News From the Officers

As I sit here this evening, writing my first letter to our members, I want to say, "Thank you" to you the members for putting together a staff that will truly amaze you in years to come. Our team has hit the ground running already. Because of the excellent leadership skills of VP Mikeal Mulberry, the other National Officers, Julia Herwehe and her office staff, this administration's transition is moving right along. Cheryl Higham (treasurer) has my greatest appreciation for her bookkeeping and organization skills as well as her ability and fortitude to monitor your money! She is a great asset to our organization.

I am proud to announce we have a national committee formed to create a product whereby we can enhance our amateur format. We are working on an avenue for earning a regional amateur championship on your amateur dog, as well as an avenue towards national amateur championship. Hopefully, this will be ready for membership vote at the Trial of Champions national board meeting in the spring of 2019.

We have two new sponsors ready to make a commitment. We need to thank Sharon Watson (Florida region) and Cheryl Higham for putting these together. In this issue you will have an opportunity to vote on an increase in membership dues. Please read Mikeal's letter. It is very well written and truly explains the need for this increase in dues. We need to stand on our feet as an organization financially and not rely on any sponsor money to operate our daily business. We want to increase our membership and I am confident we will, but we need your help. Please vote "Yes" on this very important issue.

Next national trial is the Quail Invitational in Lake Wales, Florida. Do not miss this trial, you cannot beat Florida weather in February.

Finally, we as national officers are here to serve you – the membership. We will be as transparent as we can on any subject. Our email and cell phone numbers are in the book. We will be honest and fair in all of our dealings. We all realize the responsibility that you – the membership has trusted in us. We truly are one bird dog family. Let's enjoy each other's company, enjoy our dogs, and enjoy our sport. We will increase our membership as others watch how we conduct ourselves and we will lead by good example.

Sincerely,

Ron Huels

NSTRA President

IMPORTANT THINGS TO REMEMBER!

Purina Endurance Classic:

Entry into this trial will be based on all open points earned from June 1 through May 31. Points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial do not count; however, points from qualifying rounds do count.

TOP PERFORMANCE:

Dogs must have at least 20 open points from June 1 through May 31 of the applicable year to be eligible. Points will be from weekend trials only. From there, the award will be based on national trials and regional eliminations. The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of nationals the same each year. The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. For national trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for the third and 25 for fourth. The placement for the regional eliminations and national trials is determined by the score of the last round in which the dog ran.

HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated.

Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

TRIAL SCHEDULES:

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

SCHEDULING FEES:

Trial scheduling fees are requested in the NSTRA office at least 4 weeks prior to your trial date in order to mail the packets on a timely basis.

TRIAL REPORTS:

Trial reports are due in the NSTRA office 10 days after the trial date.

QUAIL INVITATIONAL:

This trial is always held the last week in February that includes a Saturday. The qualification period for this trial is Nov. 1 through Oct. 31. This includes all points earned during the time frame, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count). Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO INVITATIONS WILL BE SENT. Any dog with a placement during the specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

TRIAL OF CHAMPIONS:

The criteria for entry into this trial is that the dog has earned an open championship and is at least a 1X open champion by February 1 of the current year OR the dog can be a paid standby for this trial by achieving their open championship between February 2 and March 31 of the current year.

UKC PERFORMANCE CLASSIC:

The qualification for this trial is points earned from April 1 to March 31. Weekend trials

only. No points from qualification or final rounds of national championship or regional championship trials will be counted.

DOG OF THE YEAR:

This trial will begin on Wednesday of the last full week of October. This trial is based on region elimination placement and/or high point status. All entries must be postmarked 45 days prior to the first day of the Dog of the Year trial. (NO INVITATIONS WILL BE SENT.)

HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1. *Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at anytime to request a change in their Home Region.

ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members EXCEPT they are unable to vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

RULE CHANGES:

Proposed new rule changes or additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

CONSTITUTION/BY-LAW CHANGES:

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions or the Dog of the Year trial.

REGION HIGH POINT:

Points earned in the qualifying rounds of a

IMPORTANT THINGS TO REMEMBER!

Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

OWNERSHIP CHANGE:

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

FIRST TIME PLACEMENTS:

The National Office now requires a copy of the dog's registration certificate for first time placements. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org) or a photocopy by regular mail.

NSTRA Distinguished Members:

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations are to be submitted by August 31. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included if available. Contact the NSTRA office for a list of criteria.

The committee will review all nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected.

The committee will make their decision by September 30. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

YOUR VOTE COUNTS!

ATTENTION ALL NSTRA MEMBERS

WHAT'S ON THE BALLOT?

You will find enclosed in this issue of the NSTRA magazine a ballot requesting a vote to increase the annual membership dues from the current \$50 to the proposed \$75 annually.

We want to begin by saying that we, the new team of officers, are very excited about the future of NSTRA. We do not want to accept merely “getting by”. We want to make every effort to move the needle forward and we truly need your help to do this. We want all our new and old members to feel like NSTRA is a great organization and that there is bright future ahead for everyone. With this feeling we hope that potential members will see this and want to join us and be a part of NSTRA. A growing membership solves a lot of issues, and although it is never desirable to increase membership cost sometimes it is necessary to retain the integrity of the organization and provide the tools necessary for growth.

This increase has been discussed at the three most recent Board of Directors meetings and has hopefully filtered back to the membership during that time. Your region representatives have been encouraged to take the request back to their membership and discuss the need for this increase and explain why it is necessary for our organization moving forward.

The overall financial health of NSTRA is solid. We have cash in the bank and we have all our costs under control. The operating system is paid for in full. The balance sheet is strong. So, what we need now is a growing membership.

This proposed dues increase would facilitate additional operating funds to further market our sport and attempt to position our organization for expansion. It would also enable us to enhance the prize packages offered at our National Championships which would potentially increase participation at those events.

The current officer group is committed to efforts at not only the National level but the regional and local levels as well. The group feels that growth must come from regional and local efforts, but that the National organization can assist in these efforts through programs and incentives that can only be offered with an increased operating budget.

We must not sit still and watch the membership numbers decline but instead make every effort necessary to not just retain the members we have but to reach new fellow bird dog enthusiasts and encourage them to join us in this sport that we all enjoy.

We would like to thank you for taking the time to read this explanation of the requested annual membership dues increase and encourage you to reach out to any of the five National Officers if you have further questions or concerns regarding this request.

— National Officers, NSTRA

2017 Purina Top Performance

by Staff

Top Performance – THE hotly contested High Point race of NSTRA! This year went smooth with real time reporting and the ability to watch the stats change from week to week. 31 dogs qualified with the required 20 weekend points. 5 dogs almost made it with 18 to 19 points each. It isn't easy to get those 20 points and trial nationally too. Of the top 4, all of them made the Saturday cut in at least 2 National Trials. 3 dogs placed in the Top 4 with one of them winning two. Again, this year, 3 setters took top spots but we had our first Wirehair to win!

What a year! Before going into her achievements for the year I think it is important to acknowledge the people that produced Bean. Although our "Sterndog" name is on the papers and known for Wirehairs, the guys that produced Bean need to be acknowledge for putting this dog in my hands. David Abrahamson is one of the founding GWP guys in NSTRA and without his dog, Three Devils Hustler, my dog Bean never would have happened along. That dog is in the lineage of ALL three GWPs that have made it to the final hour of a national trial. Dave's dog produced Jason Norton's dog, Cosmo (Bean's sire), which was a force in this circuit as well. Jason Norton, Norton Kennels, hand-picked Bean for me. Jeff Paullus, the owner of "Ricochet" (Bean's dam), and Jeff at Thunder Hills Kennels who has been producing quality GWPs for decades are two more important factors in Bean's success. Without the above men I never would have had this opportunity.

This season was surreal. It was right after the Quail Invitational that I started to see that we had a chance at this Performance Award. Bean had a 11th place finish at the UKC Performance, a 9th place finish and the Purina Endurance, and then an 11th place finish at the QI. The numbers began to rack up in my head. All at once I realized we can do this! There was only one issue. I had been guiding quail hunts in West Texas all hunting season and Bean and I made very few local trials. It was March and we had only 4 of the 20 local trial points on the card for the year ending May 31st. We had some work to do and needed help from trusted friends to get it done.

From that point I called across the United States and entered Bean in a trial every weekend from that point until the end of May. I personally could not make each trial, so I enlisted the help of good friends Barry Godwin, Jim Selby, and Jason Norton. "Guys, I need your help. I can't make it to this trial but I would appreciate it if you could run the Bean for me. Only two things I ask. Please do not put her in a dog box and bring her inside at night". That was my only request. They all agreed and off she went. Well worth mentioning is my very good friend Bobby Clark. Without him I would not have been able to travel to the extent that we did. If I had a financially difficult week Bobby was there to carry the weight. If I was down on the dog or myself, he was there to pick me up. We travelled the country together making history with this dog together enjoying every minute of it. I couldn't have asked for a better friend, mentor, or family member to have been a part of this challenge.

Winner

Sterndog Norton's Salty Jeans Bean

Jim Selby was the first to take Bean on a road trip. On March 10-11 he put a 2nd, 3rd, and 4th on her in Winters, Tx. Barry Godwin was up next taking her to Oklahoma to the Quad Challenge March 18th and 19th (an invitational trial for the top 8 dogs in the surrounding four regions). Bean took a 1st and 3rd place along with winning a buckle for being high point dog of the weekend. Finally, we sent her back to her birth place of North Dakota to my good friends Jason Norton, his wife Lana, and their wonderful daughters Kalie, Macy, and Leah. This was a difficult deal for me. I knew I would not get her back until the Performance in Iowa but there is not a family I trusted more. Jason and Bean well, THEY DID WORK. While there they added to the total with 8 additional points in two trials. When the dust settled and the points were added we had accrued 34 weekend points on Bean between myself and friends! This made her the dog with the highest total of weekend points for 2018 in the United States.

In the midst of chasing the weekend points Bean took the next step, winning the Lonestar Regional Elimination trial. This put us in the driver's seat for the final national of the year. At Trial of Champions we would have clinched with an advancement to the final day. A day before the trial I received the news that my co-owner in Bean and more importantly my grandmother Jean Butron took her journey to heaven after a long and fruitful life here on earth. My grandma Jean was in this with me from the beginning; from the time I offered her ownership in this pup when she was just a few months old and she gave me a \$20.00-dollar bill for her "buy in". All along this race we talked often; informing her about her little dog and what she was doing. Hearing her reverberate with excitement and admiration for "her little dog" was worth more than anything that we could have won. I

went into the final national trial heart-broken from her death, but also understanding she was watching from the best seat in the house. The first day of the trial came and just as quick as it started, it was over. Bean was out in the first round. I remember thinking "this isn't how this was supposed to end". I drove home disappointed knowing I had left the door wide open for both Brian Boals, Roger Parient, and Greg Woods. Well, we know how it ended. I guess I need to thank Grandma Jean for putting the "monkey dust" on the other three exceptional animals. When the dust settled Bean had done just barely enough to maintain the award. Congratulations to all three men and their dogs for an exceptional year. We all accomplished a great deal with these fine animals and friends.

By winning this award, Bean has become the first GWP in NSTRA to have won the Top Performance Award. She also won three buckles and earned her 7th championship. This also qualified her for the

NSTRA Hall of Fame (2nd GWP that will be eligible). I am so thankful to have her and even more thankful to have shared her with a wonderful woman such as Jean Butron. Your little dog did it, Grammy! This year was all for you. #FearTheBeard

Bean is a 7- time NSTRA Champion (Sire – Fancy Feather Saltyfoote and dam – Thunderhill's Ricochet) with 134 lifetime points of which 70 are 1st place points. Her first Championship came in September 2015 and finished her 7th on 5/13/18. In 2015 Bean was 1st runner-up at the 2015 Anheuser Busch QI Championship and placed 3rd runner-up at the 2018 United Kennel Club National Championship. Accomplishments this year were 34 weekend points, 11th at the 2017 UKC Performance Championship, 9th – 2017 Purina Endurance, 1st – Lone Star Regional Elimination, and 11th at the Quail Invitational. Congratulations to Geoff, Angel Grandma Jean and Bean for a terrific year!

1st runner-up– TOMOKA'S SMOKIN BIGRED

Tomoka's Smokin BigRed, English Setter male, was the 1st runner-up in the Top Performance race, earning 2350 points just shy of 50 points from the leader. BigRed is owned by Greg Wood and Jimmy Kirkman. Greg is a member of the Kentucky Region while Jimmy hails from the Virginia Region. BigRed is from Tomoka's Smokin Mike and Tomoka's Smokin Kate. Tomoka's Smokin Mike was inducted into the NSTRA Hall of Fame and BigRed is following in his sire's footsteps, earning the 1st runner-up position in the Top Performance Award race from between 1 ½ and 2 ½ years of age. Mike was also a 15-time NSTRA Champion. BigRed is a 4-time NSTRA Champion earning 4 championships from 5/20/17 to 10/6/18. He has 75 lifetime points of which 37 are 1st place points receiving his first placement during a Pendergrass, Ga trial on October 16, 2016. BigRed's accomplishments for the award were 31 weekend points, 3rd during the 201 Purina Endurance Classic, 19th at the 201 DOY, 9th during the 2018 Kentucky Regional and 3rd at the 2018 TOC. Of interest, in August, 2018 Greg and BigRed attended the Mahoney Hog Roast trial and accumulated 7 points in 2 days. The Wood/Kirkman combination are tough competitors and bring their champion dogs to the line intending to win each time - nothing less. Congratulations to these two special families of NSTRA.

2nd runner-up– Kickapoo Sioux Too

The 2nd runner-up for the Purina Top Performance Award was 4-year-old Kickapoo Sioux Too- English Setter female owned by Roger Parient – Indiana Region. Sioux earned 2175 points for the year with 26 weekend points and 12 first place Championship points. Sioux was the 2017 Dog of the Year National Champion and the 2018 National Quail Invitational Champion. She is a 6-time NSTRA Champion with 123 lifetime points of which 67 are first place points. Sioux comes from a long line of Kickapoo Champion dogs including her sire – 5-time Champion Kickapoo's Jackpot and dam – Kickapoo's Little Sis. Sioux's points for the Performance Award consists of 26 weekend points, the winner of the 2017 Dog of the Year Championship, winner of the 2018 Quail Invitational, and 10th during the 2018 Indiana Region Elimination. Congratulations to Roger, Michele and Sioux for a fine showing.

3rd runner-up— Smith's Shadow Oak Bojangles

Smith's Shadow Oak Bojangles "Jay" was the 3rd Runner-up for the Purina Top Performance Award earning 2,175 points. The tie breaker between 2nd and 3rd runner-up was the # of National Trial Wins. Jay is a 4-year-old English Setter Male from Shadow Oak Bo and Smith's Hytest Ally.

Jay is a 2x champion. Jay came to me through Charlie Smith who was instrumental in getting me started in NSTRA. Jay started his memorable year at the Purina Endurance Classic with Scott Beckley running him and finishing in 6th place. I was so excited that Jay would make the back inside cover of the NSTRA magazine! I didn't think it would get any better.

Ed Ford then got Jay ready for the Quail Invitational in Florida. This is where Jay and I won our first belt buckle at a National event with a 4th place finish. The drive home from Florida was long but I was on cloud nine! Now we are on the inside cover of the magazine and a belt buckle! I was then informed that if Jay gets his 20 weekend points, he has a shot at placing in the top 10 for the Purina Top Performance! I thought wow that would be really cool to make the top 10 in the country. Then came the Trial of Champions where Jay again had another great performance finishing 4th. Talk about excited! Now I'm in the running to win the Purina Top Performance with only being 275 points behind the leader. Being tied for 3rd in the Purina Top Performance,

Michigan was the only region left to run their regional trial for the year. Unfortunately, at the regional we couldn't find the 3rd bird in our brace to advance and win the Top Performance but again what an experience. Our journey wasn't over yet, we still needed 20 weekend points and we were 2 points shy.

It came down to the last weekend trial in IA for the season and again Ed Ford drove all the way from FL to IA to run Jay for me, since I had to be out of town for work. He ended up taking a 2nd and Jay reached the 20 points needed. That was a "hair stand up on your arm in a good way" call letting me know he did it. What a nail biter; but that's what makes this such a fun ride. I received so many calls from people all over the country letting me know they were watching! Jay and I had a lot of fun and an awesome year, I'm proud to be a member of such a great organization!

Jay has a total of 53 lifetime points of which 27 were first place points. His first championship came on 1/8/17 and 2nd during the 2018 TOC. Jay finished the season with 20 weekend points 6th during the Purina Endurance Classic, 4th during the 2018 Quail Invitational, 4th in Amo at the 2018 TOC and 30th at the 2018 Michigan Regional Elimination. Congratulations to the Boals family, Brian, Jim, Audrey and Bo.

7th runner-up—Kickapoo's Larry Bird

Kickapoo's Larry Bird – 4-year-old - 2-time NSTRA Champion is owned by George Sterner IV from the Florida Region. Larry Bird is an English Setter/M from Kickapoo's Jackpot and Kickapoo's Little Sis. He finished the season with 24 weekend points, 3rd during the Florida Regional Championship and 6th at the 2018 Quail Invitational Championship.

REGIONAL ELIMINATION TRIALS

throughout the country!

ALABAMA

By: Dianne Minton

The Alabama Region headed to Bronwood, Ga. for our 2018 Regional. Thanks to Harold and Janice Hufstetler for the use of their fields (Hufstetler Farms) and their spacious clubhouse for our banquet.

We had great weather Friday morning, March 9th. After starting out with 28 dogs, by that afternoon, we had 16 dogs qualified to run Saturday." Buddy"/owner Bill Millians had the top score of 968.1.

Next was "Tex"-owner Bobby Wheat, "Kate"/Markham, "Trigger"/Mike Markham, "Star"/Harold Hufstetler, "Jake"/Bill Millians, "Bandit"/Larry Freeman, "Okie"/Larry Freeman, "Cobb"/Bradley Davidson, "Luke"/Mike Markham, "Fritzy"/Larry Freeman, "Dixie"/Mike Markham, "Rooster"/Larry Freeman, "Ann"/Ray Harper, "Charlie"/Bill Millians and "Odie"/ Bill Millians.

Our judges were Jimmy Johnson and Bodie Ray. They make quite a sight riding up on horseback. Our bird-planter was Bryan Wynn. I was field marshal, with Cindy and Susan Markham helping.

Come Saturday, those 16 dogs were down to 6. Leading dog was "Trigger" with a top score of 928.75, followed by "Dixie" 812, "Ann" 687.5, "Luke" 658, "Cobb" 625 and "Tex" 611.

This was bound to be a tough completion for Mike Markham, having 3 dogs in the running. Mike ended up having to run 5 braces back to back. Thank goodness he is young. Haha!

Finally, in the final hour, the top 2 dogs were "Luke" and "Trigger", both belonging to Mike. Doug Markham (his father) handled "Trigger".

Alabama Region is glad to announce "Luke" is our 2018 Champion, with a score of 1099. 1st runner up was "Trigger", 2nd runner-up was "Tex"/owner Bobby Wheat, and 3rd runner-up was "Dixie" also Mike Markham's dog.

Having our banquet in Janice and Harold's clubhouse was not only beautiful, but comfortable and convenient. Janice and her daughter-in-law "April" catered both our breakfasts and dinner that Friday night. BBQ, stew and all the fixins. Even Harold helped out by barbecuing some chicken on the grill. It was a delicious meal, followed by music. Our multi-talented judge, Jimmy played the guitar and sang, along with his friend Joann on the keyboard. One of the highlights of the night was when our President, Bradley Davidson, presented Janice with a gift for all her hard work. (She is not pretty when she cries!) haha! Cindy and Susan Markham decorated the clubhouse. Our members' wives all made wonderful desserts, making the night very special.

We are glad to announce that Bradley Davidson will be our President again next year. He works so hard keeping our region going. His Vice-President will be Mike Markham. I will remain Secretary and Treasurer. Being Field Marshal has taught me so much. Thanks to Cindy and Susan for always lending their help.

Bradley presented Mike Markham with a plaque and silver belt buckle for "Luke" High Point Dog again this year. Sportsman of the Year went to Ray Harper. Besides being a great individual, he gave up running his dogs to judge several times, so that we could have a trial. Judge of the Year was a tough one, but the award was given to Harold Hufstetler. We refer to his wisdom and his is never afraid to speak his mind. Rookie of the Year was given to Chiano Fores. Bill Millian accepted his award. He has been our bird-planter when Marvin Bohannon wasn't available. George Gordon's dog "Sis" was awarded "Most Improved Dog".

We want to thank Mike Markham for donating the money to pay for the 1st runner-up Silver Belt buckle. Doug Markham and Bill Millians donated money to pay for a "High Point Dog" belt buckle. Thank you, George Gordon,

for allowing us the use of your fields in Tuskegee.

We had a safe year with no accidents. We are truly blessed with our small group. Looking forward to next year.

April 10, 2018

The 2018 Regional Elimination is in the books. The rain, cold and the mud on Saturday made for a grueling, miserable day. The participants braved the elements and the performance by the 38 dog/handler teams were remarkable. Our judges, Gary "Doc" Ramsey and Anthony Sluder, and our bird planter, BJ Carol, were real troopers as they kept the trial rolling along through 19 braces.

On Sunday the weather started out crisp and cold but warmed slowly as the participants reduced to the top 16 took the field. The competition was fierce as the field was reduced to the top 6 for the next round. While trial officials struggled with the computer, lunch was served. Most of the handlers ate pretty light as they anticipated the coming round.

The final 6, Jack/Ken McNabb, Meg/Neal Golden, Charm/Reggie Allen, Strike/Jerry Daniel, Rock/JJ Keohane, and Willie/Don Milligan, were drawn by the computer in three braces to determine the top two dogs that would run in the final hour. As it was throughout the trial, most braces were decided within about 15 minutes. However, the dog/handler teams ever hopeful of finding another bird continued to thoroughly scour the field for the whole 30 minutes.

The top two, Golden's Star Meg (Meg) and Reba's Sweet William (Willie), took to the fields for the final one hour brace after a short rest. The competition was fast paced and exciting to watch as the dogs searched both fields. In the end both dogs had 5 finds each. When the opportunity for a back presented itself Meg rose to the occasion and got a back. Willie, however, was not inclined to back when he got the opportunity and the "0" on the card told the story. Meg was triumphant winning the Regional Elimination with Willie being the 1st runner up.

Congratulations to all the participants in the Regional Elimination Trial.

The Eastern Carolina Region held its 4th Regional Elimination trial at Taylor Farms in Erwin, NC this year. Our thanks go out to Kyle Taylor and his family for their gracious hospitality during this extended weekend.

The first day kicked off without a hitch, thanks to the watchful eyes of our seasoned judges Berkely White and Gary Ramsey. Also, a tremendous thanks to our bird planter, Scotty Scott.

Our open trial on Friday, March 16th had the following placements; 1st Ted Purdie with Bonnie, 2nd Kyle Taylor with Fancy, 3rd Glenn Blackwell with Jeb. Friday was catered by Frank's Seafood (never disappoints!) and our business meeting followed.

Saturday kicked off our Regional Elimination Round 1. We had a tragic incident with Harvey, Shane Mitchell's dog. Harvey died while out on the field in one of the final braces. Sad time for all of us, but especially the Mitchell's as Harvey was a favored pet of the entire family.

Saturday Regional Elimination Round 1 placements were; 1st Ted Purdie with Nixon, 2nd Mike Barker with Nan, 3rd Dean Watson with Luke.

Our Saturday night banquet was catered by Artisan Hub from Siler City, wonderful food! Thanks to Whitley Stephenson for setting all of this up.

We had another successful silent auction raising \$2,800! Thanks to

everyone that participated.

Our awards presentation followed the silent auction. Awards were presented by Whitley to the following: High Point Handler - Ted Purdie, High Point Open Dog - Nixon/Ted Purdie, High Point Amateur Dog - Harvey/Shane Mitchell, High Point Multidivisional - Kathy Doyle, and The Horizon Award - Steve Briggs. In addition, Ted was crowned "Brittany King" in fun along with our Slash Awards for the season. There was a 3 way tie between Ted Purdie, Carson Walker, and Jordan Purdie. It was a fun evening with good fellowship.

Sunday arrived filled with excitement and anticipation as to the outcome for the final 16 dogs. Even down to the Final Hour, competition was tough.

Sunday Regional Champion Winners are as follows: Regional Champion - Mike Barker with Zoe, 1st Runner up - Ted Purdie with Bonnie, 2nd Runner up - Ted Purdie with Nixon, 3rd Runner up - Steve Briggs with Boone, 4th Runner up - Whitley Stephenson with Kay, 5th Runner up - Mike Barker with Nan.

A special thanks to everyone who put on trials, judged, and planted birds for us this past year. The tireless effort of everyone helped make this year a success. We look forward to this next season!

BANQUET

FLORIDA

The Florida Regional had a variety of dogs this year – from young to AARP dogs in it. Through the Amateur program we had four dogs qualify for the Regional; that's pretty good odds out of 24 dogs, 4 amateurs. We will definitely keep that program going in the fall and spring 2018-2019 seasons.

Our winners were Sam and Nancy Ashmore and Cricket (EP/F) running against Clayton Ashmore and Kandi (B/F). This was the first time Cricket has won the Regional and needless to say Nancy was a happy person, although I did hear her say that "she didn't care who won" The final hour was a no holds barred final - it was one bird for Kandi, then one for Cricket back and forth right down to the final couple of minutes. However, Cricket ended up with one more bird than Kandi in the final tally. In the words of one of the judges, Randy Schultz, "there was no slack by either handler to give an inch".

Two of the old guard were Rowdy and Cooper and at the end of their respective braces they were in the back of Sam's Polaris in the dog box; we looked over at them and said, "wonder what they are talking about" ... my guess, "guess we showed those youngsters how to do it" ... btw, they both made the cut to Sunday.

Our 2nd and 3rd Regional Runners-up were owned and handled by George Sterner IV... Second Runner Up, and High Point Dog with 27 points, was Larry Bird (EP/M) and Sterndog Norton L.J.'s Salty Czech (GW/F). Rounding out our top six were new to the final six; Casey Weyburn with Roscoe (EP/M) who was handled by James Carver and Mara Fisdale and Truman (VZ/M) assisted by her gunner Guy Gelinis from the CC region.

At our Regional Meeting held Friday night we voted in our new officers; President, George Sterner, IV; Vice President, Mike Callahan; Secretary, Sharron Watson; Treasurer, Earline Roberts and Directors, Sam Ashmore, George Sterner III and Mara Fisdale.

In addition to George and Larry Bird winning High Point, two other awards were given out at our awards dinner on Saturday night. "Handler of the Year" went to Mike Callahan who has worked very hard all season on his 3 trial dogs and "Judge of the Year" went to part-time Florida Resident, Randy Cunningham. A great big thank you went to our two bird planters, JD Carver and joining him late in the season was Matt Wilson. Great kids and nice job all season guys!

Sam was the chef for the evening. we had great melt in your mouth ribs and grilled chicken you could cut with a fork. WOW, Good eats Ashmore! Assisting with the lunches were Paul and Pam Thompson.

Special thanks go to our trial officials, who did a great job and kept things running a smooth as clockwork. Judging honors went to Randy Schultz from the GA Region and Randy Cunningham from the OH Region (and Florida). Bird planting was expertly done by Etienne Lavoie from the CC Region and keeping everyone in line Marshal, Dominique Boucher from the CC Region.

The one guy who doesn't seem to get enough thanks is Bruce VanVliet! Bruce is to "go to guy" and you are great; without you a lot of this wouldn't happen. THANK YOU!

Congratulations to all Regional and Award Winners - great job to all.

GEORGIA

SpringBank Plantation, Adairsville, GA

After several weekends of solid rain, every weekend, we were pleasantly surprised at the cool, dry weekend 2-4 March, 2018. Once again, Lyle McClure and SpringBank Plantation allowed us to use their grounds, clubhouse and birds. What a wonderful bird hunting facility and we feel lucky to be able to trial there.

Friday, we held a Double Trial. A Field was roughly rectangular with a slope upward through the pines from the gallery. A little finger extended to the right of the start and went down to a large pond. B Field, roughly rectangular also, dropped off down a slope and was a little more open, with the same large pond joining at one point along the back boundary. The dogs got adjusted to new grounds during this trial. Only one or two dogs from the Region had ever run there before, so everyone was pretty new to the place. Bird Planter Kurt Klaustermeier and Judges Ron Huels, Ron Becker, John Verling, and Kevin Sprick got a chance to see the fields and plot strategy to keep up with some fast moving bird dogs. Field Marshals Bodie Ray and Stan Perdue also got a chance to set up their areas and get ready to welcome their portion of the 38 dogs we had qualify for the Regional this year.

Saturday morning, we saw Mitch Hurst and Terry Taylor running around tying up all the loose ends associated with the starting day. The sky was Montana blue and it was cold as Gen. Sherman's heart. We had a good breeze, too, so the scenting was very good. It was a good day to be a bird dog. All of the dogs did well, and it was only a few points that separated the top half from the bottom half that did not make the cut.

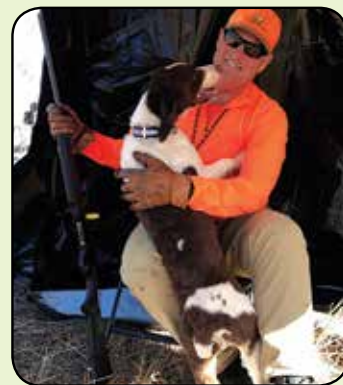

Saturday night we met at the clubhouse for the Region Banquet. The new officers were announced (as well as the results of the background investigations- just kidding). Clay Johnson- President. Brandon Pritchett-Vice President. Mark Clore-Treasurer. Bill Pickard- Secretary. In addition, after our dinner of Low Country Boil, we announced this year's awards. Sportsman of the Year- Brennan Greene. Judge of the Year- Casey Perdue. Rookie of the Year-Madassyn David. Most Improved Dog- Doc (Terry Taylor). Scott Clark Award, -Terry Taylor. High Point Female- Olivia (Charles Hiland). The 2018 High Point Dog Award for the Georgia Region went to Doc (P/M) and Terry Taylor.

Sunday dawned clear and cold, again. We whittled down the field until there were only 6 dogs left. We went to B field for the 3 braces to determine the Final Hour. Still standing were Frank/Keith Howard, handled by Jeff Keck, Trim/Jeff Keck, Shack/Randy Schultz, Belle/Linda Lowe, handled by Terry Taylor, Tater/Ricky Gunnyon, and Clyde/Brandon Pritchett. When the dust and fur settled, Trim/Jeff Keck and Frank/Keith Howard (handled by Jeff) were the top two dogs in the Final Hour! Jeff was replaced by Casey Perdue to handle Frank, the fields were combined, and 10 birds were planted. At the end of the long Sunday afternoon, Trim/Jeff Keck is the 2018 Georgia Region Champion! 2nd is Frank/Keith Howard, 3rd Belle/Linda Lowe, 4th is Clyde/Brandon Pritchett, 5th is Tater/Ricky Gunnyon, 6th is Shack/Randy Schultz.

A special THANK YOU to SpringBank Plantation in Adairsville, GA for their kind generosity and assistance. You have a beautiful hunting plantation and Lyle McClure made us feel welcome to the facilities.

GULF COAST

March 10 & 11, 2018

The gulf coast region held their regional elimination at Three Oaks Ranch in Floresville, TX with 24 dogs vying for the championship. Our judges were Jeremy Cloud from the Arkansas Louisiana Region and Scott Townsend from the Michigan Region. Our bird planter was Thad Townsend from the Michigan Region. We cannot thank our trial officials enough as they did an outstanding job.

We had 24 competitive dogs representing 5 breeds (12 GSP, 3 EP, 3 ES, 1 GWP, 5 BR) ranging from a 14-year-old shorthair that came back from the dead (Not Really), to a couple 1.5-year-old setters. The qualifying round on Saturday was hot and dry and scenting conditions were tough as expected.

Final Hour L-R Scott Townsend, Judge; Kris Sparks;
Scott Thomas; Jeremy Cloud, Judge

Saturday night we had a catered meal where our outgoing president Jim Meyers thanked everyone for coming and traveling as far as they did. On behalf of the region we would like to thank Jim for his service as our president and to all the other officers for donating their time. Thank you to Scott and Marilyn Thomas for being gracious hosts as always at their marvelous trial grounds. Our region got to celebrate a new High Point Winner this year as Leo Bonser and his dog Windchester Mae rightfully earned the title of Region High Point Dog. This is also just Leo and Windchester's 2nd season trialing. I think it is correct to say that they are hooked into this great game. Congrats Leo and Wind. This year was time for election and our new officers are: President: Maggie Parsley, Vice President: Martin Ueltschey, Treasurer: Leo Bonser, West Representative: Kris Sparks, East Representative: Grant Cantella.

Sunday Morning started off better, there was a little dew and some overcast making for better scenting conditions. After the top 16 dogs ran we were down to our top 6 who were as follows:

- 1st – Callie / Scott Thomas
- 2nd – Ethyl / Orin Ozias
- 3rd – Bitty / Maggie Parsley
- 4th – Gus / Joshua Martin
- 5th – Molly / Kris Sparks
- 6th – Jax / Kris Sparks

The top 6 dogs were competitive with just a single bird separating 4 dogs from being in the final hour, however the two dogs that earned the right to be in the final hour were two that showed great style, great work, great ground coverage, great stamina, and great teamwork. Those two were Callie with Scott and Jax with Kris. After the rest for both dogs and handlers, Thad planted 10 birds throughout the true 80-acre field and Jeremy and Scott released the dogs and they were off to the races. After the first few minutes Callie had a couple on the card and was hot on Thad's Track and quickly picked up a few more. It appeared that she was going to run away with this championship but then Jax hit a streak where he found a few and the next thing we knew there was just 1 bird separating them but then Callie found the dagger, that at the end of the day great dogs seem to do in championship moments. When they came off the field Callie was crowned Regional Champion for the 3rd time. Congrats to Scott, Marilyn and Callie. The top 6 results are as follows:

- Regional Champion – Callie / Scott Thomas
- 1st Runner-Up – Jax / Kris Sparks
- 2nd Runner-Up – Gus / Joshua Martin
- 3rd Runner-Up – Bitty / Maggie Parsley
- 4th Runner-Up – Molly / Kris Sparks
- 5th Runner-Up – Ethyl / Orin Ozias

MIDWEST

Rock Creek Field Trial Association hosted the 2018 NSTRA Mid West regional elimination trial May 5th and 6th. Great weather greeted the 36 dogs entered for Saturday's opening round. Field Marshal duties were handled by MW president Terry Ward with Kevin and Lori Sprick judging. Getting off to an early start because of the 18 braces, dogs and handlers were ready to go. At the end of day one we found Bill Sumpter with Bree in 1st place, 2nd place went to Mike Rost and Daisy, 3rd was Purty handled by Frank Downs, MD.

A dinner was held that night on the clubhouse deck to go along with the annual meeting and appointment of new region officers. A special treat with a NSTRA cake for dessert topped off the meal.

Sunday morning brought the top 18 dogs back ready to run. At lunchtime we had our top 6 dogs of ACDC Catherine, Aaron Hunt; Prenosil's Real Deal, Steve Karnes; Moonshine's Imperial Jade, Mike Rost; Rising Sun Buck Naked, Bruce Murphy; Coco Leo St. Clair, Jon St. Clair; and Resa's Frankie, John Resa.

NORTHERN CALIFORNIA/NEVADA

Green Gulch Ranch in the high Sierra Valley was the location for the 2018 Northern Ca/NV regional championship. We had 18 dogs for this year's event, losing several dogs to injury and several of the females doing that girl thing. Judges for this year's event were Nance Ceccarelli and Paul McCawley who were kind enough to come down from the Northwest region to officiate our trial. Saturday morning the weather was sunny with showers, normal High Sierra weather. We would narrow it down to 6 braces for Sunday.

Saturday night after the trial was completed, entrants and families enjoyed a barbecue and other fine foods that were provided by the region. I would like to thank Brett Forrester and his wife, Tina for manning the barbecue and doing some excellent cooking. After some minor business, the high-point belt buckle was won by Nelli, a six-year-old GWH for the third year in a row.

Sunday morning started with cloudy skies and a slight breeze. The trial was down to the top six dogs, Nelli/Langlois; Rim/Rienstra; Garth/Barrett; Stub/Rowe; Tucker/Fletcher; Pea/Rowe. When the dust settled the top four were Pea/Rowe; Stub/Rowe; Tucker/Fletcher; Nelli/Langlois. The top two dogs belonged to Frank Rowe. Frank asked Deric Fletcher to run Stub in the final. It was a close brace with Pea (Black eyed Pea) winning the brace 4-2. Frank was extremely happy with his two setters; the most interesting part of the story is Pea is completely deaf.

Frank raised Pea with hand signals and a lot of patience. In the beginning, Pea had a tendency to yo-yo but after several hunting seasons, her strong instincts took over. She has excellent ground coverage with a high cracking setter tail. She is always a pleasure to watch. Hats off to Frank for staying the course and working her through steadiness and finishing the dog off.

During the trial Pea got stronger and stronger with each run and everyone knew she would be hard to beat in the final. No one was surprised with her victory. Congratulations again, my friend.

NORTHWEST

Submitted by Lisa Gloss-Lessmann, NW-NSTRA Secretary

On May 19 in Chewelah, WA, twenty-eight dogs and eighteen handlers prepared to take the field for the first round of the NW NSTRA regional elimination trial. Spring rains ensured that the field cover was tall, thick green grass, and the judges (Jim Wall, Utah region, and John Glenewinkel, NW region) had to be on their toes to keep track of the dogs—even the tall ones. The trial field also had three ponds, which ensured plenty of clean water for the dogs, and at least a few handlers dreamed of boosting scores with water retrievers. The temperature was ideal, and the skies were a beautiful, bright blue with no rain clouds. However, the wise handlers were decked out in water-proof boots and pants; the heavy dew and pools of standing water that lurked in the heavy cover guaranteed that no man or dog was going to leave the field dry.

Of the twenty-eight dogs running on Saturday, there were four newly qualified dogs and fourteen dogs that had already earned a championship. By the end of the day, there was a new NSTRA champion; Matt Huston's Rook (MH September Callup, EP) earned

2018 NW-NSTRA Region Elimination Final 6 placements.

L to R, front row:

1st – Jerry Youmans and Jack

2nd – Matt Huston and Rook

3rd – Paul McCawley and Rio

4th – Mike Smith and George

5th – Matt Huston and Tigg (Davy Caven standing in)

6th – Mike Stotts and Cici, Edie Stotts owner

that last precious point to complete his first championship with a third place in the qualifying round.

There was more on the line than usual in this year's qualifying round. Three dogs were tied for the region high point honor (Cici, ES, Mike and Edie Stotts; Dude, GSP, Rickey Hamilton; and Red, ES, Jerry Youmans). The tie breaker would be the high score for the Saturday brace. By the end of the day, the lady had claimed the field. Cici sealed her run at the region high point by taking second place in the qualifying round. First place in the qualifying round was Stone (GSP, Jim Shank) who set the bar for Saturday in the first brace with a run of 4-4 + back.

Sixteen dogs advanced to the second round on Sunday morning. By lunch time, the starting field of Saturday's 16 English Setters, 5 English Pointers, 5 German Shorthair Pointers, 1 German Wirehaired Pointer and 1 Brittany had been narrowed to six dogs. By mid-afternoon, we knew that the 5th runner-up was Cici (ES, Mike Stotts); 4th runner-up, Tigg (EP, Matt Huston); 3rd runner up, George (EP, Mike Smith); 2nd runner up, Rio (ES, Paul McCawley), and that Jack (GSP, Jerry Youmans) and Rook (EP, Matt Huston) were running in the final hour.

This was the first time since 2008 that there had not been an English Setter running in the final hour of a NW NSTRA regional trial. In that 2008 trial, there was also a GSP (Samson) handled by Jerry Youmans, who was the 1st runner up. A decade later, would the fates be different for Jerry and his Jack? They were running against Rook, who was in the final hour for the second time in his four seasons of competition. The gallery watched eagerly, but with the cover and larger field, no one could really tell for sure how the competition was going. When the handlers, dogs and judges returned to the gallery, the score cards read 4-4 for Jack and 4-3 for Rook, but neither dog had a scored back for the weekend. A backing scenario was set up for Jack, and Jack and Jerry returned to the field. In a few minutes, the exuberant raised arms of the judges confirmed to the anxious gallery that Jack had nailed his back, and a new regional champion was crowned. Congratulations to Jerry and Jack on this latest achievement in a successful NSTRA career.

SOUTH CAROLINA

Submitted by: Wanda Greenway

March 24 thru 25

True to the South Carolina Region's history, the 2018 Regionals were yet another nail-biting weekend of great folks, great dogs and of course, GREAT fun! The pre-trial and Regionals were held at the Tokeena Bird Dog Club in beautiful Seneca, South Carolina.

In year's past, I have found myself writing maybe too much about our Regionals so this year I will keep it to a minimum. HOWEVER, I encourage each of you to come participate in a South Carolina trial. You truly will leave with a good dose of "Southern Hospitality", a sore tummy from laughing so much, a full belly of some down-home cooking, an urge to pat your bird dog on the head, load your best shot gun and get to the field ASAP. I truly get beyond excited to share my love of NSTRA with anyone who will listen.

This year, I am so honored to announce the owner/handler of South Carolina's 2018 Regional Champion ... Paige Lee with his cute black and white English pointer Foothill's Queen of Spade better known as "Babe". Not only was Paige the proud owner of the Champion dog, but was also the proud owner of the first runner-up dog Foothill's President BHO "Bho", an orange and white English pointer. Obviously, Paige found himself in a predicament with two dogs in the final hour. He quickly chose, Billy Moore to handle "Bho". In the end, the female took the field with an impressive 1158.

Our South Carolina family could not have been happier to see Paige Lee in the final hour this year. I have had the honor to get to know Paige and his wife Cheryl over the past few years and what a "hoot" these two are. Paige is a true bird dog lover, gentleman hunter, quiet at times, hilarious at other times and just a true pleasure to be around. His love of NSTRA, nature, English Pointers and the outdoors is truly unique. His wife, Cheryl is one of a kind as well. She is very classy, intelligent,

Prowse with Cali and Mike Porter with Bee

and beautiful. Cheryl leaves a forever impression you will never forget. I adore these two as individuals and as a couple they are amazing! I feel our entire South Carolina Region is extremely honored to have such a wonderful duo. Paige Lee, you have set the bar high for 2019. CONGRATS on not just the top spot but second place as well!

In South Carolina, we cannot just stop at second place. I must say, the SCR Region has many dogs and handlers who have made it their mission to be on top of the podium come Regional time. Please join me in congratulating the top six (6):

- 1st – Foothill's Queen of Spade "BABE" ... Owned and Handled by Paige Lee
- 2nd – Foothill's President BHO "BHO" ... Owned and Handled by Paige Lee/Billy Moore
- 3rd – Snips Ruffons Sam's Little Joe "JOE" ... Owned and Handled by Tommy Wiley/Billy Moore
- 4th – Beeline Bullet's Bossman "BOSSMAN" ... Owned and Handled by Nolan Huffman
- 5th – Ruffon's Putting on the Ritz "RITZ" ... Owned and Handled by Steve Crumley
- 6th – Great Oaks Magic Touch "MAGGIE" ... Owned and Handled by Jeff Joyner

This year was very exciting and I have no doubt 2019 will prove to be another awesome year for the South Carolina Region! To the bird planters, judges, field marshals, owners, handlers, officers, members, family and friends ... "THANK YOU" for making South Carolina's trials GREAT!

VIRGINIA

The Virginia Regional started on Friday April 6, 2018 at Cripple Creek Kennels, Spring Hope, NC hosted by Jody and Tina Bass. The President of the Virginia Region Bill Berkley and wife Grenda, all the Bass family and Cripple Creek Gun and Bird Dog Club worked together to put on a well-run Regional and banquet.

A special thanks goes to our bird planter, Tim Parker from the NC Region and judges Jimmy Johnson and Lamar "Bodie" Ray from the GA Region. They had a long cold and wet weekend. All week the forecast showed a monsoon coming in Thursday and ending Sunday.

Lucky for us, Friday's weather changed and we had a nice day. The evening festivities went great with the Banquet being held at the Bass home. Cripple Creek Gun and Bird Dog Club members prepared appetizers, amazing side dishes and delicious desserts. Jimmy and Melissa Kirkman provided and cook the steaks which topped off the Awards Banquet. Annette Armand prepared a slide show that took weeks to prepare. She took pictures all year of the dogs and their handlers even in the snow and rain. The slide show was composed of each Virginia member with their dogs and ended with Jody Bass doing his "Go Willie Dance." You can find the slide show on Virginia Region Facebook.

The awards given started with a close race between 3 dogs and handlers for the High Point Dog of the Year. TC with Jimmy Kirkman took the lead the last trial before the Regional and won High Point Dog of the Year. Moxie with Bernie Davis and Brave with Matthew Bass tied for second place. The Friday trial winners were as follows:

1. Duke / Fred Giesecker
2. Gunnar / Roger Manus
3. Blades / Keith Hudson
4. Thumper / Bill Berkley

Saturday morning started with wind and rain, the monsoon had started. Everyone stayed under the Pavilion with the heaters for great conversation and a fun day regardless of the messy weather. The top 16 on Saturday in no particular order were:

Blades / Keith Hudson	Molly / Jimmy Kirkman
Case / Jody Bass	Gin / Randy Fairfield
Bee / Matthew Bass	Kate / Tina Bass
Moxie / Bernie Davis	Jewel / Bernie Davis
Ike / Steve Whittington	Zoey / Jody Bass
Bella / Randy Fairfield	Trapper / Steve Whittington
King / Kenny Sikes	Rose / Don Bowyer
Reagan / Frank McBride	Duke / Fred Giesecker

Sunday opened with rain and 32 degrees at 7:00am. Tim Parker, Jimmy Johnson and Bodie Ray had another cold wet day ahead. The top 16 dropped to 6.

Molly / Jimmy Kirkman	Moxie / Bernie Davis
Trapper / Steve Whittington	Case / Jody Bass
King / Kenny Sikes	Blades / Keith Hudson

It finally stopped raining as everyone cleaned the field for the final hour. The top two took a deserved break and prepared for the last run of the day. At the end it came down between a Brittany and an English setter.

Steve Whittington running Trapper (Brittany) and Jimmy Kirkman running Molly (English Setter) were the final hour competitors. The diehards stayed all day to see Molly end on top and become the 2018 Virginia Regional Winner.

Thanks again to everyone that help put on this trial. It was easier with so many willing to help and dedicated to the Virginia Region. We have a large number of new members in our region that are willing to step up and do their part. I feel truly blessed to be a part of the Virginia Region Family.

2018 NSTRA SCHOLARSHIP WINNERS

Nathan Greene & Brock Steven Van Loon

There were two scholarship applicants for the 2018 scholarship award and both proved to be extraordinary students and well worthy of the awards.

The first was Nathan Greene who was awarded \$2,000.00. Nathan attended North Hall High School in Gainesville, GA. We all know Nathan's dad, Bill Green, and his brother Brennan who runs his dog, Toothpick in NSTRA trials. Nathan holds a 4.0 GPA and phenomenal S.A.T. scores. Nathan was accepted by the University of Georgia and began there this fall. From the age of 4, Nathan was writing code and speaking Chinese. In high school he was the captain of the Robotic team, was involved in Beta club, the team leader on the Varsity Academic team, participated in Chinese competitions and the Georgia technology fair. Nathan also volunteered at the Altona food bank. He mentioned that he spent part of the summer in Washington D.C. as a summer trainee.

Congratulations to Nathan and family.

The second young man to receive a \$1500.00 scholarship award was Brock Steven Van Loon. Brock is from Indianola, IA and was a student at Indianola High School. His grade point average was 335.3 throughout high school and he also attended Des Moines Community College with a GPA of 3.68. He was on the Dean's list each semester. In May, 2018 he became the freshman baseball coach and middle school wrestling coach. Brock is the grandson of Terry Prenosil of the Midwest region and a member of the Iowa Gun Dog Club. He mentioned that he and his family always went to the annual hog roast at the club and looked forward to that event. Brock transferred to the University of Iowa this fall majoring in Physical Education with a minor in Health. He was a baseball and football player plus participated in wrestling in high school and very sports oriented. Congratulations to Brock and his entire family.

We were so proud to award these scholarships and although neither recipient was present at the banquet, we know they are very proud of their accomplishments.

Distinguished Member, *Marilyn Frank Cunningham*

A MEMBER FOR 34 YEARS

There have been several members honored with the distinguished member award. Many of them were involved in the beginning stages of this organization, even before it had a name. Once this organization started to evolve, there were people behind the scenes that kept everything running smoothly. One of those people is Marilyn Frank Cunningham. She has been a member for 34 years and not only meets the minimum of 5 of the 8 requirements, but all 8! For sure she has been “helping” NSTRA for a long time. She has judged over 90 field trials, and marshaled and coordinated field trial at all levels so long that we don’t have a record of them all. If being a judge, a field marshal, and a national trial coordinator wasn’t enough, she has been a national officer since 2002. (Yes, we finally found the “official” date!) Ask anyone who has been a national officer, or even region officer, and they will tell you anyone who takes on that job for 5 terms has to be a committed individual.

One of her great contributions has been the Illinois Region Shriner’s trial. Ron Huels says there is no way he could do it without her. She has been doing the clerical work far longer than anyone. Many of you have drawn weekend trials and some regionals. It isn’t always easy keeping things straight. Try drawing 6 full fields for 2 days and keeping track of all the entries and runs. That is more than even a national trial, and she does that too!

She has coordinated all the National trials, more than once, and traveled all over the country with Bob, grandson Steven and now, her little dog Sam. There aren’t many members she doesn’t know and she has a fun story to tell about most of them. In Florida, her winter home, she opens her home for judges and bird planters to stay during the Quail Invitational. She treats everyone like family while they stay with her. She feeds them, offers the upmost hospitality and uses her own car and gas to ferry them and their gear around and to and from Orlando airport and saves NSTRA thousands of dollars in motel and rental car fees.

For me, she was my lifeline when I came to work for NSTRA 11 years ago. If Marilyn wasn’t the person she is, with the knowledge she has accumulated and retained, and willing to share, I would have been lost. Many, many, many times, I have called her and asked for help or information on how to do something. She has always cheerfully agreed to help me, provide the documentation, or at least give me a place or time to go to look for whatever I need. She is the key to the bank of NSTRA history.

Distinguished member Marilyn Cunningham receiving award from Ron Huels.

Outside of NSTRA, there is no one any more dedicated to her family and her faith. She is a God-fearing woman and her faith surrounds her in everything she does. She truly loves her children, grandchildren, nieces, nephews, great nieces and nephews and now, great-granddaughter. Her Facebook account always has pictures of one of their latest activities or accomplishments. She is quite crafty with her sewing and quilting and I know from the recipes she has given me, that she is an exceptional cook!

Ron Huels nominated Marilyn for this award and this quote from his nomination letter says it all:

“Marilyn Cunningham IS the HEART and SOUL of NSTRA. She has truly earned the highest award that can be given by NSTRA.”

“Marilyn Cunningham IS the NSTRA’s Most Distinguished Member!!” ■

Distinguished Member, *Jim Harmon*

A MEMBER FOR 21 YEARS

Jim Harmon, Kentucky region, was presented with the most prestigious, Distinguished Member NSTRA award by fellow Kentucky region member, Mikeal Mulberry. Jim has been a member of NSTRA since 1997. Jim has hosted trials, raised birds, and ran champion dogs since he became a member. His son and daughter-in-law, Jeff and Nina, are active members who, like Jim, help out with anything anyone needs. Jim is called Mr. Fix-it because he can – fix-it. No matter what the problem, Jim will take a look and usually finds a way to fix it. Most of us would be unable to camp if it were not for Jim usually fixing something inside or out of our campers and motorhomes.

Jim has had many champion dogs in his 22 years with NSTRA and the following is a list of dogs he has trialed and placed.

Mally J / Mally – 1X Champion
Miss Doctor's Beattitude / Bea – 2X Champion
Sunny's Free Sue / Sue – 5X Champion
Burden's Tequilla Talken / Tequilla – 0X Champion
TJ's Codeine / Cody – 4X Champion
Copper's Big Mac / Mac – 6X Champion
Copper's Elhew Bull / Bull – 9X Champion
Honky Tonk Blues / Blues – 0X Champion
Runnin J Buddy / Buddy – 0X Champion
HHK Two Dollar Pistol / Kim – 2X Champion

Co-Owner of:

Bright Sunny Faith / Faith – 3X Champion
Hard Hitting Winchester / Chester – 4X Champion
Coppers Bright Champ / Champ – 1X Champion

And the up and coming sure fit Jim's funny disposition. Ms Runnin Outlaw / Bonnie and Runnin J Outlaw / Clyde.

That's 37 championships since Jim's start with NSTRA. Many people are happy with 4 or 5, but not Jim. He is a true example of what NSTRA is all about. Not asking for much; just running his dogs and helping out where he can.

I remember one time when Jim was the gunner for Bob Cunningham and we were in Creston, IA. Talk about hills, they were small mountains! Jim tied one end of a rope around his waist and the other end around Bob's 4-wheeler to help him up the hills. He always finds a way when everyone else thinks things are impossible, call Jim. And if you've never had Jim's waffles with ready whip in the can -you've never lived. They're the best, as is anything Jim decides to cook.

In the Kentucky Region Jim has done the following – President - multiple times, judge, trial chairman, and served as a Board of Director.

Distinguished member Jim Harmon receiving award from Mikeal Mulberry.

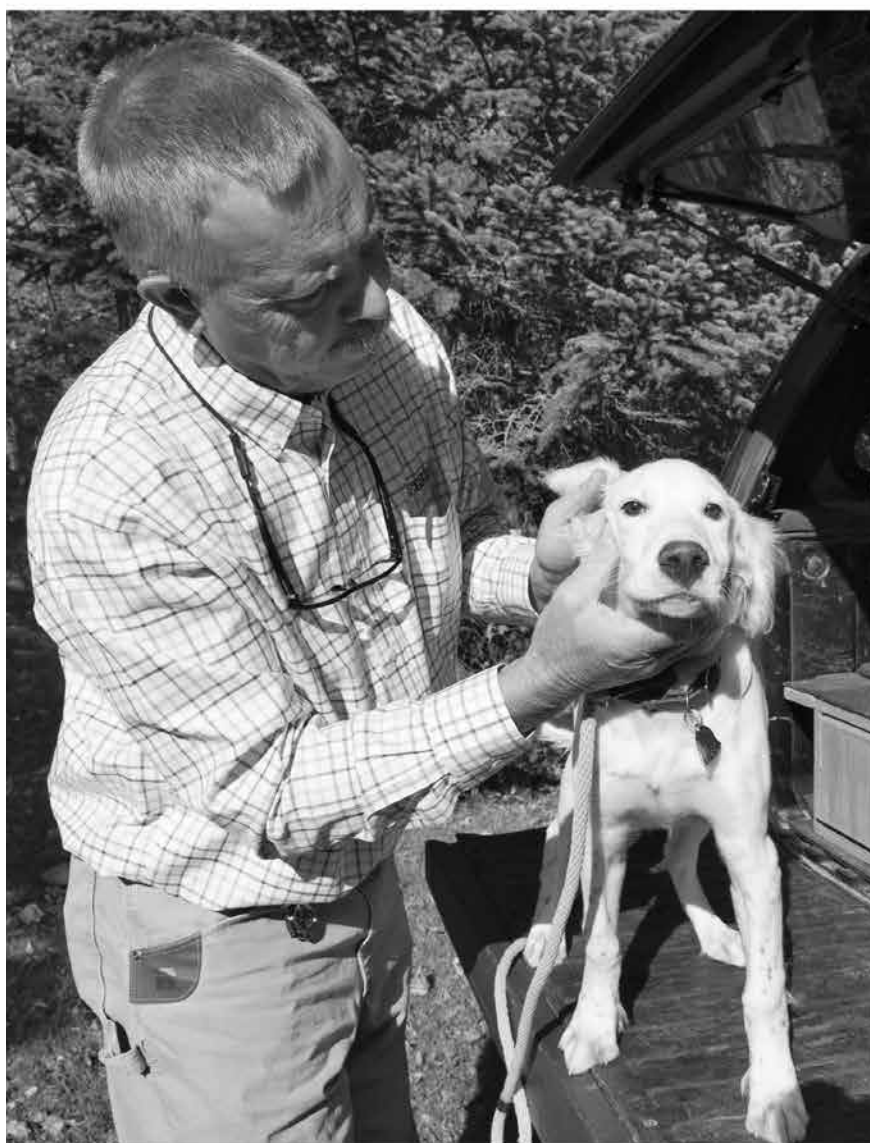

We could go on and on with funny stories about Jim, but on the serious side he is a family man, husband, dad, father-in-law and grandpa. Jim's family was on hand for the award – his wife, Caroline; daughter and granddaughter – Cathilee and Harlee, and daughter-in-law, Nina. Jim's son, Jeff, was unable to attend due to work.

Jim was born in Campbellsville, Kentucky - March 24, 1945 and moved to Alabama 1971 and made another move to Bowling Green, Ky. 1977 where he still resides. He has 5 children; Pat, Kelly, Jeff, Cathilee and stepson, Tony. There are 7 grandchildren and 5 great-grandchildren.

Graduated from Western Kentucky University - majored and taught Industrial Arts at Campbellsville High School in 69, 70 & 71.

In recent years Jim was the owner of Specialty Concrete in Bowling Green, Kentucky. For years this was the only concrete business in Bowling Green and he employed several people. He began the business creating stepping stones, bird baths and concrete picnic tables and advanced to pre-cast and doing walls for buildings. These were shipped to many places, one being Vanderbilt Hospital in Tennessee. In March, 2018 Jim sold his business and became officially retired. Now, Jim has more time to engage in his second hobby, fishing. A truly distinguished member – Jim Harmon.

EMERGENCY FIELD FIRST-AID FOR BIRD DOGS

It's important to take time at the end of each run to conduct a tailgate exam, which will help keep your dog healthy and safe in the field.

Being prepared for field emergencies is equally important to having a properly conditioned bird dog. Luckily, most injuries a dog incurs can be readily treated in the field, but knowing how to handle a more serious accident could make a difference in the prognosis for your dog. It's important to know your dog well and be able to readily recognize the signs of something wrong.

"Traumatic injuries are the most common problems that occur in hunting dogs," says Joe Spoo, DVM, DACVSMR, a hunting dog specialist from Best Care Pet Hospital in Sioux Falls, South Dakota. "Your field outings likely won't involve more than a few minor nicks and scratches. However, if you run dogs long enough, you're bound to encounter a few major problems ranging from cuts and bruises to penetrating, life-threatening injuries. It is in these times that preparation and level-headedness can determine whether your hunting partner will be able to hunt with you another day."

Conducting a tailgate exam is a surefire way to help keep your bird dog healthy and safe in the field. Take time at the end of each run, and definitely at the end of every day afield, to go over your dog from nose to tail, looking for any abnormality, injury or area of concern.

"Address any issues right away because they won't magically disappear when you put your dog in the crate," Dr. Spoo advises. "A dog's immediate injuries should be treated and then taken as quickly as possible to a veterinarian. Dealing with them in the moment can often mean the difference between days, weeks and months of recovery. The goal is to get your dog healthy again and then back into the field as soon as possible — this is what he or she lives for."

Other common field injuries include lacerations, eye irritations, insect stings and snakebites.

Care for lacerations depends on the severity of the injury, but generally, you should apply pressure and get your dog to the veterinarian so the injury can be cleaned up and stitched. Most cuts are inconsequential if cared for, but sometimes a dog may have tendon or nerve damage.

"Learn how to assess and address," Dr. Spoo advises. "If you can wash, clean and staple the wound yourself, you can accelerate the healing process while seeking veterinary care."

An eye abrasion has occurred if a dog has a red, inflamed eye, which requires immediate veterinary attention. Seeds trapped in the eye could be the underlying issue, or a dog could have an abrasion or more serious puncture or laceration to the cornea.

Some dogs can have an allergic reaction to insect bites or stings from a bee, wasp or horsefly. In the instance the reaction is severe, it's a good idea to carry an antihistamine with you to treat the bite or sting if you cannot seek immediate veterinary care.

When a dog is outdoors, whether on land or in water, he or she potentially could be in danger of a snake encounter, depending on your geographic location and time of the year. Being aware of the types of snakes native to areas you are traveling to hunt of field trial is imperative. Many variables — including the amount of venom injected, location of the bite, size of the dog, and elapsed time between the dog being bitten and the arrival at a veterinary facility — impact the severity and outcome of a snakebite.

If you suspect your dog has been bitten by a snake, it is crucial to seek veterinary care. Do not apply ice or heat to the wound, nor should you attempt to cut into the wound and suck out the venom or apply a bandage to the wound. Restrain your dog as much as possible and keep him or her calm to help slow the spread of venom until you can get him or her to the veterinarian.

By going over your dog from nose to tail during a tailgate exam, you can find and address any abnormality or area of concern, such as a paw pad injury.

Ruptured cranial cruciate ligaments (CCL), fractures and broken legs are uncommon but serious field injuries.

A dog's CCL helps to stabilize the femur (thighbone) on the tibia (shinbone) and allows a dog to bear weight on his or her leg. When the ligament tears, the two bones are destabilized and the dog becomes lame. Surgery is the only alternative when this occurs.

Fractures can occur when a dog accidentally steps in a hole while running, hits a rock or stump, or falls off a cliff or sharp incline. A dog may also break a leg if he or she becomes tangled in tie-out stakes. Broken legs should be treated by a veterinarian, though owners can help stabilize the leg by wrapping it with a bandage, and if appropriate, applying a temporary splint.

When a dog comes in from the field limping, it could be signs of lameness or soft-tissue damage, though it could also be due to a torn nail or cut, burr or sliver in the paw pad. Remove any foreign object and use a nonsteroidal anti-inflammatory drug (NSAID) recommended by your veterinarian to help reduce the pain, according to Dr. Spoo.

Being prepared to provide aid for an injured bird dog is the best course. Thinking ahead and being aware of how to handle potential problems will go a long way in making a difference in the outcome. ■

PREPARING YOUR EMERGENCY KIT

A good first-aid kit is a necessity in order to properly care for wounds in the field. Joe Spoo, DVM, DACVSMR, a hunting dog specialist from Best Care Pet Hospital in Sioux Falls, South Dakota, says, "The key to preventing further pain and complications is to stabilize the injury until a more definitive treatment can be performed by a veterinarian."

Dr. Spoo recommends a simple first-aid kit complete with the essentials. "Too many people either try to do too much or don't want to carry one at all," he says. "We've found the happy medium that allows you to address the things you should and recognize when you need help."

These are the items Dr. Spoo recommends stocking in your first-aid kit:

- **Digital thermometer** for monitoring your dog's temperature and avoiding heat stroke
- **Surgical soap** to wash and disinfect hands before performing first aid
- **4-inch-x-4-inch gauze sponges** to help stop bleeding
- **2-inch vet wrap** for wrapping injured legs

- **1-inch tape** for securing bandages
- **Triple antibiotic ointment** for superficial injuries
- **Cotton swabs** for cleaning and applying ointments
- **Staple gun** for temporarily closing up wounds
- **Tissue glue & EMT gel** to help reduce bleeding, diminish pain and itching, and protect the wound from further infection
- **Needlenose pliers** for removing splinters or items lodged in the mouth or throat
- **Hemostats** for removing ticks or items lodged in paw pads
- **Clean white T-shirt** for packing or wrapping large wounds
- **Saline solution** for washing irritated eyes
- **Ophthalmic ointment** to help reduce or prevent eye infections
- **50 percent dextrose or sugar solution** for low blood sugar
- **Hydrogen peroxide or apomorphine** to induce vomiting if your dog eats something toxic
- **Any medications prescribed or recommended by your veterinarian** for inflammation, nausea or diarrhea
- **Contact information** for your veterinarian and/or a veterinarian who can treat sporting dogs near the area in which you are hunting, trialing or training

Scholarship Auction and Donations

A complete success!

We just completed a very successful Scholarship silent auction at the Dog of the Year trial. This event was organized by Emily Coke of the Northern Illinois region. There were a wide range of items: a quilt, afghan, t-shirts, metal art, miscellaneous baskets, jelly, salsa, wine, Garmin collar, bird tube, and even a setter puppy! Donations came from individuals and regions. From the East Coast to the West, from North to South. Our thanks go out to the Midwest, Northern Illinois and Ohio regions as well as Ginger Rogers (AZ), Roger and Michele Parient (IN) Ritchie and Samantha Hight (NCN), Marilyn Cunningham (IL), Cheryl Higham (SCR), Sharron Van Arsdale (IN) and Sandy Ludolph (MN) and Dion Bliss of Red Haw Supply and Jeri Wampler & Julie Carrier of @JeebDesigns for their donations. Our auction netted \$2,410 for the NSTRA Scholarship Fund.

In addition, we received the following monetary donations:

- \$975.00 Rock Creek Field Trial Association from the Endurance Trial
- \$3,023.00 Iowa Gun Dog Club from the Geezer's Trial and Performance Trial
- \$100.00 Don and Karen Bowyer, Virginia Region.

Whether you donate items for an auction or raffle or write a check, you know that any donations made to the NSTRA Scholarship program goes directly to the children or grandchildren of NSTRA members for their continued education. We are proud that our organization can provide assistance to worthy individuals. Please take time to spread the word about the scholarships available. We are always looking for applicants.
