News From the Officers

The National Shoot to Retrieve Association is fortunate in so many ways but perhaps the most notable piece individually and collectively are the almost 2000K members who contribute time, talent, and “doggedness” each and every day. Our professional partner-members, aka sponsors, support the organization financially AND the individual members in tangible measureable ways. From a top notch animal research and food supplier to a leader in technical tools for training, NSTRA members benefit at regional and national levels; boots, boxes, and belts as well as scholarships, shot-shells and shirts make their way into the hands of many members regularly throughout the year. Please consider the choices you have when making purchases and support those who support NSTRA.

Each month as we collect trial results from all regions, there are always dogs that place and from whom the office has not received a copy of the registration. This affects placement points and bogs down the entire reporting close-out of a trial. Dogs participating in NSTRA events should have registration paperwork on file with the National Office. We currently require it only to register placements when earned, but it is easier for everyone if you send it prior to participation. You can send a copy of the registration form (not pedigree) to the office by USPS, or by email to office@nstra.org or nina@nstra.org or by fax to 317-839-4197. (Perhaps the easiest way and quickest method is to take a picture with your cell phone and e-mail it to us right now while you are reading this!)

And, UKC staff will be on-site in October at the DOY trial to register your dogs in person. Registrations with UKC offers you options for tracking championships and wins on the pedigree itself.

National trial entries create special situations for the office when members attempt to enter by telephone or email. All National Trial Entries must be on a completed official National Trial Entry form which can be found in the magazine or on the website under Members Forms, or by registering on-line at the website. This enables us to make sure we have all the correct information. No telephone entries will be accepted. No e-mails will be accepted without completed form. Make sure that you complete and include a method of payment!

With that in mind, the deadline for entering the Purina Endurance Classic National Trial is fast approaching (July 16, 2018). The trial is September 5-8, 2018, and pre-trials run Sept 1-4, 2018. Waverly NE is located between Lincoln and Omaha, and is a hub for several major roads including Interstate 80 and HWY 6. Waverly, is one of the fastest growing communities in Nebraska, and has emerged as one of Nebraska's premier cities – the perfect place to hold a premier NSTRA event sponsored by Purina!

Thank you and have a great summer!

REGIONAL TRIALING

PURINA
PRO PLAN
NUTRITION THAT PERFORMS®

The National Shoot To Retrieve Association (NSTRA) was founded by a group of dedicated bird hunters looking for a way to extend the fun they enjoyed with their bird dogs after their season ended. Field Trials, under hunting conditions, were the answer. Field Trials provide an extended the season, a sportsmanlike environment and competition with others who enjoy bird dogs.

IMPORTANT THINGS TO REMEMBER!

Purina Endurance Classic:

Entry into this trial will be based on all open points earned from June 1 through May 31. Points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial do not count; however, points from qualifying rounds do count.

TOP PERFORMANCE:

Dogs must have at least 20 open points from June 1 through May 31 of the applicable year to be eligible. Points will be from weekend trials only. From there, the award will be based on national trials and regional eliminations. The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of nationals the same each year. The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. For national trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for the third and 25 for fourth. The placement for the regional eliminations and national trials is determined by the score of the last round in which the dog ran.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated.

Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

TRIAL SCHEDULES:

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SCHEDULING FEES:

Trial scheduling fees are requested in the NSTRA office at least 4 weeks prior to your trial date in order to mail the packets on a timely basis.

TRIAL REPORTS:

Trial reports are due in the NSTRA office 10 days after the trial date.

QUAIL INVITATIONAL:

This trial is always held the last week in February that includes a Saturday. The qualification period for this trial is Nov. 1 through Oct. 31. This includes all points earned during the time frame, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count). Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO INVITATIONS WILL BE SENT. Any dog with a placement during the specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

TRIAL OF CHAMPIONS:

The criteria for entry into this trial is that the dog has earned an open championship and is at least a 1X open champion by February 1 of the current year OR the dog can be a paid standby for this trial by achieving their open championship between February 2 and March 31 of the current year.

UKC PERFORMANCE CLASSIC:

The qualification for this trial is points earned from April 1 to March 31. Weekend trials

only. No points from qualification or final rounds of national championship or regional championship trials will be counted.

DOG OF THE YEAR:

This trial will begin on Wednesday of the last full week of October. This trial is based on region elimination placement and/or high point status. All entries must be postmarked 45 days prior to the first day of the Dog of the Year trial. (NO INVITATIONS WILL BE SENT.)

HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1. *Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at anytime to request a change in their Home Region.

ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members EXCEPT they are unable to vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

RULE CHANGES:

Proposed new rule changes or additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions or the Dog of the Year trial.

IMPORTANT THINGS TO REMEMBER!

REGION HIGH POINT:

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

FIRST TIME PLACEMENTS:

The National Office now requires a copy of the dog's registration certificate for first time placements. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org) or a photocopy by regular mail.

NSTRA Distinguished Members:

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations are to be submitted by August 31. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included if available. Contact the NSTRA office for a list of criteria.

The committee will review all nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected.

The committee will make their decision by September 30. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

Who's Larry Bechtel?

Mr. Bechtel passed away last week and like many other
founders of National Shoot to Retrieve has been forgotten over
the years. Larry served as the first Secretary of NSTRA in the
formative years and was also a personal friend that gave his
full support when many folks said it couldn't be done.

Money was a big issue back in those years and we did a lot
of creative things to get the job done. Larry as well as others
in this small group of officers often times donated their own
money to keep it moving forward. I remember Larry who was
a chemist at Eli Lilly at the time getting his company to donate
hundreds of dollars for paper supplies, Copying, mailings etc..
He was also another one of the tireless workers that found time
to help develop the materials to be printed on those reams of
paper products.

NSTRA didn't just happen this small group took an idea and
got a lot of people pulling on the same end of the rope and
NSTRA became a reality with Larry being one of this group.
He was a team player and a productive worker.

***To Larry and a lot of other forgotten folks a special
THANKS for a job well done.***

2017

Distinguished Members' Award

Two recipients were chosen by a committee of their peers for 2017 and the awards were presented at the annual DOY banquet.

The first award went to Donny Parker – AR-LA Region, of which Donny is now President. Donny was raised around Hot Springs, AR where there was an abundance of wild quail at that time. This stemmed an interest in bird dogs and bird hunting. In 1983 Donny went to a National Bird Hunter's trial, but was not excited due to the judging and scoring aspects of the trial. At about the same time, Donny heard about a trial in Monticello, AR which ran according to NSTRA rules. He took his English Setter Bird dog, Blu, and participated in the trial which he enjoyed. Several other people at the trial decided to start a NSTRA Region and he along with Carroll Evans and P. A. Shockley among others began the quest to start a Region. Two judges from Indiana, one being Tom Love, came to Arkansas and judged the first Region Trial and the region has grown to approximately 90 members and 11 - 2018 Spring Trials. Donny is married to Sarah with 2 sons, 2 daughters and 7 grandchildren. He is now retired from Kroger where he was the meat manager for 42 years. To date, Donny has judged 453 trials, of which 23 were Regional Championships and 41 National Championships. Donny has also been instrumental in judging the annual Shriner's Crippled Children's Trial. Congratulations to Donny who is truly a Distinguished Member of NSTRA.

The second 2017 Distinguished Award winner was Bodie Ray, GA Region. Bodie was raised in Gordon County, Calhoun, Ga. He was an avid wild bird hunter as wild quail were abundant during Bodie's early years. As the wild birds disappeared, Bodie listened to Mitch Hurst and Chuck Parkerson talk about the good times they were having at field trials. Mitch talked Bodie into accompanying him to a Red Briar Trial in 1987 of which the two judged. Thus, began Bodie's career with NSTRA as a handler and judge. He has owned and handled many dogs through the years, but his first trial dog was an English Setter female, Dolly. Bodie retired from the Gordon County Tax Appraisal Department after 34 years, but is still a member of the Board of Assessors. Bodie has one daughter, Melody, and granddaughter, Emilee, and his Mama; all three his pride and joy. At the present moment, Bodie is a single, available male always looking for a good time. He has judged 466 NSTRA trials of which 16 were Regional Championships and 29 National Championships. Bodie has judged several memorial trials; Scott Clark, Chuck Parkerson, Jesse Pinnion, and Bray/Kuykendall Memorials. Bodie participated in the 2017 Shriner's Crippled Children's Trial and is also instrumental in helping with the Iron-Man fun trial held each year at the Jimmy Johnson Farm. To another truly deserving recipient of this award – hats off to Bodie Ray. ■

2017 NATIONAL CHAMPIONSHIP – DOG OF THE YEAR

“Conservation Birddog Club in Amo, Indiana”: the name alone quickens the senses as 186 dogs, handlers, and cheerleaders start gathering on site during the last week of October. What a feeling to tingle with excitement as part of the history and tradition here at the NSTRA National Championship. Folks from all points of the Country and Canada bring their “A” game to compete for bragging rights, trophies, belt buckles, and other swag; but mostly, members of the NSTRA family gather together to celebrate an annual culmination of weekend trials & regional eliminations. THIS IS DOG OF THE YEAR!

After a weekend + two days of warm weather and “pre-trial” strategy, the BIG trial began on Wednesday, October 25, 2018. Amidst a slight but accumulating bit of moisture in the air, the colors of fall were somehow highlighted against the grey skies. Trial Chairman, President Adam Fellers, met with the trial personnel prior to the start of the trial for introductions and last minute instructions. The Judges for the trial: Lamar “Bodie” Ray (GA), Donny Parker (AR), Mike Stotts (WA), Randy Jacobs (AR), Kelly Price (OK), and Nance Ceccarelli (ID). The Field Marshalls were: Brenda Barr (TX), Ron Huels (IL), and Crystal Nichols (IN). Trial Coordination was aptly managed by Nina Harmon, with assistance from 2nd Vice President Marilyn Cunningham. 1st Vice President Mikeal Mulberry stepped in to assist with management and award presenting when a family emergency called Adam away. This great group of officials demonstrated teamwork, strength, knowledge, perseverance, and caring for the contestants throughout the week. Thank you!

186 dogs entered in the trial started on three fields (A, B, C) on both Wednesday and Thursday. The top 16 dogs in each of the fields (96 total) then advanced to run on Friday. These 96 dogs would run in 3 fields - each one hoping to be one of the top 12 in the field and thus advancing to Saturday morning. Early starts meant that field cleaning was handled by a stalwart few each morning at day break. One of the biggest components to starting on time and absolutely key to keeping the trial moving is excellence in bird-planting. JR Coke (IN) did an exceptional job planting birds for the trial.

Day 1 ran almost into dark with minimal time prior to the Board of Director’s meeting. National Office staff Julia Herwehe made sure that piping hot pizza was available a-plenty for all to enjoy prior to the start of the meeting. President Adam Fellers presided over the meeting and NSTRA business was conducted by Region Representatives and National Officers. The biggest discussion point, sometimes a bit contentious, had to do with the development and implementation of the NSTRA operating system. Still experiencing growing pains, 1st VP Mikeal Mulberry and Treasurer John Davis gave thoughtful, cogent explanations of the difficulties, obstacles, and improved operational capabilities brought to the organization while maintaining a healthy financial position. Among other items, the Board approved “ATV variances” for individuals, adopted a rule clarification intended to allow for greater flexibility in drawing trials electronically, and discussed generally the future plans for NSTRA.

Day 2 was a bit shorter in duration – or perhaps the well-oiled machine was clicking along really well as this huge clan gathered for yummy vittles. The traditional Thursday night dinner of catfish, chicken, slaw, and biscuits is truly a crowd pleaser and puts everyone in the mood for the annual meeting festivities. To the uninitiated, this surprisingly casual and comfortable meal is a superb setting for the highlights and awards of a year in which accomplishments are many. The focus is on dogs and PEOPLE – not the meal. The previous year’s DOY winner is honored with a portrait of their dog painted by Bob Bertram. Three phenomenally young individuals were recognized and awarded scholarships: Nicole Hall, Leah Thomas, and Aubrey Sesker. Bruce Murphy, and his dog “Ryder” were recognized for the Top Performance Award and received a portrait painted by Ross Young. Perhaps most moving were the stories of the Hall of Fame inductees (Moonshines Poison Ivy, Split Creek’s Medicine Man and Resa’s Trouble Mace) and the two Distinguished Members, Bodie Ray and Donnie Parker.

Day 3 brings the emotions forward of the first cut and amplifies throughout the day the pressures of the next cut to Saturday morning. Dogs and people feel the “heat” and the sun was actually out for much of the day. These are the best of the best in our association. Friday night is a night to relax and prepare for a long day Saturday.

Day 4 was a drizzling Saturday in Amo Indiana and brace by brace, the elimination of “good” dogs in lieu of the outstanding dogs continues. The final six dogs included five experienced and accomplished setters and a “new to the winner’s circle” GSP. Ultimately, under the pressure of darkness with finds illuminated by the headlamps of the Judges’ atvs, a little setter “flew” into first place and National Championship history.

Congratulations to Kickapoo Sioux Too (Sioux), owned and handled by Roger Parient (IN).

NSTRA Youth Scholarship Fund

A. NATURE OF AWARD: National Shoot to Retrieve is offering a one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

B. CRITERIA FOR SELECTION:

- 1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter or grandchild of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information **MUST** be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic

achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

C. STIPULATIONS: The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

D. PRESENTATION OF AWARD: The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.

HOW TO SEND HI-RES PHOTOS FROM YOUR PHONE

The NSTRA office is asking all member who take photos at events and/or submit photos to be published in the NSTRA magazine to review the below information.

With many members submitting cell phone photos, the office has had numerous problems. Photos out of focus, low res, and screen shots of photos are not acceptable for printing in the magazine.

BELOW ARE SIMPLE STEPS TO FOLLOW:

1.

The easiest option here is to email all photos to yourself. In the subject line or in the body of the email, write info, name, last name, dog name, and additional information that may be needed for the office. We need to know who these people are and their dog's names. (Submit all photos to NSTRA properly identified)

2.

When you click "Send", a menu will pop up asking you what size to send. Do NOT select Large. You want the option that says "Actual Size" and as you can see from this screenshot, that's the largest file size.

CONSIDER THE FOLLOWING WHEN TAKING A PHOTO AND HAVE FUN DOING THEM!

Don't stand too far back from the subjects.

Check out the background in photos. If cluttered move everyone to a better location. Is photo in focus? Are people smiling? Are faces too shadowed? Are there alcohol bottles in photo? Are dogs in proper placement order? Are training collars removed?

Not Accepted:

- Screenshots of your photos.
- Captions typed directly on a photo.
- Low resolution.
- Photos embedded in word docs.
- Blurry Photos.
- People cropped out of photo.
- Alcohol bottles in photo.

If you submit photos that are not acceptable for printing, we will try and let you know, however with deadlines your photos may not be published.

Make sure subjects are well lit in front.

PRESEASON TRAINING OF BIRD DOGS STARTS EARLY

It's never too early to begin thinking about the next hunting season.

In fact, preparing a dog for the season takes year-round work.

Serious bird dog enthusiasts never let up from conditioning and training mode, though the intensity of day-to-day routines may relent a bit during the off-season.

Preseason training varies by age, experience and individual dog, but experts agree success results when a program focuses on optimal training, conditioning and nutrition. These components are essential when it comes to developing your dog for hunting and field trials.

"Bird dogs need to be in good physical condition going into the season, which means owners should focus on getting a dog into top condition way ahead of opening day," says Purina Senior Manager of Sporting Dog Programs Karl Gunzer. "Those who build a performance platform that balances training, conditioning and nutrition are enabling a dog to be his or her best."

Gunzer, a pro trainer for 20 years, understands the rigorous requirements on the front end that produce the desired results in the field.

"Training is a process that takes time. A dog must mature physically and mentally to the challenges being taught," he says. "Nutrition supports the hard work. Feeding a nutrient-dense, high-protein/high-fat performance food helps to increase a dog's capacity to metabolize fat, thus giving the dog a higher oxygen capacity to work."

"Feeding a high-protein/high-fat diet primes a dog's metabolic engine to efficiently convert nutrients into energy," explains Purina Senior Research Nutritionist Brian Zanghi, PhD. "Keeping a dog on a performance diet year-round is essentially giving him or her a two-month conditioning

edge over a dog fed a maintenance diet that is lower in protein and fat."

Gunzer adds, "Feeding a nutrient-dense food also allows you to not have to feed an excessive amount to keep weight on a dog. When a dog eats less food, and thus has less volume in his or her stomach, the dog is more comfortable."

"The goal of nutrition is to optimize performance, which means feeding a food containing key nutrients in an optimal balance to provide optimal benefits," says Dr. Zanghi. "This enables a dog to hunt longer. Food can metabolically prime our dogs to promote optimal endurance."

If your bird dog worked hard last fall and early winter during the hunting season, he or she should be in ideal body condition. Maintain your dog's figure by adjusting the amount of food fed accordingly based on the nine-point Purina Body Condition Score System.

A dog should have a score of four to five, meaning the ribs are palpable without excess fat covering. By keeping your bird dog at a healthy weight, he or she will be ready to hit the ground running in a training and conditioning program come spring in order to prepare for the following hunting season. ■

TRAINING WITH A NUTRITIONAL STRATEGY

The ideal food for hardworking bird dogs should be high in fat and protein, such as *Purina Pro Plan SPORT Performance 30/20 Formula*, a quality performance dog food containing 30 percent protein and 20 percent fat.

NUTRITIONAL DO'S & DON'TS FOR BIRD DOGS

DO ADJUST THE AMOUNT OF FOOD BASED ON THE SEASON During the winter months, a dog needs nearly 7 percent more calories for every 10 degrees the temperature drops below the mild temperatures of spring and fall. Likewise, in the summer, a dog needs about 7 percent fewer calories for every 10-degree rise above spring and fall's moderate temperatures.

DON'T FEED BEFORE EXERCISE Because complete digestion takes from 20 to 24 hours, you should feed your dog the night before a hunt or training and conditioning session. A dog fed six hours or sooner before exercise results in the body's fat-burning enzymes not being optimized, which contributes to reduced endurance and energy generation.

DO FEED A PERFORMANCE DOG FOOD YEAR-ROUND It is best to feed your hardworking dog a performance food year-round to help maximize training and conditioning, though you should reduce the amount fed if your dog's activity level decreases during the off-season.

DON'T ALWAYS FEED THE SAME AMOUNT OF FOOD During the first four to six weeks of conditioning, food quantity should increase but then level off and decline slightly. Each dog is an individual, so you should always adjust the amount of food fed to maintain your dog's ideal body condition.

DO FEED ONCE A DAY This allows a dog time to completely digest his or her food. A young dog or high-maintenance dog requiring a larger portion of food can be fed twice a day with a slightly smaller portion in the morning.

DON'T FORGET ABOUT IDEAL BODY CONDITION Always feed your dog an appropriate amount of food to maintain ideal body condition, meaning you should be able to feel the ribs and see an abdominal tuck from the side.

DO PROVIDE PLENTY OF WATER A dog should be well-hydrated, as exercise is a heat-producing activity, and water is required to dissipate heat. Water also is needed to remove the byproducts of energy metabolism, which is essential to endurance and performance.
