judged at least 25 trials. Should also have judged trials outside their own region and preferably judged at the regional level;

___ Show evidence that the individual stays current with the rules by having participated in local judging seminars within the last year;

___ Should be available to serve as a judge when called;

___ Must show evidence of involvement in their local region by participating in trials handling dogs and judging;

___ Must be endorsed by the local regional board.

CRITERIA FOR FIELD MARSHALS

___ Must have experience by having served in a minimum of 20 local trials as a field marshal and have the required field marshal certification as stated in the Rules;

___ Regional board of directors must certify that the individual has attended local seminars and is knowledgeable in the rules.

CRITERIA FOR BIRD PLANTERS

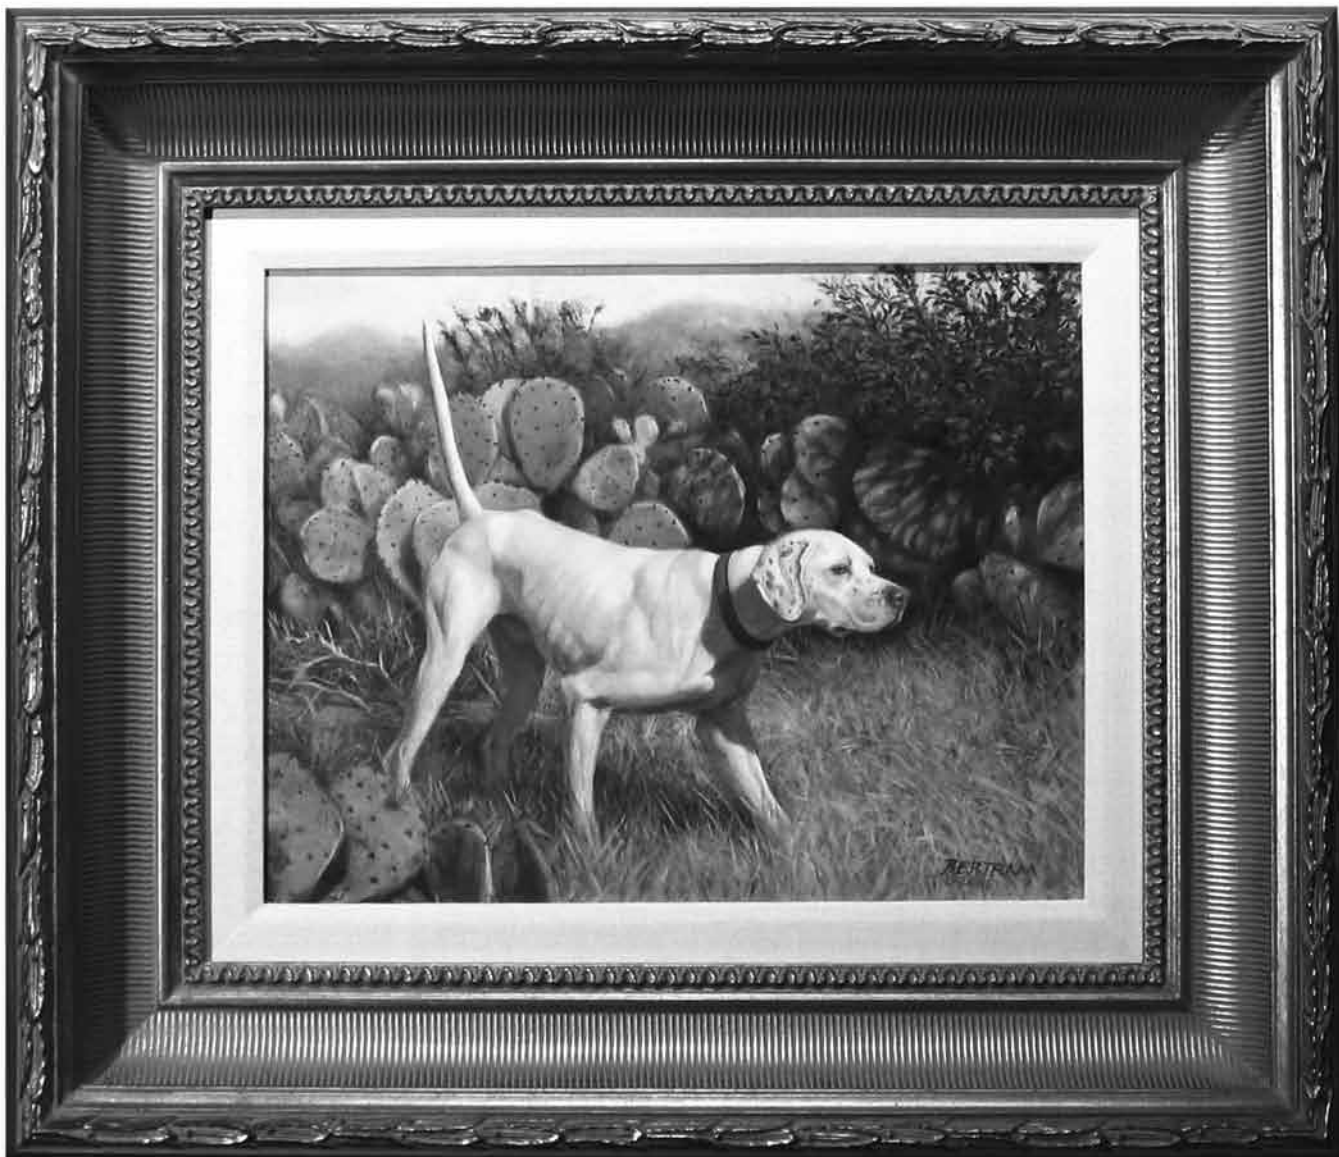

___ Experience planting birds in local and regional trials as certified by the Regional board of directors;

___ Support their local region in other activities besides bird planting, for example: judging trials, handling dogs or chairing trials.

It is the intention of the National Officers to select trial officials from within a geographic location of the country within reasonable proximity to the trial site, and as such provide more opportunities for members to participate as national officials, while at the same time attempting reduce the costs that may be incurred by bringing in trial officials who live far away from the national trial sites.

If you are interested in being selected to serve as a national trial official, we ask that you submit to our office a letter indicating your interest and delineating you experience and qualifications. This information should be accompanied by a letter of recommendation from your regional board supporting your application. We strongly believe that NSTRA belongs to all its members, and offering this opportunity to serve in this capacity is an excellent way to have more members become true stakeholders in our organization. As always, we remain committed to serving you, and ask that you contact the national officer assigned to your region if you should have any questions about this letter or any other issue of interest to you.

Sincerely yours,
Your National Officers

History of NSTRA Magazine

by Kelsey Jones

Kelsey Mitchell of the Missouri Show Me region completed the following paper for a class at school. She had to interview people and write an editorial along with creating a magazine cover. She received an "A" for this project.

During the sixties there was a group of men in Indiana that got together quite frequently to do what they loved most. They would load up their hunting dogs and find an old field loaded with quail. With their guns on their shoulders and their dogs on the loose they would spend hours in that field and only quit when their limit was reached. In 1969, that same group of men decided to start an organization that would bring others together to enjoy this sport. They decided that six months out of the year they would host "fun trials", which were low income trials that were based more on public morale than material congratulations. With the simplicity of the organization and the love these men had for this sport, they created the organization, Shoot-to-Retrieve.

Shoot-to-Retrieve was purely vocal until a man named Mike Hollars, a member of Shoot-to-Retrieve, approached the first president Tom Burks with the idea of making a magazine for the members. Hollars, along with his wife, agreed to take on full responsibility to gather the information from the trials and create this magazine. Tom Burks gave Hollars his approval and in October of 1971 the very first Shoot-to-Retrieve magazine entitled, The Bird Dog Review was published. This magazine looked nothing like the magazines today; it was nothing but a little red folder with pages in between. The first issue had a President's page in it where the president, Tom Burks introduced himself and wrote about the organization. The total purpose of the magazine was to get information out about this program and to let the members know when upcoming trials were and where they were going to be held. The Bird Dog Review also listed the results of the trials and talked about what all was happening in Shoot-to-Retrieve and these articles were written by Mike Hollars, his wife and also President Tom Burks. There were no ads in The Bird Dog Review and not only that but the entire magazine was completely non-profit. After its first publication the magazine began being thrown around by many different publishers for many reasons.

Not long after The Bird Dog Review began being published

it was turned over to a man named Bill Roberts. In 1975, Roberts published what he too called the first issue of The Bird Dog Review, even though the magazine had already been published for four years. A year later Roberts ran into financial trouble and a man named Carl Martin began helping him with publishing until calling it quits in 1978. A man by the name of George Quigley picked up the Shoot-to-Retrieve news right after Roberts and Martin and began publishing it in a magazine he called, The Hunting Dog. The Hunting Dog

The National
Shoot-to-Retrieve
Association has come
a long way since it
started in Indiana
in 1969 and the
magazine has grown
tremendously since its
start in 1971

helped expose Shoot-to-Retrieve and the accomplishments of its members in huge ways. A man named Paul Stroll bought a dog for twenty five dollars and a turkey and after training the dog, won the Dog of the Year trial. Because of Quigley's magazine writing about Stroll's big win, he was able to sell his dog for \$10,000; which in the late 70's and early 80's was a substantial amount of money. This magazine was said to be the nicest publication for Shoot-to-Retrieve until Quigley had to quit publication due to bankruptcy.

At first, the magazines being published were only to the regions which included Indiana, Ohio, Illinois, Kentucky and Wisconsin but by the time Jim Hawk began publishing in 1980, the Shoot-to-Retrieve had become National Shoot-to-Retrieve Association. Hawk only published his newsletter for two years when the National Shoot-to-Retrieve officers took over. In 1982, the officers, along with Wayne Pet food, which was a subsidiary of Continental Grain, produced the first issue of National Shoot-to-Retrieve Field Trial Association magazine. Also, in 1982 the National Shoot-to-Retrieve officers contacted a man named Bill Brown who produced a magazine called, American Field. Even though Brown was not involved in National Shoot-to-Retrieve, his magazine was international and getting the word out about their organization was key to a growing membership. At first Brown said he would support the organization but later called back and said he could not because he felt as though supporting the killing of birds would cause a negative effect on his magazine. The

officers of National Shoot-to-Retrieve, including President Tom Burks, invited Brown out to the Dog of the Year trial so he could see how the sport was conducted and Brown agreed to support their organization. This was huge for National Shoot-to-Retrieve because now they were getting exposed to other countries. As a result of being in American Field, the winners of trials were selling their dogs for \$20-\$30,000. One dog, after winning a national trial, was sold to a man in Japan for \$32,000. (Burks, 2011)

Although they are no longer sponsored by Wayne Pet food today they have sponsors, such as Purina, Dogs Unlimited and Tri-Tronics. The magazine gets its finances by charging for stud fees and from the membership fees. The ads that are featured in the magazine by Purina, Dogs Unlimited and Tri-Tronics are printed in exchange for products that they give away at the trials. National Shoot-to-Retrieve magazine is still issued bi-monthly and features articles that announce upcoming trials and the results of trials. The articles featured in the magazine can be written by any member of National Shoot-to-Retrieve, but must be approved by Office Manager, Julie Herwehe. The members can submit articles that spotlight another member's accomplishments or they can write an excerpt on a trial they had attended. Sometimes the national officers will write letters that are featured in the beginning of the magazine that usually emphasize a subject they feel is important to the organization. The magazine is also known to reprint articles from other publications, with permission, to show their support for the members of National Shoot-to-Retrieve.

There are photographs in the magazine of the winners of the trials and the people attending the trials, as well as other accomplishments such as High Point. Most pictures are submitted by members but Marilyn (Frank) Cunningham, the trial coordinator, takes the pictures at the national trials. Submitting a photograph into the magazine is also free and the supplier of the picture is the one who writes the caption or the featured story. Sometimes the photographs are hard to include due to the different qualities and formats of the submitted photographs.

After all the articles and photographs are received into the main office the Office Manager, Julie Herwehe, gives them to a person in the creative department, Julie Carrier, and she is in charge of all the artwork and setup for the magazine. After she puts all the articles and photographs into place it is then a group effort to edit the magazine for publication. After the magazine is approved by the main office it is sent out to all the paid members of National Shoot-to-Retrieve Association. The only way to receive this magazine is to be a paid member but if a non-member is interested in purchasing a certain issue due a family member being featured, or any other reason, they can for \$4.50 plus shipping.

There is a website for National Shoot-to-Retrieve Association and it differs from the magazine in many ways. The same people do not manage both the website and the magazine; there is a person in charge of the magazine

setup, Julie Carrier and a webmaster to manage the website setup, Jessica Carlson. The website is very simple and is an easy way to get information quick. A member would go to the website to find out information on where a trial is, to print out an entry form for a trial as well as other forms. The website does not go into detail about winners of trials though, and only features winners of recent national trials. The magazine's objective is to inform a member where trials are, the results of all the trials being held and a lot more information about the organization and what it offers. There has been talk about making the magazine no longer be material and being featured on the website, in hopes to make archiving easier, but financial issues are what are keeping that change from happening.

When asked which the most challenging article to write was, the Office Manager, Julie Herwehe, responded with two different articles. The first was The Region Elimination Dogs, because there are thirty-one regions and every region submits their information differently. Julie Herewehe has to sort out the information and get it in article form. Before the Region Elimination article the hardest article to get ready for publishing was the Top Performance article because even though everyone wanted to read it, no one wanted to write it. This was due to all the information and statistics that were required to write the article. The other articles were all based on region delivery and did not pose such a problem when it came to publishing. (Herwehe, 2011)

The National Shoot-to-Retrieve Association has come a long way since it started in Indiana in 1969 and the magazine has grown tremendously since its start in 1971; despite the fact that it was passed around for ten years before it became a completely stable publication. The Bird Dog Review started off letting members know where trials were in the region, announcing winners of previous trials, showing black and white photographs of the trials and its winners and was used as a way to spread information about the organization in hopes of gaining more members. Now the National Shoot-to-Retrieve Field Trial Association magazine has member submission articles, detailed information about trials and its winners, reprints of articles from other publications that show the accomplishments of its members and even began publishing color photographs in the June/July 2005 issue. This is a long way for such a small organization to come in such a small amount of time and the fact that there is even a magazine publication at all is a miracle in itself. The togetherness of the members and the will to grow as a program is to blame for the success of this organization, The National Shoot-to-Retrieve Association; an organization I am proud to be a member of.

2012 TRIAL OF CHAMPIONS NATIONAL CHAMPIONSHIP

As the days become longer and the weather begins to warm, each year the annual National Shoot to Retrieve Trial of Champions comes to Amo, Indiana. This year was no exception as trialers from throughout the United States brought their champion dogs for this "one of a kind" championship trial. "One of a kind" because it is the only NSTRA Championship which carries with it the stipulation that your dog must be a champion in order to participate. A championship consists of 18 earned points of which 9 must be first place points. Handlers work throughout the year to earn points and this trial is the accumulation of that work.

The Glenn's Valley Birddog Club held a pre-trial on the preceding weekend for those wanting to "get a feel" for this Indiana weather and many TOC entrants attended. As always, the trailers come back with tales of the mouthwatering meals and pies served by Donna Parrett. Donna is famous for her pies especially her "iced" apple. What a cook.

The Conservation Birddog Club is the host for the Trial of Champions and each year they prepare the grounds and furnish meals and camping areas for those in attendance. Trial Chairman for the event was Scott Townsend. Trial officials were: Judges – Suvoyee Rudd – Ohio; Mark Griffiths – Michigan; Lonnie Jones – Missouri-Show-Me; and Bob Power – Mo-Kan. Marshals were Crystal Nichols – Michigan and Mary Kay Kunza – Missouri-Show-Me. Birdhandler was Michael Akey – Ohio Region.

Wednesday morning dawned chilly but sunny and as the day progressed, the temperatures stayed in the mid 60's with cloud cover keeping the weather ideal for trialing. Judging A Field on Wednesday were Suvoyee and Bob with Mark Kay serving as field marshal. Michael would handle the birds for both fields during the week. The trial officials are the most important part of any trial and the officials at this trial were all quite capable and as always, did an exceptional job. It makes the job so much easier for the Trial Chairman with officials of this caliber. The top 16 dogs from each round on Wednesday and Thursday would advance to the 2nd elimination round on Friday. *** denotes those advancing.

The Conservation Birddog Club furnished pizza for the Board of Directors prior to the BOD's meeting held each year at the Trial of Champions Trial. Our thanks to them for the meal provided. Butch Jackson, NSTRA President, called the meeting to order at 5:30 and business was conducted throughout the evening. There were 19 members in attendance.

Thursday morning started out cool with frost lying on the fields until later in the morning. The judges change fields, but marshals stayed in their respective fields. Temperatures rose during the day and reached the high 70's by afternoon.

With only 13 braces, we were able to hold the trophy presentation immediately following the trial. Purina Representative, David Carrington was on hand to help with the presentation and we appreciate his presence.

The meal for the banquet was served by Jug's Catering. Talk about a delicious meal; fried chicken, catfish, corn on the cob, baked beans and those special fried biscuits with homemade apple butter. Strawberry shortcake, homemade banana pudding and chocolate éclair dessert topped off the meal. The desserts were made by Julia Herwehe and Michelle Parient and talk about scrumptious, these ladies could start a restaurant. We are really appreciative of all the work that goes into the banquet and our thanks to Julia, Michelle, and Jug's Catering.

Butch Jackson opened the program for the evening by thanking the Conservation Birdclub for the work they put in during the trial. He thanked the club president, Jim McAdams and acknowledged the office personnel, Julia Herwehe and Bev McAdams. He also introduced the National Officers, Scott Townsend-1st vice president, John Holder – 2nd vice president; Marilyn Cunningham – Secretary; and Frank Llano – Treasurer. Past presidents in attendance were Bob Cunningham and Jim Mahoney. Sponsors present were David Carrington, Purina, and Dion Bliss, Red Haw Supply.

Scott then presented the 2011 Trial of Champions Portrait of Quail Ridge Ranger to Jeff Gamble, accepting for his daughter, Rachel Crossland. Each year the portrait is painted by Ross Young, Missouri Wildlife Artist. As always, the portrait was a beautiful work of art and one we know the Crossland and Gamble family will be proud of.

Richie Hight, NCN Region, donated 2 metal-art wall hangings to be auctioned off to help defray expenses for the TOC trial. Our thanks to Bob Cunningham for auctioning these wall plaques and thanks to Mark Kohlberg and Lonnie Jones for being the winning bidders.

Trial Chairman, Scott Townsend, thanked all trial personnel and complimented them on their excellent work. The trial would start on Friday morning at 7:30 a.m. with 16 braces running on each field.

The temperature had fallen during the night and Friday dawned cold and clear. Back in A Field was Bob and Suvoyee, Mary Kay marshalling. The top 8 dogs from each field would be drawn to run in two fields on Saturday morning. Trophies would once again be presented following the trial. The running follows:

Immediately following the trophy presentation, the computer draw was held and braces posted. There was no Friday night meal held at the trial grounds, so everyone was on their own for dinner and were reminded that we would once again start at 7:30 Saturday morning. Several orange hats were sighted at the Clayton Café for their famous catfish dinners while some were enjoying fresh fried mushrooms, compliments of Lonnie.

Storm clouds covered the sky on Saturday morning and the rain poured at the beginning of the first brace. By second brace it had become a slow drizzle, but thunder could be heard in the distance. Judges once again switched fields with Lonnie, Mark and Mary Kay presiding over A Field and Suvooyee, Bob and Crystal officiating over B. Michael was doing a superb job handling birds for both fields and the running follows; the Top Three dogs from each field advancing to the semi-final rounds which would consist of 3 braces to be ran on A Field later in the morning.

The weather had cooled significantly since the rain and when the 3 braces had finished, the two dogs that would compete for the championship were Peaches River Dan and Mulberry's Major Philmore.

Cool Hand's Pistol Pete, 5 ½ year old Brittany male, owned by John Davis, Sr. of the Kentucky Region was 5th runner-up. Pete was handled by John Davis, Jr. Pete's sire is Clay's Cool Hand Luke and dam being Blaze's Nobel Kate. Pete earned his championship on 11/6/10 at the Ohio Quail Club field trial. John was presented with the 5th runner-up trophy and a 37 ½ # bag of Purina Pro Plan. Congratulations to the Davis family and Pete.

Finishing in the 4th runner-up slot was Quail Ridge Zach, 5 ½ year old Brittany male, owned by Rachel Crossland handled by her Dad, Jeff Gamble, both Dixie Region members. Zach is from the sire Danny's Tennessee Archie and dam – Willis' Brandy. He earned his first championship on 9/18/10 at the Cedar Creek field trial with his 2nd and 3rd championship to follow. Jeff was also presented with a 37 ½# bag of Pro Plan and the 4th runner-up trophy. Congratulations to Zach, the Gamble and Crossland families.

Third runner-up was Norman's Tekoa Storm "Nitro", 7 year old tri-colored English Setter Male, owned by Jim Norman, Indiana Region. Nitro's sire is Tekoa Mountain Patriot and dam – Tekoa Mountain Belluka. His first championship came on 9/18/10 at the Shriner's field trial and he earned his 2nd championship at the Pana trial earlier this spring. Nitro has 44 lifetime points of which 21 are first place points. His first placement was on 10/14/07 at the Shriner's/Stremming field trial. Nitro also had a placement during a qualification round of the 2010 Dog of Year Trial. He had also previously placed during a qualification round on Friday at the Trial of Champions. Jim received the coveted NSTRA belt buckle, trophy and wall plaque from NSTRA and 112 ½# plus a 37 ½# bag of Purina Pro Plan and jacket from Purina, David Carrington making the presentation. Our thanks to David for joining us for the trial as Dean Reinke was not present due to hip replacement surgery. Jim also received a \$50 gift certificate and water bowl from Dogs Unlimited, t-shirt and a \$50 gift certificate from Red Haw Supply, Dion Bliss and gift certificate from Tri-Tronics. Congratulations to Jim, son-Zach, and Nitro for a great job.

Kickapoos Sassy Cassy, 7 ½ year old orange and white English Setter Female, was the 2nd runner-up, owned by Roger Parient, Indiana Region. Sassy is from Kickapoo's Smokin Max and Kickapoo's Faming Roxy. She is a one time NSTRA Champion earning that championship on 3/12/12 at an Indiana Region Trial. She has 30 lifetime points of which 11 are first place points. Her first placement came on 3/25/07 at a Pike County Birdhunters trial. She also placed 3rd during a qualification round of the 2010 DOY Trial. Roger received 112 ½# and 37 ½# bag of Purina Pro Plan and jacket from Purina, the NSTRA belt buckle, trophy and wall plaque from NSTRA, a \$50 gift certificate and water bowl from Dogs Unlimited and a Championship t-shirt and \$50 gift certificate from Red Haw Supply and gift certificate from Tri-Tronics. Congratulations to Roger, Michelle and Cassy for a great win.

Although handlers usually agree to wait for one hour between the last brace of the 4th round and the championship run, David and Mikeal decided to begin the one hour final brace earlier as the bad weather was threatening once again. While handlers, dogs, sponsors, and trial officials gathered in front of the blind for pictures, Mikeal spread the 10 birds throughout A and B field with gates being opened between the 2 fields. At 1 p.m. judges, Suvoyee and Mark called the handlers to the starting line. Both dogs sped away to the back of A field and shortly made their way to B field. Unfortunately, scenting conditions had deteriorated and at the end of the one hour brace, the Trial of Champions National Champion was Peaches River Dan scoring on 2 finds (88, 85) , 2 retrieves (85, A) , obedience (68.5), ground coverage (89) and back (54) - 554 points with Mulberrys Major Philmore scoring on 1 find (88), 1 retrieve (92), ground coverage (83), obedience (69.5), and back (71) totaling 404.5 points. The gallery was at the edge of the field to greet both the champion and runner-up as they emerged from the field and made their way to the clubhouse for the award presentations.

The first runner-up, Mulberrys Major Philmore, is a 3 year old orange and white English Setter Male, owned and handled by Mikeal Mulberry, Kentucky Region. His sire is Nick's Major Contender and dam – Mulberrys Grace. Philmore is a one-time NSTRA Champion earning that championship on 9/11/11 at the Three Rivers BDC. His first time placement came on 12/4/10 at a Tri-County BDC trial. Philmore has 27 lifetime points of which 15 are first place points. During the week he had placed 2nd during a qualification run of the TOC Championship. David presented Mikeal with the Purina winner's jacket and 250 # of Pro Plan dog food. Scott made the trophy, belt buckle, and wall plaque award presentation and Tri-Tronics certificate. He also presented Mikeal with a pair of Bird Shooters hand-made boots donated by W.C.Russell Moccasin company. Mikeal also received the Dogs Unlimited gift certificate and water bowl, and Championship t-shirt and \$50 gift certificate from Red Haw Supply. On hand was Mikeal's wife, Rose and daughter, Charlie, and we know they are all so proud of this fine young competitor. Congratulations to Philmore and the Mulberry family.

THE WINNER: The latest NSTRA National Champion is Peaches River Dan, 4 ½ year old liver and white English Pointer Male,

owned by Ted Cook, Kentucky Region. He was handled to the Championship by David Deaton, also a Kentucky Region member. Dan is from Elhew Sidewinder and Yellow River Peaches. He earned his 1st NSTRA Championship on 10/24/11 at a Conservation Birddog Club Trial and has 31 lifetime points of which 18 are first place points. On 4/2/11 Dan placed first during a Kentucky Region Qualification following the next day winning 2nd at the Kentucky Regional Final Championship. On January 20, 2012 Dan also placed during the Ken Bearden Memorial Trial. Ted received 450# of Purina Pro Plan and the Purina Winner's Jacket, presented by David. He also received the TOC Winner's Trophy along with the National Winner's Belt Buckle and wall plaque from NSTRA. Scott presented Ted with a Pro-500 G2 Collar compliments of Tri-Tronics and the Dogs Unlimited gift certificate and water bowl. He also presented Ted with the Championship t-shirt and \$50 gift certificate from Red Haw Supply. Owens Dog Box Company donated a 2-hole aluminum dog box to the winner. A special part of the Trial of Champions Trial is the Ross Young portrait of the winner and Ted will be the recipient of this everlasting gift. Congratulations to Ted, David and Dan for a phenomenal win – to three terrific competitors.

HIGHLIGHTS: On hand to sign the United Kennel Club/NSTRA agreement was Wayne Cavanaugh and Todd Kellum from UKC and indicated that they will have a booth in Nebraska at the Performance Championship Trial to sign up/transfer dogs to their registry. We at NSTRA are happy about this new venture and hope our members will make use of the new registry. Each entrant received a hat, hat pin and golf towel compliments of NSTRA, along with 10# Pro Plan dog food and 6 pack cooler from Purina, and EMT gel donated by Trophy Health Products.

It was great seeing new faces, Jackie Steele, Mike McCleary and Dennis Barnhardt, Jack Smith just to mention a few. And also some "old friends" were on hand, Butch Bell, Ed Schied, Ron Robertson, Tom Burks, and Ed Rader.

We were told that David Deaton can shoot as well from his knees as standing on his "own two feet". On his hands and knees digging in the grass for a bird, sometimes you Got to do what you Got to do. Great shot, David.

Again, thanks to all our sponsors, trial officials, Trial Chairman, Conservation Birddog Club and all owners/handlers that help in any way to make our trials a success. Until next time, everyone have a great summer and fun vacations. ■

- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information **MUST** be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
