## News From the Officers

*"A perfect summer day is when the sun is shining, the breeze is blowing, the birds are singing, and the lawn mower is broken." — (James Dent)*

A couple of regions are still winding their way to completing spring calendars and holding regional elimination championship trials. Meanwhile, the rest of our members and dogs are resting on the laurels of accumulated championships and placements in national and weekend trials. Perhaps in your respective households a few litters of puppies appeared here and there along with the various cow-pig-goat-rabbit projects for 4-H. Summer is the time for "honey-do's", "projects", family fun days, and all manner of recreation!

During this "quiet" time for our organization the National office staff are continuing the work of NSTRA by collecting stories and photos from all of you, planning for the next year's national trials, tracking the reporting of regional eliminations, and especially important, working on the new operating system's database so that we can finally undo the tethered lifeline to the old database. In addition, staff receive and sort through scholarship applications, attempt to manage the regional presidents and National Officers, respond to member inquiries, order awards, chase down loose ends, and the list is never-ending.

In our hazy, lazy, and languid summertime status, please remember to watch the deadlines...each year we have members who miss out participating in one way or another - a opportunity to modify a rule or update the organization by-laws, the nomination of a dog or individual for an award, or the notification of a substitute delegate to the Board of Directors meetings. Participation at all levels in all ways by the membership is tantamount to governance.

Summer will be over before you know it - the National Endurance is quickly upon us in early September, chasing birds afield begins anew, and then it is suddenly time for Dog of the Year! Look forward to seeing many of you there.

So, grab yourselves a cool drink and dive into this magazine...we are really almost caught up with the calendar! Thank you to Julia Herwehe and Julie Carrier for wrestling with content and photos in order to get this to print! ■

# IMPORTANT THINGS TO REMEMBER!

## **Purina Endurance Classic:**

Entry into this trial will be based on all open points earned from June 1 through May 31. Points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial do not count; however, points from qualifying rounds do count.

## **TOP PERFORMANCE:**

Dogs must have at least 20 open points from June 1 through May 31 of the applicable year to be eligible. Points will be from weekend trials only. From there, the award will be based on national trials and regional eliminations. The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of nationals the same each year. The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. For national trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for the third and 25 for fourth. The placement for the regional eliminations and national trials is determined by the score of the last round in which the dog ran.

## **HALL OF FAME NOMINATIONS:**

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated.

Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

## **TRIAL SCHEDULES:**

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

## **SCHEDULING FEES:**

Trial scheduling fees are requested in the NSTRA office at least 4 weeks prior to your trial date in order to mail the packets on a timely basis.

## **TRIAL REPORTS:**

Trial reports are due in the NSTRA office 10 days after the trial date.

## **QUAIL INVITATIONAL:**

This trial is always held the last week in February that includes a Saturday. The qualification period for this trial is Nov. 1 through Oct. 31. This includes all points earned during the time frame, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count). Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO INVITATIONS WILL BE SENT. Any dog with a placement during the specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

## **TRIAL OF CHAMPIONS:**

The criteria for entry into this trial is that the dog has earned an open championship and is at least a 1X open champion by February 1 of the current year OR the dog can be a paid standby for this trial by achieving their open championship between February 2 and March 31 of the current year.

## **UKC PERFORMANCE CLASSIC:**

The qualification for this trial is points earned from April 1 to March 31. Weekend trials

only. No points from qualification or final rounds of national championship or regional championship trials will be counted.

## **DOG OF THE YEAR:**

This trial will begin on Wednesday of the last full week of October. This trial is based on region elimination placement and/or high point status. All entries must be postmarked 45 days prior to the first day of the Dog of the Year trial. (NO INVITATIONS WILL BE SENT.)

## **HOME REGION:**

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1. \*Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at anytime to request a change in their Home Region.

## **ASSOCIATE MEMBERSHIPS:**

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members EXCEPT they are unable to vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

## **RULE CHANGES:**

Proposed new rule changes or additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

## **CONSTITUTION/BY-LAW CHANGES:**

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions or the Dog of the Year trial.

## **REGION HIGH POINT:**

Points earned in the qualifying rounds of a

## IMPORTANT THINGS TO REMEMBER!

Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

### OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

### FIRST TIME PLACEMENTS:

The National Office now requires a copy of the dog's registration certificate for first time placements. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org) or a photocopy by regular mail.

### NSTRA Distinguished Members:

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations are to be submitted by August 31. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included if available. Contact the NSTRA office for a list of criteria.

The committee will review all nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected.

The committee will make their decision by September 30. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

## Correction to the 2014 Rule Book

This 2014 NSTRA rule book was printed with  
an omission that has caused some concern  
lately.

Section 11 Special Requirements Dog of the  
Year & Regional Eliminations, page 39, sec-  
tion 11.09 should read as follows:

An owner shall be allowed to enter his/her  
dog (or dogs) in his/her home region or re-  
gions in which his/her dog (or dogs) qualified  
for elimination trials, but not in both regions.

**Dogs that qualify in home region, must enter  
in home region.** To qualify for Regional  
Elimination trials, a dog must receive a place-  
ment in a sanctioned trial; the current regional  
champion is also automatically qualified  
(10/13). Dogs that hold Champions status  
must run in home region. A dog may enter  
only one Regional Elimination trial per year  
January 1st to December 31st.

This has been in effect for over 20 years and  
has never been rescinded. We apologize for  
any confusion this clerical error has caused.

# 2018 National "Trial of Champions" Championship

The Trial of Champions was blessed with great weather - cool mornings and pleasant afternoons at the Conservative Birddog Club in Amo, Indiana. The Birddog Club was ready for a championship event with a clean clubhouse. A big thanks to all the Birddog club members who helped prepare the Club and worked tirelessly during the trial. The field cover was a little light because of a delayed spring, but Michael Akey (Ohio) did an excellent job handling and planting the birds. Chairman, Mikeal Mulberry, met with trial personnel prior to the start of the trial for last minute instructions and introductions. Mikeal had put together an experienced team. Nina Harmon from Kentucky and Ron Huels from Illinois were the field marshals. Judges Ron Becker (Illinois), Donny Parker (Arkansas), Rick Bertinetti (Illinois) and Bodie Ray (Georgia) rounded out the field of seasoned officials. This year, 110 dogs representing 20 regions were drawn. Two fields were run on Wednesday and Thursday for 64 dogs to compete in the Friday elimination rounds of sixteen braces on 2 fields. The top 12 dogs were taken from each field on Friday to Saturday to compete in the final 24. Saturday began with 6 braces on each field & the top 6 dogs from each field to advance to a round of twelve. Both fields were run with 3 braces on each field to create the top 6 dogs who will move to field A. The top two dogs will compete in the final hour. The third and fourth place will be determined by points from the round of 6. The results from the first round on Wednesday A field with field marshal Nina Harmon and judges Rick Bertinetti and Bodie Ray:

# YEAR-ROUND TRAVEL TIPS FOR BIRD DOGS

Regardless of the season or where the next trip takes you and your dog, traveling can be stressful for your hunting partner. By doing your homework and planning ahead, you can help ensure your dog's safety and comfort while on the road. Follow these tips to help simplify your journey, regardless of the time and distance.

## MEAL PREP FOR YOUR DOG

If you're on a weeklong trip in remote areas, the odds of finding a quality performance dog food, such as *Purina Pro Plan SPORT Performance 30/20 Formula*, may be challenging. Preportion your dog's food so you have an ample supply. You'll likely feed your dog slightly more than usual during a multiday event, so be sure to pack extra. A good rule of thumb to gauge a dog's food consumption is one pound of food per dog per day.

## BRING YOUR OWN WATER

A change in water source, especially going from hard to soft water, can upset your bird dog's GI system, increasing

his or her risk of diarrhea and potentially causing dehydration and overheating. Dehydration can be dangerous because it increases your dog's heart's workload, impairs the delivery of nutrients and removal of waste from the muscles, and reduces your dog's ability to maintain a normal body temperature. Bring several gallons of water from home as a consistent source, or use bottled water while traveling. To help encourage your dog to drink when away from home, bait his or her water with a small handful of kibble. On hot travel days, you can also cut blocks of ice and place in your dog's bowl in his or her crate in the back of your truck or trailer for the dog to lick.

## STOCK UP ON FIRST-AID ESSENTIALS

Canine first aid is crucial when you're far from a veterinarian. Brush up on your basic knowledge of performing first aid and replenish your kit with these supplies: absorbent gauze pads, elastic bandages, tape, tweezers, antiseptic, antibiotic ointment, antihistamine, saline solution, and any veterinarian-prescribed or recommended medications.

## PLANNING A TRIP? BOOST YOUR BIRD DOG'S IMMUNITY WITH *FORTIFLORA*

Traveling can cause stress that can affect a bird dog's immune system. To help support your dog's immune system health, keep a supply of *Purina Pro Plan Veterinary Diets FortiFlora* canine probiotic supplement handy. Prescribed by veterinarians, *FortiFlora* contains a special strain of probiotic that works to restore normal intestinal microflora. After consulting with your

veterinarian, consider starting *FortiFlora* a few days before leaving on a trip to increase levels of beneficial bacteria and promote a strong immune system, and continue administering it a few days after arriving at your destination.

### BUILD AN INSURANCE POLICY

Research veterinarians who can treat hardworking bird dogs that are located every couple of hundred miles along your planned route and near your final destination. You should also look for 24/7 emergency veterinary clinics if you'll be traveling at night. Jot down all names and contact information and keep in a handy place, such as inside your first-aid kit.

### CUSTOMIZE YOUR PACKING LIST

Every destination has unique packing requirements. For example, if you're headed to Montana, you may want to bring a Quill Jig and needle-nosed pliers in case your dog comes across a porcupine, or if you're crossing into Canada, you'll need a veterinarian-signed copy of your dog's rabies vaccination, as well as health certificate for puppies 8 months of age and younger, to get through customs hassle-free.

### COMFORT IS KING

Despite travel not being restful for a dog, you can at least do all you can to ensure his or her comfort. In warm weather, keep a frozen water bottle in your dog's crate so he or she can lick the condensation to stay cool between stops. In cold weather, bring a vest and boots to keep your dog warm, a shammy to keep him or her dry, a cover to insulate his or her crate, and a ½-inch pad or piece of Styrofoam to place under the crate to keep him or her off of cold surfaces. Regardless of the season, don't forget a crate lock for security.

### BRAKE FOR REST AREAS

Map out rest areas along your route that are situated away from traffic and suitable for dog airing. Some Cabela's locations even have a reserved area for dogs. Plan to stop

every couple of hours to air and exercise your dog on a leash, and know that puppies may need more frequent breaks.

### DON'T SKIMP ON STAKE OUTS

Bring enough tie-out cables and stakes for as many dogs as you're traveling with so that in case of emergency, such as a vehicle breakdown, your dogs are secure while you tend to the situation at hand.

### MIND YOUR P'S & Q'S

Basic obedience is important at all times, but especially during travel. The last thing you want when you're stopped is to open your vehicle door and have your dog bolt out and run around aimlessly. This puts your dog at risk of being hit by a car or getting into something he or she shouldn't, such as diesel fuel or antifreeze. Avoid accidents while stopped in a parking lot or rest area by training your dog to "stay" when you open the vehicle door or dog box. It's also a good idea to keep your dog on lead in busy areas. If you find a safe, remote area to air your dog off lead, make sure you can stay in control of your dog and clean up any mess. ■

### BONUS: THE ONE THING TO NEVER LEAVE HOME WITHOUT

You should always pack a thermometer in your first-aid kit, especially during summer travel. If you're worried about your dog overheating, stop and take his or her temperature. If it's as high as 107 degrees Fahrenheit, get your dog into the shade and cool him or her down, making sure the temperature comes down. If it doesn't, take your dog to a veterinarian right away.
