News From the Officers

"I'm late! I'm late! For a very important date! No time to say hello, goodbye! I'm late! I'm late! I'm late!"

The last year may have seemed like our organization chased a white rabbit down a hole as we shift and grow. As is often the case, new information and circumstances require that we change course and adapt a new plan. All in all, despite turmoil, a new season is upon us! Many, many thanks to Treasurer John Davis and his ability to continually manage NSTRA into a healthy financial position. Thanks to 1st Vice President Mikeal Mulberry for his exemplary leadership in pushing the operational overhaul into overdrive.

Spring trials are happening – and for the most part it seems as if drawing trials the “new way” is working pretty darn well. If you ARE having difficulty, please contact your region President or National Officer representative to discuss and find a solution.

As is required by our by-laws, President Adam Fellers has established a nominating committee in preparation for the election of three positions this next year. Please consider how you may participate and serve NSTRA at the national level. Contact your region President, a National Officer, or staff at the National Office for additional information.

This magazine is getting back on track at long last. One transition is hard enough, but we undertook an operational overhaul at a time we did not have sufficient staff to process a magazine AND accomplish the business and operational needs of the office. Re-tooling an operation and re-building staff is a slow process. In addition, the contribution of members is important – without you, we have minimal content. To that end, you'll note a couple of messages from the staff and publisher within this issue about what works and doesn't work with articles, photos, advertisements, and other materials.

Specifically, low-resolution photos and photos without captions will not be published. Many folks take low resolution pictures using cell phones and send via text or email without captions. This then requires an inordinate amount of time on the part of staff and publisher to go back and forth with the sender. Please check your submissions before sending. Also, the default use of “Calibri” as a font/typeface is problematic and is not compatible with the publisher's software for laying out the magazine. Finally, members have moved away from using the specified format for advertising region/weekend trials – please do not add extraneous information, formatting such as spaces and “tabs”, or programs such as MS-excel.

“When in the course of . . . events it becomes necessary. . .” to disagree, “a decent respect to the opinions . . .” of others is vital to any organization. Our ability to use social media as we express discontent has created a rather ironic time in which the discourse is anything but civil and borders on anti-social. The end-result is not beneficial: sponsors don't like it; leadership is unable to respond appropriately; and problems do not get fixed. Further, if the public face of an organization is so coarse and vilified, who wants to play with us? So, thank you to those who refrain from the “flaming” and who instead effectively communicate thoughtful and constructive criticism that moves the organization forward. And, to all of the members of this organization serving as problem solvers – keep it up!

In President Adam Feller's August/September 2016 letter, he reminded us of NSTRA's enduring mission, our purpose, and the need to “collectively as one . . . get back to enjoying the hobby we have all come to love.”

So, let's get to it!

Adam, Mikeal, Marilyn, John and Nance

REGIONAL TRIALING

 **PURINA**
PRO PLAN
NUTRITION THAT PERFORMS®

The National Shoot To Retrieve Association (NSTRA) was founded by a group of dedicated bird hunters looking for a way to extend the fun they enjoyed with their bird dogs after their season ended. Field Trials, under hunting conditions, were the answer. Field Trials provide an extended the season, a sportsmanlike environment and competition with others who enjoy bird dogs.

ARKANSAS REGION

By: Robert Franks

The Arkansas Louisiana Region would like to highlight four members of its region and will do so for the next few issues.

The first time I saw Deb Meline, I wondered if she would stay in field trialing more than two or three trials. She knew very little about training dogs, nothing about trialing and had a gunner shoot for her. Little by little I began to hear bits and pieces of information about her starting to work dogs on her own and how keen a student she was. Not only was she learning more and more about dogs but she was learning how to shoot. Furthermore, she and Roger, her husband, were starting a Brittany kennel named Otter Creek. Soon after starting the kennel she began shooting for herself and placing in trials. Deb is now an intense competitor who can shoot the wings off a fly. Her dogs are well trained, polite and are always in the hunt for a placement. Otter Creel kennel has produced many fine dogs with the best known being TJ's Micro-Tequila Watson. Perhaps the greatest complement to Deb is she is now just one of the boys. She has proven herself, in a male dominated sport, as a worthy adversary and has shown grit and determination in making herself the best trailer she can be.

Jimmy Potter is an original. If you have the pleasure of meeting him you will never forget the experience. His kidding of "setter folks" is legendary in mid-south trialing. NSTRA in Arkansas would not be the same without him. Going back to the first trials in Arkansas in the early 1980's, he has been a mainstay, trialing some of the top dogs in the region. His best dog was 8x Champion, and Region Champion, My Main Jack. Jimmy is now eighty-one and his love for field trialing and dogs has not diminished. His current dog, Potter's Determined Sue, placed in the last Razorback Club

trial and looked good doing it. Younger trialers should take notice of his passion for the sport and enjoyment of the people who run dogs. Because of people like Jimmy our sport is better for all.

"It's showtime!" Bobby Green's catch phrase still echoes among the pines of Charlie Nichols field in Monticello, Arkansas. No one in the region enjoys trials and people more than Bobby. Always supportive with only positive comments about others, Bobby is a favorite. No doubt his best dog was 4X CH Prudhoe's One Spot, who was not only loved by Bobby but also his wife Jane. The Green Acres trial at Marion, Louisiana is a tradition that attracts trialers from several states. Bobby puts great effort into the trial and also derives great pleasure from the fun and comradery of the trialers and guests. Trials are never the same without Bobby and his Cajun whit and big smile.

Finally, Mr. Travis Starr. Most trialers are called by their first name but this gentleman is the exception. Most call him Mr. Starr out of respect for the fine man he is. Honesty, a keen wit, a friend, and determined all describe this fine man. At eighty-four he is still going strong, having several placements this fall, teaching all the young guys a lesson. Mr. Starr is a hard worker who does not shy away from any tasks that need to be done at the camp. He is always looking forward to a field trial where he can see his many friends. Mr. Starr is the kind of man the trialers in Arkansas want to be when they grow up.

IMPORTANT THINGS TO REMEMBER!

Purina Endurance Classic:

Entry into this trial will be based on all open points earned from June 1 through May 31. Points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial do not count; however, points from qualifying rounds do count.

TOP PERFORMANCE:

Dogs must have at least 20 open points from June 1 through May 31 of the applicable year to be eligible. Points will be from weekend trials only. From there, the award will be based on national trials and regional eliminations. The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of nationals the same each year. The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. For national trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for the third and 25 for fourth. The placement for the regional eliminations and national trials is determined by the score of the last round in which the dog ran.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated.

Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

TRIAL SCHEDULES:

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SCHEDULING FEES:

Trial scheduling fees are requested in the NSTRA office at least 4 weeks prior to your trial date in order to mail the packets on a timely basis.

TRIAL REPORTS:

Trial reports are due in the NSTRA office 10 days after the trial date.

QUAIL INVITATIONAL:

This trial is always held the last week in February that includes a Saturday. The qualification period for this trial is Nov. 1 through Oct. 31. This includes all points earned during the time frame, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count). Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO INVITATIONS WILL BE SENT. Any dog with a placement during the specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

TRIAL OF CHAMPIONS:

The criteria for entry into this trial is that the dog has earned an open championship and is at least a 1X open champion by February 1 of the current year OR the dog can be a paid standby for this trial by achieving their open championship between February 2 and March 31 of the current year.

UKC PERFORMANCE CLASSIC:

The qualification for this trial is points earned from April 1 to March 31. Weekend trials

only. No points from qualification or final rounds of national championship or regional championship trials will be counted.

DOG OF THE YEAR:

This trial will begin on Wednesday of the last full week of October. This trial is based on region elimination placement and/or high point status. All entries must be postmarked 45 days prior to the first day of the Dog of the Year trial. (NO INVITATIONS WILL BE SENT.)

HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1. *Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at anytime to request a change in their Home Region.

ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members EXCEPT they are unable to vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

RULE CHANGES:

Proposed new rule changes or additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions or the Dog of the Year trial.

IMPORTANT THINGS TO REMEMBER!

REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

FIRST TIME PLACEMENTS:

The National Office now requires a copy of the dog's registration certificate for first time placements. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org) or a photocopy by regular mail.

NSTRA Distinguished Members:

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations are to be submitted by August 31. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included if available. Contact the NSTRA office for a list of criteria.

The committee will review all nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected.

The committee will make their decision by September 30. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

2017 PURINA ENDURANCE CHAMPIONSHIP TRIAL

Waverly, Nebraska was the setting for the 2017 Purina Endurance Championship held at the Rock Creek Birddog Club. The club, under direction of Todd Hendrix was ready and waiting for the pre-trial and championship venue. Fields had been manicured, the clubhouse was spotless and the camping area was mowed and waiting for campers to arrive. The pre-trial was held from Saturday through Tuesday with various members pitching in to judge, marshal or bird plant, as did members from other regions. Mike Rost and Dave Paitz were trial chairmen and ensured that those participating in the championship event had braces sometime between Saturday thru Tuesday.

Wednesday morning dawned with sunshine and cool temperatures as trial officials met in the clubhouse with Chairman, Marilyn Cunningham and Co-Chairman, Todd Hendrix. Judges were Rick Meyer and Brent Wheeler – Mo-Kan Region; Jim Kroeschel and Rick Bertinetti – Illinois; marshals – Bodie Ray – Georgia and Donny Parker – Arkansas. Planting birds was Ron Becker – Illinois with Marilyn Cunningham – Illinois and Debbie Heaton – Lone Star serving as joint trial coordinators. Each official is hand-picked by the National Officers according to their qualifications having taken the judging seminar and judged numerous weekend and regional trials. Such was true with these “more than qualified” judges – Rick/50 trials; Brent/184; Rick B./46; and Jim/244. In the National arena Jim has judged 3 national trials, Brent – 1 and Rick M. and Rick B. their first championship event. The judging and marshalling was superb and bird handling by veteran bird handler-Ron Becker -Illinois was, as always – great. When the trial starts, the officials are responsible for the trial; and officials such as these, make the trial chairman’s job a breeze. Thanks to each one for their time and effort to make this a special trial. Rick and Brent would judge A field for the duration of the qualification rounds with Rick B. and Jim on B field; marshals would be Donny on A with Bodie on B. After a substantial and delicious breakfast served by Brenda, Teena with Kim Lathrop helping out, the officials reported to their respective fields and sent the first brace to the field at 7:30 a.m. The running follows – Top 16 advancing.

Some chose to rest and relax after the trial, but not all. Todd had purchased New York Strip Steak for the banquet dinner and Bill Sumpter made ready to be the chef. Kim Lathrop worked in the kitchen wrapping potatoes and preparing salads. When the call came for dinner, all rushed to the clubhouse and filled their plates with steak, potato, macaroni, corn and salad. It was a meal fit for a king. Bill had done a superb job on the steaks and we sincerely appreciate his talents. Also in the kitchen were Natalie and Paige Hendrix lending a helping hand. Thanks to all for a delicious meal. After the meal, auctioneer, John Rawdin, and helpers Chad Mantz, and Bob Power held a Calcutta. \$5500.00 was collected with 70% to the winners and 30% to the club and scholarship fund. Thanks for those who participated. Trial format called for beat-your-brace mate for the remainder of the trial beginning Friday morning. Friday's braces follow:

Friday evening was another free evening with nothing special planned and most turned in early, as Saturday was to be a long day with several qualification rounds.

We had been graced with beautiful weather for the entire week and Saturday was also cool in the morning with warming in the afternoon. After breakfast burritos and juice, all made ready for the first brace of the day which began immediately at break of dawn. We would break for long enough to make a quick sweep of the field and draw the next qualification round. It is necessary for man and dog to be in the very best shape as they continue on this journey of qualification rounds – endurance is the name of the game in this trial. Each field would be cut in half for the duration with the first round following:

After a long day, the final two dogs and handlers were more than ready for the one-hour rest. Kim was once again in the kitchen finding leftovers for all onlookers and trial officials before the final hour. The cards and scoresheet were updated and gifts for the Top 4 were also displayed. One hour later, the blind was a busy place with both families and supporters wishing each handler good luck.

Ron began the plant at 6 o'clock and Rick and Brent called Randy/Dexter and Todd/Jazz to the line at 6:15. Both handlers proceeded to A field where Dexter pointed first while Jazz pointed shortly after. At 7:15 the brace finished as we waited for the final word from the judges as to who was the newest National Champion. It wasn't long until we received the news that Dexter had scored on 6 birds with Jazz scoring on 4. Randy and Todd congratulated each other as they exited the field and we moved to the clubhouse for the trophy presentation.

As Greg and Jason had a long trip home, Marilyn had presented each of them with their gifts for 2 and 3 runner-up during the one-hour break. Each received 112# of Purina Pro Plan and the winner's jacket presented by our Purina Representative, Mike Botts. They also each received a beautiful blue etched trophy, plus the NSTRA belt buckle. A Gun Dog Supply and Dogs Unlimited gift certificate was presented by Mike Rost and Dave Lathrop, both Rock Creek club members. Tony Caliguri and Boyt Harness, had generously sent each winner a special handlers bag which I'm sure will be put to good use. Our thanks go out to each of these sponsors, as they are such an important part of NSTRA. It's always good to have Mike Botts with us. He's always around to answer any questions or help in any way. Thanks to Purina for sending Mike our way. And when in Iowa or Nebraska, Tony from Boyt Harness makes sure Boyt is represented with nice gifts to the winners.

Second runner-up was Greg Wood, Kentucky Region, with Tomoka's Smokin BigRed. Red is owned by Greg and Jimmy Kirkman and is a direct descendant of Tomoka's Smokin Mike, the sire that started it all with Greg's champion dogs. Tomoka's Smokin Kate is the

dam. Red began his trialing career on October 16, 2016 and has 26 total points of which 15 are first place points. He is a 1 time NSTRA champion and was less than 2 years old during the Endurance trial, as was Sadie and J.R. upon winning National Trials. Red is well on his way to becoming another multi-champion for Greg and Jimmy. Greg has also placed in 30 championship events with 11 wins by 7 dogs. There's not much else can be said about Greg, Jimmy and their Tomoka's Smokin Setters. Congratulations to both owners and Big Red for a great week.

Third runner-up comes to us from Mid-North Region, Nortons Fancy Devil "Ike", German Wirehair Pointer, owned and handled by Jason Norton. Ike is from 5 time NSTRA champion Three Devil's Husler "Waldo" and Nortons Fancy Foote. He was whelped on 2/17/15 and at the present time has 10 NSTRA open points with 5 amateur points. Jason has trialed several NSTRA Champions beginning with Fancy Feather Growly, GSP/F – 3 time NSTRA and 2 time Regional Champion; Fancy Feather Saltyfoote, GWP/M – 3 time NSTRA Champion; and Norton's Teton Eli, GSP/M – 2 time NSTRA Champion and 1 time Regional Champion. Jason is not a newcomer to the winner's circle, but his first time in the National Championship circle. Ike is a young dog with the potential to be in the Championship circle again in the future. Hats off to Jason and Ike – and keep up the good work.

First runner-up was Jazzmania Devil Dot "Jazz", Brittany Female, owned and handled by Todd Hendrix, MidWest Region member. Jazz was whelped 1/13/12 and has been with the Hendrix family since her birth. She is from Chami-Dot and Diamond Tequila Gold. Jazz is a 3 time NSTRA Champion with her first championship coming on 12/5/15. Her first placement came on 9/29/13 at 1 ½ year of age. Jazz has 62 total points of which 43 are first time points. She was 3 at the 2016 MidWest Region Finals with placements in 4 NSTRA qualification runs. Todd has also trialed 1 time NSTRA Champion Dazzlin Diamond Dot and Dazzlin Tequila Dot, also a 1 time champion. Todd was awarded the trophy, Belt Buckle, 225# of Purina Pro

FINAL: SHADOWROCK'S SLICE OF LIFE (DEXTER) -RANDY TANGEMAN-1184.3 points – 1

Plan and Purina Jacket by Mike. He also received gift certificates from Garmin, Dogs Unlimited, and Gun Dog Supply along with the Handlers bag from Boyt Harness. Our congratulations go out to Todd, Natalie, Paige, Nicole and of course, Jazz for a memory filled week.

WINNER: The winner of the 2017 Purina Endurance Championship was Shadowrock's Slice of Life "Dexter" GSP/M, owned by Amanda Tangeman handled by Randy Tangeman – MidWest Region. Dexter is from Black Forest Five O'clock Miller Tyme and Shadowrock's Mighty Mouse. Dexter won with 6 finds, 6 retrieves, and a back totaling 1184 points; he now has 22 lifetime points of which 12 are 1 place points and is a 1x Champion. Dexter's first placement came on 5/22/16 at a Iowa Gun Dog Club. He followed with a 1 place point at the 2016 Performance Classic and placed 3 - twice at the October IGDA trial. At the 2017 Endurance this week, Dexter was a consistent contender, placing 2 on both qualification rounds. Consistency is the name of the game for this fine German Shorthair Pointer. His sire, Miller, is a 2x NSTRA Champion with several other champion dogs in his pedigree. Randy has also trialed Buck, Nikki, and Hannah – 3x NSTRA Champion and 1x Regional Champion. Amanda has owned Gracie, 1x Champion Peanut, Mouse, and Rat. Daughter Lillian, has owned Spyder, 2x NSTRA Champion. The family is an active part of the association and our heart felt congratulations go to Randy, Amanda, Dexter and the entire family. In addition to the trophy and Winner's Belt Buckle, Mike presented Randy with a Garmin Pro 550 collar, Purina

Winner's Jacket and 450# of Pro Plan. He also received gift certificates from Garmin, Dogs Unlimited, and Gun Dog Supply along with the Handlers bag from Boyt Harness.

We cannot say enough about the hospitality we receive from the Rock Creek Club. Todd Hendrix is instrumental in making sure that we have all we need in order to have a super trial. Dave Paitz and Mike Rost were on hand during the pre-trial and helped during the championship event as were other Rock Creek members. Thanks to all who had any part in hosting the trial and of course, our thanks to all owners/handlers that ventured to Waverly.

My thanks to Debbie Heaton for all her help during the trial; whether it was running cards, posting scores, or drawing the qualification rounds, she was there and did a bang-up job. We couldn't ask for more. To all Trial Officials, another thank you for a job well done.

The kitchen girls were super and made everyone feel welcomed to "come on in and eat" and it was all delicious.

Although it was Donny Parker's first marshaling job, he did a fine job (with a little help from others). Of course, some of this help Donny can do without. I heard it said that Donny feels marshaling is a much more difficult job than judging. But seriously, Donny and Bodie do whatever job needs be done and we appreciate their versatility.

So until another Championship event, Happy Fall Trialing. ■

LONE STAR 2017 Regional Championship on April 1st and 2nd at The Prairie's End Hunt Club in Gainesville, TX

We want to thank Joe Enderby for the use of his fine facilities. The weather was ok, sunny Saturday and rain Sunday until the final hour when it stopped. Our judges, bird planter and field marshal all did an outstanding job. Judges were Rick Bertinetti and Ron Huels from the Illinois Region. Bird planter was Ron Becker also from the Illinois Region. Field Marshall was Bill Riddle from Lone Star Region. We had 30 dogs qualify for the Regional Trial. Top 16 dogs advanced to the Sunday competition. A few of us met up Saturday evening for our annual banquet where we had a great BBQ meal provided by Chris Koster and the Stanley Ford Group. Congratulations to the top 4 dogs and handlers/owners placing in Saturday's elimination round.

The top 4 were:

- 1st Mike, O/H Bobby Clark-1055.2
- 2nd Gunner, O/H Tim Kelley- 748
- 3rd Bean, O/H Geoff Sterner- 730
- 4th Lulu, O/H Mike Brackin- 711

The 16 dogs advancing to Sunday in no particular order were:

- | | |
|-----------------------|---------------------|
| Hazel, Barry Godwin | Lulu, Mike Brackin |
| Gunner, Tim Kelly | Annie, Dave Morgan |
| Trek, Dale Heaton | Bean, Geoff Sterner |
| Precious, Bobby Clark | Sage, Tad Brown |
| Chad, Geoff Sterner | Blanco, Bobby Clark |
| Birdie, Mike Brackin | Lacy, Jim Selby |
| Macy, Dale Heaton | Stormy, Dale Heaton |

The top 6 dogs at the end of 8 braces on Sunday were: Trek- 767, Hazel- 638.5, Sage-622.5, Blanco-559, Bean-538, and Lacy-536.5.

Three braces later we were down to 2 dogs, Hazel and Lacy. There was a 30 minute rest for the 2 dogs and handlers; then, they were off for the final hour (without the rain). At the end of the hour, Hazel was awarded the 2017 Regional Championship with 5 birds and a back with a score of 1042.5, beating out Lacy with 3 birds and a score of 583.

All the placements were:

- Regional Champion – Hazel / Barry Godwin
- 1st Runner Up – Lacy / Jim Selby
- 2nd Runner Up – Blanco / Bobby Clark – 492
- 3rd Runner Up – Trek / Dale Heaton – 446
- 4th Runner Up – Bean / Geoff Sterner – 362.5
- 5th Runner Up – Sage / Tad Brown - 346

A thanks goes out to everyone that helped make our 2017 Regional Trial a success. Congratulations to our 2017 Regional Champion Hazel and owner Barry Godwin.

Thanks so much to our judges Rick Bertinetti, and Ron Huels and our bird planter Ron Becker who had to live though the constant rain of the final 16 & the final 6. Fortunately, the sun came out & the rain stopped for the final two.

Early in June we had to say goodbye to one our region's top dogs, Heaton's Dakota Trek owned by Dale Heaton. Trek was an 8 Time Champion in only 8 short years of life. Trek was a dog you didn't want to draw at a trial as your chances of placing in that trial in that run were slim. He will greatly be missed by us all. Our sincere condolences go out to Dale and Debi Heaton for their loss.

TOP PERFORMANCE 4TH PLACE

SKIPPER'S KENTUCKY'S BO OWNED BY MARK GILLESPIE

With 1800 points, 3X NSTRA champion Bo rounded out the top 4. He had a 23rd at the UKC Performance, a 22nd at the Dog of the Year and a 3rd at the Trial of Champions. He placed 6th at the MoKan regional elimination. He is a 6-year old English Setter out of Angie's Dogwood Skipper and Cumberland Lady. Mark says that he is a big tall orange and white setter that has a ton of drive and bird finding capabilities. He has such a strong desire to find birds and compete you can just see it in every brace he runs. He is always ready to give you 100 percent. At the time he purchased him, 3 years ago, he had no points. He does a lot of wild bird hunting for quail and has run him in some money trials and done well.

Our sincere apologies go out to Mark Gillespie for inadvertently leaving out his 4th place dog, Skipper's Kentucky's Bo from the OCT-NOV issue of the NSTRA magazine.

West Texas Regional Championship

The WTX Regional Championship was held April 8-9, 2017 in Winters Texas. Nathan and Teresa Tekell were gracious Hosts and the grounds and accommodations were extraordinary. We sincerely appreciate their willingness to host this event on short notice.

Friday evening prior to the trial the WTX BOD conducted some necessary business. During this meeting it is with Sad Hearts that our beloved Randy Jordan was having some major health issues and felt it necessary for his and the Regions best interest if he stepped down as the Region President. 1st VP Brenda Barr assumed the role as Region President. Our prayers are for Randy to make speedy Recovery and join us again soon.

Field Marshall, Brenda Barr, had handlers in the blind at 7:30 AM sharp and bird Handler, Milton Hudgens, went out to set the field for the first brace. Judges Rob Martin and Buzz Taylor were at the line ready to watch the dogs on this very warm and windy day. The 13 braces for the day proved to be lacking bird work as the very low humidity, high winds, and 90'+ temperatures made scenting conditions low.

At the end of the day the top 16 scoring dogs would advance to Sunday morning for the next round. The winners for Saturday 1st Phil Bonsal and Blaze, 2nd Nathan Tekell and Jack, 3rd Nathan Tekell and Bitsy.

A banquet was catered later Saturday evening during which awards and recognitions were given to deserving handlers and dogs. High Point for the year was Tek's Bitsy Boo owned by Nathan Tekell, R.U. High point was Buddy Boy Black owned by Mike Shepherd. The WTX derby dog award went to Hancock's Smokin Ruettiger owned by Jamisen Hancock.

Sunday's braces started on time with the top 16 dogs bidding to score high enough to make the final 6. Milton Hudgens was sent to the field to release the birds and Judges Rob Martin and Buzz Taylor were faced with the same hot windy conditions from the previous day. Bird work was at a premium as the day before. HOW TO SEND HI-RES PHOTOS FROM YOUR PHONE

The NSTRA office is asking all member who take photos at events and/or submit photos to be published in the NSTRA magazine to review the below information.

With many members submitting cell phone photos, the office has had numerous problems. Photos out of focus, low res, and screen shots of photos are not acceptable for printing in the magazine.

BELOW ARE SIMPLE STEPS TO FOLLOW:

1.

The easiest option here is to email all photos to yourself. In the subject line or in the body of the email, write info, name, last name, dog name, and additional information that may be needed for the office. We need to know who these people are and their dog's names. (Submit all photos to NSTRA properly identified)

2.

When you click "Send", a menu will pop up asking you what size to send. Do NOT select Large. You want the option that says "Actual Size" and as you can see from this screenshot, that's the largest file size.

CONSIDER THE FOLLOWING WHEN TAKING A PHOTO AND HAVE FUN DOING THEM!

Don't stand too far back from the subjects.

Check out the background in photos. If cluttered move everyone to a better location. Is photo in focus? Are people smiling? Are faces too shadowed? Are there alcohol bottles in photo? Are dogs in proper placement order? Are training collars removed?

Not Accepted:

- Screenshots of your photos.
- Captions typed directly on a photo.
- Low resolution.
- Photos embedded in word docs.
- Blurry Photos.
- People cropped out of photo.
- Alcohol bottles in photo.

If you submit photos that are not acceptable for printing, we will try and let you know, however with deadlines your photos may not be published.

Make sure subjects are well lit in front.

THE DO'S AND DON'TS OF HELPING YOUR BIRD DOG COMBAT THE COLD

As the hunting season winds down and winter sets in, it's important to stay vigilant about keeping your bird dog safe in chilly conditions. Cold weather can be harmful for a dog. It can affect his or her immune system, making the dog prone to disease and injury. By following these tips, you can help reduce disease and the risks of hypothermia, a dangerous drop in body temperature, and frostbite, the freezing of tissues caused by exposure to very low temperatures.

DO KNOW YOUR DOG'S LIMIT

Pay attention to your dog's tolerance of cold weather. Keep a close eye on puppies and senior dogs, as they cannot withstand wintry weather as well as a dog in his or her prime. A good rule of thumb for limiting outdoor exercise during winter is that if it's too cold for you, it's too cold for your dog.

However, just because the weather outside is frightful doesn't mean your sporting dog should become a couch potato until spring. A dog that is bored becomes anxious and stressed. Regular conditioning and training, whether indoors or outdoors, will help to relieve stress and keep him or her healthy and fit.

DO WEAR WEATHER-APPROPRIATE GEAR

When subzero temperatures prevail, you should also consider wind chill and precipitation. Getting wet in frigid weather can be particularly dangerous for a dog, as a damp coat drains body heat. When it comes to keeping a dog warmer and drier, any added protection is better than none. Dog vests and boots can help shield a dog from the elements during a hunt or training session.

DON'T IGNORE THE SIGNS OF FROSTBITE & HYPOTHERMIA

Sometimes a dog may accidentally be exposed to a long period of extreme cold and could suffer frostbite, which occurs most frequently on the ears, tail, scrotum, and feet. The signs of frostbite include flushed and reddened tissues, white or grayish tissues, evidence of shock, and scaliness of skin.

If your dog is suffering from frostbite, prompt veterinary treatment is needed. If this is not possible, the affected area should be warmed rapidly by immersing in warm water or by using warm moist towels that are changed frequently. Frozen tissues should never be rubbed or massaged. As soon as the affected tissues become flushed, discontinue warming. Gently dry the affected tissues and lightly wrap with a clean, dry nonadhering bandage. Protect your dog from further exposure to cold, as frostbitten tissues are more susceptible to repeated freezing.

Similarly, do not overlook common signs indicating hypothermia, such as shivering, paleness, listlessness, and frostbite. A dog suffering from hypothermia should be brought inside and stabilized before being transported to the veterinarian. Dry off your dog if he or she is wet, then wrap the dog in a warm blanket or towel.

DO BEWARE OF ANTIFREEZE

Dogs are attracted to the sweet taste of ethylene glycol in antifreeze, but it is toxic. Be cautious, as a dog could lick a spill or radiator leak on garage floors, driveways and streets. Signs of antifreeze poisoning usually occur within an hour of a dog licking antifreeze and include incoordination, vomiting, diarrhea, excessive urination, seizures, and elevated heart rate. If you suspect your dog has licked antifreeze, prompt veterinary treatment is essential.

DON'T SKATE ON THIN ICE

Avoid putting your dog's life in jeopardy by steering clear of frozen ponds, lakes or other bodies of water. You can't be certain whether the ice will support your dog's weight. If it doesn't, the situation could be tragic.

DO CHECK YOUR DOG FROM HEAD TO TAIL

Check your dog's footpads regularly after outdoor exercise. Constant exposure to moisture caused by rain, snow, ice, or mud can irritate a dog's footpads, causing skin damage, cuts and infection from bacteria or fungi. If a dog has cracked or bleeding paws, consult your veterinarian.

After a heavy day of work involving a lot of tail action, you may also notice your dog's tail hanging limply, as though it may be broken. Limber tail can often occur when a dog uses his or her tail excessively, such as after a day of hunting or training, especially when the dog has worked for a long period of time in cold, wet conditions. If your dog does get limber tail, rest is the best management, though nonsteroidal anti-inflammatory drugs (NSAIDs) also are commonly used to help manage the condition. A dog usually will recover within a few days.

DON'T FORGET TO WINTERIZE YOUR DOG'S KENNEL

After a chilly day afield, like you, your dog is ready to return to a warm home. If your dog sleeps in an outdoor doghouse or kennel, preferably one that is insulated and heated, it should be off the ground with the door positioned away from direct wind and have thick, dry bedding. Inside shelter, however, is vital when the temperature plummets.

The bottom line is to use common sense in caring for your dog in winter. Although you can't change the weather, you can be sure your dog is healthy and comfortable. ■

COLD WEATHER NUTRITION

It is critical for a dog exposed to low temperatures for long periods of time to be fed an adequate amount of food to enable him or her to produce enough body heat to maintain normal temperature. Thus, a dog needs 7 percent more calories for every 10 degrees the temperature drops below the moderate temperatures of spring and fall. In fact, the caloric needs of an active dog in winter could double, so feeding a quality high-protein/high-fat dog food year-round, such as *Purina Pro Plan SPORT Performance 30/20 Formula*, is recommended. Poor quality dog food is not a per-calorie savings.

In winter, it helps to allow your dog to gain a small amount of weight for insulation and energy reserves; however, it still is important to maintain ideal body condition, defined as ribs palpable without excess fat covering. Because of the metabolic changes that take place and to help process extra food, a dog should have ample water. Be sure to keep it from freezing.

WANTED A FEW GOOD DAWGS

Effective with the constitution change approved February of 2002, NSTRA will elect the offices of President, 1st Vice President and Treasurer this year. These officers will then begin serving their three-year term the Sunday after the annual Dog of the Year Trial.

Selecting the right candidates is very important and is the duty of a nominating committee appointed by the President. This election year, Greg Wood will be the chairman of our nominating committee and will be assisted by Todd Hendrix, Mike Stotts, Randy Schultz and Jr. Coke. Below you will find their phone numbers and e-mail addresses in order to contact them regarding running for a position.

If you are interested in becoming a candidate for these elected positions, contact one of these committee members as soon as possible but before May 30.

The official duties of the officers are listed in the Bylaws, but their duties go far beyond what is listed. Our officers spend considerable time working to improve our organization and most often their effort is little noticed. The officers meet a minimum of two times each year at the April and October meetings in Plainfield. They usually plan their meetings around our championship trials so they can reduce the travel expenses and to spend time visiting with our members to learn how to make NSTRA the best it can be. In addition, there are several conference calls and often meetings at other national trials.

NSTRA is always looking for leaders who have the time to donate and have skills that will benefit our organization.

If you would like to be considered, contact Greg Wood or another nominating committee member. But be forewarned, the officers of NSTRA are required to do real work and lots of it. Being a NSTRA officer is a huge commitment of time and there is no compensation for any of our officers other than reimbursement for travel expenses to official meetings. The reward comes from being able to see good ideas blossom into reality and to provide our members the opportunity to enjoy the sport of dog trialing and their membership in NSTRA.
