News From the Officers

Spring cleaning and summer projects are upon us now – the perfect time for a few reminders!

TRIAL SCHEDULES:

Fall trial schedules are due May 1 and Spring trial schedules are due November 1 – every year. The format, style, and requested information is important not just for the ability of staff to drop it into this magazine but also for NSTRA members across the country to have uniform information about trials in all regions. If you miss the deadline, we do our best to get it into the next magazine. However, it does go up on the website almost immediately.

ENTRY FORMS and FEES:

All trials require entry forms – either a generic form for weekend/regional trials or the one specified for a national trial. All trials require fees. How regions handle collections is a local matter, but the National Officers and National Office staff cannot allow individuals to run on “credit” for any reason.

TRIAL REPORTS:

Congratulations to all of you for managing the reporting of trials in our new operating system! Overall, this process is working really well! It is wonderful to have the regions and local trial chairs able to manage the entry of trial data into the system. The system and tools are designed to encourage more local control and autonomy while simultaneously ensuring national uniformity. We're almost there!

Here are a few reminders:

1) GIGO = garbage in/garbage out! be careful and precise when setting up your trial and when entering scores!

2) Please take your time and search for a dog when setting up the registration - please do NOT simply create (or add) a new dog every single time a trial is set up! These extraneous and duplicative records wreak havoc in the database and complicate reporting further.

3) Points for placements are rolling up into dog records within a couple of days, first place points must be verified by the national office; if you do not see an updated field or dog record within a short period of time, send a quick email or place a call *first to the trial chair* to determine if the report has been entered and finalized – then check with your region President or National Officer representative.

4) The “National Office staff” sounds like a huge operation – but keep in mind it is simply one full time person and two part-time people. **PLEASE DO NOT** request that the office set up your trial or draw your trial for you or complete your reporting, or, or, or. . . All three have specific responsibilities and all three have lives outside of NSTRA! When you do your part as a member, participant, trial official, or regional officer – they can attend to the multitude of other tasks required to keep the organization running: things such as collecting dog registration forms, verifying dog records and points, paying bills, creating championship certificates, mailing trial packets, setting up and managing the logistics of national trials, managing scholarship applications, assembling nominations for Hall of Fame/Distinguished members/Elections, the list is long – and time is limited.

By the way – please note the deadlines for by-law changes, rule changes, and scholarship applications!

REGIONAL TRIALING

PURINA
PRO PLAN
NUTRITION THAT PERFORMS®

The National Shoot To Retrieve Association (NSTRA) was founded by a group of dedicated bird hunters looking for a way to extend the fun they enjoyed with their bird dogs after their season ended. Field Trials, under hunting conditions, were the answer. Field Trials provide an extended the season, a sportsmanlike environment and competition with others who enjoy bird dogs.

Send all Regional Trial information, highlights and photos to NSTRA office to be placed in the next publication.

IMPORTANT THINGS TO REMEMBER!

Purina Endurance Classic:

Entry into this trial will be based on all open points earned from June 1 through May 31. Points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial do not count; however, points from qualifying rounds do count.

TOP PERFORMANCE:

Dogs must have at least 20 open points from June 1 through May 31 of the applicable year to be eligible. Points will be from weekend trials only. From there, the award will be based on national trials and regional eliminations. The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of nationals the same each year. The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. For national trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for the third and 25 for fourth. The placement for the regional eliminations and national trials is determined by the score of the last round in which the dog ran.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated.

Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

TRIAL SCHEDULES:

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SCHEDULING FEES:

Trial scheduling fees are requested in the NSTRA office at least 4 weeks prior to your trial date in order to mail the packets on a timely basis.

TRIAL REPORTS:

Trial reports are due in the NSTRA office 10 days after the trial date.

QUAIL INVITATIONAL:

This trial is always held the last week in February that includes a Saturday. The qualification period for this trial is Nov. 1 through Oct. 31. This includes all points earned during the time frame, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count). Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO INVITATIONS WILL BE SENT. Any dog with a placement during the specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

TRIAL OF CHAMPIONS:

The criteria for entry into this trial is that the dog has earned an open championship and is at least a 1X open champion by February 1 of the current year OR the dog can be a paid standby for this trial by achieving their open championship between February 2 and March 31 of the current year.

UKC PERFORMANCE CLASSIC:

The qualification for this trial is points earned from April 1 to March 31. Weekend trials

only. No points from qualification or final rounds of national championship or regional championship trials will be counted.

DOG OF THE YEAR:

This trial will begin on Wednesday of the last full week of October. This trial is based on region elimination placement and/or high point status. All entries must be postmarked 45 days prior to the first day of the Dog of the Year trial. (NO INVITATIONS WILL BE SENT.)

HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1. *Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at anytime to request a change in their Home Region.

ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members EXCEPT they are unable to vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

RULE CHANGES:

Proposed new rule changes or additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions or the Dog of the Year trial.

REGION HIGH POINT:

Points earned in the qualifying rounds of a

IMPORTANT THINGS TO REMEMBER!

Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

FIRST TIME PLACEMENTS:

The National Office now requires a copy of the dog's registration certificate for first time placements. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org) or a photocopy by regular mail.

NSTRA Distinguished Members:

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations are to be submitted by August 31. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included if available. Contact the NSTRA office for a list of criteria.

The committee will review all nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected.

The committee will make their decision by September 30. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

2017 Dog of the Year Finalists

The 5th place dog hailed from the LST Region, Heaton's Illinois Storm, "Stormy" ES/F, owned and handled by Dale Heaton. Stormy is 6 years old from Norman's Tekoa Storm and Master Mohawk's Kate. She has 9 lifetime points and is a 2x NSTRA Champion. The DOY 4th runner-up trophy and 38# bag of Purina Pro Plan were presented to Dale and Stormy; congratulations to the Heaton's and their fine setter Stormy.

The 6th place dog was Ludy's Northwoods Jack Pot ES/M, owned by Chuck Ludolph and handled by Curt Klaustermeier. Chuck is a member of the MN Region while Curt hails from Illinois. "Jack" is from Shadow Oak Bo and Northwood Chardonnay. Jack is almost 4 and holds 11 points towards his 1st NSTRA Championship. Hats off to Chuck, Sandy, Curt, and Jack for a job well done. They were presented with the DOY 5th runner-up trophy and 38# Pro Plan from Purina.

TOP FOUR:

The 3rd runner-up was no stranger to the winner's circle at the young age of 11 years old, having been there 6 times in his NSTRA career. Tomoka's Smokin Gun, "Jake" ES/M, is a son of Tomokas Smokin J.R. and Barr's Smokin Mackenzie. He is an 11X NSTRA Champion with 214 lifetime points, of which 140 are first place points. Jake is co-owned by Jimmy Kirkman and Greg Wood, with Greg handling him. Greg is a member of the Kentucky Region. Jake's first win came in December 2008 and then Jake won the Kentucky Regional in April 2009. His first championship came on 5/16/2010. Since that date, he has added an additional 10 championships to his glowing record. Jake's other attributes are National Champion of the 2017 QI, 1st runner-up at the 2016 QI, Champion of the 2015 TOC, Champion of the 2014 DOY, 1st runner-up at the 2013 QI, 2nd runner-up during the 2012 QI. Greg, Jimmy, and Jake were presented with the DOY Championship trophy and Belt Buckle from NSTRA, 112 # of Pro Plan and the winners' jacket from Purina, as well as Gift Certificates from Garmin and Dogs Unlimited. This is a phenomenal trio and our congratulations to Jake, Greg, and Jake along with Morgan, Megan, and Madison Wood, and Melissa Kirkman. This is a family affair and a huge part of NSTRA.

Second Runner-up, Jimmy's Scotch On The Rox, is a 5 year old German Shorthair female owned and handled by Lawrence Panetta, Michigan Region. She is from Zimmy's Blazin Buddy JH and Zimmy's Amazing Grace. Roxie is a 1XNSTRA Champion with 28 points, of which 13 are first place points. Her first placement was an amateur placement in April 2015 and immediately converted to the Open Class earning her first Championship on 7/8/17 at a Pigeon River Kennel trial. Roxie and Lawrence have gathered placements from Canada

to Florida, leaving a trail of ooh's and aah's for this remarkable German Shorthair. Lawrence and Roxie were presented with the DOY Championship trophy and Belt Buckle from NSTRA, 112 # of Pro Plan and the winners' jacket from Purina, and Gift Certificates from Garmin and Dogs Unlimited.

Murph's Mohawk's Ryder, 6 year old English Setter Male, was the first runner-up; owned and handled by Bruce Murphy – Mid-West Region member. Ryder is from War Wagon's Rocky Boy and Loneridge Independence. He has accumulated 116 points, of which 69 are 1st place points, and is a 6 XNSTRA Champion. His first placement came on 3/20/14 at a Rock Creek Trial. Ryder has placed in 14 National Qualification rounds at Championship trials. Ryder earned his 2nd Championship on 4/11/2015, 3rd on 4/9/16, 4th on 10/2/16, 5th on 5/6/17 and 6th on 10/25/17 at the DOY Trial. Quite impressive! Bruce and Ryder were presented with the DOY Championship trophy and Belt Buckle from NSTRA, 225 # of Purina Pro Plan and winner's jacket from Purina, and Gift Certificates from Garmin and Dogs Unlimited. Congratulations to Ryder, Bruce, and wife, Kerrie who is usually on hand to cheer on her 2 boys. Great week for the Murphy family.

THE WINNER: NSTRA National Champion is Kickapoo Sioux Too, 3 year old English Setter Female, owned and handled by Roger Parient, Indiana Region. Sioux is from Kickapoo's Jackpot (5 X NSTRA Ch) and Kickapoo's Little Sis. Sioux had accumulated 84 points until the DOY and then 6 during the week making a total of 90 points. Her first placement came on 2/11/15 at a CFFT in Florida and Sioux finished her first championship on 2/14/16. She has placements in 5 National Qualification rounds. Sioux's earned her 2nd championship at a Glenn's Valley Trial on 4/23/16, 3rd at CFFT in Florida on 1/29/17, 4th at Glenn's Valley on 3/26/17 and 5th at the 217 DOY on 10/25/17. Quite an impressive record for this snappy, petite Setter; not big but mighty. You always know upon seeing a dog for the first time that they will go on to bigger things. This is how it was with Sioux. Upon watching her for the first time, we knew a Champion was being created. She was just that kind of dog. Roger and Sioux were presented with the illustrious DOY Championship Trophy and Belt Buckle, 450# of Purina Pro Plan and a winner's jacket from Purina, a 500 Pro Collar from Garmin, and the Parients will receive a stunning Portrait of Sioux, commissioned by NSTRA from Bob Bertram. They also received a Gift Certificate from Alan Davison with Dogs Unlimited. Michelle was on hand for the presentations and along with Roger and Sioux, they accepted congratulations and pats on the back for a job well done. Congratulations to the Parient family and Sioux for a phenomenal week. ■

Correction to the 2014 Rule Book

This 2014 NSTRA rule book was printed with
an omission that has caused some concern
lately.

Section 11 Special Requirements Dog of the
Year & Regional Eliminations, page 39, sec-
tion 11.09 should read as follows:

An owner shall be allowed to enter his/her
dog (or dogs) in his/her home region or re-
gions in which his/her dog (or dogs) qualified
for elimination trials, but not in both regions.

**Dogs that qualify in home region, must enter
in home region.** To qualify for Regional
Elimination trials, a dog must receive a place-
ment in a sanctioned trial; the current regional
champion is also automatically qualified
(10/13). Dogs that hold Champions status
must run in home region. A dog may enter
only one Regional Elimination trial per year
January 1st to December 31st.

This has been in effect for over 20 years and
has never been rescinded. We apologize for
any confusion this clerical error has caused.

2018 National Shoot to Retrieve National Quail Invitational

The 2018 National Shoot to Retrieve National Quail Invitational was once again held at the Central Florida Field Trialers Club in Lake Wales, Florida. Those who traveled from "up north" were in for drastic temperature changes - 80's during the day and high 60's at night. A far cry from those temperatures the Northern States have been experiencing. The CFFT club held a 3 day quad on Saturday thru Monday with fields open for practice on Tuesday and Wednesday before the Thursday morning start time. Hats off to Sam Ashmore, Nancy Ashmore and Sharron Watson for spearheading the Pre-Trial and thanks to all those who helped in any way. On Wednesday evening everyone enjoyed a Shrimp and Oyster Welcome dinner with the seafood furnished by the Ashmore and Sterner families. There were 3 tables filled with sandwiches, salads, desserts to add to the seafood entrees. It was a fun-filled evening with Pre-Trial trophies presented and several items auctioned off by Auctioneer, Mikeal Mulberry. Miss Betty Harrell's jellies and jams bring "big" money each year and this year was a record high. Thanks to Miss Betty and the bidders.

Thursday morning dawned clear and warm. On hand for judging the QI this year were the 2 Ron's - Huels (211) trials to his credit and Becker (114), Donny Parker (460), Bodie Ray (474), Stan Perdue (250), Anthony Sluder (92), Mike Barker (32) and Glenn Blackwell (86). New to the National judging circle were Anthony and Glenn. We received several good reports on these guys and I'm sure we'll be seeing their names on many more National Trials. John Gillespie (1st timer) and Casey Perdue provided some expert bird handling abilities and marshals were Nancy Ashmore, Sharron Watson, Debbie Heaton, and Nina Harmon. The marshals are responsible for numerous jobs from collecting quail from the judges, watching the bird handler, making sure handlers are in the blind, giving last minute instructions to judges - need I go on. It's not an easy job, and although these ladies make it look easy, it takes special people with multi-tasking skills to do the job and do it right. Hats off to these gals. It was a great group of officials, knowledgeable of the rules and very respectful to all handlers. All were treated to a hot breakfast prepared by Paul Thompson (site manager) and wife Kim, Will Heddon and Irene. The National Anthem was played prior to the start of the trial reminding all of us of our good fortune to be living in this great country - free to enjoy our sport with friends and family. Fields were cleaned and after the short meeting with trial officials, the first brace was called to the blind at 7:30 a.m. A Field judges were Bodie and Anthony with Nina as marshal. John would plant A and B fields. Top 16 dogs would advance to Friday morning's running.

Thursday evening was a fun filled evening under the big top with another superb meal by Paul and Kim. Roast pork, baked potatoes, steamed vegetables, salad and peach cobbler made for a delicious dinner. The club held a raffle and thanked everyone for their donations and also to those who bought tickets. Marilyn thanked the CFFT birddog club, the Florida Region and CFFT for the many improvements which have been made and the work that goes into a trial of this size. We also remembered those of our association who are having health issues, John Davis Jr., Gene Pritchett and Terry Tison. Our prayers and concerns are with these men and their families. We would once again start at 7:30 Friday morning with 8 braces on each of the 4 fields in the morning. At noon, we would hold another draw and run 4 braces in 4 fields in the afternoon, eliminating ½ of the dogs at each qualification run. This would leave us with the final 16 dogs to run Saturday on 2 fields.

Judges and marshals remained at their respective fields while John and Casey changed fields.

Friday evening was a free evening with no festivities planned so most enjoyed their favorite Lake Wales Restaurant, whether it be Cherry Pocket, The Port or JB's. With so many special places for seafood, it's always a pleasure for everyone to try each place.

A special thanks to those who cleaned fields each morning and evening making the playing field fair for all. Also, to those who furnished 4-wheelers, we appreciate your generosity. Judges on Saturday morning were Ron Huels and Stan on A field with Donny and Ron Becker on B. Casey would handle the birds with Nina and Bodie as marshals. At this time, we now had our 4th and 5th runner-up winners. Each received a large bag of Purina Pro Plan from our major sponsor, Purina Pet Food. 4th was Fancy Elhew Lexy, EPF, owned by Rolly Prior(IL) and handled by James Carver. 5th runner-up was Kickapoo's Larry Bird, ESM owned and handled by George Sterner IV(FL). Congratulations to both. 4th and 5th from a field of 128 is indeed an honor.

Lunch was served in the clubhouse while the draw was held and fields cleaned for the final ½ braces which would determine 2nd and 3rd runner-up according to scores and the final 2 highest scores determining the run-off for the 2018 National QI Champion. The four handlers would be placed in the blind with both braces running on A Field.

- 1 SMITH'S SHADOW OAK BOJANGLES (JAY) BRIAN BOALS – 308 – 3rd runner-up
- 2 IN GEORGE'S HONOR (CRICKET) SAM ASHMORE- 834.8***
- 2 CROSSWINDS RAWHIDE KAISER (KAISER) THADDEUS TOWNSEND =316.5 – 2nd runner-up

Of note, it was a first time in the Final Four Circle for Thadd and Brian and is always a special time for the owner/handlers and crowd as well. To say they were excited is an understatement. They were beaming as well they should have been.

The 3rd runner-up was SMITH'S SHADOW OAK BOJANGLES (JAY) – owned and handled by Brian Boals – Michigan Region. Brian has been a member of NSTRA since 2013 and has trialed in several neighboring regions plus Michigan. Jay is a 4 year old English Setter Male from Shadow Oak Bo and Smith's Hytest Ally. He is a 1 time NSTRA Champion with 35 lifetime points of which 21 are first place points. Jay's first placement was on 11/8/15 with a 1st place during the QI Pre-trial in 2017 at the Quail Invitational. He was 6th in the Michigan Regional Elimination and 6th during the Purina Endurance Championship. Brian is a welcomed member of NSTRA along with his Mom and Dad, who are always on hand at the trials. This year Brian's Dad, Jim, ran and placed during a qualification round of the QI. It's truly a family affair and our congratulations to the Boals family. Brian received the NSTRA Belt Buckle and trophy from NSTRA, along with 112# of Pro Plan and the Top 4 winner's jacket from Purina, presented by Mikeal Mulberry, 1st vice-president of NSTRA. He also received a \$50 gift certificate donated by Alan Davison, Dogs Unlimited, gift certificate from Garmin and t-shirt from J.B.'s restaurant – presented by Jim Mahoney. Again, congratulations from NSTRA to Brian and Jay.

Running close in score was our 2nd runner-up, CROSSWINDS RAWHIDE KAISER (KAISER) owned by Pat Carlson and handled by Thadd Townsend. Pat has been a member of NSTRA since 2009 with Thad joining in 2015. Kaiser is a 4 year old German Shorthair Male by Crosswind Micro Chip and M'Credible Pick of Destiny. He is a 1 time NSTRA Champion with 30 lifetime points of which 18 are first place points. Kaiser placed at the 2017 Purina Endurance Trial and was 7th in the total dogs entered. He also received 2 placements during the Pre-Trial of the same trial. Kaiser was 3rd during the Michigan Regional Finals. Although Pat was unable to attend the QI, there's no doubt he was keeping up to date by Thadd and Uncle Scott. Looks like he's following in Scott's footsteps placing in the Top 4 of a championship trial. Scott was no stranger to this elite circle of Top 4 winners. Thadd accepted in Pat's absence the NSTRA Belt Buckle and trophy from NSTRA, along with 112# of Pro Plan and the Top 4 winner's jacket from Purina. He also received a \$50 gift certificate donated by Alan Davison, Dogs Unlimited, gift certificate from Garmin and t-shirt from J.B.'s restaurant, plus the certificate from Garman. Congratulations to Pat, Thadd and Kaiser for a super performance. No doubt we will be seeing more of this trio at upcoming trials.

After a one hour rest period, Roger and Sam came to the blind at approximately 3:00 p.m. Mike and Glenn would judge the final hour while Deb and Bodie would marshal. Casey would spread the 10 birds throughout A and B field, utilizing approximately 80 acres.

Cricket would have the first 2 points, but Sue was not to be outdone and at the end of the hour, Sue would score on 6 birds while Cricket had 4 on the scorecard. Sioux's points were scored as 66, 84, 72, 85, 83, and 87; retrieves were A-77, 85, 69, A, A, A. Her obedience score was 63.5 with ground coverage at 80 with a 28 scored back – totaling 1110.5 points.

Cricket scores were finds- 83, 89, 79, 84; retrieves – 82, 80, A-82, 84; obedience – 60; ground coverage – 66; and back – 72 totaling 861 points. After congratulations were offered and pictures taken, all headed to the clubhouse for the awards ceremony.

The 1st runner-up, In George's Honor "Cricket" is a 8 year old English Pointer Female, owned by Sam and Clayton Ashmore/handled by Sam (Florida Region). She is from Ace's The Man and George's Elhew Sadie. Cricket has 138 lifetime points of which 84 are first place points. She is a 9 time NSTRA Champion and also a National Champion, having won the QI in 2016. Cricket had placements in the 2013 and 2014 DOY qualification, was 2nd runner-up at the 2015 Auheuser Busch QI Championship, 1st runner-up at the 2015 Florida Regional Finals, placed during a pre-trial run at the 2015 Purina Endurance Trial and the 2016 QI, won the 2016 QI Championship,

placed during a qualification run of the 2016 and 2017 Trial of Champions. Sam and Cricket were presented with the NSTRA Belt Buckle and trophy from NSTRA, along with 225# of Pro Plan food and the Top 4 winner's jacket from Purina. He also received a \$50 gift certificate donated by Alan Davison, Dogs Unlimited, gift certificate from Garmin and t-shirt from J.B.'s restaurant, plus the certificate from Garman. Cricket is a part of the Ashmore family and is especially close to Nancy. She spends most of her time in the house along with the rest of the family. Is she spoiled? That's probably not the word for it, but when it comes to field trialing she's all business. Congratulations to Cricket and the entire Ashmore family for a very consistent week and great hour run.

WINNER: The latest NSTRA National Champion is Kickapoo Sioux Too, English Setter Female, owned and handled by Roger Parient, Indiana Region. Sioux is from Kickapoo's Jackpot (5 time NSTRA Ch) and Kickapoo's Little Sis. She has 106 points of which 55 are first place points and is a 5 time NSTRA Champion at only 4 years of age. Sioux is no stranger to the winner's circle having won the 2017 DOY trial in October. Her first placement was in September, 2015. Of particular interest is Sioux accumulation of 17 points acquired from January through February 2016, 20 points during the same time frame in 2017, and 15 points thus far this year. Other placements included 2016 Purina Endurance Pre-trial, 2016 Endurance qualification run, 2016 DOY Pre-trial, 2017 TOC placement, and 2 placements during qualification runs at the 2017 DOY. This snappy little tri-colored setter leaves no part of the field uncovered and shows her Kickapoo lineage each time she is put on the ground. The name Kickapoo is derived from an Indian tribe who were an Algonquian-language people who likely migrated to or developed as a people in a large territory along the Wabash River in the area of modern Terre Haute, Indiana, close to Roger's farm.

Roger and Sue were presented with 450# of Pro Plan and the winner's jacket from Purina, the 500 Pro Collar from Garmin presented by Florida Region President, Sam Ashmore, NSTRA Belt Buckle and trophy from NSTRA, shotgun shells from Kent Cartridge. Roger also received a \$50 gift certificate donated by Alan Davison, Dogs Unlimited, and a t-shirt from J.B.'s restaurant. Sioux is also a family dog and travels in the motor home to various trials. Michelle is a real care giver to the Kickapoo dogs and our congratulations to Sioux, Roger and Michelle for a stellar performance and win.

The trial was a fun filled week of visiting with old friends, meeting new friends, dining out and field trialing. The weather could not have been better with warm evenings and even warmer days. The CFFT bird dog club and Florida Region had done a great job preparing for the trial, even concreting the floor of the galleries, which the marshals truly appreciated. Our sincere thanks in making these many changes. Thanks to Paul and Kim for great food all week, thanks to all the officials who did a tremendous job, to Mike Perry- Garmin for being on hand for help with Garmin products, and to the sponsors who help to make these trials a success. Last but not least, thanks to the owners/handlers who travel many miles and spend bunches of money. We do appreciate all those involved in any way.

It was great to see Betty and Ralph Harrell and Dot Heddon. Dot turned 99 years young in February of this year and said she would see us next year when she turns 100. The belt buckle for the QI is always given in memory of Pap Heddon, Dot's husband and Will's dad; a wonderful man whom we all remember with fond memories.

I'm not sure how many flats of strawberries Sam brought to the trial, but I know there was jelly being made in some of the campers along with lots of strawberry shortcake being consumed during the week. I know of 3 judges who ate 1 ½ flats during their visit. That's a lot of strawberries. Also, thanks to the Laraway's for the blueberry mustard and blueberry jerky. We enjoyed meeting the Jamie and Kara and hope to see them again real soon.

Thanks to Sam Ashmore for being co-chairman and also to Mikeal Mulberry for his help throughout the week. ■

NSTRA Youth Scholarship Fund

A. NATURE OF AWARD: National Shoot to Retrieve is offering a one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

B. CRITERIA FOR SELECTION:

1- Any high school junior or senior or any first or 2nd year college student who is the son/daughter or grandchild of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;

2- Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information MUST be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;

3- Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;

4- Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic

achievements and abilities;

5- Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6- Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7- Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8- It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

C. STIPULATIONS: The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

D. PRESENTATION OF AWARD: The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.

Honoring Georgia Region Member Clarke Thornton

The Georgia Region took some time to honor one of the great men, and great families in our Region. Clarke Thornton, of Washington, GA, joined over 20 years ago, along with his brother Gene. Together, and with the help of their large family, they sponsored Region Fundraisers for most of those 20 years. Those that ran their 3 fields remember the monster A Field. It was a straight line half mile from the start line to the back little cove- and you could bet any amount the bird planter would put one back there every time! Over the years, Clarke and his family's generosity with land, food, time, and effort kept our Region solvent through the hard times. In addition, when we only had 24 entries, one call to "the Thorntons" would bring a truckload of competitive dogs with Clarke, Gene, Gene, Jr, and Rick, all ready to rock and roll. Their efforts contributed many thousands to the coffers. They kept us laughing, as well. The stories those boys could tell about their logging business all over Georgia! It was a hard, hot, man-hurting business, but they could always put a humorous spin on it. The trees were always too hard to cut and no one was willing to pay what they were worth, but the Thorntons made it work and raised their kids.

Gene passed away a while back, then Rick passed suddenly, and we got word that Clarke just got out of the hospital with pneumonia. We decided to meet up and have some fellowship with Clarke and

the family. Family friend, Perry Rogers, offered his hunting plantation, in Rayle, GA, as a meeting ground, and we all met there to shake Clarke's hand, and tell a few lies about him...and tell him how much he means to us. At 88, he was still getting around. His eyes were bright, and when I talked with him, he smiled and asked about my wife and family. Our Region owes him and the Thornton Family a huge debt of gratitude. I'm glad we had the opportunity to say "Thank you, Clarke!" ■

HOW TO SEND HI-RES PHOTOS FROM YOUR PHONE

The NSTRA office is asking all member who take photos at events and/or submit photos to be published in the NSTRA magazine to review the below information.

With many members submitting cell phone photos, the office has had numerous problems. Photos out of focus, low res, and screen shots of photos are not acceptable for printing in the magazine.

BELOW ARE SIMPLE STEPS TO FOLLOW:

1.

The easiest option here is to email all photos to yourself. In the subject line or in the body of the email, write info, name, last name, dog name, and additional information that may be needed for the office. We need to know who these people are and their dog's names. (Submit all photos to NSTRA properly identified)

2.

When you click "Send", a menu will pop up asking you what size to send. Do NOT select Large. You want the option that says "Actual Size" and as you can see from this screenshot, that's the largest file size.

CONSIDER THE FOLLOWING WHEN TAKING A PHOTO AND HAVE FUN DOING THEM!

Don't stand too far back from the subjects.

Check out the background in photos. If cluttered move everyone to a better location. Is photo in focus? Are people smiling? Are faces too shadowed? Are there alcohol bottles in photo? Are dogs in proper placement order? Are training collars removed?

Not Accepted:

- Screenshots of your photos.
- Captions typed directly on a photo.
- Low resolution.
- Photos embedded in word docs.
- Blurry Photos.
- People cropped out of photo.
- Alcohol bottles in photo.

If you submit photos that are not acceptable for printing, we will try and let you know, however with deadlines your photos may not be published.

Make sure subjects are well lit in front.

Florida Region Pre-Trial February 17-19, 2018

As the sun sets on 384 runs and another quad pre-trial to the Quail Invitational everyone is in good moods, sunburned or tan and just plain having a good, if not great time. Some probably even went home with strawberry stained fingers from the flats of those Plant City strawberries Sam Ashmore kept bringing in for everyone. Several good comments were heard on the improvements around the club itself and how welcome they all felt. Sam, Nancy, Clayton Ashmore and Sharron Watson put a good team together to have it run as smoothly as possible. Special thanks to all the FL region, GMHT club members and Paul (our new site manager) who stepped up to make it work (don't want to try and list them afraid I'd forget someone). We had assembled a great crew of judges, marshals and bird planters from all over the country who really did a yeoman's job in the warm weather. Our personal thanks go out to Debbie Heaton, Kim Thomas and Tina Sterner for entering the daily scores throughout the pretrial and Tami Alvarez for the photos posted on Facebook. Great Job to all!

Reports from the judges are that they saw lots of good dogs and that it should be a very competitive Quail Invitational.

This quad pre-trial filled up very fast. Entries came in fast and furious from December 1st through actually the week of the trial; however it was full by the first part of January. But even so, we were able to get most, if not all on the bye list, in for runs. It's difficult to make everyone happy but we do the best that we can. It was really nice to see some first timers attend the trial, Dean and Kristy Goodall, Tara and Jamie Laraway (the blue berries were awesome), Jim and Kim Thomas, Thad Townsend, Angelo Pizzo, Mike Fox, Guy Gelinas, Chuck Vande Hei, Mark Little and John Cullen to name a few. As close as we can figure we had 14 or more regions represented at the pre-trial.

On Wednesday night before the QI the Florida Region and some GMHT members provided a bang up food table with lots of assortments to choose from. In addition special thanks to Sam Ashmore and George Sterner for the shrimp and oysters donation that's always a huge hit. We auctioned off Betty Harrell's Jelly's and breads along with other items and then on Thursday night we had the drawings for the raffle tickets. Thanks to all who donated and participated.

On Wednesday night we also did our award presentations for the winners during the pre-trial. Some of the photos are included. Congrats to all!

God Bless and stay in touch... ■

*Thanks to all
for making the
trip to Florida
and we welcome
the opportunity
to see you again!*

PRACTICE HEALTHY HYDRATION TO HELP YOUR BIRD DOG BEAT HEAT STRESS

Training and conditioning during the late spring and early summer don't have to be unbearable. Practicing healthy hydration, as well as understanding the signs of heat stress and how to deal with it, can help reduce the dangers of overheating in your hardworking bird dog.

Keep in mind that dehydration can occur rapidly. Dogs that exercise 30 to 60 minutes at 70 to 80 degrees can experience mild to moderate dehydration, depending on the activity and the intensity. Among the effects of dehydration is an impaired ability to maintain a normal body temperature.

The most common risk to a hardworking bird dog is an excessive increase in body temperature causing heat stress.

The level of crisis ranges from simply making a dog uncomfortable to a life-threatening situation.

Most dogs are very good at controlling their body temperature — until their temperature goes past a critical level. When this happens, even after the dog's temperature is lowered back into the safe range, your dog may experience permanent inability to regulate his or her body temperature as well as before overheating.

These tips will help you take the heat out of your upcoming summer training and conditioning program and make your hardworking dog more comfortable.

DID YOU KNOW?

Water is the most essential nutrient for dogs, as it supports many physiological functions, helps to remove metabolic waste and establishes a complex body-fluid matrix that underlies all metabolic processes.

Purina Senior Research Nutritionist Brian Zanghi, PhD, explains that hydration is a dynamic process between water intake and loss in which there is no consensus on how to define optimal hydration in dogs.

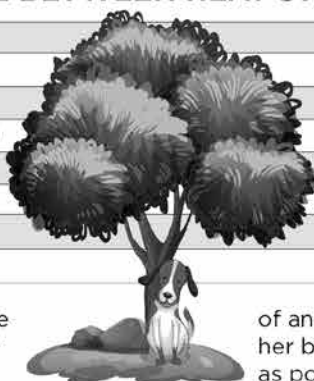

"Many factors influence a dog's daily water loss and hydration," says Dr. Zanghi. "These include a dog's environment, health condition, age, physical activity, water availability and diet. There's no doubt a dog's body water is in constant flux, thus regulation of water balance and thirst-driven water intake is necessary to replenish the persistent evaporative loss of water through respiration, skin and coat, and urine, saliva and feces."

The bottom line? "Dogs should always have fresh water available to help establish true hydration," Dr. Zanghi advises.

CAN YOU TELL THE DIFFERENCE BETWEEN HEAT STRESS AND HEATSTROKE?

Heat Stress	Heatstroke
Shade-seeking behavior	Distressed and anxious behavior
Lethargy	Profuse, thick drooling
Heavy panting, possibly with tongue curled up	Extreme panting
Lack of coordination	Vomiting
Loss of focus and motivation for exercise	Diarrhea
Squinting of the eyes	Gums and tongue may turn dark pink or bright red
	Collapse and/or seizures

If you suspect your dog has overheated, time is of the essence. At the first signs, especially those of heatstroke, stop all physical activity and contact your veterinarian while taking action to enhance the cooling process. Give your dog some water and rub cool water on his or her abdomen. A dog with advanced heatstroke may have seizures or slip into a coma. While transporting your dog to the veterinary clinic, position him or her in front

of an air vent and allow cool air to move around his or her body. It's important to seek veterinary care as soon as possible, because the longer a dog is exposed to high temperatures, the more damage you can cause. The effects of heatstroke can continue for 48 to 72 hours even if your dog appears to have returned to normal, so it is important to evaluate a dog for damage to the liver and kidneys, as well as any other health problems.

TIPS TO KEEP YOUR DOG PROPERLY HYDRATED

- Always keep an eye on your dog and monitor for signs of heat stress and dehydration
- Give your dog small amounts of water every 15 to 20 minutes during exercise, especially during bouts lasting more than an hour, to help slow dehydration
- Cool your dog down by squirting him or her with a spray bottle or mister every so often; the wetness on your dog's coat will have a cooling effect as it evaporates
- Always give an overheated dog cool water rather than ice water, which could cause him or her to cool down too quickly; ice water can cause blood vessels to constrict, which slows blood flow to the brain
- Bait your dog's water with low-sodium chicken broth or mix a few food kibbles with water and add low-sodium chicken broth to encourage his or her water consumption
- Use running water from a faucet or hose to wet down a dog's body; avoid submerging your dog in water, as warm water can impede the cooling process and cold water can cause him or her to cool too quickly and lead to other problems
- Be sure your dog has access to water after exercise, but wait until his or her panting slows down before allowing your dog to drink a large volume of water
