## News From the Officers

Wow!

Two magazines almost back to back! Is our team cooking or what? By the time this gets to your house, we will almost be caught up and right on schedule with this magazine.

Thanks, thanks, to all those that did, presently do, and will continue to do to provide our membership with such a quality magazine. I wish I could speak to each one of you individually but that is impossible, so all I can do is communicate via this bi-monthly magazine.

I want you each to know, no matter where you are from, you are important to NSTRA. If you have never been to a national trial or never traveled outside of your home region, it doesn't matter where you are or where you came from. You the membership are the backbone of NSTRA. National Officers can advise, put forth product to help, But, you, the members from regions all over, are the men and women who truly help NSTRA the most. You, the member, can talk to a friend, a hunting buddy, a trap shooting companion, a dog enthusiast and you can tell them the enjoyment we get from watching quality dogs compete. Tell them the fun we have at our trials, convince them that you can mentor, help them get started in NSTRA. Welcome them when these young inexperienced handlers and dogs come attend your trial. Everyone should go out of their way to be friendly as well as supportive of all newcomers. That's the way we will build membership. Each member should commit themselves to bring in one new member each year to their region. My gosh, look at our potential, what we could become, and all we have to do is WORK and set an example.

I sure hope you signed up to go to the Quail Invitational Trial in Lake Wales, FL towards the end of February. If not, call the office and get on the bye dog list as you do not want to miss it. I hope by now, you have sent in your YES vote on our membership fee increase, if not please vote today and please vote YES. As I have reported last time, our committee is moving right along on our revamping of our amateur program. You are going to enjoy what you see. I guess I have rattled on long enough, if any one needs me please feel free to call or email me. We will never quit striving to make NSTRA the ELITE of all bird dog organizations. Hope you get to enjoy the wild bird season this fall and winter and that your tails are all at 12:00!

Ron Huels, President

# IMPORTANT THINGS TO REMEMBER!

## **Purina Endurance Classic:**

Entry into this trial will be based on all open points earned from June 1 through May 31. Points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial do not count; however, points from qualifying rounds do count.

## **TOP PERFORMANCE:**

Dogs must have at least 20 open points from June 1 through May 31 of the applicable year to be eligible. Points will be from weekend trials only. From there, the award will be based on national trials and regional eliminations. The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of nationals the same each year. The Regional Elimination trial will be based on regularly scheduled regionals for each year and only one regional can count per year. Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. For national trials, a dog must make the Saturday cut to receive a qualifying score. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). In addition, 100 points will be awarded to the Champion, 75 for the second place dog, 50 for the third and 25 for fourth. The placement for the regional eliminations and national trials is determined by the score of the last round in which the dog ran.

## **HALL OF FAME NOMINATIONS:**

Hall of Fame nominations will be accepted November 1 through March 31 of each year. Send these to the office. Nominations of dogs to the NSTRA Hall of Fame are NOT "carried over" to following years should the dog not be elected in the year nominated.

Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted each year in order to be considered for election.

## **TRIAL SCHEDULES:**

Fall trial schedules are due in the office by May 1. Spring trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

## **SCHEDULING FEES:**

Trial scheduling fees are requested in the NSTRA office at least 4 weeks prior to your trial date in order to mail the packets on a timely basis.

## **TRIAL REPORTS:**

Trial reports are due in the NSTRA office 10 days after the trial date.

## **QUAIL INVITATIONAL:**

This trial is always held the last week in February that includes a Saturday. The qualification period for this trial is Nov. 1 through Oct. 31. This includes all points earned during the time frame, except points earned from placements in the final "Top 4" of a National Championship trial or Regional Championship trial (qualifying rounds do count). Entry into the trial is based on points (dog with most points first to get in and on down the list, etc.). NO INVITATIONS WILL BE SENT. Any dog with a placement during the specified time frame will be eligible to enter. Amateur points do not qualify entry into Championship trials.

## **TRIAL OF CHAMPIONS:**

The criteria for entry into this trial is that the dog has earned an open championship and is at least a 1X open champion by February 1 of the current year OR the dog can be a paid standby for this trial by achieving their open championship between February 2 and March 31 of the current year.

## **UKC PERFORMANCE CLASSIC:**

The qualification for this trial is points earned from April 1 to March 31. Weekend trials

only. No points from qualification or final rounds of national championship or regional championship trials will be counted.

## **DOG OF THE YEAR:**

This trial will begin on Wednesday of the last full week of October. This trial is based on region elimination placement and/or high point status. All entries must be postmarked 45 days prior to the first day of the Dog of the Year trial. (NO INVITATIONS WILL BE SENT.)

## **HOME REGION:**

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1. \*Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at anytime to request a change in their Home Region.

## **ASSOCIATE MEMBERSHIPS:**

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members EXCEPT they are unable to vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

## **RULE CHANGES:**

Proposed new rule changes or additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

## **CONSTITUTION/BY-LAW CHANGES:**

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions or the Dog of the Year trial.

## **REGION HIGH POINT:**

Points earned in the qualifying rounds of a

## IMPORTANT THINGS TO REMEMBER!

Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

### **OWNERSHIP CHANGE:**

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of the papers with the new owners' names to the office. Transfer copies will not be accepted. The date of transfer will be the date shown on the papers.

### **FIRST TIME PLACEMENTS:**

The National Office now requires a copy of the dog's registration certificate for first time placements. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org) or a photocopy by regular mail.

### **NSTRA Distinguished Members:**

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the Year banquet. Nominations are to be submitted by August 31. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included if available. Contact the NSTRA office for a list of criteria.

The committee will review all nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected.

The committee will make their decision by September 30. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

# 2018 Illinois Region Benefit and Shriner's Trial

How astonishing it is that an event that takes a whole year to plan is over in three days. The dedication of a group of individuals to raise money to benefit crippled children continues to grow. Ron Huels told us "what used to take a village to put together the Shriner's Trial has now advanced to the size of an army". This is because our NSTRA family has come together to focus on the children. The monies that are raised for the children are nothing compared to the devotion, fellowship and memories that are made in these three short days – the 2018 Shriner's for Crippled Children Trial was a great success – AGAIN!

The Illinois Region Benefit Trial was held on October 12 and Shriner's for Crippled Children Trial was held October 13-14 at the World Shooting Sports and Recreation Complex in Sparta, Illinois. After two full days of trialing, Saturday evening the participants and their families enjoyed a Social Hour and Dinner including appetizers sponsored by Mark Kohlberg and Rick and Cindy Bertinetti at the Events Center at the Shooting Complex. After the meal, Friday and Saturday's placement winners were presented with trophies.

## Friday's winners:

A Field: 1st – Liz/Ralston; 2nd – Bullet/Geralds; 3rd Doc/Reynolds  
B Field: 1st – Ace/Schwimley; 2nd – Jughead/Rawdin; 3rd – Liz/Ralston  
C Field: 1st – White Shadow/Clark; 2nd – Rambler/Autry; 3rd – Russell/C. Higham  
D Field: 1st – Tessa/Chandler; 2nd – Russell/C. Higham; 3rd – Cutter/MK Kunza

## Saturday's winners:

A Field: 1st – Birdie/Brackin; 2nd – Tessa/Chandler; 3rd – Rum/J. Moore  
B Field: 1st – Tessa/Merkel; 2nd – Peaches/Clark; 3rd – Birdie/Brackin  
C Field: 1st – Dani/K. Sprick; 2nd – Hank/Miller; 3rd – Doc/Becker  
D Field: 1st – Belle/Turner; 2nd – Liz/Ralston; 3rd – Ellie/Kohlberg  
E Field: 1st – Scotty/Mize; 2nd – Joker/Hawkersmith; 3rd – Cricket/Samuels  
F Field: 1st – Buckshot/Cloud; 2nd – Zeus/England; 3rd – Beer/S. Moore

After trophies were awarded, the auction kicked off with the 2018 Shriner's Portrait that was donated by Kay Emert, followed by a large variety of items ranging from quilts to quail hunts to sporting events that were donated by various individuals and organizations. Thank you to the auction crew of John Rawdin, Michelle Reynolds, Dan Hampton, Phil Chandler, JB and Mary Kay Kunza for catching bids and keeping track of the items and buyers.

## Sunday morning brought another full day of trialing with the placement holders listed below:

A Field: 1st – Puller/Cullen; 2nd – Ellie/Kohlberg; 3rd – Ruger/Heeglin  
B Field: 1st – Frankie/Craven; 2nd – Liz/Ralston; 3rd – Ivy/Ralston  
C Field: 1st – Ginger/Prince; 2nd – Rambler/Autry; Russell/C. Higham  
D Field: 1st – Ace/Schwimley; 2nd – Tater/JB Kunza; 3 – Rowdy/Autry  
E Field: 1st – Wyatt/Russell; 2nd – Bryar/Lehmann; 3rd – Tina/Zoller  
F Field: 1st – Jill/Parker; 2nd – Coupe/Thomas; 3rd – Rusty/Saineghi

By the time the trials were over, 512 times a dog and handler were at the starting line. There were a total of 48 placements given in this 3-day trial (does not include 4th place finishes).

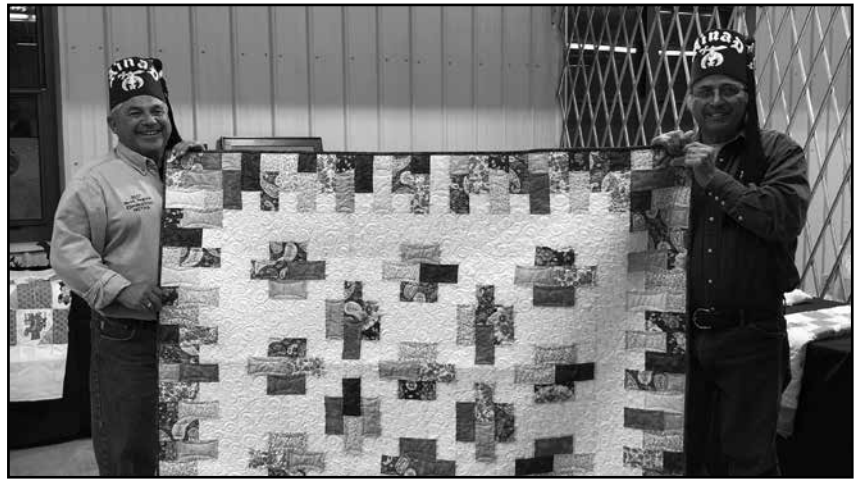

Although the final tally is not in, we estimate \$30,000 was raised from the auction, raffle, donations, and trial profits. SO, a MILLION THANK YOU's doesn't seem to be enough to our volunteer judges, bird planters, field marshals, auctioneers, anyone who donated their bikes, our cooks, cash donators, raffle ticket buyers, etc. the folks below are just a few of our unsung heroes:

## 2018 National “Purina Endurance” Championship

The Purina Endurance Championship was held at the Rock Creek Field Trial Association in Waverly, Nebraska. As many of you can attest, the trial conditions were very wet after receiving about 6 to 9 inches of rain. The temperature was good for a soggy trial. Rock Creek members were well prepared and hosted a well-run championship event with a clean clubhouse and great food and fun. A big thanks to all the Rock Creek Field Association who helped prepare the Club and worked tirelessly during the trial. The field cover was a great with a lot of puddles, but J. R. Coke (NI) did an excellent job handling and planting the birds. Each contestant received a hat per dog from Red Haw Supply and 4 small bags of Purina ProPlan per dog. Chairman, Nance Ceccarelli, met with trial personnel prior to the start of the trial for last minute instructions and introductions. Nance & Todd Hendrix, Co-chairman, put together an experienced team with some new judges at the national level. Samantha Hight from the Northern California & Nevada region and Mark Schwake from the MidWest region were the field marshals. Judges Brenda Barr (West Texas), Richard Hughes (Big Sky Region), Donny Parker (Arkansas), and Mary Kay Kunza (Illinois) rounded out the field of seasoned officials. This year, 110 dogs representing 21 regions were drawn. Two fields were run on Wednesday and Thursday with 16 dogs in each field moving forward to compete in the Friday's elimination rounds of sixteen braces on 2 fields. Starting Friday's 2nd round and to the end of the trial, it was the beat your brace-mate format. The top two dogs competed in the final hour. The third and fourth places were determined by points from the round 6. The results from the first round on Wednesday A field with field marshal Mark Schwake and judges Brenda Barr and Richard Hughes:

The 3rd runner-up was Hidden Valley's Levi (Levi) owned by Craig Beach of the Southern California region and handled by Richard Hight. Levi is a 5 year-old English Setter male and a three-time champion with 57 points of which 38 were 1st place points. Levi is out of sire Thunderhills Trooper and dam Toma's Kaye. Levi was untested in a national trial, but rose to the challenge. Richard was awarded, for Craig, the Purina runner-up jacket and Purina ProPlan, a NSTRA trophy and belt buckle from Montana Silversmiths, a gift certificate from Dogs Unlimited, a Garmin gift certificate and Gun Dog Supply gift certificate. Congratulations to Levi and Richard Hight for a great week.

The 2nd runner-up was Phipp's Linking the Past (Link) owned and handled by Rodney Phipps from the Midwest region. Link is 6 years old and now three-time champion with 58 points of which 28 were 1st place points. Link is an English setter male out of Branningan's Last Straw and Tall Oaks Cotton. Link and Rodney are not new to the national scene, Link placed 9th at the 2018 UKC Performance & 7th at the 2018 Trial of Champions. Rodney was awarded the Purina runner-up jacket and Purina ProPlan, a NSTRA trophy and Montana Silversmiths' belt buckle, a gift certificate from Dogs Unlimited, a Garmin gift certificate and Gun Dog Supply gift certificate. Congratulations to Rodney and Link.

The 1st runner-up was Fort's Bird Angel (Bree), owned and handle by Bill Sumpter from the Midwest region. Bree is an English Setter female who is 4 years old and out of Phipp's Linking the Past and Phipp's Bird Desire. She is now a 3-time champion with 57 total points of which 35 were 1st place points. You know how kids are always trying to show off in front of their parents – well, Bree showed up her dad by making it to

the final hour. In fact, Bree & Bill had a really good trial placing 1st on Wednesday on B field and Friday on A field in the elimination rounds. Bill was awarded the Purina runner-up jacket and Purina ProPlan, a NSTRA trophy and Montana Silversmiths' belt buckle, a gift certificate from Dogs Unlimited, a Garmin gift certificate and Gun Dog Supply gift certificate. Congratulations to Bree and Bill for a job well done.

The 2018 Purina Endurance Classic Trial winner was TC's Get Lucky Lou owned and handled by Todd Craven from the Michigan region. Louie is a German shorthair male out of Crosswinds Micro Chip and M'Credible Pick of Destiny. He is a 7-time champion with 127 total points and 72 1st place points. Louie is no stranger to the winner's circle, having won the 2017 UKC Performance Classic. Louie won with 6 finds, 6 retrieves, and a back for a score of 1100. In addition to the trophy and winner's Montana Silversmiths' belt buckle, Mike Botts (Garmin and Nestle Purina Pet Care representative) presented Todd with a Garmin Pro 550 collar, the Purina Winner's Jacket and 450 pounds of Purina ProPlan. Todd received a custom bench from Battle Born Metal Works in Reno, Nevada made by Richard Hight. He also received gift certificates from Dogs Unlimited and Gun Dog Supply.

Thanks again to all of the officials who make the trial possible and to the Rock Creek Field Trial Association in Waverly, Nebraska. Also, a big thanks to the trial chairman Nance Ceccarelli and co-chairman Todd Hendrix who kept all of the officials on the ball.

A very special thank you to our sponsor representatives Mike Botts (Nestle Purina Pet Care and Garmin who was available during the trial to answer questions and to support NSTRA and the winners. We could not play this game without their support. ■

# NUTRITION FOR YOUR DOG: THE TOP 3 MYTHS ABOUT GRAINS, BY-PRODUCTS AND RAW DIETS, DEBUNKED!

When it comes to grains, by-products and raw diets — all hot topics in regard to your dog's nutrition — do you know what's myth from what's fact? Grains and by-products tend to carry a negative connotation, while raw diets raise questions and often incite debates. With all of this competing information out there, it's easy to become confused over what you should or shouldn't be feeding your hardworking bird dog.

"Quality diet and nutrition are essential to helping a dog live a long, healthy life. However, many owners aren't aware of what this consists of and are looking to the latest trends and fads to help make decisions about their dog's health," explains Purina Veterinary Communications Manager Shelly Adrian, DVM. "It's important to learn the facts behind the myths that are out there so you can make well-informed decisions about feeding your hardworking dog."

## MAINTAINING NUTRITIONAL BALANCE

Maintaining nutritional balance can be challenging on the road to trials or hunting trips, though doing so is essential if a dog is to perform at his or her best. *Purina Pro Plan* recently added guaranteed live probiotics to its *SAVOR* dry formulas to support digestive health.

"A healthy gut microflora balance supports digestive health, which is important to a dog's total wellbeing," says Purina Senior Research Nutritionist Gail Czarnecki-Maulden, PhD. "The probiotic we chose for the *Pro Plan SAVOR* formulas is known for being robust and stable and can survive the manufacturing process and reach your dog's food bowl."

Do you already give your dog *Purina Pro Plan Veterinary Diets FortiFlora* canine veterinary probiotic supplement and wonder whether it's OK to combine *FortiFlora* with *Purina Pro Plan SAVOR* dry dog food with probiotics? The answer is: Yes.

Different probiotic strains can have different health benefits for your dog. *FortiFlora* is a supplement for the dietary management of puppies with soft stools and adult dogs with diarrhea. It also promotes a healthy immune system. Both *FortiFlora* and the probiotic in *Purina Pro Plan SAVOR* dry formulas help maintain a dog's digestive health. Consult your veterinarian if you have questions about the right diet and probiotic approach for your individual dog.

The guaranteed live probiotics are being added to all the *Purina Pro Plan SAVOR* dry dog formulas. Look for the specially marked bags showing formulas with probiotics. *Purina Pro Plan* is sold at pet specialty stores and through online retailers. For more information, please visit [www.proplan.com](http://www.proplan.com).

## EVERY INGREDIENT HAS A PURPOSE

Did you know that every ingredient in a bag of Purina brand dog food has a purpose? Visit [www.purina.com/ingredients](http://www.purina.com/ingredients) for an interactive guide that shows the variety of ingredients used in Purina's complete-and-balanced formulas and explains the nutritional benefits of each.

Knowledge is power! Here, Purina experts dispel a few popular myths to help bring clarity to the nutrition, quality and safety of your dog's food.

**1 MYTH:** Dogs are carnivores and should be fed a raw, meat-based diet. Cooking destroys nutrients in dog food, so raw meat provides better nutrition.

**FACT:** Dogs aren't wolves, they're omnivores. Although raw food diet proponents claim health benefits such as improved digestion, firmer stool, healthier skin and coats, and nutrition more akin to the "wild diet," very few of these claims are supported by published research. Raw food diets can actually pose serious health risks, including foodborne illness for both humans and dogs caused by bacterial contamination of uncooked meat, physical injury caused by bones, and potential nutrient imbalances or deficiencies. Certain cooking processes in the manufacture of dog food can actually increase the digestibility of protein by gelatinizing the collagen, as well as the digestibility of grains and starchy foods by altering the cellular structure of the starch granules.

**2 MYTH:** Grains are unnecessary fillers in dog food — not only are dogs allergic, they also cannot digest grains to use as energy.

**FACT:** Grains are a nutritionally valuable ingredient in dog food, as they are an important source of many nutrients such as protein, fiber, essential fatty acids, B-vitamins and minerals. Grains can also provide a source of readily digestible carbohydrates, helping to meet a crucial physiological need for glucose, the most important energy source for all cells in the body. What's more, true food allergies are rare in dogs, and the offending substances usually aren't grains. However, Purina respects and accommodates those dog owners who are selective about particular ingredients and choose to feed an appropriate grain-free diet, offering a

range of grain-free formulas that are nutritionally complete and balanced.

**3 MYTH:** By-products are just cheap, low-quality fillers used in dog food.

**FACT:** By-products are a common ingredient in dog foods and can provide a highly digestible and nutritious source of protein and essential amino acids, vitamins, minerals and healthy fats. By-products actually can deliver more essential nutrients than regular muscle meat. Purina only uses safe and clean, high-quality by-products, including nutrient-rich organ meats (livers, kidneys, lungs and spleens), corn gluten meal and tallow. Foods made with by-products also are more sustainable, allowing the use, rather than the waste, of nutritious components of a whole-food ingredient.

The most important aspect of dog food is whether it provides complete and balanced nutrition for pets. "Owners should have a good understanding of the ingredients used in their dog's food — such as grains and by-products — and the benefits they bring," Dr. Adrian says.

Owners also should research the quality and safety standards of their dog food and know who makes it, where it's made, the steps taken to ensure the quality and safety of their food, and if their food meets or exceeds FDA and AAFCO standards. Dr. Adrian suggests contacting or checking their pet food manufacturer's website or speaking with their veterinarian.

Interested in learning more? Dr. Adrian recommends credible third-party resources to gather further information on your own. "The World Small Animal Veterinary Association, American College of Veterinary Nutrition, Pet Nutrition Alliance, Pet Diets, and Petfoodology are all solid, reputable sources that can help you decipher what's fact from fiction," she says.

# NSTRA Youth Scholarship Fund

**A. NATURE OF AWARD:** National Shoot to Retrieve is offering an one time scholarship to any son or daughter of a NSTRA member in good standing who is enrolled in their junior or senior year of high school or their freshman or sophomore year of college that meets the selection criteria. Said monetary award shall be 80% of the amount raised at the prior year's fundraising event.

**B. CRITERIA FOR SELECTION:**

- 1-Any high school junior or senior or any first or 2nd year college student who is the son/daughter or grandchild of an eligible NSTRA member can apply for this scholarship. For purposes of this award, "eligible NSTRA member/parent" means any member in good standing for at least 5 consecutive years prior to the submission of this application and who has actively participated in at least 6 trials in each of those years;
- 2-Applicant must submit evidence of strong academic performance to date, supported by the submission of official documentation indicating class rank, grade point average and ACT or SAT test scores. Official documentation means this information MUST be provided in letterhead from their school and/or national testing office. In the event that this documentation is not available a clear and concise explanation as to the reason must be provided;
- 3-Applicant must be enrolled or accepted in an accredited academic college and supply appropriate documentation. A letter of admission or grade slip from the college if already enrolled, constitutes adequate documentation;
- 4-Applicant must provide 3 letters of recommendation from academic advisors or teachers. These letters must specifically address the applicant's academic

achievements and abilities;

5-Applicant must submit evidence of extra curricular activity supporting scholastic achievement, any other school involvement or community activities. Any letters of recommendation from NSTRA members would be in addition to the letters from teachers or academic advisors;

6-Applicant must submit a 3-5 page essay detailing what NSTRA means to him/her, to their family and how the "eligible parent's" participation in NSTRA has impacted on his/her life. Applicant must also explain how a college education would affect his/her future and what his/her educational goals are;

7-Essay must not include name of the applicant. A separate cover letter and application form with all pertinent information should accompany the application. Each application will be assigned an identification number and each will be read by the scholarship committee without a name attached to it;

8-It is expected that the recipient will provide NSTRA for 3 years with follow up to his/her academic achievements after receipt of the award.

**C. STIPULATIONS:** The recipient will receive a letter of Certification of Award from NSTRA. This letter should be presented, by the recipient, to the university who then may contact NSTRA to secure the monetary award.

**D. PRESENTATION OF AWARD:** The scholarship winner will be announced during the annual Dog of the Year banquet. The current NSTRA President will make said announcement. If recipient is not present, award will be forwarded.

# **WANTED: A FEW GOOD LEADERS ...**

Effective with the constitution change approved February of 2002, NSTRA will elect the offices of 2nd Vice President and Secretary this year. These officers will then begin serving their three-year term the Sunday after the annual Dog of the Year Trial.

Selecting the right candidates is very important and is the duty of a nominating committee appointed by the President. This election year, Greg Wood will be the chairman of our nominating committee and will be assisted by Todd Hendrix, Mike Stotts, Randy Schultz and Jr. Coke. Below you will find their phone numbers and e-mail addresses in order to contact them regarding running for a position.

If you are interested in becoming a candidate for these elected positions, contact one of these committee members as soon as possible but before May 30.

The official duties of the officers are listed in the Bylaws, but their duties go far beyond what is listed. Our officers spend considerable time working to improve our organization and most often their effort is little noticed. The officers meet a minimum of two times each year at the April and October meetings in Plainfield. They usually plan their meetings around our championship trials so they can reduce the travel expenses and to spend time visiting with our members to learn how to make NSTRA the best it can be. In addition, there are several conference calls and often meetings at other national trials.

NSTRA is always looking for leaders who have the time to donate and have skills that will benefit our organization. If you would like to be considered, contact Greg Wood or another nominating committee member. But be forewarned, the officers of NSTRA are required to do real work and lots of it. Being a NSTRA officer is a huge commitment of time and there is no compensation for any of our officers other than reimbursement for travel expenses to official meetings. The reward comes from being able to see good ideas blossom into reality and to provide our members the opportunity to enjoy the sport of dog trialing and their membership in NSTRA.
